(019139097)

Class 6:

Building materials of metal; buildings of metal; transportable buildings of metal; Mobile and/or transportable prefabricated buildings; modular transportable construction units for manufacturing movable prefabricated buildings; movable prefabricated buildings made of modular transportable construction units; parts and components of all the aforesaid goods; all made entirely or primarily of metal; insulated and non-insulated, transportable, juxtaposable and stackable or otherwise, buildings of metal for all purposes relating to the storage of materials and professional or civil buildings, such as offices, dwellings, changing facilities, sanitary facilities, dining facilities, social premises, medical premises, construction site accommodation, construction site bungalows, construction site trailers, any modular space for tertiary and workshop use.

Class 19:

Building materials and elements not of metal; transportable buildings not of metal; Mobile and/or transportable prefabricated buildings; modular transportable construction units for manufacturing movable prefabricated buildings; movable prefabricated buildings made of modular transportable construction units; parts of all the aforesaid goods, all made made entirely or primarily of non-metal materials; insulated and non-insulated, juxtaposable and stackable buildings not of metal for purposes relating to the storage of materials and professional or civil buildings, such as offices, dwellings, changing facilities, sanitary facilities, dining facilities, social premises, medical premises, construction site accommodation, construction site bungalows, any modular space for tertiary and workshop use.

Class 37:

Construction consultancy; rental of construction technical elements and machine tools for construction sites; Construction, repair and servicing of modular constructions; assembly, disassembly, maintenance of modular constructions; information and advice with respect to modular constructions.

Class 42:

Designing modular constructions; research and development of new products for third parties; technical project studies; architecture; advice with respect to energy saving; construction drafting; industrial design; assistance and design services concerning architecture and engineering; conducting of technical project studies; design of computer simulated models; all the aforementioned services are provided in connection with buildings of metal and not of metal, especially bungalows for

construction sites of metal and not of metal, industrial buildings of metal and not of metal, hangars of metal and not of metal, transportable buildings of metal and not of metal, modular buildings of metal and not of metal.

Class 43:

Rental of residential and non-residential functional modules.

The mark contains the colours red and white.

The arrows and symbol "2" in the inverted triangle are in white, whereas the rest part of the inverted triangle is in red.

Class 9:

Telecommunication machines and apparatus; computer programs; downloadable programs for smartphones and mobile information terminals; computer application software for mobile phones; application software; application software for computers; computer application software for mobile information terminals; computers; computer peripheral devices; computer hardware; data processing apparatus; tablet computers; electronic control apparatus; computer components and parts; downloadable still images and videos; downloadable image and music files; downloadable images, videos, and movies; video-recorded DVDs, video disks and video tapes;

List of cases accepted for opposition purposes as shown in Journal 2026/010 published on 06 March 2026 .

electronic publications; smartphones; cases for smartphones; personal digital assistants in the shape of a watch; game programs for home video game machines; electronic circuits and CD-ROMs recorded with programs for hand-held games with liquid crystal displays; media and video files storing animated cartoons; audio- and video-receivers; audio interfaces; audio mixers; bar code readers; cryptocurrency hardware wallets; downloadable software for generating cryptographic keys for receiving and spending cryptocurrency; downloadable computer software for managing crypto asset transactions using blockchain technology; downloadable computer software applications for minting non-fungible tokens [NFTs]; credit card terminals; data processing apparatus; devices for the projection of virtual keyboards; digital signs; downloadable application software for virtual environments; downloadable emoticons for cell phones; electronic tags for goods; electronic shelf labels; integrated circuit cards [smart cards]; interactive touchscreen terminals.

Class 35:

Order management for commercial transactions; order and order reception management of goods; sales management of goods; inventory management of goods; operating and managing online shopping mall businesses; providing consulting services and information on operation and management of online shopping mall businesses; providing business support and advice to business owners of Internet shops; providing consulting services and information on corporate management; business intermediary services for negotiating of business contracts; presentation of goods on communication media, for retail purposes; business intermediary services for carrying out administrative processing related to computer-based order, order reception, and order placement of goods; intermediary services for sale and purchase contracts of goods in electronic commerce transactions; commercial intermediary services relating to commercial transactions; providing online markets for buyers and sellers of goods and services; sales promotion of goods and services through the customer loyalty programmes by issuing, managing and settling coupons or loyalty points; providing information on businesses; business intermediary services for sale and purchase contracts of goods via online shopping malls; administration of consumer loyalty programs; advertising by demonstration of goods; online advertising on computer networks; direct mail advertising; advertising by mail order; arranging and conducting of commercial events; conducting of auctions; compiling indexes of information for commercial or advertising purposes; consumer profiling for commercial or marketing purposes; search engine optimization for sales promotion.

Class 36:

Appraisal of secondhand goods and provision of information related to such appraisal; appraisal of antiques and provision of information related to such appraisal; appraisal of works of art and provision of information related to such appraisal; appraisal of diamonds, gemstones and precious metals and provision of information related to such appraisal; payment settlements for the purchases of goods and services via electronic communication networks; payment settlements on behalf of users of electronic money via electrical communication networks; fund transfer services; on-line bill payment services; issuance of prepaid electronic money; monetary transfer services; providing information relating to issuance of prepaid electronic money; issuing pre-paid payment instruments;

issuing prepaid cards (issuing third-party issue type prepaid payment instruments); credit card payment processing services; electronic credit card transactions; processing credit card transactions; electronic processing of payments.

Class 42:

Providing computer programs on data networks; providing computer programs for managing electronic payment systems; leasing of server storage space for electronic bulletin boards on the Internet; providing application software online (SaaS); providing computer software platforms (PaaS); providing search engines; design, development or maintenance of computer programs; design, development or maintenance of application software; website hosting; hosting of platforms on the Internet or other communication networks; rental of computers; design, development of computer systems, advisory services relating thereto; research, development and testing of computer software; analysis of computer systems; design services; design and development of computer hardware, computer software and databases; blockchain as a service [BaaS]; user authentication services using blockchain technology; computer programming of smart contracts on a blockchain; hosting software platforms for virtual reality-based work collaboration; hosting virtual environments; user authentication services using single sign-on technology for online software applications; user authentication services using technology for e-commerce transactions; online identification and verification of users identity to third parties on the Internet.

Class 9:
Photonic integrated circuits (PICs); photonic computer chips; integrated photonic chips for use in artificial intelligence (AI) applications; chiplets comprising one or more integrated photonic chips; photonic chipsets; low-consumption, high-speed and high-optical-efficiency photonic electro-optic on-insulator devices; encapsulated electro-optic modulators incorporating photonic chips; photonics-specialized computer hardware; photonic components for telecommunications, quantum photonics and data processing; thin-film lithium niobate (TFLN) integrated circuits; high-performance opto-electronic devices; photonic interposers and hybrid integration solutions; downloadable process design kits (PDKs) for photonic integrated circuits; software libraries and simulation models for the design of photonic circuits; software for the design, verification and installation of photonic components; optical receivers; fiber-optic connections; semiconductor chips; semiconductor optical amplifiers; semiconductor devices; optical frequency metrology devices; semi-conductors; scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signaling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity distribution or use; apparatus and instruments for sound, image or data recording, transmission, reproduction or processing; recorded

List of cases accepted for opposition purposes as shown in Journal 2026/010 published on 06 March 2026 .

and downloadable media, computer software, blank digital or analogue recording and storage media; chips (integrated circuits); computer chips; microchips; electronic circuits; integrated circuits; electronic components for integrated circuit cards; downloadable process design kit (PDK) libraries for photonic integrated circuits.

Class 40:

Services for the fabrication of high-frequency photonic integrated circuits, especially thin-film lithium niobate (TFLN) substrates; heterogeneous integration of active and passive components (such as lasers, detectors, modulators) on photonic chips, including via micro-transfer, bonding or hybrid assembly techniques; fabrication of chips, photonic chips, integrated circuits, wafers for integrated circuits, chiplets, chipsets, and opto-electronic components; encapsulation and interconnection of photonic devices; sorting of photonic circuits during production.

Class 42:

Testing, characterization, sorting and validation of high-frequency photonic integrated circuits; measurement of optical, electrical and thermal performance of photonic devices; calibration, qualification and analysis of the reliability of photonic components, including encapsulated modules and chiplets; metrological inspection of photonic chips; on-demand testing services for photonic integrated circuits for industrial or scientific applications; development, maintenance and provision of process design kits (PDKs) for photonic integrated circuits; technical support services, namely design, simulation and verification of photonic components using PDKs; PDK adaptation services for specific platforms or processes; scientific and technological services; engineering services relating to information technologies and in the field of communications technology; technological consultancy services; telecommunication technology consultancy services; research in the fields of telecommunications technology, information technology and artificial intelligence technology; information technology engineering; design and development of information and communication technology; scientific and technological services as well as research and design services relating thereto; industrial analysis, industrial research and industrial design services; quality control and authentication services; design and development of computers and software; design and development of chips, photonic chips, silicon chips, integrated circuits and wafers for integrated circuits; quality control of integrated photonic devices; testing of photonic circuits during production; end-of-line optical and electrical characterization services for high-frequency photonic circuits.

Class 3:

Non-medicated preparations and substances for protection and care of the skin; body wash; adhesive remover preparations; non-medicated lotions; non-medicated creams for strengthening and softening the skin; cleansers for the skin; pastes for the filling out of scar depressions and of other wrinkles in the skin; skin moisturizing lotion; body powder.

Class 5:

Pharmaceutical preparations and substances for protection and care of the skin; pharmaceutical preparations and substances for the treatment of skin disorders; pharmaceutical preparations and substances for the treatment of wounds; medical and surgical dressings and bandages for wound care; wound dressings; wound dressings for use with negative pressure wound therapy devices; plasters, materials for dressings; hygienic, medical and surgical bandages and dressings for wound care; medical adhesive plaster; medical wound filling material, namely paste, powder, alginate, gel and granulate; medical preparations and substances, being elastic and moisture absorbing, for the filling and sealing of scar depressions and of wrinkles in the skin; medical lotions and medical creams for cleaning, strengthening and softening the skin; medical preparations in the form of fluid plasters and of fluid films, for application to the skin for protection, treatment or alleviation of damaged skin; hydrogel for wound care; hydrophilic wound dressings; medical adhesive bands, adhesive bandages; medical adhesive materials in the nature of strips and discs; wound cleansing preparations; sponges impregnated with pharmaceutical preparations for cleansing of wounds; wound

List of cases accepted for opposition purposes as shown in Journal 2026/010 published on 06 March 2026 .

cleanser for medical use; medicated pre-moistened wipes for cleansing of wounds; anti-septic hand cleanser; skin care preparations for medical use; creams, lotions and substances for treatment of minor skin disorders and for protection of the skin; antifungal moisture barrier, antifungal moisture cream and powder, skin protectant cream, medicated antiseptic incontinent cleanser, wound dressing cream, antimicrobial skin cleanser and lotion, all-body cleanser, antiseptic hand cleanser, skin protectant in wafer form, medicated shampoo and body wash, deodorizing preparation for cleaning perineal area, medicated hand sanitizing gel; wipes for medical use; therapeutic skin care lotion for topical treatment of chapped and irritated skin for medical use; pharmaceutical preparation for treatment of the skin against irritation from diarrhea and enzymatic drainage; disposable sanitary towels for personal bathing; antimicrobial textile for medical use, namely textile fabrics for use in wicking away moisture between two skin folds and for avoiding intertrigo; medical adhesives for laryngectomy and tracheostomy; adhesive plasters; materials for dressings; gaze; compresses; solvents for removing medical adhesives; adhesive bands for medical purposes; self-adhesive plates for the use of tracheostomy accessories; adhesive discs for fastening tracheostomy valves; adhesive skin patches for medical use; pharmaceutical preparations for use in the treatment of colostomy and ileostomy conditions, and for the surgical treatment of urology conditions; medical ostomy accessory products, namely, adhesive skin protective rings, discs, sheets and flanges for skin protection, protective seal, pastes and powders, medical substances for removal of skin adhesives, adhesive removers, adhesive remover spray, adhesive remover wipes, medical adhesive tape, medical absorbent tape, medical elastic tape, medical adhesive bands, deodorants for ostomy bags, protective skin barrier film for medical use, protective skin barrier lotion for medical use, protective skin barrier cream for medical use, protective skin barrier paste for medical use, protective skin barrier spray for medical use; deodorizing room sprays; hygienic, medical and surgical absorbent bandages and pads (not included in other classes) for use in the treatment of persons suffering from incontinence; urine absorbing pads and envelopes for incontinence; hygienic, medical and surgical wound bandages and belts therefore for patients or for use in the treatment of persons suffering from incontinence; sanitary towels; disinfectants; substances for the disinfection and sterilization of medical-technical devices; preserved human biologic material, namely, preserved biological tissue grafts for the medical treatment of pelvic organ prolapse or stress urinary incontinence; biological tissue, namely, fish tissue used in medical and surgical procedures and applications; biological tissue grafts; skin grafts; biological skin tissue intended for subsequent implantation; biological tissue based skin substitutes used for wounds, burns and for medical, surgical and neurosurgical applications; medical adhesives for binding wounds, internal tissue and biological tissue; medical applicator used to apply biological tissue; medical adhesives for binding wounds.

Class 9:

Downloadable computer applications for mobile phones, tablets and other similar devices concerning ostomy care, continence care, bowel care, wound care, tracheostomy and laryngectomy care, voice rehabilitation, and urology care; smart phone applications for reorders; smart phone applications for locating wheelchair friendly toilets and parking spaces; downloadable computer software for mobile phones; tablets

and portable media players, namely software for use in accessing healthcare information in the fields of treatment and management of ostomy care, continence care, bowel care, wound care, tracheostomy and laryngectomy care, voice rehabilitation, and urology care; downloadable computer software and downloadable mobile applications for use in managing patient care and patient care information, for use in wound assessment and wound management in the nature of ongoing treatment and care of wounds, for use in providing information, guidance, resources and support in the fields of wounds and wound care; downloadable mobile application software for providing continuing professional education and training for medical personnel in the field of ostomy care, continence care, bowel care, wound care, tracheostomy and laryngectomy care, voice rehabilitation, and urology care; downloadable mobile application software for use by medical and healthcare professionals in the field of ostomy care, continence care, bowel care, wound care, tracheostomy and laryngectomy care, voice rehabilitation, and urology care; downloadable software application that enables users to monitor and improve best practices in the use, care and maintenance of medical devices, namely medical devices for use in connection with ostomy care, continence care, bowel care, wound care, tracheostomy and laryngectomy care, voice rehabilitation, and urology care; downloadable software for providing information on medical products; downloadable software for providing medical information; downloadable software for providing medical treatment information; downloadable medical software for controlling and managing patient medical information; downloadable medical software for medical billing; electronic devices for recording, transmission and processing of data concerning ostomy, incontinence, urinary retention, bowel conditions, wounds, laryngectomy, tracheostomy, voice rehabilitation, and urology; computer hardware, namely, monitors.

Class 10:

Medical and surgical instruments and apparatus; instruments and apparatus for the surgical and medical treatment of ostomy conditions; medical devices for all kinds of ostomy, including colostomy, ileostomy, urostomy, tracheostomy, nephrostomy, gastrostomy, and parts and fittings for all the aforesaid goods; ostomy bags and parts and fittings therefore (not included in other classes); belts for ostomy bags; odour absorbing filters, especially for use within the ostomy field in connection with colostomy, ileostomy and other ostomy aids; disposable colostomy closure systems; integrated outlets for ostomy bags; ostomy couplings; adhesive flanges and sealing rings for use with ostomy; instruments and apparatus for the surgical and medical treatment of incontinence and urinary retention; catheters for incontinence and urinary retention; urethral catheters; aids and rehabilitation devices for persons suffering from incontinence and urinary retention and for use in the treatment of persons suffering from incontinence and/or for the prevention of incontinence, including urine condoms, condom catheters, urine bags, urisheaths, urinals, flexible hoses, urinary tubes, urinary tube connectors, odor eliminating fluid for use in urinary bags, leg bags for use in the collection of urine; bags and containers for urinary drainage, covers, pouches, collectors, envelopes and receptacles for the collection of urine from the human body, bandages (not included in other classes), as well as other sealing devices in the form of discs, rings, strips or bands for medical use, and elastic

List of cases accepted for opposition purposes as shown in Journal 2026/010 published on 06 March 2026 .

belts for holding bags, catheters, collectors and receptacles in place; surgical and medical devices in the form of stimulating apparatus for the rehabilitation of muscles, instruments and apparatus for the treatment of the urinary system; insertion aids for intermittent self-catheterization and rectal catheterization; medical devices for inserting intermittent catheters and rectal catheters; mirrors for medical purposes; mirrors for intermittent self-catheterization and rectal catheterization, accessories for all the aforementioned goods; medical apparatus for detection of urinary tract infections; surgical and medical instruments and apparatus, aids and rehabilitation devices for persons suffering from bowel conditions (fecal incontinence or constipation); transanal irrigation systems; medical probes; medical and surgical plugs; anal plugs for medical use; instruments and aids for treatment of patients who are suffering from constipation or fecal incontinence; irrigation systems and rectal balloon catheters; irrigators and their parts and fitting in the form of drainage tubes, pumps, sleeves, bags and regulators for medical purposes; suction and rinse instruments for laparoscopy; enema apparatus; instruments and apparatus for the medical and surgical treatment of wounds; medical appliances for wound healing; negative pressure wound therapy devices; apparatus for use with negative pressure wound therapy devices; surgical implants for the treatment of wounds; surgical and medical apparatus and instruments for cleansing wounds; surgical sponges; surgical and medical instruments and apparatus used in urology; needles; stents; medical guidewires for use within urology; medical devices namely artificial suburethral slings and insertion tools for the surgical treatment of urinary incontinence; parts and fittings for the aforesaid goods; surgical implants for the treatment of incontinence comprising urethral slings; surgical instruments for use in urethral sling implant surgery; women's health medical devices, namely, devices for treatment of incontinence and pelvic floor repair; medical surgical apparatus for placing sutures in transvaginal and gynecological surgeries; surgical urology tools for manipulating the vagina tissue to aid in dissection and fixation throughout a surgical procedure; medical devices in the nature of transvaginal fixation instruments consisting of a disposable delivery tool and implantable tissue fixation anchors; suture materials; testicular prostheses; penile prostheses, parts, fittings, components and coatings therefore; hydrophilic coated malleable penile implants; extraction apparatus for removing foreign bodies from physiological vessels; urethral prosthesis; probes and catheters; surgical and medical apparatus and instruments used in coelio surgery; bone anchors with or without attached suture, anchor drivers, artificial urethral or bladder neck sling materials, suture passers, bone-locating devices and suture spacers; suprapubic drainage devices; surgical and medical instruments and apparatus for cutaneous nephrostomy; tips for suction and irrigation devices; suction and irrigation devices for laparoscopic surgeries; medical apparatus for extracting calculi; ureteral access sheaths; medical irrigation systems for surgical urology procedures; disposable cystoscopes, disposable ureteroscopes and other disposable scopes for use in urology procedures; surgical instrument accessories, namely, fiber optic fibers for the directed delivery of laser light to the treatment area during surgical procedures; lasers for medical purposes; electric nerve stimulation devices for the treatment of overactive bladder; bladder evacuators; electrotherapy stimulation apparatus comprising electrical nerve stimulators for medical purposes; surgical urology dilators; kidney stone extractors; artificial implants; urethral slings; instruments and apparatus for the medical and surgical

treatment of the urinary tract system and for pelvic floor reconstruction; gynecology instruments and apparatus; surgical and medical instruments and apparatus and accessories in the field of laryngectomy and tracheostomy; fumigators, insufflators, dilators for tracheostomy, dilators for placement of voice prostheses, dilators for puncture, tubes, cannulas, valves, respirators for artificial respiration and products for aiding respiration, tracheal cannulas, speaking valves and heat and moisture exchangers (HME) for medical purposes; moisture exchangers for medical use in transferring the heat of exhaled breath to inhaled breath parts; humidifiers for medical use; prostheses for the chest, throat and neck; implantable speaking valves and voice prostheses, implantable voice ventilators, breathing apparatus (medical), shunt valves, stoma buttons, filter inserts, tracheal compresses, cannula support straps, stoma filters; surgical and medical devices for insertion and cleaning of voice prosthesis, speech aid (therapy) apparatus; electrolarynxes; airways breathing protectors; medical dosage dispensers for medicines; compressed air suction apparatus and devices, jaw mobilizers for medical use; fittings and accessories for all the aforementioned goods; medical instruments and apparatus for recording, transmission and processing of data concerning ostomy, incontinence, urinary retention, bowel management, wounds, laryngectomy, tracheostomy and urology; monitoring devices for medical purposes; patient health monitoring instruments, sensors and alarms.

Class 16:

Printed instructional, educational, and teaching materials pertaining to surgical care, medical care, health care, and surgical and medical products, devices, apparatus, appliances and instruments; all of the foregoing in the fields of ostomy care, continence care, bowel care, wound care, tracheostomy and laryngectomy care, voice rehabilitation, and urology care; printed informational, instructional, educational, and teaching materials, namely pamphlets, magazines, handouts, guides, training manuals, booklets, brochures, packaging leaflets, displays, posters, newsletters, articles, clinical papers, and case studies pertaining to ostomy care, continence care, bowel care, wound care, tracheostomy and laryngectomy care, voice rehabilitation, and urology care.

Class 35:

Online and telephonic retail store services connected with the sale of medical equipment, devices and supplies; wholesale services in relation to medical and surgical equipment and instruments; online ordering services; distributorship services in the fields of ostomy products and devices, continence care products and devices, bowel care products and devices, wound care products and devices, tracheostomy and laryngectomy care products and devices, and urology products and devices; medical monitoring, namely, arranging for prescription refills by processing online and telephone prescription orders in retail and pharmacies; physician referral services offered via the internet and telephone; loyalty program services; administration of loyalty programs involving discounts or incentives; customer club services, for commercial and promotional purposes; sales promotion; organization of events, exhibitions, fairs and shows for commercial and promotional purposes; providing commercial information and advice to consumer; distribution of prospectuses and samples for advertising and promotional purposes; providing consumer product advice relating to medical equipment, devices and supplies; compiling scientific and/or statistical data, in particular clinical data, namely patient

List of cases accepted for opposition purposes as shown in Journal 2026/010 published on 06 March 2026 .

data and/or data from clinical studies; computer-based updating and maintenance of data in databases, all in the healthcare sector; electronic data collection and compilation of statistical information into computer databases in the field of medicine and healthcare.

Class 41:

Education; providing of training; organizing and conducting of conferences, congresses, symposiums, seminars, workshops, webinars and e-learning; instruction in the use of medical products; publication of medical texts, all the aforesaid services relating to ostomy care, continence care, bowel care, wound and skin care, tracheostomy and laryngectomy care, voice rehabilitation, and urology care; providing online publications in the nature of graphic, text, audio, visual, audiovisual and multimedia works and content pertaining to ostomy care, continence care, bowel care, wound and skin care, tracheostomy and laryngectomy care, and urology care; providing online publications in the nature of pamphlets, magazines, blogs, videos, handouts, guides, training manuals, booklets, brochures, displays, posters, newsletters, articles, clinical papers, and case studies pertaining to ostomy care, continence care, bowel care, wound and skin care, tracheostomy and laryngectomy care, and urology care; providing online programs, training, webinars, instruction, videos, classes, workshops, seminars and courses, and distributing educational materials in connection therewith, all of the foregoing pertaining to ostomy care, continence care, bowel care, wound and skin care, tracheostomy and laryngectomy care, and urology care.

Class 44:

Health care services; medical services; providing healthcare information, consultancy and advisory services relating to medical apparatus and instruments and health care; providing information and advice within the fields of ostomy care, continence care, bowel care, wound care, tracheostomy and laryngectomy care, voice rehabilitation, and urology care; providing medical assistance to physicians and surgeons performing procedures; providing medical information, advisory, consultancy and assistance services in the use and applications of tissue based skin substitutes; providing medical information, advisory, consultancy and assistance services to healthcare professionals to assess and treat wounds; individual medical consultation and counseling in the fields of ostomy care, continence care, bowel care, wound care, tracheostomy and laryngectomy care, and urology care; interactive medical counselling, monitoring and alert services, consisting of personal assessments, personalized routines, and maintenance schedules; individual medical counseling for patients to assess needs relating to medical supplies; prescription refill reminder services; conducting telephone and in-person personal lifestyle wellness assessments; voice and speech therapy services.

connection with colostomy, ileostomy and other ostomy aids; disposable colostomy closure systems; integrated outlets for ostomy bags; ostomy couplings; adhesive flanges and sealing rings for use with ostomy; instruments and apparatus for the surgical and medical treatment of incontinence and urinary retention; catheters for incontinence and urinary retention; urethral catheters; aids and rehabilitation devices for persons suffering from incontinence and urinary retention and for use in the treatment of persons suffering from incontinence and/or for the prevention of incontinence, including urine condoms, condom catheters, urine bags, urisheaths, urinals, flexible hoses, urinary tubes, urinary tube connectors, odor eliminating fluid for use in urinary bags, leg bags for use in the collection of urine; bags and containers for urinary drainage, covers, pouches, collectors, envelopes and receptacles for the collection of urine from the human body, bandages (not included in other classes), as well as other sealing devices in the form of discs, rings, strips or bands for medical use, and elastic belts for holding bags, catheters, collectors and receptacles in place; surgical and medical devices in the form of stimulating apparatus for the rehabilitation of muscles, instruments and apparatus for the treatment of the urinary system; insertion aids for intermittent self-catheterization and rectal catheterization; medical devices for inserting intermittent catheters and rectal catheters; mirrors for medical purposes; mirrors for intermittent self-catheterization and rectal catheterization, accessories for all the aforementioned goods; medical apparatus for detection of urinary tract infections; surgical and medical instruments and apparatus, aids and rehabilitation devices for persons suffering from bowel conditions (fecal incontinence or constipation); transanal irrigation systems; medical probes; medical and surgical plugs; anal plugs for medical use; instruments and aids for treatment of patients who are suffering from constipation or fecal incontinence; irrigation systems and rectal balloon catheters; irrigators and their parts and fitting in the form of drainage tubes, pumps, sleeves, bags and regulators for medical purposes; suction and rinse instruments for laparoscopy; enema apparatus; instruments and apparatus for the medical and surgical treatment of wounds; medical appliances for wound healing; negative pressure wound therapy devices; apparatus for use with negative pressure wound therapy devices; surgical implants for the treatment of wounds; surgical and medical apparatus and instruments for cleansing wounds; surgical sponges; surgical and medical instruments and apparatus used in urology; needles; stents; medical guidewires for use within urology; medical devices namely artificial suburethral slings and insertion tools for the surgical treatment of urinary incontinence; parts and fittings for the aforesaid goods; surgical implants for the treatment of incontinence comprising urethral slings; surgical instruments for use in urethral sling implant surgery; women's health medical devices, namely, devices for treatment of incontinence and pelvic floor repair; medical surgical apparatus for placing sutures in transvaginal and gynecological surgeries; surgical urology tools for manipulating the vagina tissue to aid in dissection and fixation throughout a surgical procedure; medical devices in the nature of transvaginal fixation instruments consisting of a disposable delivery tool and implantable tissue fixation anchors; suture materials; testicular prostheses; penile prostheses, parts, fittings, components and coatings therefore; hydrophilic coated malleable penile implants; extraction apparatus for removing foreign bodies from physiological vessels; urethral prosthesis; probes and catheters; surgical and medical apparatus and instruments used in celio surgery; bone anchors with or

without attached suture, anchor drivers, artificial urethral or bladder neck sling materials, suture passers, bone-locating devices and suture spacers; suprapubic drainage devices; surgical and medical instruments and apparatus for cutaneous nephrostomy; tips for suction and irrigation devices; suction and irrigation devices for laparoscopic surgeries; medical apparatus for extracting calculi; ureteral access sheaths; medical irrigation systems for surgical urology procedures; disposable cystoscopes, disposable ureteroscopes and other disposable scopes for use in urology procedures; surgical instrument accessories, namely, fiber optic fibers for the directed delivery of laser light to the treatment area during surgical procedures; lasers for medical purposes; electric nerve stimulation devices for the treatment of overactive bladder; bladder evacuators; electrotherapy stimulation apparatus comprising electrical nerve stimulators for medical purposes; surgical urology dilators; kidney stone extractors; artificial implants; urethral slings; instruments and apparatus for the medical and surgical treatment of the urinary tract system and for pelvic floor reconstruction; gynecology instruments and apparatus; surgical and medical instruments and apparatus and accessories in the field of laryngectomy and tracheostomy; fumigators, insufflators, dilators for tracheostomy, dilators for placement of voice prostheses, dilators for puncture, tubes, cannulas, valves, respirators for artificial respiration and products for aiding respiration, tracheal cannulas, speaking valves and heat and moisture exchangers (HME) for medical purposes; moisture exchangers for medical use in transferring the heat of exhaled breath to inhaled breath parts; humidifiers for medical use; prostheses for the chest, throat and neck; implantable speaking valves and voice prostheses, implantable voice ventilators, breathing apparatus (medical), shunt valves, stoma buttons, filter inserts, tracheal compresses, cannula support straps, stoma filters; surgical and medical devices for insertion and cleaning of voice prosthesis, speech aid (therapy) apparatus; electrolarynxes; airways breathing protectors; medical dosage dispensers for medicines; compressed air suction apparatus and devices, jaw mobilizers for medical use; fittings and accessories for all the aforementioned goods; medical instruments and apparatus for recording, transmission and processing of data concerning ostomy, incontinence, urinary retention, bowel management, wounds, laryngectomy, tracheostomy and urology; monitoring devices for medical purposes; patient health monitoring instruments, sensors and alarms.

Class 16:

Printed instructional, educational, and teaching materials pertaining to surgical care, medical care, health care, and surgical and medical products, devices, apparatus, appliances and instruments; all of the foregoing in the fields of ostomy care, continence care, bowel care, wound care, tracheostomy and laryngectomy care, voice rehabilitation, and urology care; printed informational, instructional, educational, and teaching materials, namely pamphlets, magazines, handouts, guides, training manuals, booklets, brochures, packaging leaflets, displays, posters, newsletters, articles, clinical papers, and case studies pertaining to ostomy care, continence care, bowel care, wound care, tracheostomy and laryngectomy care, voice rehabilitation, and urology care.

Class 35:

Online and telephonic retail store services connected with the sale of medical equipment, devices and supplies; wholesale services in relation to medical and surgical equipment and

List of cases accepted for opposition purposes as shown in Journal 2026/010 published on 06 March 2026 .

instruments; online ordering services; distributorship services in the fields of ostomy products and devices, continence care products and devices, bowel care products and devices, wound care products and devices, tracheostomy and laryngectomy care products and devices, and urology products and devices; medical monitoring, namely, arranging for prescription refills by processing online and telephone prescription orders in retail and pharmacies; physician referral services offered via the internet and telephone; loyalty program services; administration of loyalty programs involving discounts or incentives; customer club services, for commercial and promotional purposes; sales promotion; organization of events, exhibitions, fairs and shows for commercial and promotional purposes; providing commercial information and advice to consumer; distribution of prospectuses and samples for advertising and promotional purposes; providing consumer product advice relating to medical equipment, devices and supplies; compiling scientific and/or statistical data, in particular clinical data, namely patient data and/or data from clinical studies; computer-based updating and maintenance of data in databases, all in the healthcare sector; electronic data collection and compilation of statistical information into computer databases in the field of medicine and healthcare.

Class 41:

Education; providing of training; organizing and conducting of conferences, congresses, symposiums, seminars, workshops, webinars and e-learning; instruction in the use of medical products; publication of medical texts, all the aforesaid services relating to ostomy care, continence care, bowel care, wound and skin care, tracheostomy and laryngectomy care, voice rehabilitation, and urology care; providing online publications in the nature of graphic, text, audio, visual, audiovisual and multimedia works and content pertaining to ostomy care, continence care, bowel care, wound and skin care, tracheostomy and laryngectomy care, and urology care; providing online publications in the nature of pamphlets, magazines, blogs, videos, handouts, guides, training manuals, booklets, brochures, displays, posters, newsletters, articles, clinical papers, and case studies pertaining to ostomy care, continence care, bowel care, wound and skin care, tracheostomy and laryngectomy care, and urology care; providing online programs, training, webinars, instruction, videos, classes, workshops, seminars and courses, and distributing educational materials in connection therewith, all of the foregoing pertaining to ostomy care, continence care, bowel care, wound and skin care, tracheostomy and laryngectomy care, and urology care.

Class 44:

Health care services; medical services; providing healthcare information, consultancy and advisory services relating to medical apparatus and instruments and health care; providing information and advice within the fields of ostomy care, continence care, bowel care, wound care, tracheostomy and laryngectomy care, voice rehabilitation, and urology care; providing medical assistance to physicians and surgeons performing procedures; providing medical information, advisory, consultancy and assistance services in the use and applications of tissue based skin substitutes; providing medical information, advisory, consultancy and assistance services to healthcare professionals to assess and treat wounds; individual medical consultation and counseling in the fields of ostomy care, continence care, bowel care, wound care, tracheostomy

and laryngectomy care, and urology care; interactive medical counselling, monitoring and alert services, consisting of personal assessments, personalized routines, and maintenance schedules; individual medical counseling for patients to assess needs relating to medical supplies; prescription refill reminder services; conducting telephone and in-person personal lifestyle wellness assessments; voice and speech therapy services.

monitoring; apparatus for recording, transmitting and reproducing sound and/or images; analysis and diagnosis system with respect to railway network monitoring.

Class 12:

Trains [vehicles], excluding all land vehicles used for urban transport of travelers; high-speed and very-high-speed rail vehicles, excluding all land vehicles used for urban transport of travelers.

Class 35:

Processing, collection and systematization of data with respect to railway network monitoring.

Class 37:

Construction, installation, repair, servicing and maintenance of railway infrastructure components and structures and rolling stock, namely high-speed and very-high-speed rail vehicles; construction of infrastructure and facilities in the railway sector; information relating to the construction of railway infrastructure and high-speed and very-high-speed rail vehicles; supervision [management] of construction works relating to railway infrastructure, high-speed and very-high-speed rail vehicles.

Class 39:

Rail transport services; advice and information relating to railway transport.

Class 42:

Engineering, research and development in the field of railway networks and railway network monitoring; computer engineering; surveying (engineering); technical project study; technical analysis with respect to railway works and railway network monitoring; technical, scientific and technological research services with respect to railway infrastructure and railway network monitoring; technical project studies with respect to railway infrastructure and railway network monitoring; development and implementation of railway network monitoring services; consultancy with respect to software including artificial intelligence software with respect to railway network monitoring; development and design of software, including artificial intelligence software with respect to railway network monitoring; monitoring (control) and diagnosis of railway networks and structures; industrial analysis and research services.

Class 7:

Machines for construction, public works, civil engineering structures; machines for ground excavation especially for creating trenches, walls in the ground; rock excavation machines; soil excavation machines; ground drilling machines for public works; excavation and drilling tools [machine tools]; buckets [parts of machines] for earth moving machines; grabs [parts of machines], machines for injecting products [especially grout, liquid mortar, asbestos mortar, concrete, bentonite and cement] into the ground; machines for cutting soil to enable in situ mixing of soil, in particular with binders to create impermeable barriers or with reagents to treat contaminated soil; machines for stabilization and consolidation of the ground, especially through vibration or through the use of ballasted columns; parts of the aforesaid machines.

Class 19:

Non-metallic construction materials; non-metallic construction materials for the containment of soils and for the neutralization of pollutants in the soil; products (non-metallic construction materials) for injection into the ground, particularly grout; products (non-metallic construction materials) for injection into the ground, into porous materials or into masonry works for consolidation or sealing purposes consisting of concrete and cement; grouts for consolidation or sealing of porous materials or masonry works in particular consisting of concretes and cements; non-metallic rigid pipes for building; asphalt, pitch and bitumen; mortar for building; retaining walls not of metal; non-metallic reinforcements for construction of civil engineering works; reinforcement rods not of metal; posts, not of metal; concrete blocks; blocks, panels, enclosures, tanks and silos, all entirely not of metal, used in the construction of civil engineering works.

Class 37:

Construction services; construction of public works; construction of engineering structures and civil engineering works; construction of permanent buildings and buildings;

***List of cases accepted for opposition purposes as shown in Journal 2026/010 published on
06 March 2026 .***

excavation work, driving piles, making wells, trenches, walls or tunnels in the ground; advisory services with respect to excavating; earthmoving; land clearing; sediment dredging; sealing services (building); insulation services (building); masonry; works for injecting products into the ground, particularly with a view to consolidating same or making same impermeable, as well as for placing reinforcements or ties for consolidating the ground; works for cutting soil to enable in situ mixing of soil, in particular with binders to create impermeable barriers, foundations or retaining structures or with reagents to treat contaminated soil; making trenches in the ground [construction]; drilling works; soil and rock drilling; drilling of wells and tunnels; works for injection into porous materials in masonry works, for soil stabilization and consolidation, especially through vibration or through the use of ballasted columns; construction, refurbishment [construction], renovation, repair and maintenance of works of art, infrastructure works, underground works, marine structures, river works and industrial sites, especially buildings, ports, dikes, factories, viaducts, dams, bridges, car parks, tunnels, mines, water purification infrastructure, water storage basins, oil and gas facilities, airports and roads; earth works; building construction supervision; information on construction; construction of foundations; dike construction work; insulation services (building); sealing services (building); disinfection work; drainage work (installation); construction work, namely, restoration and rehabilitation of degraded sites, namely buildings, ports, dikes, factories, viaducts, dams, bridges, car parks, tunnels, mines, water sanitation infrastructure, water storage basins, oil and gas facilities, airports and roads; construction of sanitation works, construction of waste water collection works, construction of rainwater decontamination works, construction of flood protection works; rental of earth moving and excavation machines; construction, repair, maintenance and servicing of machines for public works and accessories therefor; demolition of buildings; information with respect to construction; repair information.

Class 40:
Soil treatment works (environmental remediation).

Class 42:
Engineering services in the field of construction; analysis and surveying [engineering work] in the field of construction; analysis and surveying of the structure of buildings and civil engineering structures [engineering work]; soil and subsoil analysis and surveying [engineering work]; technical advice and assistance (engineering work) in the production of structures, public works, engineering structures and civil engineering works, drilling, excavation of trenches or walls in the ground, injection of products into the ground, particularly with a view to consolidating same or making same impermeable, as well as for placing reinforcements or ties for consolidating the ground; services for measuring the variables associated with the drilling of boreholes; surveying services with respect to drilling; engineering work, namely studying and monitoring of soils in porous materials in masonry works, for soil stabilization and consolidation, especially through vibration or through the use of ballasted columns; advice and technical assistance for the design, construction, repair, maintenance and servicing of machines for public works and accessories therefor; design, installation, updating, maintenance, rental of software in the field of construction; design of machines for public works and accessories therefor.

The mark contains the colour blue.

Class 6:
Goods of metal, namely hooks of metal for clothes rails; metal tokens for shopping trolleys; locks of metal, other than electric; boxes of common metal; identification tags of metal, in particular luggage labels; mobile boarding stairs of metal for passengers; fixed towel dispensers of metal; letter boxes of metal.

Class 9:
Surveying apparatus and instruments; photographic apparatus and instruments; optical apparatus and instruments; measuring apparatus and instruments; signalling apparatus and instruments; teaching apparatus and instruments; digital thermometers, not for medical purposes; barometers; temperature indicators; wireless weather station essentially composed of a temperature indicator, a barometer, a hygrometer as well as an indicator of date and time; data carriers, in particular magnetic data carriers, CD-ROMs, DVDs, magnetic cards, smart cards, phonograph records and other digital recording media; exchangeable digital data storage media; exchangeable electronic data storage media; electronic data carriers; USB flash drives; electronic data carriers; data processing apparatus and computers; computer hardware for data processing; computer software; server-side software; reservation systems software; apparatus for recording, transmission and reproduction of sound, images or data; digital cameras; cameras [photography]; camcorders; telephone apparatus, in particular, mobile telephones and accessories for the above goods; calculating machines; magnetic data carriers, in particular magnetic tapes and videotapes; films, exposed; mechanisms for coin-operated apparatus; binoculars; magnifying glasses; spectacle cases; spectacles; spectacle lenses; spectacle frames; sunglasses; optical goods; diving suits; masks for diving; breathing apparatus for underwater swimming; decorative magnets; protective helmets for sports, in particular bicycle helmets; tachometers; mouse pads; scales; test tubes; navigation apparatus for vehicles [on-board computer]; navigational instruments; satellite navigational apparatus; wet suits for water-skiing; downloadable music files;

List of cases accepted for opposition purposes as shown in Journal 2026/010 published on 06 March 2026 .

virtual reality headsets; software and virtual reality headsets to provide an online shop which provides a virtual reality experience of being in a store; virtual reality software; virtual assistant software; software for generating virtual images; virtual and augmented reality software; apparatus for generating virtual images; software for sending, receiving, buying, selling and storing non-fungible tokens; downloadable virtual goods, namely software and/or files as well as downloadable digital files authenticated by non-fungible tokens [NFTs] comprising in particular clothing, shoes, headgear, bags, backpacks, jewellery, watches, glasses, sports equipment, music, films and film clips for online use and for use in online virtual worlds; virtual classroom software; virtual reality software for simulation; software for generating virtual images; downloadable digital image files authenticated by non-fungible tokens [NFTs]; downloadable digital music files authenticated by non-fungible tokens [NFTs]; mobile apps; mobile apps for travel reservation services; mobile apps for booking hotel accommodation; downloadable apps in relation to tour operator services; mobile apps related to hotel and lodging services; mobile apps for customer loyalty programmes; apps (software), namely applications for smartphones, tablet PCs, e-readers and other mobile or stationary IT equipment (downloadable); mobile apps for booking events, concerts, exhibitions, museum visits, attractions, theme parks, amusement parks, sightseeing tours, city tours, digital city tours, excursions, boat trips, zoo and aquarium visits, theatre visits, cultural events, sports events, sporting activities, leisure activities, shows, guided tours, baking and cooking courses, wine tastings, food tastings, escorted fashion shopping tours, hiking tours, cycling tours, stand-up scooter tours, jogging tours and bus tours; digital assistant software for holiday and leisure activities planning; software for searching for events; software for booking events; software for reservations and bookings.

Class 16:

Paper; cardboard; transfers [decalcomanias]; stickers [stationery]; containers for stationery; beer mats; paper bags for packaging; plastic bags for packing; paper bags; pads of paper and writing paper; printed matter, in particular books, leaflets, brochures, newspapers, magazines [periodicals]; photographs; postcards; tickets, entry tickets, calendars, cards, catalogues; writing instruments, in particular pens, pencils; fountain pens; artists' materials; paintbrushes; office requisites, except furniture, in particular drawing pins; sealing stamps; inking pads; holders for notepads; instructional and teaching material (except apparatus); cardboard for packaging; paper for packaging; plastic materials for packaging; printers' type; paper flags and pennants made of paper; adhesives for stationery purposes; tablemats and coasters of paper for glasses, mugs, cups, coffee and tea pots; document holders [stationery]; books for children; sticker activity books; table napkins of paper.

Class 18:

Leather and imitations of leather; trunks [luggage]; attaché cases made of leather; suitcases; briefcases [leather goods]; rucksacks; bags, in particular shoulder bags, bottle bags, camping bags, belt bags, beach bags, sports bags, cross-body bags, waist bags, travelling bags, weekend bags; bucket bags; drawstring pouches; gym bags; pocket wallets; purses; shopping bags; sling bags; net bags for shopping; travelling sets [leatherware]; key cases; toiletry bags; cosmetic bags; straps for luggage; saddlery; horse blankets; horse halters; umbrellas and parasols; walking sticks; boxes of leather or

leather board; luggage tags; shoe bags; shoe bags for travel; suitcase packing organizers; waterproof bags; travel bags made of plastic materials; children's shoulder bags; umbrellas for children.

Class 21:

Household or kitchen utensils and containers, in particular boxes, soap boxes, food storage jars, insulated containers; salt cellars; pepper pots; beaters, non-electric; pots; frying pans, including woks; non-electric fondue set; non-electric appliances for making yogurt; soap dispensers; soap holders; combs, sponges; brushes [except paint brushes], in particular brushes for footwear; material for brush making; toothbrushes, including electrical toothbrushes; articles for cleaning purposes; deodorising apparatus for personal use; glass, unworked or semi-worked, except building glass; glassware, porcelain and earthenware, in particular vases, decanters, flasks, glasses [receptacles]; works of art made of porcelain, clay or glass; fruit bowls; napkin rings; cosmetic utensils; perfume vaporizers; shaving brushes; eyeglass cleaning cloths; bottles, in particular insulating flasks, refrigerating bottles, demijohns and drinking bottles for sports; fruit presses, non-electric, for household purposes; corkscrews; bottle openers; fitted picnic baskets, including dishes; portable coolers, non-electric; isothermic bags; services [dishes]; coffee services [tableware]; tea services [tableware]; chopsticks; shoe horns; shoe trees [stretchers]; coasters, not of paper and other than table linen; trivets [table utensils]; tablemats and coasters for glasses, mugs, cups, coffee and tea pots [table utensils], not of paper or textile; toothpicks; toothpick holders; disposable table plates; flower pots, not of paper; watering cans; ice buckets; gardening gloves; polishing gloves; oven mitts; gloves for household purposes; baby baths, portable; potties for children; non-electric heaters for feeding bottles; bread boards; cutting boards; piggy banks; waste paper baskets; sugar tongs; nutcrackers.

Class 24:

Textiles and textile goods; bed covers, bedspreads; table covers; tablecloths; bath towels; towels; textile napkins; handkerchiefs of textile; curtains made of textile; pennants and flags, not of paper; printers' blankets of textile; bed clothes; labels of cloth; table mats [table linen] for carafes, bottles, glasses, mugs, cups, coffee and tea pots of textile material; shower curtains of textile or plastic.

Class 25:

Clothing, in particular tee-shirts, polo shirts, polo knit tops, hooded pullovers, sleeveless jerseys, sports jerseys, volleyball jerseys, yoga shirts, blouses, shirts, trousers, bermuda shorts, boardshorts, gloves [clothing], blazers; down jackets; money belts [clothing], belts [clothing]; headgear, in particular hats, caps [headwear], peaked headwear, shower caps, sun hats; scarves; ties [clothing]; fleeces; golf clothing, other than gloves; sports clothing [other than golf gloves]; clothing for skiing; tennis wear; overalls; raincoats; rain ponchos; shawls; neck tube scarves; socks; sports socks; headbands [clothing]; sweaters; bathing suits; bathing trunks; bathrobes; footwear, in particular sandals, bathing shoes, sports shoes; aprons [clothing]; uniforms; uniforms for hotel staff; masquerade costumes; ski gloves; thermal gloves for touchscreen devices; moisture-wicking sports shirts; clothing authenticated by non-fungible tokens [NFTs]; sweatbands; tennis sweatbands.

Class 39:

List of cases accepted for opposition purposes as shown in Journal 2026/010 published on 06 March 2026 .

Transport; packaging and storage of goods; transport of persons and goods, in particular by road, rail, sea and air; river transport; river trips; river cruises; portage; transport of money and valuables; transportation logistics; organization, booking and arrangement of travels, excursions and cruises; arrangement of transport services; cruise ship transport services; arranging cruise tickets; rental of diving suits; organization, booking and arrangement of excursions, day trips and sightseeing tours; travel consultancy; escorting of travellers; rental, booking and providing of aircraft; rental, booking and providing of ships, in particular rowing and motor boats, sailing vessels and canoes; rental, booking and providing of motor vehicles, bicycles and horses; parcel delivery; organization of trips, holidays and sightseeing tours; travel agency services, in particular consultancy and booking services for travel, providing information about travel, arrangement of transport services and travel; travel reservation; transport reservation; providing information about travel, via the Internet, in particular about reservation and booking in the tourism and business travel sector (online travel agencies); delivery, dispatching and distribution of newspapers and magazines; consultation provided by telephone call centres and hotlines regarding travels, including business travel and in the field of transport logistics, transport and storage; providing information relating to the planning and booking of travel and transport, via electronic means; tracking of passenger vehicles using computers or global-positioning systems (GPS); tracking of freight vehicles using computers or global-positioning systems (GPS); traffic information; booking and reservation services for tours; priority boarding, check-in, seating and reservation services for frequent air travelers; travel agency services, namely bookings and reservations for passenger and tourist transport via land, air and water, accessible in the virtual world; travel and transport information and planning services for passengers and tourists, accessible in the virtual world; organising transport for travel tours, presented in a virtual world; provision of parking spaces; ticket and seat reservations for sightseeing tours, city tours, excursions, boat trips, guided tours, hiking tours, bike tours, stand-up scooter tours, jogging tours and bus tours; arranging of flights; arranging of passenger transport; arranging travel; agency services for arranging the transportation of persons; package holiday organization; arranging car hire as part of package holidays; arranging of sightseeing tours as part of package holidays; coordinating travel arrangements for groups; booking of rail tickets; tour organizing; ticket and seat reservations for sightseeing.

Class 41:

Basic training; advanced training; education information; instructional services, in particular correspondence courses and language training; entertainment; film production, other than advertising films; DVD and CD-ROM film production; production of radio programs; production of television programs; rental of films; rental of videos; presentation of films; presentation of videos; entertainer services; musical performances; circus performances; public entertainment; theatrical performances; arranging and conducting of concerts; ticket agency services [entertainment]; organization and providing of an after school children's entertainment centre featuring educational entertainment; holiday camp services (entertainment); physical and language training; training and fitness club services; providing nursery schools, cinema theaters, discotheque services, providing museum facilities [presentation, exhibitions], amusement arcades, amusement

park services; sport camp services; providing golf courses, tennis courts, horse riding facilities and sports facilities; rental of skin diving equipment; organization of sports competitions; organization and arranging of cultural and sporting events; reservation services for sporting and cultural events as well as for scientific congresses; game services provided on-line [from a computer network]; rental of recorded data carriers (films, music, games), projector apparatus and the accessories thereof; rental of newspapers and magazines; writing of texts, other than publicity texts; publication of printed matter also in the form of electronic media including CD-ROMs, other than publicity texts, in particular books, magazines and newspapers; publication of printed matter in electronic form, except for publicity purposes, in particular magazines and newspapers, including in the Internet; publication of texts, except publicity texts, in particular of books, magazines and newspapers, including in the Internet; organization of exhibitions for cultural and teaching purposes; entertainment and educational services provided by recreation and amusement parks; services of an interpreter; services of a translator; photography; radio entertainment; television entertainment; consultation provided by telephone call centres and hotlines in the field of education, training and further training, and entertainment; consultation provided by telephone call centres and hotlines in the field of reservation services for sporting and cultural events as well as for scientific congresses; information about entertainment events, in particular provided via online networks and the Internet; cultural, artistic, leisure, social and sporting activities, including the arranging thereof; ticket and seat reservations for concerts, exhibitions, museum visits, theme parks, amusement parks, digital city tours, zoo and aquarium visits, theatre visits, cultural events, sporting events, sporting activities, leisure activities, shows, whisky tastings, beer tastings, gin tastings, wine tastings, food tastings, escorted fashion shopping tours, cookery and baking courses; booking and reservation services for entertainment and educational events; ticket reservation and booking services for educational and entertainment events as well as cultural and sporting activities and events; entertainment booking services; entertainment relating to wine tasting; booking in relation to educational and entertaining culinary experiences such as whisky tastings, wine tastings and food tastings; booking in relation to gastronomic seminars, wine seminars, cookery courses and baking courses; arranging of event offers and leisure activity offers; arranging and conducting of congresses, seminars, lectures and multimedia displays; entertainment services provided in virtual environments that allow users to interact for recreational, leisure or entertainment purposes; provision of virtual reality game services via an interactive website; entertainment services provided via downloadable digital files, authenticated by non-fungible tokens [NFTs], for use in virtual environments; entertainment services in the form of virtual reality games where the user can purchase virtual clothing; entertainment services in the form of virtual reality games featuring the provision of virtual hotel rooms; organizing and conducting events for entertainment or educational purposes, in a virtual environment, in particular, cabaret shows, music shows, conferences, competitions, contests, games; simulated rental of meeting rooms in virtual environments [entertainment]; simulated temporary accommodation in virtual environments [entertainment]; swimming pool and water chute complex services; entertainment ticket agency services for concerts, exhibitions, museum visits, sightseeing, theme parks, amusement parks, sightseeing tours, city tours, digital city

Class 6:

Metal fasteners, namely, screws, screws and speed nuts for fastening doors, covers, and panels, anchor nuts and couplings, hinges, pins, quick release pins, one quarter turn aircraft type fasteners, retractable panel screws, pawl fasteners, latches, door panel cover and module latches, draw latches, pushbutton fasteners, spring latches, handle-latch combinations, slam-generated latches, printed circuit board fasteners, threaded inserts, drive rivets, fractional-turn fasteners, captive screw fasteners, retainers and assemblies, adjustable grip latches, vise-action latches, compression latches, lift and turn latches, flush cup-type latches, push-to- release slam latches, latch keepers, swell latches, one-quarter turn fastener receptacles, steel strikes, bail-handle latches, t-handle latches, flush latches, adjustable lever latches, leverage latches, paddle latches, slide latches, door latches and catches, hidden panel latches, lift-off hinges, adjustable door hinges, panel-retaining clips, door pulls, spacers, studs; metal access hardware, namely, latches, screws, pulls and keys; metal locking mechanisms; non-electric cables of metal; metal cable wire; metal tilt, swivel and swing arm; metal support arms and brackets for audio and video equipment; metal clothes hooks, friction hinges, positioning hinges, bistable hinges, detent hinges, damping/soft-close hinges, multi-axis/articulating hinges, concealed hinges, embedded hinges, free swinging hinges, heavy duty Hinges, spring assist hinges, counterbalance hinges and mechanisms, cam latches, rotary pawl latches and strikers, swing handle latches, multi point latches and systems, rods, over and under center latches, spring latches, squeeze release latches, ball catches, lock plugs, HVAC latches, plungers, inject eject levers and mechanisms, sliding cover latches, rack attach latches, PCB and SMT fasteners, PCI riser fasteners, heat sink fasteners and handles, HDD and SDD latches, quick disconnect adaptors, crate handles, grab handles, folding handles, sliding window latches.

Class 7:

Linear actuators; manual actuators.

Class 8:

Fastener installation tools, drivers, wrenches, expanders, punches, back-up tools, standoff installation tools and holding tools; hand tools.

Class 9:

List of cases accepted for opposition purposes as shown in Journal 2026/010 published on 06 March 2026 .

1320

Programmable locking systems consisting of locksets and keypads; keypads; touchpads; electronic card reader; wireless remote control; electric actuators; magnetic catches to hold doors in place, electronic rotary latches, electronic swing handles, controllers, sensors, electronic kinematic mechanisms, charging port actuators and latches.

Class 12:

Automotive parts, namely, glove boxes, consoles, load floor latches, headrest adjusting mechanisms; dual point coupler mechanisms, console hinges, latches and hinges for frunks, tray tables, arm rest hinges, infotainment mounting mechanisms, drawer locks, EV and fuel door latches, parts for marine, land, aerospace vehicles, namely latches and door locks and hinges.

Class 17:

Non-metal gaskets, namely for use in relation to electronics, HVAC units and ducts, industrial equipment, medical cabinets, medical equipment, vehicles.

Class 20:

Non-metal bolts; non-metal latches; non-metal clothes hooks; non-metal hinges and door latch pulls; non-metal draw latches; non-metal swell latches; non-metal lever latches; non-metal slide latches; non-metal slam generated latches; non-metal push to release slam latches; non-metal handle latches; non-metal T-handle latches; non-metal tab-handle latches; non-metal sliding flush latches; non-metal snap in slam latches; non-metal adjustable hinges; non-metal lift-off hinges; non-metal door pulls; non-metal anchor nuts and couplings; non-metal screws; non-metal studs; non-metal spacers and nuts for fastening doors, covers and panels; non-metal latches and pulls; non-metal hinges for industrial use on file cabinet doors, instrument case covers, storage cabinet doors and tool chest doors and lids; non-metal positioning hinges, non-metal concealed hinges, non-metal embedded hinges, non-metal free swinging hinges, non-metal HVAC latches, non-metal plungers, non-metal grab handles, non-metal folding handles.

SD GOVERNMENT

The mark consists of the letters "SD" with a stylized curved line design to the left of the word GOVERNMENT.

International priority date claimed: 19 May 2025 (US)
(99192117)

Class 9:
Computer and telecommunications hardware and software for implementing local area networks onboard aircrafts to enable users to transmit and receive voice, video, and data within the aircrafts, between aircrafts, between the aircrafts and the ground, and between the ground and the aircrafts; computer and telecommunications hardware and software for transmitting and receiving voice, video, and data between computer and telecommunications users located onboard an aircraft, and between computer and telecommunications systems located onboard the aircraft and those located on another aircraft or on the ground; computer and telecommunications network access server hardware and software onboard aircrafts for transmitting and receiving voice, video, and data from the ground to identified users located onboard the aircrafts, from identified users located onboard the aircrafts to the ground, and from identified users located onboard one aircraft to identified users onboard another aircraft, and between identified users within an aircraft; downloadable mobile application for viewing, managing, controlling, and customizing aircraft connectivity; downloadable mobile application for making and receiving inflight phone calls and messages via the internet; telecommunications equipment system comprised of antennas, wireless receivers, and software for telecommunications

List of cases accepted for opposition purposes as shown in Journal 2026/010 published on 06 March 2026 .

and wireless communications; cellular communication systems, namely integrated transmitters and receivers for the transmission of voice, video and data between aircrafts and between aircrafts and the ground; computer hardware; signal generators; signal processors; computer application software for mobile phones, portable electronic devices, computers and the internet, namely, software for viewing flight logs, flight scheduling information, operational data analytics, flight tracking information, aircraft maintenance tracking, flight department financial data, and communication services connectivity; computer hardware, namely, wireless access point (wap) devices; computer network adapters, switches, routers and hubs; computer network hubs, switches and routers; computer software for use in receipt, organization, and retransmission to third parties of aircraft information in the field of aviation; data compression software; downloadable mobile applications for mapping real time in-flight aircraft status; gateway routers in the nature of computer control hardware; interoperable communication system designed to provide radio, streaming video, wireless internet, and voip phone; mobile computing and operating platforms consisting of data transceivers, wireless networks and gateways for collection and management of data; network routers; software for codecs, namely, used for converting between analog audio signals and digital audio signals, and for transmitting and receiving digital audio signals; telecommunications equipment, namely, fiber-optic transceivers, fiber optic repeaters, converters and optimizers, wave division multiplexers, free-space optics transmission systems, switches including ethernet switches and routers, fiber-to-the-home and ethernet-over-vcsl access aggregators, terminators and repeaters, and remote presence management products, namely, switches, and console, alarm, sensor and power management devices; telephone call router, for home and office touchtone phones, for international and long distance calls made from various telephony platforms including voip platform without the requirement for internet; usb (universal serial bus) hardware for the maintenance and repair of aeronautical telecommunications networking hardware, apparatus, and instruments; wireless communication devices for voice, data or image transmission via aeronautical communications networks; wireless routers; telephone call routers; data storage media, namely, integrated circuit memory cards; integrated circuits; semiconductors; electronic integrated circuit memory card readers and writers; satellite global positioning systems (gps); integrated circuit memory cards; interface devices for computers, namely, usb readers and writers; movie projectors and data projectors, namely, digital photo projectors; memory card adapters; antennas; telecommunications and data networking hardware, namely, devices for transporting and aggregating voice, data, and video communications across multiple network infrastructures and communications protocols.

Class 35:

Business management of telecommunications networks for others, namely, managing telephone service for other carriers; reseller services, namely, distributorship services in the field of telecommunications equipment.

Class 36:

Telecommunications reseller services, namely, telecommunications air time brokerage services; financial analyses; financial asset management.

Class 37:

Maintenance and repair of telecommunications networking hardware, apparatus, and instruments; technical troubleshooting support services for new and existing aeronautical satellite communications systems, namely, troubleshooting in the nature of repair of satellite communications systems.

Class 38:

Providing inflight voice and text communication services via the Internet; wireless broadband communication services; satellite communication services; wireless broadband and narrowband communication services onboard aircrafts to enable users to transmit and receive voice, video, and data within aircrafts, between aircrafts, between the aircraft and the ground, and between the ground and the aircraft; wireless broadband and narrowband communication services to interconnect users located onboard an aircraft with users located onboard another aircraft, to interconnect users located onboard an aircraft with users and destinations on the ground, to interconnect users and destinations on the ground with users onboard the aircrafts, and to interconnect users located onboard an aircraft; wireless broadband and narrowband communication services onboard aircrafts to enable users to access entertainment content; providing access to the internet; electronic transmission of voice, video, and data via global communication networks; providing information on broadband and narrowband communications services via a website; transmission of data, sound and images by satellite; communication services, namely, transmission of voice, audio, visual images and data by telecommunications networks, wireless communication networks, the internet, information services networks and data networks; voice over internet protocol (voip) services; wireless pbx services; telecommunications consultation in the field of aircraft communications systems; telecommunications reseller services, namely, providing satellite telecommunication services.

Class 41:

Training in the use of aeronautical satellite communications systems.

Class 42:

Providing virtual computer systems and virtual computer environments through cloud computing; software as a service (saas) services featuring software for customizing a broadband and narrowband communication platform onboard aircrafts; providing online non-downloadable software that utilizes user data to provide insights on use of communication platform functions; software as a Service (SAAS) services featuring software for viewing, managing, controlling, and customizing aircraft connectivity; maintenance and updating of computer software; computer network configuration services; computer security service, namely, restricting access to and by computer networks to and of undesired web sites, media and individuals and facilities; digital compression of computer data; providing online non-downloadable software that enables users to view flight logs, flight scheduling information, operational data analytics, flight tracking information, aircraft maintenance tracking, flight department financial data, and communication services connectivity via a website; providing temporary use of on-line nondownloadable cloud computing software for improving performance of any internet based traffic; providing temporary use of on-line non-downloadable software for use in the collection, organization, and retransmission of aircraft

List of cases accepted for opposition purposes as shown in Journal 2026/010 published on 06 March 2026 .

information to third parties; satellite telecommunications technology service to allow efficiencies of the carrier by creating efficient use of bandwidth on a satellite transponder; consulting in the field of telecommunications technology, namely, on-site and remote consulting for new and existing aircraft communications systems; technical trouble-shooting support services for new and existing aeronautical satellite communications systems, namely, diagnosing problems with satellite communications systems hardware and software; software as a service (saas) services featuring software for the entry, secure storage, retrieval, and reporting of aviation-related records; technical support services, namely, remote infrastructure management services for monitoring, administration and management of satellite communications systems on aircrafts; technical support services, namely, 24/7 monitoring of satellite communications systems and notification of related events and alerts; rental of data center facilities; rental of web servers and co-location servers for containerized data centers of others; computer services, namely, cloud hosting provider services; technical support, namely, providing backup computer programs and facilities; computer services, namely, data recovery services; technical consulting services in the fields of datacenter architecture, networking solutions, cloud migration, cloud computing solutions, electronic storage of data, and evaluation and implementation of internet technology and services.

compressors for vehicles; engine cylinders for vehicles; stators (parts of machines); cam shafts; non-electric coupling rings [parts of land vehicle engines].

Class 9:

Scientific apparatus and scientific instruments, research apparatus and instruments, surveying apparatus and instruments, photographic apparatus and photographic instruments, cinematographic apparatus and instruments, audiovisual apparatus and audiovisual instruments, optical apparatus and optical instruments, weighing apparatus and instruments, measuring apparatus and instruments, signalling apparatus and instruments, detecting apparatus and instruments, testing apparatus and instruments, inspecting apparatus and instruments, lifesaving apparatus and instruments and teaching apparatus and instruments; computer software in the field of logistics and/or the circular economy; computers for vehicles; computer peripheral devices for vehicles; batteries; car batteries; steering apparatus, automatic, for vehicles; speedometers for vehicles; thermostats for vehicles.

Class 11:

Air conditioners for vehicles; lighting apparatus for vehicles; running lights for vehicles; heaters for vehicles; ventilation [air-conditioning] installations for vehicles; taillights for vehicles; heating apparatus for defrosting vehicle windows; ventilating fans for use in vehicles.

Class 12:

Vehicles for use on land; parts and fittings for land vehicles; motors and engines for automobiles; wheels and tyres; electric motors and engines for automobiles; machine couplings and transmission components for land vehicles; bodywork parts for vehicles; anti skid chains; brake pedals; tailboard lifts; drive gears [land vehicle parts]; transmission shafts for land vehicles; steering gears for land vehicles; controllers for anti-blocking brake systems; cranks [parts of land vehicles]; wheel covers; bumper bars; mudguards; axles [land vehicle parts]; aerodynamic attachments for vehicle bodies; transmissions [land vehicle parts]; leaf springs (parts for land vehicles); differentials [land vehicle parts]; running boards; turbine shafts [parts of land vehicles]; consoles being parts of vehicle interiors; load bearing sections for chassis frames; protective interiors (parts for land vehicles); coil springs; hydraulic servo-valves (parts for vehicle braking systems and vehicle hydraulic systems); brake linings for vehicles; non-electric coupling sleeves; housings for parts for motor vehicles; protective linings for upholstered recesses within vehicles; air springs for vehicle bodywork components for cushioning driving seats and cabs; square splines; seats (parts for land vehicles); folding roofs; spoilers; roof containers; windshield wipers; security alarms (parts for land vehicles); ornamental wheel shields; door handles (parts for land vehicles); gears for vehicles; gear boxes; parts and accessories for all the aforesaid goods, included in this class.

Class 35:

Business management and consultancy services; management of business (for others) and business advice services in the fields of logistics; supply chain management services; benchmarking services; benchmarking (evaluation of business organisation practices); business project management; business strategy and planning services; business consultancy; strategic consultancy, professional business process and/or project

management relating to sustainability, recycling services and/or the circular economy; professional business consultancy, evaluation and analysis in the field of sustainability, reuse, repackaging, reprocessing, recycling and/or repair; arranging of contracts, for others, for the purchase and sale of the following goods: secondary raw materials, waste, parts of vehicles and batteries; development and implementation of professional business concepts for the circular economy; development and implementation of concepts for supply chain management; retail services, wholesaling services and online mail order services in relation to the following goods: land vehicles and parts and fittings for land vehicles, pumps, compressors, fans, intake manifolds, exhaust pipes, fuel pumps, ignition wires, radiators [cooling] for motors, engines and machines, heat exchangers, other than parts of machines, condensers, condensing installations, compressors, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments, computer software and computer hardware in the field of logistics and/or the circular economy, electric locks, electric wiring harnesses for cars, speedometers, chargers for cells and batteries, car batteries, batteries, information technology equipment, audio-visual apparatus and multimedia devices, lamps for vehicle lighting, air cleaners, ventilation installations, cooling radiators, lighters, motors and engines, wheels and tyres, machine coupling and transmission components, bodywork parts for vehicles, anti-skid chains, brake pedals, tailboard lifts, readers, cranks, wheel tyres, vehicle bumpers, mud guards, axles, aerodynamic attachments for vehicle bodies, gearboxes, leaf springs, differential transmissions, running boards, turbine shafts, turbochargers, transfer cases, starter switches, generators, transmission shafts, steering gear boxes, abs controllers, consoles being parts of vehicle interiors, load bearing sections for chassis frames, protective interiors, coil springs, splined shafts, hydraulic servo valves being parts of vehicle braking systems and vehicle hydraulic systems, brake installations, non-electric coupling rings, non-electric coupling sleeves, housings for parts for motor vehicles, protective linings for upholstered recesses within vehicles, air springs for vehicle suspension components for cushioning driver's seats and cabs, square splines, poufs, folding roofs, deflectors, roof containers, screen washes, safety bell alarm, ornamental wheel shields for vehicles, door handles, secondary raw materials and waste, in particular end-of-life vehicles, parts of vehicles and materials of plastic, machinery, motors and engines, clutches, machine transmission components, parts and fittings for the aforesaid goods; development and implementation of professional business concepts for the sorting, cleaning, assembly and/or disassembly of vehicle parts, car accessories, heating installations, heating systems, air-conditioning installations, ventilation systems, machines, parts of machines, motors and engines, clutches, power transmission devices and/or batteries and for the disassembly of vehicle parts, car accessories, heating installations, heating systems, air-conditioning installations, ventilation systems, machines, parts of machines, motors and engines, clutches, power transmission devices and/or batteries into raw materials thereof; development and implementation of professional concepts for the recycling of vehicle parts, car accessories, heating installations, heating systems, air-conditioning installations, ventilation systems, machines, parts of machines, motors and engines, clutches, power transmission devices and/or batteries.

Class 37:

List of cases accepted for opposition purposes as shown in Journal 2026/010 published on 06 March 2026 .

Construction; cleaning services; automobile repair; vehicle maintenance; repair and maintenance of vehicle motors and engines; repair, disassembly, assembly and maintenance of the following goods: vehicle parts, car accessories, heating systems, heating systems, air conditioning installations, ventilation systems, machinery, parts of engines, engines, clutches, transmission components; installation of parts for vehicles; dismantling services; disassembly of end-of-life vehicles; building, construction and demolition; recharging of batteries; process and project management relating to the cleaning, assembly and/or disassembly of the following goods: vehicle parts, car accessories, heating systems, air conditioning installations, ventilation systems, machinery, parts of engines, engines, clutches, transmission components; mechanical disassembly of batteries into raw materials thereof; mechanical disassembly of vehicle parts, car accessories, heating installations, heating systems, air-conditioning installations, ventilation systems, machines, parts of machines, motors and engines, clutches, power transmission devices into raw materials thereof; consultancy relating to the cleaning, assembly and/or disassembly of the following goods: vehicle parts, car accessories, heating systems, heating systems, air conditioning installations, ventilation systems, machinery, parts of engines, engines, clutches, transmission components; consultancy relating to direct recycling, namely the mechanical disassembly of batteries and/or the mechanical disassembly of vehicle parts, car accessories, heating installations, heating systems, air-conditioning installations, ventilation systems, machines, parts of machines, motors and engines, clutches, power transmission devices into raw materials thereof.

Class 39:

Transport; packaging and storage of goods; transportation of waste; refuse collection services; clearance [removal and transportation] of waste; freight forwarding; delivery services for goods of all kinds; storage of waste; storage of waste materials; rental of waste containers; reservation and booking services for transportation; consultancy and information relating to transport services; transport control; process and project management in the transport sector.

Class 40:

Treatment [recycling] of waste; processing of end-of-life vehicles and vehicle parts; treatment [recycling] of waste; recycling of valuable materials; recycling of scrap; recycling of plastics; waste management services [recycling]; waste treatment [transformation]; upcycling [waste recycling]; sorting, treating and processing secondary raw materials and waste; incineration of waste and trash; destruction of waste and trash; scrapping of vehicles and vehicle parts; disposal of scrap; treatment of hazardous substances; recycling of electric batteries; process and project management relating to the sorting, recycling, direct recycling and/or processing of batteries; process and project management relating to the sorting, recycling and/or processing of the following goods: vehicle parts, car parts, heating installations, heating systems, air conditioning, ventilation systems, machines, parts of engines, engines, couplings, power transmission devices; process and project management relating to the sorting, recycling and/or processing of vehicle parts, car accessories, heating installations, heating systems, air-conditioning installations, ventilation systems, machines, parts of machines, motors and engines, clutches, power transmission devices and/or batteries; operation of an installation for the direct recycling

of hv cells; process and project management relating to direct recycling; consultancy relating to the sorting of the following goods: vehicle parts, car parts, heating installations, heating systems, air conditioning, ventilation systems, machines, parts of engines, engines, couplings, power transmission devices.

Class 42:

Scientific and technological services and research and design relating thereto; industrial analysis and research services; design and development of computer hardware and computer software in the field of logistics and/or the circular economy; engineering, in particular in the field of material treatment, processing (recycling) of waste, treatment of end-of-life vehicles and parts of vehicles, treatment (recycling) of waste, recycling of recyclable materials, recycling of scrap, recycling of plastics, disposal (recycling), waste treatment (transformation), upcycling (waste recycling), scrapping of vehicles and parts of vehicles, scrap disposal; conducting engineering surveys; engineering services in the field of environmental technology; design and development of computer software for logistics, supply chain management and e-business portals; technical consultancy in the field of pollution detection; research in the field of environmental conservation; consultation in environment protection; technical design services relating to heating installations; engineering project management services; IT project management.

Class 9:

Downloadable computer software applications for managing bank accounts, credit accounts, electronic transmission of funds, financial transactions, and financial information; downloadable computer communications software to allow customers to access bank account information and transact bank business; downloadable mobile applications for managing bank accounts, credit accounts, electronic transmission of funds, financial transactions, and financial information; downloadable computer software using artificial intelligence (AI) for managing bank accounts, credit accounts, electronic transmission of funds, financial transactions, and financial information; electronic writing tablets; electric charging cables; wireless computer mice; tape measures; mousepads; sunglasses; wireless chargers; wireless charging stands for smartphones; wireless headphones.

Class 35:

List of cases accepted for opposition purposes as shown in Journal 2026/010 published on 06 March 2026 .

Accounts receivable billing services; administration, billing and reconciliation of accounts on behalf of others; administration of business payroll for others; business information services; business consulting services; arranging and conducting incentive reward programs to promote the sale of banking services and credit card accounts; promoting the sale of goods and services of others by awarding purchase points for credit card use; analyzing and compiling business data; providing business information in the field of financial services and banking; customer relationship management; customer service management for others; promotional sponsorship of sporting events, concerts, and professional development events; administrative services relating to credit card registration; retail services and advertising services provided by means of web-based catalog services featuring clothing, clothing accessories, novelties, leather goods, travel bags, gifts and pens; charitable services, namely, organizing and conducting volunteer programs and community service projects; promoting public awareness of the interests of impacting affordable housing, small business vitality, economic sustainability, and financial health.

Class 36:

Accounts payable debiting services; commercial lending services; financial consultancy services; providing student loan information; financial and investment services, namely, management and brokerage in the fields of stocks, bonds, options, commodities, futures and other securities, and the investment of funds of others; issuance of credit cards; credit card authorization services; processing of contactless credit and debit card payments; issuing of debit cards; payment processing services, namely, credit card and debit card transaction processing services; financial investment brokerage services; issuing of letters of credit; mortgage banking services, namely, origination, acquisition, servicing, securitization and brokerage of mortgage loans; mortgage lending; online banking services; tax payment processing services; providing financial services with respect to securities and other financial instruments and products, namely, money management services; administration of employee benefit plans concerning insurance and finance; banking services; bill payment services; cash management; financial consultation in the field of trust management services, cash management services, online banking, bill payment services, and tax payment processing services; financial consultation in the field of banking, credit card and debit card services, credit card, debit card and electronic check transaction processing services, financial management, investment brokerage, investment management, securities, mutual funds, certificates of deposit, financial portfolio management, insurance, accounts payable services, mortgage banking, mortgage lending, mortgage brokerage, commercial lending, consumer lending, issuing letters of credit, foreign exchange services, and treasury management services; consumer lending services; providing electronic processing of electronic funds transfer, ACH, credit card, debit card, electronic check and electronic payments; foreign exchange transactions; issuing stored value cards; providing banking information; financial trust administration; real estate brokerage; financing loans for inventory, machinery, vehicles and equipment; charitable foundation services, namely, providing financial assistance for programs and services of others; financial advisory services rendered using artificial intelligence (AI); preparing financial reports for others.

Class 41:

Arranging and conducting of concerts; organization of social entertainment events; professional coaching services in the field of leadership development and business management; providing on-line publications in the nature of information and articles in the field of finance; education services, namely, providing classes, webinars, conferences, training and workshops in the field of financial education.

Class 42:

Software as a service (SAAS) services featuring software for managing bank accounts, credit accounts, electronic transmission of funds, and financial transactions; software as a service (SAAS) services featuring software for accessing financial information; providing online non-downloadable computer software platforms for accessing financial information and services; software as a service (SAAS) services featuring software for use as an application programming interface (API).

GHX RESILIENCYAI

Class 9:

Downloadable electronic newsletters in the field of operational decision-making, hospital management, and clinical decision-making; downloadable podcasts in the field of entrepreneurship, business trends in the healthcare industry, operational decision-making, hospital management, healthcare management, and clinical decision-making; downloadable computer software for performing electronic commerce business transactions and electronic data transformations in the field of procurement and supply chain management.

Class 41:

Educational services, namely, conducting seminars, workshops, lectures, roundtables and webinars in the field of operational decision making, hospital management, healthcare management, and clinical decision making; on-line electronic newsletters delivered by e-mail in the field of operational decision making, hospital management, healthcare management, and clinical decision making; on-line journals, namely, blogs featuring information in the field of operational decision making, hospital management, healthcare management, and clinical decision making; providing on-line newsletters in the field of operational decision making, hospital management, healthcare management, and clinical decision making; providing on-line training courses, seminars and

List of cases accepted for opposition purposes as shown in Journal 2026/010 published on 06 March 2026 .

workshops in the field of operational decision making, hospital management, healthcare management, and clinical decision making.

Class 42:

Computer modeling services; design and development of computer software for the improvement of purchasing functions of business; platform as a service (PAAS) featuring computer software platforms for use by businesses and professionals in connection with decision support, research, data analysis, data reporting, project management, and data management; product research; software as a service (SAAS) services to business and professional users featuring software for decision support, research, data analysis, data reporting, project management, and data management; providing on-line non-downloadable supply chain management software to provide cleansed data to a hospital's electronic medical record to enable supply documentation at the point of use; computer services, namely, providing temporary use of non-downloadable cloud-based catalog management software solutions intended for use primarily by healthcare medical-surgical device manufacturers, distributors, wholesalers, and healthcare service providers; providing an application service provider featuring interactive online non-downloadable software in the field of accounting for viewing, analyzing, and automating workflow in a healthcare organization's accounts payable department, namely, including invoicing, discount optimization, contract price validation, workflow management, discrepancy management, tracking, auditing, web portals, paperless processing, and data transformations in the nature of including conversion to EDI format; providing a website featuring temporary use of nondownloadable software for use in content management, supply chain cost analysis and reporting, and providing data conditioning, data monitoring, and data synchronization in the field of healthcare; providing on-line non-downloadable computer software for performing electronic commerce business transactions and electronic data transformations in the field of procurement and supply chain management.

Class 1:

Coal, charcoal and other solid carbon compounds for industrial manufacturing purposes; liquid carbon compounds for industrial purposes; biochar, biocarbon and other solid and liquid biocarbon compounds for manufacturing purposes; activated coal, activated carbon and active solid and liquid carbon compounds for manufacturing purposes; coal, charcoal and other solid carbon compounds in powder, granular or pellet form for industrial manufacturing use; chemical additives for use in the manufacture of metals and alloys; chemical products for filtration and purification; bio-based chemicals for industrial use; carbonaceous materials for use in metallurgical processes; carbon materials for use as reducing agents in metal production; carbon additives for use in metallurgical processes; carbon-based materials for the production of steel and alloys.

Class 4:

Solid biofuels; biochar, carbon and carbonate briquettes and pellets for energy purposes; renewable fuels; electrical energy; carbon-neutral fuels; coal, charcoal and other solid carbon compounds for use as industrial fuels (not for household purposes); industrial and fuel oils from coal, charcoal and other solid carbon compounds.

Class 6:

Metal alloys containing renewable carbon; metal building products made using biocarbon.

Class 39:

Transport and storage of biocarbon and other carbon-based materials; transportation of biomass to and from production facilities; logistics and delivery services for carbon products; distribution of solid biofuels; collection and transport of waste and by-products from biomass for further processing; storage of energy and biofuels; distribution of renewable energy; distribution of energy for heating and cooling buildings; supply of electrical energy, gas, water and district heating.

Class 40:

Energy production; generation of energy; processing and refining of biomass into carbon products; production of biocarbon for industrial purposes; purification, recycling and upcycling of carbonaceous materials; energy and heat production from biomass; carbonization of biological material.

Class 35:

Organization or holding of trade fairs and exhibitions in the aviation and aerospace industry; planning sales promotion advertisements; planning and production of advertising media such as promotional videos for advertising; advertising and publicity services; publicity material rental; promoting the goods and services of others through the administration of sales and promotional incentive schemes involving trading stamps; planning and execution of commercialization of space flight projects, as well as consulting and provision of information related thereto; business management analysis or business consultancy in the field of aviation and aerospace; business management analysis or business consultancy; business management in the field of aviation and aerospace; business management; business administration in the field of aviation and aerospace; business administration; support for business management; intermediation services of contracts for the purchase and sale of goods; representation or representation of clerical work related to purchase and sale of goods; planning and operation for sales promotion of goods and promotion of provision of services; advice and guidance on sales promotion of goods and promotion of provision of services; business development; acting as a proxy for negotiating contracts for the purchase and sale of goods; management of import and export business; intermediary for sale of goods; business consulting; efficiency (business -) expert services; business consultancy (professional -); business information; business intermediation related to matching various experts and customers in the aerospace field; business intermediation related to matching various experts and customers; marketing; providing information and advising on marketing; marketing research or analysis; providing information concerning commercial sales; guidance and advice on analysis and execution of business strategic plans and management strategies; business strategy consulting; strategic business planning; commercial intermediation services and provision of business information for corporate business alliances; consulting and provision of information regarding corporate business alliances; providing administrative work for companies; sponsorship search; acting on behalf of third parties in negotiating and concluding commercial transactions; procurement of goods and services for the business of others, and consulting and provision of information related thereto; job introduction of aerospace engineers; job introduction of human resources; job personnel management services; providing employment information; import-export agencies; receipt of goods orders and ordering clerical work; employment agency services for computer-based information search clerical work; general office work related to computers; providing temporary employees for general office work; administrative management related to outsourcing of accounting work for others; arranging for outsourcing of clerical work related to personnel and labor affairs for others; compilation and systemization of information into computer databases; operation of electronic computers, typewriters, telexes, or similar office equipment; providing information and advice related to the selection of goods and services for consumers; rental of typewriters and copying machines; retail services or wholesale services for scientific satellites; retail services or wholesale services for aircraft, their parts and accessories, and rockets (transportation equipment);

retail services or wholesale services for electrical machinery and apparatus.

Class 38:

Telecommunications services provided by satellites or rockets; communication by satellite; providing temporary access to satellite communication lines by the hour; communication via computer terminals, by digital transmission or by satellite; satellite communications; provision of information about satellite communications; advice in the field of satellite communications; telecommunications; television broadcasting using communication satellites; radio broadcasting using communication satellites; broadcasting services; rental of satellite communication transmission/reception equipment; rental of communication apparatus and implements; news agency services.

Class 39:

Launching of satellites; guidance, advice, or provision of information regarding launching of satellites; launch and placement in prescribed orbit of satellites for others; guidance, advice, or provision of information regarding the launch and placement in prescribed orbit of satellites for others; transportation by rocket; guidance, advice, or provision of information regarding transportation by rocket; air transport; packing of cargo to be loaded onto satellites, rockets or space stations; packaging of goods; brokerage relating to transporting cargo to be loaded onto satellites, rockets, or space stations; freight brokerage by satellite or rocket; freight brokerage; transport; transportation information; loading and unloading of cargo to be loaded onto satellites, rockets, or space stations; loading and unloading of goods; arranging storage space for experimental cargo and other cargo to be loaded on satellites, rockets or space stations, and guidance, advice or provision of information related thereto; provision of satellite or rocket launch facilities; providing vessel mooring facilities; rental of warehouse space; provision of parking spaces; airport services; aircraft rental; rental of satellites or rockets.

Class 40:

Custom manufacturing and assembling of artificial satellites or rockets; guidance, advice, or provision of information regarding custom manufacturing, assembling and production of satellites or rockets; custom manufacturing, assembling and production of communication device for others; guidance, advice, or provision of information regarding custom manufacturing, assembling and production of communication device for others; guidance, advice, or provision of information regarding custom manufacturing, assembling and production of electrical communication apparatus for others; custom manufacturing, assembling and production of electronic machines, apparatus for others; guidance, advice, or provision of information regarding custom manufacturing, assembling and production of electronic machines, apparatus for others; metal processing.

Class 41:

Astronaut training and skill development; guidance for skill development of human resources or teaching of knowledge; provision of information on guidance for capacity development of human resources or teaching of knowledge; education for human resource development and skill development, and provision of information related thereto; education using application programs for smartphones and tablets; guidance and advice on the planning and operation of

***List of cases accepted for opposition purposes as shown in Journal 2026/010 published on

CoolSem

International priority date claimed: 19 June 2025 (BX)
(1527365)

Class 9:

Electric and electronic components; electrical circuits and printed circuit boards; III-V thin-film devices; wafers for integrated circuits; coolers for electronic components; photonic chips; photonic integrated circuits (PICs); indium phosphide chips and semiconductors; III-V semiconductors; integrated circuit chips; semiconductor lasers; microprocessors; semiconductor devices; semi-conductor chips; semiconductor modules; semiconductor substrates; semiconductor sensors; semiconductor transistor; thin-film materials, namely thermally conductive, optical and electrically functional layers for application on semiconductors, optical components and wafers; thin-film devices made of III-V materials, with thermal functions including for applications in photonics, radio frequency and power electronics; electronic and optoelectronic components with integrated thin-film layers for thermal management or signal processing; integrated circuits; interfaces; electronic chips for the manufacture of integrated circuits.

Class 40:

Material processing on wafers, semiconductors and optical components, including the application of thin-film layers; semiconductor wafer processing; semiconductor encapsulation; applying a thin film layer to optical components; machining of electronic components to optimize heat dissipation and performance; applying thermally conductive or heat-dissipating layers to electronic components; material processing, namely substrate separation and removal of electronic or optoelectronic components; custom manufacturing of semiconductor wafers, semiconductor circuits, semiconductor components, devices and circuits.

Class 42:

Scientific and technological services; product development; semiconductor chip design; research and development of photonic products; research in the field of semiconductor processing technology; consulting, design, research, development, production and advice in the field of semiconductor chips; technical consultancy in relation to the production of semiconductors; research and development of substrate removal processes, thin-film layer processes, thermal integration and management of electrical and electronic components; development and implementation of thermally, optically and electrically functional thin-film materials; designing semiconductor chips, lasers, transistors, PICs and integral circuits; technical research and consultancy in the field of photonic silicon chip manufacturing; development of software for (photonic) semiconductors; development of software for simulation, analysis and process control of thin-film technology and thermal management.

Corrections to published marks

UK00004294708 (2025/048, 28 November 2025)

The specification for this application has been amended to read as follows:

Class 9:

Innovative artificial intelligence software for managing customer enquiries, ticketing, communication, scheduling, workflow automation, and information retrieval across multiple industries; providing multi-channel customer interaction via email, messaging platforms including WhatsApp, web interfaces, and mobile applications; all of the aforesaid goods being for use by educational institutions, property management organisations, and membership and sports organisations; none of the aforesaid goods being for use in relation to expense management, expense reporting, reimbursement processing, accounting, payment processing or OCR-based financial automation.

Class 35:

Business administration assistance; AI-powered customer support services; automated handling of customer enquiries, bookings, appointments, communication and customer relationship management across multiple industries; provision of AI-driven assistance for managing and organising operational workflows; all of the aforesaid goods being for use by educational institutions, property management organisations,

and membership and sports organisations; none of the aforesaid goods being for use in relation to expense management, expense reporting, reimbursement processing, accounting, payment processing or OCR-based financial automation.

Class 42:

Software as a service (SaaS) featuring artificial intelligence for customer communication, ticketing, workflow automation, scheduling, information retrieval, and business process optimisation; design, development, and maintenance of artificial intelligence platforms enabling multi-channel customer interaction via email, messaging systems, web portals, and mobile applications; all of the aforesaid goods being for use by educational institutions, property management organisations, and membership and sports organisations; none of the aforesaid goods being for use in relation to expense management, expense reporting, reimbursement processing, accounting, payment processing or OCR-based financial automation.

UK00004221914 (2025/028, 11 July 2025)

The specification for this application has been amended to read as follows:

Class 9:

"Downloadable mobile Engineering application software for industrial production and quality-assurance data capture and electronic recordkeeping using a hand held smartphone camera, namely, for detecting and decoding barcodes and reading printed packaging date codes via OCR, for recording and verifying checks against user-configured product-packaging parameters in a closed-loop workflow where measured values are compared with user-defined set points/tolerances and results are presented solely as pass/fail or exception flags, for recording check results and related metadata, including packaging weight readings and inspection checklist outcomes with association to production context (line/shift, batch/lot or work-order identifiers) and batch traceability, for providing timestamped operator logs and audit trails, and local generation, storage and export of electronic records and reports (Excel/PDF), for computing and displaying image/readability metrics for barcodes and date codes solely to determine capture suitability, with user-configurable thresholds; all the foregoing limited to data capture, parameter-based closed-loop verification, logging, audit-trail creation and report export; None of the foregoing being for product or label quality rating or grading, identity verification, facial recognition, biometric or document analysis, online, non-downloadable services (SaaS/PAAS), or use with CCTV or other fixed-installation cameras.

UK00004246065 (2025/042, 17 October 2025)

The specification for this application has been amended to read as follows:

Class 11:

Electric beverage making machines; hot chocolate makers; parts and fittings for the aforesaid goods.

Restrictions

UK00004305097 (2025/050, 12 December 2025)

Specifications have been restricted as follows:

Class 41:

Education and training services featuring a proprietary methodology for capturing, curating and delivering generated insights; development, production and delivery of learning programmes, workshops, courses and microlearning modules methodology; provision of non-downloadable online training materials, videos, audio content and scenario-based learning resources; advisory and consultancy services relating to workplace skills, employability, communication, emotional resilience and professional development; creation and delivery of structured learning experiences embedding lived experience storytelling as a pedagogical technique; none of the aforementioned relating to employee, personal, team, leadership, and organisational learning and development, or relating to You don't often get email from ianabroad@gmail.com. Learn why this is important 2 assessments, including psychometric tests, personality tests and behavioural tests.

Class 9:

Downloadable software; software programs; computer databases; computer hardware and the peripheral equipment thereof; downloadable mobile phone software; mobile/wireless device software programs; mobile/wireless device applications and databases; mobile/wireless device hardware and the peripheral equipment thereof; Software systems for the designing, storage, targeting, testing, executing, management, tracking and analysis in the area of performance measurement, health monitoring, coaching, metrics management, mobile payments, mobile advertising, mobile security, market research, marketing campaigns, market studies, sales promotion, revenue generation, incentive programs, loyalty schemes, consumer panel management; downloadable electronic publications; data, documents, information, text and other media or multi-media, all being electronically recorded or downloadable from the Internet, extranets, application stores or other communications networks; computer software for managing statistics; computer software for creating reports on this data; computer software for extracting and integrating data; software personalised, information and resources; computer programs for searching, retrieving, managing, sorting, sampling, selecting and/or storing information available on the Internet through computer networks and systems or any mobile/wireless device through communications networks; computer programs for recording, transmission, reproduction, storage, playback or processing of sound and/or images and/or data; data storage units for use with computers and/or mobile phones/wireless devices; all the aforesaid not relating to motion capture sensors and inertial sensors.

Class 10:

Wearable health devices/hardware for the capturing, storing, targeting, testing, executing, management, tracking and analysis in the area of health metrics; all the aforesaid not relating to motion capture sensors and inertial sensors.

Class 35:

Advertising; business management; business administration; office functions; professional business consultancy; information distribution services, namely, providing advertising services via the global computer network and/or communications network; promoting the goods and services of others; promoting the goods and services of others via communication networks and over the Internet; mobile marketing and advertising; dissemination of advertising and marketing services via an electronic media; dissemination of information relating to consumer and business insights for others via the Internet and communication networks; compilation and management of on-line computer databases and on-line searchable databases; rental of advertising space, sales promotion; market research; marketing studies; opinion polling; providing statistical information; brand tracking services; consumer insight models; targeting promotional efforts toward selected users of global communication networks; tracking responses to promotional efforts via global computer networks and communications networks; information and advisory services relating to the aforesaid services; maintenance of financial records; tracking and analysis of data in the field of marketing, market research, marketing campaigns, marketing studies and marketing, sales promotion, management of information for the customer, customer help and the effectiveness of services and employees, panel management, use of this data on a company's network, management of statistics, creation of reports on this data, data extraction and integration; consumer and business insight and opinion polling conducted via surveys and social media; all the aforesaid not relating to motion capture sensors and inertial sensors.

Class 36:

Financial services; credit and/or debit and/or prepaid card services; payment services via mobile phone and/or wireless device; financial services provided via the Internet; issuing of tokens of value in relation to bonus and loyalty schemes; provision of financial information; electronic funds transfer; billing, collection and settlement of payments between parties; clearing and reconciling financial transactions via a global computer network and communications network; banking services; point of sale and point of transaction services; payment authorisation and settlement services; electronic funds transfer and currency exchange services; transaction authentication and verification services; dissemination of financial information via a global computer network and communications network; information services relating to finance and insurance provided online from a computer database or the internet; all the aforesaid not relating to motion capture sensors and inertial sensors.

Class 38:

Computer data transmission services; data communications services; transmission of analytics, sound, messages, images and video; communications via radio, telephone, mobile phone/wireless device and computer terminals; hosted telephony services; electronic transmission services; services for the provision of online technical help; transmission of messages; remote data exchange; remote transmission of data to mobile phones/wireless devices; services for the provision of online technical help, for provision of host computer solutions for the management of website and/or software, and/or application content; communication services for the provision of electronic voting, polling, research, questionnaires, incentives, loyalty schemes via e-mail, the Internet, via mobile phones/wireless devices, by SMS, telephone, mobile internet sites and mobile

applications; all the aforesaid not relating to motion capture sensors and inertial sensors.

Class 41:

Education; providing of training; entertainment, in particular where offered over a global computer system/network and/or communications network; seminars; exhibitions; conferences; demonstrations; gaming; competitions; organisation of lotteries, competitions; games/gaming, in particular where offered over a computer system/network and/or communications network and/or to mobile phones/wireless devices; dissemination of news and entertainment for others via the Internet and communication networks; performance coaching; all the aforesaid not relating to motion capture sensors and inertial sensors.

Class 42:

Engineering; surveying, technical project studies, construction drafting, non-business, in particular in the field of consumer goods, information, information technology, telecommunication, communications networks and the Internet; Design and consultation services related to computer systems, mobile phone systems, wireless device systems and the design, development and facilitation of electronic data transmission; application solutions and services featuring software for use in health and performance across telephony, audio, video and voice communications, and connecting mobile devices to communications networks; technical support services; computer software consultation; computer software design for others; research and development services in the fields of computers, computer software, electronic data transmission and electronic finance; engineering services; design of research methodologies; industrial analysis and research services; design and development of computer software; information and advisory services relating to the aforesaid services including such services provided on-line and/or via the global computer network and/or communications networks and/or to mobile phones and/or wireless devices; Software-as-a-Service (SaaS) solutions; all the aforesaid not relating to motion capture sensors and inertial sensors.

Class 44:

Provision of individuals performance and health data analytics to their own metrics for purposes of wellbeing scoring, measurement and coaching via a website and mobile portal; Providing information in the fields of health and health monitoring, performance measurement; all the aforesaid not relating to motion capture sensors and inertial sensors.

UK00004284398 (2025/048, 28 November 2025)

UK00004284398 (2025/048, 28 November 2025)

Specifications have been restricted as follows:

Class 9:

Downloadable software; software programs; computer databases; computer hardware and the peripheral equipment thereof; downloadable mobile phone software; mobile/wireless device software programs; mobile/wireless device applications and databases; mobile/wireless device hardware and the peripheral equipment thereof; Software systems for the designing, storage, targeting, testing, executing, management, tracking and analysis in the area of performance measurement, health monitoring, coaching, metrics management, mobile payments, mobile advertising, mobile security, market research, marketing campaigns, market studies, sales promotion, revenue

generation, incentive programs, loyalty schemes, consumer panel management; downloadable electronic publications; data, documents, information, text and other media or multi-media, all being electronically recorded or downloadable from the Internet, extranets, application stores or other communications networks; computer software for managing statistics; computer software for creating reports on this data; computer software for extracting and integrating data; software personalised, information and resources; computer programs for searching, retrieving, managing, sorting, sampling, selecting and/or storing information available on the Internet through computer networks and systems or any mobile/wireless device through communications networks; computer programs for recording, transmission, reproduction, storage, playback or processing of sound and/or images and/or data; data storage units for use with computers and/or mobile phones/wireless devices; all the aforesaid not relating to motion capture sensors and inertial sensors.

Class 10:

Wearable health devices/hardware for the capturing, storing, targeting, testing, executing, management, tracking and analysis in the area of health metrics; all the aforesaid not relating to motion capture sensors and inertial sensors.

Class 35:

Advertising; business management; business administration; office functions; professional business consultancy; information distribution services, namely, providing advertising services via the global computer network and/or communications network; promoting the goods and services of others; promoting the goods and services of others via communication networks and over the Internet; mobile marketing and advertising; dissemination of advertising and marketing services via an electronic media; dissemination of information relating to consumer and business insights for others via the Internet and communication networks; compilation and management of on-line computer databases and on-line searchable databases; rental of advertising space, sales promotion; market research; marketing studies; opinion polling; providing statistical information; brand tracking services; consumer insight models; targeting promotional efforts toward selected users of global communication networks; tracking responses to promotional efforts via global computer networks and communications networks; information and advisory services relating to the aforesaid services; maintenance of financial records; tracking and analysis of data in the field of marketing, market research, marketing campaigns, marketing studies and marketing, sales promotion, management of information for the customer, customer help and the effectiveness of services and employees, panel management, use of this data on a company's network, management of statistics, creation of reports on this data, data extraction and integration; consumer and business insight and opinion polling conducted via surveys and social media; all the aforesaid not relating to motion capture sensors and inertial sensors.

Class 36:

Financial services; credit and/or debit and/or prepaid card services; payment services via mobile phone and/or wireless device; financial services provided via the Internet; issuing of tokens of value in relation to bonus and loyalty schemes; provision of financial information; electronic funds transfer; billing, collection and settlement of payments between parties; clearing and reconciling financial transactions via a global

computer network and communications network; banking services; point of sale and point of transaction services; payment authorisation and settlement services; electronic funds transfer and currency exchange services; transaction authentication and verification services; dissemination of financial information via a global computer network and communications network; information services relating to finance and insurance provided online from a computer database or the internet; all the aforesaid not relating to motion capture sensors and inertial sensors.

Class 38:

Computer data transmission services; data communications services; transmission of analytics, sound, messages, images and video; communications via radio, telephone, mobile phone/wireless device and computer terminals; hosted telephony services; electronic transmission services; services for the provision of online technical help; transmission of messages; remote data exchange; remote transmission of data to mobile phones/wireless devices; services for the provision of online technical help, for provision of host computer solutions for the management of website and/or software, and/or application content; communication services for the provision of electronic voting, polling, research, questionnaires, incentives, loyalty schemes via e-mail, the Internet, via mobile phones/wireless devices, by SMS, telephone, mobile internet sites and mobile applications; all the aforesaid not relating to motion capture sensors and inertial sensors.

Class 41:

Education; providing of training; entertainment, in particular where offered over a global computer system/network and/or communications network; seminars; exhibitions; conferences; demonstrations; gaming; competitions; organisation of lotteries, competitions; games/gaming, in particular where offered over a computer system/network and/or communications network and/or to mobile phones/wireless devices; dissemination of news and entertainment for others via the Internet and communication networks; performance coaching; all the aforesaid not relating to motion capture sensors and inertial sensors.

Class 42:

Engineering; surveying, technical project studies, construction drafting, non-business, in particular in the field of consumer goods, information, information technology, telecommunication, communications networks and the Internet; Design and consultation services related to computer systems, mobile phone systems, wireless device systems and the design, development and facilitation of electronic data transmission; application solutions and services featuring software for use in health and performance across telephony, audio, video and voice communications, and connecting mobile devices to communications networks; technical support services; computer software consultation; computer software design for others; research and development services in the fields of computers, computer software, electronic data transmission and electronic finance; engineering services; design of research methodologies; industrial analysis and research services; design and development of computer software; information and advisory services relating to the aforesaid services including such services provided on-line and/or via the global computer network and/or communications networks and/or to mobile phones and/or wireless devices; Software-as-a-Service (SaaS)

solutions; all the aforesaid not relating to motion capture sensors and inertial sensors.

Class 44:

Provision of individuals performance and health data analytics to their own metrics for purposes of wellbeing scoring, measurement and coaching via a website and mobile portal; Providing information in the fields of health and health monitoring, performance measurement; all the aforesaid not relating to motion capture sensors and inertial sensors.

UK00004314455 (2026/002, 09 January 2026)

Specifications have been restricted as follows:

Class 25:

T-shirts; Sweatshirts; Hoodies.

Class 35:

Retail services in relation to clothing; Retail services in relation to dietary supplements; Retail services in relation to foodstuffs; Retail services related to bakery products; Retail services in relation to confectionery.

UK00004316117 (2026/003, 16 January 2026)

Specifications have been restricted as follows:

UK00004299351 (2025/050, 12 December 2025)

Specifications have been restricted as follows:

Class 41:

Production of music videos, short films and visual content for artists and creative organisations; photography services; mentoring, coaching and training for emerging creatives in filmmaking, photography, digital media and creative direction; organisation of creative workshops, showcase events and portfolio reviews; providing online and in-person educational resources relating to creative practice, filmmaking and content production. All the aforesaid relating to music, community and performing arts industries; excluding services relating to video games, the development, production, publishing or distribution of computer games, and interactive or immersive entertainment, and video game related content, products or service.
