**DECISION**

- 1 Juul Labs UK Holdco Limited, the patent proprietor filed an application in accordance with rule 10(2) of the Patents Rules 2007 to the effect that Christopher Nicholas HibmaCronan and Joshua Morenstein should have been named as joint inventors in the above patents.
- 2 Juul Labs UK Holdco Limited, the patent proprietor and James Monsees, Adam Bowen, Nicholas Hatton, Steven Christensen, Ariel Atkins and Kevin Lomeli, the existing named inventors have all filed written consent in support of the application. Christopher Nicholas HibmaCronan and Joshua Morenstein have also consented to being mentioned as joint inventors. As such the application is treated as uncontested. I therefore conclude that Christopher Nicholas HibmaCronan and Joshua Morenstein should be named as joint inventors, along with James Monsees, Adam Bowen, Nicholas Hatton, Steven Christensen, Ariel Atkins and Kevin Lomeli.
- 3 Accordingly I find that Christopher Nicholas HibmaCronan and Joshua Morenstein should be mentioned as joint inventors in the published patent applications and granted patents for the invention. I therefore direct, in accordance with rule 10(1), that an addendum slip mentioning them as joint inventors be prepared for the published patent applications and granted patents for the invention.
