PATENTS ACT 1977

PARTIES	Transformative Risk Solutions Research, Henreich Boco Ecija and Clement Decrop
ISSUE	Application not to mention an inventor(s) for patent number GB2630018
HEARING OFFICER	Claire Woodman

DECISION

1 Transformative Risk Solutions Research, the patent proprietor, filed an application in accordance with Section 13(3) of the Patents Act 1977 to the effect that Clement Decrop should not have been mentioned as a joint inventor.

2 Transformative Risk Solutions Research , Henreich Boco Ecija and Clement Decrop filed written consent in support of the application. As such the application is treated as unopposed. I therefore conclude that Clement Decrop should not have been named as a joint inventor in the published patent.

3 Accordingly, I find that Clement Decrop should not have been mentioned as a joint inventor in the published patent application for the invention. This decision issued in accordance with Section 13(3), serves as a certificate to this effect. I therefore direct that an addendum slip be prepared for the published patent application for the invention stating that Clement Decrop should not have been mentioned as a joint inventor.
