Application for a series of 2 marks.

Class 9:

Downloadable software and mobile applications for vehicle search, leasing, rental, chauffeur booking, and car part browsing; artificial intelligence-powered virtual assistants for automotive consultation and customer engagement (including AutoGPT); near-field communication (NFC) technology for automotive product interaction and smart printed media; virtual and augmented reality platforms for vehicle showrooms and modifications; downloadable software for financial calculations, quote generation, booking management, and CRM; downloadable audio and video media content including podcast episodes, interviews, and branded automotive programming. Downloadable vehicle maintenance trackers, servicing reminders, and MOT scheduling software.

Class 12:

Vehicles; parts and fittings for land vehicles; custom wheels, body kits, exhaust systems, interior accessories, lighting, and trims; performance enhancement products and modifications for vehicles; aftermarket automotive components and OEM replacement parts.

Class 16:

Printed publications, brochures, leaflets, and booklets relating to vehicle leasing, rental, finance, sales, and styling; printed training materials, manuals, and handover documentation; business stationery; promotional materials including printed advertising, flyers, and event invitations; vehicle specification sheets and proposal documents; branded office supplies including folders, business cards, and letterheads; NFC-enabled printed materials

including interactive brochures, smart business cards, and connected vehicle handover documents.

Class 25:

Clothing, footwear, and headwear; branded apparel including T-shirts, hoodies, jackets, caps, and luxury fashion items; lifestyle merchandise bearing the West One Automotive brand; promotional garments and accessories for events and automotive campaigns.

Class 35:

Retail and online retail services relating to the sale and leasing of new vehicles and aftermarket automotive parts; vehicle sourcing and brokering services; advertising, marketing, and promotional services in the automotive industry; automotive marketing consultancy and campaign management; production of advertising content for vehicle dealerships and manufacturers; social media strategy and content creation for vehicle promotions; business management consultancy relating to automotive sales; lead generation and referral services for car dealers and finance providers; operation and management of a members club offering exclusive automotive access, events, and benefits to private clients. Networking and business introductions for members club participants.

Class 36:

Provision of credit brokering services relating to vehicle leasing and financing; financial consultancy for individuals and businesses regarding vehicle acquisition; intermediary services between customers, vehicle dealerships, and finance companies; advisory and administrative services for automotive credit applications; facilitation of lease and purchase agreements for vehicles; provision of vehicle-related accountancy services; tax advisory for company car schemes, fleet write-downs, and vehicle acquisition strategies; consultancy relating to the maximisation of tax benefits through leasing, business use, or vehicle structuring; introduction to automotive financial products and services provided by third-party lenders or institutions. Financial consultancy and credit brokering services relating to maintenance packages, vehicle servicing plans, and warranty-inclusive finance products including personal contract purchase (PCP) and lease agreements; introduction to third-party maintenance providers.

Class 37:

Vehicle customisation services including installation of performance parts, body kits, and aesthetic upgrades; fitting of branded accessories and aftermarket components; vehicle wrapping, detailing, tinting, paint protection, and interior styling services; repair and maintenance of modified or high-performance vehicles. Vehicle maintenance services including servicing, repairs, mechanical inspections, and MOT preparation; end-of-lease vehicle preparation, including cosmetic repairs, valeting, and maintenance checks; installation and fitting of vehicle parts, performance accessories, and aftermarket components; wrapping, detailing, tinting, paint protection, and aesthetic customisation of vehicles.

Class 38:

Broadcasting, transmission, and streaming of audio and video content; podcast production and distribution services; transmission of podcasts, webinars, video-on-demand, and live-streamed events via global computer networks, mobile devices, and digital platforms; telecommunications services for online meetings, webinars, and virtual networking events; provision

List of cases accepted for opposition purposes as shown in Journal 2025/024 published on 13 June 2025.

of online forums, chat rooms, and interactive media platforms for communication among podcast listeners, club members, and event participants. Broadcasting and streaming of audio and video content including podcasts, webinars, interviews, video-on-demand, and live-streamed events; telecommunications services for the delivery of digital content, interactive media, and virtual networking sessions; podcast hosting and distribution services; provision of online chat rooms, digital forums, and messaging platforms for members club participants, podcast listeners, and event attendees.

Class 39:

Provision of luxury chauffeur services; transportation of passengers in high-end vehicles; executive mobility services for corporate and VIP clients; short-term and long-term car rental services; car hire services with online and app-based booking functionality; vehicle delivery and collection services for sold, leased, or rented automobiles; fleet logistics and vehicle movement services; event-based chauffeuring and vehicle logistics support; concierge-style automotive services including personalised vehicle sourcing, white-glove delivery, and exclusive handover experiences. Vehicle delivery, collection, and transport services for maintenance, servicing appointments, and end-of-lease handovers; concierge services for vehicle logistics management, including preparation and transportation for vehicle returns or servicing.

Class 41:

Education and training services in the field of automotive sales, leasing, credit brokering, rental, and finance; provision of instructional content and workshops relating to vehicle procurement, styling, and client consultation; digital training sessions and webinars for automotive software, AI platforms, and customer onboarding (including AutoGPT); organisation and hosting of vehicle-related events, launch showcases, and branded marketing activations; production and distribution of podcasts, interviews, and educational media content covering the automotive sector.

Class 42:

Design and development of downloadable and cloud-based software for automotive finance, leasing, rental, part selection, and chauffeur booking; software as a service (SaaS) platforms for vehicle selection, booking journeys, and automated customer support; development of artificial intelligence systems for customer consultation and car booking (including AutoGPT); creation and maintenance of backend portals and analytics dashboards for customers and dealers; technology consulting services in the mobility and automotive sectors.

Class 45:

Legal and regulatory support services relating to vehicle leasing, rental, and automotive finance; preparation and administration of vehicle sale, hire, and lease agreements; legal advisory services connected with credit brokering, vehicle procurement, and modification services; concierge-style assistance for contract finalisation, document submission, and regulatory compliance; verification and identity-check support for luxury automotive customers.

screens, mobile telephone screens, and smartwatch screens; parts and accessories for computers, computer peripherals, mobile telephones, mobile electronic devices, wearable electronic devices, smartwatches, smart glasses, earphones, headphones, audio and video players and recorders, televisions, and set top boxes; covers, bags, cases, sleeves, straps and lanyards for computers, mobile telephones, mobile electronic devices, wearable electronic devices, smartwatches, smart glasses, earphones, headphones, set top boxes, and audio and video players and recorders; selfie sticks; ; electronic agendas; dictating machines; electronic tags for goods; facsimile machines; weighing apparatus and instruments; measures; electronic notice boards; measuring apparatus; wafers [silicon slices]; integrated circuits; amplifiers; fluorescent screens; remote controls; lights conducting filaments [optical fibers]; electric installations for the remote control of industrial operations; life-saving apparatus and equipment; whistle alarms; animated cartoons; decorative magnets; computer hardware for playing, organizing, downloading, transmitting, manipulating and reviewing audio files and media files; electronic devices capable of providing access to the Internet and for the sending, receiving, and storing of digital data; voice-controlled smart audio speakers with virtual personal assistant capabilities; personal digital assistants; electronic voice command and recognition apparatus for controlling the operations of consumer electronics devices and residential systems; electronic voice command and recognition and remote control apparatus and devices for controlling and monitoring consumer electronics devices, lighting, appliances, thermostats, heating and air conditioning systems, alarm and home security and surveillance systems, smoke and carbon monoxide detectors, and home automation systems; computer game programs; robots; laboratory robots; teaching robots; security surveillance robots; robots with artificial intelligence; electronic devices in the form of robots for personal use; Downloadable computer programs and downloadable computer software for the artificial production of human speech and text; downloadable computer programs and downloadable computer software for natural language processing, generation, understanding and analysis; downloadable computer programs and downloadable computer software for machine-learning based language and speech processing software; downloadable computer chatbot software for simulating conversations; downloadable computer programs and downloadable computer software for creating and generating text; Software applications; Downloadable software applications.

Class 10:

General wellness instruments, namely, health, fitness, exercise, and wellness sensors, monitors and displays for measuring, displaying, tracking, monitoring, storing, and transmitting biometric data, heart rate, body movement, and calories burned; general wellness apparatus and devices to measure, display, track, monitor, store, and transmit biometric data, heart rate, body movement, and calories burned.

Class 12:

Vehicles; apparatus for locomotion by land, air or water; aircraft; automobiles; bicycles; cars; drones; camera drones; civilian drones; electrically powered vehicles; motorcycles; trucks; unmanned vehicles; unmanned aerial vehicles (UAVs); electric vehicles; vans; delivery vans; remote control vehicles, other than toys.

Class 14:

Precious metals and their alloys; jewellery; horological and chronometric instruments; watches; wrist watches; clocks; movements for clocks and watches; cases for clock and watchmaking; cases for clock and watchmaking; cases for watches [presentation]; straps for wrist watches; watch bands; watch cases; watch chains; parts and fittings for all the aforesaid goods.

Class 15:

Musical instruments; parts and fittings for all the aforesaid goods.

Class 16:

Paper, cardboard; printed matter and books; bookbinding material; photographs; stationery; stickers and adhesives for stationery or household purposes; artists' materials; paint brushes; typewriters and office requisites; instructional and teaching material; plastic materials for packaging; printed publications; books; magazines; newsletters; periodicals; brochures; booklets; pamphlets; manuals; journals; leaflets; greeting cards; advertising and promotional material; catalogues; fiction and non-fiction books on a variety of topics; series of fiction and non-fiction books, comic books, graphic novels, stories in illustrated form and comic book stories, storyboards, and artwork; periodicals in the field of comic book stories, storyboards, and artwork; printed matter in the field of computers; printed matter in the field of tablet computers; printed matter in the field of multi-media products, interactive products and online services; catalogues relating to computer software; computer brochures; computer handbooks; computer hardware publications; computer hardware reference manuals; computer hardware users guides; computer instruction manuals; computer manuals; publications relating to technology, digital technology and gadgets; user manuals in electronically readable, machine readable or computer readable form for use with, and sold as a unit with, portable and handheld electronic devices and computers; catalogues relating to musical apparatus and instruments; catalogues relating to telecommunications apparatus, mobile phones, handheld and mobile digital electronic devices for the sending and receiving of telephone calls, faxes, electronic mail, video, instant messaging, music, audiovisual and other multimedia works, and other digital data; music books; music instruction manuals; music magazines; desk accessories; telephone and address books; agendas; diaries; calendars; posters; mounted and unmounted photographs; printed patterns for T-shirts and sweatshirts; printed sewing patterns; display materials; decals and bumper stickers; booklets for sale with audio tapes; decalcomanias; diaries; gift cards; gift vouchers; labels; maps; diaries; dictionaries; personal organizers; postage stamps; postcards; posters; bags for microwave cooking of paper; absorbent paper; tissues of paper; towels of paper; vouchers; gift boxes; gift bags; photographic printing paper; table cloths of paper; table mats of paper; table runners of paper; parts and fittings for all the aforesaid goods; computer hardware reference manuals; computer hardware users guide; computer instruction manuals; computer manuals; publications relating to technology, digital technology and gadgets.

Class 18:

Leather and imitations of leather; animal skins, hides; trunks and travelling bags; umbrellas and parasols; walking sticks; whips, harness and saddlery; attaché cases; bags; bags for campers; bags for sports; beach bags; boxes of leather or leatherboard; card cases [notecases]; cases of leather or leatherboard; furniture coverings of leather or of imitation leather; garment bags for travel; handbags; hat boxes of leather or of imitation

List of cases accepted for opposition purposes as shown in Journal 2025/024 published on 13 June 2025 .

leather; haversacks; key cases; luggage tags; parasols; pocket wallets; purses; rucksacks; shopping bags; shoulder belts [straps] of leather or of imitation leather; suitcases; slings for carrying infants; tool bags, empty; travelling sets [leatherware]; briefcases; belts (leather shoulder); leather belts; animal collars and leashes; keys cases; leather laces; music cases; purses; satchels; wallets; fur and garments and articles made from fur; valises; vanity cases, not fitted; wheeled shopping bags; parts and fittings for all the aforesaid goods.

Class 25:

Clothing, footwear and headgear.

Class 28:

Games and playthings; video game apparatus; gymnastic and sporting articles; decorations for Christmas trees; electronic hand-held game units; electric computer games, other than those adapted for use with television receivers; electrical and electronic amusement apparatus (automatic, coin/counter freed); video games other than those adapted for use with television receivers only; computer game apparatus other than coin operated or those adapted for use with television receivers; video output toys and games; toy robots; interactive computer toys and games; standalone video game machines incorporating a means of display; computer games apparatus, electronic games apparatus and video games apparatus, not included in other classes; game consoles; protective films adapted for screens for portable games; controllers for game consoles; rocking horses, pinball machines; pinball game machines (toys); musical toys, games and playthings; toy musical boxes; toy musical instruments; toy record players for playing tunes and cassettes; battery operated toys; electronic toys; electronically operated toys; toy computers (not working); toy mobile telephones (not working); dolls; toy and novelty face masks; novelties in the form of souvenirs; snow glass balls; action figures and accessories to the action figures; hockey games; toy trucks, electronically operated toy vehicles, bicycling pads, ride-on toy vehicles, scale model vehicles, trains, and air planes, model trains, model kits of vehicles, inflatable toys, doll clothes, and other toys and dolls, toy vehicles; drones [toys]; toys; controllers for toys; board games; card games; playing cards; computer and video game apparatus, other than coin operated or those adapted for use with television receivers; portable games with liquid crystal displays.

Class 35:

Advertising; business management; business administration; office functions; advertising management; advertising services, namely, promoting the goods and services of others; demonstration of goods; development dissemination of advertising matter; dissemination of advertising for others via an online electronic communications network; modelling for advertising or sales promotion; rental of advertising space; online advertising on computer networks; online advertising on the Internet and other global computer network systems; organisation of exhibitions for commercial or advertising purposes; organisation of trade fairs for commercial or advertising purposes; outdoor advertising; market analysis; marketing research; market research and information services; opinion polling; public relations; public relations services; publication of publicity texts; publicity agencies; transcription; publicity texts (writing of -); personnel recruitment consultancy; accounting; assistance with purchasing goods and services, for others; audit services; bookkeeping; business assistance for artists and performers; business appraisals; business information services; business investigations; business

management consultancy; commercial information agency services; commercial management assistance; copying of documents; cost analysis; document reproduction; drawing up of statements of account; economic forecasting; efficiency expert services; industrial management assistance; photocopying; preparation of tax returns; professional business consultancy services; providing an on-line commercial information directory; secretarial services; shorthand; transcription; typing; word processing; compilation and systemisation of data into computer databases; compilation of business information into a searchable databases available via a global computer network; compilation of computer databases for transmitting, displaying and storing transaction, identification and financial information; compiling of information into computer databases; compiling statistics; computerised data management; computerised database management services; computerised processing of on-line purchase orders; database management services; providing an on-line commercial information directory; provision of business information via a searchable database and via a global computer network; searching for data in computer databases, for others; searching for data in computer files, for others; sorting and editing of information in computer databases; online retail of music in digital or stored media form; computerised online ordering of services for others of general goods and general consumer goods; retail store services and/or on-line retail store services in relation to consumer goods, electronic goods, and household goods; customer loyalty program services featuring rewards in the form of discounted shipping services; database services to enable others to conveniently view and select services from a website; dissemination of advertising for others via the internet; the bringing together, for the benefit of others a selection of service providers to enable others to conveniently view and select these services from a website; auction services; auctioning services; auctioneering services; business intermediary services for the sale and purchase of goods and services; comparison services (price -); computerized on-line ordering of services for general merchandise and general consumer goods; import and export agencies; information services, namely, providing information about retail products to customers, featuring the availability of specific products of interest to them; information, advisory and consultancy services relating to all the aforesaid.

Class 36:

Financial, monetary and banking services; none of the aforesaid services relating to real estate, infrastructure, logistics or asset management.

Class 37:

Repair of computers, tablet computers, computer hardware, computer peripherals, electronic devices, household items and consumer goods; Maintenance, installation services; information, advisory and consultancy services relating to all the aforesaid.

Class 38:

Telecommunications; communication and telecommunication services; telecommunication access services; communications by computer; communications by tablet computer; communication between computers; electronic sending of data and documentation via the Internet or other databases; supply of data and news by electronic transmission; providing access to websites and electronic news services online allowing the download of information and data; providing access to web sites on the Internet; serving and transmitting audio, video, multimedia, and advertising content to computers,

List of cases accepted for opposition purposes as shown in Journal 2025/024 published on 13 June 2025.

mobile telephones, media players, and other mobile digital devices; delivery of digital music by telecommunications; providing temporary internet access to use on-line non-downloadable software to enable users to program audio, video, text and other multimedia content, including music, concerts, videos, radio, television, news, sports, games, cultural events, and entertainment-related programs; providing wireless telecommunications via electronic communications networks; wireless digital messaging, paging services, and electronic mail services, including services that enable a user to send and/or receive messages through a wireless data network; one-way and two-way paging services; communication by computer, computer intercommunication; telex, telegram and telephone services; broadcasting or transmission of radio and television programmes; time sharing services for communication apparatus; provision of telecommunications access and links to computer databases and the Internet; electronic transmission of streamed and downloadable audio and video files via computer and other communications networks; webcasting services (transmission); delivery of messages by electronic transmission; provision of connectivity services and access to electronic communications networks, for transmission or reception of audio, video or multimedia content; provision of telecommunications connections to electronic communication networks, for transmission or reception of audio, video or multimedia content; providing access to digital music web sites on the Internet; providing access to MP3 web sites on the Internet; delivery of digital music by telecommunications; provision of telecommunications connections to the Internet or computer databases; providing user access to the Internet (service providers); electronic mail services; telecommunication of information (including web pages), computer programs and any other data; video broadcasting, broadcasting pre-recorded videos featuring music and entertainment, television programs, motion pictures, news, sports, games, cultural events, and entertainment-related programs of all kinds, via a global computer network, computer and other communications networks; streaming of video content via a global computer network; subscription audio broadcasting via a global computer network; audio broadcasting; audio broadcasting of spoken word, music, concerts, and radio programmes; streaming of audio content via a global computer network; electronic transmission of audio and video files via communications networks; communication services, namely, matching users for the transfer of music, video and audio recordings via communication networks; electronic bulletin board services; providing computer bulletin board in the fields of music, video, film, books, television, games and sports; providing on-line bulletin boards for the transmission of messages among computer users concerning entertainment, music, concerts, videos, radio, television, film, news, sports, games and cultural events; rental and hire and leasing of communication apparatus and electronic mail-boxes; electronic news services; electronic communications consultancy; facsimile, message collection and transmission services; transmission of data and of information by electronic means, computer, cable, radio, teleprinter, teletext, electronic mail, telecopier, television, microwave, laser beam, communications satellite or electronic communication means; transmission of data by audio-visual apparatus controlled by data processing apparatus or computers; provision of access time to web-sites featuring multimedia materials; providing access to databases and directories via communications networks for obtaining data in the fields of music, video, film, books, television, games and sports; providing users with access

time to electronic communications networks with means of identifying, locating, grouping, distributing, and managing data and links to third-party computer servers, computer processors and computer users; provision of access time to web-sites featuring multimedia materials; providing users with access time to electronic communications networks with means of identifying, locating, grouping, distributing, and managing data and links to third-party computer servers, computer processors and computer users; providing computer data bases in the nature of a bulletin board in the fields of music, video, film, books, television, games and sports; providing an online searchable database of text, data, image, audio, video and multimedia content in the fields of telecommunications, mobile phones; providing temporary internet access to use on-line non-downloadable software to enable users to program audio, video, text and other multimedia content, including music, concerts, videos, radio, television, news, sports, games, cultural events, and entertainment-related programs; information, advisory and consultancy services relating to all the aforesaid.

Class 39:

Transport; Packaging and storage of goods; Travel arrangement.

Class 41:

Education; providing of training; entertainment; sporting and cultural activities; providing online music not downloadable; providing on-line audio content, not downloadable, including music, ongoing radio programs, audio books, podcasts and webcasts; entertainment, namely, providing audio and multimedia content, games, software applications; providing information, news and commentary in the fields of entertainment, popular culture, recreation and leisure activities, sports and sporting events, educational services, concerts, cultural events, and live theatrical productions; providing information relating to the organizing of educational, cultural sporting, and entertainment exhibitions, and community, sporting and cultural activities, contests and games; providing non-downloadable audio publications over computer networks, namely, periodicals and reports on the subjects of education, entertainment, popular culture, recreation and leisure activities, sports and sporting events, technology, concerts, cultural events, and live theatrical productions; providing information in the field of educational and entertainment activities and events for children; providing classes, workshops, and instruction using voice enabled software applications; lending libraries; providing on-line electronic publications, not downloadable; distribution of video tapes; providing on-line virtual reality game services on a computer network; conducting fitness classes; toy rental; games equipment rental; animal training; modelling artists; operating lotteries; computer-based educational, teaching, and training services; providing online computer games; electronic publishing services; providing electronic books, magazines, newspapers, journals, periodicals, and other publications; providing online text, video, audio, and multimedia programs; ticket reservation and booking services for entertainment, sporting and cultural events; providing information, advice, news, reviews, and commentary in the fields of entertainment, sporting and cultural events; arranging and conducting of commercial, trade and business conferences; booking of seats for shows; education information; entertainment information; information (recreation -); rental of audio equipment; training services provided via simulators; organizing and conducting video conferences; information, advisory and consultancy services relating to all the aforesaid.

Class 42:

List of cases accepted for opposition purposes as shown in Journal 2025/024 published on 13 June 2025.

Architecture; design, development and architectural services; consultancy services relating to architecture, design and development; design consultancy relating to electric and electronic apparatus and equipment and audiovisual goods; design services; Engineering design services; Technical research; product design; graphic design; packaging design; jewelry design; hardware design; furniture design; design consultancy; house design; construction design; automotive design; fashion design; design and development of computer hardware, software, peripherals, and computer and video games; computer hardware and software consulting services; computer programming; design of computer databases; electronic data storage; cloud computing services; rental of computer hardware, software, and peripherals; providing online non-downloadable software; consultation services for developing computer systems, databases and applications; computer security and data security consultancy; data encryption services; providing computer hardware or software information online; maintenance, repair and updating of computer software and applications; technical support services, diagnosing and troubleshooting of computer hardware and software problems, and computer help desk services; website creation, design, and maintenance services; website hosting services; providing search engines for obtaining data via the internet and other electronic communications networks; creating indexes of online information, sites and other resources available on the Internet and other electronic communications networks; cartography and mapping services; providing an Internet portal allowing users to preview and download electronic books, publications, and other documents; scientific and technological services; industrial design services; industrial analysis and research services; information, advisory and consultancy services relating to all the aforesaid; quality control; surveying; chemical research; clinical trials; meteorological information; Providing online non-downloadable software for the artificial production of human speech and text; providing online non-downloadable software for natural language processing, generation, understanding and analysis; providing online non-downloadable software for machine-learning based language and speech processing software; providing online non-downloadable chatbot software for simulating conversations; providing online non-downloadable software for creating and generating text; research and development services in the field of artificial intelligence; research, design and development of computer programs and software.

Class 43:

Services for providing food and drink.

Class 44:

Medical services; Healthcare services; Veterinary services; Hygienic and beauty care for human beings or animals.

Class 45:

Legal services; Security services for the physical protection of tangible property and individuals; Personal and social services rendered by others to meet the needs of individuals; Dating services, online social networking services.
