The logo consists of the characters 'SF-25' in a stylized, outlined font. The 'S' and 'F' are connected, and the '25' is separate. The characters have a three-dimensional appearance with shading.

The trademark consists of an imprint depicting the wording SF-25 in profiled fancy characters with shading to evoke a three-dimensional effect, the letter F having its horizontal central stroke with the left-hand end pointed and directed toward the vertical stroke, between the initials SF and the number 25 there being interposed a small rectangular figure extending horizontally, each one of the numerals 2 and 5 having a greater extension in the horizontal than in the vertical and each one being constituted by two substantially U-shaped figures arranged horizontally and with the opposing concavities partially inserted in each other, said U-shaped figures having their respective horizontal strokes paired so as to define a double profile at the central portion of each numeral.
