HEARING OFFICER Susan Eaves

DECISION

- 1 Viridia Inc. the patent proprietor, filed an application in accordance with rule 10(2) of the Patents Rules 2007 to the effect that Philip Travisano should be mentioned as joint inventor.
- 2 Viridia Inc. the patent proprietor, Robert Jansen, Nao Lapidot, Michael Zviely, Neta Matis, Lee Madsen and Bassem Hallac existing named inventors and Philip Travisano have all filed written consent in support of the application. James Alan Lawson also listed as an existing named inventor is now deceased and written consent in support of the application has been received from Susan Lawson his successor in title.
- 3 As such the application is treated as uncontested. I therefore conclude that Philip Travisano should be named as joint inventor along with Robert Jansen, Nao Lapidot, James Alan Lawson, Michael Zviely, Neta Matis, Lee Madsen and Bassem Hallac.
- 4 Accordingly I find that Philip Travisano should be mentioned as joint inventor in the published patent application for the invention. I therefore direct, in accordance with rule 10(1), that an addendum slip be prepared to reflect this for the published patent application for the invention.
