HEARING OFFICER Susan Eaves

DECISION

- 1 Patents Form 7 names one inventor: Phillip William Knight.
- 2 Lisa Joyce has filed an application under rule 10(2) of the Patents Rules 2007 to the effect that she ought to have been mentioned as sole inventor in the patent and an application under section 13(3) to the effect that Phillip William Knight should not have been mentioned as inventor.
- 3 Kindersuits Limited the patent proprietor, have confirmed in writing that they consent to the application. Phillip William Knight the currently named inventor has provided written consent to the application and has confirmed that Lisa Joyce should have been mentioned as inventor and that he should not have been mentioned as inventor.
- 4 As such the application is treated as uncontested. I therefore conclude that Lisa Joyce should have been mentioned as sole inventor of patent number GB2549766 and that Phillip William Knight should be removed as inventor.
- 5 This decision serves as a certificate, issued in accordance with section 13(3), to the effect that Phillip William Knight should not have been mentioned as inventor in the published patent application and granted patent.
- 6 I also direct that an addendum slip be prepared for the published patent application and granted patent for the invention accordingly.
