Application for a series of 4 marks.

Class 11:

Heating apparatus; heating equipment; cooling apparatus; cooling equipment; air conditioning apparatus; air conditioning equipment; ventilation apparatus; refrigeration apparatus; cold storage apparatus; heat pumps; heat pumps for domestic, commercial and industrial use; air source heat pumps; ground source heat pumps; water source heat pumps; boilers; gas boilers; oil boilers; electric boilers; condensing boilers; combi boilers; system boilers; packaged boilers; mobile boilers; portable boilers; radiators; electric radiators; oil filled radiators; heated towel rails; underfloor heating apparatus; underfloor heating systems; heat exchangers; plate heat exchangers; heat recovery units; heat recovery ventilation units; mechanical ventilation heat recovery units; air handling units; fan coil units; space heaters; electric heaters; fan heaters; industrial heaters; diesel-fired heaters; indirect fired heaters; oil-fired heaters; portable heaters; thermostatic valves; thermostatic radiator valves; temperature control valves; temperature regulating apparatus; heating controls; heating timers; heating zone controllers; fans for heating, ventilation and air conditioning purposes; ceiling fans; extractor fans; ventilation fans; air circulators; air curtains; air purification apparatus; air purifiers; air filters for heating, ventilation and air conditioning apparatus; air filtration units; humidifiers; dehumidifiers; chillers; packaged chillers; cooling towers; evaporative coolers; spot coolers; portable cooling apparatus; split system air conditioners; water cooled air conditioning units; ducted air conditioning units; portable air conditioning units; refrigerators; freezers; refrigerated containers; cold rooms; flues; flue pipes; flue terminals; chimneys; ducting for heating, ventilation and air conditioning installations; air ducts; dampers for heating, ventilation and air conditioning installations; grilles for ventilation; diffusers for heating, ventilation and air conditioning installations; solar thermal collectors for heating; water heaters; immersion heaters; calorifiers; hot water cylinders; unvented hot water cylinders; expansion vessels; pressurisation units; circulation pumps for heating systems; parts and fittings for all of the aforesaid goods.

Class 35:

Retail services connected with the sale of heating apparatus, cooling apparatus, air conditioning apparatus, ventilation apparatus, refrigeration apparatus, cold storage apparatus, heat pumps, boilers, heaters, radiators, heat exchangers, heat recovery units, thermostatic valves, heating controls, thermostats, fans for heating, ventilation and air conditioning purposes, air purification apparatus, humidifiers, dehumidifiers, chillers, flues, ducting, water heaters, hot water cylinders, pumps for heating installations, and parts and fittings therefor; retail services connected with the sale of domestic, commercial and industrial heating, cooling, air conditioning, ventilation, refrigeration and cold storage apparatus; wholesale services connected with the sale of heating apparatus, cooling apparatus, air conditioning apparatus, ventilation apparatus, refrigeration apparatus, cold storage apparatus, heat pumps, boilers, heaters, radiators, heat exchangers, heat recovery units, thermostatic valves, heating controls, thermostats, fans for heating, ventilation and air conditioning purposes, air purification apparatus, humidifiers, dehumidifiers, chillers, flues, ducting, water heaters, hot water cylinders, pumps for heating installations, and parts and fittings therefor; wholesale services connected with the sale of domestic, commercial and industrial heating, cooling, air conditioning, ventilation, refrigeration and cold storage apparatus; online retail services connected with the sale of heating, ventilation, air

conditioning and refrigeration goods; commercial intermediation services in the field of heating, ventilation, air conditioning and refrigeration; procurement services for others in the field of heating, ventilation, air conditioning and refrigeration goods and equipment; business assistance relating to the procurement of heating, ventilation, air conditioning and refrigeration goods; arranging of commercial transactions for third parties in the field of heating, ventilation, air conditioning and refrigeration equipment; import and export agency services relating to heating, ventilation, air conditioning and refrigeration goods; negotiation of contracts for the purchase and sale of heating, ventilation, air conditioning and refrigeration goods; price quotation services for heating, ventilation, air conditioning and refrigeration goods; advisory services relating to the procurement of heating, ventilation, air conditioning and refrigeration goods; business project management services relating to the supply of heating, ventilation, air conditioning and refrigeration goods and equipment.

Class 37:

Installation of heating systems; installation of cooling systems; installation of air conditioning systems; installation of ventilation systems; installation of refrigeration and cold storage systems; installation of heat pumps; installation of air source heat pumps; installation of boilers; installation of heaters; installation of radiators; installation of underfloor heating; installation of heating controls and thermostats; installation of ducting; installation of domestic, commercial and industrial heating, cooling, air conditioning, ventilation, refrigeration and cold storage apparatus and systems; commissioning of heating, ventilation, air conditioning and refrigeration systems; repair of heating systems; repair of cooling systems; repair of air conditioning systems; repair of ventilation systems; repair of refrigeration and cold storage systems; repair of heat pumps; repair of air source heat pumps; repair of boilers; maintenance of heating systems; maintenance of cooling systems; maintenance of air conditioning systems; maintenance of ventilation systems; maintenance of refrigeration and cold storage systems; maintenance of heat pumps; maintenance of air source heat pumps; maintenance of boilers; servicing of heating, ventilation, air conditioning and refrigeration systems; refurbishment of heating, ventilation, air conditioning and refrigeration systems; upgrading of heating, ventilation, air conditioning and refrigeration systems; replacement of heating, ventilation, air conditioning and refrigeration equipment; emergency repair services for heating, ventilation, air conditioning and refrigeration systems; plumbing services; pipe installation services; gas fitting services; cleaning of heating systems; insulation installation services; building services relating to heating, ventilation, air conditioning and refrigeration systems; information and advisory services relating to the installation, maintenance and repair of heating, cooling, air conditioning, ventilation, refrigeration and cold storage apparatus and systems.

Class 40:

Rental of boilers; rental of heating apparatus; rental of heating installations; rental of space heating apparatus; rental of air conditioning apparatus; rental of cooling apparatus and installations; rental of refrigerating apparatus; rental of heat pumps; rental of heaters; rental of chillers; rental of heat exchangers; rental of fan coil units; rental of ventilation apparatus; rental of pumps for heating and cooling systems; leasing of heating apparatus; leasing of air conditioning apparatus; leasing of ventilation apparatus; leasing of refrigeration apparatus; leasing of boilers; leasing of

***List of cases accepted for opposition purposes as shown in Journal 2026/012 published on 20 March 2026 .***

heaters; leasing of chillers; leasing of heat pumps; hire services for heating, ventilation, air conditioning and refrigeration equipment.

**Class 42:**

Engineering consultancy services in the field of heating, ventilation, air conditioning and refrigeration; technical consultancy services in the field of heating, ventilation, air conditioning and refrigeration; design of heating, ventilation, air conditioning and refrigeration systems; design services relating to heat pumps; design services relating to heating systems; design services relating to cooling systems; design services relating to air conditioning systems; design services relating to ventilation systems; design services relating to refrigeration and cold storage systems; technical design and planning of heating, cooling, air conditioning, ventilation, refrigeration and cold storage systems; technical design and planning of domestic, commercial and industrial heating, cooling, air conditioning, ventilation, refrigeration and cold storage systems; energy efficiency consultancy services relating to heating, ventilation, air conditioning and refrigeration systems; technical surveying in the field of heating, ventilation, air conditioning and refrigeration; preparation of technical reports relating to heating, ventilation, air conditioning and refrigeration systems; technical project planning in the field of heating, ventilation, air conditioning and refrigeration; technical feasibility studies in the field of heating, ventilation, air conditioning and refrigeration; monitoring of heating, ventilation, air conditioning and refrigeration systems for technical purposes; building energy performance consultancy services; carbon reduction consultancy services relating to heating, ventilation, air conditioning and refrigeration; environmental consultancy services relating to heating, ventilation, air conditioning and refrigeration systems; technical advisory services relating to energy saving in the field of heating, ventilation, air conditioning and refrigeration; technical specification services for heating, ventilation, air conditioning and refrigeration equipment; quality control services for heating, ventilation, air conditioning and refrigeration installations; testing and analysis services relating to heating, ventilation, air conditioning and refrigeration systems; calibration services for heating, ventilation, air conditioning and refrigeration equipment; computer-aided design services relating to heating, ventilation, air conditioning and refrigeration systems; building information modelling services relating to heating, ventilation, air conditioning and refrigeration installations; research and development services in the field of heating, ventilation, air conditioning and refrigeration; research and development of new products relating to heating, ventilation, air conditioning and refrigeration; technological research in the field of heating, ventilation, air conditioning and refrigeration; scientific research in the field of heating, ventilation, air conditioning and refrigeration; research services relating to energy efficiency in heating, ventilation, air conditioning and refrigeration systems; research and development relating to heat pump technology; research and development relating to renewable heating technology; research and development relating to low carbon heating and cooling solutions; product development services in the field of heating, ventilation, air conditioning and refrigeration; development of heating, ventilation, air conditioning and refrigeration systems; research relating to environmental technology in the field of heating, ventilation, air conditioning and refrigeration; research and development of technology for air quality improvement; research and development services relating to smart heating and cooling controls and building automation; laboratory research

services in the field of heating, ventilation, air conditioning and refrigeration; prototype development services in the field of heating, ventilation, air conditioning and refrigeration equipment.

Machines for use in agriculture, compaction, construction, cleaning, defence, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine propulsion, material handling, material scrapping, mining, mulching, oil and gas distribution, oil and gas exploration, oil and gas production, quarrying, paving, pipelaying, power generation, road building and repair, site preparation and remediation, transportation, vegetation management, waste management, air and space exploration; machine tools; power-operated tools; motors and engines, except for land vehicles; machine coupling and transmission components, except for land vehicles; agricultural implements, other than hand-operated hand tools; generators; electricity generators; alternators; electric construction machines; electric mining machines; industrial robots; pumps; compressors; parts, fittings, components and accessories for all the aforesaid goods.

**Class 9:**

Navigation, surveying, measuring, signalling, detecting, testing and inspecting apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; electrical and electronic parts, fittings, components and accessories for industrial machines, vehicles and power generation equipment; wires, electric; electric wiring harnesses; gauges; switches, electric; electronic displays; circuit breakers; fuses; fuse holders; levelling instruments; power inverters; wireless communication apparatus; amplifiers; antennas; electric relays; radios; electric cables; converters; speakers; electrical adaptors; electrical connectors; electrical couplings; electricity conduits; conduit and wire protectors; jump leads; booster cables; circuit testers, voltage testers; transformers [electricity]; locks [electric], electrical terminals; electric control panels; electronic control apparatus; electronic display panels; electronic control units; electronic control modules; communication equipment; communications apparatus for industrial machinery and vehicles; communication adapters; equipment for remote operation, control, and monitoring of earth moving, earth conditioning, material handling, construction, mining, paving, agricultural, and forestry vehicles, equipment, and machinery, engines, power generation equipment, and off-highway trucks; telematic apparatus; Global Positioning System [GPS] apparatus;

thermostats; thermometers; pressure and temperature indicators; fuel, water, and oil level indicators; tachometers; engine diagnostic apparatus; speed checking apparatus for vehicles; alarms; horns; signalling apparatus; optical reflectors; mirrors [optics]; aerials; cameras for vehicles; sensors for vehicles and machinery; digital sensors; simulation apparatus; simulators for the steering and control of vehicles; remote monitoring apparatus; monitoring apparatus, electric; diagnostic apparatus for industrial machinery and vehicles; navigational instruments; navigation apparatus for vehicles [on-board computers]; satellite-aided navigation systems; safety, security, protection and signalling devices; vibration, temperature, infrared, and pressure sensors for industrial machines and vehicles; batteries, electric; battery starters; battery cables; connectors for sale in kit form; battery testers; accumulators [batteries]; power units [batteries]; power distributors [electrical]; rechargeable batteries; battery packs; battery testing apparatus; electrical cells and batteries; fuel cells; solar panels for the production of electricity; cells [electric]; photovoltaic cells; photovoltaic apparatus for generating electricity; battery charging equipment; batteries for electric vehicles; charging stations for electric vehicles; battery swapping stations; battery ground strap connectors; battery tie down connectors; emergency jump start apparatus; voltage converters; electricity storage apparatus; supercapacitors for energy storage; electric power supply units; electric control devices for energy management; energy regulators; power regulating apparatus; computer software for industrial machinery, vehicles and power generation equipment; downloadable mobile applications related to industrial machinery, vehicles and power generation equipment; computer hardware for the collection, transmission, and processing of data of industrial machines, vehicles and power generation equipment; data processing apparatus and equipment related to industrial machinery, vehicles and power generation equipment; onboard computers for industrial machines and vehicles; computer hardware and software for control, testing, operation and monitoring of industrial machinery, vehicles, machine tools, power generation equipment and for providing information related thereto; computer software in the field of statistical analysis, data analysis, predictive analysis, and job site management and planning; computer software for use as an application programming interface (API); virtual reality software; augmented reality software; artificial intelligence software for industrial machines, vehicles and power generation equipment; computers for autonomous-driving industrial machines and vehicles; autonomous driving control systems for industrial machines and vehicles; computer programs for use in autonomous driving, control and navigation of industrial machines and vehicles; energy management software; optimization software; games software; access control equipment and devices; downloadable digital image files authenticated by non-fungible tokens [NFTs]; downloadable virtual industrial machinery; downloadable virtual vehicles; downloadable virtual power generation equipment; downloadable virtual clothing; downloadable virtual footwear; downloadable virtual toys and toy scale models; mobile phones, smartphones, and accessories therefor; tablet computers; smartwatches; wearable activity trackers; virtual reality headsets; virtual reality glasses; smartglasses; USB sticks; protective and safety equipment; protective helmets; protective industrial shoes; gloves for protection against accidents; clothing for protection against accidents, irradiation and fire; security surveillance apparatus; security surveillance robots; parts, fittings, components and accessories for all the aforesaid goods; downloadable computer software for providing information related to operation

***List of cases accepted for opposition purposes as shown in Journal 2026/012 published on 20 March 2026 .***

and maintenance manuals, parts information, product status reports, repair code information, troubleshooting guides for machinery for use in agriculture, compaction, construction, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine, material handling, material scrapping, mining, mulching, oil and gas distribution, exploration and production, paving, pipelaying, power generation, road building and repair, site preparation and remediation, waste management, air and space, quarry, aggregate and cement, vegetation management, transportation, and government and defense, vehicles and apparatus for locomotion by land, air or water for use in agriculture, compaction, construction, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine, material handling, material scrapping, mining, mulching, oil and gas distribution, exploration and production, paving, pipelaying, power generation, road building and repair, site preparation and remediation, waste management, air and space, quarry, aggregate and cement, vegetation management, transportation, and government and defense, and internal combustion engines, and generators.

Class 12:

Vehicles; apparatus for locomotion by land, air or water; land vehicles for use in agriculture, compaction, construction, cleaning, defence, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine propulsion, material handling, material scrapping, mining, mulching, oil and gas distribution, oil and gas exploration, oil and gas production, quarrying, paving, pipelaying, power generation, road building and repair, site preparation and remediation, transportation, vegetation management, waste management, air and space exploration; electric vehicles; engines for land vehicles; trucks; loaders [fork-lift trucks]; dumper trucks; tractors; parts, fittings, components and accessories for all the aforesaid goods.

Class 25:

Clothing, footwear, headwear; parts of clothing, footwear and headgear; soles for footwear; work clothes; work shoes; boots; socks; belts; gloves.

Class 35:

Retail services in relation to vehicles, equipment, machinery and machine tools for use in agriculture, compaction, construction, cleaning, defence, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine propulsion, material handling, material scrapping, mining, mulching, oil and gas distribution, oil and gas exploration, oil and gas production, quarrying, paving, pipelaying, power generation, road building and repair, site preparation and remediation, transportation, vegetation management, waste management, air and space exploration, and parts therefor; retail services in relation to vehicles, and parts therefor; retail services in relation to construction equipment, and parts therefore; retail services in relation to engines and power generation equipment, and parts therefor; online retail services in relation to parts for vehicles, equipment, and machinery for use in agriculture, compaction, construction, cleaning, defence, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine propulsion, material handling, material scrapping, mining, mulching, oil and gas distribution, oil and gas exploration, oil and gas production, quarrying, paving, pipelaying, power generation, road building and repair, site preparation and remediation, transportation, vegetation management, waste management, air and space

exploration; online retail services in relation to parts for engines and power generation equipment; retail services in the field of construction equipment, mining equipment and generators; retail services in relation to machine tools and power tools; retail services in relation to industrial oils, greases and lubricants; retail services in relation to clothing, footwear, headwear, toys, bags, watches, eyewear and printed matter; arranging and conducting auctions; on-line auction services; providing a searchable database, via the internet, of used construction, compaction, mining, material handling, agricultural, paving, and forestry machinery for sale or rent; advertising of business web sites; banner advertising; preparation of audio and/or visual displays for businesses; providing marketing consulting in the field of social media; advertising and marketing services provided by means of social media; subscription services related to batteries; vehicle fleet (business management of a-) [for others]; recruitment services for construction; data acquisition and analysis via computer networks and the internet.

Class 37:

Construction services; demolition services; excavation services; mining extraction, oil and gas drilling; repair of industrial machinery; installation of industrial machinery; maintenance of industrial machinery; reconditioning of industrial machinery; repair, installation, servicing, and maintenance of vehicles, equipment and machines for use in agriculture, compaction, construction, cleaning, defence, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine propulsion, material handling, material scrapping, mining, mulching, oil and gas distribution, oil and gas exploration, oil and gas production, quarrying, paving, pipelaying, power generation, road building and repair, site preparation and remediation, transportation, vegetation management, waste management, air and space exploration; machinery installation; rental of equipment, namely machines and machine tools for use in compaction, construction, cleaning, defence, demolition, earth conditioning, earth contouring, earth moving, landscaping, lifting, marine propulsion, material handling, material scrapping, mining, mulching, quarrying, paving, pipelaying, road building and repair, site preparation and remediation, transportation, waste management, air and space exploration; remanufacturing of vehicles; vehicle battery charging; charging of electric vehicles; charging of batteries and power storage devices, and rental of equipment therefore; maintenance and repair of engines; rebuilding engines that have been worn or partially destroyed; installation of electricity generators; repair or maintenance of power generators; rental of battery chargers; installation, repair and maintenance of battery energy storage systems; installation, repair and maintenance of charging stations for electric vehicles; replacement of batteries; recharging of batteries; refuelling of land vehicles; vehicle refuelling with hydrogen; repair of energy supply installations; electric vehicle battery swapping services; subscription-based industrial machinery rental services; remote control and operation of earth moving, earth conditioning, material handling, construction, mining, paving equipment, and machinery via computer networks and the internet.

Class 40:

Remote control and operation of generators, and power generation equipment via computer networks and the internet.

Class 42:

Scientific and technological services and research and design relating thereto; industrial analysis, industrial research and

***List of cases accepted for opposition purposes as shown in Journal 2026/012 published on 20 March 2026 .***

industrial design services; quality control and authentication services; design and development of computer hardware and software for industrial machinery, vehicles and power generation equipment; engineering and technical consultation; surveying; testing, diagnosis, calibration, and monitoring of earth moving, earth conditioning, material handling, construction, mining, paving, agricultural, and forestry vehicles, equipment, and machinery; testing, diagnosis, calibration, and monitoring of engines, generators, power generation equipment, machinery fleets, trucks, and trucking fleets; monitoring of earth moving, earth conditioning, material handling, construction, mining, paving, agricultural, and forestry vehicles, equipment, and machinery, engines, generators, and power generation equipment via computer networks and the internet; technical data analysis; creation of GPS maps; inspection of plant and machinery; design and development of industrial machinery and land vehicles; research relating to industrial machinery; quality control testing services for industrial machinery; machine condition monitoring; calibration of machines; testing of machinery; machine vision technology research; engineering services for the design and analysis of machinery; software as a service (SaaS) for control, testing, operation and monitoring of industrial machinery, vehicles, machine tools and power generation equipment and for providing information related thereto; providing online non-downloadable computer software for control, testing, operation and monitoring of industrial machinery, vehicles, machine tools and power generation equipment and for providing information related thereto; platform as a service (PaaS); blockchain as a service [BaaS]; artificial intelligence as a service [AIaaS]; rental of computer software; design and development of computer software for vehicle simulation; design of 3D models for 3D printing; design and development of mobile applications; development of energy and power management systems; design and development of energy management software; advisory services relating to the use of energy; advisory services relating to energy efficiency; rental of meters for the recording of energy consumption; chemical analysis; analysis of used machine oils; condition monitoring relating to fluids; exploration services in the field of the oil, gas and mining industries; airborne remote sensing relating to environmental explorations; assessment in the field of technology provided by engineers; providing temporary use of a non-downloadable web application for providing information related to operation and maintenance manuals, parts information, product status reports, repair code information, troubleshooting guides for machinery for use in agriculture, compaction, construction, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine, material handling, material scrapping, mining, mulching, oil and gas distribution, exploration and production, paving, pipelaying, power generation, road building and repair, site preparation and remediation, waste management, air and space, quarry, aggregate and cement, vegetation management, transportation, and government and defense, vehicles and apparatus for locomotion by land, air or water for use in agriculture, compaction, construction, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine, material handling, material scrapping, mining, mulching, oil and gas distribution, exploration and production, paving, pipelaying, power generation, road building and repair, site preparation and remediation, waste management, air and space, quarry, aggregate and cement, vegetation management, transportation, and government and defense, and internal combustion engines, and generators.

Class 44:

Remote control and operation of agricultural, and forestry vehicles, equipment, and machinery.

Class 7:

Machines for use in agriculture, compaction, construction, cleaning, defence, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine propulsion, material handling, material scrapping, mining, mulching, oil and gas distribution, oil and gas exploration, oil and gas production, quarrying, paving, pipelaying, power generation, road building and repair, site preparation and remediation, transportation, vegetation management, waste management, air and space exploration; machine tools; power-operated tools; motors and engines, except for land vehicles; machine coupling and transmission components, except for land vehicles; agricultural implements, other than hand-operated hand tools; generators; electricity generators; alternators; electric construction machines; electric mining machines; industrial robots; pumps; compressors; parts, fittings, components and accessories for all the aforesaid goods.

Class 9:

Navigation, surveying, measuring, signalling, detecting, testing and inspecting apparatus and instruments; apparatus and instruments for conducting, switching, transforming,

***List of cases accepted for opposition purposes as shown in Journal 2026/012 published on 20 March 2026 .***

accumulating, regulating or controlling the distribution or use of electricity; apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; electrical and electronic parts, fittings, components and accessories for industrial machines, vehicles and power generation equipment; wires, electric; electric wiring harnesses; gauges; switches, electric; electronic displays; circuit breakers; fuses; fuse holders; levelling instruments; power inverters; wireless communication apparatus; amplifiers; antennas; electric relays; radios; electric cables; converters; speakers; electrical adaptors: electrical connectors; electrical couplings; electricity conduits; conduit and wire protectors; jump leads; booster cables; circuit testers, voltage testers; transformers [electricity]; locks [electric], electrical terminals; electric control panels; electronic control apparatus; electronic display panels; electronic control units; electronic control modules; communication equipment; communications apparatus for industrial machinery and vehicles; communication adapters; equipment for remote operation, control, and monitoring of earth moving, earth conditioning, material handling, construction, mining, paving, agricultural, and forestry vehicles, equipment, and machinery, engines, power generation equipment, and off-highway trucks; telematic apparatus; Global Positioning System [GPS] apparatus; thermostats; thermometers; pressure and temperature indicators; fuel, water, and oil level indicators; tachometers; engine diagnostic apparatus; speed checking apparatus for vehicles; alarms; horns; signalling apparatus; optical reflectors; mirrors [optics]; aerials; cameras for vehicles; sensors for vehicles and machinery; digital sensors; simulation apparatus; simulators for the steering and control of vehicles; remote monitoring apparatus; monitoring apparatus, electric; diagnostic apparatus for industrial machinery and vehicles; navigational instruments; navigation apparatus for vehicles [on-board computers]; satellite-aided navigation systems; safety, security, protection and signalling devices; vibration, temperature, infrared, and pressure sensors for industrial machines and vehicles; batteries, electric; battery starters; battery cables; connectors for sale in kit form; battery testers; accumulators [batteries]; power units [batteries]; power distributors [electrical]; rechargeable batteries; battery packs; battery testing apparatus; electrical cells and batteries; fuel cells; solar panels for the production of electricity; cells [electric]; photovoltaic cells; photovoltaic apparatus for generating electricity; battery charging equipment; batteries for electric vehicles; charging stations for electric vehicles; battery swapping stations; battery ground strap connectors; battery tie down connectors; emergency jump start apparatus; voltage converters; electricity storage apparatus; supercapacitors for energy storage; electric power supply units; electric control devices for energy management; energy regulators; power regulating apparatus; computer software for industrial machinery, vehicles and power generation equipment; downloadable mobile applications related to industrial machinery, vehicles and power generation equipment; computer hardware for the collection, transmission, and processing of data of industrial machines, vehicles and power generation equipment; data processing apparatus and equipment related to industrial machinery, vehicles and power generation equipment; onboard computers for industrial machines and vehicles; computer hardware and software for control, testing, operation and monitoring of industrial machinery, vehicles, machine tools, power generation equipment and for providing information related thereto; computer software in the field of statistical analysis, data analysis, predictive analysis, and job site management and planning; computer software for use as an application programming interface (API);

virtual reality software; augmented reality software; artificial intelligence software for industrial machines, vehicles and power generation equipment; computers for autonomous-driving industrial machines and vehicles; autonomous driving control systems for industrial machines and vehicles; computer programs for use in autonomous driving, control and navigation of industrial machines and vehicles; energy management software; optimization software; games software; access control equipment and devices; downloadable digital image files authenticated by non-fungible tokens [NFTs]; downloadable virtual industrial machinery; downloadable virtual vehicles; downloadable virtual power generation equipment; downloadable virtual clothing; downloadable virtual footwear; downloadable virtual toys and toy scale models; mobile phones, smartphones, and accessories therefor; tablet computers; smartwatches; wearable activity trackers; virtual reality headsets; virtual reality glasses; smartglasses; USB sticks; protective and safety equipment; protective helmets; protective industrial shoes; gloves for protection against accidents; clothing for protection against accidents, irradiation and fire; security surveillance apparatus; security surveillance robots; parts, fittings, components and accessories for all the aforesaid goods; downloadable computer software for providing information related to operation and maintenance manuals, parts information, product status reports, repair code information, troubleshooting guides for machinery for use in agriculture, compaction, construction, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine, material handling, material scrapping, mining, mulching, oil and gas distribution, exploration and production, paving, pipelaying, power generation, road building and repair, site preparation and remediation, waste management, air and space, quarry, aggregate and cement, vegetation management, transportation, and government and defense, vehicles and apparatus for locomotion by land, air or water for use in agriculture, compaction, construction, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine, material handling, material scrapping, mining, mulching, oil and gas distribution, exploration and production, paving, pipelaying, power generation, road building and repair, site preparation and remediation, waste management, air and space, quarry, aggregate and cement, vegetation management, transportation, and government and defense, and internal combustion engines, and generators.

Class 12:

Vehicles; apparatus for locomotion by land, air or water; land vehicles for use in agriculture, compaction, construction, cleaning, defence, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine propulsion, material handling, material scrapping, mining, mulching, oil and gas distribution, oil and gas exploration, oil and gas production, quarrying, paving, pipelaying, power generation, road building and repair, site preparation and remediation, transportation, vegetation management, waste management, air and space exploration; electric vehicles; engines for land vehicles; trucks; loaders [fork-lift trucks]; dumper trucks; tractors; parts, fittings, components and accessories for all the aforesaid goods.

Class 25:

Clothing, footwear, headwear; parts of clothing, footwear and headgear; soles for footwear; work clothes; work shoes; boots; socks; belts; gloves.

Class 35:

***List of cases accepted for opposition purposes as shown in Journal 2026/012 published on 20 March 2026 .***

Retail services in relation to vehicles, equipment, machinery and machine tools for use in agriculture, compaction, construction, cleaning, defence, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine propulsion, material handling, material scrapping, mining, mulching, oil and gas distribution, oil and gas exploration, oil and gas production, quarrying, paving, pipelaying, power generation, road building and repair, site preparation and remediation, transportation, vegetation management, waste management, air and space exploration, and parts therefor; retail services in relation to vehicles, and parts therefor; retail services in relation to construction equipment, and parts therefor; retail services in relation to engines and power generation equipment, and parts therefor; online retail services in relation to parts for vehicles, equipment, and machinery for use in agriculture, compaction, construction, cleaning, defence, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine propulsion, material handling, material scrapping, mining, mulching, oil and gas distribution, oil and gas exploration, oil and gas production, quarrying, paving, pipelaying, power generation, road building and repair, site preparation and remediation, transportation, vegetation management, waste management, air and space exploration; online retail services in relation to parts for engines and power generation equipment; retail services in the field of construction equipment, mining equipment and generators; retail services in relation to machine tools and power tools; retail services in relation to industrial oils, greases and lubricants; retail services in relation to clothing, footwear, headwear, toys, bags, watches, eyewear and printed matter; arranging and conducting auctions; on-line auction services; providing a searchable database, via the internet, of used construction, compaction, mining, material handling, agricultural, paving, and forestry machinery for sale or rent; advertising of business web sites; banner advertising; preparation of audio and/or visual displays for businesses; providing marketing consulting in the field of social media; advertising and marketing services provided by means of social media; subscription services related to batteries; vehicle fleet (business management of a-) [for others]; recruitment services for construction; data acquisition and analysis via computer networks and the internet.

**Class 37:**

Construction services; demolition services; excavation services; mining extraction, oil and gas drilling; repair of industrial machinery; installation of industrial machinery; maintenance of industrial machinery; reconditioning of industrial machinery; repair, installation, servicing, and maintenance of vehicles, equipment and machines for use in agriculture, compaction, construction, cleaning, defence, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine propulsion, material handling, material scrapping, mining, mulching, oil and gas distribution, oil and gas exploration, oil and gas production, quarrying, paving, pipelaying, power generation, road building and repair, site preparation and remediation, transportation, vegetation management, waste management, air and space exploration; machinery installation; rental of equipment, namely machines and machine tools for use in compaction, construction, cleaning, defence, demolition, earth conditioning, earth contouring, earth moving, landscaping, lifting, marine propulsion, material handling, material scrapping, mining, mulching, quarrying, paving, pipelaying, road building and repair, site preparation and remediation, transportation, waste management, air and space exploration; remanufacturing of vehicles; vehicle battery

charging; charging of electric vehicles; charging of batteries and power storage devices, and rental of equipment therefore; maintenance and repair of engines; rebuilding engines that have been worn or partially destroyed; installation of electricity generators; repair or maintenance of power generators; rental of battery chargers; installation, repair and maintenance of battery energy storage systems; installation, repair and maintenance of charging stations for electric vehicles; replacement of batteries; recharging of batteries; refuelling of land vehicles; vehicle refuelling with hydrogen; repair of energy supply installations; electric vehicle battery swapping services; subscription-based industrial machinery rental services; remote control and operation of earth moving, earth conditioning, material handling, construction, mining, paving equipment, and machinery via computer networks and the internet.

**Class 40:**

Remote control and operation of generators, and power generation equipment via computer networks and the internet.

**Class 42:**

Scientific and technological services and research and design relating thereto; industrial analysis, industrial research and industrial design services; quality control and authentication services; design and development of computer hardware and software for industrial machinery, vehicles and power generation equipment; engineering and technical consultation; surveying; testing, diagnosis, calibration, and monitoring of earth moving, earth conditioning, material handling, construction, mining, paving, agricultural, and forestry vehicles, equipment, and machinery; testing, diagnosis, calibration, and monitoring of engines, generators, power generation equipment, machinery fleets, trucks, and trucking fleets; monitoring of earth moving, earth conditioning, material handling, construction, mining, paving, agricultural, and forestry vehicles, equipment, and machinery, engines, generators, and power generation equipment via computer networks and the internet; technical data analysis; creation of GPS maps; inspection of plant and machinery; design and development of industrial machinery and land vehicles; research relating to industrial machinery; quality control testing services for industrial machinery; machine condition monitoring; calibration of machines; testing of machinery; machine vision technology research; engineering services for the design and analysis of machinery; software as a service (SaaS) for control, testing, operation and monitoring of industrial machinery, vehicles, machine tools and power generation equipment and for providing information related thereto; providing online non-downloadable computer software for control, testing, operation and monitoring of industrial machinery, vehicles, machine tools and power generation equipment and for providing information related thereto; platform as a service (PaaS); blockchain as a service [BaaS]; artificial intelligence as a service [AIaaS]; rental of computer software; design and development of computer software for vehicle simulation; design of 3D models for 3D printing; design and development of mobile applications; development of energy and power management systems; design and development of energy management software; advisory services relating to the use of energy; advisory services relating to energy efficiency; rental of meters for the recording of energy consumption; chemical analysis; analysis of used machine oils; condition monitoring relating to fluids; exploration services in the field of the oil, gas and mining industries; airborne remote sensing relating to environmental explorations; assessment in the field of technology provided by engineers; providing temporary use of a non-downloadable web application for providing

## Built Different

Class 41:

Television entertainment; Television and radio entertainment; Production of television entertainment programmes; Television and radio entertainment services; Cinema entertainment; Production of television entertainment features; Production of entertainment in the form of television programmes; Production of entertainment in the form of a television series; Production of TV shows; Production of television and cinema films; Entertainment by film; TV and radio presenter services; Entertainment services in the form of television programmes; Production of television films; Preparation of documentary programmes for the cinema; Production of live television programmes for education; Television show production; Production of television and radio programmes; Entertainment by means of television; Film production for entertainment purposes; Production of television programmes; Production of films for entertainment purposes; Preparation of documentary programmes for broadcasting; Television programme production; Education, entertainment and sports; Production of documentaries.

L2i productions

UK00004350790 07 March 2026  
(35, 41, 45)

Description: The mark consists of a stylized bridge icon featuring a central pillar in the shape of a mathematical integral symbol, flanked by two symmetrical pillars resting on rectangular foundation blocks. Below the icon is the word 'NEXUSGermanica' presented as a single word, with 'NEXUS' in bold navy blue and 'Germanica' in a regular weight slate grey.

Class 35:

Administrative processing of university and college applications; Student recruitment and placement services; Advisory services for business management of students; Business coaching services for international students; Compilation and systematization of educational data into computer databases; Administrative services for the referral of students to educational institutions.

***List of cases accepted for opposition purposes as shown in Journal 2026/012 published on 20 March 2026 .***

Class 41:

Education and instruction services; Providing online non-downloadable video performances in the field of STEM (Science, Technology, Engineering, Mathematics); Providing online interactive educational exercises and quizzes; Provision of distance learning courses via the internet; Educational consultancy and student mentoring services; Academic tutoring, especially in mathematics and science and German language; Organization of examinations and preparation for university entrance exams; Provision of information relating to educational and examination requirements.

Class 45:

Advisory and representation services relating to visa applications; Consultancy regarding legal requirements for international students; Legal research; Preparation of legal and administrative documents for students; Regulatory compliance consultancy; Providing information regarding the legal rights of students.

## CTRL O

Class 9:

Downloadable computer software for workflow and case management; downloadable software enabling user-configurable interfaces, data fields, role-based access controls and permissions; downloadable software for configuring user-defined data fields, data display views, data validation, role-based access controls and permissions; downloadable software for data collection, data access and data analysis; downloadable software for data editing, data reporting and displaying data audit history; downloadable application programming interface (API) software for data access, data editing, data reporting and providing data audit history; downloadable software for database and application integration; downloadable software for data migration and export; downloadable software for creating data audit trails, data display dashboards and data use metrics; downloadable electronic user manuals and documentation.

Class 35:

Business consultancy and advisory services in the field of digital transformation of business processes; business consultancy and advisory services in the field of business process mapping; business process management consultancy and advisory services; business process management consultancy and advisory services in the field of digital transformation of workflow and case management; analysis of business data; business data analysis and reporting services relating to workflow and case management.

Class 41:

Training services relating to software; training services relating to software for workflow and case management; user training, administrator training and "train-the-trainer" services; user training, administrator training and "train-the-trainer" services relating to software for workflow and case management; provision of online non-downloadable user guides and manuals; provision of online non-downloadable user guides and manuals relating to software for workflow and case management; arranging and conducting software

demonstrations; demonstration of software for workflow and case management.

Class 42:

Providing online non-downloadable software for case management, providing online non-downloadable software for workflow management; software as a services(SaaS) for workflow and case management featuring computer software enabling user-configurable interfaces, data fields, validations, role-based access controls and permissions; platform as a Service (PaaS) for workflow and case management featuring computer software platforms enabling user-configurable interfaces, data fields, validations, role-based access controls and permissions; providing online no-downloadable software for workflow and approvals, project and issue tracking, data collection and visualization, notifications and alerts; providing online non-downloadable application programming interfaces (API) for data access, data editing, data reporting and data audit history; providing online non-downloadable software for database and application integration; providing online non-downloadable software for data migration and data export; providing online non-downloadable software for creating data audit trails, data display dashboards and data use metrics; integration of computer software into multiple systems and networks; hosting software and data for others on private, public or community cloud infrastructure; data encryption services and electronic data back-up services; technical support services relating to software, namely, helpdesk services and technical account management; providing software updates within hosted environments; technical advice and consultancy in the field of software for workflow and case management; design of software for workflow and case management; maintenance of software for workflow and case management; computing consultancy; consultancy services relating to computing; technical consultancy services in connection with computing equipment; technical consultancy services in connection with computing networks; provision of computing facilities; provision of expert appraisals relating to computing; provision of expert evaluations relating to computing; provision of expert reports relating to computing; provision of reports relating to computing; rental of computing equipment; cloud computing; advisory services in the field of product development and quality improvement of software; computer software design for others; consultancy in the field of software design; designing computer software for controlling self-service terminals; developing of driver and operating system software; development of software for secure network operations; application service provider [ASP], namely, hosting computer software applications of others; computer and software consultancy services; computer hardware and software consultancy; computer hardware and software consultancy services; computer rental and updating of computer software; computer software consultancy services; computer software consultation; computer software consulting services; computer software integration; computer software maintenance services; computer software technical support services; consultancy and advice on computer software and hardware; consultancy services relating to computer networks using mixed software environments; creation, maintenance and adaptation of software; customisation of computer hardware and software; design, drawing and commissioned writing of computer software; design, maintenance and updating of computer software; design, maintenance and up-dating of computer software; design, maintenance, rental and updating of computer software; design, updating and maintenance of computer software; developing computer software for others;

***List of cases accepted for opposition purposes as shown in Journal 2026/012 published on 20 March 2026 .***

development of software solutions for internet providers and internet users; installation and customisation of computer applications software; installation and maintenance services for software; installation, maintenance and updating of computer software; maintenance and repair of software; providing information, advice and consultancy services in the field of computer software; rental of computers and software; repair of computer software; consultancy services relating to computer software; software authoring; software consultancy services; software consulting services; software customisation services; software design; electronic data storage; cloud storage of workflow and case data, including historical views and audit trails; cloud storage services for electronic data; provision of secure, backed-up storage of data; storage of audit trails and historical versions of records.

fuel, water, and oil level indicators; tachometers; engine diagnostic apparatus; speed checking apparatus for vehicles; alarms; horns; signalling apparatus; optical reflectors; mirrors [optics]; aerials; cameras for vehicles; sensors for vehicles and machinery; digital sensors; simulation apparatus; simulators for the steering and control of vehicles; remote monitoring apparatus; monitoring apparatus, electric; diagnostic apparatus for industrial machinery and vehicles; navigational instruments; navigation apparatus for vehicles [on-board computers]; satellite-aided navigation systems; safety, security, protection and signalling devices; vibration, temperature, infrared, and pressure sensors for industrial machines and vehicles; batteries, electric; battery starters; battery cables; connectors for sale in kit form; battery testers; accumulators [batteries]; power units [batteries]; power distributors [electrical]; rechargeable batteries; battery packs; battery testing apparatus; electrical cells and batteries; fuel cells; solar panels for the production of electricity; cells [electric]; photovoltaic cells; photovoltaic apparatus for generating electricity; battery charging equipment; batteries for electric vehicles; charging stations for electric vehicles; battery swapping stations; battery ground strap connectors; battery tie down connectors; emergency jump start apparatus; voltage converters; electricity storage apparatus; supercapacitors for energy storage; electric power supply units; electric control devices for energy management; energy regulators; power regulating apparatus; computer software for industrial machinery, vehicles and power generation equipment; downloadable mobile applications related to industrial machinery, vehicles and power generation equipment; computer hardware for the collection, transmission, and processing of data of industrial machines, vehicles and power generation equipment; data processing apparatus and equipment related to industrial machinery, vehicles and power generation equipment; onboard computers for industrial machines and vehicles; computer hardware and software for control, testing, operation and monitoring of industrial machinery, vehicles, machine tools, power generation equipment and for providing information related thereto; computer software in the field of statistical analysis, data analysis, predictive analysis, and job site management and planning; computer software for use as an application programming interface (API); virtual reality software; augmented reality software; artificial intelligence software for industrial machines, vehicles and power generation equipment; computers for autonomous-driving industrial machines and vehicles; autonomous driving control systems for industrial machines and vehicles; computer programs for use in autonomous driving, control and navigation of industrial machines and vehicles; energy management software; optimization software; games software; access control equipment and devices; downloadable digital image files authenticated by non-fungible tokens [NFTs]; downloadable virtual industrial machinery; downloadable virtual vehicles; downloadable virtual power generation equipment; downloadable virtual clothing; downloadable virtual footwear; downloadable virtual toys and toy scale models; mobile phones, smartphones, and accessories therefor; tablet computers; smartwatches; wearable activity trackers; virtual reality headsets; virtual reality glasses; smartglasses; USB sticks; protective and safety equipment; protective helmets; protective industrial shoes; gloves for protection against accidents; clothing for protection against accidents, irradiation and fire; security surveillance apparatus; security surveillance robots; parts, fittings, components and accessories for all the aforesaid goods; downloadable computer software for providing information related to operation and maintenance manuals, parts information, product status

reports, repair code information, troubleshooting guides for machinery for use in agriculture, compaction, construction, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine, material handling, material scrapping, mining, mulching, oil and gas distribution, exploration and production, paving, pipelaying, power generation, road building and repair, site preparation and remediation, waste management, air and space, quarry, aggregate and cement, vegetation management, transportation, and government and defense, vehicles and apparatus for locomotion by land, air or water for use in agriculture, compaction, construction, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine, material handling, material scrapping, mining, mulching, oil and gas distribution, exploration and production, paving, pipelaying, power generation, road building and repair, site preparation and remediation, waste management, air and space, quarry, aggregate and cement, vegetation management, transportation, and government and defense, and internal combustion engines, and generators.

Class 12:

Vehicles; apparatus for locomotion by land, air or water; land vehicles for use in agriculture, compaction, construction, cleaning, defence, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine propulsion, material handling, material scrapping, mining, mulching, oil and gas distribution, oil and gas exploration, oil and gas production, quarrying, paving, pipelaying, power generation, road building and repair, site preparation and remediation, transportation, vegetation management, waste management, air and space exploration; electric vehicles; engines for land vehicles; trucks; loaders [fork-lift trucks]; dumper trucks; tractors; parts, fittings, components and accessories for all the aforesaid goods.

Class 25:

Clothing, footwear, headwear; parts of clothing, footwear and headgear; soles for footwear; work clothes; work shoes; boots; socks; belts; gloves.

Class 35:

Retail services in relation to vehicles, equipment, machinery and machine tools for use in agriculture, compaction, construction, cleaning, defence, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine propulsion, material handling, material scrapping, mining, mulching, oil and gas distribution, oil and gas exploration, oil and gas production, quarrying, paving, pipelaying, power generation, road building and repair, site preparation and remediation, transportation, vegetation management, waste management, air and space exploration, and parts therefor; retail services in relation to vehicles, and parts therefor; retail services in relation to construction equipment, and parts therefor; retail services in relation to engines and power generation equipment, and parts therefor; online retail services in relation to parts for vehicles, equipment, and machinery for use in agriculture, compaction, construction, cleaning, defence, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine propulsion, material handling, material scrapping, mining, mulching, oil and gas distribution, oil and gas exploration, oil and gas production, quarrying, paving, pipelaying, power generation, road building and repair, site preparation and remediation, transportation, vegetation management, waste management, air and space exploration; online retail services in relation to parts for engines

***List of cases accepted for opposition purposes as shown in Journal 2026/012 published on 20 March 2026 .***

and power generation equipment; retail services in the field of construction equipment, mining equipment and generators; retail services in relation to machine tools and power tools; retail services in relation to industrial oils, greases and lubricants; retail services in relation to clothing, footwear, headwear, toys, bags, watches, eyewear and printed matter; arranging and conducting auctions; on-line auction services; providing a searchable database, via the internet, of used construction, compaction, mining, material handling, agricultural, paving, and forestry machinery for sale or rent; advertising of business web sites; banner advertising; preparation of audio and/or visual displays for businesses; providing marketing consulting in the field of social media; advertising and marketing services provided by means of social media; subscription services related to batteries; vehicle fleet (business management of a-) [for others]; recruitment services for construction; data acquisition and analysis via computer networks and the internet.

Class 37:

Construction services; demolition services; excavation services; mining extraction, oil and gas drilling; repair of industrial machinery; installation of industrial machinery; maintenance of industrial machinery; reconditioning of industrial machinery; repair, installation, servicing, and maintenance of vehicles, equipment and machines for use in agriculture, compaction, construction, cleaning, defence, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine propulsion, material handling, material scrapping, mining, mulching, oil and gas distribution, oil and gas exploration, oil and gas production, quarrying, paving, pipelaying, power generation, road building and repair, site preparation and remediation, transportation, vegetation management, waste management, air and space exploration; machinery installation; rental of equipment, namely machines and machine tools for use in compaction, construction, cleaning, defence, demolition, earth conditioning, earth contouring, earth moving, landscaping, lifting, marine propulsion, material handling, material scrapping, mining, mulching, quarrying, paving, pipelaying, road building and repair, site preparation and remediation, transportation, waste management, air and space exploration; remanufacturing of vehicles; vehicle battery charging; charging of electric vehicles; charging of batteries and power storage devices, and rental of equipment therefore; maintenance and repair of engines; rebuilding engines that have been worn or partially destroyed; installation of electricity generators; repair or maintenance of power generators; rental of battery chargers; installation, repair and maintenance of battery energy storage systems; installation, repair and maintenance of charging stations for electric vehicles; replacement of batteries; recharging of batteries; refuelling of land vehicles; vehicle refuelling with hydrogen; repair of energy supply installations; electric vehicle battery swapping services; subscription-based industrial machinery rental services; remote control and operation of earth moving, earth conditioning, material handling, construction, mining, paving equipment, and machinery via computer networks and the internet.

Class 40:

Remote control and operation of generators, and power generation equipment via computer networks and the internet.

Class 42:

Scientific and technological services and research and design relating thereto; industrial analysis, industrial research and industrial design services; quality control and authentication

services; design and development of computer hardware and software for industrial machinery, vehicles and power generation equipment; engineering and technical consultation; surveying; testing, diagnosis, calibration, and monitoring of earth moving, earth conditioning, material handling, construction, mining, paving, agricultural, and forestry vehicles, equipment, and machinery; testing, diagnosis, calibration, and monitoring of engines, generators, power generation equipment, machinery fleets, trucks, and trucking fleets; monitoring of earth moving, earth conditioning, material handling, construction, mining, paving, agricultural, and forestry vehicles, equipment, and machinery, engines, generators, and power generation equipment via computer networks and the internet; technical data analysis; creation of GPS maps; inspection of plant and machinery; design and development of industrial machinery and land vehicles; research relating to industrial machinery; quality control testing services for industrial machinery; machine condition monitoring; calibration of machines; testing of machinery; machine vision technology research; engineering services for the design and analysis of machinery; software as a service (SaaS) for control, testing, operation and monitoring of industrial machinery, vehicles, machine tools and power generation equipment and for providing information related thereto; providing online non-downloadable computer software for control, testing, operation and monitoring of industrial machinery, vehicles, machine tools and power generation equipment and for providing information related thereto; platform as a service (PaaS); blockchain as a service [BaaS]; artificial intelligence as a service [AIaaS]; rental of computer software; design and development of computer software for vehicle simulation; design of 3D models for 3D printing; design and development of mobile applications; development of energy and power management systems; design and development of energy management software; advisory services relating to the use of energy; advisory services relating to energy efficiency; rental of meters for the recording of energy consumption; chemical analysis; analysis of used machine oils; condition monitoring relating to fluids; exploration services in the field of the oil, gas and mining industries; airborne remote sensing relating to environmental explorations; assessment in the field of technology provided by engineers; providing temporary use of a non-downloadable web application for providing information related to operation and maintenance manuals, parts information, product status reports, repair code information, troubleshooting guides for machinery for use in agriculture, compaction, construction, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine, material handling, material scrapping, mining, mulching, oil and gas distribution, exploration and production, paving, pipelaying, power generation, road building and repair, site preparation and remediation, waste management, air and space, quarry, aggregate and cement, vegetation management, transportation, and government and defense, vehicles and apparatus for locomotion by land, air or water for use in agriculture, compaction, construction, demolition, earth conditioning, earth contouring, earth moving, forestry, landscaping, lifting, marine, material handling, material scrapping, mining, mulching, oil and gas distribution, exploration and production, paving, pipelaying, power generation, road building and repair, site preparation and remediation, waste management, air and space, quarry, aggregate and cement, vegetation management, transportation, and government and defense, and internal combustion engines, and generators.

Class 44:

#### **PIONEER VETERINARY PRODUCTS**

Class 5:

Intravenous fluids used for rehydration, nutrition and the delivery of pharmaceutical preparations; antibiotics for veterinary use; pain relief medication; pain relieving creams; pain relief preparations; pain relief medication for veterinary purposes; veterinary vaccines; veterinary diagnostic reagents; surgical bandages; elastic bandages [dressings]; surgical glues; adhesive

bandages for skin wounds; adhesive bandages; surgical dressings; dressings (Surgical -); surgical plasters; elastic dressings; bandages for dressings; gauzes for use as dressings; plasters [dressings]; gauze for dressings; surgical dressings; wound dressings; compresses for use as dressings; compression bandages [dressings]; disinfectant dressings; disinfectant soap; disinfectant swabs; disinfectants; disinfectants and antiseptics; washes (disinfectant -) [other than soap]; medicated swabs; cotton swabs for medical use; cotton swabs for medical purposes; impregnated medicated swabs; swabs for medical use; alcohol swabs for medical purposes; cotton wool swabs for medical use; medicated hand wash; alcohol-based antibacterial skin sanitizer gels; topical gels for medical and therapeutic use; massage gels for medical purposes; medical diagnostic test strips.

Class 6:

Cages of metal; metal cages for wild animals; metal crates for animal transportation; stalls [structures] of metal for animals; crates of metal.

Class 8:

Trimmers [hand operated tools]; dog clippers; hair clippers for animals [hand instruments]; electric hair clippers for animals [hand instruments]; electric and battery-powered hair clippers; clippers for use on animals [hand-operated]; hand-operated nail clippers for pets; blades for electric razors; blades for shears; parts, fittings and accessories for the aforesaid.

Class 9:

Thermistor probes; monitors; wearable monitors; computer display monitors; thermal imaging cameras; weighing scales; scales; weighing scales for medical use; portable digital electronic scales; cameras; lasers; programmable timers; countdown timers; electric timers; temperature gauges; temperature sensors; batteries; laboratory centrifuges; laboratory swabs [laboratory instruments]; diagnostic apparatus for research laboratory use; laboratory oscilloscopes; test tubes; refractometers; microscopes; parts, fittings and accessories for the aforesaid.

Class 10:

Veterinary apparatus and instruments; apparatus for veterinary purposes; intravenous catheters; intravenous infusion pumps for medical purposes; intravenous feeding tubes; intravenous feeding bottles; intravenous catheter sets; intravenous administration instruments for medical purposes; autoinjectors for the administration of pharmaceutical preparations; apparatus for drug administration; hypodermic syringes for use in administering injection substances; time programmable intravenous perfusion pumps; apparatus for administering intravenous solutions; intravenous bags for surgical purposes; intravenous bags for medical purposes; meters for body fluids; infusion pumps to deliver medication; tubes for veterinary use; tools for veterinary diagnostics; pumps for veterinary use; wearable monitors used to measure biometric data for medical use; otoscopes; specula for otoscopes; ophthalmoscopes; ocular speculums; stethoscopes; endoscopes; laryngoscopes; bronchoscopes; forceps; sphygmomanometers; electronic sphygmomanometers; digital electronic sphygmomanometers; surgical forceps; heart monitors; heart signal monitors; blood pressure monitors; pressure monitors for medical use; oxygen monitors for medical use; temperature monitors for medical use; ; dental equipment; dental apparatus; dental instruments; dental tools; dental apparatus, electric; dental drills; tables for radiology; tables for surgery; operating tables; medical examination tables;

***List of cases accepted for opposition purposes as shown in Journal 2026/012 published on  
20 March 2026 .***

medical instrument tables; medical instrument stands; medical instrument cabinets; mattresses for medical use; throughflow operated centrifuges filters for medical use; blood centrifuging tubules [for medical use]; orthopaedic strappings; orthopaedic [orthopedic] belts; medical apparatus for the relief of pain; lamps for use with medical instruments; medical examination lamps; medical operating lamps; lamps for medical purposes; ultraviolet lamps for medical purposes; UV lamps for medical applications; ultraviolet lamps for medical use; infrared lamps for medical purposes; surgical lamps; foam massage rollers; orthopaedic cushions; electric sputum aspirators; manual sputum aspirators; suction apparatus for dental use; suction tubes for medical purposes; medical blankets for the warming of patients; electric warming pads for medical use; medical blankets for the cooling of patients; blood glucose monitoring apparatus; meters for measuring blood glucose; blood glucose meter; stretchers; medical stretchers; patient stretchers; electrocautery apparatus; surgical probes; medical probes; dental probes; tonometers; retractors [medical instruments]; temperature sensors for medical use; temperature meters for medical use; temperature monitors for medical use; lasers for medical use; lasers for surgical use; fetal heartbeat monitors; fetal pulse monitors; tools for veterinary diagnostics; sutures; surgical sutures; adhesive sutures; suture needles; hard elastic sutures; suturing needles; suture materials; materials for suture; adhesive suture materials; applicators for antiseptic preparations; plaster bandages for orthopaedic purposes; plaster bandages for orthopaedic purposes; orthopaedic bandages; splinting bandages for preparing splints; X-ray apparatus for dental imaging; X-ray CT scanners; X-ray diagnostic apparatus; X-ray scanners for medical use; shears [surgical instruments]; hypodermic needles; needles for injections; suture needles; biopsy needles; hypodermic syringes; syringes for injections; disposable needles for hypodermic syringes; injection syringes [syringe barrels]; injection syringes; disposable syringes; hand sprayers (Hand operated -), for medical use; medical hand tools; obstetric apparatus; medical dosage dispensers for medical use; blood collection needles; automated blood collection instruments; blood collection bags for medical purposes; blood collection tubes for medical use; blood collection bags for veterinary purposes; blood collection tubes for surgical use; blood collection bags for veterinary purposes, empty; blood collecting tubules; capillary tubes for samples; fluid collection containers for medical use; haematology analysers diagnostic test kits for the detection of haemoglobin in faeces; blood transfusion apparatus; blood centrifuging tubules [for medical use]; urine bags; urine test glasses; urine drainage bags; bags for medical use in collecting urine samples; bags for medical use in storing urine samples; bags for surgical use in collecting urine; diagnostic test kits for the detection of haemoglobin in faeces; parts, fittings and accessories for the aforesaid.

Class 11:

Lighting; lamps; laboratory lamps; electrical lamps; lighting lamps; sterilisation autoclaves; electric autoclaves; sterilizers; sterilizers for surgical instruments; sterilizers for medical instruments; sterilizers for laboratory use; water distilling units; water sterilisers; thermal fluid heaters; stainless steel sink tops; stainless steel sinks; refrigerators; parts, fittings and accessories for the aforesaid.

Class 12:

Trolleys; hospital carts; parts, fittings and accessories for the aforesaid.

Class 17:

Polyurethane foam in blocks; foam rubber.

Class 19:

Sandbags; cages of non-metallic materials, other than for domestic use; stalls [structures], not of metal for animals.

Class 20:

Stools; swivel stools; work stools; cabinets; medicine cabinets; pedestal cabinets; metal cabinets; bench tables; display tables; chests of drawers; storage racks; chairs; swivel chairs; office chairs; stackable furniture; cupboards.

Class 21:

Pedal bins; cages for pets; wash tubs.

Class 22:

Bags [sacks] for transportation purposes.

Class 35:

The bringing together for the benefit of others a variety of veterinary goods enabling customers to conveniently view and purchase such goods more easily on the Internet; the bringing together for the benefit of others a variety of veterinary goods enabling customers to conveniently view and purchase such goods more easily in a retail or wholesale outlet; wholesale services for pharmaceutical, veterinary and sanitary preparations and medical supplies; retail services in relation to veterinary articles, veterinary preparations, veterinary instruments and veterinary apparatus; retail services in relation to the sale of intravenous fluids used for rehydration, nutrition and the delivery of pharmaceutical preparations, antibiotics for veterinary use, pain relief medication, pain relieving creams, pain relief preparations, pain relief medication for veterinary purposes, veterinary vaccines, veterinary diagnostic reagents, surgical bandages, elastic bandages [dressings], surgical glues, adhesive bandages for skin wounds, adhesive bandages, surgical dressings, dressings (Surgical -), surgical plasters, elastic dressings, bandages for dressings, gauzes for use as dressings, plasters [dressings], gauze for dressings, surgical dressings, wound dressing, compresses for use as dressings, compression bandages [dressings], disinfectant dressings, disinfectant soap, disinfectant swabs, disinfectants, disinfectants and antiseptics, washes (disinfectant -) [other than soap], medicated swabs, cotton swabs for medical use, cotton swabs for medical purposes, impregnated medicated swabs, swabs for medical use, alcohol swabs for medical purposes, cotton wool swabs for medical use, medicated hand wash, alcohol-based antibacterial skin sanitizer gels, topical gels for medical and therapeutic use, massage gels for medical purposes, medical diagnostic test strips, cages of metal, metal cages for wild animals, metal crates for animal transportation, stalls [structures] of metal for animals, crates of metal, trimmers [hand operated tools], dog clippers, hair clippers for animals [hand instruments], electric hair clippers for animals [hand instruments], electric and battery-powered hair clippers, clippers for use on animals [hand-operated], hand-operated nail clippers for pets, blades for electric razors, blades for shears, thermistor probes, monitors, wearable monitors, computer display monitors, thermal imaging cameras, weighing scales, scales, weighing scales for medical use, portable digital electronic scales, cameras, lasers, programmable timers, countdown timers, electric timers, temperature gauges, temperature sensors, batteries, laboratory centrifuges, laboratory swabs [laboratory instruments], diagnostic apparatus for research laboratory use, laboratory oscilloscopes, test tubes, laboratory swabs [laboratory instruments], diagnostic apparatus

## ADEPTUS CUSTODES

Class 9:  
Computer games; computer games software; video games software; computer programs; computer software and computer hardware apparatus with multimedia and interactive functions; computer software applications; application software; computer programs for accessing, browsing and searching online databases; computer software for use in connection with war games, skirmish games, role playing games, battle games, and fantasy/science fiction games; interactive multimedia computer games programs; interactive games programs; computer game discs, video game discs, downloadable computer game software, computer game software downloadable from a global computer network, downloadable electronic games via the internet and wireless devices; interactive multimedia computer game programs, records, discs, tapes, cassettes, cartridges, cards and other carriers bearing or for use in bearing sound recordings, video recordings, data, images, games, programs or information; DVDs; MP3s; screen savers; digital audio, video and data (downloadable) provided from a computer database or the internet; talking books; audio books; wallpaper for desktops and mobile devices; downloadable ringtones for mobile phones, downloadable image files and downloadable music files; mouse mats; downloadable electronic publications; downloadable electronic publications in the nature of books, art books, painting guides, novels, novellas, comics, manuals, rule books, newsletters, magazines and journals; downloadable electronic publications in the nature of books, art books, painting guides, novels, novellas, comics, manuals, rule books,

newsletters, magazines and journals on the subject of fantasy, science fiction, war games, skirmish games, role playing games, battle games, and fantasy/science fiction games; instructional and teaching apparatus; computer hardware; computer hardware for use with video and computer game consoles; computer peripherals for use with video and computer game consoles; memory cards for use with video and computer game consoles, hard drives for computers and video game consoles; headsets for use with computers and video game consoles; audio-visual computer cables; wireless computer network adapters; computer cameras (webcams); headphones; stereo headphones; in-ear headphones; measuring apparatus and instruments, namely tape measures, rulers, measuring templates; sound recording and sound reproducing apparatus and instruments; mechanisms for coin-operated apparatus; CDs, CD-ROMs; cassettes; video cassettes; gramophone and phonographic records; downloadable and streamable audio and video recordings; downloadable ring tones, music, graphics, games and video images for wireless mobile communication devices; downloadable pre-recorded audio and audiovisual content, information, and commentary; downloadable electronic books, magazines, periodicals, newsletters, newspapers, journals, and other publications; downloadable smart phone applications (software); downloadable software in the nature of a mobile application for playing games, gaming or gambling; magnetic tapes for recording or reproducing sound or vision; recording discs; magnetic tapes for recording and reproducing sound or vision; audio recordings; video recordings; audio and video recordings; recorded programmes for television and for radio; motion picture films; animated cartoons; photographic transparencies and photographic and cinematographic films prepared for exhibition purposes; computers; PDAs (personal digital assistants); computer software; computer application software; electronic mail and messaging software; electronic bulletin boards; computer application software for mobile phones, smart phones and tablet devices featuring mobile phone functionality; computer application software for mobile devices, internet browsers, set-top boxes, electronic readers, and tablet computers, namely, software for video games and general interest software applications for shopping, rental of products, product comparison, entertainment, news, music and videos; computer game software; game software; interactive game software; pre-recorded games on CD, software, video, mini discs; magnetic data carriers; payment cards, credit cards, charge cards, debit cards and smart cards; telephone cards; encrypted smartcards; encoded smartcards; encoded cards; magnetic identity cards; computer mice; keyboard and computer screen covers; customised computer disks and CD-ROMs; radios; televisions; plasma screens; binoculars; photographic apparatus and equipment, cameras, video cameras and parts and fittings therefor; camera films; barometers; telephones, mobile phones, smartphones and video phones and transmitters, receivers, covers, cases, fascia, holders, chargers, speakers, headsets, hands-free-kits, software, sounds, graphics, data input devices and media storage therefor; covers and cases for mobile telephones and laptop, notebook and tablet computers and PDAs; holders adapted for mobile phones; straps for mobile phones; covers and cases adapted for PDAs, MP3 players, laptops and gaming devices; earphones; mobile phone headsets and hands-free kits; batteries; battery chargers; electrical and electronic apparatus for use in the reception of satellite, terrestrial or cable broadcasts; tape recorders; cassette players; record players; MP3 players and MP3 readers; audio and/or video file recorders and/or players; remote control apparatus; digital photo

***List of cases accepted for opposition purposes as shown in Journal 2026/012 published on 20 March 2026 .***

frames; magnets; fridge magnets; compasses; tape measure; anti-dazzle shades; visors; neon signs; scales; time clocks [time recording devices]; cyclists helmets; magnifying glasses; alarms; thermometers; holograms; electronic sign; height measuring instruments; downloadable machine learning software; large language software; generative software; downloadable digital files namely AI generated content for use in online games and multimedia production; downloadable digital files namely AI generated content for use in 3D printing; downloadable digital files for 3D printing.

**Class 16:**

Printed matter; printed publications; publications in the nature of books, art books, painting guides, novels, novellas, comics, manuals, rule books, newsletters, magazines, journals and periodicals, including such publications relating to war games, battle games, fantasy games, hobby games, skirmish games, table top games, science fiction games and role playing games; photographs; stationery; art, drawing, craft and transfer paper; artists' materials; paper craft materials; paint brushes, paint boxes and painting palettes; drawing instruments, templates and rulers; arts, craft and modelling equipment; coloured craft and art sand; adhesive transfers; diaries; calendars; address books; greeting cards; collectable, collectors' and trading cards; decals; maps; posters; printed publicity and promotional material; printed programmes; booklets; brochures; leaflets; comic books; personal organisers; stickers and sticker books; gift vouchers; paper weights; paper and cardboard coasters and place mats; paper table cloths and napkins; beer mats; tissues; framed or unframed paintings; pens and other writing instruments; folders, files and pads; party invitations; office requisites; plastic materials for packaging; scrapbooks; catalogues; bookends; stencils; charts and wall charts; tickets; timetables; printed forms; certificates; menus; philatelic stamps; paper flags, pennants and banners; letter trays and letter openers; cases, boxes and holders for pens, pencils and business cards; ink and ink pads; rubber stamps; prints, pictures, art prints, graphic prints, lithographs, engravings, etchings and portraits; paper towels; paper handkerchiefs; toilet paper; cheque book holders; money clips.

**Class 41:**

Arranging and conducting seminars, exhibitions, expositions, competitions, conventions and conferences; providing museum facilities; club services (entertainment and/or education); gaming services; on-line gaming services; entertainment services; entertainment services in the area of computer gaming; entertainment services, namely, providing on-line computer games, tips and strategies for computer games; arranging and conducting computer game competitions; arranging of games; provision of games; rental of gaming apparatus; rental of scenery; electronic games services provided by means of the Internet; providing Internet games (non-downloadable); provision of games by means of a computer based system; game services provided on-line from a computer network; entertainment services, namely, providing on-line computer games, providing computer games that may be accessed via a global computer network, providing online news and information in the field of games; educational and training services relating to fantasy, science fiction, war games, skirmish games, role play games, battle games, and fantasy/science fiction games; publishing services; publication of texts and books; electronic publishing services; providing on-line publications [non downloadable]; providing on-line publications [non downloadable] in the nature of books, art

books, painting guides, novels, novellas, comics, manuals, rule books, newsletters, magazines and journals; providing on-line publications [non downloadable] in the nature of books, art books, painting guides, novels, novellas, comics, manuals, rule books, newsletters, magazines and journals on the subject of fantasy, science fiction, war games, skirmish games, role playing games, battle games, and fantasy/science fiction games; book club services, arrangement and formation of book clubs, hire of audio and video cassettes; information services relating to books and printed publications; publication of computer games; providing on-line electronic publications; advisory services relating to publishing; information, advice and consultation in relation to all of the aforesaid services; entertainment services in the nature of television programming and motion pictures; production and distribution of motion pictures and television programming, games, and general entertainment content; entertainment services in the nature of creation, development and production of television programming; game services provided via communication networks; providing non-downloadable television shows, movies, and multimedia entertainment content, as well as information, reviews, and recommendations regarding television shows, movies, and multimedia entertainment content; entertainment and educational services, namely, providing non-downloadable movies and television shows via a video-on-demand service, as well as information, reviews, and recommendations regarding movies and television shows; entertainment services, namely production, post production and publishing of AI generated audiovisual content, images, music, and asset content for gaming and media; provision of online non-downloadable AI generated images and 3D assets for entertainment purposes; provision of online non-downloadable images and 3D assets for entertainment purposes.
