reality (VR) software for AI-assisted interaction, simulation, and training; downloadable computer software and programs for data processing, encryption, anonymization, and privacy-preserving machine learning; downloadable computer software and programs for multi-modal processing and understanding of text, audio, image, and video; downloadable computer software and programs for generating synthetic data and synthetic training environments; downloadable computer software and programs for retrieval-augmented generation, and knowledge graph construction; downloadable computer software for transmitting, streaming, displaying, accessing, and browsing data, information, user-generated content, digital content, computer software, computer games, audio works, visual works, and audiovisual works; downloadable computer software for transmitting, accessing, viewing, searching, uploading, downloading, sharing, integrating, displaying, purchasing, subscribing to, storing, and transferring data, computer programs, software, mobile software applications, software extensions, software plugins, intelligent agents, digital assistants, and digital media; downloadable software for developing and publishing computer programs, software, mobile software applications, software extensions, software plugins, intelligent agents, digital assistants, and digital media; downloadable software for providing access to online virtual environments; downloadable software for browsing the global computer network and secure private networks; downloadable software for collaborating, instant messaging, video communications, audio communications; downloadable computer software for creating indexes of information, indexes of websites and indexes of other information resources; downloadable software for providing access to the internet; downloadable computer software for accessing, browsing and searching online databases; downloadable software for database, document, and data management, for workflow management, for personal information management, and for project management; downloadable computer software for searching, browsing, accessing, processing, analyzing, monitoring, understanding, and taking action in response to websites, user interfaces, and data; downloadable computer software for browsing the global computer network and secure private networks; downloadable computer software for using artificial intelligence for automating tasks in a user's browser; downloadable computer software for interacting with a browser to research, extract, copy, and store data; downloadable computer software for single sign-on; downloadable computer software for security, user authentication, and password and log in management and protection; downloadable intelligent personal assistant software for shopping; downloadable computer software for recommending, comparing, and selecting the products and services of others; downloadable computer software for providing information and links to retail websites of others, coupons, offers, consumer reviews, comparison shopping, and discount information, and for facilitating e-commerce transactions; computer hardware for high-speed processing and storage of data using multiple CPU's; data processing units for use in the fields of artificial intelligence, high performance computing, and data center operations; data processing units that enable the secure transmission of compute data between servers for artificial intelligence workloads; downloadable computer software for use in assessing, monitoring, administration and management of data centers and datacenter devices, and public and private cloud computing IT and application systems and resources; downloadable computer software for managing cloud computing resources; downloadable computer software for

messaging, chat and social networking; downloadable computer software for transmitting, receiving, accessing, viewing, uploading, downloading, broadcasting, sharing, integrating, displaying, formatting, organizing, storing, transferring and streaming of data, text, digital media, images, audio, video, user generated content, and animations; downloadable computer software for creating, displaying and sharing emoticons; downloadable computer software for accessing, browsing, and searching online databases and recommending multimedia content; downloadable computer software for streaming audiovisual and multimedia content to mobile digital electronic devices; downloadable computer software, namely, parental control software; downloadable computer software for developing and publishing applications for interactive streaming; downloadable computer software that enables users to designate specific content for future viewing; downloadable virtual goods, namely, computer programs featuring badges, emoticons, emotes, and images for use in online virtual worlds; downloadable computer software for creating and editing of film, movies, video, digital audio and images; downloadable computer software for recording, editing, mixing, analysing, restoring, converting, compressing, mastering and producing digital audio; downloadable computer software for audio production and audio composition; downloadable computer software for post-production restoration, color correction, and editing of video and images; downloadable computer software for job matching; downloadable computer software for locating and applying for jobs; downloadable computer software for advertising job vacancies; downloadable computer software for recruitment, hiring, video interviewing, and organizing the hiring and applicant tracking process for employers and employees; downloadable computer software for sourcing and screening candidates, scheduling interviews, allowing access to employers to conduct interviews, and communicate with candidates; downloadable computer software for creating customized web pages featuring user-defined information, personal profiles, audio and images; downloadable computer software for users to access and interact with information and databases in the fields of employment, recruitment of personnel, careers, job resources and listings, and professional networking; downloadable computer software for testing skills in the fields of artificial intelligence, machine learning, information technology (IT), business process automation, prompt engineering, and software development; downloadable computer software for assisting companies in attracting and identifying talent, and making hiring decisions; downloadable computer software for work simulation testing of job applicants; downloadable computer software for use in quantitative skill analysis and ranking of potential employees; downloadable computer software for users to sign up for job alerts online and apply for jobs; downloadable publications; data processing apparatus; computer hardware; computers and computer peripherals; earphones; headphones; sunglasses; laptop cases; mobile phone cases; smart watches; smart bands; smart jewelry; wearable computers; wearable cameras; digital media streaming devices; virtual and augmented reality headsets, goggles, glasses, controllers, and remotes; wireless communication devices for providing access to the internet and sending, receiving, and transmitting data, images, audio, video, and multimedia content; intercommunication apparatus; personal digital assistants [PDAs]; media players; smartphones; sound recording, reproducing, and transmitting apparatus; telecommunication apparatus in the form of jewelry; devices for hands-free use of mobile phones; portable and handheld digital electronic devices for recording, organizing, transmitting,

List of cases accepted for opposition purposes as shown in Journal 2026/013 published on 27 March 2026 .

manipulating, and reviewing text, data, image, and audio files; digital media streaming devices; wireless communication devices featuring voice, data and image transmission including voice, text and picture messaging, a video and still image camera, also functional to purchase audio, games, video and software applications over the air for downloading to the device; user-programmable humanoid robots, not configured; humanoid robots having communication and learning functions for assisting and entertaining people; integrated circuits; microprocessors and semi-conductors.

Class 35:

Advertising; business management, organization and administration; office functions; advertising and marketing; dissemination of advertising for others via the internet; providing on-line web directory services featuring hyperlinks to the websites of others; compiling indexes of information; online comparison shopping services; compiling and maintaining online commercial information directories; advertising and directory services, namely, promoting the services of others by providing a web page featuring links to the websites of others; advertising and promoting the goods and services of others; online retail store services connected with the sale of computer programs, software, mobile software applications, software extensions, software plugins, intelligent agents, digital assistants, and digital media; promoting the goods and services of others; online retail store services connected with the sale of a wide variety of consumer goods of others, namely, cleaning preparations, cosmetic and beauty products, soaps, personal care products for skin, hair, body, oral hygiene and feminine hygiene, fragrances, dietary supplements, clothing, footwear, hats, hair products, fashion accessories, clothing accessories, sunglasses, bags, backpacks, pet clothing, jewelry, key chains, watches, umbrellas, pet products, costumes, art supplies, cards, stickers, books, printed matter, stationery, posters, stickers, magnets, gift cards, cutlery, audio-visual equipment, computer hardware, computer accessories, downloadable music files, computer games, downloadable electronic publications, home automation control devices, information technology equipment, mobile phones, cameras, navigation devices, recorded content, set-top boxes, smartphones, smartwatches, tablet computers, wearable computers, musical instruments, food cooking equipment, automobile accessories, bicycle accessories, household and kitchen utensils and containers, home furnishings, furniture, cookware, tableware, drinkware, fabrics, textiles, floor coverings, wall coverings, festive decorations, games, figurines, sporting articles, sporting equipment, toys, video game apparatus, food, candy, beverages, gardening products, and kitchen appliances; promoting the goods and services of others by providing links to the retail web sites of others, coupons, offers, consumer reviews, comparison shopping, and discount information; providing consumer product information for the purpose of assisting with the selection of general consumer merchandise to meet the consumer's needs; operating online marketplaces for sellers of goods and/or services; business management of data centers for others; providing employment information; providing career information; employment recruiting consultation; employment staffing consultation services; job placement; employment hiring, recruiting, placement, staffing and career networking services; testing, analysis, and evaluation of the knowledge, skills, and abilities of others for career placement purposes; providing an on-line searchable database featuring employment opportunities and content about employment; provision of ratings, reviews and recommendations on employers

and employees and places of employment for use by employees, employers, business owners, and consumers via a website; professional staffing and recruiting services; providing networking opportunities for individuals seeking employment; on-line business networking services; providing on-line employment information in the field of recruitment, careers, job resources and listings, and resumes; advertising and marketing services relating to the recruitment of personnel; providing the services of preparing curriculum vitae for others via a website; providing business assistance relating to recruitment and placement of staff; providing employers with targeted candidates or potential employees.

Class 38:

Telecommunications services; providing access to databases; providing online forums; transmission of messages; electronic transmission and streaming of data, digital media, audio, video, movies, images, picture, text, photos, user generated content, and audiovisual material; providing user access to computer programs in data networks; provision of access to a global computer network; communication services, namely, electronic transmission of data and documents among computer users; transmission of digital files; transmission of electronic mail; on-line services, namely, message sending; transmission of news; peer-to-peer network computer services, namely, electronic transmission of audio, video and other data and documents among computers; video on demand transmission services; video broadcasting.

Class 41:

Education; providing of training; entertainment; sporting and cultural activities; providing online electronic publications, not downloadable; educational services, namely, organizing and conducting conferences, seminars, classes, and workshops in the fields of artificial intelligence, machine learning, information technology (IT), business process automation, prompt engineering, project management, and software development; providing online news, information and commentary in the fields of artificial intelligence, machine learning, information technology (IT), business process automation, prompt engineering, project management, and software development; organizing educational and entertainment conferences in the field of artificial intelligence, machine learning, information technology (IT), business process automation, prompt engineering, project management, and software development; providing online non-downloadable publications in the nature of journals, blogs and articles in the field of artificial intelligence, machine learning, information technology (IT), business process automation, prompt engineering, project management, and software development; training services in the field of artificial intelligence, machine learning, information technology (IT), business process automation, prompt engineering, project management, and software development; entertainment services provided in virtual environments; entertainment information; providing online videos, not downloadable; entertainment services, namely, providing online, non-downloadable virtual badges, emoticons, and emotes for use in virtual environments; arranging, organizing and conducting of competitions, games and quizzes; organization and presentation of shows, competitions, games, concerts and entertainment events; entertainment services in the nature of development, creation, production, distribution, and post-production of film, audio, radio, motion pictures, television shows, and multimedia entertainment content; providing on-line information and news in the field of employment training; providing job training in the field of

List of cases accepted for opposition purposes as shown in Journal 2026/013 published on 27 March 2026 .

artificial intelligence, machine learning, information technology (IT), business process automation, prompt engineering, project management, and software development; IT training services; training services in the field of artificial intelligence, machine learning, information technology (IT), business process automation, prompt engineering, project management, and software development; conducting online instruction and courses in the fields of artificial intelligence, machine learning, information technology (IT), business process automation, prompt engineering, project management, and software development; providing non-downloadable videos in the fields of artificial intelligence, machine learning, information technology (IT), business process automation, prompt engineering, project management, and software development; providing training for certification in the fields of artificial intelligence, machine learning, information technology (IT), business process automation, prompt engineering, project management, and software development; providing web-based and in-person classes in the fields of artificial intelligence, machine learning, information technology (IT), business process automation, prompt engineering, project management, and software development; providing online non-downloadable course materials, namely, instructional, educational, and teaching materials in the fields of artificial intelligence, machine learning, information technology (IT), business process automation, prompt engineering, project management, and software development; providing news and commentary in the field of social networking.

Class 42:

Scientific and technological services and research and design relating thereto; industrial analysis, industrial research and industrial design services; quality control and authentication services; design and development of computer hardware and software; providing online non-downloadable computer software; software as a service [SaaS]; platform as a service [PaaS]; research and development services in the field of artificial intelligence, computer science and machine learning; research, design and development of computer programs and software; providing online non-downloadable computer software for developing and operating artificial intelligence-based applications; providing online non-downloadable software used for training and simulating artificial intelligence models; application service provider featuring application programming interface (API) software; providing online non-downloadable software and computer programs for using language models; providing online non-downloadable software and computer programs for machine learning; providing online non-downloadable software and computer programs for natural language processing, generation, understanding, reasoning, and analysis; providing online non-downloadable software and computer programs for detecting, recognizing, processing, analyzing, understanding, creating, generating, enhancing, and/or editing text, voice, speech, audio, images, graphics, and/or video; providing online non-downloadable software and computer programs for conversion of text and data files into software code, for detecting, recognizing, processing, analyzing, understanding, generating and/or editing software code, and for multilingual text and speech recognition, translation, and transcription; providing online non-downloadable software and computer programs for sharing datasets for the purpose of machine learning, predictive analytics, and building language and image models, for developing and implementing artificial neural networks, for the purpose of testing artificial intelligence agents, algorithms, or programs, and for using, customizing,

fine-tuning, and adapting artificial intelligence models; providing online non-downloadable software and computer programs for task automation and workflow orchestration; providing online non-downloadable software and computer programs for building, using, and deploying autonomous agents, semi-autonomous agents, and intelligent agents; providing online non-downloadable software and computer programs for drafting, summarizing, designing, generating, creating, editing and publishing documents, written content, spreadsheets, presentations, and emails; provision of search engines for the internet; providing a website featuring a media aggregator and search engine for internet content; computer services, namely, providing search engines for obtaining data, images, audio and video on a global computer network; providing customized on-line web pages featuring user-defined information, which includes search engines and on-line web links to other web sites; providing online non-downloadable cloud computing software using artificial intelligence for use in industry-specific software development and machine learning; software as a service (SAAS) services featuring software using artificial intelligence for industry-specific end-to-end and cloud-to-edge solutions for software development and machine learning; providing online non-downloadable augmented reality (AR) and virtual reality (VR) software for AI-assisted interaction, simulation, and training; software as a service (SAAS) services featuring software for leveraging quantum computing resources to optimize AI model performance; providing online non-downloadable software and computer programs for data processing, encryption, anonymization, and privacy-preserving machine learning; providing online non-downloadable software and computer programs for multi-modal processing and understanding of text, audio, image, and video; providing online non-downloadable software and computer programs for generating synthetic data and synthetic training environments; providing online non-downloadable software and computer programs for retrieval-augmented generation, and knowledge graph construction; providing online non-downloadable software and computer programs for transmitting, streaming, displaying, accessing, and browsing data, information, user-generated content, digital content, computer software, computer games, audio works, visual works, and audiovisual works; providing online non-downloadable software and computer programs for transmitting, accessing, viewing, searching, uploading, downloading, sharing, integrating, displaying, purchasing, subscribing to, storing, and transferring data, computer programs, software, mobile software applications, software extensions, software plugins, intelligent agents, digital assistants, and digital media; providing online non-downloadable software and computer programs for developing and publishing computer programs, software, mobile software applications, software extensions, software plugins, intelligent agents, digital assistants, and digital media; providing online non-downloadable software and computer programs for providing access to online virtual environments; providing online non-downloadable software and computer programs for collaborating, instant messaging, video communications, audio communications; software as a service (SAAS) services featuring software using artificial intelligence for cybersecurity; providing online non-downloadable software and computer programs for accessing, browsing and searching online databases; providing online non-downloadable software and computer programs for database, document, and data management, for workflow management, for personal information management, and for project management; software as a service (SAAS) services featuring software for

List of cases accepted for opposition purposes as shown in Journal 2026/013 published on 27 March 2026 .

data visualization, data analytics, predictive analytics; providing online non-downloadable software for searching, browsing, accessing, processing, analyzing, monitoring, understanding, and taking action in response to websites, user interfaces, and data; providing online non-downloadable software for browsing the global computer network and secure private networks; providing online non-downloadable software using an artificial intelligence browser; providing online non-downloadable software for interacting with a browser to research, extract, copy, and store data; providing user authentication services using single sign-on technology for online software applications; providing user authentication services using biometric hardware and software technology for e-commerce transactions; providing temporary use of on-line non-downloadable single sign-on software; providing online non-downloadable software for security, user authentication, and password and log in management and protection; providing online non-downloadable software for shopping; providing online non-downloadable software for recommending, comparing, and selecting the products and services of others; providing online non-downloadable software for providing information and links to retail websites, coupons, offers, consumer reviews, comparison shopping, and discount information, and for facilitating e-commerce transactions; rental of data center facilities; rental of space in a computer colocation facility for containerized data centers of others; technical consulting services in the fields of datacenter architecture, public and private cloud computing solutions, and evaluation and implementation of internet technology and services; providing online non-downloadable software for use in assessing, monitoring, administration and management of data centers and datacenter devices, and public and private cloud computing IT and application systems and resources; providing online non-downloadable software for managing cloud computing resources; providing online non-downloadable software for messaging, chat and social networking; providing online non-downloadable software for transmitting, receiving, accessing, viewing, uploading, downloading, broadcasting, sharing, integrating, displaying, formatting, organizing, storing, transferring and streaming of data, text, digital media, images, audio, video, user generated content, and animations; providing online non-downloadable software for creating, displaying and sharing emoticons; creating a virtual environment in the nature of an online community for users to create, produce, edit, manipulate, transmit, share, and comment on videos or other electronic media; providing online non-downloadable software for accessing, browsing, and searching online databases and recommending multimedia content; providing online non-downloadable software for streaming audiovisual and multimedia content to mobile digital electronic devices; providing online non-downloadable software, namely, parental control software; providing online non-downloadable software for developing and publishing applications for interactive streaming; providing online non-downloadable software that enables users to designate specific content for future viewing; providing online non-downloadable software for creating and editing of film, movies, video, digital audio and images; providing online non-downloadable software for recording, editing, mixing, analysing, restoring, converting, compressing, mastering and producing digital audio; providing online non-downloadable software for audio production and audio composition; providing online non-downloadable software for post-production restoration, color correction, and editing of video and images; providing online non-downloadable software for job matching; providing online non-downloadable software

for locating and applying for jobs; providing online non-downloadable software for advertising job vacancies; providing online non-downloadable software for recruitment, hiring, video interviewing, and organizing the hiring and applicant tracking process for employers and employees; providing online non-downloadable software for sourcing and screening candidates, scheduling interviews, allowing access to employers to conduct interviews, and communicate with candidates; providing online non-downloadable software for creating customized web pages featuring user-defined information, personal profiles, audio and images; providing online non-downloadable software for users to access and interact with information and databases in the fields of employment, recruitment of personnel, careers, job resources and listings, and professional networking; providing online non-downloadable software for testing skills in the fields of artificial intelligence, machine learning, information technology (IT), business process automation, prompt engineering, project management, and software development; providing online non-downloadable software for assisting companies in attracting and identifying talent and making hiring decisions; providing online non-downloadable software for work simulation testing of job applicants; providing online non-downloadable software for use in quantitative skill analysis and ranking of potential employees; providing online non-downloadable software for users to sign up for job alerts online and apply for jobs; testing, analysis, and evaluation of the knowledge, skills, and abilities of others in the fields of artificial intelligence, machine learning, information technology (IT), business process automation, prompt engineering, project management, and software development to determine conformity with certification standards of proficiency of professional skills; providing online non-downloadable software for extracting and retrieving information and data for others by means of global computer networks; computer services, namely, monitoring, tracking and reporting on the performance of the website and online content of others; providing online non-downloadable software for optimizing website navigation; searching and retrieving information, sites, and other resources available on computer networks for others; hosting of digital content on the internet; providing a website featuring technical information relating to computer software; providing computer software consulting services; technical support services, namely, troubleshooting in the nature of diagnosing and repairing computer software problems; providing an internet website portal for engaging in social networking; providing on-line searchable databases in the field of social networking.

Class 45:

Online social networking services; licensing of intellectual property; licensing of computer software; user identity verification services; online social networking services, namely, facilitating social introductions or interactions among individuals; providing information in the field of social networking; social introduction and networking services.

MY NAME'5 DODDIE FOUNDATION

List of cases accepted for opposition purposes as shown in Journal 2026/013 published on 27 March 2026 .

Class 9:
Downloadable media; downloadable electronic publications; media content; mobile apps; laptop cases; cases for mobile phones; magnets; podcasts; videocasts; databases; directories [electric or electronic]; alarms; pedometers.

Class 10:
Eyewear; sunglasses.

Class 14:
Key rings and key chains, and charms therefor; jewellery; watches; jewellery boxes and watch boxes; time instruments.

Class 16:
Printed matter; printed publications; greetings cards; Christmas cards; diaries; wrapping paper; stationery; writing implements; educational and instructional material; teaching materials; prints; art prints; books; children's books; pencil cases.

Class 18:
Bags; wallets; luggage; pet clothing; pet leads; collars for pets; pet hair bows; umbrellas.

Class 20:
Displays, stands and signage, non-metallic; animal housing and beds; containers, and closures and holders therefor, non-metallic; works of art of wood, wax, plaster or plastic; figurines of wood, wax, plaster or plastic; statues of wood, wax, plaster or plastic; furniture and furnishings; cushions.

Class 21:
Hip flasks; bottle openers; chopping boards; serving platters; cups and mugs; drinking glasses; bottle coolers; wine coolers; portable beverage coolers; tableware, cookware and containers; works of art of porcelain, ceramic, earthenware, terra-cotta or glass; figurines of porcelain, ceramic, earthenware, terra-cotta or glass; statues of porcelain, ceramic, earthenware, terra-cotta or glass; household or kitchen utensils; household or kitchen containers.

Class 24:
Bed blankets; sofa blankets; blankets for outdoor use; blankets for household pets; towels; lap rugs; textile goods, and substitutes for textile goods; household linens; household textile articles.

Class 25:
Clothing; footwear; headgear; socks; scarves; snoods [scarves]; caps; hats; underwear; pyjamas; ties; bow ties; cummerbunds; headbands; parts of clothing, footwear and headgear.

Class 26:
Brooches for clothing; ribbons of textile materials; decorative ribbons; accessories for apparel, sewing articles and decorative textile articles.

Class 28:
Sports balls; toy balls; toys, games, and playthings; toys, games and playthings for pet animals; sporting articles and equipment; festive decorations, party novelties and artificial Christmas trees.

Class 32:
Beer; non-alcoholic beer; ale; stout; lager; porter; non-alcoholic beverages; syrups and other non-alcoholic preparations for making beverages.

Class 33:

Alcoholic beverages, except beer; whisky; gin; wine; sparkling wine; alcoholic preparations for making beverages.

Class 36:
Fundraising; fund raising for charity; providing fundraising activities to support medical research and procedures for those in need; charitable fundraising by means of entertainment events; organising of charitable collections; investment of funds for charitable purposes; financial grant services; philanthropic services concerning monetary donations; crowdfunding; providing project grants for health awareness projects; providing funding for research institutions; project financing; information, advice and consultancy relating to the aforesaid.

Class 41:
Education, entertainment and sport services; publishing services; electronic publishing services; providing on-line publications; arranging and conducting of conferences and seminars; sporting and cultural activities; organising sporting events; organising of sporting contests; production of podcasts; provision of entertainment via podcast; information, advice and consultancy relating to the aforesaid.

Class 42:
Medical research; scientific research for medical purposes; information, advice and consultancy relating to the aforesaid.

Class 44:
Information, advice and consultancy in relation to health, healthcare, and health-related issues.

Class 45:
Political lobbying services; lobbying services, other than for commercial purposes; bereavement counselling; provision of emotional support to families; providing personal support services for families of patients with life threatening disorders; information, advice and consultancy relating to the aforesaid.

List of cases accepted for opposition purposes as shown in Journal 2026/013 published on 27 March 2026 .

and clinical records; application software; communication software; data processing software; computer hardware; data communications hardware; database programs.

Class 10:

Measuring devices for medical use; diagnostic apparatus for medical use.

Class 35:

Computerised database management; systemisation of information into computer databases.

Class 38:

Communications services for accessing databases; providing access to computer databases.

Class 41:

Education and training services relating to computer software; education and training services relating to the operation of software systems; education and training services relating to computer hardware; advice related to medical and clinical training.

Class 42:

Design of computer software; installation of computer software; maintenance of computer software; database design.

Class 44:

Rental of equipment for medical and clinical purposes; rental of clinical and medical apparatus; telemedicine services.

Class 45:

Licensing of computer software; management of copyright relating to computer software.

Mark 1

Mark 2

List of cases accepted for opposition purposes as shown in Journal 2026/013 published on 27 March 2026 .

Application for a series of 2 marks.

Class 1:

Coolants, engine coolants, vehicle engine coolants; engine-decarbonising coolants; chemical preparations for decarbonising engines; anti-boil preparations for engines; chemical additives for engine cooling systems; antiknock substances for internal combustion engines; sealing compositions for sealing engines; chemical additives for use with internal combustion engine fuels; chemical additives for assisting the starting of internal combustion engines; antifreeze for vehicle radiators; anti-freeze for vehicle cooling systems; compositions for repairing tyres; cooling fluids for vehicle radiators; anti-skid sprays for tyres; compounds for filling cavities, cracks and/or holes in vehicles; compounds for patching cavities, cracks and/or holes in vehicles; fillers for vehicle body and tyre repairs; chemical products for insertion to protect, repair and/or strengthen them.

Class 3:

Cleaning, polishing and waxing preparations and substances; cleaning polishing and waxing preparations and substances for cars and vehicles; screen wash; car wash, wax polish and car shampoos; degreasing preparations for engines; vehicle cleaning preparations; abrasive preparations for vehicle care; ; vehicle cleaning preparations; abrasive preparations for vehicle care; cleaning wipes; cleaning wipes for vehicles; cleaning preparations for windscreen wipers; cleaning preparations for wiper blades; hand sanitisers; liquid soaps; liquid soaps for the hands; refill packs for hand sanitisers and for hand soap dispensers; refill packs for liquid soap dispensers; paper hand towels impregnated with sanitisers.

Class 4:

Industrial oils, greases, waxes and fluids, non-chemical additives for coolants; engine oils; oils for engines; automotive engine oils; engine starting sprays; fine and extra fine oils for motors; lubricants for car engines; automotive lubricants for car engines; lubricating oil for motor vehicle engines; non-chemical additives for engine oils; motor vehicle lubricants; fuel for motor vehicles; lubrication grease for vehicles; lubricating oil for motor vehicle engines; liquefied gasses for driving motor vehicles; oils for the hydrodynamic drive for vehicles; waterproofing preparations in the form of oils for motor care ignition systems; motor fuel, motor oil, motor vehicle lubricants, motor spirits, mineral motor fuel.

Class 9:

Computer software and applications software including mobile applications to enable access to databases of vehicles for sale, lease, rent or hire; computer software and computer applications software for EV charging and EV charging stations; computer software for managing networks of EV charging stations including software for enabling and managing payment, booking, reservation and activation of EV charging stations; EV charge stations and computer software for managing loyalty schemes for EV charge stations; computer software including applications software for booking and reserving slots for EV charging; computer software and applications software for managing loyalty schemes; computer software and applications software for managing loyalty schemes for EV charging including EV charging stations; electronic vouchers and electronic tokens of value; electronic vouchers and electronic tokens of value for EV charging; downloadable vouchers and downloadable tokens of value for EV charging; computer software and applications software including mobile applications for maintaining and supporting retail websites; computer software and applications software including mobile applications for maintaining and supporting vehicle auction websites; computer software and applications software including mobile applications to enable customers to conveniently view and purchase goods from a retail website; applications software including mobile applications to enable customers to conveniently view and purchase vehicles from a retail website; applications software including mobile applications to enable users to conveniently view vehicles for purchase, lease, rental or hire; applications software including mobile applications to enable users to calculate the fuel efficiency of their vehicles; application software including mobile applications for logging the mileage of vehicles; applications software including mobile applications to enable users to access databases of vehicles; electrical and electronic apparatus and equipment, all for use in conjunction with motor vehicles and/or navigational apparatus and instruments; satellite communication and satellite navigation systems; GPS hardware and software; monitoring and diagnostic testing apparatus and instruments; communications apparatus and equipment; computer software and applications software for use in connection with the promotion, sale, maintenance, servicing, rental, hire and arranging of finance and insurance for vehicles including motor vehicles; batteries; battery chargers; battery charges for electric vehicles; charging appliances for EVs; charging infrastructure for EVs; electric batteries for powering EVs; EVSE apparatus, instruments and installations; power supply leads; luminous and mechanical signs; publications in electronic form supplied online from databases and from facilities provided on the Internet (including web pages and websites); downloadable electronic publications; downloadable weekly electronic publications; publications, newsletters, magazines, pamphlets and leaflets all in electronic form provided on the Internet (including web pages and websites); publications, newsletters, magazines, pamphlets and leaflets all in digital or electronic format; pre-recorded DVDs, CD-ROMs and diskettes; magnetic disks, magnetic cards and other magnetic media; electronic publications provided over a mobile telephone communications network; computer databases connected with listing of vehicles, vehicle parts and vehicle accessories; computer databases connected with networks of car and vehicle dealerships; computer databases connected with a network of car and vehicle repair shops; computer databases connected with networks of networks of EV charging stations; computer software to

List of cases accepted for opposition purposes as shown in Journal 2026/013 published on 27 March 2026 .

enable creating, editing, uploading, posting, displaying, tagging, blogging, sharing or otherwise providing data including images, graphics, sound, text or audio-visual information via the Internet or other communications network; computer software to enable creating, editing, uploading, posting, displaying, tagging, blogging, sharing or otherwise providing data including images, graphics, sound, text or audio-visual information via the Internet or other communications networks; publications in electronic form supplied online from databases and from facilities provided on the Internet (including web pages and websites); downloadable electronic publications; downloadable weekly electronic publications; publications, newsletters; vehicle telematics apparatus; navigational apparatus and software; electronic tracking apparatus and software for vehicles and fleets of vehicles; electronic location apparatus and software for vehicles and fleets of vehicles; software and electronic apparatus for fleet management; electrical and electronic apparatus and instruments for monitoring and tracking vehicles and traffic; data processing equipment in relation to vehicle and asset tracking and recovery; electrical and electronic apparatus and instruments for providing vehicular and traffic information and vehicular instructions; electrical and electronic apparatus and instruments locatable in or on vehicles for providing vehicular instructions and information concerning the vehicle and for controlling the vehicle; electronic control stations (goods) as centres of operation; charging stations for electric vehicles; battery charging devices for motor vehicles; battery charging equipment; electric battery chargers; car chargers; chargers for electric batteries; charging appliances for rechargeable equipment; connector units (Electric -); Switchgear [electric]; speedometers for vehicles; car radios, car televisions and car audio systems; parts and fittings for all of the aforesaid goods.

Class 11:

Motor car lamps, motor vehicle lamps; testing lamps for cars; air conditioning installations for cars; heating or cooling systems for motor cars; lights for automobiles; headlamps for automobiles; headlights for automobiles; anti-dazzle devices for automobiles (lamp fittings); lamps for directional signals for automobiles; anti-glare devices for automobiles; air purifiers for automobiles; LED lights for automobiles; air conditioners for automobiles; heaters for automobiles; ventilators for automobiles; air humidifiers for automobiles; vehicle lights; vehicle reflectors; vehicle headlights and tail-lights; vehicle lighting apparatus and installations; ventilators for vehicles; dynamo lights for vehicle brake lights for vehicles; vehicle lighting and lighting reflectors; heating apparatus for defrosting vehicle windows; defrosters for vehicles; vehicle HVAC systems (heating, ventilating and air conditioning); deodorising apparatus for dispensing scents in motor vehicles; parts and fittings for all of the aforesaid goods.

Class 12:

Land vehicles, motor cars, automobiles, cycles, motorcycles, trailers for land vehicles; motor car parts; electric vehicles; electric land vehicles; electric trucks, electric tractors, electric cars; self-propelled electric vehicles; electric motors for land vehicles; electric sunroofs for vehicles; electric drives for vehicles; electric horns for vehicles; electric driving motors for land vehicles; plug-in electric cars; electric engines for vehicles; electric reversing alarms for vehicles; electric propulsion mechanisms for vehicles; fuel cell electric cars; hybrid vehicles; hybrid land vehicles; all-terrain vehicles, off-road vehicles; vans, trucks cars and motorcycles; vehicle parts; car seats; car seat covers; car ties; car window blinds; children's car seats;

chains for motor cars; brakes for motor cars; engines for motor cars; parts of engines for motor cars; engines for vehicles; parts of engines for vehicles; luggage carriers for automobiles; luggage racks for motor vehicles; wipers for car head lights; wheel rims for vehicles; brakes for vehicles; brake linings for vehicles; brake shoes, segments, pads, discs, lines, blocks, rotors, cables, components, cylinders, drums, levers, and facings for vehicles; electronic brakes for vehicles; brake calipers for vehicles; brake systems for vehicles; brake sets for vehicles; brake pedals; clutch mechanisms for motor cars; electric motors for vehicles; suspension springs for vehicles; torque converters for vehicles; torsion bars for vehicles; windscreen wipers for automobiles; gears, gear systems and gear boxes; automatic gear boxes for vehicles; petrol tank caps; shock absorbing springs for motor cars; drinking cup holders adapted for cars; anti-theft warning apparatus for motor cars; safety belts for vehicles; car body modification parts for sale in kit form; safety rims for mudguards; tyres for automobiles; wheel rims; bumpers for automobiles; shock absorbers for automobiles; sun blinds for automobiles; air bags for automobiles; engines for automobiles; motors for automobiles; mudguards for automobiles; structural parts for automobiles; sun visors for automobiles; gear shifts for automobiles; roof racks for automobiles; shock absorbing springs for automobiles; chassis for automobiles; windscreens for automobiles; wheel hubs for automobiles; spoilers and spokes for automobiles; steering wheels for automobiles; air pumps for automobiles; rearview mirrors for automobiles; cup holders for automobiles; starters for land vehicles; transmissions for land vehicles; transmission mechanisms, gears, chains, cases, shafts, belts and levers for land vehicles; power transmission mechanisms for land vehicles; axles and axle assemblies for vehicles; mirrors for vehicles; alarms for vehicles; couplings and shock absorbers for vehicles; safety alarms for vehicles; servomotors for vehicles; sprockets for vehicles; fenders for land vehicles; wheels and spare wheels for vehicles; seat belts and safety belts for vehicles; chassis for motor vehicles; bodies and bodywork for vehicles; parts and fittings for all the aforesaid goods.

Class 35:

Retail services connected with the sale of cars provided via a car dealership; retail services connected with the sale of vehicles provided via a vehicle dealership; retail and wholesale services connected with the sale of vehicles; retail and wholesale services connected with the sale of car and vehicle parts and fittings for domestic and commercial vehicles; retail services connected with the sale of vehicles and vehicle accessories provided via a car and vehicle showroom; vehicle auctioning services; wholesale services connected with the sale of vehicles through auction sites; retail and wholesale services including online retail and wholesale services connected with the sale of parts and fittings for motor cars and vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of spare parts for vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of car parts and accessories; retail and wholesale services including online retail and wholesale services connected with the sale of vehicle parts and accessories; retail and wholesale services including online retail and wholesale services connected with the sale of tools and power tools; retail and wholesale services including online retail and wholesale services connected with the sale of tyres; retail and wholesale services including online retail and wholesale services connected with the sale of, cleaning, polishing and waxing products; retail and wholesale services including online retail and wholesale

List of cases accepted for opposition purposes as shown in Journal 2026/013 published on 27 March 2026 .

services connected with the sale of car maintenance, cleaning and waxing products; retail and wholesale services including online retail and wholesale services connected with the sale of coolants, engine coolants, vehicle engine coolants, engine-decarbonising coolants, chemical preparations for decarbonising engines, anti-boil preparations for engines, chemical additives for engine cooling systems, antiknock substances for internal combustion engines, sealing compositions for sealing engines, chemical additives for use with internal combustion engine fuels, chemical additives for assisting the starting of internal combustion engines, antifreeze for vehicle radiators, anti-freeze for vehicle cooling systems, compositions for repairing tyres, cooling fluids for vehicle radiators, anti-skid sprays for tyres, compounds for filling cavities, cracks and/or holes in vehicles, compounds for patching cavities, cracks and/or holes in vehicles, fillers for vehicle body and tyre repairs, chemical products for insertion to protect, repair and/or strengthen them; retail and wholesale services including online retail and wholesale services connected with the sale of cleaning, polishing and waxing preparations and substances, cleaning polishing and waxing preparations and substances for cars and vehicles, screen wash, car wash, wax polish and car shampoos, degreasing preparations for engines, vehicle cleaning preparations, abrasive preparations for vehicle care, cleaning wipes, cleaning wipes for vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of cleaning preparations for windscreen wipers, cleaning preparations for wiper blades, hand sanitisers, liquid soaps, liquid soaps for the hands, refill packs for hand sanitisers and for hand soap dispensers, refill packs for liquid soap dispensers, paper hand towels impregnated with sanitisers; retail and wholesale services including online retail and wholesale services connected with the sale of industrial oils, greases, waxes and fluids, non-chemical additives for coolants, engine oils, oils for engines, automotive engine oils, engine starting sprays, fine and extra fine oils for motors, lubricants for car engines, automotive lubricants for car engines, lubricating oil for motor vehicle engines; retail and wholesale services including online retail and wholesale services connected with the sale of non-chemical additives for engine oils, motor vehicle lubricants, fuel for motor vehicles, lubrication grease for vehicles, lubricating oil for motor vehicle engines, liquefied gasses for driving motor vehicles, oils for the hydrodynamic drive for vehicles, waterproofing preparations in the form of oils for motor care ignition systems; retail and wholesale services including online retail and wholesale services connected with the sale of GPS devices, monitoring and diagnostic testing apparatus and instruments; retail and wholesale services including online retail and wholesale services connected with the sale of tools and power tools for vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of spare parts, tyres and accessories for vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of batteries, battery chargers, car batteries, vehicle batteries, car battery chargers, vehicle battery chargers, power supply leads; retail and wholesale services including online retail and wholesale services connected with the sale of EV batteries and EV charging leads; retail services including online retail services connected with the sale of vouchers, coupons and tokens of value including electronic vouchers, coupons and tokens of value; retail and wholesale services including online retail and wholesale services connected with the sale of electronic control stations (goods) as centres of operation, car radio, stereos, aerials, televisions speakers, car chargers, engine analysers, engine control sensors, sensors for engines, LED lights for engines, computerised

vehicle engine analysers; retail and wholesale services including online retail and wholesale services connected with the sale of coolant temperature sensors, temperature regulators for vehicle engines; retail and wholesale services including online retail and wholesale services connected with the sale of starter cables for motors, sensors for use in the control of motors, electronic control sensors for motors, electronic keys for vehicles, vehicle fuses, vehicle dipsticks, electric batteries for vehicles, displays, cameras, speakers and amplifiers for vehicles, motor vehicle power locks; retail and wholesale services including online retail and wholesale services connected with the sale of electric accumulators for vehicles, voltage regulators for vehicles, mileage recorders for vehicles, vehicle breakdown warning lamps, display panels for vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of steering apparatus in automatic vehicles, emergency light bars for vehicles, fuel, oil and water level indicators for vehicles, mobile phone connectors for vehicles, multimedia navigational systems for vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of remote controls for operating vehicle alarms, remote controls for starting vehicles, simulator for driving or control of vehicles, automatic indicators of low pressure in tyres for vehicles, power adapters for use in vehicle lighter sockets; retail and wholesale services including online retail and wholesale services connected with the sale of on-board electronic systems in land vehicles for providing driving and/or parking assistance, Engine Management Systems, fire-extinguishing apparatus for vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of motor car lamps, testing lamps for cars, air conditioning installations for cars, heating and cooling systems for motor cars, lights for automobiles, headlamps for automobiles, headlights for automobiles, anti-dazzle devices for automobiles (lamp fittings), lamps for directional signals for automobiles; retail and wholesale services including online retail and wholesale services connected with the sale of anti-glare devices for automobiles, air purifiers for automobiles, LED lights for automobiles, air conditioners for automobiles, heaters for automobiles, ventilators for automobiles, air humidifiers for automobiles, vehicle lights, vehicle reflectors, vehicle headlights and tail-lights; retail and wholesale services including online retail and wholesale services connected with the sale of vehicle lighting apparatus and installations, ventilators for vehicles, dynamo lights for vehicle brake lights for vehicles, vehicle lighting and lighting reflectors, heating apparatus for defrosting vehicle windows, vehicle HVAC systems (heating, ventilating and air conditioning), deodorising apparatus for dispensing scents in motor vehicles; retail and wholesale services including online retail and wholesale services car seats, car seat covers, car tidies, car window blinds, children's car seats, chains for motor cars, brakes for motor cars, engines for motor cars, parts of engines for motor cars, engines for vehicles, parts of engines for vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of luggage carriers for automobiles, luggage racks for motor vehicles, wiper for car head lights, wheel rims for vehicles, brakes for vehicles, brake linings for vehicles, brake shoes, segments, pads, discs, lines, blocks, rotors, cables, component, cylinders, drums, levers, and facings for vehicles, brake calipers for vehicles, brake systems for vehicles, brake sets for vehicles, brake pedals; retail and wholesale services including online retail and wholesale services connected with the sale of clutch mechanisms for motor cars, electric motors for vehicles, suspension springs for vehicles, torque converters for vehicles, torsion bars for vehicles,

List of cases accepted for opposition purposes as shown in Journal 2026/013 published on 27 March 2026 .

windscreen wipers for automobiles, gears, gear systems, gear boxes and automatic gear boxes for vehicles, petrol tank caps, shock absorbing springs for motor cars, drinking cup holders adapted for cars, anti-theft warning apparatus for motor cars, safety belts for vehicles, car body modification parts for sale in kit form, safety rims for mudguards; retail and wholesale services including online retail and wholesale services connected with the sale of tyres for automobiles, wheel rims, bumpers for automobiles, shock absorbers for automobiles, sun blinds for automobiles, air bags for automobiles, engines for automobiles, motors for automobiles, mudguards for a automobiles, structural parts for automobiles, sun visors for automobiles, gear shifts for automobiles, roof racks for automobiles, shock absorbing springs for automobiles, chassis for automobiles, windscreens for automobiles, wheel hubs for automobiles, spoilers and spokes for automobiles; retail and wholesale services including online retail and wholesale services connected with the sale of steering wheels for automobiles, air pumps for automobiles, rearview mirrors for automobiles, cup holders for automobiles, starters for land vehicles, alternators for land vehicles, transmissions for land vehicles, transmission mechanisms, gears, chains, cases, shafts, belts and levers for land vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of power transmission mechanisms for land vehicles, axles and axle assemblies for vehicles, mirrors for vehicles, alarms for vehicles, couplings and shock absorbers for vehicles, safety alarms for vehicles, servomotors for vehicles, sprockets for vehicles, fenders for land vehicles, wheels and spare wheels for vehicles; ; retail and wholesale services including online retail and wholesale services connected with the sale of energy via EV stations; business management and administration services; fuel management services; business management and administration services relating to the management and operation of car and vehicle dealerships; business advisory services relating to the establishment of motor dealerships; business advisory services relating to the franchising of motor dealerships; business management and administration services relating to EV charging networks and stations; managing EVSE installations, apparatus and equipment; monitoring EVSE activity, advertising and promotion of vehicles for sale, lease, hire and rental; compilation and dissemination of advertisements for the sale, lease, hire and rental of vehicles provided over the Internet, over a global computer network or by any other electronic means; compilation and updating of databases of vehicles for sale, hire, lease or rental; compilation and updating of databases of spare parts for vehicles; compilation and updating of databases of vehicle charging stations for electronic vehicles; provision of customer information regarding charge points or pods for electronic vehicles; provision of customer information relating to price comparison, performance and trends in relation to the sale, lease, hire and rental of vehicles; advertising, marketing and promotion of vehicles; dissemination of information pertaining to the sale, lease, hire and rental of vehicles; dissemination of information pertaining to the sale, lease, hire and rental of vehicles online or by other electronic means; advertising, marketing and promotion of EV charging networks and stations; dissemination of information pertaining to EV charging networks and stations; dissemination of information pertaining to the sale of energy via EV stations; online marketing and promotion of vehicles for sale, hire, lease or rental; promoting the goods and services of others through the administration of incentive and reward schemes; dissemination of credit information in relation to vehicles; providing and disseminating information to customers relating to sale, lease, hire or rental of vehicles

including electronic vehicles; providing and disseminating information to customers relating to charge stations for electronic vehicles; providing customer information relating to vehicles; business management and administration services relating to the management and operation of retail outlets including online retail outlets; compilation and dissemination of advertisements for the sale of goods of others online; compilation and updating of databases; compilation and updating of databases of vehicles; compilation and updating of databases of EV charging networks, EV charging stations and EVSE activity and usage; managing and administration of contracts for purchasing, lease and hire of vehicles; risk management consultancy (business); vehicle risk management consultancy (business); accident management consultancy (business); financial auditing; business management of leases and purchasing vehicles; salary sacrifice (payroll deductions); analysis regarding fuel usage (business); auditing and bookkeeping services; transportation fleet (business management); vehicle fleet (business management); fuel efficiency analysis for vehicles (business); fuel usage analysis for vehicles (business); providing risk management analysis for vehicles and providing risk management analysis for fleets of vehicles (business); loyalty scheme services; information, advisory and consultancy services relating to all of the aforesaid services.

Class 36:

Financial, insurance; financial services for the leasing, purchase, insurance and maintenance of vehicles including motor vehicles; lease purchase financing of motor vehicles; provision of personal contract purchase (PCP) financing for the purchase of vehicles; credit services relating to motor vehicles; insurance services relating to vehicles; brokerage services relating to the insurance of vehicles; financial services connected with the sale and lease back of vehicles; provision of operating leases (financial); provision of operating leases (financial) in connection with vehicles; extended warranty insurance, motor vehicle breakdown insurance, warranty services, vehicle warranty services, warranty insurance services, insurance underwriting services; financial guarantee services for the reimbursement of expenses incurred as a result of vehicle accident or breakdown; provision of financial advice to accident investigators; underwriting of personal accident insurance; providing agency services in relation to making insurance claims; financial services relating to the provision of contract hire of vehicles; secured loans based on the provision of instalment credit agreements on vehicles; benefit card, cash card, charge card, credit card and debit card payment and validation services; credit services; hire purchase, financing; issuing vouchers; issuing tokens of value; financial services associated with promotional incentive schemes and loyalty schemes; lending services to merchants for the purpose of financing store inventories of vehicles; accident management services (liaising with insurers, uninsured loss recovery, personal injury assistance); providing risk management analysis for vehicles and providing risk management analysis for fleets of vehicles (financial); payment processing services; processing of payments for EV charging; issuing vouchers and/or tokens of value for EV charging; financial support services offered to others; information, advisory and consultancy services relating to all of the aforesaid services.

Class 37:

Repair, maintenance and servicing of vehicles; repair, maintenance, installation and servicing of EV charging stations, apparatus and infrastructure (hardware); vehicle accident repair services; vehicle body work repair services; vehicle

List of cases accepted for opposition purposes as shown in Journal 2026/013 published on 27 March 2026 .

undercoating and painting services; vehicle refuelling services; tyre maintenance and repair services; tyre fitting services; service stations; tyre, brake, clutch and exhaust fitting services; fitting of replacement vehicle parts; vehicle washing, cleaning and polishing services; vehicle battery charging; valeting services for vehicles; car valeting services; vehicle tuning services; garage services for vehicle repair and maintenance; inspection of vehicles; repair of accident damage to vehicles; accident management services (damage assessment (repairs), arrangement of vehicle repairs); arranging for the repair and recovery of vehicles; anti-rust treatment for vehicles; installation of replacement windows and windscreens for vehicles; assembling, installation, servicing and repair of accessories for vehicles; emergency vehicle repair services; installation of parts and fittings for vehicles; installation of telephone and security apparatus for vehicles; vehicle lubricating and greasing services; reconditioning of vehicle engines; refurbishment of vehicles; vehicle damage evaluation services; installation and fitting of car safety seats for children, infants and babies; rental of vehicle repair and maintenance equipment; glazier services for vehicles; diagnostic, repair, maintenance and appraisal services for vehicles; vehicle detailing; vehicle battery charging; charging services for EVs; charging station services for EVs; battery charging services for motor vehicles; EV battery swapping services; recharging services for EVs; recharging of batteries and accumulators; provision of nationwide EV charging networks; EV charging networks; provision of EV depots; provision of EV charging facilities; information services relating to EV charging networks; information, advisory and consultancy services relating to all of the aforesaid services.

Class 38:

Providing access to Internet portals; providing access to web portals; electronic bulletin board services; electronic message board services; providing access to search engines; email and instant messaging services; broadcasting services namely, transmitting, uploading, receiving, sharing, posting, editing, displaying, playing, storing, organising or otherwise providing electronic media or information over the Internet or other communications networks; transmission of audio, video and electronic communications, documents, messages, voices, text, sound, images, photographs and data; uploading data including images, graphics, sound, text or audio-visual information via the Internet or other communications networks; provision of chat room services; distributing digital content over the Internet; Internet portal services to enable uploading, downloading, sharing, exchanging, receiving, posting, editing, displaying, storing, organising or otherwise providing data, graphics, text, voice, signals, images, photographs, sound, audio content, videos, files, messages, documents and other information over the Internet, intranets, or extranets, by mobile telephone networks, or by other global computer networks, information networks or communications networks including wireless, cable, satellite and cloud, or by other electronic means; distributing digital content over the Internet, intranets or extranets, by mobile telephone networks, or by other global computer networks, information networks or communications networks; streaming lessons, events, meetings, presentations, shows, exhibitions, seminars, conferences, workshops, lectures, discussions and any other performances, live or recorded, in real time or otherwise; remote transmission of lessons, events, meetings, presentations, shows, exhibitions, seminars, conferences, workshops, lectures, and any other performances, live or recorded, in real time or otherwise; provision of access to electronic conferencing, audio conferencing, video conferencing, and electronic discussion

groups; communication of information (including web pages); provision of access to data, documents, information or files stored electronically to remote users; providing multiple user access to global computer information networks for the transfer and dissemination of information and files; providing an online forum (or an online web site) where computer users can interact with other computer users to create online communities for education and training purposes; providing online forums for transmission of messages among computer users; data streaming services; remote transmission of data, information and files by means of telecommunications; providing access to computer software applications; providing an online forum (or an online web site) where computer users can interact with other computer users concerning topics of general interest; providing an online forum (or an online web site) where computer users can search for other computer users to create and participate in online communities and social networks; providing access to website portals; providing links to the websites of others; broadcasting of lessons, webinars and blogs for education and entertainment purposes; providing access to webcasts and podcasts; website portal services; providing links to the websites of others; information, advisory and consultancy services relating to all of the aforesaid services.

Class 39:

Vehicle fleet management services; fleet management of vehicles; car and vehicle rental; car and vehicle leasing; leasing services for cars and for domestic and commercial vehicles; hire of cars, hire of domestic and commercial vehicles; lease services relating to vehicles, hire services relating to vehicles; vehicle contract hire; arranging of breakdown recovery for fleets of vehicles; vehicle parking; provision of vehicular and traffic information and vehicular instructions; vehicle transport services; armoured vehicle transport services; vehicle driving services; loan of vehicles; provision of vehicle information relating to any of its location, identity, direction of travel and speed; monitoring vehicles and traffic; monitoring of traffic congestion and speed; tracking of vehicles; towing and transport of road vehicles; vehicle routing by computer on data networks; tracking of vehicles by computer or via GPS; arranging of vehicle breakdown recovery services; vehicle breakdown recovery assistance; vehicle rescue services; recovery services for vehicles; provision of hired vehicles; arranging rental of vehicles; trailer rental services; reservation services for vehicle rental; loading and unloading of vehicles; rental and leasing of electric vehicles; towing and transportation of electric vehicles; rental and leasing of EV apparatus and infrastructure (hardware); rental and leasing of EVSE apparatus and infrastructure (hardware); transportation of EV and EVSE apparatus and infrastructure (hardware); provision and supply of courtesy cars; transportation of passengers; hire and leasing services; transportation by land, sea and air; charter of vehicles; charter services for excursions by land, air or sea; vehicle delivery services; contract hire and rental of vehicles; storage of vehicles and parts for vehicles; vehicle salvage services; warehousing of vehicles; depot services for the storage of vehicles; accident management services (vehicle recovery services, replacement car provision); fuel efficiency analysis for vehicles (logistics); fuel usage analysis for vehicles (logistics); providing risk management analysis for vehicles and providing risk management analysis for fleets of vehicles (transport and logistics); rental of parking spaces at depots for EV charging; booking and reservation of EV charging stations; booking and reservation of charging terminals for electric vehicles; distribution services of loyalty cards, vouchers and tokens of value for EV charging; services for booking

List of cases accepted for opposition purposes as shown in Journal 2026/013 published on 27 March 2026 .

of EV charging spaces; information services relating to EV charging networks charging stations and depots with EV charging facilities; providing information regarding the location of EV charging stations; providing information in connection with the usage and real-time data from EV charging stations; navigation services for EVs; route planning services to locate EV charging stations; charging points; transportation logistics services in the field of EV charging station availability; analytics for EV charging station usage, availability and optimisation; electricity supply services to EV charging networks, EV charging stations EV charging infrastructure; electricity distribution services to EV charging networks, EV charging stations EV charging infrastructure; information, advisory and consultancy services relating to all of the aforesaid services.

Class 41:

Educational and entertainment services; education services in relation to the training of mechanics; education services in relation to the training of mechanics and engineers surrounding the installation, maintenance, repair and operation of EV charging stations; education and training services relating to the rental, installation, maintenance and repair of EV charging stations; providing apprenticeship programmes; providing apprenticeship programmes in the field of automotive technical training, transport training, operating commercial vehicles, logistics, fork-lift training, business management, administration, customer services, health and safety, information technology, computer science; providing driving lessons; providing training in first aid; providing training for HGV drivers; education and training services relating to the safety and fitting of car seats for babies, infants and for children; education and training services relating to the sale, lease, repair, maintenance, rescue, recovery and driving of vehicles; provision of educational services in relation to the testing of vehicles for roadworthiness; providing lessons, course work, blogs and seminars for education and entertainment purposes online or by other electronic means; electronic publications provided online (not downloadable) from databases and from facilities provided on the Internet; books, newsletters, magazines, periodicals, leaflets and other publications provided online (not downloadable) from databases and from facilities provided on the Internet; organisation of competitions and races involving vehicles; organising and hosting of corporate entertainment events; organisation and hosting of lessons, conferences, congresses, seminars, meetings and workshops; organisation and hosting of competitions, quizzes and games; editing, posting, displaying, tagging, blogging, sharing or otherwise providing data including images, graphics, sound, text or audio-visual information via the Internet or other communications networks for educational and entertainment purposes; electronic games services provided by means of the Internet or other communications networks; provision of conference facilities (entertainment); examination services; educational examination and testing services; information, advisory and consultancy services relating to all of the aforesaid services.

Class 42:

Certification services for vehicles; vehicle appraisal services; testing of vehicles for roadworthiness; MOT certification services; testing of vehicles; technological and research services relating to motor vehicles, parts and fittings for vehicles, and for car safety seats for children, infants and babies; certification services for EV charging networks, stations and infrastructure; appraisal services of EV charging networks, stations and infrastructure; testing of EV charging networks, stations and

infrastructure; preparation of engineers reports; inspection of motor vehicles for road worthiness; inspection services for persons buying or selling vehicles; vehicle verification; technical and professional consultancy services relating to vehicles and/or driving; safety technology services relating to vehicles; website design and development; compilation of web pages on the Internet; computer software management; information services relating to the testing and certification of vehicles; hosting digital content for others; computer services including design of personal home pages, website design services, website hosting services, maintenance of websites and hosting online web facilities for others; consulting and technical assistance in the fields of designing, creating, hosting and maintenance of websites for others; design and development of software applications for use through a personalised webpage interface; hosting digital content on the Internet; creating data including images, graphics, sound, text or audio-visual information via the Internet or other communications networks; scientific, technological, research, design and development services relating to vehicles, telecommunications, navigational, tracking, location and fleet management apparatus and software; advice and design services in respect of traffic and vehicular information, of instruction and equipment, and of tracking and immobilisation of vehicles by remote control; research in the field of carbon emissions; analysis of carbon emissions; research in the field of EVs; research in the field of charging of EVs; provision of advice and consultancy in relation to reducing carbon emissions and in reducing fuel consumption; providing risk management analysis for vehicles and providing risk management analysis for fleets of vehicles (provision of technical information); maintenance of databases of vehicles for sale, hire, lease or rental; maintenance of databases of spare parts for vehicles; maintenance of databases of EV charging stations; maintenance of databases; maintenance of databases of vehicles; information, advisory and consultancy services relating to all of the aforesaid services.

Class 45:

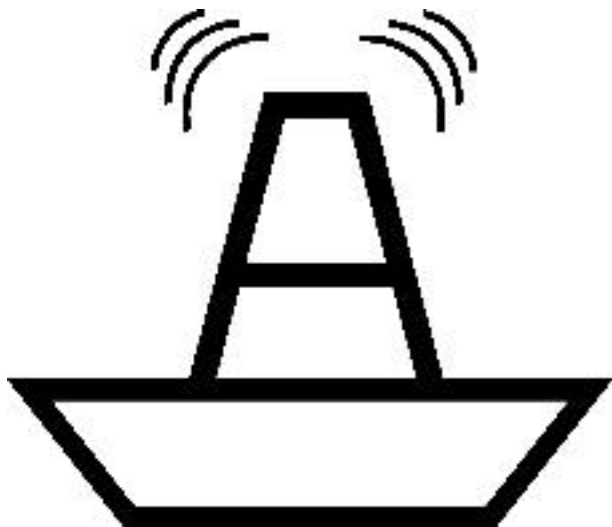

Legal services; contract drafting and amendment services; accident investigation and accident reporting services; verification services, namely provision of information to verify the mileage and condition of vehicles; verification services, namely provision of information to verify the mileage and condition of EVs; verification services, namely provision of information to verify the usage and condition of EV charging stations and EV charging networks; risk management analysis for vehicles; risk management analysis for fleets of vehicles; conducting safety risk auditing for fleets of vehicles; risk management analysis for EV charging stations and EV charging networks; conducting on-site assessments and online assessments of EV charging stations and EV charging networks; conducting on-road assessments and online assessments of vehicles and drivers for risk assessment and health and safety purposes; stolen vehicle tracking, location and recovery services; tracking services for the recovery of stolen vehicles; social networking services; accident management services (determining fault (legal services), legal services); providing risk management analysis for vehicles and providing risk management analysis for fleets of vehicles (providing legal advice); agency services (legal) relating to personal injury compensation as a result of accidents; information, advisory and consultancy services relating to all of the aforesaid services.

Oberon - OBERON - oberon

Application for a series of 3 marks.

Class 11:
Solar panels for use in heating; Solar heating panels; Solar furnaces; Solar lights; Solar lamps; Solar energy collectors for heating; Solar energy powered heating installations; Solar heating installations; Solar collectors for heating; Solar powered lamps; Solar thermal collectors [heating]; Solar water heaters; Solar powered torches; Thermal storage instruments [solar energy] for heating; Solar energy powered heating apparatus; Solar heat collection panels; Solar heating apparatus; Solar lamp units; Thermal storage apparatus [solar energy] for heating; Solar powered ventilation apparatus; Solar cell lighting apparatus; Supports adapted for use with solar heating tubes; Infrared heating panels; Evacuated heat pipe solar collectors [heat exchangers]; Electric heating installations; Cooled panels for use with electrical furnaces; Heating filaments, electric; Electric heating filaments; Electric lanterns; Electric water heaters;

Electric radiators for heating buildings; Electric space heaters; Electric heaters; Boilers; Furnace boilers; Heating boilers; Burners for boilers; Flues for heating boilers; Burners, boilers and heaters; Pipes for heating boilers; Gas boilers; Boilers for heating installations; Industrial boilers; Water boilers; Electrical boilers; Electric boilers; Boilers for use in heating systems; Bath boilers; Water heaters and boilers; Domestic boilers; Wash boilers; Steam boilers, other than parts of machines; Gas fired boilers; Central heating boilers; Accumulation boilers; Oil fired boilers; Boiler pipes [tubes] for heating installations; Boilers for central heating installations; Gas boilers for water heating; Hot water boilers; Gas boilers [other than parts of machines]; Stokers for use with commercial furnaces; Gas boilers for central heating; Stokers for use with industrial furnaces; Steam boilers for steam generating [other than parts of machines]; Feeding apparatus for heating boilers; Burners for the combustion of oil in boiler units; Burners for the combustion of gas in boiler units; Boilers for hot water supply installations; Steam radiators for heating buildings; Boilers being parts of central heating installations; Gas boilers for the heating of swimming pools; Industrial heating furnaces; Combustion furnaces; Gas fired boilers for producing domestic hot water; Air valves for steam heating installations; Burners for heating installations; Stoves for heating; Coal stoves; Recuperators for pre-heating combustion air in heating systems by the use of hot flue gas; Heating apparatus for furnaces; Steam valves; Laundry room boilers; Steam cookers; Pot furnaces; Thermal radiators for the heating of buildings; Air heating furnaces; Reheating gas furnaces; Electric central heating boiler systems; Steam generators for use with steam baths; Flues for heating apparatus; Recuperative gas furnaces; Steam superheaters [for industrial purposes]; Reheating furnaces; Cylinders for the heating of water; Gas fired back boiler units for domestic hot water systems; Fittings for flues; Radiators [heating]; Industrial furnaces; Flues; Hot water boilers for beverage making; Valves (Thermostatic -) [parts of heating installations]; Thermostatic valves [parts of heating installations]; Thermostatic valves as parts of heating installations; Gas fired furnaces; Furnaces for central heating; Steam generators; Gas fired back boiler units for domestic central heating; Chimney flues; Flues (Chimney -); Sight glasses for boilers; Electric furnaces; Stoves [heating apparatus]; Steam sterilizers; Refractory furnaces; Shaped fittings for furnaces; Convectors [radiators]; Heat exchangers for fireplaces; Roller hearth furnaces; Central heating radiators; Appliances for heating; Coils for heating; Dampers [heating]; Underfloor heating apparatus; Underfloor heating installations; Humidifiers for central heating radiators; Apparatus for heating; Heating apparatus; Heating installations; Installations for heating; Heating installations for gas; Heating elements; Elements (Heating -); Heating units; Electric heating elements; Heating apparatus, electric; Electric heating apparatus; Radiators for central heating installations; Heat sinks for use in heating apparatus; Heating armatures; Electric radiant heating apparatus; Radiators for central heating systems; Heating apparatus for oil; Heating installations [water]; Water heating installations; Electric water heating apparatus; Electrical heating elements; Hot water heating apparatus; Heat exchangers for central heating purposes; Steam heating apparatus; Heating plates; Heating installations (Hot water -); Hot water heating installations; Heating rods; Hot air heating apparatus; Air heating apparatus; Underfloor heating apparatus and installations; Fixed heating burners; Air heating installations; Automatic temperature regulators for central heating radiators; Electric trace heating; Warm air heating apparatus; Installations for central heating;

List of cases accepted for opposition purposes as shown in Journal 2026/013 published on 27 March 2026 .

Central heating installations; Electric heating fans; Heating rings; Saunas (Apparatus for heating -); Electric heating cables; Gas fuelled central heating installations; Temperature sensing apparatus [thermostatic valves] for central heating radiators; Heating apparatus for use in the home; Thermal controls [valves] for central heating radiators; HVAC systems (heating, ventilation and air conditioning); Flat radiators for central heating installations; Heating installations for fluids; Central heating apparatus; Heating cartridges; Temperature sensors [thermostatic valves] for central heating radiators; Heating and cooling apparatus for dispensing hot and cold beverages; Gas fired heating apparatus; Temperature limiters [valves] for central heating radiators; Gas fired heating installations; Temperature regulators [thermostatic valves] for central heating radiators; Apparatus for controlling temperature in central heating radiators [valves]; Temperature controlling apparatus [valves] for central heating radiators; Installations for heating foodstuffs; Air humidifiers [water containers for central heating radiators]; Temperature controllers [valves] for central heating radiators; Temperature control apparatus [valves] for central heating radiators; Thermoelectric apparatus for heating foodstuffs; Thermoelectric apparatus for heating beverages; Electric surface heating tapes; Flat heating elements; Heating, ventilating, and air conditioning and purification equipment (ambient); Heating apparatus for foodstuffs; Water distributor armatures for heating; Floor heating apparatus; Industrial heating apparatus; Heating apparatus incorporating flues; Storage heaters; Electrical storage heaters; Cold storage boxes [electric]; Storage water heaters; Rainwater purification installations; Shower panels; Lighting panels; Residential air conditioning units; Control units [thermostatic valves] for heating installations; Residential heating units; Window-mounted air conditioning units; Industrial heating installations; Industrial humidifiers; Vent covers [parts of air conditioning installations]; Industrial air purifiers; Industrial heaters; Heating and cooling systems for motor cars; Tub control valves [plumbing fittings]; Residential ventilating units; Extractors [ventilation or air conditioning]; Manually-operated plumbing valves.

Class 37:

Installation of solar heating systems; Installation of solar powered systems; Installation of residential solar panel power systems; Installation of non-residential solar panel power systems; Construction of utility solar installations; Maintenance and repair of solar thermal installations; Installation and maintenance of solar thermal installations; Maintenance and repair of solar power installations; Maintenance and repair of solar heating installations; Construction of geothermal energy installations; Construction of geothermal power plants; Installation of photovoltaic cells and modules; Construction of geothermal power installations; Installation of sun roofs; Construction of wind power plants; Construction of wave energy power plants; Construction of geothermal heating installations; Construction of geothermal community heating installations; Installation of electric light and power systems; Installation of wind power systems; Repair services for electric generators and wind turbines; Installation of electricity generators; Maintenance and repair of wave energy power plants; Installation of boilers; Cleaning of boilers; Servicing of industrial boilers; Cleaning of industrial boilers; Renovation of industrial boilers; Repair or maintenance of boilers; Maintenance and repair of solid fuel boilers; Installation, repair and maintenance of boiler tubes; Installation of industrial furnaces; Boiler repair services; Boiler cleaning services; Vehicle battery charging; Recharging of batteries; Rental of

battery chargers; Mobile phone battery charging; Battery charging service for motor vehicles; Recharging of batteries and accumulators; Replacement of batteries; Computer and telephone battery recharge services; Electric vehicle battery swapping services; Mobile telephone battery charging services; Charging of electric vehicles; Installation of heating and cooling apparatus; Installation of central heating; Central heating installation; Repair of heating apparatus; Installation of skin-effect heating; Installation of apparatus for heating; Installation of heating apparatus; Storage tank cleaning; Cleaning of storage tanks; Cleaning of storage containers; Installation and maintenance of photovoltaic installations; Installation of rainwater harvesting systems; Installation of rainwater tanks; Installation of geothermal installations; Roofing installation; Installation of roofing; Installing septic tanks; Maintenance, repair and reconditioning of photovoltaic apparatus and installations; Thermal insulating of buildings; Installation of thermal insulation for buildings; Installation of hydropower systems; Installation of insulating materials in buildings, roofs and structures; HVAC (Heating, ventilation and air conditioning) installation, maintenance and repair; Air conditioning contractor services; Plumbing; Heating contractor services; Furnace installation and repair; Maintenance of plumbing; Installation of plumbing; Electrical contractor services; Installation of plumbing systems; Furnace installation and repairs; Retrofitting of heating, ventilating and air conditioning installations in buildings; Repair or maintenance of industrial furnaces; Drywall contractor services; Plumbing installation, maintenance and repair; Repair of industrial furnaces; Maintenance and repair of industrial piping; Renovation, repair and maintenance of electrical wiring; Insulation of roofing; Plumbing and glazing services; Plumbing services; Renovation of plumbing; Heating equipment installation and repair; Installation and repair of heating equipment; Electrical wiring services; Leasing of air compressors; Maintenance and repair of heating; Air conditioning vent sealing services; Maintenance and repair of cooling appliances and installations; Heating equipment repair; Installation, repair and maintenance of heating equipment; Cleaning of electrical motors; Installation, repair and maintenance of steam condensers; Maintenance and repair of compressors; Electric appliance installation and repair; Plumbing repair advisory services; Coating services for the repair of industrial engineering plant; Maintenance and repair of heating installations; Repair services for domestic electrical appliances; Electrical installation services; Plumbing and gas and water installation; Roofing repair; Repair of roofing; Maintenance of electronic or air conditioning systems; Maintenance and repair of electrical earthing systems; Renovation of electrical wiring; Plumbing installation advisory services; Heating equipment installation; Air-conditioning system installation and repair; Maintenance of commercial electrical systems; Coating services for the repair of marine engineering plant; Installation, repair and maintenance radiators for motors and engines; Installation of industrial piping; Plumbing maintenance advisory services; Air duct cleaning services; Air conditioning apparatus installation and repair; Installation and repair of air conditioning apparatus; Coating services for the maintenance of industrial engineering plant; Boiler cleaning and repair; Repair or maintenance of consumer electric appliances; Electric appliance repair; Repair or maintenance of air conditioning apparatus; Maintenance and repair of air conditioning apparatus; Repair or maintenance of electric motors; Repair of electrical equipment and electrotechnical installations; Repair or maintenance of gas water heaters; Repair of electrical equipment.

mobile phones and their accessories, cameras and their accessories, webcams, battery chargers, batteries, power banks, headsets, speakers, recording pens, photography camera products and their accessories, audio and video products and parts namely audio amplifiers, audio mixers, audio receivers, video receivers, DVD players, computers and their parts, computer peripheral devices namely computer display monitors, computer keyboards, computer joysticks, computer mice, computer printers, computer styluses, computer speakers, computer disc drives, computer interface boards, computer interface cards, computer network adaptors, computer power supplies, computer cameras, videophones, scanners, software, global positioning systems; retail and wholesale services, rendered also online, in connection with: surgical, medical, dental and veterinary apparatus and instruments, artificial limbs, eyes and teeth, orthopaedic articles, suture materials, therapeutic and assistive devices adapted for persons with disabilities, massage apparatus, apparatus, devices and articles for nursing infants, sexual activity apparatus, devices and articles; retail and wholesale services, rendered also online, in connection with: apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes, hair dryers, electric blankets; retail and wholesale services, rendered also online, in connection with: vehicles, apparatus for locomotion by land, air or water, seat covers, floor mats, steering wheel covers, trolleys, baby carriages; retail and wholesale services, rendered also online, in connection with: firearms, ammunition and projectiles, explosives, fireworks; retail and wholesale services, rendered also online, in connection with: precious metals and their alloys, jewellery, precious and semi-precious stones, horological and chronometric instruments; retail and wholesale services, rendered also online, in connection with: musical instruments, music stands and stands for musical instruments, conductors' batons; retail and wholesale services, rendered also online, in connection with: paper and cardboard, printed matter, bookbinding material, photographs, stationery and office requisites, except furniture, adhesives for stationery or household purposes, drawing materials and materials for artists, paintbrushes, instructional and teaching materials, plastic sheets, films and bags for wrapping and packaging, printers' type, printing blocks; retail and wholesale services, rendered also online, in connection with: unprocessed and semi-processed rubber, gutta-percha, gum, asbestos, mica and substitutes for all these materials, plastics and resins in extruded form for use in manufacture, packing, stopping and insulating materials, flexible pipes, tubes and hoses, not of metal; retail and wholesale services, rendered also online, in connection with: leather and imitations of leather, animal skins and hides, luggage and carrying bags, wallets, card holders, vanity cases (not fitted), purses, umbrellas and parasols, walking sticks, whips, harness and saddlery, collars, leashes and clothing for animals; retail and wholesale services, rendered also online, in connection with: materials, not of metal, for building and construction, rigid pipes, not of metal, for building, asphalt, pitch, tar and bitumen, transportable buildings, not of metal, monuments, not of metal; retail and wholesale services, rendered also online, in connection with: furniture, mirrors, picture frames, containers, not of metal, for storage or transport, unworked or semi-worked bone, horn, whalebone or mother-of-pearl, shells, meerschaum, yellow amber, pet beds, mattresses, pillows, cushions, summer sleeping mats; retail and wholesale services, rendered also online, in connection with: household or kitchen utensils and containers, cookware and tableware, except forks, knives and spoons, combs and sponges, brushes, except paintbrushes, brush-making materials, articles

for cleaning purposes, unworked or semi-worked glass, except building glass, glassware, porcelain and earthenware, pet bowls, gardening tools; retail and wholesale services, rendered also online, in connection with: ropes and string, nets, tents and tarpaulins, awnings of textile or synthetic materials, sails, sacks for the transport and storage of materials in bulk, padding, cushioning and stuffing materials, except of paper, cardboard, rubber or plastics, raw fibrous textile materials and substitutes therefor; retail and wholesale services, rendered also online, in connection with: yarns and threads for textile use; retail and wholesale services, rendered also online, in connection with: textiles and substitutes for textiles, household linen, curtains of textile or plastic, pet blankets, tableware, bed sheets, quilt cover, pillowcases, pillow interiors, towels, bath towels, handkerchiefs, quilts, blankets, bedding; retail and wholesale services, rendered also online, in connection with: clothing, footwear, headwear; retail and wholesale services, rendered also online, in connection with: lace, braid and embroidery, and haberdashery ribbons and bows, buttons, hooks and eyes, pins and needles, artificial flowers, hair decorations, false hair; retail and wholesale services, rendered also online, in connection with: carpets, rugs, mats and matting, linoleum and other materials for covering existing floors, wall hangings, not of textile; retail and wholesale services, rendered also online, in connection with: games, toys and playthings, pet toys, video game apparatus, gymnastic and sporting articles, decorations for Christmas trees; retail and wholesale services, rendered also online, in connection with: meat, fish, poultry and game, meat extracts, preserved, frozen, dried and cooked fruits and vegetables, jellies, jams, compotes, eggs, milk, cheese, butter, yogurt and other milk products, oils and fats for food; retail and wholesale services, rendered also online, in connection with: coffee, tea, cocoa and substitutes therefor, rice, pasta and noodles, tapioca and sago, flour and preparations made from cereals, bread, pastries and confectionery, chocolate, ice cream, sorbets and other edible ices, sugar, honey, treacle, yeast, baking-powder, salt, seasonings, spices, preserved herbs, vinegar, sauces and other condiments, ice (frozen water); retail and wholesale services, rendered also online, in connection with: raw and unprocessed agricultural, aquacultural, horticultural and forestry products, raw and unprocessed grains and seeds, fresh fruits and vegetables, fresh herbs, natural plants and flowers, bulbs, seedlings and seeds for planting, live animals, foodstuffs and beverages for animals, malt; retail and wholesale services, rendered also online, in connection with: beers, non-alcoholic beverages, mineral and aerated waters, fruit beverages and fruit juices, syrups and other preparations for making non-alcoholic beverages; retail and wholesale services, rendered also online, in connection with: alcoholic beverages, except beers, alcoholic preparations for making beverages; retail and wholesale services, rendered also online, in connection with: tobacco and tobacco substitutes, cigarettes and cigars, electronic cigarettes and oral vaporizers for smokers, smokers' articles, matches, cigarette lighters; retail and wholesale services, rendered also online, in connection with: electronic household appliances; supermarket retail services in relation to chemicals for use in industry, science and photography, as well as in agriculture, horticulture and forestry, unprocessed artificial resins, unprocessed plastics, fire extinguishing and fire prevention compositions, tempering and soldering preparations, substances for tanning animal skins and hides, adhesives for use in industry, putties and other paste fillers, compost, manures, fertilizers, biological preparations for use in industry and science; supermarket retail services in relation to paints, varnishes, lacquers, preservatives against rust and against

List of cases accepted for opposition purposes as shown in Journal 2026/013 published on 27 March 2026 .

deterioration of wood, colorants, dyes, inks for printing, marking and engraving, raw natural resins, metals in foil and powder form for use in painting, decorating, printing and art; supermarket retail services in relation to non-medicated cosmetics and toiletry preparations, non-medicated dentifrices, perfumery, essential oils, bleaching preparations and other substances for laundry use, cleaning, polishing and abrasive preparations, facial cleansers, shampoo, hair conditioners, hair wax, make-up and skin care products, false eyelashes, false nails, nail art stickers; supermarket retail services in relation to industrial oils and greases, wax, lubricants, dust absorbing, wetting and binding compositions, fuels and illuminants, candles and wicks for lighting; supermarket retail services in relation to medical preparations, dietetic food and substances adapted for medical or veterinary use, food for babies, maternal and child supplies, namely feeding bottles, feeding bottle teats, babies' nappies, dietary supplements for human beings and animals, plasters, materials for dressings, material for stopping teeth, dental wax, disinfectants, preparations for destroying vermin, fungicides, herbicides, air deodorising preparations; supermarket retail services in relation to common metals and their alloys, ores, metal materials for building and construction, transportable buildings of metal, non-electric cables and wires of common metal, small items of metal hardware, metal containers for storage or transport, safes; supermarket retail services in relation to machine tools, power-operated tools, motors and engines, except for land vehicles, machine coupling and transmission components, except for land vehicles, agricultural implements, other than hand-operated hand tools, incubators for eggs, automatic vending machines; supermarket retail services in relation to hand tools and implements, hand-operated, cutlery, side arms, except firearms, razors; supermarket retail services in relation to scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments, apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity, apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data, recorded and downloadable media, computer software, blank digital or analogue recording and storage media, mechanisms for coin-operated apparatus, cash registers, calculating devices, computers and computer peripheral devices, diving suits, divers' masks, ear plugs for divers, nose clips for divers and swimmers, gloves for divers, breathing apparatus for underwater swimming, fire-extinguishing apparatus, eyeglasses, mobile phones and their accessories, cameras and their accessories, webcams, battery chargers, batteries, power banks, headsets, speakers, recording pens, photography camera products and their accessories, audio and video products and parts namely audio amplifiers, audio mixers, audio receivers, video receivers, DVD players, computers and their parts, computer peripheral devices namely computer display monitors, computer keyboards, computer joysticks, computer mice, computer printers, computer styluses, computer speakers, computer disc drives, computer interface boards, computer interface cards, computer network adaptors, computer power supplies, computer cameras, videophones, scanners, software, global positioning systems; supermarket retail services in relation to surgical, medical, dental and veterinary apparatus and instruments, artificial limbs, eyes and teeth, orthopaedic articles, suture materials, therapeutic and assistive devices adapted for persons with disabilities, massage apparatus, apparatus, devices and articles for nursing infants,

sexual activity apparatus, devices and articles; supermarket retail services in relation to apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes, hair dryers, electric blankets; supermarket retail services in relation to vehicles, apparatus for locomotion by land, air or water, seat covers, floor mats, steering wheel covers, trolleys, baby carriages; supermarket retail services in relation to firearms, ammunition and projectiles, explosives, fireworks; supermarket retail services in relation to precious metals and their alloys, jewellery, precious and semi-precious stones, horological and chronometric instruments; supermarket retail services in relation to musical instruments, music stands and stands for musical instruments, conductors' batons; supermarket retail services in relation to paper and cardboard, printed matter, bookbinding material, photographs, stationery and office requisites, except furniture, adhesives for stationery or household purposes, drawing materials and materials for artists, paintbrushes, instructional and teaching materials, plastic sheets, films and bags for wrapping and packaging, printers' type, printing blocks; supermarket retail services in relation to unprocessed and semi-processed rubber, gutta-percha, gum, asbestos, mica and substitutes for all these materials, plastics and resins in extruded form for use in manufacture, packing, stopping and insulating materials, flexible pipes, tubes and hoses, not of metal; supermarket retail services in relation to leather and imitations of leather, animal skins and hides, luggage and carrying bags, wallets, card holders, vanity cases (not fitted), purses, umbrellas and parasols, walking sticks, whips, harness and saddlery, collars, leashes and clothing for animals; supermarket retail services in relation to materials, not of metal, for building and construction, rigid pipes, not of metal, for building, asphalt, pitch, tar and bitumen, transportable buildings, not of metal, monuments, not of metal; supermarket retail services in relation to furniture, mirrors, picture frames, containers, not of metal, for storage or transport, unworked or semi-worked bone, horn, whalebone or mother-of-pearl, shells, meerscham, yellow amber, pet beds, mattresses, pillows, cushions, summer sleeping mats; supermarket retail services in relation to household or kitchen utensils and containers, cookware and tableware, except forks, knives and spoons, combs and sponges, brushes, except paintbrushes, brush-making materials, articles for cleaning purposes, unworked or semi-worked glass, except building glass, glassware, porcelain and earthenware, pet bowls, gardening tools; supermarket retail services in relation to ropes and string, nets, tents and tarpaulins, awnings of textile or synthetic materials, sails, sacks for the transport and storage of materials in bulk, padding, cushioning and stuffing materials, except of paper, cardboard, rubber or plastics, raw fibrous textile materials and substitutes therefor; supermarket retail services in relation to yarns and threads for textile use; supermarket retail services in relation to textiles and substitutes for textiles, household linen, curtains of textile or plastic, pet blankets, tableware, bed sheets, quilt cover, pillowcases, pillow interiors, towels, bath towels, handkerchiefs, quilts, blankets, bedding; supermarket retail services in relation to clothing, footwear, headwear; supermarket retail services in relation to lace, braid and embroidery, and haberdashery ribbons and bows, buttons, hooks and eyes, pins and needles, artificial flowers, hair decorations, false hair; supermarket retail services in relation to carpets, rugs, mats and matting, linoleum and other materials for covering existing floors, wall hangings, not of textile; supermarket retail services in relation to games, toys and playthings, pet toys, video game apparatus, gymnastic and sporting articles, decorations for Christmas trees;

List of cases accepted for opposition purposes as shown in Journal 2026/013 published on 27 March 2026 .

supermarket retail services in relation to meat, fish, poultry and game, meat extracts, preserved, frozen, dried and cooked fruits and vegetables, jellies, jams, compotes, eggs, milk, cheese, butter, yogurt and other milk products, oils and fats for food; supermarket retail services in relation to coffee, tea, cocoa and substitutes therefor, rice, pasta and noodles, tapioca and sago, flour and preparations made from cereals, bread, pastries and confectionery, chocolate, ice cream, sorbets and other edible ices, sugar, honey, treacle, yeast, baking-powder, salt, seasonings, spices, preserved herbs, vinegar, sauces and other condiments, ice (frozen water); supermarket retail services in relation to raw and unprocessed agricultural, aquacultural, horticultural and forestry products, raw and unprocessed grains and seeds, fresh fruits and vegetables, fresh herbs, natural plants and flowers, bulbs, seedlings and seeds for planting, live animals, foodstuffs and beverages for animals, malt; supermarket retail services in relation to beers, non-alcoholic beverages, mineral and aerated waters, fruit beverages and fruit juices, syrups and other preparations for making non-alcoholic beverages; supermarket retail services in relation to alcoholic beverages, except beers, alcoholic preparations for making beverages; supermarket retail services in relation to tobacco and tobacco substitutes, cigarettes and cigars, electronic cigarettes and oral vaporizers for smokers, smokers' articles, matches, cigarette lighters; supermarket retail services in relation to electronic household appliances; services relating to customer loyalty, incentive and bonus programs; administration of a discount program for enabling participants to obtain discounts on shipping services through use of a discount membership program; promoting and marketing the goods and services of others by distributing advertising material, coupons, discounts on goods and services, and information about exclusive deals; providing a customer loyalty rewards program for shoppers, namely, arranging and conducting incentive reward programs to promote the sale of a wide variety of consumer goods of others; administration of a discount program enabling participants to obtain discounts on shipping services and early access to retail discounts and offers; computerized tracking and tracing of packages in transit to ensure on-time delivery for business purposes.

Class 36:

Insurance consultancy; financial management; providing financial information via a website; art appraisal; real estate management; financial customs brokerage services; surety services; charitable fund raising; trusteeship; lending against security; issuance of prepaid gift cards; issuance of prepaid vouchers; providing rebates at participating establishments of others through use of a membership card; processing of credit card payments; processing of debit card payments; e-wallet payment services; electronic funds transfer; online banking; issuance of gift certificates; mobile banking services.

Class 39:

Arranging expedited shipping services, namely, arranging for freight transportation of packages by means of truck and air.

Class 35:

Advertising; demonstration of goods; presentation of goods on communication media, for retail purposes; providing business information via a website; business management and organization consultancy; sales promotion for others; procurement services for others [purchasing goods and services for other businesses]; provision of an online marketplace for buyers and sellers of goods and services; business operation of shopping center for others; relocation services for businesses; personnel management consultancy; updating and maintenance of data in computer databases; drawing up of statements of accounts; rental of vending machines; sponsorship search; rental of sales stands; rental of cash registers; retail services for pharmaceutical, veterinary and sanitary preparations and medical supplies; retail and wholesale services, rendered also online, in connection with: chemicals for use in industry, science and photography, as well as in agriculture, horticulture and forestry, unprocessed artificial resins, unprocessed plastics, fire extinguishing and fire prevention compositions, tempering and soldering preparations, substances for tanning animal skins and hides, adhesives for use in industry, putties and other paste fillers, compost, manures, fertilizers, biological preparations for use in industry and science; retail and wholesale services, rendered also online, in connection with: paints, varnishes, lacquers, preservatives against rust and against deterioration of wood, colorants, dyes, inks for printing, marking and engraving, raw natural resins, metals in foil and powder form for use in painting, decorating, printing and art; retail and wholesale services, rendered also online, in connection with: non-medicated cosmetics and toiletry preparations, non-medicated dentifrices, perfumery, essential oils, bleaching preparations and other substances for laundry use, cleaning, polishing and abrasive preparations, facial cleansers, shampoo, hair conditioners, hair wax, make-up and skin care products, false eyelashes, false nails, nail art stickers; retail and wholesale services, rendered also online, in connection with: industrial oils and greases, wax, lubricants, dust absorbing, wetting and binding compositions, fuels and illuminants, candles and wicks for lighting; retail and wholesale services, rendered also online, in connection with: medical preparations, dietetic food and substances adapted for medical or veterinary use, food for babies, maternal and child supplies, namely feeding bottles, feeding bottle teats, babies' nappies, dietary supplements for human beings and animals, plasters, materials for dressings, material for stopping teeth, dental wax, disinfectants, preparations for destroying vermin, fungicides, herbicides, air deodorising preparations; retail and wholesale services, rendered also online, in connection with: common metals and their alloys, ores, metal materials for building and construction, transportable buildings of metal, non-electric cables and wires of common metal, small items of metal hardware, metal containers for storage or transport, safes; retail and wholesale services, rendered also online, in connection with: machine tools, power-operated tools, motors and engines, except for land vehicles, machine coupling and transmission components, except for land vehicles, agricultural implements, other than hand-operated hand tools, incubators

for eggs, automatic vending machines; retail and wholesale services, rendered also online, in connection with: hand tools and implements, hand-operated, cutlery, side arms, except firearms, razors; retail and wholesale services, rendered also online, in connection with: scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments, apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity, apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data, recorded and downloadable media, computer software, blank digital or analogue recording and storage media, mechanisms for coin-operated apparatus, cash registers, calculating devices, computers and computer peripheral devices, diving suits, divers' masks, ear plugs for divers, nose clips for divers and swimmers, gloves for divers, breathing apparatus for underwater swimming, fire-extinguishing apparatus, eyeglasses, mobile phones and their accessories, cameras and their accessories, webcams, battery chargers, batteries, power banks, headsets, speakers, recording pens, photography camera products and their accessories, audio and video products and parts namely audio amplifiers, audio mixers, audio receivers, video receivers, DVD players, computers and their parts, computer peripheral devices namely computer display monitors, computer keyboards, computer joysticks, computer mice, computer printers, computer styluses, computer speakers, computer disc drives, computer interface boards, computer interface cards, computer network adaptors, computer power supplies, computer cameras, videophones, scanners, software, global positioning systems; retail and wholesale services, rendered also online, in connection with: surgical, medical, dental and veterinary apparatus and instruments, artificial limbs, eyes and teeth, orthopaedic articles, suture materials, therapeutic and assistive devices adapted for persons with disabilities, massage apparatus, apparatus, devices and articles for nursing infants, sexual activity apparatus, devices and articles; retail and wholesale services, rendered also online, in connection with: apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes, hair dryers, electric blankets; retail and wholesale services, rendered also online, in connection with: vehicles, apparatus for locomotion by land, air or water, seat covers, floor mats, steering wheel covers, trolleys, baby carriages; retail and wholesale services, rendered also online, in connection with: firearms, ammunition and projectiles, explosives, fireworks; retail and wholesale services, rendered also online, in connection with: precious metals and their alloys, jewellery, precious and semi-precious stones, horological and chronometric instruments; retail and wholesale services, rendered also online, in connection with: musical instruments, music stands and stands for musical instruments, conductors' batons; retail and wholesale services, rendered also online, in connection with: paper and cardboard, printed matter, bookbinding material, photographs, stationery and office requisites, except furniture, adhesives for stationery or household purposes, drawing materials and materials for artists, paintbrushes, instructional and teaching materials, plastic sheets, films and bags for wrapping and packaging, printers' type, printing blocks; retail and wholesale services, rendered also online, in connection with: unprocessed and semi-processed rubber, gutta-percha, gum, asbestos, mica and substitutes for all these materials, plastics and resins in extruded form for use in manufacture, packing, stopping and insulating materials, flexible

List of cases accepted for opposition purposes as shown in Journal 2026/013 published on 27 March 2026 .

pipes, tubes and hoses, not of metal; retail and wholesale services, rendered also online, in connection with: leather and imitations of leather, animal skins and hides, luggage and carrying bags, wallets, card holders, vanity cases (not fitted), purses, umbrellas and parasols, walking sticks, whips, harness and saddlery, collars, leashes and clothing for animals; retail and wholesale services, rendered also online, in connection with: materials, not of metal, for building and construction, rigid pipes, not of metal, for building, asphalt, pitch, tar and bitumen, transportable buildings, not of metal, monuments, not of metal; retail and wholesale services, rendered also online, in connection with: furniture, mirrors, picture frames, containers, not of metal, for storage or transport, unworked or semi-worked bone, horn, whalebone or mother-of-pearl, shells, meerschaum, yellow amber, pet beds, mattresses, pillows, cushions, summer sleeping mats; retail and wholesale services, rendered also online, in connection with: household or kitchen utensils and containers, cookware and tableware, except forks, knives and spoons, combs and sponges, brushes, except paintbrushes, brush-making materials, articles for cleaning purposes, unworked or semi-worked glass, except building glass, glassware, porcelain and earthenware, pet bowls, gardening tools; retail and wholesale services, rendered also online, in connection with: ropes and string, nets, tents and tarpaulins, awnings of textile or synthetic materials, sails, sacks for the transport and storage of materials in bulk, padding, cushioning and stuffing materials, except of paper, cardboard, rubber or plastics, raw fibrous textile materials and substitutes therefor; retail and wholesale services, rendered also online, in connection with: yarns and threads for textile use; retail and wholesale services, rendered also online, in connection with: textiles and substitutes for textiles, household linen, curtains of textile or plastic, pet blankets, tableware, bed sheets, quilt cover, pillowcases, pillow interiors, towels, bath towels, handkerchiefs, quilts, blankets, bedding; retail and wholesale services, rendered also online, in connection with: clothing, footwear, headwear; retail and wholesale services, rendered also online, in connection with: lace, braid and embroidery, and haberdashery ribbons and bows, buttons, hooks and eyes, pins and needles, artificial flowers, hair decorations, false hair; retail and wholesale services, rendered also online, in connection with: carpets, rugs, mats and matting, linoleum and other materials for covering existing floors, wall hangings, not of textile; retail and wholesale services, rendered also online, in connection with: games, toys and playthings, pet toys, video game apparatus, gymnastic and sporting articles, decorations for Christmas trees; retail and wholesale services, rendered also online, in connection with: meat, fish, poultry and game, meat extracts, preserved, frozen, dried and cooked fruits and vegetables, jellies, jams, compotes, eggs, milk, cheese, butter, yogurt and other milk products, oils and fats for food; retail and wholesale services, rendered also online, in connection with: coffee, tea, cocoa and substitutes therefor, rice, pasta and noodles, tapioca and sago, flour and preparations made from cereals, bread, pastries and confectionery, chocolate, ice cream, sorbets and other edible ices, sugar, honey, treacle, yeast, baking-powder, salt, seasonings, spices, preserved herbs, vinegar, sauces and other condiments, ice (frozen water); retail and wholesale services, rendered also online, in connection with: raw and unprocessed agricultural, aquacultural, horticultural and forestry products, raw and unprocessed grains and seeds, fresh fruits and vegetables, fresh herbs, natural plants and flowers, bulbs, seedlings and seeds for planting, live animals, foodstuffs and beverages for animals, malt; retail and wholesale services, rendered also online, in connection with: beers, non-alcoholic

beverages, mineral and aerated waters, fruit beverages and fruit juices, syrups and other preparations for making non-alcoholic beverages; retail and wholesale services, rendered also online, in connection with: alcoholic beverages, except beers, alcoholic preparations for making beverages; retail and wholesale services, rendered also online, in connection with: tobacco and tobacco substitutes, cigarettes and cigars, electronic cigarettes and oral vaporizers for smokers, smokers' articles, matches, cigarette lighters; retail and wholesale services, rendered also online, in connection with: electronic household appliances; supermarket retail services in relation to chemicals for use in industry, science and photography, as well as in agriculture, horticulture and forestry, unprocessed artificial resins, unprocessed plastics, fire extinguishing and fire prevention compositions, tempering and soldering preparations, substances for tanning animal skins and hides, adhesives for use in industry, putties and other paste fillers, compost, manures, fertilizers, biological preparations for use in industry and science; supermarket retail services in relation to paints, varnishes, lacquers, preservatives against rust and against deterioration of wood, colorants, dyes, inks for printing, marking and engraving, raw natural resins, metals in foil and powder form for use in painting, decorating, printing and art; supermarket retail services in relation to non-medicated cosmetics and toiletry preparations, non-medicated dentifrices, perfumery, essential oils, bleaching preparations and other substances for laundry use, cleaning, polishing and abrasive preparations, facial cleansers, shampoo, hair conditioners, hair wax, make-up and skin care products, false eyelashes, false nails, nail art stickers; supermarket retail services in relation to industrial oils and greases, wax, lubricants, dust absorbing, wetting and binding compositions, fuels and illuminants, candles and wicks for lighting; supermarket retail services in relation to medical preparations, dietetic food and substances adapted for medical or veterinary use, food for babies, maternal and child supplies, namely feeding bottles, feeding bottle teats, babies' nappies, dietary supplements for human beings and animals, plasters, materials for dressings, material for stopping teeth, dental wax, disinfectants, preparations for destroying vermin, fungicides, herbicides, air deodorising preparations; supermarket retail services in relation to common metals and their alloys, ores, metal materials for building and construction, transportable buildings of metal, non-electric cables and wires of common metal, small items of metal hardware, metal containers for storage or transport, safes; supermarket retail services in relation to machine tools, power-operated tools, motors and engines, except for land vehicles, machine coupling and transmission components, except for land vehicles, agricultural implements, other than hand-operated hand tools, incubators for eggs, automatic vending machines; supermarket retail services in relation to hand tools and implements, hand-operated, cutlery, side arms, except firearms, razors; supermarket retail services in relation to scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments, apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity, apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data, recorded and downloadable media, computer software, blank digital or analogue recording and storage media, mechanisms for coin-operated apparatus, cash registers, calculating devices, computers and computer peripheral devices, diving suits, divers' masks, ear plugs for divers, nose clips for divers and swimmers, gloves for

List of cases accepted for opposition purposes as shown in Journal 2026/013 published on 27 March 2026 .

divers, breathing apparatus for underwater swimming, fire-extinguishing apparatus, eyeglasses, mobile phones and their accessories, cameras and their accessories, webcams, battery chargers, batteries, power banks, headsets, speakers, recording pens, photography camera products and their accessories, audio and video products and parts namely audio amplifiers, audio mixers, audio receivers, video receivers, DVD players, computers and their parts, computer peripheral devices namely computer display monitors, computer keyboards, computer joysticks, computer mice, computer printers, computer styluses, computer speakers, computer disc drives, computer interface boards, computer interface cards, computer network adaptors, computer power supplies, computer cameras, videophones, scanners, software, global positioning systems; supermarket retail services in relation to surgical, medical, dental and veterinary apparatus and instruments, artificial limbs, eyes and teeth, orthopaedic articles, suture materials, therapeutic and assistive devices adapted for persons with disabilities, massage apparatus, apparatus, devices and articles for nursing infants, sexual activity apparatus, devices and articles; supermarket retail services in relation to apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes, hair dryers, electric blankets; supermarket retail services in relation to vehicles, apparatus for locomotion by land, air or water, seat covers, floor mats, steering wheel covers, trolleys, baby carriages; supermarket retail services in relation to firearms, ammunition and projectiles, explosives, fireworks; supermarket retail services in relation to precious metals and their alloys, jewellery, precious and semi-precious stones, horological and chronometric instruments; supermarket retail services in relation to musical instruments, music stands and stands for musical instruments, conductors' batons; supermarket retail services in relation to paper and cardboard, printed matter, bookbinding material, photographs, stationery and office requisites, except furniture, adhesives for stationery or household purposes, drawing materials and materials for artists, paintbrushes, instructional and teaching materials, plastic sheets, films and bags for wrapping and packaging, printers' type, printing blocks; supermarket retail services in relation to unprocessed and semi-processed rubber, gutta-percha, gum, asbestos, mica and substitutes for all these materials, plastics and resins in extruded form for use in manufacture, packing, stopping and insulating materials, flexible pipes, tubes and hoses, not of metal; supermarket retail services in relation to leather and imitations of leather, animal skins and hides, luggage and carrying bags, wallets, card holders, vanity cases (not fitted), purses, umbrellas and parasols, walking sticks, whips, harness and saddlery, collars, leashes and clothing for animals; supermarket retail services in relation to materials, not of metal, for building and construction, rigid pipes, not of metal, for building, asphalt, pitch, tar and bitumen, transportable buildings, not of metal, monuments, not of metal; supermarket retail services in relation to furniture, mirrors, picture frames, containers, not of metal, for storage or transport, unworked or semi-worked bone, horn, whalebone or mother-of-pearl, shells, meerscham, yellow amber, pet beds, mattresses, pillows, cushions, summer sleeping mats; supermarket retail services in relation to household or kitchen utensils and containers, cookware and tableware, except forks, knives and spoons, combs and sponges, brushes, except paintbrushes, brush-making materials, articles for cleaning purposes, unworked or semi-worked glass, except building glass, glassware, porcelain and earthenware, pet bowls, gardening tools; supermarket retail services in relation to ropes and string, nets, tents and tarpaulins,

awnings of textile or synthetic materials, sails, sacks for the transport and storage of materials in bulk, padding, cushioning and stuffing materials, except of paper, cardboard, rubber or plastics, raw fibrous textile materials and substitutes therefor; supermarket retail services in relation to yarns and threads for textile use; supermarket retail services in relation to textiles and substitutes for textiles, household linen, curtains of textile or plastic, pet blankets, tableware, bed sheets, quilt cover, pillowcases, pillow interiors, towels, bath towels, handkerchiefs, quilts, blankets, bedding; supermarket retail services in relation to clothing, footwear, headwear; supermarket retail services in relation to lace, braid and embroidery, and haberdashery ribbons and bows, buttons, hooks and eyes, pins and needles, artificial flowers, hair decorations, false hair; supermarket retail services in relation to carpets, rugs, mats and matting, linoleum and other materials for covering existing floors, wall hangings, not of textile; supermarket retail services in relation to games, toys and playthings, pet toys, video game apparatus, gymnastic and sporting articles, decorations for Christmas trees; supermarket retail services in relation to meat, fish, poultry and game, meat extracts, preserved, frozen, dried and cooked fruits and vegetables, jellies, jams, compotes, eggs, milk, cheese, butter, yogurt and other milk products, oils and fats for food; supermarket retail services in relation to coffee, tea, cocoa and substitutes therefor, rice, pasta and noodles, tapioca and sago, flour and preparations made from cereals, bread, pastries and confectionery, chocolate, ice cream, sorbets and other edible ices, sugar, honey, treacle, yeast, baking-powder, salt, seasonings, spices, preserved herbs, vinegar, sauces and other condiments, ice (frozen water); supermarket retail services in relation to raw and unprocessed agricultural, aquacultural, horticultural and forestry products, raw and unprocessed grains and seeds, fresh fruits and vegetables, fresh herbs, natural plants and flowers, bulbs, seedlings and seeds for planting, live animals, foodstuffs and beverages for animals, malt; supermarket retail services in relation to beers, non-alcoholic beverages, mineral and aerated waters, fruit beverages and fruit juices, syrups and other preparations for making non-alcoholic beverages; supermarket retail services in relation to alcoholic beverages, except beers, alcoholic preparations for making beverages; supermarket retail services in relation to tobacco and tobacco substitutes, cigarettes and cigars, electronic cigarettes and oral vaporizers for smokers, smokers' articles, matches, cigarette lighters; supermarket retail services in relation to electronic household appliances; services relating to customer loyalty, incentive and bonus programs; administration of a discount program for enabling participants to obtain discounts on shipping services through use of a discount membership program; promoting and marketing the goods and services of others by distributing advertising material, coupons, discounts on goods and services, and information about exclusive deals; providing a customer loyalty rewards program for shoppers, namely, arranging and conducting incentive reward programs to promote the sale of a wide variety of consumer goods of others; administration of a discount program enabling participants to obtain discounts on shipping services and early access to retail discounts and offers; computerized tracking and tracing of packages in transit to ensure on-time delivery for business purposes.

Class 36:

Insurance consultancy; financial management; providing financial information via a website; art appraisal; real estate management; financial customs brokerage services; surety services; charitable fund raising; trusteeship; lending against security; issuance of prepaid gift cards; issuance of prepaid

List of cases accepted for opposition purposes as shown in Journal 2026/013 published on 27 March 2026 .

vouchers; providing rebates at participating establishments of others through use of a membership card; processing of credit card payments; processing of debit card payments; e-wallet payment services; electronic funds transfer; online banking; issuance of gift certificates; mobile banking services; insurance brokerage; insurance actuarial services; insurance information; insurance underwriting; securities brokerage; financial evaluation [insurance, banking, real estate]; capital investment; investment of funds; financial analysis; financial information; financial consultancy; financial services .

Class 39:

Arranging expedited shipping services, namely, arranging for freight transportation of packages by means of truck and air.
