

## PATENTS ACT 1977

PARTIES            Johnson Matthey Davy Technologies Limited, Rikard  
                         Umberto Andersson, Robert Wild, Simon Nicholas  
                         Tilley

ISSUE              Mention of an additional inventor for patent number  
                         GB2503103

HEARING OFFICER            Susan Eaves

---

### DECISION

- 1    Patents form 7 names two inventors: Rikard Umberto Andersson and Robert Wild. The patent proprietor is Johnson Matthey Davy Technologies Limited.
- 2    Johnson Matthey Davy Technologies Limited filed an application in accordance with rule 10(2) of the Patents Rules 2007, to the effect that Simon Nicholas Tilley should be named as a joint inventor.
- 3    The patent proprietor, Johnson Matthey Davy Technologies Limited, Rikard Umberto Andersson, Robert Wild and Simon Nicholas Tilley have filed written consent in support of the application. I therefore conclude that all relevant parties agree that Simon Nicholas Tilley should be named as a joint inventor.
- 4    Accordingly I find that Simon Nicholas Tilley should be mentioned as a joint inventor in the published patent application and granted patent for the invention. I therefore direct, in accordance with rule 10(1), that an addendum slip mentioning him as a joint inventor be prepared for the published patent application and granted patent for the invention.
