1256***

functions for assisting and entertaining people; humanoid robots with artificial intelligence, machine learning, deep learning; telepresence robots and end-effectors and accessories, specially adapted for use with aforementioned robots; camera systems for robots.

Class 37:

Installation, repair and maintenance services for robots, robot parts and accessories, collaborative robots, cobots and automated machines; repair of computer hardware in the field of robotics.

Class 38:

Providing access to portals on the Internet; providing on-line chat rooms and electronic bulletin boards for transmission of messages among users in the field of robotics; providing on-line community forums for users to post, search, watch, share, critique, rate, and comment on, messages, news, comments, multimedia content, videos, movies, films, photos, audio content, animation, pictures, images, text, information, and user-generated and non-user generated content in the field of robotics.

Class 41:

Education and training services, namely, classes, seminars, workshops, and conferences in the field of robotics and computer programming in the field of robotics; providing educational and training services, including on-line training, namely, classes, seminars, workshops, and conferences in the field of robotics and computer programming in the field of robotics.

Class 42:

Software maintenance as modification of software after delivery in the field of robotics and automated machines; platform as a service [PaaS] featuring software for controlling, programming, manufacturing, processing, handling and assembling robots; engineering services in the field of robotics; engineering research in the field of robotics; engineering consultancy services; engineering services relating to robotics, namely, risk assessment and safety concept development services for robot applications; IT services for generating robot training data using artificial intelligence models; software development in the field of robotics; software as a service [SaaS] featuring software for use in connection with robotics, research, education, automation, automated processes, manufacturing, and manufacturing optimization; software as a service [SaaS] featuring software for artificial intelligence, machine learning, deep learning and/or deep neural networks; platform as a service [PaaS] featuring computer software platforms for use in connection with robotics, research, education, automation, automated processes, manufacturing, and manufacturing optimization; robotics as a service (RaaS), namely engineering and IT services with cloud-based and on-premise access to robotic systems; robotics as a service (RaaS), namely engineering and IT services with access to software platforms for controlling, monitoring, and integrating intelligent, modular robots in industrial, research, and educational environments; robotics as a service (RaaS), namely engineering and IT services with access to data collection systems which are capable of collecting data of the robot state and the environment of the robot; providing online, non-downloadable software for robotics, research, education, automation, automated

processes, manufacturing, and manufacturing optimization; providing application programming interface (API) software in the fields of robotics, research, education, automation, automated processes, manufacturing, and manufacturing optimization; research relating to the computerized automation of technical processes; cloud storage services for electronic files and data; providing online community platforms in the field of robotics; providing a platform for connecting and monitoring robots, license management, software and license distribution; providing a network infrastructure for connecting and monitoring robots, data collection and management.

sunglasses; spectacle lenses; spectacle cases; avalanche probes;
directional compasses; life-saving apparatus and equipment;
walkie-talkies; headphones and intercom equipment; diving
equipment; diving suits; electronic magazines; helmets;
protective masks; safety and protective equipment for use in
sports, namely protective masks, head protection, helmets,
visors, safety vests; software; application software; folders and
covers for mobile phones, tablets and computers; dry suits;
wetsuits for water-skiing.

Class 18:

Bags; bags for sports; garment bags for travel; golf umbrellas;
gym bags; handbags; trunks; suitcases; travel bags; pocket
wallets; key cases; umbrellas; parasols; bags for climbers;
school bags; walking sticks; haversacks; mountaineering
sticks; rucksacks; mountaineering rucksacks; backpacks for
carrying infants; leather and imitations of leather; pouches for
holding make-up, keys and other personal items; travel luggage;
travelling bags; small rucksacks; wheeled shopping bags; all-
purpose sports bags; duffel bags.

Class 22:

Ropes and string; nets; tents and tarpaulins; awnings of textile
or synthetic materials; sails; bags for transporting and storing
materials [bulk goods]; padding, cushioning and stuffing
materials, except of paper, cardboard, rubber or plastics; raw
fibrous textile materials and substitutes therefor.

Class 25:

Clothing; clothing for gymnastics; outerclotthing; mittens;
underwear; tee-shirts; sweat-absorbent underwear; sweat-
absorbent stockings; sweat-absorbent socks; stockings;
boots for sports; boots; sports shoes; sports singlets; sleep
masks; visors being headwear; socks; neckties; shoes; skirts;
shirts; scarves; ski boots; clothing of leather; ski gloves;
waterproof clothing; money belts [clothing]; parkas; boot
uppers; leggings [leg warmers]; dresses; coats; judo suits;
jackets [clothing]; headwear; gloves [clothing]; gymnastic
shoes; sweaters; overcoats; footwear; football shoes; fishing
vests; sleeve protectors; suits; caps being headwear; trousers;
belts [clothing]; cyclists' clothing; bath robes; bathing suits;
bathing trunks; snow boots; anoraks [parkas]; arm warmers
[clothing]; baseball shoes; blouses; down jackets; body
warmers; overtrousers; duffel coats; ski masks; mountaineering
shoes; walking shoes; fleece sweaters; fleece vests; soccer
singlets; athletics shoes; footwear for snowboarding; coats
made of cotton; casual wear; casual footwear; golf shorts;
golf shoes; rubber fishing boots; neckerchiefs; men's socks;
hoodies; mock turtleneck sweaters; hunting jackets; hunting
shirts; bib overalls for hunting; hunting vests; sweatpants;
sneakers; camouflage jackets; camouflage pants; clothing for
surfing; clothing, not being protective clothing, incorporating
reflective or fluorescent elements or material; clothing,
footwear, headgear; union suits; jumpsuits [clothing]; turtleneck
shirts; rain pants; raincoats; rain jackets; foul weather gear;
sandals; ski pants; salopettes; ski suits; ski clothing; bib
overalls; snowboard pants; snowboard boots; sports bras;
clothing for sports; sports jackets; sport socks; tracksuits; sport
shirts; knitted caps; knit jackets; sweatbands; sunsuits; bib
shorts; cycling shoes; cyclists' jerseys; tennis clothing; thermal
clothing; track jackets; loungewear; woollen clothing; woollen
socks; woollen tights; waterproof jackets and pants; wind-
resistant jackets; windproof clothing.

Class 41:

Arranging and conducting educational activities; training
services; entertainment services; sporting and cultural activities.

OPENSFDR

Class 9:
Computer software; interactive software; downloadable
software applications; computer software platforms, recorded
or downloadable; recorded software; software for data and
document capture, transmission, storage and indexing; software
for commercial use; data search software; computer software
applications for mobile telephones; application software.

Class 35:
Advertising; Business management; business management and
consultant services; business administration; office functions.

Class 36:
Financial market analysis and preparation of reports relating
thereto; Financial analysis and preparation of reports relating
thereto; preparation of financial reports; financial analysis;
financial affairs.

Class 42:
Platform as a Service (PaaS); Software as a Service (SaaS);
providing online non-downloadable software; maintenance
of software; programming of electronic data processing
(EDP) software; programming of software for information
platforms on the Internet; programming of data calculation and
evaluation software; programming of data reading, transmission
and organization software; configuration, installation, fault

diagnosis, repair, upgrading and maintenance of software;
advisory and information services relating to software;
temporary provision of non-downloadable software applications
accessible via a website.

REXILENE

Class 1:
Polymer beads for use in manufacturing; polymer solutions;
biodegradable polymer compositions; polymer resins,
unprocessed; reactive liquid polymer compositions; water
absorbing polymers; reinforced polymers; unprocessed
synthetic polymers; synthetic polymers as raw material;
chemical compounds for use in the manufacture of polymers;
plasticizers for use in natural polymers; chemicals for use in the
manufacture of flame retardant polymers.

Class 17:
Semi-processed synthetic polymer resins; semi-processed
thermoplastic polymer resins for use in manufacture; polymer
films for use in manufacture; waterproof membranes made
of polymers; semi-processed plastic materials for use in
manufacturing the following goods: posts, screens, gates,
racking protectors, fences, skirting boards and wheel stoppers,
the aforesaid goods for the protection of machinery, buildings,
vehicles, balustrades and railings; semi-processed plastic
materials for use in the manufacture of crash-protection
equipment.

1371***

Class 4:

Fuel oil; fuel; fuel gas; liquid fuels; mineral fuel; lighting fuel; manufactured solid fuels; electrical energy; carburants; electrical energy from solar power; electrical energy from wind power; electrical energy from renewable sources; electrical energy from non-renewable sources.

Class 6:

Metal containers for the storage and transportation of goods; metal materials for building and construction; buildings, transportable, of metal; non-electric cables and wires of common metal; doors and windows of metal; shutter doors of metal; metal materials for construction; pipes and tubes of metal; buildings of metal; metal hardware; building panels of metal; floors of metal; ceilings of metal; blinds of metal; posts of metal for power lines; cables of metal, non-electric; containers of metal [storage, transport]; latticework of metal; metal utility poles; roofing of metal, incorporating photovoltaic cells; parts and accessories for all of the aforesaid goods.

Class 7:

Machines for the generation of energy; wind-powered electricity generators; electric garbage disposal machines; alternators; current generators; steam boilers [parts of machines]; steam engine boilers; hydroelectric installations for generating electricity; electrical generator stations; compressors for air conditioning apparatus; electric compressors; mobile electrical power generators; generators for wind turbines; machines for separating recyclable materials; recycling crushing units [machines]; emergency power generators; shovels, mechanical; electrical pumps; hydraulic pumps; wind turbines; inlet systems for gas turbines; hydraulic turbines; solar power generators; electrical generators using solar cells; high-voltage generators; parts and accessories for all of the aforesaid goods.

Class 9:

Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; machines and equipment for the distribution or control of energy; testing devices for electronic parts; material testing apparatus; computer peripheral devices; personal computers; components for computers; computer hardware; electrical and electronic components; electric power supply units; battery chargers; electronic surveillance apparatus; fiber optics; waveguides for high power beam delivery; gas detecting apparatus; power distribution boxes; downloadable computer software for remote monitoring and analysis; electricity storage apparatus; accumulators, electric; electrical adapters; power adapters; electric power analyzers; residual gas analyzers; voltage testers; power controllers; switchgear [electric]; batteries; electrical power distribution blocks; wireless controllers to remotely monitor and control the function and status of other electrical, electronic, and mechanical devices or systems; boiler control instruments; electricity measuring instruments; solar energy collectors for electricity generation; electric control devices for energy management; optical fibres [light conducting

filaments]; solar panels for the production of electricity; ultracapacitors for energy storage; data transmission cables; cables for optical signal transmission; photovoltaic apparatus and installations for generating solar electricity; electric current control devices; regulating apparatus, electric; counters; ducts for electric cables; electricity conduits; materials for electricity mains [wires, cables]; battery charging devices for motor vehicles; rechargeable cells; computer software applications, downloadable; solar battery chargers; encoded loyalty cards; integrated circuit cards [smart cards]; fibre optic cables; coaxial cables; ethernet cables; telecommunications cables; calibrated photovoltaic reference cells; galvanic cells; solar cells; solar batteries; photovoltaic cells; couplings, electric; current collectors; collectors, electric; condensers [capacitors]; conductors, electric; water meters; heating meters; electronic meters; current convertors; diodes; igniting apparatus, electric, for igniting at a distance; power distributors [electricity]; linear optical fibres; polarisation maintaining optical fibres; wires, electric; frequency meters; fuses; gasometers [measuring instruments]; electric loss indicators; armatures [electricity]; inductors [electricity]; photovoltaic installations for generating electricity [photovoltaic power plants]; electric breakers [switches]; inverters [electricity]; ducts [electricity]; electrical circuit boards; limiters [electricity]; voltage limiters; photovoltaic modules; terminals [electricity]; computer software packages; electric sockets; electrical power extension cords; downloadable electronic publications in the nature of magazines; distribution boards [electricity]; electric reactors; resistances, electric; voltage detectors; distance sensors; gas sensors; electronic sensors for measuring solar radiation; software; application software for mobile phones; electric plugs; voltage stabilizers; electric voltage transformers; voltmeters; switchboxes [electricity]; dvds; data storage devices; safety, security, protection and signalling devices; home automation devices; computers; downloadable image files; downloadable multimedia files; interfaces for computers; computer programs, recorded; computer programs [downloadable software]; computer programs, downloadable; computer network routers; computer servers; sirens; artificial intelligence and machine learning software; magnetic data media; optical data media; thermostats; electronic metering devices for faucets; optical transmitters; solar wafers; webcams; electric telecommunications apparatus; recording devices for sound and image carriers; personnel tracking devices; intelligent gateways for real-time data analysis; downloadable electronic books; downloadable educational course materials; monitors; computer software platforms; electronic publications, downloadable; downloadable video files; computer software for global positioning systems; downloadable and recorded content; downloadable media; apparatus and instruments for accumulating and storing electricity; energy regulators; converters, electric; solar powered radios; accumulators for photovoltaic power; apparatus for monitoring electrical energy consumption; thermal energy measuring apparatus; apparatus and instruments for switching electricity; apparatus and instruments for regulating electricity; apparatus and instruments for transforming electricity; solar cells for electricity generation; energy control devices; voltage regulators for electric power; energy management software; supercapacitors for energy storage; solar powered telephones; electric power controllers; apparatus for improving power efficiency; photovoltaic apparatus for generating electricity; high voltage reactors; high voltage multipliers; high voltage transformers; high-voltage power supplies; transformers [electricity]; electric

List of cases accepted for opposition purposes as shown in Journal 2026/017 published on 24 April 2026 .

current transformers; power packs [transformers]; lighting transformers; downloadable applications for use with mobile devices; downloadable mobile applications for the transmission of information; downloadable mobile applications for the management of information; downloadable mobile applications for the management of data; devices for monitoring domestic or industrial use of electricity, gas, heat, and water; electrical and electronic monitoring and control equipment and instruments for use in, or in connection with, the generation or distribution of energy, gas, water, or electricity, or telecommunications; parts and accessories for all of the aforesaid goods; machines for transmission, distribution, supply, and storage of energy.

Class 11:

Apparatus and installations for ventilating; lighting and lighting reflectors; air filters; nuclear power plant installations; nuclear installations; lighting apparatus; lighting installations; heating apparatus and installations; cooling appliances and installations; steam generating apparatus; steam generating installations; water distribution installations; sanitary installations; electrical lighting fixtures; water conduits installations; regulating apparatus for gas pipe installations; heat accumulators; heating apparatus, electric; air-conditioning apparatus; burners; heating apparatus; boilers, other than parts of machines; domestic boilers; electric boilers; industrial boilers; electric candles; evaporators for air conditioners; filters for air purifiers; filters for air conditioning; ovens; electric lamps; heating installations [water]; nuclear reactors; installations for processing nuclear fuel and nuclear moderating material; waste disposal incinerators; floor lamps; solar lamps; light bulbs; solar thermal collectors [heating]; heat pumps; sockets for electric lights; radiators, electric; bathroom heaters; water heaters; radiators [heating]; electric torches; discharge tubes, electric, for lighting; lamp chimneys; thermostatic valves [parts of heating installations]; ventilating fans; air-conditioning installations; solar energy powered heating installations; solar powered ventilation apparatus; sunlight collecting apparatus for heating purposes; solar powered lamps; electrically energized flask heaters for use in laboratories; heat pumps for energy processing; thermal storage instruments [solar energy] for heating; solar powered torches; distillation apparatus; distillation apparatus; flues; gas burners; accessories for the regulation and safety of water, gas, and oil systems; scrubbers for removing and extracting dust particulates for industrial use; parts and accessories for all of the aforesaid goods.

Class 16:

Paper and cardboard; printed matter; book covers; photographs [printed]; stationery; office requisites, except furniture; drawing instruments; artists' materials; teaching materials [except apparatus]; bags and articles for packaging, wrapping and storage, of paper, cardboard or plastics; paper shredder for office use; periodicals; adhesives for stationery or household purposes; money holders; desktop cabinets for stationery [office requisites]; catalogues; printed informational folders; leaflets; flyers; manuals [handbooks]; books; newspapers; diaries; calendars.

Class 35:

Incentive programs for the reduction of carbon dioxide levels and/or other greenhouse gases in the atmosphere; cost price analysis; commercial administration of the licensing of the goods and services of others; business management assistance; commercial information and advice for consumers [consumer

advice shop]; advisory services relating to commercial transactions; providing business information via a web site; arranging of contracts, for others, for the providing of services; assistance and consultancy services in the field of business management of companies in the energy sector; business consulting; advisory services for business management; business inquiries; business partnership search; commercial intermediation services; auditing utility rates for others; systemization of information into computer databases; procurement of contracts concerning energy supply; import-export agencies in the field of energy; tracking and monitoring energy consumption for others for account auditing purposes; energy price comparison services; billing services in the field of energy; providing information in the area of global sustainable business solutions; marketing; business management services relating to electronic commerce; provision of an online marketplace for buyers and sellers of goods and services; commercial information and advice for consumers in the choice of products and services; organization of exhibitions for commercial or advertising purposes; dissemination of commercial information; customer loyalty services for commercial, promotional and/or advertising purposes; publicity and sales promotion services; business administration; business information; provision of business data; data processing; data management services; collection of data; computerized file management; market research; business management, organization and administration; the bringing together, for the benefit of third parties, of various energy supply services, enabling consumers to conveniently compare and purchase such services; information and advice relating to the aforementioned services.

Class 36:

Intermediation in the fields of energy and electricity; capital raising in the energy sector; granting of subsidies relating to the use of energy-efficient energy services and energy-efficient electrical and gas appliances; financing of projects in the energy sector; financing of development projects; financial, monetary and banking services; insurance services; issuance of prepaid cards and tokens of value; issue and redemption of tokens of value; bill payment services provided through a website; agencies for collecting gas utility payments; agencies for collecting electric power utility payments; investment analysis; brokerage of financial investments in energy companies; conducting financial feasibility studies; conducting of capital market transactions; financing services for companies; capital investment; arranging the provision of finance; pawnbrokerage; financial appraisal services; real estate affairs; financial sponsorship of cultural events; financial sponsorship of entertainment activities; financial sponsorship of sporting activities; financial evaluation; financial evaluation for insurance purposes; hire-purchase financing; issuance of travellers' cheques; finance services; providing financial information via a web site; financial services provided to partnerships; brokerage; financial investment brokerage; brokerage of carbon offsets; brokerage of carbon credits; bill payment services; bill consolidation services; credit services; provision of finance for credit sales; warranty services; actuarial services; debt recovery; financial investment; investment fund management; asset management; investment asset management; stock exchange price quotations; stock exchange information services; charitable fund raising; information and advice relating to the aforementioned services; financial consulting services in

List of cases accepted for opposition purposes as shown in Journal 2026/017 published on 24 April 2026 .

the fields of energy and electricity; consultancy concerning financing of energy projects; investment consultancy; providing stock market information; financial consultancy in the field of risk management; financial consultancy services relating to infrastructure investment; consultancy services relating to the financing of civil works and infrastructure projects; financial advice.

Class 37:

Construction services; construction of geothermal energy installations; power infrastructure construction; installation of power generating apparatus; installation of solar powered systems; installation of wind power systems; installation of hydropower systems; maintenance and repair of solar power installations; maintenance and repair of energy generating installations; repair or maintenance of nuclear power plants; construction of wind power plants; construction of structures for the storage of natural gas; construction of structures for the transportation of natural gas; construction of structures for the production of natural gas; extraction of oil; maintenance and repair of solar heating installations; infrastructure construction; electrical wiring services; pipeline construction and maintenance; laying of sea cables; underwater construction; installation of offshore pipelines; civil engineering; underwater construction services; interference suppression in electrical apparatus; construction of power plants; dismantling of power lines; repair of power lines; servicing of power generating apparatus and installations; charging of batteries and power storage devices, and rental of equipment therefore; repair of energy production plants and machines; installation of energy-saving apparatus; maintenance and repair of electricity generators; repair or maintenance of electric lighting apparatus; installation of non-residential solar panel power systems; installation of reactive power compensation apparatus; installation of cables for internet access; installation of photovoltaic cells and modules; installation of gas and water pipelines; installation of electrical and generating machinery; installation of hardware and cables for internet access; installation of electric light and power systems; installation of solar heating systems; repair of energy supply installations; installation of gas supply and distribution apparatus; pipeline construction and maintenance; installation and maintenance of photovoltaic installations; installation and maintenance of solar thermal installations; electric appliance installation and repair; installation and repair of air-conditioning apparatus; maintenance of power generating apparatus and installations; maintenance of telecommunications apparatus; maintenance and repair of data communications networks; maintenance and repair of communications systems; maintenance and repair of instruments; maintenance, servicing and repair of power generating apparatus and installations; maintenance, repair and reconditioning of photovoltaic apparatus and installations; laying of cable; laying of land cables; laying of sea cables; renovation, repair and maintenance of electrical wiring; repair of power generating apparatus and installations; repair of electrical equipment and electrotechnical installations; maintenance and repair of electric vehicles; repair or maintenance of consumer electric appliances; repair or maintenance of boilers; repair or maintenance of waste compacting machines and apparatus; repair or maintenance of waste crushing machines and apparatus; electrical installation services; maintenance of consumer electric appliances; natural gas refuelling service for motor vehicles; charging of electric vehicles; insulation services; installation, maintenance and

repair of equipment and instruments for the supply and distribution of energy; installation and repair services; mining extraction; drilling relating to oil and gas; installation, repair and maintenance of condensing apparatus, steam condensers, engine radiators, air heaters and boiler tubes; construction of natural gas transportation facilities; construction of natural gas production facilities; construction of natural gas storage facilities; construction of natural gas storage structures; installation, maintenance and repair of electrical and gas installations; installation, maintenance and repair of gas supply equipment; installation, maintenance and repair of exhaust gas reduction systems; installation, maintenance and repair of equipment for the supply of gas, electricity and water; installation of electrical equipment and generators; construction, installation, maintenance and repair of wind turbines, wind power plants and other wind energy machinery; information and advice relating to the aforementioned services.

Class 38:

Telecommunication services; news agency services; communications by fibre optic networks; communications by computer terminals; providing access to databases; radio, telephone, telegraph communication services; telecommunication services provided via internet platforms and portals; telephone services; streaming of audio material on the internet; transfer of information and data via online services and the internet; data transmission; message sending; transmission of videos, movies, pictures, images, text, photos, games, user-generated content, audio content, and information via the internet; data transmission and reception services via telecommunication means; telecommunication gateway services; electronic transmission of messages; providing user access to computer programmes in data networks; providing third party users with access to telecommunication infrastructure; data bank interconnection services; telecommunications services provided via fiber optic, wireless and cable networks; information and advice relating to the aforementioned services.

Class 39:

Transmission, distribution and supply of gas; transmission, distribution and supply of electricity; transmission, distribution and supply of energy; supply of electricity, gas, water and district heating; distribution of district heating; storage of electricity; transmission of oil or gas through pipelines; distribution of energy for heating and cooling buildings; distribution of gas; public utility services in the nature of electricity distribution; distribution of energy; water distribution; supply of electricity; gas storage services; leasing the use of power lines to third parties for the transmission of electricity; refuse collection services; vehicle rental; storage of energy and fuels; storage of liquefied natural gas on ships; chauffeur services; parking place rental; vehicle parking; electricity supply and distribution; electricity distribution; information and advisory services in relation to the distribution of energy; distribution of renewable energy; distribution of renewable natural gas; physical storage of renewable natural gas for others; information and advice relating to the aforementioned services; consultancy services relating to the distribution of electricity.

Class 40:

Processing and refining of fuel materials; production of energy for domestic and industrial use from renewable

List of cases accepted for opposition purposes as shown in Journal 2026/017 published on 24 April 2026 .

sources, including solar, wind, green hydrogen and water; air purification and water treatment; treatment of materials; energy production; production of energy by power plants; electricity generating; treatment of waste; recycling of waste; water treating; recycling of chemicals; refinement of fuel materials; destruction of waste; waste incineration; rental of electricity generators; leasing of energy generating equipment; rental of air-conditioning apparatus; rental of batteries; rental of boilers; rental of electrical transformers; generation of electricity from wind energy; production of electrical power from renewable sources; production of hydroelectric power; production of energy by nuclear power plants; generation of gas and electricity; recycling services; gas production services; clean energy production; production of renewable green energy; generation of electricity from solar energy; generation of electricity from geothermal energy; surface energy patterning; rental of equipment for the treatment and transformation of materials, for energy production and for custom manufacturing; rental of wind-powered electricity generators; preparation of electronic circuitry by surface energy patterning; generation of electricity from wave energy; generation of electrical power using carbon sequestration; information and advice relating to the aforementioned services; information and advisory services relating to the generation of electricity from wave energy; information and advisory services relating to the production of electricity.

Class 41:

Teaching; training; entertainment services; sporting and cultural activities; organisation of events for cultural, entertainment and sporting purposes; organisation of competitions and awards; organization of exhibitions for cultural or educational purposes; arranging and conducting of conferences; arranging and conducting of congresses; arranging and conducting of seminars; arranging and conducting of workshops [training]; publishing, reporting, and writing of texts; multimedia publishing; services for the publication of newsletters; online publication of electronic books and journals; publishing services (including electronic publishing services); providing online electronic publications, not downloadable; information and advice relating to the aforementioned services.

Class 42:

Scientific and technological services and research and design relating thereto; industrial analysis and research services; industrial design; quality control and authentication services; design of computer hardware and software; development of computer hardware and software; designing of electrical systems; providing artificial intelligence computer programs on data networks; platforms for artificial intelligence as software as a service [saas]; technical design services relating to electricity plants; electrical engineering services; technical design and planning of power stations; technical design and planning of telecommunications networks; design and development of regenerative energy generation systems; design and development of software for control, regulation and monitoring of solar energy systems; environmental testing; engineering drawing; engineering design; conducting research and technical project studies relating to the use of natural energy; analysis and testing services relating to electrical engineering apparatus; development of testing apparatus for electrical wires; development of energy and power management systems; testing of apparatus in the field of electrical engineering; energy auditing; testing, analysis and monitoring

of telecommunication signals; hosting platforms on the internet; environmental assessment services; research in the field of environmental conservation; gas exploration; exploration and searching of oil and gas; underwater structural inspection services; engineering services for the gas industry; geological surveys; providing scientific information about environmental and conservation issues; industrial process development aimed at reducing greenhouse gas levels in the atmosphere; gas exploration; measurement and analysis of greenhouse gas emissions; geophysical prospecting for the oil, gas and mining industries; technological research on the distribution of energy consumption; technical design and planning of pipelines for gas, water and waste water; exploration services in the field of the oil, gas and mining industries; engineering services relating to gas transport and supply systems; design of electric circuit boards; design of storage systems; providing temporary use of non downloadable computer software; providing online, non-downloadable software; providing temporary use of non-downloadable business software; hosting software platforms for virtual reality-based work collaboration; rental of load banks for testing electrical power sources; research in the field of magnetohydrodynamic power generation technology; scientific research in the field of energy; scientific research in the field of energy storage; research in the field of nuclear energy power generation technology; technological analysis relating to energy and power needs of others; engineering services in the field of energy technology; rental of meters for the recording of energy consumption; engineering services in the field of electrical power and natural gas production; design and development of energy distribution networks; design and development of energy management software; computer programming for the energy industry; recording data relating to energy consumption in buildings; research in the field of energy; certification services for the energy efficiency of buildings; engineering services relating to energy supply systems; energy performance testing of buildings; environmental testing of exhaust emissions; development of computer programs for analysis of exhaust gas emissions; design of information technology infrastructure for others; design and development of photovoltaic systems; custom design of electromagnetic transformers; technical research in the field of optical interconnection technology; hosting virtual environments; software as a service [saas]; cloud hosting provider services; hosting of communication platforms on the internet; hosting on-line web facilities for others; platform as a service [paas]; platform as a service [paas] featuring software platforms for transmission of images, audio-visual content, video content and messages; providing temporary use of online, non-downloadable computer software for use in broadcast monitoring applications; information and advice relating to the aforementioned services; consultancy in the field of energy-saving; technological consultancy in the fields of energy production and use; providing information about the design and development of computer software, systems and networks; technological consulting services in the field of alternative energy generation; professional consultancy relating to the conservation of energy; consultancy relating to technological services in the field of power and energy supply; provision of information concerning research and technical project studies relating to the use of natural energy; advisory services relating to energy efficiency; consultancy and information services relating to information technology architecture and infrastructure; technical consultancy on energy saving and efficiency; research and consultancy on environmental,

List of cases accepted for opposition purposes as shown in Journal 2026/017 published on 24 April 2026 .

ecological and sustainable development matters; consultancy in the fields of energy and sustainable development.

TERNA S.P.A.

Representative:Barzanò & Zanardo S.p.A.
Via Piemonte, 26 I-00187 Roma ITALY

WO0000001912497(30)

Office of Origin: EM

computer telephony software; computer operating system software; email security software; computer firewall software; email security software; credit screening software; computer scanning software; OCR (optical character recognition) software; virtual reality software; computer firewall software; electronic game software for mobile telephones; electronic game software for wireless devices; electronic game software for hand-held electronic devices; computer game software downloadable via a global computer network and wireless devices; game software downloadable from a global computer network; electronic game software for mobile telephones; electronic game software for wireless devices; electronic game software for hand-held electronic devices; software for electronic games; virtual-reality game software; database management software; desktop publishing software; software for decoders; software for encryption; USB software drivers; industrial process control software; communication software to enable customers to access their bank account information and to process bank transactions; communication software used for connecting global computer networks; communication software used for connecting global computer networks; communication software for connecting computer network users; communication software; data compression software; music composition software; e-commerce software enabling users to carry out commercial transactions by electronic means via a global computer network; software for encryption; computer software applications for mobile phones; software for encryption; compiler software; compiler software; downloadable Software as a Medical Device (SaMD); computer-aided design/computer-aided manufacturing (CAD/CAM) software; BIOS software (basic input/output systems); BIOS software (basic input/output systems); bioinformatics software; downloadable application software for virtual environments; downloadable software applications; computer software applications for mobile phones; application software; software; pattern recognition systems composed of computer chips, computer hardware and computer software; database management software; software for computers; computer programs and software for image processing; computer programs and software for image processing used for mobile telephones; computer programs and software for image processing used for mobile telephones; software products; recorded or downloadable software platforms; computer software platforms; integrated software packages; software packages; integrated software packages; computer hardware and software for setting up and configuring local area networks; computer hardware and software for setting up and configuring wide area networks; computer hardware and software for setting up and configuring wide area networks; computer hardware and software for providing secure remote access to computer and communication networks; computer hardware and software for database management; computer game cartridges; downloadable software applications for minting non-fungible tokens (NFTs); software applications; scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signaling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity distribution or use; apparatus and instruments for sound, image or data recording, transmission, reproduction or processing; cash registers, calculating devices; computers and computer peripheral devices; diving suits, diving masks, earplugs for diving, nose clips for divers and swimmers,

diving gloves, breathing apparatus for underwater swimming; fire-extinguishing apparatus.

Class 16:
Computer program manuals.

Class 35:
Marketing in the context of software editing; advertising; commercial business administration, organization and management; office functions.

Class 38:
Providing user access to computer programs in data networks; telecommunications.

Class 41:
Training services in the field of software development; training services in the field of software development.

Class 42:
Upgrading of software; testing of software; software development, programming and implementation; development and testing of computing methods, algorithms and software for processing telecommunication and navigation signals; development and testing of software, algorithms and computing methods for generating data relating to telecommunications and navigation; development and testing of computing methods, algorithms and software; development and testing of computing methods, algorithms and software; development and maintenance of computer database software; development and maintenance of software; development and maintenance of software; creation and development of computer programs for data processing; development and updating of software; development and updating of software; development of IT software application solutions; development of IT software application solutions; development of software for use with computer-controlled switching systems; development of software for use with programmable controllers; development of software for logistics, e-commerce portal and supply chain management; development of software for creating electronic guides about television programs; software development in the framework of software publishing; development of software for logistics, e-commerce portal and supply chain management; development of software for creating electronic guides about television programs; computer software development; development of computer programs and game software; development of computer hardware and software; writing of computer software; Software as a Service (SaaS); computer hardware and software testing services; Information technology (IT) support services (software troubleshooting); writing of computer programs; research and development services relating to computer hardware and software; services provided by consultants and research relating to software; hosting of software applications for others; design of computer hardware and software; maintenance and consultancy services relating to software used in the field of e-commerce; software engineering services for data processing programs; testing services for computer hardware and software used with alarm and surveillance systems; providing advice and consultant services with respect to software; consultant services with respect to design, development and use of computer hardware and computer software; provision of advice and development services relating to software; provision of advice and development services

relating to software; providing advice and information services with respect to software; providing advice and information services with respect to software; consultancy and information services relating to computer programming; consultancy and information services relating to the design, programming and maintenance of software; consultancy and information services relating to the design, programming and maintenance of software; services provided by consultants and information services relating to software design; services provided by consultants and information services relating to software design; consultancy and information services relating to software rental; consultancy and information services relating to software rental; consultancy and information services relating to software maintenance; consultancy and information services relating to software maintenance; user authentication services using single sign-on technology for online software applications; commissioned writing of computer programs, software and computer code for the creation of web pages on the Internet; writing and updating of software; writing of data processing programs; writing of computer software; software repair; software repair; research relating to the development of software; research relating to the development of software; research relating to the development of computer programs and software; research relating to the development of computer programs and software; research in the field of software; research in the field of software; research in the field of computer hardware and software; research and development of computer software; debugging computer software for third parties; debugging computer software for third parties; testing of software; programming of data calculation and evaluation software; programming of telecommunication software; programming of software for Internet portals, chat rooms, chat lines and Internet forums; programming of software for Internet portals, chat rooms, chat lines and Internet forums; programming of software for Internet platforms; programming of software for information platforms on the Internet; programming of software for e-commerce platforms; programming of website development software; programming of software for importing and managing data; programming of data reading, transmission and organization software; programming of electronic data processing (EDP) software; programming of electronic data processing (EDP) software; programming of energy management software; programming of software for database management; programming of software for inventory management; programming of software for electronic dictionaries and databases for language translation; programming of operating software for computer networks and servers; programming of operating software for accessing and using a cloud computing network; programming of operating software for accessing and using a cloud computing network; design, development, maintenance and updating of word processing, data processing and process control software; design, development, maintenance and updating of word processing software; design, development, maintenance and updating of data processing software; design, development, maintenance and updating of process control software; design, development, installation and maintenance of software; design, development and programming of software; design, development and programming of software; design, development, maintenance and updating of software; design, programming and maintenance of software; design, development, maintenance and updating of software; design, maintenance and updating of software; design, installation, updating and maintenance of software; design and development

of software for evaluation and calculation of data; design and development of software for use in the framework of medical technology; design and development of software for logistics, supply chain management and e-business portals; design and development of software for website development; design and development of software for importing and managing data; design and development of data reading, transmission and organization software; design and development of word processing software; design and development of route planning software; design and development of software for logistics; design and development of energy management software; design and development of software for supply chain management; design and development of software for database management; design and development of software for inventory management; design and development of software for process control; design and development of software for electronic television program guides; design and development of game and virtual reality software; design and development of game software; design and development of game and virtual reality software; design and development of game software; design and development of software for control, regulation and monitoring of solar energy systems; design and development of electronic database software; design and development of operating software for computer servers and networks; design and development of operating software used for accessing and using a cloud computing network; design and development of operating software for computer servers and networks; design and development of operating software used for accessing and using a cloud computing network; design and development of word processing software; design and development of electronic database software; design and development of computer hardware and software for audio and video system operators; design and development of computer software and hardware for processing and distribution of multimedia contents; design and development of computer software and hardware for processing digital signals; design and development of software and hardware for signal amplification and transmission; design and development of computer software and hardware for the production, recording and processing of digital and analog signals; design and development of computer hardware and software for the conversion of data and multimedia content from and to different protocols; design and development of computer hardware and software for compression and decompression of multimedia contents; design and development of software and hardware for signal amplification and transmission; design and development of virtual reality software; design and development of navigation systems and route planning software; design and development of computer hardware, software and databases; design and development of computer hardware and software for use in the medical field; design and development of computer hardware and software; design and development of computer hardware and software for industrial applications; design and development of computer hardware and software; design and development of computers and software; design and development of software architecture; design and writing of computer software; design and rental of software; design and updating of computer software; design of software for use with printing machines; design of software, computer firmware, computer hardware and computer systems; design of computer hardware and software for commercial analysis and reporting; design of computer hardware, software and computer peripherals; design of computer hardware and software; design of computer hardware and software; design, updating and rental

of software; rental and maintenance of computer software; rental and maintenance of software; rental and updating of data processing software; rental of website development software; rental of software for importing and managing data; rental of software for Internet access; rental of software for financial management; rental of software for database management; rental of software for inventory management; software rental; rental of computer database software; rental of software for Internet access; rental of operating software for computer networks and servers; rental of operating software for accessing and using a cloud computer network; rental of operating software for accessing and using a cloud computer network; rental of software for financial management; rental of software relating to travel; rental of computer data backup software; rental of computer hardware and software; rental of computers and software; upgrading and maintenance of software; maintenance and repair of software; maintenance and updating of software for communication systems; upgrading and maintenance of software; maintenance and updating of software; maintenance and updating of software; maintenance of software for Internet access; maintenance of computer software with respect to computer security and preventing computer risks; maintenance of computer software with respect to computer security and preventing computer risks; maintenance of software; maintenance of database software; maintenance of software for Internet access; installation, maintenance and repair of software for computer systems; installation, maintenance and repair of software for computer systems; installation, repair and maintenance of software; installation, maintenance and updating of database software; installation, maintenance, updating and upgrading of software; installation, maintenance, updating and upgrading of software; installation and maintenance of database software; installation and maintenance of software; installation of software for Internet access; installation of database software; installation of software for Internet access; software installation; software engineering; troubleshooting of software problems [technical support]; troubleshooting of software problems [technical support]; troubleshooting of software problems [technical support]; hosting of software for library management; hosting of software platforms for professional collaboration in virtual reality; providing online, non-downloadable software for minting non-fungible tokens (NFTs); online provision of non-downloadable software; provision of temporary use of web-based software; temporary provision of online non-downloadable operating software; temporary provision of online non-downloadable operating software; temporary provision of online non-downloadable operating software for accessing and using a cloud computing network; temporary provision of online non-downloadable operating software for accessing and using a cloud computing network; temporary provision of online non-downloadable software for website development; provision of temporary use of online non-downloadable software for importing and managing data; temporary provision of online non-downloadable software for database management; temporary provision of online non-downloadable software for inventory management; temporary provision of online non-downloadable investment software; temporary provision of online non-downloadable software for website development; provision of temporary use of online non-downloadable software for importing and managing data; temporary provision of online non-downloadable software for database management; temporary provision of online non-downloadable software for inventory

management; providing online non-downloadable software used in database management; temporary provision of online non-downloadable investment software; provision of temporary use of non-downloadable software for analyzing financial data and generating reports; provision of temporary use of non-downloadable software to enable content providers to track multimedia content; temporary provision of non-downloadable software to enable sharing of multimedia content and comments among users; provision of temporary use of non-downloadable software for analyzing financial data and generating reports; provision of temporary use of non-downloadable software to enable content providers to track multimedia content; temporary provision of non-downloadable software to enable sharing of multimedia content and comments among users; provision of temporary use of web-based software; provision of temporary use of non-downloadable commercial software; provision of technical information relating to computers, software and computer networks; provision of online information relating to the design and development of computer hardware and software; providing information in the field of software development; providing information in the field of software development; providing information concerning design and development of computer software, networks and systems; provision of information with respect to computer hardware and software design and development; provision of information in the field of software design; provision of information in the field of software design; temporary provision of non-downloadable software applications accessible via a website; temporary provision of applications and software tools online; debugging computer software for third parties; commissioned writing of computer programs, software and computer code for the creation of web pages on the Internet; computer software development; design and development of computers and software; design and writing of computer software; duplication of software; hosting of software for library management; hosting of software applications for others; design, maintenance, rental and updating of computer software; diagnosis of software problems; diagnosis of computer hardware problems through the use of software; debugging computer software for third parties; debugging computer software for third parties; creation, maintenance and updating of software; creation, maintenance and updating of software; creation and development of computer programs for data processing; creation of computer programs; duplication of software; duplication of software; technical consultancy relating to the design of computer hardware, software and computer peripherals; technical advice services with respect to installation and maintenance of computer software; technical advice services with respect to installation and maintenance of computer software; technical consultancy services relating to the application and use of software; technical consultancy services relating to the application and use of software; consultant services with respect to software for communication systems; consultant services in the field of security software; consultant services with respect to software design, programming and maintenance; consultant services with respect to software program design and development; consultant services with respect to computer hardware and software architecture design and development; consultant services with respect to software maintenance; consultant services with respect to software maintenance; services provided by consultants relating to software updating; services provided by consultants relating to software updating; consultant services in the field of software

design; providing advice and consultant services with respect to software; consultant services in the field of software design; configuration, installation, fault diagnosis, repair, upgrading and maintenance of software; configuration of software; configuration of computer networks using software; configuration of computer hardware by means of software; writing and updating of software; testing of computer hardware and software; rental and updating of data processing software; update, design and rental of software; design and updating of computer software; maintenance and updating of software; updating of software relating to computer security and prevention of computer risks; updating of software relating to computer security and prevention of computer risks; updating of software; scientific and technological services as well as research and design services relating thereto; industrial analysis, industrial research and industrial design services; quality control and authentication services; design and development of computer hardware and software.

Class 45:

Advice with respect to the licensing of computer software; advice with respect to the licensing of computer software; licensing (legal services) in the framework of software publishing; licensing of computer software (legal services); licensing of software and industrial property rights (legal services); licensing of software and industrial property rights (legal services); legal services; security services for the physical protection of property and individuals; dating services, online social networking services; funerary undertaking; babysitting.

(2024-0756)

Class 9:

Apparatus and instruments for conducting, distributing, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; apparatus and instruments for recording, transmitting, reproducing, or processing sound, images, or data; recorded and downloadable media; blank digital or analogue recording and storage media; software including games software; application software including communication, networking and social networking software; media software and publishing software; virtual and augmented reality software; web application and server software, including e-commerce and e-payment software; broadcasting equipment; data storage devices and media; optical devices, enhancers and correctors, including optical enhancers, lasers, glasses, sunglasses and contact lenses; downloadable audio and video recordings containing sports highlights authenticated by non-fungible tokens (NFTs); audio and video of sports events authenticated by non-fungible tokens (NFTs); computer programs and downloadable software that can virtually represent clothing, footwear, hats and caps, bags, sports bags, backpacks, badges, wallets, jewellery, medals, games, toys, sports goods, sports clothing, sports footwear, balls and other articles and equipment for sport, protective equipment for sport, bicycles, sunglasses, eyewear, cosmetics, horological and chronometric instruments, watches, posters, stationery, printed matter, helmets, headphones, telephones, mobile phone covers, household utensils and containers, glassware, figurines, works of art, statuettes, foodstuffs, drinks, collectables, all intended for use in online games and in online virtual environments; downloadable multimedia file containing text, audio and video authenticated by non-fungible tokens (NFTs); downloadable electronic game software; electronic newsletters; downloadable digital files authenticated by non-fungible blockchain-based tokens; downloadable digital photographs; blank virtual recording and storage media.

Class 25:

Clothing, footwear, headwear.

Class 35:

advertising, marketing and promotional services; public relations services; distribution of marketing and promotional material; provision and rental of advertising space, time and media; business assistance, management and administrative services; market studies; retail and wholesale services in relation to clothing, footwear, hats and caps, bags, sports bags, backpacks, badges, wallets, jewellery, medals, games, toys, sports goods, sports clothing, sports footwear, balls and other articles and equipment for sport, protective equipment for sport, bicycles, sunglasses, eyewear, cosmetics, horological and chronometric instruments, watches, posters, stationery, printed matter, helmets, headphones, telephones, mobile phone covers, household utensils and containers, glassware, figurines, works of art, statuettes, foodstuffs, drinks; retail store services connected with the sale of computer software capable of virtually reproducing clothing, footwear, hats and caps, bags, sports bags, backpacks, badges, wallets, jewellery, medals, games, toys, sports goods, sports clothing, sports footwear, balls and other articles and equipment for sport, protective equipment for sport, bicycles, sunglasses, eyewear, cosmetics, horological and chronometric instruments, watches, posters, stationery, printed matter, helmets, headphones, telephones, mobile phone covers, household utensils and containers,

***List of cases accepted for opposition purposes as shown in Journal 2026/017 published on
24 April 2026 .***

glassware, figurines, works of art, statuettes, foodstuffs, drinks, collectables, all intended for use in online games and in online virtual environments or in virtual environments; Providing an online marketplace for the sale and exchange of downloadable digital files containing data relating to virtual goods; providing an online marketplace for the display, sale and transfer of downloadable digital files authenticated by non-fungible tokens; commercial management of digital assets; downloadable digital file auction services authenticated by non-fungible tokens.

Class 41:

Education; Training; Entertainment services; sporting and cultural activities; publishing, editing and writing of texts; online publishing of books and electronic trade journals; provision of non-downloadable electronic publications online; organization of conferences, exhibitions and competitions; organization of virtual sports competitions; betting and gaming services relating to sports; sports and fitness services; sports clubs and provision of fitness and health facilities; coaching [training]; rental of sports equipment and facilities; translation; interpretation; information on sports and cultural events, provided online from a computer database or the Internet or from other media; ticket reservation and pre-booking services for education, entertainment and sports activities and events; museum services [presentation, exhibitions]; provision of digital music from the Internet; provision of sports results; entertainment services through non-downloadable computer software that virtually reproduce clothing, footwear, hats and caps, bags, sports bags, backpacks, badges, wallets, jewellery, medals, games, toys, sports goods, sports clothing, sports footwear, balls and other articles and equipment for sport, protective equipment for sport, bicycles, sunglasses, eyewear, cosmetics, horological and chronometric instruments, watches, posters, stationery, printed matter, helmets, headphones, telephones, mobile phone covers, household utensils and containers, glassware, figurines, works of art, statuettes, foodstuffs, drinks, collectables, all intended for use in online games and in online virtual environments or in virtual environments; organization of sports events and organization of competitions within virtual computer universes; entertainment services provided in an online environment featuring streaming of sports and entertainment content and live streaming of sporting and entertainment events; provision of online entertainment in the form of virtual sports competitions; organization of sports championships for games consisting of virtual sports teams with existing players (so-called fantasy sports); seat reservations for virtual or online shows and sports events.

The specification for this application has been amended to read as follows:

Class 35:

Retail services connected with the sale of cars provided via a car dealership; retail services connected with the sale of vehicles provided via a vehicle dealership; retail and wholesale services connected with the sale of vehicles; retail and wholesale services connected with the sale of car and vehicle parts and fittings for domestic and commercial vehicles; retail services connected with the sale of vehicles and vehicle accessories provided via a car and vehicle showroom; vehicle auctioning services; wholesale services connected with the sale of vehicles through auction sites; retail and wholesale services including online retail and wholesale services connected with the sale of parts and fittings for motor cars and vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of spare parts for vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of car parts and accessories; retail and wholesale services including online retail and wholesale services connected with the sale of vehicle parts and accessories; retail and wholesale services including online retail and wholesale services connected with the sale of tools and power tools; retail and wholesale services including online retail and wholesale services connected with the sale of tyres; retail and wholesale services including online retail and wholesale services connected with the sale of, cleaning, polishing and waxing products; retail and wholesale services including online retail and wholesale services connected with the sale of car maintenance, cleaning and waxing products; retail and wholesale services including online retail and wholesale services connected with the sale of coolants, engine coolants, vehicle engine coolants, engine-decarbonising coolants, chemical preparations for decarbonising engines, anti-boil preparations for engines, chemical additives for engine cooling systems, antiknock substances for internal combustion engines, sealing compositions for sealing engines, chemical additives for use with internal combustion engine

fuels, chemical additives for assisting the starting of internal combustion engines, antifreeze for vehicle radiators, anti-freeze for vehicle cooling systems, compositions for repairing tyres, cooling fluids for vehicle radiators, anti-skid sprays for tyres, compounds for filling cavities, cracks and/or holes in vehicles, compounds for patching cavities, cracks and/or holes in vehicles, fillers for vehicle body and tyre repairs, chemical products for insertion to protect, repair and/or strengthen them; retail and wholesale services including online retail and wholesale services connected with the sale of cleaning, polishing and waxing preparations and substances, cleaning polishing and waxing preparations and substances for cars and vehicles, screen wash, car wash, wax polish and car shampoos, degreasing preparations for engines, vehicle cleaning preparations, abrasive preparations for vehicle care, cleaning wipes, cleaning wipes for vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of cleaning preparations for windscreen wipers, cleaning preparations for wiper blades, hand sanitisers, liquid soaps, liquid soaps for the hands, refill packs for hand sanitisers and for hand soap dispensers, refill packs for liquid soap dispensers, paper hand towels impregnated with sanitisers; retail and wholesale services including online retail and wholesale services connected with the sale of industrial oils, greases, waxes and fluids, non-chemical additives for coolants, engine oils, oils for engines, automotive engine oils, engine starting sprays, fine and extra fine oils for motors, lubricants for car engines, automotive lubricants for car engines, lubricating oil for motor vehicle engines; retail and wholesale services including online retail and wholesale services connected with the sale of non-chemical additives for engine oils, motor vehicle lubricants, fuel for motor vehicles, lubrication grease for vehicles, lubricating oil for motor vehicle engines, liquefied gasses for driving motor vehicles, oils for the hydrodynamic drive for vehicles, waterproofing preparations in the form of oils for motor care ignition systems; retail and wholesale services including online retail and wholesale services connected with the sale of GPS devices, monitoring and diagnostic testing apparatus and instruments; retail and wholesale services including online retail and wholesale services connected with the sale of tools and power tools for vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of spare parts, tyres and accessories for vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of batteries, battery chargers, car batteries, vehicle batteries, car battery chargers, vehicle battery chargers, power supply leads; retail and wholesale services including online retail and wholesale services connected with the sale of EV batteries and EV charging leads; retail services including online retail services connected with the sale of vouchers, coupons and tokens of value including electronic vouchers, coupons ad tokens of value; retail and wholesale services including online retail and wholesale services connected with the sale of electronic control stations (goods) as centres of operation, car radio, stereos, aerials, televisions speakers, car chargers, engine analysers, engine control sensors, sensors for engines, LED lights for engines, computerised vehicle engine analysers; retail

Journal 2026/017 published on 24 April 2026 .

and wholesale services including online retail and wholesale services connected with the sale of coolant temperature sensors, temperature regulators for vehicle engines; retail and wholesale services including online retail and wholesale services connected with the sale of starter cables for motors, sensors for use in the control of motors, electronic control sensors for motors, electronic keys for vehicles, vehicle fuses, vehicle dipsticks, electric batteries for vehicles, displays, cameras, speakers and amplifiers for vehicles, motor vehicle power locks; retail and wholesale services including online retail and wholesale services connected with the sale of electric accumulators for vehicles, voltage regulators for vehicles, mileage recorders for vehicles, vehicle breakdown warning lamps, display panels for vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of steering apparatus in automatic vehicles, emergency light bars for vehicles, fuel, oil and water level indicators for vehicles, mobile phone connectors for vehicles, multimedia navigational systems for vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of remote controls for operating vehicle alarms, remote controls for starting vehicles, simulator for driving or control of vehicles, automatic indicators of low pressure in tyres for vehicles, power adapters for use in vehicle lighter sockets; retail and wholesale services including online retail and wholesale services connected with the sale of on-board electronic systems in land vehicles for providing driving and/or parking assistance, Engine Management Systems, fire-extinguishing apparatus for vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of motor car lamps, testing lamps for cars, air conditioning installations for cars, heating and cooling systems for motor cars, lights for automobiles, headlamps for automobiles, headlights for automobiles, anti-dazzle devices for automobiles (lamp fittings), lamps for directional signals for automobiles; retail and wholesale services including online retail and wholesale services connected with the sale of anti-glare devices for automobiles, air purifiers for automobiles, LED lights for automobiles, air conditioners for automobiles, heaters for automobiles, ventilators for automobiles, air humidifiers for automobiles, vehicle lights, vehicle reflectors, vehicle headlights and tail-lights; retail and wholesale services including online retail and wholesale services connected with the sale of vehicle lighting apparatus and installations, ventilators for vehicles, dynamo lights for vehicle brake lights for vehicles, vehicle lighting and lighting reflectors, heating apparatus for defrosting vehicle windows, vehicle HVAC systems (heating, ventilating and air conditioning), deodorising apparatus for dispensing scents in motor vehicles; retail and wholesale services including online retail and wholesale services car seats, car seat covers, car tidies, car window blinds, children's car seats, chains for motor cars, brakes for motor cars, engines for motor cars, parts of engines for motor cars, engines for vehicles, parts of engines for vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of luggage carriers for automobiles, luggage racks for motor vehicles, wiper for car head lights, wheel rims for vehicles, brakes for vehicles, brake linings for vehicles, brake shoes, segments, pads, discs, lines, blocks, rotors, cables, component, cylinders, drums, levers, and facings for vehicles, brake calipers for vehicles, brake systems for vehicles, brake sets for vehicles, brake pedals; retail and wholesale services including online retail and wholesale services connected with the sale of clutch

mechanisms for motor cars, electric motors for vehicles, suspension springs for vehicles, torque converters for vehicles, torsion bars for vehicles, windscreen wipers for automobiles, gears, gear systems, gear boxes and automatic gear boxes for vehicles, petrol tank caps, shock absorbing springs for motor cars, drinking cup holders adapted for cars, anti-theft warning apparatus for motor cars, safety belts for vehicles, car body modification parts for sale in kit form, safety rims for mudguards; retail and wholesale services including online retail and wholesale services connected with the sale of tyres for automobiles, wheel rims, bumpers for automobiles, shock absorbers for automobiles, sun blinds for automobiles, air bags for automobiles, engines for automobiles, motors for automobiles, mudguards for automobiles, structural parts for automobiles, sun visors for automobiles, gear shifts for automobiles, roof racks for automobiles, shock absorbing springs for automobiles, chassis for automobiles, windscreens for automobiles, wheel hubs for automobiles, spoilers and spokes for automobiles; retail and wholesale services including online retail and wholesale services connected with the sale of steering wheels for automobiles, air pumps for automobiles, rearview mirrors for automobiles, cup holders for automobiles, starters for land vehicles, alternators for land vehicles, transmissions for land vehicles, transmission mechanisms, gears, chains, cases, shafts, belts and levers for land vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of power transmission mechanisms for land vehicles, axles and axle assemblies for vehicles, mirrors for vehicles, alarms for vehicles, couplings and shock absorbers for vehicles, safety alarms for vehicles, servomotors for vehicles, sprockets for vehicles, fenders for land vehicles, wheels and spare wheels for vehicles; retail and wholesale services including online retail and wholesale services connected with the sale of energy via EV stations; business management and administration services; fuel management services; business management and administration services relating to the management and operation of car and vehicle dealerships; business advisory services relating to the establishment of motor dealerships; business advisory services relating to the franchising of motor dealerships; business management and administration services relating to EV charging networks and stations; managing EVSE installations, apparatus and equipment; monitoring EVSE activity, advertising and promotion of vehicles for sale, lease, hire and rental; compilation and dissemination of advertisements for the sale, lease, hire and rental of vehicles provided over the Internet, over a global computer network or by any other electronic means; compilation and updating of databases of vehicles for sale, hire, lease or rental; compilation and updating of databases of spare parts for vehicles; compilation and updating of databases of vehicle charging stations for electronic vehicles; provision of customer information regarding charge points or pods for electronic vehicles; provision of customer information relating to price comparison, performance and trends in relation to the sale, lease, hire and rental of vehicles; advertising, marketing and promotion of vehicles; dissemination of information pertaining to the sale, lease, hire and rental of vehicles; dissemination of information pertaining to the sale, lease, hire and rental of vehicles online or by other electronic means; advertising, marketing and promotion of EV charging networks and stations; dissemination of information pertaining to EV charging networks and stations; dissemination of information pertaining to the sale of energy via EV stations; online

marketing and promotion of vehicles for sale, hire, lease or rental; promoting the goods and services of others through the administration of incentive and reward schemes; dissemination of credit information in relation to vehicles; providing and disseminating information to customers relating to sale, lease, hire or rental of vehicles including electronic vehicles; providing and disseminating information to customers relating to charge stations for electronic vehicles; providing customer information relating to vehicles; business management and administration services relating to the management and operation of retail outlets including online retail outlets; compilation and dissemination of advertisements for the sale of goods of others online; compilation and updating of databases; compilation and updating of databases of vehicles; compilation and updating of databases of EV charging networks, EV charging stations and EVSE activity and usage; managing and administration of contracts for purchasing, lease and hire of vehicles; risk management consultancy (business); vehicle risk management consultancy (business); accident management consultancy (business); financial auditing; business management of leases and purchasing vehicles; salary sacrifice (payroll deductions); analysis regarding fuel usage (business); auditing and bookkeeping services; transportation fleet (business management); vehicle fleet (business management); fuel efficiency analysis for vehicles (business); fuel usage analysis for vehicles (business); providing risk management analysis for vehicles and providing risk management analysis for fleets of vehicles (business); loyalty scheme services; information, advisory and consultancy services relating to all of the aforesaid services.

UK00004345534 (2026/013, 27 March 2026)

The specification for this application has been amended to read as follows:

Class 1:

Chemicals for use in industry, science and photography, as well as in agriculture, horticulture and forestry; chemicals for use in industry namely chemicals for use as components or ingredients in manufacturing; unprocessed artificial resins, unprocessed plastics; fire extinguishing and fire prevention compositions; tempering and soldering preparations; adhesives for use in industry; biological preparations for use in industry and science; building chemicals; Sealants; fluxes; putties, fillers and pastes; de-icers; adhesives; preparations for use as waterproofing coatings on the interior and/or exterior surfaces of structures and buildings; water softening preparations; white spirit; chemical solutions for cleaning brushes; soil and/or soil additives; loam; compost; fertiliser; water dispersants; chemical and organic compositions for use in the manufacture of cosmetics and pharmaceuticals.

UK00004317048 (2026/003, 16 January 2026)

The specification for this application has been amended to read as follows:

Class 20:

Beds; Bed frames; Sleeping pods (non-medical); Sleeping enclosures (non-medical); Enclosed beds; Modular sleeping pods; Modular sleeping enclosures (non-medical); Furniture for sleeping and resting; Bedroom furniture; Furniture incorporating enclosed or semi-enclosed sleeping spaces; Portable sleeping pods (non-medical); Cots (non-medical); Daybeds; Capsule beds (non-medical); none of the aforesaid

goods being for use in camping and/or outdoor activities or being camping-related products and/or accessories; all of the aforesaid for use in capsule hotels, airports, lounges, stations, offices and other indoor commercial or hospitality environments.

UK00004320977 (2026/004, 23 January 2026)

The mark should have advertised in the following form:

The specification for this application has been amended to read as follows:

Class 9:

Computer software for document generation; computer software for document creation; computer software for displaying and analysing financial and investment information; computer software for displaying and analysing business and market information; computer software for research and information gathering for use in the fields of business, finance, legal advice, risk and compliance management; all the aforesaid goods in relation to or connection with the fields of business, finance, legal advice, risk and compliance management.

Class 35:

Compilation and provision of business and commercial information; business risk management services; business management and business organization research related to risk management, risk analysis, risk evaluation, risk identification and to risk calculation; compilation and management of databases; providing a database featuring business news and information; business research services; business investigations services; business analysis and information services; market research; market analysis and forecasting services; provision of market data for commercial purposes; providing reports relating to businesses and markets; collection, compilation, analysis, management, modelling, and reporting of data and information, for use in business management, business prediction, decision management, performance management and risk management; market intelligence services; information, consultancy and advisory services relating to the aforesaid services; all the aforesaid goods in relation to or connection with the fields of business, finance, legal advice, risk and compliance management.

Class 36:

Provision of financial information; financial analysis; computerised financial analysis; preparation and analysis of financial reports; investment information; information relating to financial products; investment analysis; providing credit rating and financial reporting and analysis; economic and financial research services; financial due diligence services; financial risk management services; information, consultancy and advisory services relating to the aforesaid services; all the aforesaid goods in relation to or connection with the fields of business, finance, legal advice, risk and compliance management.

Class 42:

Providing access to data and information via an online platform; software as a service [SaaS]; platform as a service [PaaS]; software as a service for document generation; software as a service for document creation; platform as a service featuring commercial and financial information and data; platform as a service featuring software for accessing, browsing and searching online databases; platform as a service featuring database software; platform as a service featuring software relating to the handling of financial transactions; platform as a service featuring software for displaying and analysing financial and investment information; platform as a service featuring software containing business, financial and commercial information; platform as a service featuring software for research and information gathering for use in the fields of business, finance, legal advice, risk and compliance management; maintenance of databases; hosting of databases; hosting of digital content and data; cloud storage services; cloud storage services for electronic data; cloud computing services; electronic data storage and management services; information, consultancy and advisory services relating to the aforesaid services; all the aforesaid goods in relation to or connection with the fields of business, finance, legal advice, risk and compliance management.

UK00004311138 (2026/001, 02 January 2026)

The specification for this application has been amended to read as follows:

Class 32:

Beer; ale; lager; bitter beer; stout; porter; aerated water; fruit drinks and fruit juices; syrups for making beverages; shandy; de-alcoholised drinks; non-alcoholic beers and wines; alcohol free drinks, being low alcohol drinks; non-alcoholic drinks of the aforementioned beverages.

Class 33:

Alcoholic beverages; wines; cocktails; alcoholic carbonated drinks or beverages; alcoholic beverages containing fruit, fruit juice or fruit essence; alcoholic beverages containing vegetables, vegetable juice or vegetable essence; mixtures containing any of the aforesaid; preparations for making any of the aforesaid; insofar as wine or goods containing wine are concerned, all of the aforesaid complying with the TTW 'Reserve'; cider; perry; spirits; liqueurs; liquors.

UK00004308259 (2026/015, 10 April 2026)

The specification for this application has been amended to read as follows:

Class 42:

Scientific and technological services and research and design relating thereto, industrial analysis and research services; design and development of computer hardware, software and artificial intelligence software; software as a service (SaaS); blockchain as a service (BaaS); platform as a service (PaaS); infrastructure as a service [IaaS]; encryption, decryption and authentication of information, messages and data; providing user authentication services using biometric, facial recognition, finger print authentication, voice recognition and other types of hardware and software authentication technology for provision of financial services, e-commerce transactions, donations, licensed product tracking and fan engagement; data security services; IT security, protection and restoration; computer security threat analysis for protecting data; provision of security services for computer networks, computer access and computerised transactions; certification (quality control) of data via blockchain; data authentication via blockchain; including all of the aforementioned services for use in connection with payment systems; computer design and development services in connection with transmitting information, data, documents, and images over the Internet; application service provider (ASP) services, namely, hosting computer software applications of others; application service provider (ASP) services providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; providing online non-downloadable software for facilitating the interoperability of multiple software applications; technical support services relating to computer software and applications provided online, by email and by telephone; computer services, namely, creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents; computer service relating to creating indexes of information, sites and resources on computer networks; providing search engines; design of mobile telephones and smart phones; design of digital cameras; research, design and product development services in connection with payment terminals and electronic payment systems; technical support services relating to payment terminals and electronic payment systems; computer services, namely computer system administration for others; computer programming; computer integration services; computer analysis services; computer programming in relation to the defence against virus; computer system software services; computer system design; design and development of webpages; hosting webpages for others; hosting computer application software for searching and retrieving information from databases and computer networks; providing technical information at the specific request of end-users by means of telephone or global computer network; consultancy services in relation to computer software; computer services relating to customized searching of computer databases and websites; computer and electronic signal coding and decoding; conversion of physical data and documents into electronic media format; product testing and evaluation services; computer information services; network information services, namely, providing technical information relating to computers and networks in the field of business and e-commerce; provision of computer security risk management programs; computer security information and testing services; quality assurance services; computer services relating to certification of business transactions and preparation of reports therefor; access control to (security services for-) computers, electronic networks and databases;

security of data transmission services and of transactions via computer networks services; consultancy in the field of data security; technological consultancy concerning securing telecommunications; computerized communication network security services; authentication services for computer security; online authentication of electronic signatures; off-site data backup; electronic data storage; providing information on computer technology and programming via a web site; cartography services; cloud computing; cloud hosting provider services; providing temporary use of non-downloadable cloud-based software and cloud computing software; providing virtual computer systems and virtual computer environments through cloud computing; rental of entertainment software; technical research in the field of carbon offsetting; provision of scientific information, advice and consultancy in relation to carbon offsetting and environmental protection; providing technological information about environmentally-conscious and green innovations; environmental testing, assessment and monitoring services; scientific research in the fields of environmental protection and conservation; research and provision of scientific information in the field of climate change; scientific and industrial consultation services relating to fuels, fuel and carbon dioxide emissions and environmental issues; scientific and technological services relating to recommendation of courses of action to reduce carbon dioxide emission in a cost effective manner; scientific and technological services relating to management of carbon offset programmes; providing non-downloadable open source software; providing temporary use of non-downloadable cloud-based software for software development and collaboration in the software development process, namely, working with the source code and its browsing, editing, development, enhancement and testing; writing, design and development of computer code; computer software testing, namely, source code review; consulting services in the field of source code and application software development, implementation, maintenance, repair, analysis, security, and optimization; providing non-downloadable software for use in relation to code development, code editing, code testing, Application Programming Interface (API) selection and integration, code language selection and integration, plugins selection and integration, code deployment and integration; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for use in relation to code development, code editing, code testing, Application Programming Interface (API) selection and integration, code language selection and integration, plugins selection and integration, code deployment and integration; providing non-downloadable software for use in relation to source code repository management, data storage and backup, database management, and facilitating the exchange of information via the Internet featuring collaboration tools; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for use in relation to source code repository management, data storage and backup, database management, and facilitating the exchange of information via the Internet featuring collaboration tools; designing, creating and hosting of bill payment websites; network information services, namely, providing technical information relating to computers and networks in the field of payments including contactless payments; providing temporary use of online non-downloadable computer software for tracking and analyzing payment activity; providing temporary use of online non-downloadable software to evaluate and detect fraud and illegality in payment transactions, and manage compliance validation; providing non-downloadable software

for use in relation to electronic payments and contactless transactions; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for use in relation to electronic payments and contactless transactions; providing non-downloadable software for mobile commerce, loyalty and rewards programs, and digital voucher redemption; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for mobile commerce, loyalty and rewards programs, and digital voucher redemption; providing non-downloadable software for generating, scanning, and recognizing matrix barcodes; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for generating, scanning, and recognizing matrix barcodes; providing non-downloadable software for use as an electronic wallet, digital wallet, and cryptocurrency wallet, and for facilitating top-up services and value storage for such wallets; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for use as an electronic wallet, digital wallet, and cryptocurrency wallet, and for facilitating top-up services and value storage for such wallets; providing non-downloadable software for use in relation to blockchain technology, blockchain infrastructure, blockchain cybersecurity, tokenisation of real-world assets, digital assets, digital asset exchange transactions, decentralized finance (DeFi) and integrating traditional financial systems with blockchain technology; Software as a Service (SaaS), Platform as a Service (PaaS) and Infrastructure as a Service (IaaS) featuring software for use in relation to blockchain technology, blockchain cybersecurity, tokenisation of real-world assets, digital assets, digital asset exchange transactions, decentralized finance (DeFi) and integrating traditional financial systems with blockchain technology; providing non-downloadable software for electronically creating, accessing, exchanging, trading, transmitting, managing, storing, sending, receiving, and accepting digital assets, digital currencies, cryptocurrencies, stable coins, virtual currencies, digital securities, digital tokens, and digital collectibles, and for facilitating users' ability to view, analyse, record, store, monitor, manage, trade, and exchange these assets, as well as manage related payment and exchange transactions; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for electronically creating, accessing, exchanging, trading, transmitting, managing, storing, sending, receiving, and accepting digital assets, digital currencies, cryptocurrencies, stable coins, virtual currencies, digital securities, digital tokens, and digital collectibles, and for facilitating users' ability to view, analyse, record, store, monitor, manage, trade, and exchange these assets, as well as manage related payment and exchange transactions; providing non-downloadable cryptography software for ensuring security and compliance in blockchain transactions; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring cryptography software for ensuring security and compliance in blockchain transactions; providing non-downloadable software to enable the building of applications on the blockchain, interaction with blockchain smart contracts, and asset and information exchange; Software as a Service (SaaS), Platform as a Service (PaaS) and Infrastructure as a Service (IaaS) featuring software for the building of applications on the blockchain, interaction with blockchain smart contracts, and asset and information exchange; providing non-downloadable artificial intelligence software, artificial and virtual reality immersion software, and artificial intelligence software in the field of humanoid robots and robots working alongside humans; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring artificial intelligence software, artificial and

virtual reality immersion software and artificial intelligence software in the field of humanoid robots and robots working alongside humans; providing non-downloadable software for facilitating interaction and communication between humans and artificial intelligence platforms, namely, bots, virtual agents and virtual assistants; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for facilitating interaction and communication between humans and artificial intelligence platforms, namely, bots, virtual agents and virtual assistants; providing non-downloadable Robotic Process Automation [RPA] and Intelligent Process automation [IPA] software; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring Robotic Process Automation [RPA] and Intelligent Process automation [IPA] software; providing non-downloadable software for controlling and managing embodied artificial intelligence systems, namely artificial intelligence apparatus, humanoid robots and autonomous machines; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for controlling and managing embodied artificial intelligence systems, namely artificial intelligence apparatus, humanoid robots and autonomous machines; providing non-downloadable artificial intelligence software for use in relation to marketing, cloud computing, data analytics, predicting trends, customer support, cybersecurity and Information Technology (IT) infrastructure protection; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring artificial intelligence software for use in relation to marketing, cloud computing, data analytics, predicting trends, customer support, cybersecurity and Information Technology (IT) infrastructure protection; providing non-downloadable software for use in relation to artificial intelligence, artificial intelligence driven humanoid robots and robots working alongside humans, machine learning, deep learning, natural language generation, statistical learning, supervised learning, un-supervised learning, predictive and prescriptive analytics, process and task automation, computer vision, internet of things (IoT) and smart data discovery; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for use in relation to artificial intelligence, artificial intelligence driven humanoid robots and robots working alongside humans, machine learning, deep learning, natural language generation, statistical learning, supervised learning, un-supervised learning, predictive and prescriptive analytics, process and task automation, computer vision, internet of things (IoT) and smart data discovery; providing non-downloadable software for use in relation to process and task automation, business analytics, business intelligence, data integration, data warehousing, data mining, data processing, data sharing, data collection, data interpretation, data queries, data visualization and data analytics; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for use in relation to process and task automation, business analytics, business intelligence, data integration, data warehousing, data mining, data processing, data sharing, data collection, data interpretation, data queries, data visualization and data analytics; providing non-downloadable software for the provision, communication and administration of loyalty, incentive, reward and redemption scheme, membership scheme, electronic vouchers, electronic wallets, electronic coupons, electronic direct marketing, customer relationship management, marketing campaign, customer database, transaction management, reminders or other messages; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for the provision, communication and administration of loyalty, incentive, reward

and redemption scheme, membership scheme, electronic vouchers, electronic wallets, electronic coupons, electronic direct marketing, customer relationship management, marketing campaign, customer database, transaction management, reminders or other messages; providing non-downloadable software for the provision of omnichannel marketing solutions; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for the provision of omnichannel marketing solutions; design and development of medical technology and related computer software; design and development of artificial intelligence apparatus and humanoid robots; technical development services in the field of artificial intelligence and software engineering; research in the field of artificial intelligence and humanoid robots and robots working with humans; advanced product research in the field of artificial intelligence; providing artificial intelligence computer programs on data networks; Infrastructure as a Service [IaaS] for the provision of artificial intelligence; hosting of websites for the provision of artificial intelligence; consultancy, information and advisory services relating to the aforesaid services; not including services relating to software or hardware meant to enable wireless connectivity.

UK00004340507 (2026/015, 10 April 2026)

The specification for this application has been amended to read as follows:

Class 35:

Advertising agency specializing in the development and execution of word of mouth, viral, buzz and experiential marketing programs; Advertising and marketing; Advertising and marketing consultancy; Advertising and marketing services, namely, promoting the goods and services of others; Advertising and publicity services, namely, promoting the goods, services, brand identity and commercial information and news of third parties through print, audio, video, digital and on-line medium; Advertising services, namely, creating corporate and brand identity for others; Advertising, marketing and promotion services; Advertising services, public relations and marketing services, namely, promoting and marketing the goods and services of others through all public communication means; Arranging and conducting marketing promotional events for others; Brand concept and brand development services for corporate and individual clients; Branding services, namely, consulting, development, management and marketing of brands for businesses and/or individuals; Corporate event management services; Organising exhibitions for commercial or advertising purposes; Planning and conducting of trade fairs, exhibitions and presentations for economic or advertising purposes; Promoting the parties and special events of others; Promoting visual and performing arts events by means of providing an online events calendar, original articles, interviews, and information about art, artists and arts events via an internet web site, all for promotional purposes; Providing consumer information services and making referrals in the field of entertainment services for products, services, events, activities, facilities and locations; Marketing and consulting services in the field of promoting and tracking the goods, services, and brands of others through all public communication means, particularly specializing in the use of mobile, social, and print media to drive consumer interest, engagement and action; Advertising and marketing services provided by means of indirect methods of marketing communications, namely, social media, search engine marketing, inquiry marketing,

teaching apparatus; computer games for use with televisions, sound and video recordings and podcasts all of the aforesaid relating to personal finance, budgeting, saving, investing, debt management, financial wellbeing, small business finance, and entrepreneur finance education; electronic publications; MP3 players; multi-media recordings and publications, all relating to personal finance, budgeting, saving, investing, debt management, financial wellbeing, small business finance, and entrepreneur finance education.

Class 35:

Business management; business administration; business advisory services; trend-setting services; marketing services; office functions; distribution of leaflets and samples; newspaper subscription services for others; marketing and public relations services; business management and organisational services; registration and composition of written and digital communications; business management and organisation consultancy; document reproduction; fashion show services and organising of fashion shows for commercial and promotional purposes; management of computer files; organization of exhibitions for commercial or advertising purposes; retail services (whether in store, by mail order, telephone, or via the internet), connected with the sale of a variety of goods namely clothing, footwear, headgear, fashion accessories, rucksacks, backpacks, bags, cases, wallets, purses, briefcases, carryalls, satchels, book bags, sports bags, bum bags, handbags, messenger bags, duffel bags, garment carriers, suitcases, trunks and travelling bags, clutch bags, coin purses, cosmetic bags sold empty, hobo bags, key cases, leather and imitation leather bags, leather key chains, shoulder bags, tote bags, travel bags, umbrellas, parasols, jewellery, fashion accessories of precious and semi-precious metal and stones, boxes and cases for jewellery, ingots of precious metals, medals, watches, horological and chronometric instruments, clocks, cases and holders for timepieces, cufflinks, tie clips, parts and fittings for timepieces, watch bands, watch straps, paper, cardboard, printed matter and printed publications, photographs, calendars, stationery, artists' materials, instructional and teaching material (except apparatus), plastic materials for packaging, magazines, newsletters, circulars, books, booklets, pamphlets, programmes, periodic publications, postcards, posters, greeting cards, software and applications including for tablet computers and personal electronic devices, video cassettes, audio cassettes, radios, compact discs, tapes, CD ROMs, DVDs, sound and video recordings, electronic publications, computer software, interactive data media, podcasts, electronic media and magnetic media all bearing audio, multi-media recordings and publications, downloadable files all of the aforesaid relating to personal finance, budgeting, saving, investing, debt management, financial wellbeing, small business finance, and entrepreneur finance education; spectacles, eyeglasses, sunglasses, eyewear and their frames, cases and lenses, games and playthings, gymnastic and sporting articles not included in other classes, decorations for Christmas trees; provision of the aforesaid services from a computer database or the Internet; compilation of advertisements for use as web pages on the Internet; provision of space on web sites for advertising and retailing goods; gathering commercial messages, press reports and market research data (including using electronic means and/or by computer); arranging and conducting of business and commercial conferences and seminars; advisory and information services relating to the aforesaid.

Class 41:

Education and training services; cultural activities; arranging and conducting colloquiums, exhibitions, concerts, conferences, congresses, seminars, symposiums, festivals, fairs, circuses, shows, workshops, fashion shows and contests; scriptwriting services; ghostwriting services; news reporter services; publication and publishing services, including online and over the internet; cinema presentations; organizing, producing, arranging and curating entertainment, recreational, educational and cultural events; entertainment services provided by way of blogs, video blogs on line forums and podcasts, all relating to personal finance, budgeting, saving, investing, debt management, financial wellbeing, small business finance, and entrepreneur finance education; fan club services; booking agencies; photographic composition services; provision of podcasts all relating to personal finance, budgeting, saving, investing, debt management, financial wellbeing, small business finance, and entrepreneur finance education; publication of books; advisory and consultancy services relating to the aforementioned services.

UK00004328668 (2026/007, 13 February 2026)
Specifications have been restricted as follows:

Class 9:

Downloadable mobile applications for improving personal administration productivity, financial administration, document management, and task organisation; none of the aforesaid goods relating to medical or clinical healthcare or telecare systems or services.

Class 42:

Software as a Service (SaaS) featuring software for improving personal administration productivity, financial administration, document management, and task organisation; none of the aforesaid goods relating to medical or clinical healthcare or telecare systems or services.

UK00004307127 (2026/008, 20 February 2026)
Specifications have been restricted as follows:

Class 3:

Exfoliants for the care of the skin; Skin care oils [cosmetic]; Skin care lotions [cosmetic]; Cosmetic creams for skin care; Hair care serums; Skin moisturizers; Facial care preparations; Skin relief serum [cosmetic].

UK00004329780 (2026/008, 20 February 2026)
Specifications have been restricted as follows:

Class 16:

Paper, cardboard; bookbinding material; photographs; stationery; adhesives for stationery or household purposes; artists' materials; paint brushes; typewriters and office requisites (except furniture); instructional and teaching material (except apparatus); plastic materials for packaging (not included in other classes); printers' type; printing blocks; promotional materials; graphics; waterproofing film (plastic-) for wrapping; waterproofing film (plastic-) for packaging.

Class 19:

Non-metallic building materials; non-metallic rigid pipes for building; asphalt, pitch and bitumen; non-metallic transportable buildings; non-metallic monuments; non-metallic framed conservatories, doors and windows; non-metallic building materials; geotextiles; non-metallic waterproofing materials; bricks; natural and artificial stone, cement, lime,

mortar, whiting, plaster, gravel; asphalt, pitch, bitumen and preparations made from these materials (other than paints) for use in building and construction; non-metallic boards for use in buildings; wall boards; boards for use in building and construction; non-metallic plugs; cement; building materials made of plaster; plaster and plaster compositions for use in building construction; non-metallic partitioning and non-metallic partitioning materials; non-metallic partitions; parts, fittings and accessories for all the aforesaid goods; but not including pipes, tubes, couplings, joints for all the aforesaid goods; non-metallic mouldings; timber mouldings; non-metallic extrusions; blinds not of metal or textile; blinds of wood; blinds of plastic; non-metallic partition installations; non-metallic ceiling installations; non-metallic ceiling panels; non-metallic wall claddings; non-metallic wall panels; timber wall panels; non-metallic doors; timber doors; non-metallic glazing units; non-metallic glazing panels; glass for use in buildings; printed glass for use in buildings; routed glass for use in buildings; etched glass for use in buildings; architectural glass elements; architectural glass installations; decorative glass elements; decorative glass installations; non-metallic exhibition stands; signs not of metal; signs of wood; signs of plastic; flat roofs, not of metal, in particular flat sealings, namely bitumen webs, liquid sealings, plastic sealings; flat roof fittings, not of metal, in particular dome lights and fittings, roof edging systems, covers for terraces; wood, namely construction timber, lumber, profiled wood, boards of wood; facades, not of metal, in particular facade claddings, including slate, fibre cement, hardboard, plastic components; roof coverings, not of metal, in particular clay roof tiles, concrete roofing tiles, slate, fibre cement, double web panels, bitumen; roofing materials, not of metal; guttering, not of metal, in particular gutters, down pipes; fittings, not of metal, for high pitched roofs, in particular underfloor webs, insulating membranes, attic stairs; green roofs, not of metal; building materials (non-metallic); monuments, not of metal; doors and windows; floors; roofs and roofing materials; tiles; natural and artificial stone, cement, lime, mortar, plaster, gravel; asphalt, pitch, bitumen and preparations made from these materials (other than paints) for use in building and construction non-metallic boards for use in buildings; internal walls, ceilings and partitions; non-metallic roofing materials; non-metallic building materials having insulation properties; PVCU roofing products, fascias, guttering, down pipes, cladding; internal partitioning made of non-metallic materials; partitioning materials (non-metallic-); blocks (non-metallic-) for use in flooring construction; ceramic tiles for flooring and facing; ceramic tiles for flooring and lining; ceramic tiles for flooring of building; flooring made of wood; flooring materials (non-metallic-); flooring (non-metallic-); flooring tiles (non-metallic-); hardwood flooring; synthetic flooring materials or wall-claddings; tile floorings, not of metal; wooden flooring; fillers for repairing walls; rendering compositions for use in building; rendering compositions for use in construction; renderings; erosion control fabric, mats and sheeting, not of metal [geotextiles]; fabrics for use in civil engineering (geotextiles); stabilisation fabrics [geotextiles] (non-metallic-) for use in construction; erosion control fabric [construction]; erosion control sheeting or fabric for construction use; tree guards (non-metallic-) [structures]; paving products (non-metallic-); paving; synthetic paving composites; liners of plastic material; lawn guards (non-metallic-) [structures]; non-woven fabrics for land stabilisation; non-woven fabrics for soil stabilisation; stabilisation fabrics (non-metallic-) for use in

construction; waterproofing boards (non-metallic-); drainage installations (non-metallic-); non-woven fabrics for land drainage; venting (non-metallic-); building boards of plastics materials; building materials of plastics material; construction elements of plastic; expanded plastics for use in construction; expanded plastics for use in building; transparent plastic panels for building construction purposes; transparent plastic panels for building purposes; transparent plastic roof tiles; aggregate materials for use in concrete; concrete; building elements of concrete; building elements made of concrete; concrete building elements; concrete building materials; concrete panels; concrete piles; concrete pipes; polymer concrete; reinforced concrete; synthetic concrete; trench drains [concrete drainage structures]; composite structures (non-metallic-); movable partitions [walls] of non-metallic materials; moveable walls made of non-metallic materials; cladding panels (non-metallic-) for walls; wall panels (non-metallic-); wall panels not of metal; plastic wallboards; fibre cement; spacers being building elements made of fibre reinforced cement; adhesive mortar for building purposes; levelling preparations [cement or mortar]; ties (non-metallic-) for use in building; ties (non-metallic-) for retaining insulation between the internal and external walls of buildings; non-metallic ceiling tiles having sound insulation properties; insulation glass for building; non-metallic fabrics for the reinforcement of roofs; reinforcement rods, not of metal; structural reinforcement (non-metallic-) for construction purposes; parts and fittings for the aforesaid goods; none of the aforesaid services relating to autoclaved aerated concrete, aerated concrete, foamed concrete or building materials made of autoclaved aerated concrete, aerated concrete, and foamed concrete.

Class 35:

Advertising; business management; retail and wholesale services connected with the sale of chemicals used in industry, science and photography, as well as in agriculture, horticulture and forestry, unprocessed artificial resins, unprocessed plastics, manures, fire extinguishing compositions, tempering and soldering preparations, chemical substances for preserving foodstuffs, tanning substances, adhesives used in industry, unprocessed plastics in the form of liquids, chips or granules; retail and wholesale services connected with the sale of chemical products for use in the building industry, chemical additives to concrete, waterproofing chemicals, additives and preparations, adhesives, adhesives for use in building, construction and the building and construction industry, adhesive fillers, adhesives for use in construction, adhesives for use in building, water insoluble plastics; retail and wholesale services connected with the sale of adhesives for mortar, foaming compositions, reinforcing fillers, adhesives, sealant mastics for use in industry, mastics for use in bonding, mastics for use in welding, cement (oil) (putty), glaziers' putty, glazing putty, putty (glaziers), hot applied roofing bonding agents, bonding agents for concrete, resin for use in anchoring rods; retail and wholesale services connected with the sale of bonding agents for admixture with grouts, paints, varnishes, lacquers, preservatives against rust and against deterioration of wood, colorants, mordants, raw natural resins, metals in foil and powder form for painters, decorators, printers and artist, waterproofing preparations, paints and primers, sealant primers, primer compounds, primer fillers in the nature of paint; retail and wholesale services connected with the sale of preparations for waterproofing (paints), protective coatings for waterproofing surfaces of buildings (paints), waterproofing

compositions in the nature of paint, floor paints, bonding agents for paints, pharmaceutical and veterinary preparations, sanitary preparations for medical purposes, dietetic food and substances adapted for medical or veterinary use, food for babies; retail and wholesale services connected with the sale of dietary supplements for humans and animals, plasters, materials for dressings, material for stopping teeth, dental wax, disinfectants, preparations for destroying vermin, fungicides, herbicides, first aid kits, common metals and their alloys, metal building materials, transportable buildings of metal, materials of metal for railway tracks, non-electric cables and wires of common metal, ironmongery; retail and wholesale services connected with the sale of small items of metal hardware, pipes and tubes of metal, safes, ores, unwrought and partly wrought common metals, metallic windows and doors, metallic framed conservatories, metallic building materials, anchors, steel and steel masonry supports, ironmongery, boards of metal for use in building and construction, metal fixings for use in the building and construction industry, screws of metal, fasteners, wall boards, adhesive strips; retail and wholesale services connected with the sale of studs, clips, beads for use in construction and building, metallic partitioning and metallic partitioning materials, metallic partitions, small items of metallic hardware, parts and fittings and accessories for all the aforesaid goods, fittings of metal for buildings, door fittings and door stops of metal, window fittings and window stops of metal, metal mouldings, metal extrusions, metal blinds, partitions of metal, partition installations of metal; retail and wholesale services connected with the sale of metal doors, ceiling installations of metal, ceiling panels of metal, wall claddings of metal, wall panels of metal, metal glazing units, metal glazing panels, signs of metal, exhibition stands of metal, roof coverings of metal, in particular standing seams, sheet sections with trapezoidal corrugations and sandwich elements, roofing sheets and roofing panels, flat roofs of metal, in particular metal coverings; retail and wholesale services connected with the sale of facades of metal, in particular facade claddings, roofing materials of metal, guttering of metal, in particular gutters, down pipes, fittings of metal for high pitched roofs, in particular underfloor webs, insulating membranes, snow trap systems, access systems, attic stairs, common metals and their alloys, metal building materials, transportable buildings of metal, materials of metal for railway tracks, non-electric cables and wires of common metal; retail and wholesale services connected with the sale of ironmongery, small items of metal hardware, pipes and tubes of metal, safes, ores, metallic roofing materials, down pipes of metal, cladding made of metal, partitioning of metal (other than furniture), wall coverings made of metal for constructing walls, metal flooring, tile floorings of metal, fasteners of common metal, metal bolts (fasteners), screws (fasteners), metal anchors, screw bolts of metal, screws (fasteners), nails, nails of metal; retail and wholesale services connected with the sale of rivets, cramps and nails of metal, metal wheel clamps, metal reinforcement materials for building, reinforcement materials (metal) for building, venting of metal, roofing membranes of metal, damp proof membranes (non-metallic), dividing wall panels of metal, dividing walls of metal, interior wall cladding of metal, internal wall cladding of metal, metal expansion joints for floors and walls, metal panels for walls, metal wall claddings; retail and wholesale services connected with the sale of metal wall linings, wall plugs of metal, wall ties of metal, brackets of metal for building, metal brackets, cable trays of metal (other than electric), fixing devices of metal, metal security lock cylinders, buildings (fittings of

metal for), brackets of metal for building, metal hardware for buildings, metal goods for use in building, fittings of metal for building, linings of metal for building purposes, metal trim for buildings; retail and wholesale services connected with the sale of door closers, non-electric, door fittings of metal, clad steel plates and sheets, metal hinges, cable clips of metal, pipes (clips of metal for), clips of metal, metal wheel clamps, metal cable-clamps, joist clamps of metal, metal ladders, metal guard, locks of metal, metal cylinders, screw bolts of metal, metal tapes, fixing plates of metal, metal ties, padlocks, pins of metal, shims, chains of metal, boxes for storage purposes (metal); retail and wholesale services connected with the sale of staples for construction use, rods of metal, screwed rods of metal, anchor bolts of metal, bolts of metal, clips (cable and pipe) of metal, metal hangers, metal profiles for thermal insulation purposes, parts and fittings for the aforesaid goods, machine tools, motors and engines (except for land vehicles), machine coupling and transmission components (except for land vehicles), agricultural implements other than hand-operated; retail and wholesale services connected with the sale of incubators for eggs, automatic vending machines, wind turbines, electric power tools for use in relation to roofing and roofing materials, parts and fittings for all the aforesaid goods, but not including hydraulic or pneumatic tools, electric power tools, abrasive instruments (machines), abrasive instruments (tools for machines), abrasive tools being parts of machines, abrasive wheels being parts for machines, power-operated abrasive wheels; retail and wholesale services connected with the sale of work clamps for machine tools, electrically powered hand tools, power operated tools, power tools, powered tools, power-operated nailing guns, chucks (parts of machine), drill chucks for power drills, blades (machine parts), power saw blades, door closers, electric, drilling bits (parts of machines), hot adhesive guns, electric generators, electric glue guns, metal sawing machines, machine tools for sawing, power-operated saws; retail and wholesale services connected with the sale of jigsaw blades (parts for machines), machine knives, knives, electric, electric hammers, screw milling cutters (machines), screw milling cutters (parts of machines), routers (machines), screwdriver bits for machines, snips (machines), power staplers, hand tools and hand operated implements, cutlery, side arms, razors, electric razors and hair cutters, hand operated tools; retail and wholesale services connected with the sale of tools for use in relation to roofing and roofing materials, parts and fittings for all the aforesaid goods, abrasive grinding wheels (hand-operated tools), abrasive grinding wheels (parts of hand operated tools), blades for hand saws, guns (hand tools), hand saws, jigsaw blades (parts for hand-operated tools), hammers, screw-thread cutters (hand tools), routers (hand-operated tools), screwdrivers, sealant dispenser; retail and wholesale services connected with the sale of snips (hand operated tools), tool belts, scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments, apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, apparatus for recording, transmission or reproduction of sound or images; retail and wholesale services connected with the sale of magnetic data carriers, recording discs, compact discs, DVDs and other digital recording media, mechanisms for coin-operated apparatus, cash registers, calculating machines, data processing equipment, computers, computer software, fire-extinguishing apparatus, illuminated signs, parts and fittings for the aforesaid goods,

solar technology systems, namely solar power generating modules, photovoltaic cells and modules; retail and wholesale services connected with the sale of thermo-collectors (electric), solar panels, renewable energy apparatus and equipment in the form of energy collection and generation equipment powered by natural resources such as biomass, biofuels, sunlight, water, wind, rain, tides and geothermal heat, electrical controls and meters, parts and fittings for all the aforesaid, safety clothing for protection against accident or injury, extension leads (electric), eye protection wear; retail and wholesale services connected with the sale of protective face masks for use in the building and construction industry, levelling instruments, levels, lighting, electric locks, measuring tapes, portable solar panels for generating electricity, solar heat collection panels, solar panels, solar panels for electricity generation, ear defenders, apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; retail and wholesale services connected with the sale of air conditioning apparatus, electric kettles, gas and electric cookers, vehicle lights and vehicle air conditioning units, electrical light fittings and apparatus, parts and fittings for the aforesaid goods, solar panels, renewable energy apparatus and equipment in the form of energy collection and generation equipment powered by natural resources such as biomass, biofuels, sunlight, water, wind, rain, tides and geothermal heat; retail and wholesale services connected with the sale of electrical controls and meters, aerators for faucets (plumbing fittings), faucet filters (plumbing fittings), manually-operated plumbing valves, sink sprayers (plumbing fittings), spouts (plumbing fittings), tub control valves (plumbing fittings), valves (plumbing fittings), apparatus for lighting, bulbs for lighting, display lighting, electric apparatus for lighting, electric lighting, electric lighting apparatus, electric lighting fixtures; retail and wholesale services connected with the sale of electrical lighting fixtures, lighting, lighting fittings, lighting apparatus, solar heating panels, solar panels for use in heating, parts and fittings for all the aforesaid, printed matter, bookbinding material, photographs, stationery, adhesives for stationery or household purposes, artists' materials, paint brushes, typewriters and office requisites (except furniture), instructional and teaching material (except apparatus); retail and wholesale services connected with the sale of plastic materials for packaging (not included in other classes), printers' type, printing blocks, printed matter, promotional materials, graphics, waterproofing film (plastic) for wrapping, waterproofing film (plastic) for packaging, charts, paint brushes, rubber, gutta-percha, gum, asbestos, mica, plastics in extruded form for use in manufacture, semi-finished plastics materials for use in further manufacture; retail and wholesale services connected with the sale of stopping and insulating materials, flexible non-metallic pipes, building insulation, building insulation products and materials, adhesive materials, pads and strips, adhesive fabric for use in construction, tapes for insulation purposes and for use in the building industry, sealants, packing, stopping and insulating materials, plastic mouldings, plastic extrusions; retail and wholesale services connected with the sale of roof insulation (insulating material), in particular insulation for high pitched roofs, flat roofs, namely insulating materials, insulating materials, packing, stopping and insulating materials, flexible pipes, not of metal, building insulation products and materials, wall insulation products, adhesive materials, pads and strips, adhesive fabric for use in construction, tapes for insulation purposes and for use in the building industry; retail and wholesale services

connected with the sale of sealants, insulation material for roofing, insulation sheets for roofing, sound control flooring underlayment, under flooring sheets of rubber, sealants for buildings, sealants for joints, insulating matting, fibres for reinforcement, waterproofing film (plastic) (other than for wrapping), waterproofing film (plastic) (other than for packaging), insulating materials made of plastics, insulating materials of plastics; retail and wholesale services connected with the sale of insulating materials produced from plastics, insulation materials of plastics, plastic seals, plastic sheeting for preventing weed growth, plastics insulating materials, plastics in extruded form for use in manufacture, thermal insulating material of plastics, polymer fibres for use in concrete, composite panels having insulating properties, expansion joints for use in wall constructions, insulating paints for walls, insulators made of fibre cement; retail and wholesale services connected with the sale of pipe support sleeves (rubber), fabrics for insulation, heat resistant fabrics (insulation), insulation for building purposes, pre-formed insulation components, rubber for electrical insulation, thermal insulation material, rubber for sound insulation, rubber for heat insulation, insulation sheets, metal foils for insulation, insulation for building purposes, insulation material for roofing, insulation materials of plastics; retail and wholesale services connected with the sale of foam for use as heat insulation, foam for use in sound insulation, fabrics for insulation, fiberglass insulation, parts and fittings for all the aforesaid goods, leather and imitations of leather, animal skins, hides, trunks and travelling bags, handbags, rucksacks, purses, umbrellas, parasols and walking sticks, whips, harness and saddlery, clothing for animals, harnesses, non-metallic building materials; retail and wholesale services connected with the sale of non-metallic rigid pipes for building, asphalt, pitch and bitumen, non-metallic transportable buildings, non-metallic monuments, non-metallic framed conservatories, doors and windows; retail and wholesale services connected with the sale of non-metallic building materials, geotextiles, non-metallic waterproofing materials, bricks, natural and artificial stone, cement, lime, mortar, whitening, plaster, gravel, asphalt, pitch, bitumen and preparations made from these materials (other than paints) for use in building and construction; retail and wholesale services connected with the sale of non-metallic boards for use in buildings, wall boards, clips, studs, boards for use in building and construction, sealants, non-metallic plugs, small items of non-metallic hardware used in building and construction, cement, building materials made of plaster, plaster and plaster compositions for use in building construction, non-metallic partitioning and non-metallic partitioning materials; retail and wholesale services connected with the sale of non-metallic partitions, parts, fittings and accessories for all the aforesaid goods, but not including pipes, tubes, couplings, joints for all the aforesaid goods, fittings not of metal for buildings, door fittings and door stops not of metal, window fittings and window stops not of metal, non-metallic mouldings, timber mouldings, non-metallic extrusions, blinds not of metal or textile, blinds of wood, blinds of plastic, non-metallic partitions; retail and wholesale services connected with the sale of non-metallic partition installations, non-metallic ceiling installations, non-metallic ceiling panels, non-metallic wall claddings, non-metallic wall panels, timber wall panels, non-metallic doors, timber doors, non-metallic glazing units, non-metallic glazing panels, glass for use in buildings, printed glass for use in buildings, routed glass for use in buildings, etched glass for use in buildings, architectural glass elements; retail and wholesale services connected with the sale of architectural

glass installations, decorative glass elements, decorative glass installations, non-metallic exhibition stands, signs not of metal, signs of wood, signs of plastic, flat roofs, not of metal, in particular flat sealings, namely bitumen webs, liquid sealings, plastic sealings, flat roof fittings, not of metal, in particular dome lights and fittings, roof edging systems, covers for terraces; retail and wholesale services connected with the sale of wood, namely construction timber, lumber, profiled wood, boards of wood, facades, not of metal, in particular facade claddings, including slate, fibre cement, hardboard, plastic components, roof coverings, not of metal, in particular clay roof tiles, slate, fibre cement, double web panels, bitumen, roofing materials, not of metal, guttering, not of metal, in particular gutters, down pipes; retail and wholesale services connected with the sale of fittings, not of metal, for high pitched roofs, in particular underfloor webs, insulating membranes, attic stairs, green roofs, not of metal, building materials (non-metallic), non-metallic rigid pipes for building, asphalt, pitch and bitumen, non-metallic transportable buildings, monuments, not of metal, non-metallic building materials, doors and windows, floors, roofs and roofing materials, tiles, geotextiles; retail and wholesale services connected with the sale of non-metallic waterproofing materials, bricks, natural and artificial stone, cement, lime, mortar, plaster, gravel, asphalt, pitch, bitumen and preparations made from these materials (other than paints) for use in building and construction non-metallic boards for use in buildings, wall boards, internal walls, ceilings and partitions, non-metallic clips, boards for use in building and construction, sealants, non-metallic plugs; retail and wholesale services connected with the sale of small items of non-metallic hardware used in building and construction, cement, building materials made of plaster, plaster and plaster compositions for use in building construction, non-metallic partitioning and non-metallic partitioning materials, non-metallic partitions, non-metallic roofing materials, non-metallic building materials having insulation properties, PVCU roofing products, fascias, guttering, down pipes, cladding; retail and wholesale services connected with the sale of internal partitioning made of non-metallic materials, partitioning materials (non-metallic), blocks (non-metallic) for use in flooring construction, ceramic tiles for flooring and facing, ceramic tiles for flooring and lining, ceramic tiles for flooring of building, flooring made of wood, flooring materials (non-metallic), flooring (non-metallic), flooring tiles (non-metallic), hardwood flooring, synthetic flooring materials or wall-claddings; retail and wholesale services connected with the sale of tile floorings, not of metal, wooden flooring, fillers for repairing walls, rendering compositions for use in building, rendering compositions for use in construction, renderings, erosion control fabric, mats and sheeting, not of metal (geotextiles), fabrics for use in civil engineering (geotextiles), stabilisation fabrics (geotextiles) (non-metallic) for use in construction, erosion control fabric (construction); retail and wholesale services connected with the sale of erosion control fabric, mats and sheeting, not of metal (geotextiles), erosion control sheeting or fabric for construction use, tree guards (non-metallic) (structures), paving products (non-metallic), paving, synthetic paving composites, liners of plastic material, lawn guards (non-metallic) (structures), non-woven fabrics for land stabilisation, non-woven fabrics for soil stabilisation; retail and wholesale services connected with the sale of stabilisation fabrics (geotextiles) (non-metallic) for use in construction, stabilisation fabrics (non-metallic) for use in construction, waterproofing boards (non-metallic), drainage installations (non-metallic), non-woven fabrics for

land drainage, venting (non-metallic), building boards of plastics materials, building materials of plastics material, construction elements of plastic, expanded plastics for use in construction; retail and wholesale services connected with the sale of expanded plastics for use in building, transparent plastic panels for building construction purposes, transparent plastic panels for building purposes, transparent plastic roof tiles, composite structures (non-metallic), movable partitions (walls) of non-metallic materials, moveable walls made of non-metallic materials, cladding panels (non-metallic) for walls, wall panels (non-metallic), wall panels not of metal, wall boards, plastic wallboards, fibre cement; retail and wholesale services connected with the sale of spacers being building elements made of fibre reinforced cement, adhesive mortar for building purposes, levelling preparations (cement or mortar), ties (non-metallic) for use in building, ties (non-metallic) for retaining insulation between the internal and external walls of buildings, non-metallic ceiling tiles having sound insulation properties, insulation glass for building, parts and fittings for the aforesaid goods; retail and wholesale services connected with the sale of furniture, mirrors, picture frames, articles made of cork, reed, cane, wicker, horn, bone, ivory, whalebone, shell, amber, mother-of-pearl or meerscham, namely furniture, domestic furniture, bathroom furniture, household furniture, furnishing containers, garden furniture, parts and fittings for the aforesaid goods; retail and wholesale services connected with the sale of pillows and cushions, screws (not of metal), fasteners, nails and fixing nails not of metal, office furniture, chairs, desks, counters, screens, tables, display boards, stands, shelves, cabinets, filing cabinets, parts and fittings for the aforesaid goods; retail and wholesale services connected with the sale of non-metallic nuts (fasteners), nuts (fasteners), not of metal, non-metallic fabrics for the reinforcement of roofs, reinforcement rods, not of metal, structural reinforcement (non-metallic) for construction purposes, rivets made of plastics materials, plastics wall plugs, cable ties, cable trays of non-metallic materials (other than electric), fixing bolts, not of metal, fixing nails, not of metal, fixing plugs, not of metal; retail and wholesale services connected with the sale of door fittings, not of metal, hinges, not of metal, padlocks, not of metal, pins, not of metal, pipe support sleeves (plastic), plastics wall plugs, toggle bolts (non-metallic), fixings, not of metal for building, parts and fittings for the aforesaid goods, clothing, footwear, headgear, gloves; assistance, advisory services and consultancy with regard to building construction; business advisory services, consultancy and information; none of the aforesaid services relating to autoclaved aerated concrete, aerated concrete, foamed concrete or building materials made of autoclaved aerated concrete, aerated concrete, and foamed concrete, or building elements made of autoclaved aerated concrete, aerated concrete, and foamed concrete.

Class 37:

Building construction; repair services all relating to metal building materials, transportable buildings of metal, materials of metal for railway tracks, non-electric cables and wires of common metal, ironmongery, small items of metal hardware, pipes and tubes of metal, safes, metallic windows and doors, metallic framed conservatories, metallic building materials, anchors, steel and steel masonry supports, ironmongery, boards of metal for use in building and construction, metal fixings for use in the building and construction industry, screws of metal, fasteners, wall boards, adhesive strips, studs, clips, beads for use in construction and building, metallic partitioning and metallic partitioning materials, metallic partitions, small

items of metallic hardware, fittings of metal for buildings, door fittings and door stops of metal, window fittings and window stops of metal, metal mouldings, metal extrusions, metal blinds, partitions of metal, partition installations of metal, metal doors, ceiling installations of metal, ceiling panels of metal, wall claddings of metal, wall panels of metal, metal glazing units, metal glazing panels, signs of metal, exhibition stands of metal, roof coverings of metal, in particular standing seams, sheet sections with trapezoidal corrugations and sandwich elements, roofing sheets and roofing panels, flat roofs of metal, in particular metal coverings, facades of metal, in particular facade claddings, roofing materials of metal, guttering of metal, in particular gutters, down pipes, fittings of metal for high pitched roofs, in particular underfloor webs, insulating membranes, snow trap systems, access systems, attic stairs, metal building materials, transportable buildings of metal, materials of metal for railway tracks, metallic roofing materials, down pipes of metal, cladding made of metal, partitioning of metal [other than furniture], wall coverings made of metal for constructing walls, metal flooring, tile floorings of metal, fasteners of common metal, metal bolts [fasteners], screws [fasteners], metal anchors, screw bolts of metal, screws [fasteners], nails, nails of metal, rivets, cramps and nails of metal, metal wheel clamps, metal reinforcement materials for building, reinforcement materials (metal-) for building, venting of metal, roofing membranes of metal, damp proof membranes (non-metallic-), dividing wall panels of metal, dividing walls of metal, interior wall cladding of metal, internal wall cladding of metal, metal expansion joints for floors and walls, metal panels for walls, metal wall claddings, metal wall linings, wall plugs of metal, wall ties of metal, brackets of metal for building, metal brackets, cable trays of metal [other than electric], fixing devices of metal, metal security lock cylinders, buildings (fittings of metal for -), brackets of metal for building, metal hardware for buildings, metal goods for use in building, fittings of metal for building, linings of metal for building purposes, metal trim for buildings, door closers, non-electric, door fittings of metal, clad steel plates and sheets, metal hinges, cable clips of metal, pipes (clips of metal for -), clips of metal, metal cable-clamps, joist clamps of metal, metal ladders, metal guard, locks of metal, metal cylinders, screw bolts of metal, metal tapes, fixing plates of metal, metal ties, padlocks, pins of metal, shims, chains of metal, boxes for storage purposes [metal], staples for construction use, rods of metal, screwed rods of metal, anchor bolts of metal, bolts of metal, clips (cable and pipe-) of metal, metal hangers, metal profiles for thermal insulation purposes, machine tools, motors and engines (except for land vehicles), machine coupling and transmission components (except for land vehicles), agricultural implements other than hand-operated, automatic vending machines, wind turbines, electric power tools for use in relation to roofing and roofing materials, parts and fittings for all the aforesaid goods, but not including hydraulic or pneumatic tools, electric power tools, abrasive instruments [machines], abrasive instruments [tools for machines], abrasive tools being parts of machines, abrasive wheels being parts for machines, power-operated abrasive wheels, work clamps for machine tools, electrically powered hand tools, power operated tools, power tools, powered tools, power-operated nailing guns, chucks [parts of machine], drill chucks for power drills, blades [machine parts], power saw blades, door closers, electric, drilling bits [parts of machines], hot adhesive guns, electric generators, electric glue guns, metal sawing machines, machine tools for sawing, power-operated saws, jigsaw blades [parts for machines], machine

knives, knives, electric, electric hammers, screw milling cutters [machines], screw milling cutters [parts of machines], routers [machines], screwdriver bits for machines, snips [machines], power staplers, hand tools and hand operated implements, hand operated tools, parts and fittings for all the aforesaid goods, abrasive grinding wheels [hand-operated tools], abrasive grinding wheels [parts of hand operated tools], blades for hand saws, guns [hand tools], hand saws, jigsaw blades [parts for hand-operated tools], hammers, screw-thread cutters [hand tools], routers [hand-operated tools], screwdrivers, sealant dispenser, snips [hand operated tools], tool belts, apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, apparatus for recording, transmission or reproduction of sound or images, magnetic data carriers, recording discs, compact discs, DVDs and other digital recording media, cash registers, calculating machines, data processing equipment, computers, computer software, fire-extinguishing apparatus, illuminated signs, parts and fittings for the aforesaid goods, renewable energy apparatus and equipment in the form of energy collection and generation equipment powered by natural resources such as biomass, biofuels, sunlight, water, wind, rain, tides and geothermal heat, electrical controls and meters, parts and fittings for all the aforesaid, safety clothing for protection against accident or injury, extension leads [electric], eye protection wear, protective face masks for use in the building and construction industry, levelling instruments, levels, lighting, electric locks, measuring tapes, ear defenders, apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, air conditioning apparatus, electric kettles, gas and electric cookers, vehicle lights and vehicle air conditioning units, electrical light fittings and apparatus, parts and fittings for the aforesaid goods, renewable energy apparatus and equipment in the form of energy collection and generation equipment powered by natural resources such as biomass, biofuels, sunlight, water, wind, rain, tides and geothermal heat, aerators for faucets [plumbing fittings], faucet filters [plumbing fittings], manually-operated plumbing valves, sink sprayers [plumbing fittings], spouts [plumbing fittings], tub control valves [plumbing fittings], valves [plumbing fittings], apparatus for lighting, bulbs for lighting, display lighting, electric apparatus for lighting, electric lighting, electric lighting apparatus, electric lighting fixtures, electrical lighting fixtures, lighting, lighting fittings, lighting apparatus, parts and fittings for all the aforesaid, none of the aforesaid goods relating to solar installations, none of the aforesaid goods relating to solar-powered street lighting, printed matter, bookbinding material, photographs, stationery, adhesives for stationery or household purposes, artists' materials, paint brushes, typewriters and office requisites (except furniture), instructional and teaching material (except apparatus), plastic materials for packaging (not included in other classes), printers' type, printing blocks, promotional materials, graphics, waterproofing film (plastic) for wrapping, waterproofing film (plastic-) for packaging, charts, rubber, gutta-percha, gum, asbestos, mica, plastics in extruded form for use in manufacture, semi-finished plastics materials for use in further manufacture, stopping and insulating materials, flexible non-metallic pipes, building insulation, building insulation products and materials, adhesive materials, pads and strips, adhesive fabric for use in construction, tapes for insulation purposes and for use in the building industry, sealants, packing, stopping and insulating materials, plastic mouldings, plastic extrusions, roof insulation (insulating

material), in particular insulation for high pitched roofs, flat roofs, namely insulating materials, insulating materials, packing, stopping and insulating materials, flexible pipes, not of metal, building insulation products and materials, wall insulation products, insulation material for roofing, insulation sheets for roofing, sound control flooring underlayment, under flooring sheets of rubber, sealants for joints, insulating matting, fibres for reinforcement, waterproofing film (plastic-) [other than for wrapping], waterproofing film (plastic-) [other than for packaging], insulating materials made of plastics, insulating materials of plastics, insulating materials produced from plastics, insulation materials of plastics, plastic seals, plastic sheeting for preventing weed growth, plastics insulating materials, plastics in extruded form for use in manufacture, thermal insulating material of plastics, polymer fibres for use in concrete, composite panels having insulating properties, expansion joints for use in wall constructions, insulating paints for walls, insulators made of fibre cement, pipe support sleeves [rubber], fabrics for insulation, heat resistant fabrics [insulation], insulation for building purposes, pre-formed insulation components, rubber for electrical insulation, thermal insulation material, rubber for sound insulation, rubber for heat insulation, insulation sheets, metal foils for insulation, insulation for building purposes, insulation material for roofing, insulation materials of plastics, foam for use as heat insulation, foam for use in sound insulation, fabrics for insulation, fiberglass insulation, non-metallic building materials, non-metallic rigid pipes for building, asphalt, pitch and bitumen, non-metallic transportable buildings, non-metallic monuments, non-metallic framed conservatories, doors and windows, non-metallic building materials, geotextiles, non-metallic waterproofing materials, bricks, natural and artificial stone, cement, lime, mortar, whitening, plaster, gravel, asphalt, pitch, bitumen and preparations made from these materials (other than paints) for use in building and construction, non-metallic boards for use in buildings, wall boards, boards for use in building and construction, non-metallic plugs, cement, building materials made of plaster, plaster and plaster compositions for use in building construction, non-metallic partitioning and non-metallic partitioning materials, non-metallic partitions, parts, fittings and accessories for all the aforesaid goods, but not including pipes, tubes, couplings, joints for all the aforesaid goods, non-metallic mouldings, timber mouldings, non-metallic extrusions, blinds not of metal or textile, blinds of wood, blinds of plastic, non-metallic partitions, non-metallic partition installations, non-metallic ceiling installations, non-metallic ceiling panels, non-metallic wall claddings, non-metallic wall panels, timber wall panels, non-metallic doors, timber doors, non-metallic glazing units, non-metallic glazing panels, glass for use in buildings, printed glass for use in buildings, routed glass for use in buildings, etched glass for use in buildings, architectural glass elements, architectural glass installations, decorative glass elements, decorative glass installations, non-metallic exhibition stands, signs not of metal, signs of wood, signs of plastic, flat roofs, not of metal, in particular flat sealings, namely bitumen webs, liquid sealings, plastic sealings, flat roof fittings, not of metal, in particular dome lights and fittings, roof edging systems, covers for terraces, wood, namely construction timber, lumber, profiled wood, boards of wood, facades, not of metal, in particular facade claddings, including slate, fibre cement, hardboard, plastic components, roof coverings, not of metal, in particular clay roof tiles, concrete roofing tiles, slate, fibre cement, double web panels, bitumen, roofing materials, not of metal, guttering,

not of metal, in particular gutters, down pipes, fittings, not of metal, for high pitched roofs, in particular underfloor webs, insulating membranes, attic stairs, green roofs, not of metal, building materials (non-metallic), non-metallic rigid pipes for building, asphalt, pitch and bitumen, non-metallic transportable buildings, monuments, not of metal, non-metallic building materials, doors and windows, floors, roofs and roofing materials, tiles, non-metallic waterproofing materials, bricks, natural and artificial stone, cement, lime, mortar, plaster, gravel, asphalt, pitch, bitumen and preparations made from these materials (other than paints) for use in building and construction non-metallic boards for use in buildings, wall boards, internal walls, ceilings and partitions, boards for use in building and construction, sealants, non-metallic plugs, small items of non-metallic hardware used in building and construction, cement, building materials made of plaster, plaster and plaster compositions for use in building construction, non-metallic partitioning and non-metallic partitioning materials, non-metallic partitions, non-metallic roofing materials, non-metallic building materials having insulation properties, PVCU roofing products, fascias, guttering, down pipes, cladding, internal partitioning made of non-metallic materials, partitioning materials (non-metallic-), blocks (non-metallic-) for use in flooring construction, ceramic tiles for flooring and facing, ceramic tiles for flooring and lining, ceramic tiles for flooring of building, flooring made of wood, flooring materials (non-metallic-), flooring (non-metallic-), flooring tiles (non-metallic-), hardwood flooring, synthetic flooring materials or wall-claddings, tile floorings, not of metal, wooden flooring, fillers for repairing walls, rendering compositions for use in building, rendering compositions for use in construction, renderings, erosion control fabric, mats and sheeting, not of metal [geotextiles], fabrics for use in civil engineering (geotextiles), stabilisation fabrics [geotextiles] (non-metallic-) for use in construction, erosion control fabric [construction], erosion control fabric, mats and sheeting, not of metal [geotextiles], erosion control sheeting or fabric for construction use, tree guards (non-metallic-) [structures], paving products (non-metallic-), paving, synthetic paving composites, liners of plastic material, lawn guards (non-metallic-) [structures], non-woven fabrics for land stabilisation, non-woven fabrics for soil stabilisation, stabilisation fabrics [geotextiles] (non-metallic-) for use in construction, stabilisation fabrics (non-metallic-) for use in construction, waterproofing boards (non-metallic-), drainage installations (non-metallic-), non-woven fabrics for land drainage, venting (non-metallic-), building boards of plastics materials, building materials of plastics material, construction elements of plastic, expanded plastics for use in construction, expanded plastics for use in building, transparent plastic panels for building construction purposes, transparent plastic panels for building purposes, transparent plastic roof tiles, aggregate materials for use in concrete, concrete, building elements of concrete, building elements made of concrete, concrete building elements, concrete building materials, concrete panels, concrete piles, concrete pipes, polymer concrete, reinforced concrete, synthetic concrete, trench drains [concrete drainage structures], composite structures (non-metallic-), movable partitions [walls] of non-metallic materials, moveable walls made of non-metallic materials, cladding panels (non-metallic-) for walls, wall panels (non-metallic-), wall panels not of metal, wall boards, plastic wallboards, fibre cement, spacers being building elements made of fibre reinforced cement, adhesive mortar for building purposes, levelling preparations [cement or mortar],

ties (non-metallic-) for use in building, ties (non-metallic-) for retaining insulation between the internal and external walls of buildings, non-metallic ceiling tiles having sound insulation properties, insulation glass for building, parts and fittings for the aforesaid goods, furniture, mirrors, picture frames, articles made of wood, cork, reed, cane, wicker, horn, bone, ivory, whalebone, shell, amber, mother-of-pearl, meerscham or plastic which are not included in other classes, namely furniture, domestic furniture, bathroom furniture, household furniture and furnishing containers, garden furniture, pillows and cushions, screws (not of metal), fasteners, nails and fixing nails not of metal, office furniture, chairs, desks, counters, screens, tables, display boards, stands, shelves, cabinets, filing cabinets, parts and fittings for the aforesaid goods, non-metallic nuts [fasteners], nuts [fasteners], not of metal, non-metallic fabrics for the reinforcement of roofs, reinforcement rods, not of metal, structural reinforcement (non-metallic-) for construction purposes, rivets made of plastics materials, plastics wall plugs, cable ties, cable trays of non-metallic materials [other than electric], fixing bolts, not of metal, fixing nails, not of metal, fixing plugs, not of metal, door fittings, not of metal, hinges, not of metal, padlocks, not of metal, pins, not of metal, pipe support sleeves [plastic], plastics wall plugs, toggle bolts (non-metallic-), fixings, not of metal for building; installation services all relating to metal building materials, transportable buildings of metal, materials of metal for railway tracks, non-electric cables and wires of common metal, ironmongery, small items of metal hardware, pipes and tubes of metal, safes, metallic windows and doors, metallic framed conservatories, metallic building materials, anchors, steel and steel masonry supports, ironmongery, boards of metal for use in building and construction, metal fixings for use in the building and construction industry, screws of metal, fasteners, wall boards, adhesive strips, studs, clips, beads for use in construction and building, metallic partitioning and metallic partitioning materials, metallic partitions, small items of metallic hardware, fittings of metal for buildings, door fittings and door stops of metal, window fittings and window stops of metal, metal mouldings, metal extrusions, metal blinds, partitions of metal, partition installations of metal, metal doors, ceiling installations of metal, ceiling panels of metal, wall claddings of metal, wall panels of metal, metal glazing units, metal glazing panels, signs of metal, exhibition stands of metal, roof coverings of metal, in particular standing seams, sheet sections with trapezoidal corrugations and sandwich elements, roofing sheets and roofing panels, flat roofs of metal, in particular metal coverings, facades of metal, in particular facade claddings, roofing materials of metal, guttering of metal, in particular gutters, down pipes, fittings of metal for high pitched roofs, in particular underfloor webs, insulating membranes, snow trap systems, access systems, attic stairs, metal building materials, transportable buildings of metal, materials of metal for railway tracks, metallic roofing materials, down pipes of metal, cladding made of metal, partitioning of metal [other than furniture], wall coverings made of metal for constructing walls, metal flooring, tile floorings of metal, fasteners of common metal, metal bolts [fasteners], screws [fasteners], metal anchors, screw bolts of metal, screws [fasteners], nails, nails of metal, rivets, cramps and nails of metal, metal wheel clamps, metal reinforcement materials for building, reinforcement materials (metal-) for building, venting of metal, roofing membranes of metal, damp proof membranes (non-metallic-), dividing wall panels of metal, dividing walls of metal, interior wall cladding of metal, internal wall cladding of metal, metal expansion

joints for floors and walls, metal panels for walls, metal wall claddings, metal wall linings, wall plugs of metal, wall ties of metal, brackets of metal for building, metal brackets, cable trays of metal [other than electric], fixing devices of metal, metal security lock cylinders, buildings (fittings of metal for -), brackets of metal for building, metal hardware for buildings, metal goods for use in building, fittings of metal for building, linings of metal for building purposes, metal trim for buildings, door closers, non-electric, door fittings of metal, clad steel plates and sheets, metal hinges, cable clips of metal, pipes (clips of metal for -), clips of metal, metal cable-clamps, joist clamps of metal, metal ladders, metal guard, locks of metal, metal cylinders, screw bolts of metal, metal tapes, fixing plates of metal, metal ties, padlocks, pins of metal, shims, chains of metal, boxes for storage purposes [metal], staples for construction use, rods of metal, screwed rods of metal, anchor bolts of metal, bolts of metal, clips (cable and pipe-) of metal, metal hangers, metal profiles for thermal insulation purposes, machine tools, motors and engines (except for land vehicles), machine coupling and transmission components (except for land vehicles), agricultural implements other than hand-operated, automatic vending machines, wind turbines, electric power tools for use in relation to roofing and roofing materials, parts and fittings for all the aforesaid goods, but not including hydraulic or pneumatic tools, electric power tools, abrasive instruments [machines], abrasive instruments [tools for machines], abrasive tools being parts of machines, abrasive wheels being parts for machines, power-operated abrasive wheels, work clamps for machine tools, electrically powered hand tools, power operated tools, power tools, powered tools, power-operated nailing guns, chucks [parts of machine], drill chucks for power drills, blades [machine parts], power saw blades, door closers, electric, drilling bits [parts of machines], hot adhesive guns, electric generators, electric glue guns, metal sawing machines, machine tools for sawing, power-operated saws, jigsaw blades [parts for machines], machine knives, knives, electric, electric hammers, screw milling cutters [machines], screw milling cutters [parts of machines], routers [machines], screwdriver bits for machines, snips [machines], power staplers, hand tools and hand operated implements, hand operated tools, parts and fittings for all the aforesaid goods, abrasive grinding wheels [hand-operated tools], abrasive grinding wheels [parts of hand operated tools], blades for hand saws, guns [hand tools], hand saws, jigsaw blades [parts for hand-operated tools], hammers, screw-thread cutters [hand tools], routers [hand-operated tools], screwdrivers, sealant dispenser, snips [hand operated tools], tool belts, apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, apparatus for recording, transmission or reproduction of sound or images, magnetic data carriers, recording discs, compact discs, DVDs and other digital recording media, cash registers, calculating machines, data processing equipment, computers, computer software, fire-extinguishing apparatus, illuminated signs, parts and fittings for the aforesaid goods, renewable energy apparatus and equipment in the form of energy collection and generation equipment powered by natural resources such as biomass, biofuels, sunlight, water, wind, rain, tides and geothermal heat, electrical controls and meters, parts and fittings for all the aforesaid, safety clothing for protection against accident or injury, extension leads [electric], eye protection wear, protective face masks for use in the building and construction industry, levelling instruments, levels, lighting, electric locks, measuring tapes, ear defenders, apparatus for lighting,

heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, air conditioning apparatus, electric kettles, gas and electric cookers, vehicle lights and vehicle air conditioning units, electrical light fittings and apparatus, parts and fittings for the aforesaid goods, renewable energy apparatus and equipment in the form of energy collection and generation equipment powered by natural resources such as biomass, biofuels, sunlight, water, wind, rain, tides and geothermal heat, aerators for faucets [plumbing fittings], faucet filters [plumbing fittings], manually-operated plumbing valves, sink sprayers [plumbing fittings], spouts [plumbing fittings], tub control valves [plumbing fittings], valves [plumbing fittings], apparatus for lighting, bulbs for lighting, display lighting, electric apparatus for lighting, electric lighting, electric lighting apparatus, electric lighting fixtures, electrical lighting fixtures, lighting, lighting fittings, lighting apparatus, parts and fittings for all the aforesaid, none of the aforesaid goods relating to solar installations, none of the aforesaid goods relating to solar-powered street lighting, printed matter, bookbinding material, photographs, stationery, adhesives for stationery or household purposes, artists' materials, paint brushes, typewriters and office requisites (except furniture), instructional and teaching material (except apparatus), plastic materials for packaging (not included in other classes), printers' type, printing blocks, promotional materials, graphics, waterproofing film (plastic) for wrapping, waterproofing film (plastic-) for packaging, charts, rubber, gutta-percha, gum, asbestos, mica, plastics in extruded form for use in manufacture, semi-finished plastics materials for use in further manufacture, stopping and insulating materials, flexible non-metallic pipes, building insulation, building insulation products and materials, adhesive materials, pads and strips, adhesive fabric for use in construction, tapes for insulation purposes and for use in the building industry, sealants, packing, stopping and insulating materials, plastic mouldings, plastic extrusions, roof insulation (insulating material), in particular insulation for high pitched roofs, flat roofs, namely insulating materials, insulating materials, packing, stopping and insulating materials, flexible pipes, not of metal, building insulation products and materials, wall insulation products, insulation material for roofing, insulation sheets for roofing, sound control flooring underlayment, under flooring sheets of rubber, sealants for joints, insulating matting, fibres for reinforcement, waterproofing film (plastic-) [other than for wrapping], waterproofing film (plastic-) [other than for packaging], insulating materials made of plastics, insulating materials of plastics, insulating materials produced from plastics, insulation materials of plastics, plastic seals, plastic sheeting for preventing weed growth, plastics insulating materials, plastics in extruded form for use in manufacture, thermal insulating material of plastics, polymer fibres for use in concrete, composite panels having insulating properties, expansion joints for use in wall constructions, insulating paints for walls, insulators made of fibre cement, pipe support sleeves [rubber], fabrics for insulation, heat resistant fabrics [insulation], insulation for building purposes, pre-formed insulation components, rubber for electrical insulation, thermal insulation material, rubber for sound insulation, rubber for heat insulation, insulation sheets, metal foils for insulation, insulation for building purposes, insulation material for roofing, insulation materials of plastics, foam for use as heat insulation, foam for use in sound insulation, fabrics for insulation, fiberglass insulation, non-metallic building materials, non-metallic rigid pipes for building, asphalt, pitch and bitumen,

non-metallic transportable buildings, non-metallic monuments, non-metallic framed conservatories, doors and windows, non-metallic building materials, geotextiles, non-metallic waterproofing materials, bricks, natural and artificial stone, cement, lime, mortar, whiting, plaster, gravel, asphalt, pitch, bitumen and preparations made from these materials (other than paints) for use in building and construction, non-metallic boards for use in buildings, wall boards, boards for use in building and construction, non-metallic plugs, cement, building materials made of plaster, plaster and plaster compositions for use in building construction, non-metallic partitioning and non-metallic partitioning materials, non-metallic partitions, parts, fittings and accessories for all the aforesaid goods, but not including pipes, tubes, couplings, joints for all the aforesaid goods, non-metallic mouldings, timber mouldings, non-metallic extrusions, blinds not of metal or textile, blinds of wood, blinds of plastic, non-metallic partitions, non-metallic partition installations, non-metallic ceiling installations, non-metallic ceiling panels, non-metallic wall claddings, non-metallic wall panels, timber wall panels, non-metallic doors, timber doors, non-metallic glazing units, non-metallic glazing panels, glass for use in buildings, printed glass for use in buildings, routed glass for use in buildings, etched glass for use in buildings, architectural glass elements, architectural glass installations, decorative glass elements, decorative glass installations, non-metallic exhibition stands, signs not of metal, signs of wood, signs of plastic, flat roofs, not of metal, in particular flat sealings, namely bitumen webs, liquid sealings, plastic sealings, flat roof fittings, not of metal, in particular dome lights and fittings, roof edging systems, covers for terraces, wood, namely construction timber, lumber, profiled wood, boards of wood, facades, not of metal, in particular facade claddings, including slate, fibre cement, hardboard, plastic components, roof coverings, not of metal, in particular clay roof tiles, concrete roofing tiles, slate, fibre cement, double web panels, bitumen, roofing materials, not of metal, guttering, not of metal, in particular gutters, down pipes, fittings, not of metal, for high pitched roofs, in particular underfloor webs, insulating membranes, attic stairs, green roofs, not of metal, building materials (non-metallic), non-metallic rigid pipes for building, asphalt, pitch and bitumen, non-metallic transportable buildings, monuments, not of metal, non-metallic building materials, doors and windows, floors, roofs and roofing materials, tiles, non-metallic waterproofing materials, bricks, natural and artificial stone, cement, lime, mortar, plaster, gravel, asphalt, pitch, bitumen and preparations made from these materials (other than paints) for use in building and construction non-metallic boards for use in buildings, wall boards, internal walls, ceilings and partitions, boards for use in building and construction, sealants, non-metallic plugs, small items of non-metallic hardware used in building and construction, cement, building materials made of plaster, plaster and plaster compositions for use in building construction, non-metallic partitioning and non-metallic partitioning materials, non-metallic partitions, non-metallic roofing materials, non-metallic building materials having insulation properties, PVCU roofing products, fascias, guttering, down pipes, cladding, internal partitioning made of non-metallic materials, partitioning materials (non-metallic-), blocks (non-metallic-) for use in flooring construction, ceramic tiles for flooring and facing, ceramic tiles for flooring and lining, ceramic tiles for flooring of building, flooring made of wood, flooring materials (non-metallic-), flooring (non-metallic-), flooring tiles (non-metallic-), hardwood

flooring, synthetic flooring materials or wall-claddings, tile floorings, not of metal, wooden flooring, fillers for repairing walls, rendering compositions for use in building, rendering compositions for use in construction, renderings, erosion control fabric, mats and sheeting, not of metal [geotextiles], fabrics for use in civil engineering (geotextiles), stabilisation fabrics [geotextiles] (non-metallic-) for use in construction, erosion control fabric [construction], erosion control fabric, mats and sheeting, not of metal [geotextiles], erosion control sheeting or fabric for construction use, tree guards (non-metallic-) [structures], paving products (non-metallic-), paving, synthetic paving composites, liners of plastic material, lawn guards (non-metallic-) [structures], non-woven fabrics for land stabilisation, non-woven fabrics for soil stabilisation, stabilisation fabrics [geotextiles] (non-metallic-) for use in construction, stabilisation fabrics (non-metallic-) for use in construction, waterproofing boards (non-metallic-), drainage installations (non-metallic-), non-woven fabrics for land drainage, venting (non-metallic-), building boards of plastics materials, building materials of plastics material, construction elements of plastic, expanded plastics for use in construction, expanded plastics for use in building, transparent plastic panels for building construction purposes, transparent plastic panels for building purposes, transparent plastic roof tiles, aggregate materials for use in concrete, concrete, building elements of concrete, building elements made of concrete, concrete building elements, concrete building materials, concrete panels, concrete piles, concrete pipes, polymer concrete, reinforced concrete, synthetic concrete, trench drains [concrete drainage structures], composite structures (non-metallic-), movable partitions [walls] of non-metallic materials, moveable walls made of non-metallic materials, cladding panels (non-metallic-) for walls, wall panels (non-metallic-), wall panels not of metal, wall boards, plastic wallboards, fibre cement, spacers being building elements made of fibre reinforced cement, adhesive mortar for building purposes, levelling preparations [cement or mortar], ties (non-metallic-) for use in building, ties (non-metallic-) for retaining insulation between the internal and external walls of buildings, non-metallic ceiling tiles having sound insulation properties, insulation glass for building, parts and fittings for the aforesaid goods, furniture, mirrors, picture frames, articles made of wood, cork, reed, cane, wicker, horn, bone, ivory, whalebone, shell, amber, mother-of-pearl, meerscham or plastic which are not included in other classes, namely furniture, domestic furniture, bathroom furniture, household furniture and furnishing containers, garden furniture, pillows and cushions, screws (not of metal), fasteners, nails and fixing nails not of metal, office furniture, chairs, desks, counters, screens, tables, display boards, stands, shelves, cabinets, filing cabinets, parts and fittings for the aforesaid goods, non-metallic nuts [fasteners], nuts [fasteners], not of metal, non-metallic fabrics for the reinforcement of roofs, reinforcement rods, not of metal, structural reinforcement (non-metallic-) for construction purposes, rivets made of plastics materials, plastics wall plugs, cable ties, cable trays of non-metallic materials [other than electric], fixing bolts, not of metal, fixing nails, not of metal, fixing plugs, not of metal, door fittings, not of metal, hinges, not of metal, padlocks, not of metal, pins, not of metal, pipe support sleeves [plastic], plastics wall plugs, toggle bolts (non-metallic-), fixings, not of metal for building; installation, maintenance and repair of computer hardware; painting and decorating; cleaning services; construction and building services; repair of concrete and concrete structures; installation of partitions, dry walls and dry lining systems;

advisory, consultancy and information services relating to all the aforesaid; none of the aforesaid services relating to autoclaved aerated concrete, aerated concrete, foamed concrete or building materials made of autoclaved aerated concrete, aerated concrete, and foamed concrete, or building elements made of autoclaved aerated concrete, aerated concrete, and foamed concrete.

UK00004318269 (2026/003, 16 January 2026)

Specifications have been restricted as follows:

Class 16:

Containers of paper for packaging; Packaging containers of paper; Gift packaging; Cardboard packaging; Paperboard trays for packaging food; Containers of cardboard for packaging; Cartons of card for packaging; Packaging cartons of card; Containers of card for packaging; Packaging containers of card; Cartons of cardboard for packaging; Packaging cartons of cardboard; Packaging wrappers of plastic; Packaging boxes of paper; Industrial packaging containers of paper; Paper pouches for packaging; Packaging boxes of cardboard; Containers of paper for packaging purposes; Paper bags for packaging; Packaging bags of paper; Polythene films for wrapping or packaging; Packaging boxes of card; Packaging materials; Paperboard boxes [for industrial packaging]; Paperboard boxes for industrial packaging; Airtight packaging of paper; Plastic bags for packaging; Paper take-out cartons for food; Paper envelopes for packaging; Plastic films for wrapping and packaging; Plastic bags for wrapping and packaging; Plastic film for packaging; Packaging materials of plastic for sandwiches; Airtight packaging of cardboard; Plastic foil for packaging; Plastic films for packaging; Printed recipes sold as a component of food packaging; Bags of bubble plastics for packaging; Plastic materials for packaging; Plastic film roll stock for packaging food; Foils of plastic for packaging; Bags [envelopes, pouches] of paper or plastics, for packaging; Bubble packs (Plastic -) for wrapping or packaging; Plastic bubble packs for wrapping or packaging; Bubble packs for packaging; Bags made of paper for packaging; Lining papers for packaging; Plastic bubble packs for packaging; Bags and articles for packaging, wrapping and storage of paper, cardboard or plastics; Bags made of plastics for packaging; Bags incorporating bubble plastics for packaging; Plastic material for packaging; Bags for packaging made of biodegradable paper; String dispensers for use in packaging; Plastic blister packs for packaging; Rolls of plastic film for packaging; Blister packs for packaging; Plastic sheets for wrapping and packaging; Plastic film roll stock for packaging pharmaceuticals; Adhesive plastic film for packaging; Plastic bags for packaging ice; Plastic sheets for packaging; Packaging materials made of cardboard; Food wrappers; Absorbent pads of paper and cellulose for use in food packaging; Biodegradable paper pulp-based to-go containers for food; Food wrapping plastic film; Food wrapping plastic film for household use; Food bags of paper or plastics; Plastic food storage bags for household use; Bags for packaging made of biodegradable plastic; Packaging materials made of recycled paper; Printed packaging materials of paper; Waterproofing film (Plastic -) for packaging; Absorbent sheets of paper or plastic for foodstuff packaging; Cling film plastics for packaging; Food waste bags of biodegradable plastic for household use.

Class 21:

Household or kitchen containers; Household or kitchen utensils; Containers for household or kitchen use; Household utensils;

Kitchen containers; Dishes [household utensils]; Kitchen utensils; Household containers; Tableware, cookware and containers; Plastic bowls [household containers]; Kitchen utensils of silicon; Utensils for household purposes; Disposable lids for household containers; Containers for household use; Cooking utensils; Trash containers for household use; Trays [household]; Household containers for storing pet food; Containers for ice, for household purposes; Cooking utensils, non-electric; Cooking utensils for use with domestic barbecues; Household utensils for cleaning, brushes and brush-making materials; All-purpose portable household containers; Cooking utensils for barbecue use; Baking utensils; Disposable aluminium foil containers for household purposes; Disposable aluminium foil containers for household purposes; Foil food containers; Plastic containers for dispensing food to pets; Food storage containers; Thermal insulated containers for food or beverage; Thermal insulated containers for food or beverages; Industrial packaging containers of glass; Industrial packaging containers of porcelain; Thermal insulated bags for food or beverages; Glass lids for industrial packaging containers.

Class 35:

Provision of online business and commercial information not in connection with advertising and marketing services or management of customer loyalty incentive or promotional schemes; business management of wholesale outlets; business administration services for processing sales made on the Internet not in connection with advertising and marketing services or management of customer loyalty incentive or promotional schemes; online ordering services business management of wholesale and retail outlets; business organisation not in connection with advertising and marketing services or management of customer loyalty incentive or promotional schemes; retail services relating to bakery products; retail services in relation to bakery products; retail services in relation to homeware; retail services relating to food; retail services in relation to cookware; retail services in relation to foodstuffs; retail services in relation to tableware; retail services in relation to cookware; wholesale services in relation to cutlery; wholesale services in relation to baked goods; retail services in relation to cutlery; retail services in relation to cups and glasses.

UK00004291055 (2026/003, 16 January 2026)

Specifications have been restricted as follows:

Class 41:

Conducting of educational events; organisation of conferences, exhibitions and competitions. None of the aforesaid relating to economic information and consulting services.

UK00004307121 (2026/003, 16 January 2026)

Specifications have been restricted as follows:

Class 9:

Software using artificial intelligence for collecting, analysing and visualising data and for generating analytical and research reports; Reporting software; Artificial intelligence-based software for generating reports on consumer buying habits and needs; Downloadable electronic reports; Downloadable electronic reports relating to consumer buying habits and needs; none of the aforementioned products being video games, online gaming infrastructure and esports.
