Assembly machines; apparatus for machining; turning machines; laser engraving machines; 3D printers (machines); laser cutting and drilling equipment; precision machine tools; load carrying (lifting) machines; load carrying (lifting) mechanisms for vehicles; governors; speed governors for machines, engines and motors; propulsion systems for aeronautical vehicles comprised of aeronautic engines, turbines other than for land vehicles, centrifugal pumps, electric pumps, industrial chemical reactors, nacelles, thrust reversers, engine air intake assembly, engine fan casings, exhaust cone in the nature of engine exhaust tips; replacement parts for aeronautical vehicle propulsion systems; propeller shafts.

Class 9:

Non-destructive testing apparatus; testing software; in-flight testing equipment; computer software and computer programs for military, defence, aerospace, aviation and engineering purposes; electrical, electronic and optronic apparatus, instruments, systems, equipment, components, controls and displays for military, defence, aerospace, aviation and engineering purposes; image processing apparatus; calibration apparatus; apparatus for testing electrical or electronic equipment; apparatus for guidance, control, testing and operation

of civil and military aircraft; operational analysis systems; ultrasonic sensors; ultrasonic flaw detectors; air current testing apparatus; testing and quality control devices; coordinate measuring instruments; measuring apparatus and instruments; noise and vibration control systems; manufacturing software; Enterprise resource planning [ERP] software; Computer-aided engineering [CAE] software; CAD software; CMM software.

Class 12:

Aircraft; fixed wing aircraft; rotary wing aircraft; prototype aircraft; military aircraft; combat aircraft; training aircraft; fast jet training aircraft; aircraft for aerial and acrobatic display purposes; unmanned air vehicles; helicopters; aerial vehicles; air cushion borne vehicles; pilotless aircraft; autonomous air vehicles; remotely piloted air vehicles; drones; aircraft parts; propellers for air vehicles, air cushion vehicles, or sea vehicles; aircraft fuselages; Propeller blade protectors for aircraft; wing-in-ground effect vehicles; load carrying (lifting) attachments for vehicles; wings for aircraft; wheels for aircraft; aircraft landing wheels; tyres for wheels of aircraft; tyres for landing gear wheels of aircraft; brakes for aircraft; brake linings for aircraft landing gear; components for brakes for aircraft; aircraft landing gear; landing gear [aircraft parts].

Class 35:

Business consultancy services relating to manufacturing; business advisory services relating to product manufacturing; inventory management of parts and components for manufacturers and suppliers; maintaining a registry of certified aerospace technicians.

Class 37:

Repair or maintenance of construction machines and apparatus; aircraft maintenance and repair; anti-corrosion treatment; rust-proofing; construction, installation, maintenance, modification, servicing, refurbishment, renovation, upgrading, repair and overhaul services, for airplanes, aircraft engines, gas turbine engines and rocket engines and replacement parts; construction, installation, maintenance, servicing, refurbishment, renovation, upgrading and repair of aircraft, fixed wing aircraft, rotary wing aircraft, prototype aircraft, military aircraft, combat aircraft, training aircraft, fast jet training aircraft, aircraft for aerial and acrobatic display purposes, unmanned air vehicles, autonomous air vehicles, remotely piloted air vehicles, drones; diagnostic services for computers and computer networks; rental leasing of construction equipment; assembly (installation) of mechanics, propellers, brakes, landing wheels, chassis, wiring, electronics, cabinet, body and other parts, components and/or accessories in relation to aircraft; painting; spray painting; coating [painting] services; machinery installation; servicing of manufacturing machines and apparatus; aviation infrastructure construction; information on the maintenance of measuring and test equipment; servicing of machine tools.

Class 40:

Custom manufacturing of aircraft; custom assembly of aircraft; grinding; milling; laser engraving; machining parts for others; welding; metalworking; processing of metal surfaces by precision grinding and abrasive polishing; metal fabrication and finishing services; treatment and coating of metal surfaces; treatment of metal parts to prevent corrosion using hot-dip galvanizing and powder coating processes; anodising services; application of wear-resistant coatings on metals and plastics; application of wear resistant coatings to engineering components; 3D printing services; rental of assembly machine equipment;

List of cases accepted for opposition purposes as shown in Journal 2025/037 published on 12 September 2025 .

assembly of products for others; services for the annealing of surfaces of machine parts.

Class 41:

Training services relating to computer-aided engineering design; engineering training services; education and training in the field of aerospace engineering; design, development and provision of training, education, workshops, seminars and courses in relation to the use, operation, deployment and maintenance of aircraft and aircraft parts; Training services in the aviation and additive manufacturing industry.

Class 42:

Non-destructive testing services; materials testing and evaluation; Engineering and computer-aided engineering services; technological consultancy in the field of aerospace engineering; computer-aided engineering design services; computer aided design for manufacturing operations; development of computer hardware and software; aircraft research, design and development services; appraisals and approval of parts, fittings modifications and improvements for aircraft; quality control; component testing; Quality testing of products for certification purposes; certification [quality control]; quality control testing of machinery; inspection of plant and machinery; Engineering design services for additive manufacturing and aviation industries; research and development for additive manufacturing and aviation industries; project management services; design, development, installation, integration, testing, maintenance, support, repair, updating and upgrading of computer software; design, development, installation, integration, testing, maintenance, support, repair, updating and upgrading of computer software for military, defence, aerospace, aviation, engineering, transport, security, national security, cyber security and law enforcement purposes; design, development, integration, testing and upgrading of aircraft; analysis of technical data, technical advice and technical project study, all in the field of aeronautics.

(9, 16, 35, 36, 37, 39, 40, 41, 43, 45)

Class 9:

Downloadable digital content in the form of electronic publications of magazines, newspapers, leaflets, bulletins, policies, minutes of meetings, notices, annual reports, estimates, tickets, permits and licences; electronic publications recorded on computer media.

Class 16:

Paper and cardboard; printed matter; bookbinding material; publications; magazines; leaflets, bulletins, minutes of meetings; notices; tickets; posters; photographs; stationery and office requisites, except furniture; adhesives for stationery or household purposes; stickers; drawing materials and materials for artists; paintbrushes; instructional and teaching materials; plastic sheets, films and bags for wrapping and packaging.

Class 35:

Advertising; business management; organization and administration; business information services; business information and advisory services; business assistance; compilation and provision of business information, business management advice; office administration services; commercial administration services; business administration services; public relations services; organization of events, trade fairs, shows, exhibitions for commercial, promotional and advertising purposes; management assistance in commercial or industrial enterprises in respect of advertising and public relations; commercial administration of the licensing of goods or services of others; services consisting of the registration, transcription, composition, compilation or systematization of written communications and registrations; business consultancy services; publicity services; issuing of publicity leaflets and prospectuses; preparation of radio and television commercials; management advisory services relating to franchising; political advertising services namely providing information regarding political issues, knowing how to vote and knowing how to register to vote; administration services in relation to voter registration; marketing and promotion in relation to voter registration; administration services in relation to casting votes; administration of public road installation and repair services.

Class 36:

Financial affairs; monetary affairs; real estate affairs; property rates assessment; collection of property rates; payment

List of cases accepted for opposition purposes as shown in Journal 2025/037 published on 12 September 2025 .

administration services; providing information relating to property [real estate]; charitable fund raising.

Class 37:

Road installation and repair services; highway maintenance; maintenance of roads; installation and maintenance of road signs; road paving; street cleaning; vehicle battery charging.

Class 39:

Transport; packaging and storage of goods; travel arrangement; traffic information; collection of waste and trash; transportation of waste and trash to disposal sites; waste and trash storage; vehicle parking.

Class 40:

Recycling services; waste management services; recycling of waste and trash; information, destruction of waste and trash; incineration of waste and trash; shredding of waste and trash; sorting of waste and trash and recyclable material; treatment of waste and trash; waste and trash processing; advice and consultancy services relating to the recycling of waste and trash; printing services.

Class 41:

Education; providing of training; entertainment; sporting and cultural activities; providing online non-downloadable electronic publications in the nature of electronic magazines, newspapers, leaflets, bulletins, policies, minutes of meetings, notices, annual reports, estimates, tickets permits and licences; arranging workshops, conferences and seminars; providing information in respect of clubs and associations; organisation of competitions and awards; arranging and conducting award ceremonies.

Class 43:

Services for providing food and drink; temporary accommodation; rental of rooms for holding functions, conferences, conventions, exhibitions, seminars and meetings; provision of meeting rooms; provision of conference and exhibition facilities.

Class 45:

Conducting religious services; religious assistance services; religious ministerial counselling; religious funerary services; burial services; religious prayer services; conducting religious ceremonies and meetings; providing information regarding religious services; police protection services; police and civil protection services; investigation and surveillance services relating to the physical safety of persons and security of tangible property; security services for the protection of property and individuals; information services relating to health and safety and security; consultancy services relating to health and safety; advisory services relating to security; legal administration of licences and permits; issuing driving licences, dog licences, international driving permits, firearms certificates and liquor licences; issuing licences or permits regarding trading hours, places of refreshment, sale of fireworks, scaffolding on roads, skips and oversized vehicles.

SIME

Class 7:

Machines, Machine tools, power-operated tools, electric tools, tools and hoses, oil refining machines, road and concrete paving machines, road making machines, concrete mixing machines, lifting and handling machines, vibrating machines, agricultural machines, forestry machines, milling machines, pick and place machines, blowing machines, bending and cutting machines, power trowels [machines], drilling machines, mining machines, cleaning machines, molding machines, meat choppers [machines], mixers [machines], meat mixers, grinding machines, cutting machines, crushing machines, pressing machines, vacuum cleaners, saws [machines], chains saws, high pressure washers, blowing machines for exhaustion of dust and for the compression, exhaustion and transport of gasses, road construction and maintenance machines, baler machines, container handling machines, screen printing machines, spraying machines, earth moving machines, welding machines, electric welding machines, parts and fittings for of the aforesaid goods; Indoor autonomous robots for conveying and storing goods in industrial warehouses; Agricultural machines, grass cutting machines, compacting machines, trimming machines, cultivating machines, lawnmowers (machines), sprinkler apparatus for agricultural purposes, parts and fittings for of the aforesaid goods; Compressors [machines], air compressor [machines], compressed air machines, gas compressors, compactors, refuse compactors, compressors [compactors] for waste collection containers and vehicles; Mining apparatus and machines, loaders [machines], diggers [machines], motor graders [machines], levellers [machines], automatic wire stripper [machines], combined wire strippers and cutters [machines], air condensers, steam condensers [parts of machines], condensing installations, backhoes, wheel loaders, road rollers, bulldozers, parts and fittings for bulldozers, excavators, cranes [lifting and hoisting apparatus], drilling rigs [floating or non-floating], oil drilling rigs, drilling rigs for drilling offshore wells, drilling rigs for drilling wells on land, components for drilling rigs, air pressure intensifiers for test rigs, barrels for use with drilling rigs, hydraulic wrenches for use on drilling rigs, pipe elevators being electrically operated machines for use on drilling rigs, pipe elevators being hydraulically operated machines for use in drilling rigs, pipe elevators for use in the handling of pipes in drilling rigs, pipe elevators for use in the positioning of pipes in drilling rigs, galvanizing apparatus, electric welding apparatus, electric arc cutting and welding apparatus, gas-operated soldering machines and apparatus, gas-operated soldering blow pipes, soldering irons, parts and fittings for of the aforesaid goods; Machines for the manufacture of electronic components, work stations [machines] for soldering, lifters, bin lifters [machines], pumps, pumps (machines), natural gas pumps, pumps for use in agriculture, compressed air pumps, centrifugal pumps, gear pumps, metering pumps other than for medical use, diaphragm pumps for use in the metering of fluids, oil separators, pneumatic tube conveyors, presses [machines], fodder presses, filter presses, auxiliary press apparatus; Parts of machines, bearings [parts of machines], ball-bearings, ball rings for bearings, bearing brackets for machines, cranks [parts of machines], heat exchangers [parts of machines], heat exchanging apparatus [parts of machines], water heaters [parts of machines], mechanical control devices for heating installations, lubricators [parts of machines], grease rings [parts of machines], grease boxes [parts of machines], clamp connectors for pipes and piping [parts of machines], drilling bits and heads [parts of machines], blades [parts of machines],

List of cases accepted for opposition purposes as shown in Journal 2025/037 published on 12 September 2025 .

knives for mowing machines, filters [parts of machines or engines], pistons [parts of machines], pistons for cylinders, spark plugs, agitators, gears and gear boxes other than for land vehicles, buckets for earth moving machines; Aerators; Control mechanisms for machines, engines or motors; Fuel conversion apparatus for internal combustion engines; Motors and engines except for land vehicles, gears other than for land vehicles, industrial engines, engines for boats, engines for air cushion vehicles, auxiliary engines, blowing engines, hydraulic motors and engines, gas turbines except for land vehicles, belts for motors and engines, fans and fan belts for motors and engines, cooling radiators and exhausts for motors and engines, cylinders for machines, cylinders and cylinder heads for motors and engines, crankcases for motors and engines, filters for motors and engines, fuel economisers for motors and engines, oil filters, fuel filters, air filters, transmission filters, filters for cleaning cooling air for engines, pistons for machines and engines, pistons for cylinders, piston rings, pumps and injectors for motors and engines, internal combustion engines other than for land vehicles, combustion engines for industrial machines, carburettors, crankcases for machines, crank shafts, current generators, electricity generators, power generators, electric generator power sets, natural gas electric generator sets, parts for electric generator sets, dynamo, skid base for generator sets, diesel electric generators, diesel engines for agricultural and industrial machinery and replacements parts thereof; Machine coupling and transmission components except for land vehicles, power transmission for machines, bearings for transmission shafts, connecting rods for machines, motors and engines; Automotive exhaust pipes, automotive engine blocks, automotive intake manifolds; Aerocondenses; Aeronautical engines; Aeroplane engines; Aerometers; Aerospace components and small assemblies; Aerospace machined detail parts, namely, fillers, guides, fairleads, spacers, grommets, washers, blocks and rings; Aerospace thermoformed interior panels, namely, door skins, window surrounds, ceiling panels, seat backs, trays, shrouds and covers; Aerospace die cut seals and gaskets, namely, seals, gaskets, friction pads, wear strips; Aerospace assemblies, namely, panel assemblies, duct assemblies, headliner assemblies, window assemblies, cover assemblies; Fuel cell cooling pumps for use in aerospace applications; Agricultural implements other than hand-operated hand tools, agricultural machines, harvesting machines, combine harvesters, rice combine harvesters, rice planting machines, rice transplanting machines, reapers [agricultural machines], tractor-towed reapers, threshers, binders, hay binding machines, hay making machines, mowing machines, fertilizer spreading machines, soil spreading machines, tractor-towed fertilizer distributors, paddy wheel machines, sowers [machines], rotavators [machines], tiller [machines], bund maker [machines], cultivators [machines], seed drills for agricultural machines, blowing machines or fans for the compression, sucking and carrying of grains, agricultural elevators, balers for agricultural use, chaff cutters, ploughs, harrows, tractor-towed harrows; Parts and fittings for of the aforesaid goods, including filters and compressors; Machining centres, metal working machining centres, multi-spindle machining centres, vertical machining centres.

Class 12:

Automobiles, vehicles, vehicles for locomotion by land, land vehicles, tractors, trucks, fork lift trucks, vans, cars, motor cars, sports cars, four wheel drive vehicles, motorcycles, military vehicles for transport, remote control vehicles [other than toys], cycles; Electric vehicles, electric land vehicles, water vehicles, barges; Motors, engines; Engines for land vehicles, traction

engines; Parts and fittings for land vehicles; Hybrid vehicles, hybrid cars; Vehicle bodies, automobile bodies, bodies for vehicles, automobile and vehicle chassis; Automobile chains; Transmissions for land vehicles, transmission shafts for land vehicles, driving and transmission chains for land vehicles; Hoods for automobiles and vehicles, hoods for baby carriages, hoods for vehicle engines; Bonnets for automobiles, automobile bonnets; Tyres, automobile tyres, pneumatic tyres, vehicle wheels, vehicle wheel tyres, solid tyres for vehicle wheels, vehicle wheel hubs, vehicle wheel spokes, freewheels for land vehicles, automobile wheels, automobile wheel hubs, automobile wheel rims, vehicle wheel rims, automobile wheel spokes, tyre cover for vehicles, wheel arch garnish for vehicles; Studs for tyres, studs for vehicle tyres; Non-skid devices for vehicle tyres, anti-skid chains, automobile chains, mudguards, rims for vehicle wheels, steel alloy sport rims for vehicles, axles for vehicles, axle journals, tubeless tyres for bicycles; Balance weights for vehicle wheels; Bands for wheel hubs; Inner tubes for pneumatic tyres; Drive shaft, drive shaft for vehicles, boots for drive-shaft for vehicles; Acoustic shield for vehicles; Spark plugs for vehicles; Fan belts for vehicles; Timing belts for vehicles; V belts for vehicles; condenser distributor for vehicles; Tensioner bearing for vehicles; Filters for vehicles, fuel filters, oil filters, air filters, hydraulic filters, automatic transmission filters; Radiator assembly for vehicles; Gasket for vehicles; Evaporator assembly for vehicles; Valves for vehicle tyres; Air bags [safety devices for automobiles]; Airbags for vehicles; Safety belts for vehicle seats, safety seats for children, for vehicles; Vehicle mirrors, rearview mirrors; Anti-dazzle devices for vehicles, anti-glare devices for vehicles [lamp fittings], sun-blinds adapted for automobiles; Alarm systems for vehicles; Anti-theft devices for vehicles, anti-theft alarms for vehicles; Reversing alarms for vehicles; Direction signals for vehicles, turn signals for vehicles; Undercarriages for vehicles; Upholstery for vehicles, vehicle seats, seat covers for vehicles, seat covers for automobiles, head-rests for vehicle seats; Automobile seats, automobile seat cushions; Steering wheels for vehicles, automobile steering wheels, covers for vehicle steering wheels; Automobile and vehicle covers [shaped]; Automobile sunroofs; Automobile convertible tops; Automobile dashboards; Automobile horns; Automobile roof racks; Doors for vehicles, doors for automobiles, automobile door handles; Linings and shoes for vehicles; Brakes for vehicles, brake components for vehicles, brake apparatus for vehicles and motor-vehicles, brake linings for vehicles, brake segments for vehicles, brake shoes for vehicles, brake disks for vehicles, brake pads for vehicles, disc brake pads, brake drums for vehicles, brake pedals for vehicles, wear-resistant pads for use in brakes for automobiles; Bumpers for automobiles and vehicles; Caps for vehicle petrol [gas] tanks; Clutches for land vehicles; Connecting rods for land vehicles, other than parts of motors and engines; Vehicle accessories, air pumps [vehicle accessories], caps for vehicles petrol tank; Couplings for land vehicles; Crankcases for land vehicle components, other than for engines; motors for land vehicles, automobile motors, driving motors for land vehicles, electric motors for land vehicles, electric converters for controlling access to vehicles; Elevating tailgates [parts of land vehicles]; Transmission components for land vehicles, coupling components for land vehicles; Gearing for land vehicles, gear boxes for land vehicles, reduction gears for land vehicles; Horns for vehicles; Hub caps; Hydraulic circuits for vehicles; Luggage carriers for vehicles, luggage nets for vehicles; Power tailgates [parts of land vehicles]; Propulsion mechanisms for land vehicles; Screw-propellers; Security harness for vehicle

List of cases accepted for opposition purposes as shown in Journal 2025/037 published on 12 September 2025 .

seats; Shock absorbers for automobiles and vehicles, shock absorbing springs for vehicles, shock absorbing springs for vehicles suspension, suspension springs, vehicle suspension springs, suspension shock absorbers for vehicles; Clips (spoke) for vehicles, spoke clips for wheels; Torque converters for vehicles, torque converters for land vehicles; Torsion bars for vehicles; Tailgates [parts of land vehicles], tailboard lifts [parts of land vehicles]; Treads for retreading vans [vehicles], treads for retreading tyres; Repairs outfits for inner tubes; Vehicle running boards, automobile running boards; Windows for vehicles, windscreens, windshields, wipers, auto wipers, wiper blades, silicone wiper blades, windscreen and windshield wipers, automobile windows, automobile windows made of insulating glass, automobile windscreen sunshades, automobile windscreens, automobile windshields made of fire-resistant glass, automobile windshields made of insulating glass; Electrical converters for controlling access to vehicles; All motor and electric land vehicles components, parts and fittings; Parts and fittings for the aforesaid goods.

Class 35:

Advertising, marketing and promotional services, television advertising, radio advertising, online advertising, online advertising on a computer network, outdoor advertising, direct mail advertising, publicity services, public relations, product marketing, telemarketing services, internet marketing; Radio commercials, television commercials; Publicity services by television, radio and mail; Advertising, marketing and promotional services relating to property and real estate; Layout services for advertising purposes; Advertising, marketing and promotional services relating to agricultural equipment, implements, machines and vehicles; Advertising, marketing and promotional services relating to vehicles, motor vehicles, automobiles, parts and fittings for of the aforesaid goods; Advertising, marketing and promotional services relating to machineries, generators, compressors, heavy equipment, hand tools, industrial and construction equipment, engines and spare parts thereof; Advertising relating to charging stations for electric vehicles; Advertising relating to the supply, distribution, installation, maintenance, and repair services of charging stations for electric vehicles; Advertising on software as a service (SaaS) featuring software relating to charging stations for electric vehicles; Electronic commerce services, namely, provision of information about products and services via telecommunication networks for advertising and sales purposes; Display services for merchandise, demonstration of goods, presentation of goods on communication media for retail purposes, demonstration of products for advertising, marketing and promotion purposes; Organisation of displays and exhibitions for advertising, marketing and promotion purposes, organisation of competitions, conventions, conferences and exhibitions for business and commercial purposes, organisation of housing and real estate displays and exhibitions for advertising, marketing and promotion purposes, organisation of trade fairs for commercial or advertising purposes; Organisation of promotional events; Sales promotion for others, Sales promotion for others relating to oil and gas, water and process technologies, agricultural implements, agricultural tools, agricultural machines, agricultural vehicles, vehicles, motor vehicles, machineries, generators, compressors, heavy equipment, hand tools, industrial and construction equipment, engines and spare parts thereof; Writing, issuance, updating and distribution of publicity texts and advertising materials, dissemination of advertising matter; Publicity, publicity column preparation; Management of customer relationship, provision

of information and advice to consumers in relation to the selection of products and items to be purchased; Provision of services for loyalty rewards to customers, organisation, operation and supervision of customer loyalty schemes, members points collection and redemption; Customer loyalty services featuring loyalty points, discount rates and recognition benefits for commercial, promotional and/or advertising purposes; Customer loyalty services for commercial, promotional and/or advertising purposes, for the purpose of promoting and rewarding loyalty of use; Operation, supervision and management of sales and promotional programmes relating to the awarding of points, sales promotions by issuing redeemable coupons (for others), rewards schemes relating to the redemption of allocated promotional schemes; Sponsorship search, promotion of goods and services through sponsorship of sports events; Rental of advertising spaces, rental of advertising time on communication media; Business management, business administration, business organisation, business management organisation; Business management and administration of real estate, residential, industrial and commercial properties, offices, business centres, departmental stores, shopping centres, retail and wholesale outlets, temporary accommodation, hotels, motels, resorts, service apartments, buildings, houses, condominiums, apartments, flats, warehouses, plants, factories and developments; Business management and administration of plantation, agriculture, agricultural products, agricultural equipment, implements, machines and vehicles; Business management and administration of vehicles, motor vehicles, parts and fittings for of the aforesaid goods; Business management and administration of vehicles, motor vehicles, parts and fittings for of the aforesaid goods; Business management and administration of machineries, generators, compressors, heavy equipment, hand tools, industrial and construction equipment, engines and spare parts thereof; Business management and administration of waste management and electricity generation; Business advisory and consultancy services relating to the supply of quality management systems; Advisory and consultancy relating to the establishment of vehicle dealerships and franchising of vehicle dealerships; Commercial administration of the licensing of the goods and services of others; Commercial information and advice for consumers [consumer advice shop], commercial information and advice for consumers in the choice of products and services; Commercial or industrial management assistance; Project distribution [business management assistance]; Administrative assistance, responding to calls for tenders, requests; Administration of business affairs; Administrative processing of warranty claims; Administrative services relating to customs clearance; Personnel recruitment; Management of personnel and personnel resources, management of personnel relating to trainees and apprenticeship programs, advisory and consultancy relating to management of personnel and management of personnel relating to team building; Provision of business risk assessment and management; Business management and organisation of facilities and resources relating to logistic services; Retail and wholesale services, the bringing together for the benefit of others, of a variety of goods, enabling customers to conveniently view and purchase those goods and services from departmental stores, shopping centres; Retail and wholesale outlets, hotels, restaurants, food and beverage outlets and service providers, from a general merchandise catalogue by mail order or by means of telecommunications, or from a general merchandise global communications network website; Retail store services for sporting goods namely golf equipment, clothing and accessories; Retail, wholesale, distribution and

List of cases accepted for opposition purposes as shown in Journal 2025/037 published on 12 September 2025 .

online selling of vehicles for locomotion by land, retail services relating to vehicles, retail and wholesale services for new, used and second-hand motor vehicles, cars, motor cars, sports cars, four wheel drive vehicles, motorcycles, tractors, trucks, fork lift trucks, vans, electric vehicles and parts and fittings for of the aforesaid goods; Retail and wholesale services of engine oil, automatic transmission oil, and battery water; Retail and wholesale services for agricultural equipment, implements, machines and vehicles, machineries, generators, compressors, heavy equipment, hand tools, industrial and construction equipment, engines and spare parts thereof; Retail and wholesale services in the fields of agriculture, building and project design, construction, building operations, civil engineering, architecture, project management, transportation logistics, oil and gas, waste management and electricity generation; Provision of an online marketplace for buyers and sellers of goods and services; online retail store services, online retail store services featuring agricultural equipment, construction equipment, cooling equipment, earthmoving equipment, hand-operated tools for construction, heating equipment, lubricants, refrigerating equipment; Online wholesale store services featuring freezing equipment, hearing protection devices; Dealerships in the field of motor vehicles, providing used car sales leads for others; Distributorship and dealership services relating to agricultural equipment, agricultural implements, agricultural machines, agricultural vehicles, vehicles, motor vehicles, machineries, generators, heavy equipment, hand tools, industrial and construction equipment, engines and spare parts thereof; Distributorship services relating to equipment, machineries, generators, tools, vehicles, technology products, computer hardware and computer software for use in the fields of agriculture, building and project design, construction, buildings operation, civil engineering, architecture, project management, transportation logistics, oil and gas, waste management and electricity generation; Sale of power generation equipment and machineries, electricity and steam for others; Business intermediary and advisory services in the field of selling products and rendering services; Import and export services, import-export agencies; Procurement services, procurement of contracts [for others], procurement of goods and services on behalf of other businesses; Goods or services price quotations; Negotiation and conclusion of commercial transactions for third parties; Outsourcing services in the nature of arranging procurement of goods and services for others; Business analysis, business data analysis, research and information services, market analysis; Business information agencies, commercial information agencies; Business inquiries, provision of business information, provision of business information via a website; Advisory services for business management; Business management and organisation consultancy, business management consultancy, professional business consultancy, business management assistance, outsourcing services [business assistance], commercial or industrial management assistance, personnel management consultancy; Assessment analysis relating to business management; Business research; Services for the operation of a business for others by a business supervisor; Appraisals and evaluations of business, business feasibility studies, economic feasibility studies, economic forecasting, evaluation of business opportunities; Business strategy development, brand strategy services, development of processes for the analysis and the implementation of strategy plans and management projects; Compilation of information into computer databases, compilation and provision of statistical information for business or commercial purposes;

Automated data processing; Marketing research, marketing studies; Statistical evaluations of marketing data, consumer profiling for commercial or marketing purposes, market research; Statistical evaluations of marketing data; Consumer profiling for commercial or marketing purposes; Location of freight cars by computer; Management of project studies for business; Office functions, data search in computer files, computerised file management, systemization of information into computer databases, compilation and management of mailing lists, business information, data and statistics; Advisory, information and consultancy services relating to all of the aforesaid services, including by electronic means and Internet.

Class 36:

Real estate affairs, real estate services, namely, real estate administration, real estate management, leasing of real estate, real estate agencies, real estate brokerage, real estate and land acquisitions, real estate and property investments, pre-development land investments, real estate investment trusts, real estate appraisals, property portfolio management, real estate rental and leasing arrangements, time-share property management and tenant management; Rent collection, buying, valuation, rental, letting and leasing of real estate, residential, industrial and commercial properties, offices, business centres, retail and wholesale outlets, shop lots, buildings, warehouses, departmental stores, shopping centres, plants and factories; Research services relating to real estate; Insurance, insurance services, accident insurance services, insurance risk management, insurance brokerage, automobile insurance brokerage, motor vehicle insurance brokerage, accident insurance brokerage, insurance information, accident insurance information, automobile insurance information, motor vehicle insurance information, provision of vehicle insurance rate quotes, insurance consultation, accident insurance consultation, automobile insurance consultation, motor vehicle insurance consultation, insurance advisory services, insurance management, insurance administration, administration of insurance plans, professional indemnity insurance, reinsurance, vehicle insurance; Insurance services relating to vehicles; Accident insurance underwriting, insurance underwriting, automobile insurance underwriting; Warranty services, warranty services for vehicles, warranty services for motor vehicles, provision of extended warranty contracts for motor vehicles; Financial services, financial affairs, financial information, financial management, fiscal assessments, financial sponsorship, hire-purchase financing, lease-purchase financing, loans [financing], vehicle financing services, financial and credit assistance, fund investment, capital investment, financial risk management, mortgage banking, brokerage of credit agreements, financial services relating to the sale and purchase of vehicles, credit services relating to motor vehicles, automobile lease-purchase financing; Automobile financing, automobile lease financing, lease-purchase of land vehicles; Financial services, namely, enabling transfer of funds and purchase of products and services, all via electronic communications networks; Valuation and appraisal of motor vehicles, automobile appraisal; Credit bureaux, card services, credit card services; Credit and cash card payment processing services; Monetary affairs, scheme development and administration, establishment of scheme development and administration, establishment of employee benefit funds; Advisory, information and consultancy services relating to all of the aforesaid services, including by electronic means and Internet; Loyalty program payment processing services; Loyalty coupon payment processing services; Issuing tokens of value in relation to customer loyalty programs and

List of cases accepted for opposition purposes as shown in Journal 2025/037 published on 12 September 2025 .

schemes; Issuing of vouchers including for restaurants and cafes, entertainment events, cinema, television, on-demand television, online media, online content, hotels, accommodation, flights, travel, holidays, theatre, theme parks and activity days; Savings schemes; Redeeming the vouchers of others for payment of goods or services; Charitable fund raising, organisation of collections; Debt collection agencies; Advisory, administrative, information and consultancy services in respect of all of the aforesaid.

Class 37:

Advisory services in the fields of construction, repair, restoration, maintenance and installation, advisory services in relation to the building and repair of airports and airport facilities, relating to the installation of hydraulic equipment, maintenance and repair of mechanical and electrical equipment, vehicle repair; Consultancy in relation to installation, maintenance and repair services; Repair information; Advisory, information and consultancy services in respect of the supply, distribution, installation, maintenance, and repair of charging stations for electric vehicles; Building and construction services; Infrastructure construction, civil infrastructure construction; Development of real estate, land and property [building and construction services]; Building, construction, interior and exterior painting, insulating, sealing, damp-proofing, cleaning [interior and exterior] and demolition of real estate, residential, industrial and commercial properties, buildings, offices, business centres, warehouses, plants, factories and recreational complexes; Building, construction, cleaning and demolition of bridges and dams; Building, construction, paving and cleaning of roads; Roofing services; Scaffolding; Bricklaying; Mining extraction; Drilling of wells; Pipe laying; Plastering; Plumbing; Sanding; Cable laying; Construction, fabrication and cleaning of pipelines for the oil and gas industry; Construction and fabrication of electrical houses (E-Houses); Building of naval vessels and ships; Underwater building and construction; Supervision and inspection of building construction; Building project management, project management relating to property development and property construction, project management relating to building contracts; Repair and Maintenance services; Repair and maintenance of electricity generators, manual transmissions, hybrid transmissions, power shift transmissions, road building equipment, road making machines, road making equipment, road making machines, construction and agricultural machinery, construction equipment, construction machines and apparatus, harvesting machines and implements, power generators; Maintenance, servicing and repair of apparatus and installations for power generation; Restoration, renovation, refurbishment, maintenance and repair of real estate, industrial and commercial properties, buildings, offices, business centres, retail and wholesale outlets, roads, bridges, schools, warehouses, plants, factories and recreational complexes; Maintenance and repair of parts and fittings for buildings, offices, business centres, retail and wholesale outlets, roads, bridges, schools, warehouses, plants, factories and recreational complexes; Repair of electric appliances; Repair of elevators; Maintenance, repair and overhaul of engines, machineries, generators, compressors, pumps, equipment, heavy equipment, hand tools, industrial and construction equipment, machines, engines and spare parts thereof; Maintenance, repair and overhaul of agricultural and farming equipment, implements, machines and vehicles; Interior and exterior; Installation of solar powered systems; Construction of utility solar installations; Installation of rainwater harvesting systems, rainwater collection systems, rainwater drainage systems; Vehicle breakdown repair services; Emergency roadside assistance services, namely, responding to calls for roadside assistance, flat tire changing,

emergency fuel supplying, and battery jump starting, emergency road side repair services; Repair, maintenance and installation services in connection with vehicles, vehicle service stations [refuelling and maintenance], vehicle maintenance, vehicle installation, vehicle repair, motor vehicle maintenance and repair, vehicle polishing, anti-rust treatment for vehicles, vehicle greasing, vehicle lubrication, vehicle lubrication [greasing], car wash, vehicle cleaning, vehicle wash, motor vehicle wash, retreading of tires [tyres], vulcanization of tires [tyres] [repair]; Maintenance and repair of earth moving, earth conditioning, material handling, construction, mining, paving and forestry vehicles, equipment, and machinery, mining machinery engines, engines, power generation equipment and control units for the aforementioned; Maintenance and repair of safes and security locks; Maintenance and repair of electronic navigational and positioning apparatus and instruments; Pipeline construction and maintenance, maintenance and repair of natural gas and oil equipment and pipelines, pipe maintenance; Pipe coating; Maintenance and repair services for onshore and offshore engineering work; Underwater construction, underwater repair; Cleaning, repair and care of fabric, textile, leather, fur and goods made thereof; Maintenance, servicing, washing, repair and overhaul of vehicles, automobiles, land vehicles, motor vehicles, vehicle tyres and parts and fittings for of the aforesaid goods; Lubricating, greasing, polishing, refuelling, painting, tuning, detailing, undersealing, panel beating and reconditioning of vehicles; Reconditioning machines, motors and engines that have been worn or partially destroyed; Reconditioning of automobiles, industrial machinery; Rebuilding of engines and machines that have been worn or partially destroyed; Retreading, vulcanizing and balancing of tyres; Battery recharging services, charging of vehicle battery; Rustproofing; Installation services, maintenance services, repair services, machinery installation; Installation, maintenance and repair of burglar alarm; Installation and repair of air conditioning apparatus; Installation, maintenance and repair of computer hardware; Installation of fixtures and fittings for buildings; Installation of doors and windows; Installation of electric appliances; Installation of elevators; Installation, maintenance and repair of engines, machineries, generators, compressors, pumps, equipment, hydraulic equipment, heavy equipment, hand tools, industrial and construction equipment, engines, drilling and mining apparatus, drilling and mining tools, and spare parts thereof; Installation, maintenance and repair of apparatus for generating electricity, power; Installation maintenance and repair of automation systems electrical and electronic apparatus for use in the field of automation; Installation, maintenance and repair of energy conversion apparatus, power plants, power grids, wave energy conversion apparatus and wave energy power plants; Installation, maintenance and repair of equipment, machines, apparatus for use in coal mining, demolition, mining, open pit mining, quarrying, road building; Maintenance of oil rigs; Installation of agricultural equipment, implements, machines and vehicles; Installation of instrumentation systems; Installation of instrumentation systems for oil and gas industries; Installation of natural gas and oil equipment and pipelines; Installation of safes and security locks; Assembly [installation] of parts and accessories for vehicles; Custom installation of vehicle interiors; Quarrying services; Rental of tools, plants, machineries and equipment for construction and demolition, machines, bulldozers and excavators, building machinery, building machines, concrete pumping machines, concrete mixers, concrete pumps and cranes, concrete-mixing machines, construction and building equipment, construction

List of cases accepted for opposition purposes as shown in Journal 2025/037 published on 12 September 2025 .

machines and apparatus, mining machines, mining apparatus, drilling platforms, earth moving equipment and excavators, elevating work platforms for use in construction, industrial machines, pneumatic or hydraulic construction machines, tools and apparatus, road sweeping machines, scaffolding, platforms, molds and machinery, oil well drilling tools, floor buffers, floor cleaning machines; Rental of construction equipment, rental of cranes [construction equipment, rental of excavators, rental of bulldozers; Rental of road sweeping machines, tower cranes; Provision of information in relation to repair and installation services; Provision of information in relation to the repair or maintenance of agricultural machines and implements, construction machines and apparatus, mining machines and apparatus, power generators, power-driven floor cleaning machines; Provision of online information in relation to repair and installation services; Provision of advice in relation to installation, maintenance and repair services; Information, advisory and consultancy services relating to all of the aforesaid services, including by electronic means and Internet; Charging of electric vehicles; Supply, distribution, installation, maintenance, and repair services of charging stations for electric vehicles.

Class 39:

Transportation and delivery services by air, road, rail, sea and pipeline; Transport and transportation by land, water and air vehicles, lorry, rail, ambulance transport; Transport, transport services, arranging of transport, barge transport; boat transport, ferry-boat transport, bus transport, car transport; Armoured car transport; Hauling; Transportation logistics, arrangement of transport and transportation, traffic information, transportation information, provision of information in relation to transport and transportation, provision of information in relation to transport and transportation via a website, advisory services relating to transport, providing road and traffic information; Delivery of goods; Freight brokerage, freight forwarding, freight [shipping of goods], freighting; Collection, transportation and delivery of goods, for others by air, rail, ship or lorry, delivery of goods by courier cargo handling; Transportation of wastes, oils, natural gas and biofuels; Transportation and escorting of travellers and passengers; Passenger transport, booking of seats for travel; Reservation of transport; Brokerage services relating to transport, freight and ship; Vehicle breakdown assistance, namely rescue, towing, recovery and salvage services, automobile towing services, vehicle towing services, towing of vehicles in connection with breakdown services, vehicle breakdown towing services, vehicle breakdown recovery and towing services, vehicle rescue and recovery services, car towing services, rescue operations, emergency roadside assistance services; Underwater salvage; Re-floating of ships; Distribution services, distribution and supply of energy, electricity, water, renewable energy, power, gas and heat; Packaging of goods, packaging of articles to the order and specification of others; Warehouse services, warehouse storage services, provision of information in relation to warehouse services, storage of goods, edible oils and fats, palm oils, palm kernel oils, palms, rubbers, coconuts, valuables, freight, cargoes, packages, parcels, documents, letters, wastes, oils, natural gas, biofuels, energy, electricity, water, renewable energy, gas, heat, vehicles, cars and boats; Physical storage of electronically-stored data or documents; Rental of warehouses, storage containers and frozen food lockers; Brokerage services relating to storage; Arrangement, organisation and reservation of travels, tours, sightseeing tours and cruises; Chauffeur services; Rental and leasing of vehicles, cars, coaches, lorries, trucks, fork-lift trucks, tractors, boat and coaches, agricultural tractors; Leasing of vehicles, automobiles, automotives, cars, provision

of information via the internet relating to the leasing of automobiles; Hire of vehicles, car hire services; Automobile rental, car rental, provision of information relating to automobile rental services, provision of information relating to car rental services, rental car reservation; Provision of car parking facilities, car parking; Rental of parking places and garages for vehicles; Rental of systems, instruments and GPS equipment for navigational purposes; information, consultancy and advisory services relating to all of the aforesaid services, including by electronic means and Internet; Supply chain logistics and reverse logistics services consisting of the storage.

Class 40:

Manufacturing of detail parts, components and assemblies for the aerospace industry; Manufacturing and processing services in the plastics industry, namely, fabrication, prototyping, machining, vacuum forming, die cutting, and assembly integration; Custom assembling of propulsion systems for aerospace vehicles; Custom manufacturing of propulsion systems for aerospace vehicles for others; Custom manufacturing services for others in the field of propulsion systems for aerospace vehicles; Treatment and processing of materials using chemicals; Treatment of waste, treatment of water and waste water, incineration of waste and trash, sorting of waste and recyclable material [transformation], management of waste; Recycling, recycling services, recycling of waste, recycling of metals; Production and generation of energy, generation of power and electricity, processing, treatment and conversion of gas; Custom fabrication of steel construction elements; Custom construction and assembling of goods and materials for others; Printing; Information, advisory and consultancy services relating to all of the aforesaid services, including by electronic means and Internet.

Class 41:

Education; Academies [education]; Education information; Educational services; Education services; Provision and conducting of educational courses, provision and conducting of educational courses relating to business management; occupational health and safety educational services; Practical training for educational purposes; Arrangement, organisation, management and conducting of educational events, conferences, exhibitions, competitions, seminars, workshops, congresses, colloquiums and symposiums; Organisation and conducting of exhibitions, shows, events and conferences in relation to automobiles and vehicle engineering; Educational club services; Lending libraries, mobile library services; Publication of books and texts, publication of electronic books and journals online; Provision of online electronic publications for educational purposes; Training, providing of training, practical training [demonstration], personnel training and development, vocational guidance [education or training advice]; Teaching, provision of training courses, provision of training programs, provision of online training, arrangement and conducting of conferences and seminars, arrangement and conducting of workshops [training], know-how transfer [training]; Training courses relating to management, operation and maintenance; Technical training relating to hygiene, industrial risk and chemical analysis; Medical, nursing and medical ancillary training services; Occupational health and safety training services; Arrangement, provision and conducting of technical courses, training courses, workshops [training], conferences, leadership and management development programs; Production of training videos; Game services provided online from a computer network; Gaming; Entertainment, entertainment services, Entertainment club services, booking of entertainment, online entertainment;

List of cases accepted for opposition purposes as shown in Journal 2025/037 published on 12 September 2025 .

Provision of facilities for entertainment events; Provision of amusement arcade and karaoke services; Entertainment and educational services, namely, providing text, video, audio, and multimedia materials; Providing online electronic publications (not downloadable); Publication of electronic books and journals online, provision of online electronic publications; Publishing online journals, namely, blogs featuring user-defined content; Publication of books, pamphlets, manuals, and publicity texts; Business education and training; Production of sound recordings, videos, films, radio and television programmes; Scriptwriting services; news reporters services; Movie theatre presentations; Presentation of live performances; Sporting and cultural activities; Sports clubs, health clubs; Operation of golf clubs; Golf tournaments; Organisation and conducting of sports competitions and golf tournaments; Organisation of other golf-related events namely workshops, clinics, seminars and teaching academies; Organisation of exhibitions for cultural or educational purposes; Provision of sports, recreation and golf facilities; Rental of stadium facilities and golf equipment; Provision of recognition and incentives by way of awards to demonstrate excellence in the field of golf; Information, consultancy and advisory services relating to all of the aforesaid services, including by electronic means and Internet.

Class 42:

Scientific and technological services and research and design relating thereto; Technological services and research and design relating to vehicles; Scientific and technological services, namely design, analysis, research and development services in the fields of agriculture, precision agriculture, industrial, chemical, biochemical, biotechnological, marine engineering, environmental protection, environmental technology, research and development services for others, research and development of new products, research and development in engineering for cars, development and test of chemical production methods; Engineering services in the field of aerospace; Technological consultancy in the field of aerospace engineering; Consultation and research in the field of aerospace engineering; Design and development of engineering, industrial and consumer products; Developing and managing application software, digital loyalty platform based on mobile devices and the internet, software as a service for managing, operating and administering online and mobile customer loyalty programs and schemes; Vehicle and engine design services, motor vehicle design; Chemistry services, chemical research and analysis; Research in the reduction of carbon emissions; Calibration services; Rental of scientific instruments; Monitoring and assessment services relating to environmental planning and protection; Architectural services, architectural design, architectural planning, architectural project management; Urban planning; Design and planning services, design and planning for real estate, residential, industrial and commercial properties, offices, business centres, departmental stores, shopping centres, retail and wholesale outlets, temporary accommodation, hotels, motels, resorts, service apartments, buildings, houses, condominiums, apartments, flats, warehouses, plants, factories and developments, design and planning of layouts of real estate, residential, industrial and commercial properties, offices, business centres, departmental stores, shopping centres, retail and wholesale outlets, temporary accommodation, hotels, motels, resorts, service apartments, buildings, houses, condominiums, apartments, flats, warehouses, plants, factories and developments; design of interior decorations, office furniture and graphic arts, planning of interior spaces; Computer aided design services relating to architecture;

Construction drafting, preparation of architectural plans and reports; Surveying, quantity surveying, geological surveying, geological prospecting, analysis for oil-field exploitation, oil-field surveys, oil prospecting, surveying and inspection of real estate; Engineering, engineering design, engineering drawing, engineering project management; Technical design, design of products, tools, instruments, vehicles, hardware, machines, generators, moulds and tanks; Industrial analysis and research services, technical analysis, fluid analysis, technical research, mechanical research, technical project studies, meteorological information, project analysis studies, engineering project studies; Testing, authentication and quality control, technical quality testing, testing services for the certification of quality or standards; Testing of apparatus, materials, products, chemicals, machines and textile, material testing, oil-well testing, vehicle roadworthiness testing; Technical inspection services, inspection services for new and used vehicles, for persons buying or selling their vehicles, testing, evaluating and inspection of motor vehicles, weighing of vehicles; Quality control; Certification [quality control]; Consultancy in the field of computer hardware, computer rental; IT services, cloud computing, computer programming, duplication of computer programs, rental of computer software, computer software design, installation of computer software, maintenance of computer software, updating of computer software, computer system design, computer systems analysis, computer software consultancy; Computer virus protection services, recovery of computer data, conversion of data or documents from physical to electronic media; Data conversion of computer programs and data [not physical conversion], update of computer software; Computer services, namely, providing a mobile application that allows users to manage customer loyalty programs and participate in customer loyalty programs; Application service provider (asp), namely, hosting mobile software applications that allow users to manage customer loyalty programs and participate in customer loyalty programs; Providing of mobile telephone and smartphone applications online; Software as a service [SaaS]; Design and development of computer hardware, software and networks, maintenance and update of networks and software; Computer networks services, computer network services for mobile or fixed use; Configuration of computer networks; Provision of wireless data exchange and Internet connectivity; Creating and maintaining web sites for others, hosting computer sites [web sites], rental of web servers, providing search engines for the internet; Provision of secured online and offline networking services for industrial and commercial communities; Web hosting; Dress designing; Consultancy, advisory and information services relating to all of the aforesaid services, including by electronic means and Internet; Underwater exploration; Software as a service (SaaS) featuring software for managing, monitoring, and controlling charging stations for electric vehicles; Software as a service (SaaS) for finding and locating charging stations for electric vehicles; Software as a service (SaaS) for administration, use, interaction, access and payment for the use of charging stations for electric vehicles; Information, advisory and consultancy services relating to the aforementioned services; Computer technology consultancy in the field of aerospace engineering; Engineering services in the field of aerospace; Technological consultancy in the field of aerospace engineering.

Class 7:

Machines, Machine tools, power-operated tools, electric tools, tools and hoses, oil refining machines, road and concrete paving machines, road making machines, concrete mixing machines, lifting and handling machines, vibrating machines, agricultural machines, forestry machines, milling machines, pick and place machines, blowing machines, bending and cutting machines, power trowels [machines], drilling machines, mining machines, cleaning machines, molding machines, meat

choppers [machines], mixers [machines], meat mixers, grinding machines, cutting machines, crushing machines, pressing machines, vacuum cleaners, saws [machines], chains saws, high pressure washers, blowing machines for exhaustion of dust and for the compression, exhaustion and transport of gasses, road construction and maintenance machines, baler machines, container handling machines, screen printing machines, spraying machines, earth moving machines, welding machines, electric welding machines, parts and fittings for of the aforesaid goods; Indoor autonomous robots for conveying and storing goods in industrial warehouses; Agricultural machines, grass cutting machines, compacting machines, trimming machines, cultivating machines, lawnmowers (machines), sprinkler apparatus for agricultural purposes, parts and fittings for of the aforesaid goods; Compressors [machines], air compressor [machines], compressed air machines, gas compressors, compactors, refuse compactors, compressors [compactors] for waste collection containers and vehicles; Mining apparatus and machines, loaders [machines], diggers [machines], motor graders [machines], levellers [machines], automatic wire stripper [machines], combined wire strippers and cutters [machines], air condensers, steam condensers [parts of machines], condensing installations, backhoes, wheel loaders, road rollers, bulldozers, parts and fittings for bulldozers, excavators, cranes [lifting and hoisting apparatus], drilling rigs [floating or non-floating], oil drilling rigs, drilling rigs for drilling offshore wells, drilling rigs for drilling wells on land, components for drilling rigs, air pressure intensifiers for test rigs, barrels for use with drilling rigs, hydraulic wrenches for use on drilling rigs, pipe elevators being electrically operated machines for use on drilling rigs, pipe elevators being hydraulically operated machines for use in drilling rigs, pipe elevators for use in the handling of pipes in drilling rigs, pipe elevators for use in the positioning of pipes in drilling rigs, galvanizing apparatus, electric welding apparatus, electric arc cutting and welding apparatus, gas-operated soldering machines and apparatus, gas-operated soldering blow pipes, soldering irons, parts and fittings for of the aforesaid goods; Machines for the manufacture of electronic components, work stations [machines] for soldering, lifters, bin lifters [machines], pumps, pumps (machines), natural gas pumps, pumps for use in agriculture, compressed air pumps, centrifugal pumps, gear pumps, metering pumps other than for medical use, diaphragm pumps for use in the metering of fluids, oil separators, pneumatic tube conveyors, presses [machines], fodder presses, filter presses, auxiliary press apparatus; Parts of machines, bearings [parts of machines], ball-bearings, ball rings for bearings, bearing brackets for machines, cranks [parts of machines], heat exchangers [parts of machines], heat exchanging apparatus [parts of machines], water heaters [parts of machines], mechanical control devices for heating installations, lubricators [parts of machines], grease rings [parts of machines], grease boxes [parts of machines], clamp connectors for pipes and piping [parts of machines], drilling bits and heads [parts of machines], blades [parts of machines], knives for mowing machines, filters [parts of machines or engines], pistons [parts of machines], pistons for cylinders, spark plugs, agitators, gears and gear boxes other than for land vehicles, buckets for earth moving machines; Aerators; Control mechanisms for machines, engines or motors; Fuel conversion apparatus for internal combustion engines; Motors and engines except for land vehicles, gears other than for land vehicles, industrial engines, engines for boats, engines for air cushion vehicles, auxiliary engines, blowing engines, hydraulic motors and engines, gas turbines except for land vehicles, belts for motors and engines, fans and fan belts for motors

List of cases accepted for opposition purposes as shown in Journal 2025/037 published on 12 September 2025 .

and engines, cooling radiators and exhausts for motors and engines, cylinders for machines, cylinders and cylinder heads for motors and engines, crankcases for motors and engines, filters for motors and engines, fuel economisers for motors and engines, oil filters, fuel filters, air filters, transmission filters, filters for cleaning cooling air for engines, pistons for machines and engines, pistons for cylinders, piston rings, pumps and injectors for motors and engines, internal combustion engines other than for land vehicles, combustion engines for industrial machines, carburettors, crankcases for machines, crank shafts, current generators, electricity generators, power generators, electric generator power sets, natural gas electric generator sets, parts for electric generator sets, dynamo, skid base for generator sets, diesel electric generators, diesel engines for agricultural and industrial machinery and replacements parts thereof; Machine coupling and transmission components except for land vehicles, power transmission for machines, bearings for transmission shafts, connecting rods for machines, motors and engines; Automotive exhaust pipes, automotive engine blocks, automotive intake manifolds; Aerocondenses; Aeronautical engines; Aeroplane engines; Aerometers; Aerospace components and small assemblies; Aerospace machined detail parts, namely, fillers, guides, fairleads, spacers, grommets, washers, blocks and rings; Aerospace thermoformed interior panels, namely, door skins, window surrounds, ceiling panels, seat backs, trays, shrouds and covers; Aerospace die cut seals and gaskets, namely, seals, gaskets, friction pads, wear strips; Aerospace assemblies, namely, panel assemblies, duct assemblies, headliner assemblies, window assemblies, cover assemblies; Fuel cell cooling pumps for use in aerospace applications; Agricultural implements other than hand-operated hand tools, agricultural machines, harvesting machines, combine harvesters, rice combine harvesters, rice planting machines, rice transplanting machines, reapers [agricultural machines], tractor-towed reapers, threshers, binders, hay binding machines, hay making machines, mowing machines, fertilizer spreading machines, soil spreading machines, tractor-towed fertilizer distributors, paddy wheel machines, sowers [machines], rotavators [machines], tiller [machines], bund maker [machines], cultivators [machines], seed drills for agricultural machines, blowing machines or fans for the compression, sucking and carrying of grains, agricultural elevators, balers for agricultural use, chaff cutters, ploughs, harrows, tractor-towed harrows; Parts and fittings for of the aforesaid goods, including filters and compressors; Machining centres, metal working machining centres, multi-spindle machining centres, vertical machining centres. .

Class 12:

Automobiles, vehicles, vehicles for locomotion by land, land vehicles, tractors, trucks, fork lift trucks, vans, cars, motor cars, sports cars, four wheel drive vehicles, motorcycles, military vehicles for transport, remote control vehicles [other than toys], cycles; Electric vehicles, electric land vehicles, water vehicles, barges; Motors, engines; Engines for land vehicles, traction engines; Parts and fittings for land vehicles; Hybrid vehicles, hybrid cars; Vehicle bodies, automobile bodies, bodies for vehicles, automobile and vehicle chassis; Automobile chains; Transmissions for land vehicles, transmission shafts for land vehicles, driving and transmission chains for land vehicles; Hoods for automobiles and vehicles, hoods for baby carriages, hoods for vehicle engines; Bonnets for automobiles, automobile bonnets; Tyres, automobile tyres, pneumatic tyres, vehicle wheels, vehicle wheel tyres, solid tyres for vehicle wheels, vehicle wheel hubs, vehicle wheel spokes, freewheels for land vehicles, automobile wheels, automobile wheel hubs, automobile

wheel rims, vehicle wheel rims, automobile wheel spokes, tyre cover for vehicles, wheel arch garnish for vehicles; Studs for tyres, studs for vehicle tyres; Non-skid devices for vehicle tyres, anti-skid chains, automobile chains, mudguards, rims for vehicle wheels, steel alloy sport rims for vehicles, axles for vehicles, axle journals, tubeless tyres for bicycles; Balance weights for vehicle wheels; Bands for wheel hubs; Inner tubes for pneumatic tyres; Drive shaft, drive shaft for vehicles, boots for drive-shaft for vehicles; Acoustic shield for vehicles; Spark plugs for vehicles; Fan belts for vehicles; Timing belts for vehicles; V belts for vehicles; condenser distributor for vehicles; Tensioner bearing for vehicles; Filters for vehicles, fuel filters, oil filters, air filters, hydraulic filters, automatic transmission filters; Radiator assembly for vehicles; Gasket for vehicles; Evaporator assembly for vehicles; Valves for vehicle tyres; Air bags [safety devices for automobiles]; Airbags for vehicles; Safety belts for vehicle seats, safety seats for children, for vehicles; Vehicle mirrors, rearview mirrors; Anti-dazzle devices for vehicles, anti-glare devices for vehicles [lamp fittings], sun-blinds adapted for automobiles; Alarm systems for vehicles; Anti-theft devices for vehicles, anti-theft alarms for vehicles; Reversing alarms for vehicles; Direction signals for vehicles, turn signals for vehicles; Undercarriages for vehicles; Upholstery for vehicles, vehicle seats, seat covers for vehicles, seat covers for automobiles, head-rests for vehicle seats; Automobile seats, automobile seat cushions; Steering wheels for vehicles, automobile steering wheels, covers for vehicle steering wheels; Automobile and vehicle covers [shaped]; Automobile sunroofs; Automobile convertible tops; Automobile dashboards; Automobile horns; Automobile roof racks; Doors for vehicles, doors for automobiles, automobile door handles; Linings and shoes for vehicles; Brakes for vehicles, brake components for vehicles, brake apparatus for vehicles and motor-vehicles, brake linings for vehicles, brake segments for vehicles, brake shoes for vehicles, brake disks for vehicles, brake pads for vehicles, disc brake pads, brake drums for vehicles, brake pedals for vehicles, wear-resistant pads for use in brakes for automobiles; Bumpers for automobiles and vehicles; Caps for vehicle petrol [gas] tanks; Clutches for land vehicles; Connecting rods for land vehicles, other than parts of motors and engines; Vehicle accessories, air pumps [vehicle accessories], caps for vehicles petrol tank; Couplings for land vehicles; Crankcases for land vehicle components, other than for engines; motors for land vehicles, automobile motors, driving motors for land vehicles, electric motors for land vehicles, electric converters for controlling access to vehicles; Elevating tailgates [parts of land vehicles]; Transmission components for land vehicles, coupling components for land vehicles; Gearing for land vehicles, gear boxes for land vehicles, reduction gears for land vehicles; Horns for vehicles; Hub caps; Hydraulic circuits for vehicles; Luggage carriers for vehicles, luggage nets for vehicles; Power tailgates [parts of land vehicles]; Propulsion mechanisms for land vehicles; Screw-propellers; Security harness for vehicle seats; Shock absorbers for automobiles and vehicles, shock absorbing springs for vehicles, shock absorbing springs for vehicles suspension, suspension springs, vehicle suspension springs, suspension shock absorbers for vehicles; Clips (spoke) for vehicles, spoke clips for wheels; Torque converters for vehicles, torque converters for land vehicles; Torsion bars for vehicles; Tailgates [parts of land vehicles], tailboard lifts [parts of land vehicles]; Treads for retreading vans [vehicles], treads for retreading tyres; Repairs outfits for inner tubes; Vehicle running boards, automobile running boards; Windows for vehicles, windscreens, windshields, wipers, auto

List of cases accepted for opposition purposes as shown in Journal 2025/037 published on 12 September 2025 .

wipers, wiper blades, silicone wiper blades, windscreen and windshield wipers, automobile windows, automobile windows made of insulating glass, automobile windscreen sunshades, automobile windscreens, automobile windshields made of fire-resistant glass, automobile windshields made of insulating glass; Electrical converters for controlling access to vehicles; All motor and electric land vehicles components, parts and fittings; Parts and fittings for the aforesaid goods. .

Class 35:

Advertising, marketing and promotional services, television advertising, radio advertising, online advertising, online advertising on a computer network, outdoor advertising, direct mail advertising, publicity services, public relations, product marketing, telemarketing services, internet marketing; Radio commercials, television commercials; Publicity services by television, radio and mail; Advertising, marketing and promotional services relating to property and real estate; Layout services for advertising purposes; Advertising, marketing and promotional services relating to agricultural equipment, implements, machines and vehicles; Advertising, marketing and promotional services relating to vehicles, motor vehicles, automobiles, parts and fittings for of the aforesaid goods; Advertising, marketing and promotional services relating to machineries, generators, compressors, heavy equipment, hand tools, industrial and construction equipment, engines and spare parts thereof; Advertising relating to charging stations for electric vehicles; Advertising relating to the supply, distribution, installation, maintenance, and repair services of charging stations for electric vehicles; Advertising on software as a service (SaaS) featuring software relating to charging stations for electric vehicles; Electronic commerce services, namely, provision of information about products and services via telecommunication networks for advertising and sales purposes; Display services for merchandise, demonstration of goods, presentation of goods on communication media for retail purposes, demonstration of products for advertising, marketing and promotion purposes; Organisation of displays and exhibitions for advertising, marketing and promotion purposes, organisation of competitions, conventions, conferences and exhibitions for business and commercial purposes, organisation of housing and real estate displays and exhibitions for advertising, marketing and promotion purposes, organisation of trade fairs for commercial or advertising purposes; Organisation of promotional events; Sales promotion for others, Sales promotion for others relating to oil and gas, water and process technologies, agricultural implements, agricultural tools, agricultural machines, agricultural vehicles, vehicles, motor vehicles, machineries, generators, compressors, heavy equipment, hand tools, industrial and construction equipment, engines and spare parts thereof; Writing, issuance, updating and distribution of publicity texts and advertising materials, dissemination of advertising matter; Publicity, publicity column preparation; Management of customer relationship, provision of information and advice to consumers in relation to the selection of products and items to be purchased; Provision of services for loyalty rewards to customers, organisation, operation and supervision of customer loyalty schemes, members points collection and redemption; Customer loyalty services featuring loyalty points, discount rates and recognition benefits for commercial, promotional and/or advertising purposes; Customer loyalty services for commercial, promotional and/or advertising purposes, for the purpose of promoting and rewarding loyalty of use; Operation, supervision and management of sales and promotional programmes relating to the awarding

of points, sales promotions by issuing redeemable coupons (for others), rewards schemes relating to the redemption of allocated promotional schemes; Sponsorship search, promotion of goods and services through sponsorship of sports events; Rental of advertising spaces, rental of advertising time on communication media; Business management, business administration, business organisation, business management organisation; Business management and administration of real estate, residential, industrial and commercial properties, offices, business centres, departmental stores, shopping centres, retail and wholesale outlets, temporary accommodation, hotels, motels, resorts, service apartments, buildings, houses, condominiums, apartments, flats, warehouses, plants, factories and developments; Business management and administration of plantation, agriculture, agricultural products, agricultural equipment, implements, machines and vehicles; Business management and administration of vehicles, motor vehicles, parts and fittings for of the aforesaid goods; Business management and administration of vehicles, motor vehicles, parts and fittings for of the aforesaid goods; Business management and administration of machineries, generators, compressors, heavy equipment, hand tools, industrial and construction equipment, engines and spare parts thereof; Business management and administration of waste management and electricity generation; Business advisory and consultancy services relating to the supply of quality management systems; Advisory and consultancy relating to the establishment of vehicle dealerships and franchising of vehicle dealerships; Commercial administration of the licensing of the goods and services of others; Commercial information and advice for consumers [consumer advice shop], commercial information and advice for consumers in the choice of products and services; Commercial or industrial management assistance; Project distribution [business management assistance]; Administrative assistance, responding to calls for tenders, requests; Administration of business affairs; Administrative processing of warranty claims; Administrative services relating to customs clearance; Personnel recruitment; Management of personnel and personnel resources, management of personnel relating to trainees and apprenticeship programs, advisory and consultancy relating to management of personnel and management of personnel relating to team building; Provision of business risk assessment and management; Business management and organisation of facilities and resources relating to logistic services; Retail and wholesale services, the bringing together for the benefit of others, of a variety of goods, enabling customers to conveniently view and purchase those goods and services from departmental stores, shopping centres; Retail and wholesale outlets, hotels, restaurants, food and beverage outlets and service providers, from a general merchandise catalogue by mail order or by means of telecommunications, or from a general merchandise global communications network website; Retail store services for sporting goods namely golf equipment, clothing and accessories; Retail, wholesale, distribution and online selling of vehicles for locomotion by land, retail services relating to vehicles, retail and wholesale services for new, used and second-hand motor vehicles, cars, motor cars, sports cars, four wheel drive vehicles, motorcycles, tractors, trucks, fork lift trucks, vans, electric vehicles and parts and fittings for of the aforesaid goods; Retail and wholesale services of engine oil, automatic transmission oil, and battery water; Retail and wholesale services for agricultural equipment, implements, machines and vehicles, machineries, generators, compressors, heavy equipment, hand tools, industrial and construction equipment, engines and spare parts thereof; Retail and wholesale

List of cases accepted for opposition purposes as shown in Journal 2025/037 published on 12 September 2025 .

services in the fields of agriculture, building and project design, construction, building operations, civil engineering, architecture, project management, transportation logistics, oil and gas, waste management and electricity generation; Provision of an online marketplace for buyers and sellers of goods and services; online retail store services, online retail store services featuring agricultural equipment, construction equipment, cooling equipment, earthmoving equipment, hand-operated tools for construction, heating equipment, lubricants, refrigerating equipment; Online wholesale store services featuring freezing equipment, hearing protection devices; Dealerships in the field of motor vehicles, providing used car sales leads for others; Distributorship and dealership services relating to agricultural equipment, agricultural implements, agricultural machines, agricultural vehicles, vehicles, motor vehicles, machineries, generators, heavy equipment, hand tools, industrial and construction equipment, engines and spare parts thereof; Distributorship services relating to equipment, machineries, generators, tools, vehicles, technology products, computer hardware and computer software for use in the fields of agriculture, building and project design, construction, buildings operation, civil engineering, architecture, project management, transportation logistics, oil and gas, waste management and electricity generation; Sale of power generation equipment and machineries, electricity and steam for others; Business intermediary and advisory services in the field of selling products and rendering services; Import and export services, import-export agencies; Procurement services, procurement of contracts [for others], procurement of goods and services on behalf of other businesses; Goods or services price quotations; Negotiation and conclusion of commercial transactions for third parties; Outsourcing services in the nature of arranging procurement of goods and services for others; Business analysis, business data analysis, research and information services, market analysis; Business information agencies, commercial information agencies; Business inquiries, provision of business information, provision of business information via a website; Advisory services for business management; Business management and organisation consultancy, business management consultancy, professional business consultancy, business management assistance, outsourcing services [business assistance], commercial or industrial management assistance, personnel management consultancy; Assessment analysis relating to business management; Business research; Services for the operation of a business for others by a business supervisor; Appraisals and evaluations of business, business feasibility studies, economic feasibility studies, economic forecasting, evaluation of business opportunities; Business strategy development, brand strategy services, development of processes for the analysis and the implementation of strategy plans and management projects; Compilation of information into computer databases, compilation and provision of statistical information for business or commercial purposes; Automated data processing; Marketing research, marketing studies; Statistical evaluations of marketing data, consumer profiling for commercial or marketing purposes, market research; Statistical evaluations of marketing data; Consumer profiling for commercial or marketing purposes; Location of freight cars by computer; Management of project studies for business; Office functions, data search in computer files, computerised file management, systemization of information into computer databases, compilation and management of mailing lists, business information, data and statistics; Advisory, information

and consultancy services relating to all of the aforesaid services, including by electronic means and Internet. .

Class 36:

Real estate affairs, real estate services, namely, real estate administration, real estate management, leasing of real estate, real estate agencies, real estate brokerage, real estate and land acquisitions, real estate and property investments, pre-development land investments, real estate investment trusts, real estate appraisals, property portfolio management, real estate rental and leasing arrangements, time-share property management and tenant management; Rent collection, buying, valuation, rental, letting and leasing of real estate, residential, industrial and commercial properties, offices, business centres, retail and wholesale outlets, shop lots, buildings, warehouses, departmental stores, shopping centres, plants and factories; Research services relating to real estate; Insurance, insurance services, accident insurance services, insurance risk management, insurance brokerage, automobile insurance brokerage, motor vehicle insurance brokerage, accident insurance brokerage, insurance information, accident insurance information, automobile insurance information, motor vehicle insurance information, provision of vehicle insurance rate quotes, insurance consultation, accident insurance consultation, automobile insurance consultation, motor vehicle insurance consultation, insurance advisory services, insurance management, insurance administration, administration of insurance plans, professional indemnity insurance, reinsurance, vehicle insurance; Insurance services relating to vehicles; Accident insurance underwriting, insurance underwriting, automobile insurance underwriting; Warranty services, warranty services for vehicles, warranty services for motor vehicles, provision of extended warranty contracts for motor vehicles; Financial services, financial affairs, financial information, financial management, fiscal assessments, financial sponsorship, hire-purchase financing, lease-purchase financing, loans [financing], vehicle financing services, financial and credit assistance, fund investment, capital investment, financial risk management, mortgage banking, brokerage of credit agreements, financial services relating to the sale and purchase of vehicles, credit services relating to motor vehicles, automobile lease-purchase financing; Automobile financing, automobile lease financing, lease-purchase of land vehicles; Financial services, namely, enabling transfer of funds and purchase of products and services, all via electronic communications networks; Valuation and appraisal of motor vehicles, automobile appraisal; Credit bureaux, card services, credit card services; Credit and cash card payment processing services; Monetary affairs, scheme development and administration, establishment of scheme benefit funds; Advisory, information and consultancy services relating to all of the aforesaid services, including by electronic means and Internet; Loyalty program payment processing services; Loyalty coupon payment processing services; Issuing tokens of value in relation to customer loyalty programs and schemes; Issuing of vouchers including for restaurants and cafes, entertainment events, cinema, television, on-demand television, online media, online content, hotels, accommodation, flights, travel, holidays, theatre, theme parks and activity days; Savings schemes; Redeeming the vouchers of others for payment of goods or services; Charitable fund raising, organisation of collections; Debt collection agencies; Advisory, administrative, information and consultancy services in respect of all of the aforesaid. .

Class 37:

List of cases accepted for opposition purposes as shown in Journal 2025/037 published on 12 September 2025 .

Advisory services in the fields of construction, repair, restoration, maintenance and installation, advisory services in relation to the building and repair of airports and airport facilities, relating to the installation of hydraulic equipment, maintenance and repair of mechanical and electrical equipment, vehicle repair; Consultancy in relation to installation, maintenance and repair services; Repair information; Advisory, information and consultancy services in respect of the supply, distribution, installation, maintenance, and repair of charging stations for electric vehicles; Building and construction services; Infrastructure construction, civil infrastructure construction; Development of real estate, land and property [building and construction services]; Building, construction, interior and exterior painting, insulating, sealing, damp-proofing, cleaning [interior and exterior] and demolition of real estate, residential, industrial and commercial properties, buildings, offices, business centres, warehouses, plants, factories and recreational complexes; Building, construction, cleaning and demolition of bridges and dams; Building, construction, paving and cleaning of roads; Roofing services; Scaffolding; Bricklaying; Mining extraction; Drilling of wells; Pipe laying; Plastering; Plumbing; Sanding; Cable laying; Construction, fabrication and cleaning of pipelines for the oil and gas industry; Construction and fabrication of electrical houses (E-Houses); Building of naval vessels and ships; Underwater building and construction; Supervision and inspection of building construction; Building project management, project management relating to property development and property construction, project management relating to building contracts; Repair and Maintenance services; Repair and maintenance of electricity generators, manual transmissions, hybrid transmissions, power shift transmissions, road building equipment, road building machines, road making equipment, road making machines, construction and agricultural machinery, construction equipment, construction machines and apparatus, harvesting machines and implements, power generators; Maintenance, servicing and repair of apparatus and installations for power generation; Restoration, renovation, refurbishment, maintenance and repair of real estate, industrial and commercial properties, buildings, offices, business centres, retail and wholesale outlets, roads, bridges, schools, warehouses, plants, factories and recreational complexes; Maintenance and repair of parts and fittings for buildings, offices, business centres, retail and wholesale outlets, roads, bridges, schools, warehouses, plants, factories and recreational complexes; Repair of electric appliances; Repair of elevators; Maintenance, repair and overhaul of engines, machineries, generators, compressors, pumps, equipment, heavy equipment, hand tools, industrial and construction equipment, machines, engines and spare parts thereof; Maintenance, repair and overhaul of agricultural and farming equipment, implements, machines and vehicles; Interior and exterior; Installation of solar powered systems; Construction of utility solar installations; Installation of rainwater harvesting systems, rainwater collection systems, rainwater drainage systems; Vehicle breakdown repair services; Emergency roadside assistance services, namely, responding to calls for roadside assistance, flat tire changing, emergency fuel supplying, and battery jump starting, emergency road side repair services; Repair, maintenance and installation services in connection with vehicles, vehicle service stations [refuelling and maintenance], vehicle maintenance, vehicle installation, vehicle repair, motor vehicle maintenance and repair, vehicle polishing, anti-rust treatment for vehicles, vehicle greasing, vehicle lubrication, vehicle lubrication [greasing], car wash, vehicle cleaning, vehicle wash, motor vehicle wash, retreading of tires [tyres], vulcanization of tires [tyres] [repair];

Maintenance and repair of earth moving, earth conditioning, material handling, construction, mining, paving and forestry vehicles, equipment, and machinery, mining machinery engines, engines, power generation equipment and control units for the aforementioned; Maintenance and repair of safes and security locks; Maintenance and repair of electronic navigational and positioning apparatus and instruments; Pipeline construction and maintenance, maintenance and repair of natural gas and oil equipment and pipelines, pipe maintenance; Pipe coating; Maintenance and repair services for onshore and offshore engineering work; Underwater construction, underwater repair; Cleaning, repair and care of fabric, textile, leather, fur and goods made thereof; Maintenance, servicing, washing, repair and overhaul of vehicles, automobiles, land vehicles, motor vehicles, vehicle tyres and parts and fittings for of the aforesaid goods; Lubricating, greasing, polishing, refuelling, painting, tuning, detailing, undersealing, panel beating and reconditioning of vehicles; Reconditioning machines, motors and engines that have been worn or partially destroyed; Reconditioning of automobiles, industrial machinery; Rebuilding of engines and machines that have been worn or partially destroyed; Retreading, vulcanizing and balancing of tyres; Battery recharging services, charging of vehicle battery; Rustproofing; Installation services, maintenance services, repair services, machinery installation; Installation, maintenance and repair of burglar alarm; Installation and repair of air conditioning apparatus; Installation, maintenance and repair of computer hardware; Installation of fixtures and fittings for buildings; Installation of doors and windows; Installation of electric appliances; Installation of elevators; Installation, maintenance and repair of engines, machineries, generators, compressors, pumps, equipment, hydraulic equipment, heavy equipment, hand tools, industrial and construction equipment, engines, drilling and mining apparatus, drilling and mining tools, and spare parts thereof; Installation, maintenance and repair of apparatus for generating electricity, power; Installation maintenance and repair of automation systems electrical and electronic apparatus for use in the field of automation; Installation, maintenance and repair of energy conversion apparatus, power plants, power grids, wave energy conversion apparatus and wave energy power plants; Installation, maintenance and repair of equipment, machines, apparatus for use in coal mining, demolition, mining, open pit mining, quarrying, road building; Maintenance of oil rigs; Installation of agricultural equipment, implements, machines and vehicles; Installation of instrumentation systems; Installation of instrumentation systems for oil and gas industries; Installation of natural gas and oil equipment and pipelines; Installation of safes and security locks; Assembly [installation] of parts and accessories for vehicles; Custom installation of vehicle interiors; Quarrying services; Rental of tools, plants, machineries and equipment for construction and demolition, machines, bulldozers and excavators, building machinery, building machines, concrete pumping machines, concrete mixers, concrete pumps and cranes, concrete-mixing machines, construction and building equipment, construction machines and apparatus, mining machines, mining apparatus, drilling platforms, earth moving equipment and excavators, elevating work platforms for use in construction, industrial machines, pneumatic or hydraulic construction machines, tools and apparatus, road sweeping machines, scaffolding, platforms, molds and machinery, oil well drilling tools, floor buffers, floor cleaning machines; Rental of construction equipment, rental of cranes [construction equipment, rental of excavators, rental of bulldozers; Rental of road sweeping machines,

List of cases accepted for opposition purposes as shown in Journal 2025/037 published on 12 September 2025 .

tower cranes; Provision of information in relation to repair and installation services; Provision of information in relation to the repair or maintenance of agricultural machines and implements, construction machines and apparatus, mining machines and apparatus, power generators, power-driven floor cleaning machines; Provision of online information in relation to repair and installation services; Provision of advice in relation to installation, maintenance and repair services; Information, advisory and consultancy services relating to all of the aforesaid services, including by electronic means and Internet; Charging of electric vehicles; Supply, distribution, installation, maintenance, and repair services of charging stations for electric vehicles. .

Class 39:

Transportation and delivery services by air, road, rail, sea and pipeline; Transport and transportation by land, water and air vehicles, lorry, rail, ambulance transport; Transport, transport services, arranging of transport, barge transport; boat transport, ferry-boat transport, bus transport, car transport; Armoured car transport; Hauling; Transportation logistics, arrangement of transport and transportation, traffic information, transportation information, provision of information in relation to transport and transportation, provision of information in relation to transport and transportation via a website, advisory services relating to transport, providing road and traffic information; Delivery of goods; Freight brokerage, freight forwarding, freight [shipping of goods], freighting; Collection, transportation and delivery of goods, for others by air, rail, ship or lorry, delivery of goods by courier cargo handling; Transportation of wastes, oils, natural gas and biofuels; Transportation and escorting of travellers and passengers; Passenger transport, booking of seats for travel; Reservation of transport; Brokerage services relating to transport, freight and ship; Vehicle breakdown assistance, namely rescue, towing, recovery and salvage services, automobile towing services, vehicle towing services, towing of vehicles in connection with breakdown services, vehicle breakdown towing services, vehicle breakdown recovery and towing services, vehicle rescue and recovery services, car towing services, rescue operations, emergency roadside assistance services; Underwater salvage; Re-floating of ships; Distribution services, distribution and supply of energy, electricity, water, renewable energy, power, gas and heat; Packaging of goods, packaging of articles to the order and specification of others; Warehouse services, warehouse storage services, provision of information in relation to warehouse services, storage of goods, edible oils and fats, palm oils, palm kernel oils, palms, rubbers, coconuts, valuables, freight, cargoes, packages, parcels, documents, letters, wastes, oils, natural gas, biofuels, energy, electricity, water, renewable energy, gas, heat, vehicles, cars and boats; Physical storage of electronically-stored data or documents; Rental of warehouses, storage containers and frozen food lockers; Brokerage services relating to storage; Arrangement, organisation and reservation of travels, tours, sightseeing tours and cruises; Chauffeur services; Rental and leasing of vehicles, cars, coaches, lorries, trucks, fork-lift trucks, tractors, boat and coaches, agricultural tractors; Leasing of vehicles, automobiles, automobiles, cars, provision of information via the internet relating to the leasing of automobiles; Hire of vehicles, car hire services; Automobile rental, car rental, provision of information relating to automobile rental services, provision of information relating to car rental services, rental car reservation; Provision of car parking facilities, car parking; Rental of parking places and garages for vehicles; Rental of systems, instruments and GPS equipment for navigational purposes; information, consultancy and advisory services relating to all of the aforesaid services, including by

electronic means and Internet; Supply chain logistics and reverse logistics services consisting of the storage. .

Class 40:

Manufacturing of detail parts, components and assemblies for the aerospace industry; Manufacturing and processing services in the plastics industry, namely, fabrication, prototyping, machining, vacuum forming, die cutting, and assembly integration; Custom assembling of propulsion systems for aerospace vehicles; Custom manufacturing of propulsion systems for aerospace vehicles for others; Custom manufacturing services for others in the field of propulsion systems for aerospace vehicles; Treatment and processing of materials using chemicals; Treatment of waste, treatment of water and waste water, incineration of waste and trash, sorting of waste and recyclable material [transformation], management of waste; Recycling, recycling services, recycling of waste, recycling of metals; Production and generation of energy, generation of power and electricity, processing, treatment and conversion of gas; Custom fabrication of steel construction elements; Custom construction and assembling of goods and materials for others; Printing; Information, advisory and consultancy services relating to all of the aforesaid services, including by electronic means and Internet. .

Class 41:

Education; Academies [education]; Education information; Educational services; Education services; Provision and conducting of educational courses, provision and conducting of educational courses relating to business management; occupational health and safety educational services; Practical training for educational purposes; Arrangement, organisation, management and conducting of educational events, conferences, exhibitions, competitions, seminars, workshops, congresses, colloquiums and symposiums; Organisation and conducting of exhibitions, shows, events and conferences in relation to automobiles and vehicle engineering; Educational club services; Lending libraries, mobile library services; Publication of books and texts, publication of electronic books and journals online; Provision of online electronic publications for educational purposes; Training, providing of training, practical training [demonstration], personnel training and development, vocational guidance [education or training advice]; Teaching, provision of training courses, provision of training programs, provision of online training, arrangement and conducting of conferences and seminars, arrangement and conducting of workshops [training], know-how transfer [training]; Training courses relating to management, operation and maintenance; Technical training relating to hygiene, industrial risk and chemical analysis; Medical, nursing and medical ancillary training services; Occupational health and safety training services; Arrangement, provision and conducting of technical courses, training courses, workshops [training], conferences, leadership and management development programs; Production of training videos; Game services provided online from a computer network; Gaming; Entertainment, entertainment services, Entertainment club services, booking of entertainment, online entertainment; Provision of facilities for entertainment events; Provision of amusement arcade and karaoke services; Entertainment and educational services, namely, providing text, video, audio, and multimedia materials; Providing online electronic publications (not downloadable); Publication of electronic books and journals online, provision of online electronic publications; Publishing online journals, namely, blogs featuring user-defined content; Publication of books, pamphlets, manuals, and publicity texts; Business education and training; Production of sound

List of cases accepted for opposition purposes as shown in Journal 2025/037 published on 12 September 2025 .

recordings, videos, films, radio and television programmes; Scriptwriting services; news reporters services; Movie theatre presentations; Presentation of live performances; Sporting and cultural activities; Sports clubs, health clubs; Operation of golf clubs; Golf tournaments; Organisation and conducting of sports competitions and golf tournaments; Organisation of other golf-related events namely workshops, clinics, seminars and teaching academies; Organisation of exhibitions for cultural or educational purposes; Provision of sports, recreation and golf facilities; Rental of stadium facilities and golf equipment; Provision of recognition and incentives by way of awards to demonstrate excellence in the field of golf; Information, consultancy and advisory services relating to all of the aforesaid services, including by electronic means and Internet. .

Class 42:

Scientific and technological services and research and design relating thereto; Technological services and research and design relating to vehicles; Scientific and technological services, namely design, analysis, research and development services in the fields of agriculture, precision agriculture, industrial, chemical, biochemical, biotechnological, marine engineering, environmental protection, environmental technology, research and development services for others, research and development of new products, research and development in engineering for cars, development and test of chemical production methods; Engineering services in the field of aerospace; Technological consultancy in the field of aerospace engineering; Consultation and research in the field of aerospace engineering; Design and development of engineering, industrial and consumer products; Developing and managing application software, digital loyalty platform based on mobile devices and the internet, software as a service for managing, operating and administering online and mobile customer loyalty programs and schemes; Vehicle and engine design services, motor vehicle design; Chemistry services, chemical research and analysis; Research in the reduction of carbon emissions; Calibration services; Rental of scientific instruments; Monitoring and assessment services relating to environmental planning and protection; Architectural services, architectural design, architectural planning, architectural project management; Urban planning; Design and planning services, design and planning for real estate, residential, industrial and commercial properties, offices, business centres, departmental stores, shopping centres, retail and wholesale outlets, temporary accommodation, hotels, motels, resorts, service apartments, buildings, houses, condominiums, apartments, flats, warehouses, plants, factories and developments, design and planning of layouts of real estate, residential, industrial and commercial properties, offices, business centres, departmental stores, shopping centres, retail and wholesale outlets, temporary accommodation, hotels, motels, resorts, service apartments, buildings, houses, condominiums, apartments, flats, warehouses, plants, factories and developments; design of interior decorations, office furniture and graphic arts, planning of interior spaces; Computer aided design services relating to architecture; Construction drafting, preparation of architectural plans and reports; Surveying, quantity surveying, geological surveying, geological prospecting, analysis for oil-field exploitation, oil-field surveys, oil prospecting, surveying and inspection of real estate; Engineering, engineering design, engineering drawing, engineering project management; Technical design, design of products, tools, instruments, vehicles, hardware, machines, generators, moulds and tanks; Industrial analysis and research services, technical analysis, fluid analysis, technical research,

mechanical research, technical project studies, meteorological information, project analysis studies, engineering project studies; Testing, authentication and quality control, technical quality testing, testing services for the certification of quality or standards; Testing of apparatus, materials, products, chemicals, machines and textile, material testing, oil-well testing, vehicle roadworthiness testing; Technical inspection services, inspection services for new and used vehicles, for persons buying or selling their vehicles, testing, evaluating and inspection of motor vehicles, weighing of vehicles; Quality control; Certification [quality control]; Consultancy in the field of computer hardware, computer rental; IT services, cloud computing, computer programming, duplication of computer programs, rental of computer software, computer software design, installation of computer software, maintenance of computer software, updating of computer software, computer system design, computer systems analysis, computer software consultancy; Computer virus protection services, recovery of computer data, conversion of data or documents from physical to electronic media; Data conversion of computer programs and data [not physical conversion], update of computer software; Computer services, namely, providing a mobile application that allows users to manage customer loyalty programs and participate in customer loyalty programs; Application service provider (asp), namely, hosting mobile software applications that allow users to manage customer loyalty programs and participate in customer loyalty programs; Providing of mobile telephone and smartphone applications online; Software as a service [SaaS]; Design and development of computer hardware, software and networks, maintenance and update of networks and software; Computer networks services, computer network services for mobile or fixed use; Configuration of computer networks; Provision of wireless data exchange and Internet connectivity; Creating and maintaining web sites for others, hosting computer sites [web sites], rental of web servers, providing search engines for the internet; Provision of secured online and offline networking services for industrial and commercial communities; Web hosting; Dress designing; Consultancy, advisory and information services relating to all of the aforesaid services, including by electronic means and Internet; Underwater exploration; Software as a service (SaaS) featuring software for managing, monitoring, and controlling charging stations for electric vehicles; Software as a service (SaaS) for finding and locating charging stations for electric vehicles; Software as a service (SaaS) for administration, use, interaction, access and payment for the use of charging stations for electric vehicles; Information, advisory and consultancy services relating to the aforementioned services; Computer technology consultancy in the field of aerospace engineering; Engineering services in the field of aerospace; Technological consultancy in the field of aerospace engineering. .

Resonome

Class 9:

Downloadable mobile applications for guided learning and resonance-based educational experiences; downloadable software for mapping personal growth, emotional states, and semantic–frequency interactions; digital publications and toolkits for self-guided study in design, perception, and ethics; downloadable charts and diagrams for cognitive field mapping; audio and video files featuring generative learning modules and reflective prompts; downloadable interface templates for frequency-based self-inquiry and reflection.

Class 38:

Providing online forums and discussion boards for users to engage in generative dialogue and knowledge sharing; transmission of podcasts, audio essays, and video talks via digital networks; streaming of content related to frequency-based learning and educational programmes; transmission of

user-generated responses and annotations through a digital platform; communication services for maintaining contact between community members in guided learning environments.

Class 41:

Educational services, namely, providing digital courses, exercises, and assessments in the field of resonance-based learning, frequency perception, and semantic mapping; development and delivery of structured learning modules through a mobile application; creation and dissemination of generative learning content including diagrams, narratives, and interactive exercises; conducting online and in-person workshops for field-based thinking and perceptual training; provision of curated learning pathways and user-led field exploration experiences.

Class 42:

Design and development of application software for semantic–frequency analysis and generative learning; providing temporary use of non-downloadable software for mapping user responses and field patterns; research and development of educational technology platforms based on resonance models; technical consultancy in the design of frequency-based user interfaces and generative cognitive tools; platform-as-a-service (PaaS) featuring tools for guided field navigation and personalised semantic modelling.

Class 45:

Providing personal support services for individuals navigating emotional transitions, cognitive exploration, and life design; online social networking services for learners engaging in non-goal-oriented generative reflection; hosting of digital affinity groups centred on shared resonance and personal growth; facilitation of safe communal spaces for dialogue, silence, and ontological inquiry; guidance services focused on inner alignment, intention clarification, and ethical orientation.

PENG Hsing Kai

Class 35:

Advertising and marketing services, namely, promoting the goods and services of others; promoting the goods and services of others by organizing content of business information

provided over a global computer network and other electronic and communications networks according to user preferences; promoting the goods and services of others by providing, searching, browsing and retrieving information, sites, and other resources available on global computer networks and other electronic and communications networks for others and providing consumer product information for the purpose of assisting with the selection of general consumer merchandise to meet the consumer's needs; providing information and news in the field of business, namely, information and news on current events and on economic, legislative, and regulatory developments as it relates to and can impact businesses; providing consumer information and related news in the field of entertainment, arts and literature, lifestyle and personal growth, education and child development, travel, business and finance, science and technology, politics and government, health and physical fitness, medicine, sports, weather, law, vehicles and transportation, real estate, fashion and design, food and cooking, home decorating, music and cinema, and history; providing information, news, and commentary in the field of politics, providing information in the field of government affairs, and providing consumer information relating to a wide variety of products; providing consumer information via voice-controlled automated inquiries, namely, providing an online automated consumer information resource database for searching, locating, rating and providing directions for the purchase, consumption and use of a wide range of consumer products, services and information over a global communications network.

Class 38:

Telecommunications services, namely, transmission of images, text, video and audio, and data via telecommunications networks, wireless communications networks, and the internet; computer services, namely, providing access to databases featuring news and information in the fields of artificial intelligence, machine learning, large language models, natural language processing, and software development; telecommunication services, namely, electronic transmission of streamed and downloaded audio, video and multimedia content files via computer and other communications networks; telecommunication access services; audio broadcasting and transmission for others of educational and entertainment digital media; delivery of messages by electronic transmission; electronic transmission of information and data.

Class 41:

Entertainment services, namely, providing on-line prerecorded continuing audio programs in the field of entertainment information relating to motion pictures, music, television programs, books, educational multimedia presentations, movies, sporting goods, toys, games, electronics, entertainment videos and DVDs, and other household and consumer goods; providing on-line computer games and on-line interactive children's stories; providing information, reviews and personalized recommendations in the field of entertainment; entertainment services, namely, providing temporary use of non-downloadable chatbots and virtual assistants; provision of information in the field of entertainment; providing a website featuring information in the fields of software, artificial intelligence, augmented reality, generative artificial intelligence, artificial general intelligence, chatbots, commerce, business, entertainment, and software development; providing an on-line non-downloadable entertainment database, namely, providing online non-downloadable on-demand digital games provided on demand via voice activated requests, providing online non-downloadable movies, and providing television shows; providing

List of cases accepted for opposition purposes as shown in Journal 2025/037 published on 12 September 2025 .

information in the fields of business, commerce, entertainment, artificial intelligence, software, generative artificial intelligence, artificial general intelligence, large language models, software development, natural language processing, machine learning, chatbots, and augmented reality; providing information relating to entertainment and education provided on-line from a computer database or a global computer network relating to movies, motion pictures, documentaries, films, television programs, graphic works, animation, and multimedia entertainment presentations; entertainment services, namely, providing online non-downloadable clips of prerecorded audio, visual, and audiovisual works via wireless networks in the field of movies, television, musicals, recreational activities, sports, sporting events, sports instruction, leisure activities, educational and entertainment tournaments, sports and entertainment gaming, dance, art, cultural or educational exhibitions, membership clubs, radio, comedy shows, sports, educational and entertainment contests, educational and entertainment games, educational and entertainment festivals, museums, parks, concerts, cultural events, publishing, animation, fashion, current events, news, technology, and animation; providing a website featuring virtual environments in which users can interact with chatbots and virtual assistants for entertainment purposes; providing information, news, non-downloadable articles, and commentary in the field of entertainment information relating to movies, television, audiovisual works, music, audio works, books, theatre, literary works, sporting events, recreational activities, leisure activities, tournaments, art, dance, musicals, cultural or educational exhibitions, sports instruction, membership clubs, radio, comedy, contests, visual works, games, gaming, festivals, museums, parks, cultural events, concerts, publishing, animation, current events, and multimedia presentations; providing an on-line non-downloadable entertainment database, namely, providing online non-downloadable music, and other online non-downloadable digital text, online non-downloadable audio recordings, and online non-downloadable video files all featuring entertainment information in the nature of sports and entertainment books, sports and entertainment magazines, sports and entertainment news, and general sports and entertainment information; providing an on-line non-downloadable searchable database in the nature of on-demand and online non-downloadable audio recordings, video recordings, and audiovisual content, all in the field of sports and entertainment, available through the internet, telecommunications networks, and wireless telecommunications networks.

Class 42:

Software as a service (SaaS) featuring computer software for use in retail store operation and ordering services for a wide variety of consumer goods, namely, to facilitate e-commerce transactions; software as a service (SaaS) services featuring software for use in database management; software as a service (SaaS) services, namely, hosting software for use by others for use providing an online database featuring a wide range of general interest information via the internet; providing internet search engines; providing online non-downloadable software using artificial intelligence for the production of human speech and text; providing online non-downloadable chatbot software for simulating conversations; Software as a service (SaaS) services featuring software applications for a generative AI powered application using natural language processing to generate answers within the scope of connected data repositories; computer software development in the field of mobile applications; computer software

consultation services for developing software applications; providing information from searchable indexes and databases of information, including databases, text, images, videos, music, software algorithms, mathematical equations, and electronic documents; application service provider (ASP) services featuring software for controlling, integrating, operating, connecting, and managing voice controlled information devices, namely, cloud-connected and voice-controlled smart consumer electronic devices and electronic personal assistant devices; providing customized computer searching services, namely, searching and retrieving information at the user's specific request via the internet; providing online non-downloadable software for natural language processing, generation, understanding and analysis; Software as a service (SaaS) featuring computer software for others to use for the development of software applications; hosting of third party digital content in the nature of photos, videos, text, data, images, web sites, and other electronic works on the internet; Software as a service (SaaS) services featuring software using artificial intelligence for machine learning and deep learning for building conversational query systems and digital assistants; computer services, namely, providing search platforms to allow users to request and receive content, text, visual works, audio works, audiovisual works, literary works, data, files, documents, and electronic works; technical support and consultation services for developing applications, namely, providing technical advice and information concerning the development of computer software applications and consulting services thereof; computer services, namely, providing search platforms to allow users to request and receive photos, videos, text, data, images, and electronic works; providing temporary use of online non-downloadable internet browser software; Software as a service (SaaS) services featuring software using artificial intelligence for indexing, integrating, and retrieving data for both internal applications and external communication; providing online non-downloadable software for multi-modal artificial intelligence and machine-learning based language, text, sound, code, video, image, speech, and sound processing software; Providing online non-downloadable software for machine learning and deep learning; Providing online non-downloadable software for use in large language models and artificial intelligence; Software as a service (SaaS) featuring computer software for accessing, browsing, and searching online databases, audio, video and multimedia content, games, and software applications, software application marketplaces; providing online non-downloadable software for processing speech, text, sound, code, videos, images, and sound input; providing online non-downloadable software for generating speech, text, sound, code, videos, images, and sound output; computer services, namely, creating and hosting an on-line website community for registered users to engage in social networking; Software as a service (SaaS) featuring computer software for connecting, operating, integrating, controlling, and managing networked consumer electronic devices, home climate devices and lighting products via wireless networks; Providing online non-downloadable software for use in the creation, deployment, and utilization of artificial intelligence software applications; providing online non-downloadable software for creating generative models; providing temporary use of online non-downloadable computer software and hosting online web facilities to enable users to access computer software and download computer software; Providing temporary use of online non-downloadable software for facilitating multi-modal natural language, speech, text, sound, code, videos, images, and sound input; Software as a service (SaaS) featuring

List of cases accepted for opposition purposes as shown in Journal 2025/037 published on 12 September 2025 .

computer software for use as an application programming interface (API); Software as a service (SaaS) featuring computer software for others to use for the development of software to manage, connect, and operate internet of things (IoT) electronic devices; providing temporary use of on-line non-downloadable software and applications for accessing streaming audio and video files, games, social networks, text files, and multimedia files; application service provider (asp) featuring software for use in database management; platform as a service (PaaS) featuring computer software platforms for use in database management; design and development of computer hardware and computer software; Software as a service (SaaS) featuring computer software for accessing, monitoring, tracking, searching, saving, and sharing information on topics of general interest; application service provider (asp) featuring application programming interface (API) software for the streaming, storage, and sharing of video games, content, data and information; platform as a service (PaaS) services featuring computer software platforms for the development and operation of chatbots, digital assistants, natural language processors, and expert systems; Software as a service (SaaS) featuring computer software used for controlling stand-alone voice controlled information and personal assistant devices; providing online non-downloadable software for machine-learning based language and speech processing software; providing subscription-based temporary use of online non-downloadable software for the provision of virtual personal assistant services; providing subscription-based temporary use of online non-downloadable intelligent personal assistant software for providing information in response to user-generated inquiries; providing subscription-based temporary use of online non-downloadable computer software for simulating conversations; platform as a service (PaaS) featuring computer software platforms for voice command and recognition software, intent recognition and user intent fulfillment software for deep learning, machine learning, pattern recognition, and predictive analytics; artificial intelligence as a service (AIAAS) services featuring software using artificial intelligence (AI) for voice command and recognition, user intent fulfillment, managing and operating internet of things (IoT) devices, facilitating e-commerce transactions, and database management; none of the aforesaid services for professional photographic and cinematographic cameras including professional photographic and cinematographic specific accessories therefor and professional photographic and cinematographic software.

Class 45:

Online social networking services; providing on-line computer databases and on-line searchable databases in the field of social networking; Personal concierge services for others comprising making requested personal arrangements and reservations and providing customer-specific information to meet individual needs; providing a searchable database featuring audio, video and audiovisual content available through the Internet, telecommunications networks and wireless telecommunications networks in the field of online social networking; security services for the protection of property and individuals, namely, home security services for the protection of people and tangible property, and personal security services for the protection of people and tangible property; subscription services, namely, provision of subscription-based access to personal concierge services.
