**Notes**

Use this form to ask us to register any licences granted against the trade mark. It is not a substitute for the licence agreement or other proof of the transaction.

If the licence is exclusive, it means that the licensee can use the trade mark in the way allowed by the licence, to the exclusion of everyone else, including the registered proprietor.

The registered proprietor (or their representative) must sign this form in section 9. If they cannot do this, you may send a copy of the licence agreement or other proof of the transaction.
