Household or kitchen utensils and containers; Combs and sponges; Brushes [except paintbrushes]; Brush-making materials; Articles for cleaning purposes; Unworked or semi-worked glass, except building glass; Glassware, porcelain and earthenware; Abrasive pads; Abrasive pads for kitchen or domestic purposes; Abrasive pads for kitchen purposes; Air fragrancing apparatus; Aerosol dispensers, not for medical purposes; All-purpose portable household containers; Aluminium bakeware; Aluminium cookware; Aluminum water bottles; Aluminum water bottles, empty; Animal activated animal feeders; Animal traps; Ant habitats; Applicators for cosmetics; Aquariums; Aquarium ornaments; Art objects of glass; Artificial nest eggs; Artworks of glass; Babies' potties; Baby bath tubs; Baby baths; Baby baths, portable; Baby bathtubs; Back scratchers; Bakers' tinware; Bakeware; Bakeware [not toys]; Baking dishes; Baking mats; Baking tins; Baking sheets of common metal; Baking trays made of aluminium; Baking utensils; Barbecue mitts; Basins; Baskets for household purposes; waste paper baskets; laundry baskets; Bath brushes; Bath sponges; Basting spoons; Basting brushes; Baskets for domestic use; Baths (Baby -), portable; Bathtub brushes; Beaters, non-electric; Battery operated lint removers; Beaters (Carpet -), not being machines; Beer mugs; Bins (Dust -); Bins for household refuse; Bird baths; Bird cages; Bird feeders; Birdcages; Biscuit cutters; Bird feeders for feeding caged birds; Body sponges; Blacking brushes; Boot brushes; Bone china tableware [other than cutlery]; Bottles; Bottle stands; Bowls; Bouquet holders; Bottles (Refrigerating -); Bottles for pharmaceuticals sold empty; Bowls [basins]; Bowls for candy; Bowls (Glass -); Bowls for sugar candy; Bowls for plants; Bowls for nuts; Bowls for floral decorations; Boxes of glass; Bread baskets; Bread bins; Bread boards; Bread baskets, domestic; Boxes (Soap -); Brooms; Brush goods; Brooms for cleaning purposes; Brush holders; Brush-making (Material for -); Brushes; Brush-making materials; Brush making materials; Brushes for cleaning; Brushes for basting meat; Brushes for footwear; Brushes for grooming horses; Brushes for pets; Buckets; Buckets for household use; Buckets for industrial use; Brushes for household purposes; Cabarets [trays]; Cages for household pets; Cages for pets; Cake brushes; Cages of metal for domestic use; Cake pans; Cake servers; Cake stands; Cake moulds; Cake molds of common metal; Cake molds [moulds]; Camping grills; Candle holders; Candle extinguishers of precious metal; Candle extinguishers, not of precious metal; Candle extinguishers; Candle rings; Candy boxes; Candy dishes; Canister sets; Car washing mitts; Candlesticks; Candle sticks; Carpet rakes; Cardboard cups; Carboys; Carafes; Carpet sweepers; Carpet sweepers [non-electric]; Carpet sweepers (Non-electric -); Carving boards; Carving boards for kitchen use; Cases (Comb -); Casseroles [dishes]; Cases for toiletry articles; Cat litter boxes; Cat litter pans; Ceramic mugs; Ceramic ornaments; Ceramic tableware; Cheese boards; China mugs; China ornaments; Chinaware; Chip pan baskets; Chip pans (Non-electric -); Chopsticks; Chopstick cases; Chopstick rests; Chopping boards for kitchen use; Cleaning articles; Cleaning brushes for sports equipment; Cleaning cloth; Cleaning cloths; Cleaning cotton; Cleaning combs; Cleaning cloths for camera lenses; Cleaning pads; Cleaning rags; Clothes horses; Clothes drying racks [not heated]; Clothes drying racks; Clothes drying hangers specially designed for specialty clothing; Clothes drying hangers; Clothes brushes; Clothes airers [clothes horse]; Cloth for washing floors; Closures for pot lids; Clothes-pegs; Clothes pegs [clothes pins]; Clothes-pins; Clothes racks, for drying; Coal scuttles; Cloths for wiping spectacles; Cloths for wiping tableware; Coal buckets for household use; Cocktail picks; Coasters (tableware); Coasters, not of paper and other than table linen; Coffee cups; Coffee brewers (Non-electric -); Coffee filters, non-electric; Coffee grinders; Coffee mills (Hand operated -); Coffee grinders, hand-operated; Coffee mugs; Coffee pots; Coffee pots [non-electric]; Coffee scoops; Colanders; Coin banks, not of metal; Coin banks, not of precious metal; Coffee services of ceramic; Combs; Common sheet glass [not for building]; Compost containers for household use; Compostable bowls; Compostable cups; Compostable plates; Compostable trays; Compostable trays for domestic purposes; Containers for beverages; Containers for bird food; Containers for cosmetics; Containers for household use; Containers for household or kitchen use; Containers for ice; Cooking pans; Cooking graters; Cooking funnels; Cookie sheets; Cookie jars; Cooking pots; Cooking pot sets; Cooking pins of metal; Cooking pans [non-electric]; Cookware [pots and pans]; Cookware; Cooking utensils; Cooking strainers; Cooking utensils for use with domestic barbecues; Cooking utensils, non-electric; Cooking skewers of metal; Cooking skewers, not of metal; Cooking skewers; Cups and mugs; Cups; Cup holders; Cupcake molds; Cutlery trays; Cutting boards; Cutlery rests; Dish brushes; Dish stands; Dish drainers; Dish

drying racks; Dishware; Dishwashing brushes; Dispensers for detergents; Dispensers for liquid soap; Dispensers for paper hand towels; Dispensers for paper towels; Dispensers for toilet paper; Dispensers (Soap -); Draining trays; Drinking cups; Drinking bottles for sports; Drinking flasks; Drinking goblets; Drinking glasses; Dust bins; Dust-pans; Dust gloves; Dustbins; Dusters; Drying racks for laundry; Drying racks for clothes; Drying boards for washed, starched and then stretched pieces of kimono (hari-ita); Drying racks for washing; Feeding cups; Feeding cups for children; Fitted toilet bags; Fireproof dishes; Floor vases; Flower baskets; Fly traps; Footwear (Brushes for -); Frying pans; Funnels; Furniture dusters; Fused quartz; Garbage cans; Garbage pails; Garden hose sprayers; Garden hose spray nozzles; Graters for household purposes; Graters; Graters for household use; Graters for kitchen use; Griddles [cooking utensils]; Griddles [non-electric]; Griddles [non-electric cooking utensils]; Grinders (Non-electric -); Hand-operated coffee grinders; Hand-operated food grinders; Hand-operated pepper grinders; Hand-operated pepper mills; Hand-operated ski brushes; Hand-operated spice mills; Holders for toilet paper; Holders for shaving brushes; Holders for plants; Holders for flowers; Holders for carving boards; Holders for tumblers; Holders for toothbrushes; Holders (Toilet paper -); Ice buckets; Ice cube trays; Ice cube molds; Indoor aquariums; Incense pots; Incense burners; Ironing boards; Ironing board covers, shaped; Ironing board covers; Kettles [non-electric]; Kettles, non-electric; Kitchen jars; Kitchen mitts; Kitchen cutting boards; Kitchen utensils; Knife rests; Knife boards; Knife blocks; Kitchen utensils, not of precious metal; Lavatory brush stands; Laundry drying racks; Laundry baskets for household purposes; Laundry baskets; Lavatory brushes; Lint rollers; Lint brushes; Liquid soap dispensers; Liquid soap holders; Litter baskets; Litter bins; Litter bins of metal; Litter trays; Litter trays for birds; Litter trays for pet animals; Litter trays for pets; Lunchboxes; Metal pans; Metal coin banks; Muffin tins; Mouse traps; Mug racks; Mug trees; Mugs; Nozzles for watering cans; Ornamental figurines made of porcelain; Ornamental figurines made of glass; Painted glassware; Pancake frying pans; Pans (Frying -); Paper baking cups; Paper cups; Paper plates; Pedal bins; Pedal bins [dustbins]; Pepper grinders; Pepper mills; Pie pans; Pie tins; Planters of clay; Planters of glass; Planters of plastic; Plastic bag holders for household use; Plastic bath racks [caddies]; Plastic bathtubs for children; Plastic bins [dustbins]; Plastic bottles; Plastic bowls [basins]; Plastic bowls [household containers]; Plastic buckets; Plates; Portable coolers; Pot lids; Pot plant support sticks; Potato ricers; Pot stands; Pots; Pots (Flower -); Pottery; Potties; Rags for cleaning; Rails and rings for towels; Rails for towels, not of precious metal; Racks for drying clothes; Racks for airing clothes; Refuse bins; Rat traps; Saucers; Saucer lights with snuffers; Saucepans (Earthenware -); Saucepans; Sandwich boxes; Salt mills; Salt mills [hand operated]; Salt shakers; Serving platters; Serving dishes; Serving bowls; Serving trays; Serving pots; Skillets; Soap dishes; Soap containers; Soap brackets; Soap boxes; Soap dispensers; Soap holders; Soup bowls; Spice grinders (Non-electric -); Spice jars; Spice racks; Spice sets; Sponge holders; Sponges; Sprinklers; Statues, figurines, plaques and works of art, made of materials such as porcelain, terra-cotta or glass, included in the class; Statues made of earthenware; Statues of china; Statues of crystal; Statues of earthenware; Statues of glass; Steel wool; Stew-pans; Stirrers; Stirrers (Drink -); Tableware; Table plates; Tableware, cookware and containers; Tea canisters; Tea cups; Tableware, other than knives, forks and spoons; Tea filters; Tea infusers; Tea infusers not of precious metal; Tea infusers of precious metal; Tea kettles [non-electric]; Tea pots; Tea makers [non-electric]; Teapots; Teapot stands; Tealight holders; Tempered glass [not for building]; Toilet brush holders; Toilet brush sets; Toilet cases; Toilet brushes; Toilet paper dispensers; Toilet paper holders; Toilet potties; Toilet roll dispensers; Toilet roll holders; Toilet roll stands; Toilet sponges; Toilet tissue holders; Toilet utensils; Toiletry cases; Toiletry cases [fitted]; Tooth brushes; Toothbrush bristles; Toothbrush cases; Toothbrush containers; Toothbrush holders; Toothbrushes; Toothbrushes, electric; Toothbrushes [non-electric]; Toothpick holders; Toothpick holders of precious metal; Tortilla presses; Towel bars; Towel holders; Towel racks; Towel rails and rings; Towel rails, not of precious metal; Towel rings; Towel rings, not of precious metal; Training cups for babies; Trivets; Trash cans; Traps for pests; Tub brushes; Tumblers; Tumblers [drinking vessels]; Vacuum bottles; Vacuum flasks; Vases; Wall soap dishes; Wash tubs; Washing boards; Washing brushes; Washtubs; Waste baskets; Waste bins for household use; Waste paper baskets; Wastepaper baskets; Water bottles; Watering can sprinklers; Watering cans; sprinklers for watering flowers and plants; watering devices for household and garden use namely watering cans and non-mechanical sprinklers; Woks; Wire wool; Wire cages for household pets; Wiping cloth for wiping eye glasses; Wool (Steel -) for cleaning; Wool waste for cleaning; Wringer mops; Works of art made of earthenware; Works of art made of crystal.

Class 28:
Games, toys and playthings; Gymnastic and sporting articles; Decorations for christmas trees; Video game apparatus; Inflatable swimming pools for recreational use [toys]; Party favors in the nature of small toys; Toys; Rattles [toys]; Noisemakers [toys]; Bouncing toys; Fluffy toys; Rocking toys; Puzzles [toys]; Model toys; Cloth toys; Fabric toys; Whistling toys; Whistles [toys]; Electronic toys; Sandbox toys; Pull toys; Talking toys; Push toys; Squeeze toys; Sketching toys; Punching toys; Water toys; Plastic toys; Action toys; Musical toys; Inflatable toys; Bendable toys; Bathtub toys; Bath toys; Wooden toys; Cuddly toys; Construction toys; Infant toys; Mechanical toys; Drones [toys]; Pet toys; Scooters [toys]; Plush toys; Stuffed toys; Mobiles [toys]; Battery operated toys; Toys for birds; Toys for animals; Transforming robotic toys; Electronic learning toys; Blocks (Building -) [toys]; Building bricks [toys]; Electronic activity toys; Toys for sandpits; Stuffed plush toys; Plush stuffed toys; Stuffed animals [toys]; Tops (Spinning -) [toys]; Models being toys; Remote control toys; Toys for pets; Children's toys; Radio-controlled toys; Wind-up toys; Water squirting toys; Rubber character toys; Plastic character toys; Ride-on toys; Pop up toys; Squeezable squeaking toys; Soft sculpture toys; Electronic action toys; Inflatable bath toys; Pedal-propelled wheeled toys; Toys made of rubber; Toys made of plastics; Toys made of bamboo; Toys made of wood; Clockwork toys [of plastics]; Stuffed and plush toys; Inflatable thin rubber toys; Clockwork toys [of metal]; Plug-in bricks [toys]; Remote controlled flying toys; Pinball games machines [toys]; Toys incorporating money boxes; Flying discs [toys]; Soap bubbles [toys]; Controllers for toys; Building blocks [toys]; Spinning tops [toys]; Air pistols [toys]; Percussion caps [toys]; Detonating caps [toys]; Mechanical action toys; Toys for babies; Toys for infants; Infant development toys; Electric action toys; Fantasy character toys; Toys for cats; Crib mobiles [toys]; Toys for dogs; Action figure toys; Inflatable pool toys; Lever action toys; Electronic remote controlled toys; Toys made of metal; Multi-part construction toys; Toys relating to magic; Plastic models being toys; Pistols (Caps for -) [toys]; Infants' action crib toys; Stuffed bean-filled toys; Toys for pet animals; Xylophones being musical toys; Scale model vehicles [toys]; Wind-up

walking toys; Soft sculpture plush toys; Scale model buildings [toys]; Scale model structures [toys]; Pet toys containing catnip; Scale model cars [toys]; Battery-operated action toys; Inflatable ride-on toys; Scale model kits [toys]; Caps for pistols [toys]; Toys for domestic pets; Non-motorised toys for riding; Toys adapted for educational purposes; Imitation toilet articles being toys; Play mats containing infant toys; Inflatable toys resembling air vehicles; Imitation cosmetic preparations being toys; Imitation toilet preparations being toys; Action figures [toys or playthings]; Toys sold in kit form; Toys for use in perambulators; Toys and playthings for pets; Model cars [toys or playthings]; Pet toys made of rope; Multiple activity toys for babies; Articles of clothing for toys; Toys simulating objects used by adults in day to day activity; Remote controlled toys in the form of vehicles; Plastic toys for use in the bath; Soft toys in the form of animals; Toys, games and playthings for pet animals; Soft toys in the form of elks; Inflatable toys in the form of boats; Toys in the nature of imitation foodstuffs; Toys being for sale in kit form; Play mats incorporating infant toys [playthings]; Toys and playthings for pet animals; Toys in the form of puzzles; Imitation bones being toys for dogs; Craft toys sold in kit form; Toys for use in swimming pools; Miniature car models [toys or playthings]; Christmas tree ornaments; Christmas tree [synthetic]; Christmas tree skirts; Christmas tree decorations; Christmas tree stands; Christmas trees (Artificial -); Toy Christmas trees; Artificial Christmas trees; Musical Christmas tree ornaments; Ornaments for Christmas trees; Christmas tree stand covers; Christmas trees (Ornaments for -), except illumination articles and confectionery; Christmas tree decorations [other than edible or for illumination]; Decorations and ornaments for Christmas trees; Artificial snow for Christmas trees; Candle holders for Christmas trees; Christmas trees of synthetic material; Tinsel for decorating Christmas trees; Christmas trees of synthetic materials; Snow for Christmas trees (Artificial -); Non-edible christmas tree ornaments; Decorations for Christmas trees; Bells for Christmas trees. .

Mark 2

Application for a series of 2 marks.

Class 1:
Industrial coolants; cooling liquids for industrial use; heat transfer fluids; dielectric fluids for immersion cooling systems; liquid cooling compositions for use in data centres; thermal management fluids; chemical fluids for heat transfer; chemical

preparations for cooling electronic equipment, computer hardware and data centre equipment.

Class 6:
Metal pipes and tubes for liquid cooling systems; metal piping systems for the circulation of cooling fluids and heat transfer fluids; metal manifolds for fluid distribution; metal valves for liquid cooling systems; metal pipe fittings, connectors, couplings, joints and flanges; all for use in thermal management systems, immersion cooling systems, direct liquid cooling systems, cooling systems for data centres and cooling systems for information technology equipment.

Class 9:
Scientific, measuring, testing, monitoring and inspection apparatus and instruments; temperature sensors; pressure sensors; liquid quality sensors; apparatus and instruments for monitoring the condition and performance of coolants and cooling fluids; electronic monitoring apparatus for cooling systems; testing apparatus and instruments for cooling liquids and thermal management fluids; load banks for testing electrical and thermal loads; computer hardware for monitoring and controlling cooling systems; electrical power management apparatus; downloadable software for monitoring, managing and optimising thermal management systems; downloadable software for monitoring cooling system performance; downloadable software for analysing coolant and thermal management data; downloadable software for monitoring and controlling data centre infrastructure; downloadable software for data centre infrastructure management.

Class 11:
Cooling apparatus and installations; cooling systems for data centres; liquid cooling systems for data centres; immersion cooling systems; direct liquid cooling systems; thermal management installations; heat exchangers; heat transfer apparatus; coolant circulation apparatus; coolant distribution units; liquid cooling distribution units; pumps being parts of cooling installations; cooling equipment for computer servers; cooling equipment for information technology equipment.

Class 17:
Non-metal pipes and tubes for liquid cooling systems; flexible non-metal hoses for conveying cooling fluids and heat transfer fluids; non-metal piping systems for the circulation of cooling fluids and heat transfer fluids; non-metal valves for liquid cooling systems; non-metal pipe fittings, connectors, couplings and joints; insulated pipes and hoses; all for use in thermal management systems, immersion cooling systems, direct liquid cooling systems, cooling systems for data centres and cooling systems for information technology equipment.

Class 35:
Business project management services relating to thermal management systems, cooling systems and data centre infrastructure; procurement services for others relating to thermal management equipment, cooling equipment and data centre infrastructure; business consultancy relating to the selection and procurement of thermal management solutions for data centres.

Class 37:
Installation of cooling systems; installation of thermal management systems; installation of cooling apparatus for data centres; maintenance and repair of cooling systems; maintenance and repair of thermal management equipment; servicing of cooling installations; technical support services in the nature of troubleshooting and repair of cooling systems and thermal management equipment; commissioning of cooling systems; commissioning of thermal management systems; advisory services relating to the installation, maintenance and repair of cooling systems and thermal management systems.

Class 42:
Engineering services relating to thermal management systems; engineering services relating to cooling systems; engineering services relating to data centre infrastructure; engineering design services; design and development of thermal management systems; design and development of cooling systems for data centres; testing, analysis and evaluation of cooling liquids, coolants and thermal management systems; monitoring of cooling systems for quality control purposes; technological consultancy relating to thermal management and cooling of data centres; technical consultancy relating to immersion cooling systems and liquid cooling systems; consultancy relating to data centre infrastructure management; software as a service (SaaS) featuring software for monitoring, analysing and optimising cooling systems, thermal management performance and data centre infrastructure; platform as a service (PaaS) featuring software for monitoring cooling systems and thermal management infrastructure; research and development relating to thermal management technologies; project design and engineering consultancy services relating to data centre projects.

Class 9:
Downloadable computer software for securing computer applications and computing workloads and protecting computer programs during execution; Downloadable computer software for defining, distributing, evaluating and enforcing security policies for computer programs, commands, processes, software containers and computing workloads; Downloadable computer software for controlling access by computer programs to files, networks, processes, environment variables, software dependencies and system resources; Downloadable computer software for controlling dynamic code execution and limiting the resource usage and execution time of computer programs; Downloadable computer software for isolating, sandboxing and supervising the execution of computer programs and

commands; Downloadable computer software for isolating and containing artificial intelligence agents, autonomous software agents and artificial intelligence coding assistants within security boundaries; Downloadable computer software for permitting, refusing and recording the use of software tools, requests to artificial intelligence models, file access, network access and command execution by artificial intelligence agents in accordance with security policies; Downloadable computer software for discovering, configuring and verifying the security settings of artificial intelligence agents and artificial intelligence coding assistants installed on computers; Downloadable computer software for monitoring and auditing the actions of artificial intelligence agents and of applications using large language models; Downloadable computer software for monitoring the use of artificial intelligence models and services by computer applications; Downloadable computer software enabling artificial intelligence assistants to query and manage security policies, application configuration, audit records and telemetry; Downloadable computer software for running security policies in audit mode, recording policy decisions without blocking computer operations; Downloadable computer software for generating, refining and explaining security policies based on observed program behaviour; Downloadable computer software for restricting the network egress of computer programs and artificial intelligence agents to approved destinations and preventing unauthorised data exfiltration; Downloadable computer software for inspecting, filtering and recording network connections, HTTP requests and WebSocket messages made by computer programs; Downloadable computer software for inspecting encrypted network traffic; Downloadable network proxy and gateway software for enforcing security policies on network traffic; Downloadable computer software for controlling the filesystem access and network egress of software containers; Downloadable computer software for requesting, granting and recording human approval of operations performed by computer programs and artificial intelligence agents; Downloadable computer software for securing software package installation, software dependencies and software build processes; Downloadable computer software for assessing and enforcing the security of continuous integration and continuous delivery [CI/CD] pipelines; Downloadable computer software for enforcing security policies and collecting telemetry in serverless computing functions; Downloadable computer software for recording, storing, cryptographically signing, verifying and exporting audit records, security events and evidence of computer program activity; Downloadable computer software for recording evidence of security controls for audit and regulatory compliance purposes; Downloadable computer software for collecting, processing and transmitting telemetry data, namely logs, metrics, traces and events, from computer applications, servers, containers and web browsers; Downloadable computer software for distributed tracing of computer applications; Downloadable computer software for monitoring the performance, availability, health and resource usage of computer applications, servers and containers; Downloadable computer software for observing and recording the lifecycle of processes, containers, container orchestration workloads and software deployments; Downloadable computer software for querying, analysing and visualising telemetry data and security events; Downloadable computer software for monitoring the performance, errors and content security policy violations of web applications in web browsers; Downloadable computer software for controlling and redacting personal data and sensitive data in telemetry and audit records; Downloadable computer software for managing, distributing and delivering application configuration; Downloadable computer software for managing feature flags and managing rollouts of software releases and configuration changes, namely staged rollouts, percentage-based rollouts and rollouts conditional on computer-system health checks; Downloadable computer software for delivering application configuration and security policies to container orchestration systems; Downloadable computer software for enrolling, inventorying and managing fleets of computers, servers and containers; Downloadable computer software for assessing and reporting the security posture of computers, servers and programming language runtimes; Downloadable command-line interface software for application security, policy enforcement, audit evidence, application configuration and telemetry; Downloadable software development kits [SDK] for integrating security policy enforcement, application configuration, audit evidence and telemetry functions into computer software; Downloadable computer software libraries and programming language runtime adapters for enforcing security policies and collecting telemetry within computer applications; Downloadable application programming interface [API] software for security policy management, application configuration, audit evidence and telemetry; Downloadable infrastructure-as-code software for configuring security policies, application configuration and telemetry resources; Downloadable web browser extensions for collecting telemetry and security events from web browsers and web applications; Downloadable software plug-ins for integrated development environments and code editors for managing application configuration and security policies; Downloadable computer software for authoring, testing and delivering content security policies for web applications; Downloadable computer software for web analytics and product usage analytics, namely measuring sessions, funnels, retention and engagement in web applications; Downloadable computer software for verifying signed build attestations and admitting only trusted software builds for execution; Downloadable computer software for continuous profiling of computer applications and diagnosing performance hotspots; Downloadable computer software for referencing computer security secrets held in external computer security secret-management systems and delivering computer security secrets and credentials to computer applications; Downloadable computer software for running controlled experiments and A/B tests on software features and configuration and measuring their effects; Downloadable computer software for testing or simulating upgrades of programming language runtimes and software dependencies and predicting their effects on computer applications; Downloadable computer software for inventorying software components and dependencies and correlating them with known security vulnerabilities; Downloadable self-hosted server software for application security, artificial intelligence agent security, policy management, audit evidence, application configuration and telemetry, for installation in customer-controlled cloud accounts, on-premises data centres and offline networks; Downloadable continuous integration and continuous delivery [CI/CD] pipeline plug-ins for validating and promoting configuration releases and security policies.

Class 42:
Software as a service [SaaS] featuring software for securing computer applications and computing workloads and protecting computer programs during execution; Software as a service [SaaS] featuring software for defining, managing, versioning, distributing and enforcing security policies for computer

programs, processes, software containers and computing workloads; Software as a service [SaaS] featuring software for previewing, approving and granting exceptions to security policy changes and for detecting security policy drift; Software as a service [SaaS] featuring software for simulating the effect of security policy changes against recorded computer operations; Software as a service [SaaS] featuring software for governing, isolating, containing and auditing artificial intelligence agents, autonomous software agents and artificial intelligence coding assistants; Software as a service [SaaS] featuring software for requesting, granting and recording human approval of operations performed by computer programs and artificial intelligence agents; Software as a service [SaaS] featuring software for monitoring the use of artificial intelligence models and services by computer applications; Software as a service [SaaS] featuring software using artificial intelligence for generating and validating queries of telemetry data from natural language; Software as a service [SaaS] featuring software for recording, storing, verifying, searching, archiving and exporting audit records, security events and evidence of computer program activity; Software as a service [SaaS] featuring software for recording evidence of security controls for audit and regulatory compliance purposes; Software as a service [SaaS] featuring software for collecting, storing, querying, analysing and visualising logs, metrics, traces and events, and for building custom dashboards; Software as a service [SaaS] featuring software for application performance monitoring, distributed tracing and service health assessment; Software as a service [SaaS] featuring software for investigating security incidents and operational incidents; Software as a service [SaaS] featuring software for defining alert rules, delivering in-application notifications and sending alerts to email, messaging, incident management, issue tracking, status page and security information and event management [SIEM] systems; Software as a service [SaaS] featuring software for mapping application topology, network traffic flows and resource usage; Software as a service [SaaS] featuring software for tracking software deployments, release health and the lifecycle of processes, containers and container orchestration workloads; Software as a service [SaaS] featuring software for monitoring the performance, errors and content security policy violations of web applications in web browsers; Software as a service [SaaS] featuring software for controlling and redacting personal data and sensitive data in telemetry and audit records; Software as a service [SaaS] featuring software for managing application configuration and feature flags and managing rollouts of software releases and configuration changes, namely staged rollouts, percentage-based rollouts and rollouts conditional on computer-system health checks; Software as a service [SaaS] featuring software for enrolling, inventorying and managing fleets of computers, servers and containers; Software as a service [SaaS] featuring software for assessing the security posture of computers, servers, programming language runtimes and continuous integration and continuous delivery [CI/CD] pipelines; Platform as a service [PaaS] featuring computer software platforms for application security, artificial intelligence agent security, policy enforcement, audit evidence, application configuration and telemetry; Providing temporary use of online non-downloadable software for application security, artificial intelligence agent containment, policy enforcement, audit evidence, application configuration and telemetry; Providing temporary use of online non-downloadable application programming interface [API] software for security policy management, application configuration, audit evidence and telemetry; Providing temporary use of online non-downloadable software enabling artificial intelligence assistants to query and manage security policies, application configuration, audit records and telemetry; Computer security services, namely restricting and controlling access by computer programs and artificial intelligence agents to files, networks, processes and data in accordance with security policies; Monitoring of computer systems by remote access; Monitoring of computer systems for detecting unauthorised access or data breach; Monitoring of computer systems to detect breakdowns; Electronic data storage, namely storage of audit records, security evidence, captured network traffic and telemetry data; Updating and maintenance of computer software for application security, policy enforcement, application configuration and telemetry; Technical support services, namely troubleshooting of problems with application security, policy enforcement, application configuration and telemetry software; Providing technical information relating to application security, artificial intelligence agent security, application configuration and telemetry via a website; Software as a service [SaaS] featuring software for authoring, testing, delivering and staging the enforcement of content security policies for web applications; Software as a service [SaaS] featuring software for web analytics and product usage analytics, namely measuring sessions, funnels, retention cohorts and engagement in web applications; Software as a service [SaaS] featuring software for verifying signed build attestations and admitting only trusted software builds for execution; Software as a service [SaaS] featuring software for continuous profiling of computer applications and diagnosing performance hotspots; Software as a service [SaaS] featuring software for managing computer security secrets and delivering, to computer applications, references to computer security secrets held in external computer security secret-management systems; Software as a service [SaaS] featuring software for designing and running controlled experiments and A/B tests on software features and configuration and for statistical analysis of their effects; Software as a service [SaaS] featuring software for testing or simulating upgrades of programming language runtimes and software dependencies and predicting their effects on computer applications; Software as a service [SaaS] featuring software for inventorying software components and dependencies and correlating them with known security vulnerabilities; Software as a service [SaaS] featuring software for analysing security policy usage and recommending least-privilege policy changes; Software as a service [SaaS] featuring software for managing users, single sign-on, automated user provisioning, roles and access permissions; Software as a service [SaaS] featuring software for sending, signing, retrying and replaying webhooks that deliver events to customer-owned endpoints; Software as a service [SaaS] featuring software for on-call scheduling, incident escalation and incident coordination in relation to the operation and security of computer systems; Software as a service [SaaS] featuring software for generating, verifying and proposing source code changes that remediate security exposures and software regressions; Software as a service [SaaS] featuring software for modelling the impact of compromised computing workloads and computer security credentials; Software as a service [SaaS] featuring software for discovering exposed computer security credentials and testing or simulating the effects of rotating such credentials; Software as a service [SaaS] featuring software for identifying unused services, credentials, security policies and software dependencies and supporting their safe removal; Software as a service [SaaS] featuring software for mapping concentrations of dependencies on software components and third-party computing service providers and assessing the

readiness of computer systems for recovery; Software as a service [SaaS] featuring software using artificial intelligence for tuning the configuration of artificial intelligence agents and computing workloads based on measured outcomes of their operation; Software as a service [SaaS] featuring software for discovering unmanaged computers, computing workloads and artificial intelligence agents and identifying gaps in security coverage; Providing temporary use of online non-downloadable software for authoring, testing and simulating security policies; Off-site backup and recovery of audit records, security evidence, configuration and telemetry data; Electronic data storage in customer-selected geographic regions, namely storage of audit records, security evidence and telemetry data; Installation, configuration and integration of computer software for application security, artificial intelligence agent security, policy enforcement, audit evidence, application configuration and telemetry; Data migration services, namely migrating security policies, application configuration and telemetry data from third-party software; Computer security consultancy, namely reviewing security controls and providing evidence-based recommendations for their rollout; Consultancy in the deployment, integration and use of computer software for application security, artificial intelligence agent security, policy enforcement, audit evidence, application configuration and telemetry.

Runbound Ltd

Oil pumps for land vehicles; Pressure pumps; Ejectors [pumps]; Shafts for pumps; Gear pumps; Engine driven water pumps; Fuel injectors for internal combustion engines; Water pumps for use in motors and engines; Fuel conversion apparatus for internal combustion engines; Conversion apparatus (Fuel -) for internal combustion engines; Oil coolers for engines; Oil filters for engines; Valves for engines; Spark plugs for vehicle engines; Engine rods; Air filters for motorcycle engines; Injectors; Engine injectors; Fuel injection devices for internal combustion engines; Gas turbo engines; Fuel and air mixture regulators being parts of internal combustion engines; Diesel injection devices; Fuel systems for internal combustion engines; Exhaust gas treatment systems for diesel engines; Glow plugs for Diesel engine; Pistons for engines; Tappets for engines; Engine valves; Filters for engines; Glow plugs for Diesel engines; Glow plugs for diesel engines; Bearings for engines; Exhaust silencers for engines; Pistons for internal combustion engines; Carburettors for internal combustion engines; Engine mufflers; Positive crankcase ventilation [PCV] valves for motors and engines; Gaskets for internal combustion engines; Silencers for engines; Cylinder heads for engines; Regulators for engines; Belts for engines; Rods (Connecting -) for machines, motors and engines; Compressors for supercharging internal combustion engines; Connecting rods for machines, motors and engines; Spark plugs for engines; Intake manifolds for internal combustion engines; Air filters for engines; Filters for internal combustion engines; Engine bearings; Pistons [internal combustion engine parts]; Water pumps for land vehicles; Water pumps; Oil separators; Separators for oil; Oil filters; Air filters for motors; Automobile oil pans; Air filters for automobile engines; Filters for cleaning cooling air, for engines; Air cleaners [air filters] for engines; Filters for hot gases for use with internal combustion engines; Air compressors for vehicles; Fans for cooling vehicle engines; Vacuum control valves [parts of engines]; Fuel/air ratio controls [parts of engines or motors]; Spindle shafts [parts of engines]; Piston rings being engine parts; Cowlings [parts of machines]; Joints for tubes (metal -) [parts of engines]; Metal branching pipes [parts of engines]; Sealing joints [parts of engines]; Joints for pipes (metal -) [parts of engines]; Timing belt pulleys [parts of engines]; Taps being parts of motors; Brushes being parts of generators; Cylinders being parts of machines; Distributor rotors [internal combustion engine parts]; Coils [internal combustion engine parts]; Cylinder covers [parts of machines]; Lubricators [parts of machines]; Silencers being parts of exhaust systems; Vacuum control valves [parts of motors]; Connecting rods [internal combustion engine parts]; Distributor caps [internal combustion engine parts]; Cylinder blocks [parts of machines]; Hangers for internal combustion engines [parts of internal combustion engines]; Engine housings; Hydraulic valves [parts of machines]; Points [ignition parts for internal combustion engines]; Piston rings [internal combustion engine parts]; Engine cooling radiators; Radiator caps for cooling radiators of engines; Expansion tanks [parts of vehicle cooling radiators]; Refrigerant compressors for cooling installations; Radiators for vehicles; Diesel-engine heating plugs; Manifold (Exhaust -) for engines; Exhaust manifold for engines; Mounting hangers adapted for exhaust systems for internal combustion engines; Catalytic converters for the exhaust gases of internal combustion engines; Controls (Pneumatic -) for machines, motors and engines; Pneumatic controls for machines, motors and engines; Speed governors for machines, engines and motors; Speed governers [mechanical] for machines, engines and motors; Control mechanisms for machines, engines or motors; Emission reduction units for motors and engines; Exhaust mufflers for motors; Timing belt tensioners for land vehicle engines; Timing belts for motors; Timing belt tensioners for land vehicles; Chains, being engine timing components; Timing belt pulleys; Cam sprockets, being engine timing components; Engine timing components, namely, cam sprockets; Spark plugs for land vehicle engines; Belts (Driving -) for transmitting motion to land vehicles; Belt tensioners; Belt drives; Dynamo belts; Belts (Dynamo -); Cylinder head gaskets; Pistons for cylinders; Cylinders (Pistons for -); Engine camshafts; Cylinder heads made of castings of light metal alloys [parts of machines]; Blowing engines; Turbine vanes being parts of gas turbine engines; Cylinder liners; Cylinders [machine parts]; Push rods for engines; Cylinders for machines; Rocker arms [parts of engines]; Pistons; Crankcases for machines; Spindle shafts [parts of motors]; Bearings for shafts; Ball bearings for engines; Piston rods; Bearings [parts of machines]; Bearings, as parts of machines; Bearings for machines; Bearings and bushings [machine parts]; Spark plugs; Sparking plugs for internal combustion engines; Spark plug ignition wires; Spark plug wires; Ignition distributors for internal combustion engines; Electric ignition apparatus for internal combustion engines; Igniting devices for internal combustion engines; Vacuum accumulators for internal combustion engines; Cam drive systems for internal combustion engines; Internal combustion engines for power generation; Exhaust systems for vehicles; Sound absorbers [silencers] being parts of vehicle exhaust systems; Mufflers [parts of exhaust systems]; Silencers as part of vehicle exhaust systems; Headers as part of vehicle exhaust system; Catalytic converter units for vehicle exhausts;

Electronic ignitions for vehicles; Automotive intake manifolds; Exhaust silencers; Automotive exhaust pipe; Exhaust bypasses; Exhausts; Motor mufflers; Shaving exhaust installations; Feed pipes for carburettors; Expansion boxes for exhausts; Electric ignition coils; Power generators for vehicles; High pressure pumps; Pressure regulators for lubricating installations.

Class 9:
Vehicle batteries; Batteries for vehicles; Car batteries; Electric batteries for vehicles; Batteries, electric, for vehicles; Batteries for electric vehicles; Battery charging devices for motor vehicles; Vehicle radios; Ignition batteries; Ignition batteries ; Electric batteries for powering electric vehicles; Vehicle fuses; Motor vehicle power locks; Telemetry devices for motor vehicles; Thermostats for vehicle engines; Cell phone battery chargers for use in vehicles; Speedometers for vehicles; Subwoofers for vehicles; Sensors; Infrared sensors; Electro-optical sensors; Touchscreen sensors; Piezoelectric sensors; Ultrasonic sensors; Temperature sensors; Electronic sensors; Electrical sensors; Alarm sensors; Motion sensors; Digital sensors; Sensors for engines; Sensor controllers; Light sensors; Gas sensors; Electric sensors; Coolant-temperature sensors; Electronic control sensors for motors; Sensors for use in the control of engines; Parking sensors for vehicles; Gyro sensors using GPS functions; Oil-water level sensors; Brake pad wear sensors; Cameras for vehicles; Thermostats for vehicles; Radios for vehicles; Rearview cameras for vehicles; Amplifiers for vehicles; Milage recorders for vehicles; Radar apparatus for vehicles; Mileage recorders for vehicles; Electronic driver display systems for vehicles; Multi-camera systems for vehicles; Sirens for vehicles; Displays for vehicles; Kilometer recorders for vehicles; Switches, electric; Electric switches; Rotary switches (Electric -); Toggle switches [electric]; Electric light switches; Electric flasher switches; Electric breakers [switches]; Tactile switches [electric]; Electric current switches; Electrical switches; Switch panels [electric]; Electric switch plates; Switch plates [electric]; Switch points [electric]; Relays, electric; Electric relays; Push switches (Electrical -); Electromagnetic switches; Safety relays [electric]; Electrical relays; Electromagnetic relays; Electronic relays; Fuses; Electric fuses; Electrical fuses; Vehicle stereos; Radios (Vehicle -); Voltage regulators for vehicles; Voltage regulators; Static voltage regulators; Speed regulators [electrical]; Accumulators, electric, for vehicles; Electric accumulators for vehicles; Voltage testers; Temperature control apparatus [electric switches] for vehicles; Control units for amplifiers for use in vehicles; Speed regulators [electronic]; Fuel level indicators for vehicles; Warning lamps for vehicles; Electric wires and cables; Electric cables and wires; Electric cables; Cables, electric; Electric wires; Wires, electric; Cables and wires; Electrical cables; Connections for electric cables; Electrical wires; Electric wire harnesses for automobiles; Electric wiring harnesses; Wire (Electric -); Electric wire; Electric wire and cable; Electric wiring; Metallic wires [electric]; Insulated electric wire; Electric connectors; Electronic control units; Integrated electronic safety systems for land vehicles; Cruise control systems for vehicles; Electronic keys for vehicles; Temperature control apparatus [thermostats] for vehicles; Control modules (Electric or electronic -); Electronic control systems; Electrical connectors; Electrical cable connectors; Electrical and electronic connectors; Electronic and electrical connectors; Pressure indicators; Gas pressure indicators; Automatic indicators of low pressure in tyres; Pressure gauges; Pressure sensors; Pressure controllers [gauges]; Remote reading fluid level indicators; Temperature indicators; Pressure indicator plugs for valves; Tyres (Automatic indicators of low pressure in vehicle -); Automatic indicators of low pressure in vehicle tyres; Tires (Automatic indicators of low pressure in vehicle -); Automatic indicators of low pressure in vehicle tires; Tyre pressure gauges; Tire pressure gauges; Instruments for measuring pressure; Automatic indicators of low pressure in vehicle tires [tyres]; Pressure in vehicle tires [tyres] (Automatic indicators of low -); Fluid level measuring apparatus for use in motor vehicles; Speed measuring apparatus for vehicles; Liquid level monitoring apparatus; Fluid level sensors; Instruments for measuring levels of fluids; Fuel consumption measuring apparatus; Speed checking apparatus for vehicles; On-board electronic systems in land vehicles for providing parking assistance; Emergency light bars for vehicles; Blinkers [signalling lights]; Neon lights [signals]; Flashing safety lights; Vehicles breakdown warning lamps; Electric locks for vehicles; Temperature controllers apparatus for use in vehicle heating systems; Temperature controllers apparatus for use in vehicle engines.

Class 11:
Lamps for motor land vehicles; Motor vehicle lamps; Vehicle lights; Vehicle headlamps; Vehicle headlights; Vehicle taillights; Vehicle brake lights; Vehicle reflectors; Reflectors (Vehicle -); Motor car lamps; Vehicle lighting apparatus; Vehicle dynamo lamps; Vehicle tail lights; Direction indicator bulbs; Lamps for vehicle lighting; Vehicle lighting and lighting reflectors; Vehicle lighting installations; Lighting apparatus for vehicles; Vehicles (Lighting apparatus for -); Lighting installations for vehicles; Vehicles (Lights for -); Lights for vehicles; Automobile lights; Brake lights for vehicles; Lights and lamps for vehicles; Rear lights for vehicles; Lamps for vehicle direction indicators; Lamps for vehicles; Dynamo lights for vehicles; Map lights for vehicles; Anti-dazzle devices for vehicles [lamp fittings]; Vehicles (Anti-dazzle devices for -) [lamp fittings]; Tail lights for vehicles; Running lights for vehicles; Backup lights for land vehicles; Headlights for vehicles; Lights for automobiles; Headlights for automobile; Automobile headlights; Motorcycle lights; Automobile headlamps; Headlights for automobiles; Light emitting diode lights for automobiles; Headlamps for automobiles; Turn sign-board lamps for motor vehicles; Automotive headlamps; Motorcycle lamps; Anti-dazzle devices for automobiles [lamp fittings]; Automobiles (Anti-dazzle devices for -) [lamp fittings]; Lamps for directional signals of automobiles; Lamps for directional signals for automobiles; Running lights for land vehicles; Headlamps for use on automobiles; Headlamps for vehicles; Heating apparatus for vehicles; Ventilating apparatus for vehicles; Defrosting apparatus for vehicles; Heating apparatus for defrosting windows of vehicles; Defrosting windows of vehicles (Heating apparatus for -); Vehicles (Heating apparatus for defrosting windows of -); Deodorising apparatus for dispensing scents in motor vehicles; Anti-glare devices for vehicles [lamp fittings]; Heating apparatus for defrosting vehicle windows; Heating installations for vehicles; Reflectors for vehicles; Taillights for vehicles; Headlights; Defrosters for vehicles; Vehicles (Defrosters for -); Off-road light bars for vehicles; Light bulbs for directional signals for vehicles; Spot lights for use on vehicles; Tail lamp bulbs; LED lights for automobiles; Direction indicators for vehicles (Lamps for -); Direction indicators for land vehicles (Lamps for -); Air conditioners for vehicles; Vehicles (Air conditioners for -); Air conditioners for automobiles; Air conditioning installations for vehicles; Air conditioning installations for cars; Air purifiers for automobiles; Air humidifiers for automobiles; Air inlets [vents] for vehicles; Vehicle HVAC

systems (heating, ventilation and air conditioning); Heaters for vehicles; Air-conditioning installations for vehicles; Ventilation [air-conditioning] installations for vehicles; Heating systems for motor cars; Heating and cooling systems for motor cars; Cooling systems for motor cars; Flexible heating elements for automobile seats; Heaters for automobiles; Space heaters for vehicles; Ventilators for automobiles; Beverage refrigerators for use in automobiles; Beverage refrigerators for use in cars; Ventilators for vehicles; Anti-glare devices for automobiles [lamp fittings]; Valves (solenoid controls for automatically operating -) [parts of heating installations]; Valves (Thermostatic -) [parts of heating installations].

Class 12:
Parts and fittings for vehicles; Parts and fittings for land vehicles; Consoles being parts of vehicle interiors; Bodywork parts for vehicles; Bearings [parts of vehicles]; Struts (Non-metallic -) parts of vehicles; Reservoirs (metal -) [parts of vehicles]; Reservoirs (non-metallic -) [parts of vehicles]; Sumps being parts of land vehicle gearboxes; Connecting rods for land vehicles, other than parts of motors and engines; Vehicles (Connecting rods for land -), other than parts of motors and engines; Coupling sleeves (non-electric -) [parts of engines for land vehicles]; Brake cables [parts of motorcycles]; Coupling sleeves (non-electric -) [parts of motors for land vehicles]; Brake components for vehicles; Structural parts for trucks; Cranks [parts of land vehicles]; Coupling rings (non-electric -) [parts of motors for land vehicles]; Braking systems for vehicles and parts thereof; Turbine shafts [parts of land vehicles]; Structural parts for vans; Hood shields as structural parts of vehicles; Seat pillars [parts of vehicles]; Headlight mounts [parts of motorcycles]; Structural parts for motorcycles; Structural parts for automobiles; Components for brakes for vehicles; Seat posts [parts of vehicles]; Axles [land vehicle parts]; Fenders [land vehicle parts]; Clutch cables [parts of motorcycles]; Gear train parts for land vehicles; Coupling rings (non-electric -) [parts of land vehicle engines]; Side shields as structural parts of vehicles; Windshields [land vehicle parts]; Transmissions [land vehicle parts]; Lifts (Tailboard -) [parts of land vehicles]; Tailboard lifts [parts of land vehicles]; Brake calipers [parts of motorcycles]; Structural parts for buses; Power tailgates [parts of land vehicles]; Bug shields as structural parts of vehicles; Crown wheels being parts of land vehicles; Brake rotors [parts of motorcycles]; Reservoirs being parts of vehicle braking systems; Machine couplings and transmission components for land vehicles; Transmission components for land vehicles; Elevating tailgates [parts of land vehicles]; Interior trim parts of automobiles; Components for the outer bodies of vehicles; Differentials [land vehicle parts]; Chassis for motor vehicles; Motor vehicles (Chassis for -); Crankcases for components for motor cars (other than for engines); Bodyworks for motor vehicles; Gearboxes for motor cars; Bodies for motor vehicles; Brake segments for motor cars; Safety belts for vehicles for motor cars; Engines for motor land vehicles; Frames of two-wheeled motor vehicles; Frames for two-wheeled motor vehicles; Alarms for motor vehicles; Gear motors for land vehicles; Hydraulic servo valves being parts of vehicle braking systems; Crankcases for land vehicle components, other than for engines; Electrical motors for land vehicles; Tires for two-wheeled motor vehicles; Brake linings for motor cars; Motor vehicle bodies; Wheels [land vehicle parts]; Brakes for motor cars; Brakes for vehicles; Linings for brakes of vehicles; Electronic brakes for vehicles; Brakes for land vehicles; Brake pedals for vehicles; Brake calipers for vehicles; Brake levers for vehicles; Brake cylinders for vehicles; Brake discs for vehicles; Brake systems for vehicles; Brake pads for vehicles; Brake drums for vehicles; Wheels for vehicles; Shoes for vehicle brakes; Brake cables for vehicles; Brake linings for vehicles; Linings (Brake -) for vehicles; Brake sets for vehicles; Disc brakes for land vehicles; Brake rotors for land vehicles; Brake calipers for land vehicles; Brake shoes for vehicles; Shoes (Brake -) for vehicles; Axles for vehicles; Brake pedals for land vehicles; Brake hardware for vehicles; Braking systems for vehicles; Brake cylinders for land vehicles; Brake segments for vehicles; Segments (Brake -) for vehicles; Vehicle disc brakes; Brake lines for vehicles; Vehicle brake discs; Brake blocks for vehicles; Cone brakes for land vehicles; Wheels for motor vehicles; Steering wheels for vehicles; Brake facings for vehicles; Tyres for motor vehicles; Compensating cylinders for vehicle brakes; Disc brake rotors for vehicle braking systems; Gears for vehicles; Block brakes for land vehicles; Vehicle brake pads; Disc brake pads for vehicles; Band brakes for land vehicles; Band brakes [for land vehicles]; Brake drums for land vehicles; Brake pads for land vehicles; Brake systems for land vehicles; Brake linings for land vehicles; Brake pads for automobiles; Disc brake pads for vehicle braking systems; Brake shoes for motor cars; Tyres for two-wheeled vehicles; Wheel cylinders for vehicles; Airbags for vehicles; Jockey wheels for vehicles; Tyres for motor vehicle wheels; Mudguards for vehicles; Undercarriages for vehicles; Tyres for vehicle wheels; Windshields for vehicles; Tires for vehicle wheels; Hubs for vehicle wheels (motorcycles); Brake discs for motorcycles; Vehicle wheels; Wheels (Vehicle -); Valves for vehicle tires; Wheel rims for vehicles; Shoes (Brake -) for vehicle; Vehicle brake shoes; Bumpers for vehicles; Vehicle tires; Brake shoes for land vehicles; Vehicle tyres; Disc brake pads for land vehicles; Brake segments for land vehicles; Axles for air suspension systems in vehicles; Chainguards for vehicles; Valves for vehicle tyres; Handbrake knobs for vehicles; Wheel brakes; Wheel tyres (Vehicle -); Vehicle wheel tyres; Valves for vehicle tires [tyres]; Wheel tires (Vehicle -); Axle boots for vehicles; Gear wheels for land vehicles; Vehicle wheel tires; Disc brake friction pads for vehicle braking systems; Suspensions for vehicles; Chassis of vehicles; Chassis for vehicles; Tires for land vehicles; Rolling wheels for vehicles; Wheels and tyres, and continuous tracks for vehicles; Axles for land vehicles; Vehicle wheel tires [tyres]; Driving belts for motors for land vehicles; Brake blocks for land vehicles; Brake cylinders; Brake pedals [parts of motorcycles]; Hydraulic brake pressure regulators for vehicles; Truck air brake hoses; Disc brake locks for motorcycles; Brake drums; Clutch disks for land vehicles; Clutch linings for land vehicles; Clutch cylinders for land vehicles; Hydraulic circuits for vehicles; Clutch levers for land vehicles; Brake disks; Non-skid devices for vehicle wheel tires; Hydraulic connectors for vehicles; Friction wheels for land vehicles; Axle boot kits for use with land vehicles; Friction wheel transmissions for land vehicles; Non-skid devices for vehicle tires [tyres]; Anti-skid studs for vehicle tires; Anti-skid spikes for vehicle tires; Tyres (Non-skid devices for vehicle -); Non-skid devices for vehicle tyres; Treads for vehicles [roller belts]; Tires (Non-skid devices for vehicle -); Non-skid devices for vehicle tires; Antilock brake systems and components; Linings for vehicles; Suspension systems for automobiles; Suspension systems for land vehicles; Springs for vehicle suspension systems; Modular chassis systems for vehicles; Axles for leaf spring suspensions systems in vehicles; Hydraulic control systems for vehicles; Suspension struts for vehicles; Shock absorbers for the suspension units of vehicles; Springs for vehicle suspension units; Pneumatic transmission control systems for vehicles; Traction control systems for vehicles; Suspension shock absorbers for motor

vehicles; Stability control systems for vehicles; Suspension shock absorbers for vehicles; Shock absorbers (Suspension -) for vehicles; Storage systems adapted for use in motor vehicles; Suspension struts [vehicle parts]; Shock absorbers being parts of vehicle suspension; Vehicle suspension springs; Suspension springs (Vehicle -); Leaf-springs for vehicle suspensions; Reservoirs for maintaining the level of fluids in vehicle braking systems; Suspension springs for motor cars; Alarm systems for cars; Vehicle Suspension Covers; Security alarm systems for vehicles; Axle assemblies for vehicles; Air springs for vehicle suspension components for cushioning driver's seats and cabs; Alarm systems for trucks; Shock absorbers for vehicle suspension; Monocoque structures for vehicles; Hydraulic transmissions for land vehicles; Transmission mechanisms for land vehicles; Steering racks for vehicles; Steering linkages for vehicles; Mechanical transmissions for land vehicles; Steering units for land vehicles; Powertrains for land vehicles; Hydraulic servo valves being parts of vehicle hydraulic systems; Pneumatic transmission control units for land vehicles; Torsion bars for land vehicle suspensions; Axles for leaf spring suspensions in vehicles; Powertrains, including engines and motors, for land vehicles; Drive transmission devices [belts] for land vehicles; Torsion/sway bars [land vehicle suspension parts]; Propulsion mechanisms for land vehicles; Torsion dampers for vehicles; Engine transmission belts for land vehicles; Anti-dazzle devices for vehicles; Differential transmissions for land vehicles; Shock absorbers for vehicles; Vehicle shock absorbers; Shock absorbers for automobiles; Shock absorbers for motorcycles; Shock absorbers [vehicle parts]; Hydraulic rotary shock absorbers for vehicles; Shock absorbing springs for vehicles; Springs (Shock absorbing -) for vehicles; Combined spring and shock absorber units for vehicles; Shock absorbing cylinders [parts of vehicles]; Shock absorbing springs for motor cars; Shock absorbing springs for automobiles; Shock absorbing springs being parts of vehicle suspension; Alarm systems for motor vehicles; Hydraulic rotary dampers for vehicles; Electric reversing alarms for vehicles; Coil springs for vehicle suspensions; Bumper guards of metal for vehicles; Air deflectors for vehicles; Hydraulic couplings with integral dampers, for land vehicles; Protective heat shields for vehicles; Rims for vehicle wheels; Castors [vehicle wheels]; Vehicle wheel rims; Spokes for vehicle wheels; Hubs for vehicle wheels; Vehicle wheels (Hubs for -); Solid tires for vehicle wheels; Tires, solid, for vehicle wheels; Tubes for vehicle wheels; Steering wheels [vehicle parts]; Solid tyres for vehicle wheels; Tyres, solid, for vehicle wheels; Automobile wheels; Covers for vehicle steering wheels; Steering wheels (Covers for vehicle -); Alloy wheels for vehicles; Wheel hubs (Vehicle -); Vehicle wheel hubs; Vehicle wheel spokes; Spokes (Vehicle wheel -); Automobile steering wheels; Wheel rims for motor cars; Cog wheels for land vehicle engines; Anti-slide chains for vehicle wheels; Spare wheels for vehicles; Non-skid chains for vehicle wheels; Casters [wheels] for vehicles; Snow chains for vehicle wheels; Fitted covers for vehicle steering wheels; Wheels; Steering wheels for automobiles; Wheels for automobiles; Vehicle chassis; Chassis (Vehicle -); Spoke wheels for vehicles; Wheel hubs (Vehicles -); Wheel hubs for vehicles; Balance weights for vehicle wheels; Weights (Balance -) for vehicle wheels; Lug nuts for vehicle wheels; Wheel rims [for automobiles]; Wheel rims for automobiles; Inner tubes for vehicle wheels; Vehicle bumpers; Bumpers (Vehicle -); Balancing weights for vehicle wheels; Hubs for automobile wheels; Wheels for motorcycles; Traction mats for vehicle tires; Anti-skid chains for vehicle tires; Wheel rims for motorcycles; Toothed wheels for land vehicles; Automobile chains [anti-skid for wheels]; Underbodies of vehicle; Steering wheels; Anti-theft locks for use on automobile steering wheels; Inner tubes for pneumatic tyres for vehicle wheels; Vehicle windshields; Wheel bearings for land vehicles; Bodywork (Vehicle -); Tire valves for vehicle tires; Vehicle axle assemblies; Wheel covers [for vehicles]; Vehicle trolleys; Hubs for motorcycle wheels; Vehicle propellers; Pneumatic inner tubes for vehicle wheels; Vehicle trailers; Automobile wheel hubs; Trailer chassis for vehicles; Motor vehicle horns; Ornamental wheel covers for vehicles; Shaped steering wheel covers for vehicles; Wheel covers; Steering wheel covers for automobiles; Seat covers for vehicles; Covers (Seat -) for vehicles; Shaped steering wheel covers for automobiles; Steering wheel covers; Fitted covers for vehicles; Fitted vehicle covers for automobiles; Covers for vehicle seats; Covers (Shaped -) for vehicles; Fitted dashboard covers for vehicles; Vehicle seat covers; Covers (Shaped -) for motor cars; Spare wheel covers; Fitted vehicle covers; Vehicle covers [fitted]; Vehicle covers [shaped]; Vehicle seat covers [fitted]; Fitted vehicle seat covers; Ornamental wheel shields for vehicles; Semi-fitted covers for vehicles; Vehicle seat covers [shaped]; Protecting covers [fitted] for vehicles; Transmission top covers for land vehicles; Protective covers for vehicle seats [shaped]; Protective covers for vehicle seats [fitted]; Car seat covers; Seat covers [shaped] for use in automobiles; Protecting covers [shaped] for vehicles; Covers for tyres; Covers for loudspeaker openings in vehicles; Loose seat covers [shaped] for vehicle seats; Retractable covers for goods carrying vehicles; Wheel hubs for automobiles; Wheel rim protectors for automobiles; Free wheel clutches for land vehicles; Housing covers for land vehicle engines; Fitted vehicle roll bar covers; Tire covers; Seats for automotive vehicles; Shaped seat covers made of beads for use in vehicles; Car seat covers [shaped or fitted]; Windscreens for vehicles; Friction clutch cover assemblies for land vehicles; Free wheel couplings for land vehicles; Seats for vehicles; Wheel hubs; Wheel hubs for motorcycles; Bands for wheel hubs; Wheel hubs (Bands for -); Hub caps for wheels; Wheel rims; Wheel sprockets; Rear hubs; Wheel spacers; Automobile wheel spokes; Rear wheel sprockets; Steering wheel spinners for automobiles; Wheel suspensions; Steering wheel locks; Wheel trims; Automobile spare wheel holders; Front end hubs for vehicles; Buffers for vehicle bumpers; Automobile bumpers; Bumpers for automobiles; Windshield visors [vehicle parts]; Windshield wipers [vehicle parts]; Vehicle hoods; Hoods (Vehicle -); Vehicle mirrors; Bonnets for vehicle engine; Fenders for land vehicles; Vehicle joysticks; Vehicle hood pins; Rearview mirrors [vehicle parts]; Vehicle bonnet pins; Vehicle cabs; Towing hitches of metal for vehicles; Sun visors being parts of vehicle bodywork; Hoods for vehicle engines; Vehicle tow bars; Radiator grilles for vehicles; Carriage body parts; Vehicle body hardware; Vehicle bodies; Body panels for vehicles; Car body modification parts for sale in kit form; Idler arms [vehicle parts]; Ball joints [vehicle parts]; Tire chains [land vehicle parts]; Drive gears [land vehicle parts]; Insulated vehicle body panels; Drive belts [land vehicle parts]; Coil springs [land vehicle suspension parts]; Fitted automobile body covers; Leaf springs [land vehicle suspension parts]; Aerodynamic attachments for vehicle bodies; Running boards [land vehicle parts]; Mud guards [land vehicle parts]; Clips adapted for fastening automobile parts to automobile bodies; Reservoirs being parts of land vehicle clutches; Trim panels for vehicle bodies; Tire snow chains [land vehicle parts]; Constant velocity joints [vehicle parts]; Power tailgates (am.) [parts of land vehicle]; Automobile bodies; Sun visors [vehicle parts]; Insulated vehicle bodies; Protective strips for vehicle bodies; Panels for vehicle bodies [shaped]; Splines

(sliding -) [parts of land vehicle gearing]; Power transmission parts [belts] for land vehicles; Power transmission parts [other than belts] for land vehicles; Bodies for vehicles; Interlocking panels for vehicle bodies; Mirrors for vehicles; Rearview mirrors for vehicles; Mirrors [rearview] for vehicles; Vehicle mirrors [retrovisors]; Rearview mirrors for automobiles; Rear view mirrors for vehicles; Rearview mirrors; Mirrors (Rearview -); Side view mirrors for vehicles; Vehicle rear windows; Rearview mirrors for exterior fitting; Rearview mirrors for interior fitting; Vehicle partitions; Vehicle seat subsystems; Vehicle door panels; Driving mirrors [retrovisors]; Retrovisors [rearview mirrors]; Vehicle windows incorporating heaters; Jalousies for vehicle windows; Rear view mirrors; Automobile windshield sunshades; Windscreen wipers [for automobiles]; Automotive windshield shade screens; Windscreen wipers; Wipers (Windscreen -); Windshield wipers; Wipers for car head lamps; Visors [strips] for vehicle screens; Automobile windshield wipers; Headlight wipers; Window winding mechanisms for vehicle windows; Windscreen wipers for motor cars; Wipers for windscreens; Arms for windscreen wipers; Wiper blade refills for vehicle windscreen wipers; Windscreen wiper blades; Windshield wiper blades; Windscreen wiper arms; Windshield wiper assemblies; Windshield wiper blades for vehicles; Windscreens; Automobile windshields [windscreens]; Wiper blade adapters for vehicles; Window rain guards for cars; Windshields for automobiles; Safety rims of rubber for the mudguards of cars; Headlight shields; Mudguards [for automobiles]; Mudguards for automobiles; Safety rims of rubber for the mudguards of lorries; Mudguards; Spray flaps for vehicles; Steering brakes; Coverings for car seats; Wind deflectors for vehicles; Splash guards [mudguards] for vehicles; Rubber patches for repairing vehicle tyres; Aero-dynamic fairings for vehicles; Splash preventers [mudguards] for vehicles; Clutches for land vehicles; Hydraulic clutches for land vehicles; Power clutches for land vehicles; Couplings for use with clutches for land vehicles; Friction clutches for land vehicles; Jaw clutches for land vehicles; Gearboxes for land vehicles; Gears for land vehicles; Sprockets for land vehicles; Pinions for land vehicles; Hoods for land vehicles; Freewheels for land vehicles; Motors for land vehicles; Servomotors for land vehicles; Transmission belts for land vehicles; Shafts for land vehicles; Tyres for land vehicles; Couplings for land vehicles; Engines for land vehicles; Differentials for land vehicles; Transmission chains for land vehicles; Bodies for land vehicles; Transmission levers for land vehicles; Spindles for land vehicles; Driving belts for land vehicles; Belt pulleys for land vehicles; Aerofoils for land vehicles; Turbines for land vehicles; Ramjets for land vehicles; Hitches for use with motor land vehicles; Idling pulleys for land vehicles; Chain transmissions for land vehicles; Spoilers for land vehicles; Transmission gears for land vehicles; Gearing for land vehicles; Driving motors for land vehicles; Gear transmissions for land vehicles; Reducing gears for land vehicles; Driving chains for land vehicles; Chains (Driving -) for land vehicles; Gear levers for land vehicles; Double clutch transmissions for land vehicles; Drive transmissions for land vehicles; Chainwheels for land vehicles; Drive gears for land vehicles; Drive motors for land vehicles; Power transmissions for land vehicles; Roller chains for land vehicles; Transmission shafts for land vehicles; Gear couplings for land vehicles; Rubber belts for land vehicle transmissions; Electric drives for land vehicles; Power transmission belts for land vehicles; Reversing gears [for land vehicles]; Hydraulic couplings for land vehicles; Gear units for land vehicles; Trailers for motor land vehicles; Articulated transmissions for land vehicles; Gear cases for land vehicles; Drive shafts for land vehicles; Power transmission couplings for land vehicles; Shaft couplings for land vehicles; Power take-off shafts for land vehicles; Hydraulic power transmission units for land vehicles; Gear boxes for hydraulic transmissions of land vehicles; Toothed gear transmissions for land vehicles; Transmission cases for land vehicles; Flexible shafts for land vehicles; Power transmission mechanisms for land vehicles; Power take-off transmission units for land vehicles; Planetary gear transmissions for land vehicles; Gear units for power transmissions of land vehicles; Power transmission belts for land vehicle engines; Back-gear transmissions for land vehicles; Power transmission belting for land vehicles; Power shift transmissions for land vehicles; Automatic gearboxes for land vehicles; Axle bearings for land vehicles; Hydraulic turbines for land vehicles; Variable speed transmissions for land vehicles; Reduction gears for land vehicles; Gear assemblies for land vehicles; Cardan shafts for vehicles; Electrical drives for land vehicles; Change speed transmissions for land vehicles; Automatic gearings for land vehicles; Drive units for land vehicles; Drive chains for driving land vehicles; Motor drive units for land vehicles; Drive belts for driving land vehicles; Motor drive mechanisms for land vehicles; Electric drives for land vehicle motors; Chains for driving land vehicle engines; Drive chains for driving ground vehicles; Electric driving motors for land vehicles; Motors and engines for land vehicles; Diesel motors for land vehicles; Engine mounts for land vehicles; Air turbines for land vehicles; Steering columns for vehicles; Electric gear shifting apparatus for land vehicle motors; Anti-theft warning apparatus for motor cars; Vehicles incorporating apparatus for tipping; Vehicles incorporating apparatus for loading; Reinforced steering columns for vehicles; Mechanical power transmitting mechanisms for land vehicles; Anti-theft devices for motor cars; Spoilers for vehicles; Spoilers for automotive vehicles; Spoilers for automobiles; Spoilers; Air flow spoilers for vehicles; Vehicle doors; Trailer hitches for vehicles; Vehicle safety seats; Aerodynamic fairings for vehicles; Doors for vehicles; Motor car doors; Side doors for vehicles; Doors for automobiles; Protecting strips for vehicle doors; Door panels for land vehicles; Automobile door handles; Door handles for land vehicles; Protecting strips (Rubber -) for vehicle doors; Interior panels for vehicles; Opening mechanisms roofs for vehicles; Roof racks for vehicles; Vehicle windows; Windows for vehicle windshields; Windows for vehicle windscreens; Windows for vehicles; Window glass for vehicle windows; Automobile windows; Skylight windows for vehicles; Motor car windows; Rear car windows; Skylights [windows] for vehicles; Vehicle sunroofs; Vehicle windscreens; Sunroofs for vehicles; Vehicle windows incorporating aerials for radio reception; Skylights for vehicles; Sliding roofs for motor vehicles; Vehicle seats; Seats (Vehicle -); Glass screens for vehicles; Electric sunroofs for vehicles; Automobile sunroofs; Sliding roofs for vehicles; Roof boxes for vehicles; Folding roofs for motor vehicles; Backrests for vehicle seats; Upholstery for vehicle seats; Car seats; Head-rests for vehicle seats; Seat cushions for the seats of vehicles; Vehicle seating; Motor car seats; Ejector seats for vehicles; Vehicle seat belts; Safety belts for vehicle seats; Safety seats for vehicles; Inflatable seats for vehicles; Vehicle booster seats for children; Child restraints for vehicle seats; Harnesses (Security -) for vehicle seats; Security harnesses for use with vehicle seats; Seat cushions for the seats of land vehicles; Leather upholstery for vehicle seats; Safety harnesses for vehicle seats; Harnesses (Safety -) for vehicle seats; Harness (Security -) for vehicle seats; Security harness for vehicle seats; Child booster cushions for vehicle seats; Restraints (safety -) [for vehicle

seats]; Vehicle safety seats for children; Head-rests for car seats; Convertible car seats; Seat cushions for the seats of cars; Seats for automobiles; Wooden seats for vehicles; Armrests for automobile seats; Vehicle safety seat cushions; Seat belts for use in vehicles; Car seat canopies; Child safety seats for use in vehicles; Child safety harnesses for vehicle seats; Car seat harnesses; Safety belts for the seats of vehicles; Vehicle booster seats for use with a safety harness; Safety seats for use in cars; Restraints for use with vehicle seat belts; Child carrying seats for use in vehicles; Child restraint devices for use with vehicle seats; Seating for vehicles; Pet safety seats for use in vehicles; Safety harnesses for the seats of vehicles; Children's seats for use in vehicles; Children's car seats; Car safety seats for children; Cushions adapted for use with car seats; Bucket seats for automobiles; Safety seats for children, for vehicles; Safety seats for children for use in vehicles; Seats (Safety -) for children, for vehicles; Safety seats for babies for use in vehicles; Portable babies' seats for vehicles; Children's safety seats for vehicles; Automobile seat cushions; Safety belt installations for the seats of vehicles; Seat safety harnesses for motor cars; Head rests for seats for motor cars; Safety seats for children for motor cars; Passenger seat belts; Racing seats for automobiles; Automobile safety seats for children; Vehicle safety restraints for use with safety seats; Portable children's seats for vehicles; Children's safety seats for cars; Vehicle safety harness for safety seats for children; Upholstery for vehicles; Child safety belt holders for automobile seats; Children's seats for use in cars; Seat trays adapted for use in vehicles; Seat restraining straps for use in vehicles; Windscreens for land vehicles; Safety couplings for land vehicles; Power tailgates (Am.) [parts of land vehicles]; Turbine vanes being parts of land vehicle engines; Crankcases for land vehicles [other than for engines]; Elevating tailgates (Am.) clothing; Embroidered clothing; Gussets for bathing suits [parts of clothing]; Casual clothing; Footwear; Hats.

Isaac Murisho

Printed list of International marks accepted for opposition purposes as shown in Trade Marks Journal No 2026/041 published 09 October 2026.

Please note that the opposition period for the trade marks contained in this printed list began on 09 October 2026.

Printed List of International Registrations filed under the Madrid Protocol Published for Opposition Purposes Under the 1994 Act

For the purposes of non–use revocation, the relevant protection date is the date that protection is conferred on the trade mark in the United Kingdom following the expiry of the opposition period, if no objections are filed and if no opposition arises.

WO0000001938730(10)
Office of Origin: IT

Date of International Registration: 05 June 2026
Date of Designation in the UK: 05 June 2026

The trademark consists of the letter 'e' in stylized characters, positioned to the right of a symbol composed of a black circle enclosing a stylized 'greater-than' sign in white. Color is not claimed as a feature of the mark.

Class 10:
Lasers for medical purposes; lamps for medical purposes; medical apparatus and instruments.

RETILITY

Class 1:
Raw plastics, unprocessed plastics, unprocessed plastics in raw form, plastics, raw, in the form of pellets, unprocessed plastics in powder form.

Class 7:
Reverse vending machines; recycling machines used to collect goods for recycling and reuse; machines for transporting cans, bottles, crates and other products and materials returned for reuse and recycling; machines for receiving, cleaning, and storing of cans, bottles, crates and other products and materials returned for reuse and recycling; machines for transporting metal and plastic cans, bottles and other products and materials returned for recycling and reuse; machines for receiving and storing paper, metal and plastic cans, bottles and other products and materials returned for recycling and reuse; crushing machines; bottle and can crushing machines; compacting machines; bottle and can compacting machines; crushing, flattening, fractionating, granulating and sorting machines for bottles, cans and other products and materials; conveyors for bottles and bottle feedout machines; conveyors for cans and can feedout machines; conveyor belts for use in returning crates; liquid container guiding machines, namely, machines for sorting containers to specified storage areas; vertical conveyors for bottles and bottle feedout machines; reverse vending machines, namely, automated machines for accepting and identifying the material properties and deposit or other reward value of empty rigid or semi-rigid containers for recycling and reuse of non-reward or non-refund bottles, cans, plastic materials, paper products, metal as well as other products and materials; reverse vending machines, namely, automated machines for accepting and identifying the material properties and deposit or other reward value of empty rigid or semi-rigid containers for recycling and reuse of rewardable or refundable bottles, cans, plastic materials, paper products, metal, and other products and materials; bottle soft drop collecting machine, namely, a machine with a storage bin for raising and lowering

a movable bottom for the purpose of avoiding the breakage of glass containers dropped into the bin; compaction machines; waste compacting machines; waste disposer machines; waste processing machines; baling machines; machines, namely sensor-based sorting machines for sorting of bottles and cans and other products and materials; sorting machines for chemical processing; conveyor belts; sorting machines with an opto-electric sorting function for sorting of bottles, cans and other products and materials; conveyor belts with electromechanical sorting apparatus; sensor-based machines for sorting bottles, cans and other products and materials; automatic return reward machines; reward or deposit return vending machine; washing apparatus; electric cleaning machines and equipment; bottle washing machines; conveyors for waste and garbage; conveyors for waste materials; mechanical tools for cleaning up waste materials; machines for separating recyclable materials; machines for sorting recyclable materials; conveyors [machines]; conveyors; lifting apparatus; elevating apparatus; sifting installations; sorting machines for industry; components, parts, spare parts and fittings to all of the above-mentioned goods.

Class 9:
Sensor-based apparatus for the inspection of bottles, cans and other products and materials.

Class 17:
Semi-processed plastics; recycled plastics, recycled compound plastics, extruded plastics; foils of plastics.

Class 37:
Installation, maintenance and repair services of return vending machines, sorting machines, apparatus for automatic identification and recognition, conveyors, conveyor belts and hardware and components, parts, spare parts and fittings to the above mentioned machines; installation, repair and maintenance of return vending machines, deposit machines and other machines used for collection or handling of goods and materials for reuse and recycling; refurbishment, of machines and of components, parts, spare parts and fittings to machines for the purpose of reuse or repurposing.

Class 40:
Treatment of materials containing or consisting of plastics, metals, halfmetals, glass, paper; treatment and processing, being recycling and sorting of machines and of components, parts, spare parts and fittings for machines for the purpose of reuse or repurposing; recycling services for machines, components, parts, spare parts, and fittings, with the purpose of preparing them for reuse or repurposing; custom assembling of materials for others.

Class 42:
Technical planning and consultation in the fields of material treatment, recycling, and reuse of machines, components, parts, spare parts and machine fittings; product certification services; scientific and technological services and research and design relating thereto; technical planning and consultation in the fields of treatment of materials and recycling and reuse of machines and components, of parts, spare parts and fittings to machines certification services, scientific and technological services and research and design relating thereto; industrial analysis, industrial research and industrial design services; quality control and authentication services; design and development of computer hardware and software; installation, maintenance and repair of software for reverse vending machines, sorting machines, devices for automatic identification and recognition, conveyors, conveyor belts.

ALISEO

Class 6:
Metal safes.

Class 11:
Lighting equipment; lighting fixtures; electric lamps; lamps; hairdryers; electric hairdryers; kettles; electric kettles.

Class 20:
Furniture for offices, residential and commercial premises; chairs; desks; sofas; beanbags; stools; footstools; chests; beds; shelves; chests of drawers; drawers; bedding [excluding bed linen]; picture frames; photo frames; mirrors; outdoor furniture; parts and fittings for the aforesaid goods; hotel furnishings for guest rooms, guest toilets and bathrooms, namely cosmetic mirrors and shaving mirrors, clothes hangers, luggage racks; hairdressing stools; cosmetic mirrors; non-matallic grab rails for baths and showers; paper towel dispensers (not made of metal).

Class 21:
Containers for the home, bathroom or kitchen; glassware; porcelain; ironing boards; soap holders; soap dishes; soap containers; soap dispenser bottles; soap, sponge and towel baskets for household purposes; holders for guest towels being towel rails and rings; toilet brush holders; toilet roll holders; shaving brush holders; toothbrush cup holders and toothbrush cups; toothbrush holders; trays for household purposes; bowls; waste bins for household use; storage trays [containers for small items] for household use; hairdryer holders.

Class 24:
Home textiles; woven fabrics and textile goods, not included in other classes; duvets; tablecloths; curtains made of textiles or plastic; plastic furniture covers [loose]; synthetic textile substitutes; shower curtains made of textile material or plastic film.

Class 27:
Carpets, floor mats, mats, linoleum and other floor coverings; wallpaper [other than of textile material]; paper wallpaper.

Class 35:
Retail and wholesale services, including via the internet, relating to furniture, garden furniture, home furnishings, bathroom accessories, cosmetic mirrors, hairdryers, woven fabrics and textile goods, in particular home textiles, bed and table linen, carpets and other floor coverings, lamps and lighting fittings, mirrors, utensils and containers for the home, bathroom or kitchen, kitchen utensils, trays, decorative accessories, decorative items and decorative materials; Online retail services connected with the sale of furniture, garden furniture, home furnishings, bathroom accessories, cosmetic mirrors, hairdryers, woven fabrics and textile goods, in particular home textiles, bed and table linen, carpets and other floor coverings, lamps and lighting fittings, mirrors, utensils and containers for the home, bathroom or kitchen, kitchen utensils, trays, decorative accessories, decorative items and decorative materials; mail-order retail services connected with the sale of furniture, garden furniture, home furnishings, bathroom accessories, cosmetic mirrors, hairdryers, woven fabrics and textile goods, in particular home textiles, bed and table linen, carpets and other floor coverings, lamps and lighting fittings, mirrors, utensils and containers for the home, bathroom or kitchen, kitchen utensils, trays, decorative accessories, decorative items and decorative materials.

Class 40:
Custom manufacturing of steel and cast-iron products for others; custom manufacturing services for others in the field of steel and cast-iron products.

Class 42:
Engineering services in the field of steel and cast-iron products for use in the automotive industry, in agricultural equipment, hydraulics, government and defense applications, pumps and valves, industrial equipment, mining, construction, and railroad.

Charter Manufacturing Company, Inc.

Representative: Kelly L. Williams Quarles & Brady LLP

Office of Origin: EM

Date of International Registration: 28 July 2026
Date of Designation in the UK: 28 July 2026

engicloud

International priority date claimed: 29 January 2026 (EM) (019310043)

Class 9:
Software; downloadable software; computer programs, downloadable; downloadable software for scientific and technological modelling and simulation; software and software platforms for technical and scientific calculations; simulation software; software for creating, optimising, running and managing digital twins; software for model generation and automating workflows; python-based modelling and simulation software; software for multi-physics simulations; software for visualisation, annotation, analysis and documentation of simulation results; software featuring version control for models, data and workflows; downloadable program libraries, APIs and developer tools for modelling, simulation and AI-assisted technical applications; downloadable electronic databases featuring models, equations, technical documentation and workflows in the following fields: technology and science; electronic publications, downloadable in the following fields: modelling, simulating, data analytics services and technical calculations; all the above excluding software for energy supply

and consumption, in particular for the generation, distribution or consumption of energy.

Class 42:
Software as a service [SaaS]; platform as a service (PaaS); providing non-downloadable software (SaaS) for scientific and technical modelling, simulation and data analysis; platform as a service (PaaS) for modelling, simulation, AI-assisted calculations and workflow orchestration; providing cloud-based software for creating, optimising, running and managing digital twins and simulation models; providing a collaborative online platform for multi-physics simulations, technical workflows and scientific calculations; providing a cloud-based, python-based modelling and execution environment; providing APIs for machine learning, model generation, data processing and technical simulation; hosting of repositories for models, equations, workflows, AI models and technical documentation; cloud computing services, including the following services: providing high-performance computing for scientific and technical purposes; hosting of Internet platforms, hosing of databases and hosting of web-based development environments; electronic data storage and data hosting services; science and technology services, in particular in the following fields: technology, science, data analysis services and artificial intelligence; research and development services in the following fields: simulation technology, AI-assisted modelling and digital twins; technical consultancy in the following fields: modeling, simulating, digital twins and data-driven engineering processes; all the above services excluding those related to software for energy supply and consumption, in particular for the generation, distribution or consumption of energy.

CFDEM Group GmbH

Representative:PUCHBERGER & PARTNER PATENTANWÄLTE
Reichsratsstr. 13 A-1010 Wien AUSTRIA

WO0000001938852(6, 17, 19)
Office of Origin: NZ

Date of International Registration: 07 May 2026
Date of Designation in the UK: 07 May 2026

International priority date claimed: 04 March 2026 (NZ) (1317016)

Class 6:
Pipe connectors containing or comprising metal components; pipe junctions and fittings containing or comprising metal components; plumbing fittings containing metal components.

Class 17:
Extruded tube, hose and pipe of plastics, flexible tubes, pipe connectors predominately of plastics, pipe junctions and fittings predominately of plastics; plastic plumbing hoses and sealing rings for plumbing pipes; pipe connectors (non-metallic), pipe couplings (non-metallic), pipe junctions and fittings (non-metallic); flexible plastic conduits for plumbing purposes; plastic fittings for pipes and conduits for gas, or for hot and/or cold water, including water tight rings for plumbing pipes; gaskets; insulating jackets for pipes; line cocks (spigots), non-metal muffs for pipes; pipe clips, fire collars, elbows, couplings, junctions not of metal for pipes, joint packings for pipes; flexible plastic conduits for plumbing purposes; fittings, not of metal, for flexible pipes; fittings, not of metal, for rigid pipes; junctions, not of metal, for pipes; pipe jackets, not of metal; pipe muffs, not of metal; pipe gaskets and joint packings for pipes; flexible tubes for use in irrigation; hoses adapted for irrigation purposes.

Class 19:
Materials, not of metal, for building and construction; water-pipes not of metal and non- metallic conduits for water distribution.

PICTON MANAGEMENT LIMITED

WO0000001938864(9)
Office of Origin: JP

Date of International Registration: 27 May 2026
Date of Designation in the UK: 27 May 2026

International priority date claimed: 21 May 2026 (JP) (2026-057481)
The mark contains the colours red, orange, yellow, green, blue, purple, pink, and white.
The mark consists of the stylized wording "MARIO PARTY" with the "M" and "R" of "PARTY" depicted in red, the "A" of "MARIO" and the "T" depicted in orange, the "R" of "MARIO" and the "Y" depicted in yellow, the "I" depicted in green, the "O" depicted in blue, the "P" depicted in purple, and the "A" of "PARTY" depicted in pink. The "MARIO PARTY" wording is positioned above the stylized wording "STAR RUSH" depicted in yellow with a pattern of yellow stars. The wording "MARIO PARTY" has a white inner border and a blue outer border, while the wording "STAR RUSH" has a blue border.

Class 9:
Electronic game programs; downloadable electronic game programs; video game programs; downloadable video game programs; video game cartridges; memory cards for

video game machines; cases for smartphones; covers for smartphones; holders adapted for cell phones and smartphones; computer game software, recorded; computer game software, downloadable; computer programs, recorded; computer programs, downloadable; computer peripheral devices; compact discs [audio-video]; downloadable image files; downloadable video files; downloadable music files; electronic publications, downloadable; virtual reality controllers; headsets; earphones; cases for earphones; cases for headphones; straps for cell phones; batteries, electric.

Nintendo Co., Ltd.

WO0000001938868(6, 7, 12)
Office of Origin: EM

Date of International Registration: 30 June 2026
Date of Designation in the UK: 30 June 2026

The mark contains the colour cobalt blue.

Class 6:
Common metals and their alloys; building materials of metal; metal products, namely extruded goods, cast iron and forgings; pilings of metal; sheet piles of metal; scaffolding and individual parts thereof; masts, for example lighting poles and flagpoles; ramps of metal for passenger vehicles; floors of metal for cargo compartments; as far as these goods are not included in other classes.

Class 7:
Components of motor engines; parts for couplings, except for land vehicles; parts for turboloaders, including turboloaders and axial bearings, none of the aforesaid goods included in other classes; loading ramps; loading bridges.

Class 12:
Parts of vehicles of common metals and alloys thereof, including wheels, in particular forged wheels, chassis components, steering components, parts for wheel suspensions, parts for drive trains, including the following products: coupling components for land vehicles, parts for vehicle hydraulics, beams for cars, timbers [frames] and profiles for airplane construction, fittings, including tail fittings, for airplane construction; none of the aforesaid goods included in other classes; tailboard lifts [parts of land vehicles].

FABfinity

International priority date claimed: 09 February 2026 (EM) (019314726)

Class 1:
Chemical and biochemical preparations for use in research and laboratories, in particular reagents for pharmacological research, chemical reagents for chromatographic immobilization, purification or isolation of biological materials; chemical reagents for chromatographic immobilization, purification or isolation of cells, in particular body cells, stem cells and cells of the immune system of mammals including human cells; affinity chromatography reagents used in columns for immobilization, purification or isolation of cells, in particular for immobilization or purification of body cells, stem cells, and cells of the immune system of mammals including human cells and T-cells, B-cells, natural killer cells and monocytes.

Class 5:
Pharmaceutical preparations, in particular cells, in particular body cells, stem cells and cells of the immune system of mammals including human cells and T-cells, B-cells, natural killer cells and monocytes; body cells, stem cells and cells of the immune systems for treatment of cancerous diseases, autoimmune diseases, viral infections or bacterial infections, genetically modified human immune cells, including T-cells, B-cells, natural killer cells and monocytes, for treatment of cancerous diseases, autoimmune diseases, viral infections or bacterial infections, in vivo diagnostic reagents for medical purposes.

Class 9:
Scientific apparatus for the chromatographic immobilization, purification or isolation of biological materials; chromatography columns; scientific apparatus for the chromatographic immobilization, purification or isolations of cells, in particular body cells, stem cells, and cells of the

immune system of mammals including human cells and T-cells, B-cells, natural killer cells and monocytes.

Class 42:
Scientific services and research relating thereto in the fields of biology, chemistry, medicine, immunology, oncology, molecular biology, cellular biology, biochemistry and/or medicinal chemistry as well as in the fields of discovery and development of pharmaceuticals, medical preparations, in particular cellular therapy products, including body cells, stem cells and cells of the immune system of mammals including human cells and T-cells, B-cells, natural killer cells and monocytes, diagnostic preparations and biomarker reagents and/or diagnostic apparatus.

TA INSTRUMENTS
"INSTRUMENTS"

International priority date claimed: 18 February 2026 (US) (99658645)

Class 9:
Calorimeters; isothermal calorimeter; rheometers; viscometers; dilatometers; thermomechanical analyzers; laboratory apparatus and instruments for isothermal titration calorimetry (itc), differential scanning calorimetry (DSC), thermomechanical analysis (TMA), dynamic mechanical analysis (dma), gravimetric analysis (ga), thermogravimetric analysis (TGA), sorption analysis (sa), laser flash analysis (lfa); laboratory apparatus and instruments for measuring viscosity, viscoelasticity, material stress; laboratory sample pans, pan covers, and crimper presses for thermal analysis instruments; replacement parts and fittings for laboratory apparatus and instruments, namely, for calorimeters, isothermal calorimeter, rheometers, viscometers, dilatometers, thermomechanical analyzers; replacement parts and fittings for laboratory apparatus and instruments for isothermal titration calorimetry (itc), differential scanning calorimetry (DSC), thermomechanical analysis (TMA), dynamic mechanical analysis (dma), gravimetric analysis (ga), thermogravimetric analysis (TGA), sorption analysis (sa), and laser flash analysis (lfa); replacement parts and fittings for laboratory apparatus and instruments for measuring viscosity, viscoelasticity, material stress; accessories for analytical apparatus and instruments, namely, autosamplers and automated sample processing apparatus and carousels therefor; accessories for temperature and environmental control, namely, peltier plate systems in the nature of electrical heating and cooling plates; accessories for analytical apparatus and instruments for laboratory use for temperature and environmental control, namely, plate pressure cells in the nature of vessels that can withstand high internal pressures; accessories for analytical apparatus and instruments for laboratory use for temperature and environmental control, namely, environmental test chambers, namely, temperature simulation equipment, refrigerated cooling systems in the nature of analytical instrument accessories for controlling sample temperature; accessories for analytical apparatus and instruments for laboratory use for temperature and environmental control, namely, electrically heated cylinders in the nature of environmental test chambers; accessories for analytical apparatus and instruments for laboratory use for temperature and environmental control, namely, forced convection oven for controlling sample temperature; accessories for analytical apparatus and instruments for laboratory use, namely, sensors for sensing the mechanical and material properties of samples, temperature, pressure, relative humidity, motion, distances, force, torque, viscosity, elasticity, material strain, tension, deflection, and compression; accessories for analytical apparatus and instruments for laboratory use, namely, optical plates; accessories for analytical apparatus and instruments for laboratory use, namely, small angle light scattering diodes; accessories for analytical apparatus and instruments for laboratory use, namely, interfacial rheology instrument for analyzing viscoelasticity; accessories for analytical apparatus and instruments for laboratory use, namely, tribo-rheometry instrument for analyzing friction; accessories for analytical apparatus and instruments for laboratory use, namely, magneto-rheology instrument for analyzing properties of materials subject to magnetic fields; accessories for analytical apparatus and instruments for laboratory use, namely, electro-rheology instrument for analyzing properties of materials subject to electric currents; accessories for analytical apparatus and instruments for laboratory use, namely, UV curing instrument for analyzing properties of materials subject to ultraviolet radiation; accessories for analytical apparatus and instruments for laboratory use, namely, dieletric measurement instrument for analyzing properties of materials subject to an oscillating electrical field; accessories for analytical apparatus and instruments for laboratory use, namely, diaelectric thermal analysis instrument for analyzing properties of materials subject to controlled temperatures and an oscillating electrical field; accessories for analytical apparatus and instruments for laboratory use, namely, immobilization cells in the nature of environmental test chambers for characterizing the drying, retention, and immobilization kinetics of paints, coatings, and slurries; laboratory apparatus and instruments in the nature of starch pasting cells, namely, environmental test chambers for analyzing starches; dynamic mechanical analysis accessories, namely, dynamic mechanical analysis instrument for analyzing material properties of solid materials; orthogonal superposition accessories, namely, instruments for analyzing nonlinear viscoelasticity; 2-dimensional small amplitude oscillatory shear accessories, namely, instruments for analyzing nonlinear viscoelasticity; extensional viscosity fixture accessories, namely, instruments for analyzing extensional viscosity and stress; laboratory apparatus and instruments in the nature of cone and partitioned plate accessories, namely, instruments used for analyzing elastic materials; degassing stations, namely, laboratory apparatus and instruments for removing gasses from samples; accessories for interfacial rheometers for measuring the viscosity and viscoelasticity of fluids, namely, sample cups and bobs; accessories for rheometers for measuring the viscosity and viscoelasticity of fluids, namely, helical bobs and vane bobs; calorimeter incorporating air-based temperature control; recorded or downloadable software for calorimeters, rheometers, thermomechanical analyzers, viscometers, dilatometers, and instruments for gravimetric analysis, theromogravametric analysis, sorption analysis, thermal analysis, thermal conductivity, dynamic mechanical analysis, and laser flash analysis; recorded or downloadable software for collecting, analyzing, storing, and reporting data from laboratory instruments; recorded or downloadable software for laboratory informatics, instrument control, sample management, managing laboratory workflow, validating laboratory processes, developing and testing analytical methods, facilitating regulatory compliance; recorded or downloadable computer software for collecting, organizing, analyzing, and managing data from analytical equipment in the fields of material testing, chemicals, pharmaceuticals, life sciences, medical devices, electronics, batteries, rubber, aerospace, military, defense, composites, and polymers; recorded or downloadable software for polymer characterization workflows and data analysis in connection

with thermal analysis instruments; recorded or downloadable operating software for rubber testing and battery testing instruments; recorded or downloadable software for controlling rubber-testing instruments, generating test results, and managing data from instruments used in rubber testing, namely, RPA analyzers, mooney viscometers, MDR systems, hardness testers and density testers.

The mark consists of an upward facing triangular design with a curved bottom with a shaded circle directly underneath.

International priority date claimed: 20 July 2026 (US) (50003087)

Class 9:
Downloadable software for the simulation of autonomous vehicle sensors in the nature of camera, radar, lidar and ultrasonic sensors, for the purpose of autonomous vehicle testing and development; downloadable software for running continuous integration testing on autonomous vehicle driving stacks for the purpose of autonomous vehicle development and simulation; downloadable software for analysis and querying of autonomous vehicle simulation data and vehicle logs; downloadable software for displaying autonomous vehicle simulation data, metrics and information in real-time customizable and collaborative dashboards; downloadable software for operation of virtual or live vehicles using vehicle-centric, multi-modality perception, situational awareness, guidance, navigation and controls, vehicle-to-vehicle and vehicle-to-infrastructure communication protocols and networks; downloadable software for running perception algorithms that fuse one or more of camera, LiDAR, radar, synthetic aperture radar, global position system, inertial measurement systems or alternative navigation system sensors to inform a vehicle or operator response to external objects; downloadable software for autonomous vehicle simulation, testing and analysis; downloadable software for processing, testing, troubleshooting, analyzing and visualizing data recorded in vehicle data logs for the purpose of automated and autonomous vehicle testing and development; downloadable software for the simulation and monitoring of autonomous vehicle software architecture, driving stacks and vehicle sensors for the purpose of autonomous vehicle simulation; downloadable software for simulation and testing of data recorded in autonomous vehicle data logs; downloadable software for displaying results of simulation and testing of data recorded in autonomous vehicle data logs; downloadable software for analysis, validation, editing, and management of maps for the purpose of autonomous vehicle simulation, testing, and development; downloadable software for controlling or simulating manned or unmanned air, land, sea and space vehicles used in aerospace, maritime, robotics, military, intelligence, construction, mining or agricultural applications; downloadable software for enabling custom applications on vehicles, accelerating vehicle development with reference hardware architecture, and providing next-generation consumer experiences in a vehicle; downloadable software for over-the-air (OTA) software updates, data logging, and maintaining digital twins of all vehicles and variants; downloadable software for enabling developers to easily build and test software and AI applications for vehicles; downloadable software for developing, designing, configuring, deploying, monitoring, operating, orchestrating, training, simulating, testing, validating, controlling, maintaining, optimizing, and improving intelligent and autonomous machines, physical systems, industrial systems, and engineering systems; downloadable software for deploying and creating intelligent agents that interact with and control intelligent and autonomous machines, physical systems, industrial systems, and engineering systems; downloadable software for operating agentic interfaces that enable artificial intelligence systems to perceive, interact with, control, and coordinate intelligent and autonomous machines, physical systems, industrial systems, and engineering systems; downloadable software for safety verification, simulation, performance evaluation, troubleshooting, and real time decision making for intelligent and autonomous machines, physical systems, industrial systems, and engineering systems; downloadable software for developing, deploying, configuring, managing, orchestrating, monitoring, and operating intelligent software agents and autonomous agents; downloadable software for designing, customizing, deploying, orchestrating, automating, managing, and optimizing enterprise workflows, business processes, organizational functions, and intelligent agent applications; downloadable software for integrating, uploading, processing, managing, and utilizing enterprise data, documents, workflows, and business processes for use by artificial intelligence applications and intelligent agents; downloadable software for enterprise workflow automation, business process automation, customer relationship management (CRM), human resources management, recruiting, talent acquisition, project management, and enterprise operations; downloadable software for workflow automation, workflow orchestration, data integration, and integration of enterprise software systems, databases, application programming interfaces (APIs), software development kits (SDKs), and cloud computing environments; downloadable application programming interface (API) software for integrating artificial intelligence applications, intelligent agents, enterprise software systems, databases, cloud computing environments, and engineering software; downloadable software development kits (SDK); downloadable software for enterprise governance, policy management, security management, compliance management, and lifecycle management of artificial intelligence applications and intelligent agents; downloadable software for engineering design, product lifecycle management, engineering collaboration, systems engineering, and software and hardware design and development; downloadable software for schematic verification, design validation, engineering analysis, machinery architecture design, and engineering project collaboration; downloadable software for data visualization, dashboards, analytics, reporting, and performance monitoring for managing and improving intelligent and autonomous machines, physical systems, industrial systems, and engineering

systems; downloadable software for engineering visualization, digital engineering, systems modeling, simulation, digital twin development, and collaborative engineering design; downloadable software for creating, visualizing, simulating, and analyzing digital models of physical environments, industrial facilities, machinery, infrastructure, and engineering systems; downloadable software using large language models (LLMs) for computer software code generation; downloadable software using large language models (LLMs) for language translation; downloadable software for natural language processing, generation, understanding, reasoning, and analysis; downloadable software for detecting, recognizing, processing, analyzing, interpreting, understanding, generating, creating, enhancing, modifying, and editing text, speech, audio, images, graphics, and video content; downloadable software for converting text and data into software code; downloadable software for detecting, recognizing, processing, analyzing, understanding, generating, completing, debugging, and editing software code; downloadable software for recognizing, translating, and transcribing multilingual text and speech; downloadable software for sharing datasets for machine learning, predictive analytics, and training language, image, and multimodal artificial intelligence models; downloadable software for developing and implementing artificial neural networks, providing simulation environments for testing artificial intelligence agents, algorithms, and software, and using, customizing, fine-tuning, adapting, deploying, evaluating, and operating artificial intelligence models; downloadable software for building, using, and deploying autonomous agents, semi-autonomous agents, and intelligent agents; downloadable software for speech recognition and natural language understanding; downloadable software for orchestrating, routing, monitoring, and managing artificial intelligence models and autonomous software agents; downloadable software using machine learning for training, deploying, operating, and optimizing artificial intelligence model; downloadable software for semantic search, vector search, embedding generation, information retrieval, document indexing, and retrieval-augmented generation (RAG); downloadable software for performing inference using artificial intelligence models, machine learning models, and large language models.

Class 12:
Unmanned aerial vehicles (UAVs); military decoys being unmanned aerial vehicles; air vehicles in the nature of unmanned aerial vehicles (UAVs); drones.

Class 35:
Business consulting services; business consulting services for digital transformation; consultancy and advisory services in the field of business strategy; business consulting services in the field of artificial intelligence (AI), business efficiency, business training, software development, software implementation, and workflow optimization; business data analysis; business analysis and business strategic planning services in the technology industry; business data analysis services in the field of artificial intelligence (AI), business efficiency, business training, software development, software implementation, and workflow optimization; data processing for businesses and management; commercial assistance relating to system implementation and system integration.

Class 42:
Providing on-line non-downloadable software for the simulation of autonomous vehicle sensors, in the nature of camera, radar, lidar and ultrasonic sensors, for the purpose of autonomous vehicle testing and development; providing on-line non-downloadable software for running continuous integration testing on autonomous vehicle driving stacks for the purpose of autonomous vehicle development and simulation; providing on-line non-downloadable software for analysis and querying of autonomous vehicle simulation data and vehicle logs; providing on-line non-downloadable software for displaying autonomous vehicle simulation data, metrics and information in real-time customizable and collaborative dashboards; providing on-line non-downloadable software for the operation of virtual or live vehicles using vehicle-centric, multi-modality perception, situational awareness, guidance, navigation and controls, vehicle-to-vehicle and vehicle-to infrastructure communication protocols and networks; providing on-line non-downloadable software for using perception algorithms that fuse one or more of camera, LiDAR, radar, synthetic aperture radar, global position system, inertial measurement systems or alternative navigation system sensors to inform a vehicle or operator response to external objects; providing on-line non-downloadable software for controlling or simulating manned or unmanned air, land, sea and space vehicles used in aerospace, maritime, robotics, military, intelligence, construction, mining or agricultural applications; providing on-line non-downloadable software for autonomous vehicle simulation, testing and analysis; providing on-line non-downloadable software for processing, testing, troubleshooting, analyzing and visualizing data recorded in vehicle data logs for the purpose of automated and autonomous vehicle testing and development; providing on-line non-downloadable software for simulation and testing of data recorded in autonomous vehicle data logs; providing on-line non-downloadable software for displaying results of simulation and testing of data recorded in autonomous vehicle data logs; providing on-line non-downloadable software for analysis, validation, editing, and management of maps for the purpose of autonomous vehicle simulation, testing, and development; providing on-line non-downloadable software for developing, designing, configuring, deploying, monitoring, operating, orchestrating, training, simulating, testing, validating, controlling, maintaining, optimizing, and improving intelligent and autonomous machines, physical systems, industrial systems, and engineering systems; providing on-line non-downloadable software for deploying and creating intelligent agents that interact with and control intelligent and autonomous machines, physical systems, industrial systems, and engineering systems; providing on-line non-downloadable software for operating agentic interfaces that enable artificial intelligence systems to perceive, interact with, control, and coordinate intelligent and autonomous machines, physical systems, industrial systems, and engineering systems; providing on-line non-downloadable software for safety verification, simulation, performance evaluation, troubleshooting, and real time decision making for intelligent and autonomous machines, physical systems, industrial systems, and engineering systems; providing on-line non-downloadable software for developing, deploying, configuring, managing, orchestrating, monitoring, and operating intelligent software agents and autonomous agents; providing on-line non-downloadable software for designing, customizing, deploying, orchestrating, automating, managing, and optimizing enterprise workflows, business processes, organizational functions, and intelligent agent applications; providing on-line non-downloadable

software for integrating, uploading, processing, managing, and utilizing enterprise data, documents, workflows, and business processes for use by artificial intelligence applications and intelligent agents; providing on-line non-downloadable software for enterprise workflow automation, business process automation, customer relationship management (CRM), human resources management, recruiting, talent acquisition, project management, and enterprise operations; providing on-line non-downloadable software for workflow automation, workflow orchestration, data integration, and integration of enterprise software systems, databases, application programming interfaces (APIs), software development kits (SDKs), and cloud computing environments; application service provider featuring application programming interface (API) software for integrating artificial intelligence applications, intelligent agents, enterprise software systems, databases, cloud computing environments, and engineering software; providing on-line non-downloadable software for software development kits (SDKs); providing on-line non-downloadable software for enterprise governance, policy management, security management, compliance management, and lifecycle management of artificial intelligence applications and intelligent agents; providing on-line non-downloadable software for engineering design, product lifecycle management, engineering collaboration, systems engineering, and software and hardware design and development; providing on-line non-downloadable software for schematic verification, design validation, engineering analysis, machinery architecture design, and engineering project collaboration; providing on-line non-downloadable software for data visualization, dashboards, analytics, reporting, and performance monitoring for managing and improving intelligent and autonomous machines, physical systems, industrial systems, and engineering systems; providing on-line non-downloadable software for engineering visualization, digital engineering, systems modeling, simulation, digital twin development, and collaborative engineering design; providing on-line non-downloadable software for creating, visualizing, simulating, and analyzing digital models of physical environments, industrial facilities, machinery, infrastructure, and engineering systems; providing on-line non-downloadable software for using large language models (LLMs) for computer software code generation; providing on-line non-downloadable software for using large language models (LLMs) for language translation; providing on-line non-downloadable software for natural language processing, generation, understanding, reasoning, and analysis; providing on-line non-downloadable software for detecting, recognizing, processing, analyzing, interpreting, understanding, generating, creating, enhancing, modifying, and editing text, speech, audio, images, graphics, and video content; providing on-line non-downloadable software for converting text and data into software code; providing on-line non-downloadable software for detecting, recognizing, processing, analyzing, understanding, generating, completing, debugging, and editing software code; providing on-line non-downloadable software for recognizing, translating, and transcribing multilingual text and speech; providing on-line non-downloadable software for sharing datasets for machine learning, predictive analytics, and training language, image, and multimodal artificial intelligence models; providing on-line non-downloadable software for developing and implementing artificial neural networks, providing simulation environments for testing artificial intelligence agents, algorithms, and software, and using, customizing, fine-tuning, adapting, deploying, evaluating, and operating artificial intelligence models; providing on-line non-downloadable software for building, using, and deploying autonomous agents, semi-autonomous agents, and intelligent agents; providing on-line non-downloadable software for speech recognition and natural language understanding; providing on-line non-downloadable software for orchestrating, routing, monitoring, and managing artificial intelligence models and autonomous software agents; providing online non-downloadable software using machine learning for training, deploying, operating, and optimizing artificial intelligence model; providing on-line non-downloadable software for semantic search, vector search, embedding generation, information retrieval, document indexing, and retrieval-augmented generation (RAG); providing on-line non-downloadable software for performing inference using artificial intelligence models, machine learning models, and large language models; providing on-line non-downloadable software for the simulation and monitoring of autonomous vehicle software architecture, driving stacks and vehicle sensors for the purpose of autonomous vehicle simulation.

Applied Intuition, Inc.

Representative: Abion UK Limited
The Forum St. Paul's 33 Gutter Lane London EC2V 8AS
UNITED KINGDOM

WO0000001923317(18, 25, 28, 35)
Office of Origin: EM

Date of International Registration: 06 March 2026
Date of Designation in the UK: 06 March 2026

International priority date claimed: 20 October 2025 (EM) (019263484)
The mark contains the colours blue Pantone 287 C; yellow Pantone 108 C.

Class 18:
Luggage, bags, wallets and carrying bags; rucksacks.

Class 25:
Clothing; sportswear; footwear and headgear.

Class 28:
Skates; ice skates; roller skates; ice skate blades; ice skate blade guards; sports equipment; sporting articles and equipment.

Class 35:
Advertising; business administration and management; business organisation; office functions; business management, organisation and administration services for a trade company; retail services and wholesale services, connected with the sale of travelling bags, bags, pocket wallets, portable containers, backpacks, clothing, sportswear, clothing parts, footwear, headgear, roller skates, ice skates, ice skate blades, ice skate

blade guards, sporting articles and sporting equipment via online, mail order, telephone and teleshopping services.

WO0000001938944(9, 16, 25, 28, 41)
Office of Origin: US

Date of International Registration: 13 July 2026
Date of Designation in the UK: 13 July 2026

International priority date claimed: 11 May 2026 (US) (99815817)
International priority date claimed: 11 May 2026 (US) (99815825)
International priority date claimed: 11 May 2026 (US) (99815855)
International priority date claimed: 11 May 2026 (US) (99815856)
International priority date claimed: 11 May 2026 (US) (99815860)

Class 9:
Downloadable graphic novels; downloadable video game software; downloadable computer game software; downloadable mobile applications for playing video games; downloadable video recordings featuring cartoons and anime; downloadable films and movies featuring anime, animation, and cartoons provided via a video-on-demand service.

Class 16:
Printed comic books; printed manga comic books; stickers; printed graphic novels; printed manga graphic novels; collectible printed trading cards; printed posters; art prints.

Class 25:
T-shirts; shirts; clothing jackets; clothing jerseys; beanies; baseball caps and hats; hats; headwear; shorts; tank tops; sweatshirts; hooded sweatshirts; long-sleeved shirts; bandanas; wristbands as clothing; headbands; shoes; sleepwear.

Class 28:
Action figure toys; stuffed and plush toys; trading card games; toy masks; dolls.

Class 41:
Music production services; audio recording and production; music video production; entertainment services, namely, providing online video games; entertainment services in the nature of production of animated films, movies, television shows, and video clips; production and distribution of television shows and movies; providing entertainment information in the fields of films and television shows featuring anime, animation, and cartoons via a website; providing online non-downloadable comic books and graphic novels; providing online non-downloadable videos in the field of anime, animation, and cartoons; providing non-downloadable videos in the field of anime, animation, and cartoons via a website.

Date of Designation in the UK: 17 July 2026

corrivium

Class 9:
Downloadable webcasts; digital video apparatus for professional television use.

Class 38:
Webcasting a television programme via the Internet; streaming of data; webcasting (broadcasting over a global computer network); video transmission services; video communication services; digital transmission services; transmission of digital media files; webcasting services; information services relating to broadcasting; netcasting (broadcasting over a global computer network); rental of apparatus for the broadcast of video signals; rental of broadcasting equipment; audiovisual transmission services; transmittal of video films; video-on-demand transmission; communication network consultancy; consultancy services relating to communications; consultancy services relating to data communications; consultancy services relating to end to end delivery of live streaming; consultancy services relating to broadcasting services; consultancy services relating to delivery of live and on-demand video by telecommunications.

Class 41:
Providing television programmes, not downloadable, via video-on-demand services; live entertainment; providing online videos, not downloadable; video entertainment services; live music services; production of webcasts, other than advertising; provision of non-downloadable audio and video entertainment via streaming services; organisation of entertainment events; organising of entertainment and social events (entertainment, sporting and cultural services); corporate event management being arranging and conducting of seminars; providing films, not downloadable, via video-on-demand transmission services; providing television programs, not downloadable, via video-on demand transmission services.

Class 42:
Hosting computer sites (web sites); hosting of software as a service (SaaS); Internet portal services (designing or hosting); web portal services (designing or hosting); creating and designing web pages for others; creating and maintaining web sites for others; online provision of web-based applications (non-downloadable); online provision of web-based software (non-downloadable); providing information relating to computer technology and programming via a web site; web site design; web site design consultancy; technical support services, namely, troubleshooting of computer software problems; provision of non-downloadable cloud based software; computer software consultancy relating to live stream cloud services.

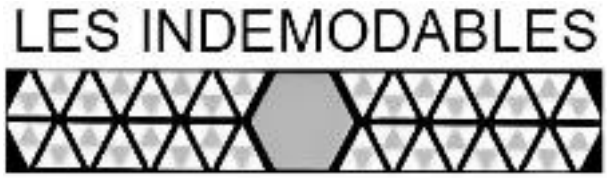
Class 30:
Sugar; potato flour; honey; cereal-based snack food; vegetal preparations for use as coffee substitutes; ice cream; preparations for stiffening whipped cream; tea; cereal preparations.

Class 32:
Plant-based drinks; whey beverages; beer; smoothies; vegetable juices [beverages]; waters [beverages]; non-alcoholic beverages flavored with coffee; soda; preparations for making non-alcoholic beverages; fruit juice.

Class 33:
Alcoholic fruit extracts; peppermint liqueurs; alcoholic beverages, except beer; alcoholic seltzers; spirits [beverages]; rice wine; baijiu [Chinese distilled alcoholic beverage]; yellow rice wine; plum wine; fruit sparkling wine.



Class 35:
Wholesale services or retail services for veterinary medicines; sponsorship search; administrative services for the relocation of businesses; word processing; accounting; personnel management consultancy; commercial administration of the licensing of the goods and services of others; wholesale services or retail services for pharmaceuticals; advertising; marketing.

SIGRACOAT

International priority date claimed: 18 December 2025 (EM) (019293622)

Class 1:
Carbon for industrial purposes; graphite for industrial purposes; carbon powder; graphite powder; metal carbide and graphite composite materials; ceramic materials; sheets made from flexible natural graphite or expanded natural graphite, reinforced with stainless steel and PTFE; graphite salts, graphite intercalation compounds for industrial purposes in particular for making expanded graphite or flexible graphite; expanded graphite or flexible graphite, in particular for processing graphite foils, graphite laminates, packings, sealing materials and heat insulating materials.

Class 7:
Bearings and bushings, other than for vehicles; brushes for electric motors and generators and their parts; vanes and rotors other than for vehicles; sliding elements, sliding rails, slicing beams, rods, sleeves, rings [parts of machines and motors]; muffles [parts of machines], muffle tubes [parts of machines], tubes [parts of machines], pipes [parts of machines], rollers [parts of machines], arms [parts of machines]; molds [parts of machines]; motor driven pumps, parts for motor driven pumps, pump casings and pump impellers, shaping dies [machine tools], tapping spouts [parts of machines], slide plates [parts of machines], polychucks [parts of machines]; seal rings other than for vehicles; refining shafts for the treatment of molten metal; parts for electric mixers, dish washers, washing machines; stators [parts of machines]; stinger pencils being electrodes for melting metal; oil-free running steering discs [parts of machines]; all the aforesaid goods made from graphite and/or carbon; machines and machine parts, in particular dynamo brushes made from coal or bronze; all aforementioned goods also comprising a protective coating.

Class 9:
Graphite components for single crystal growth including PVT processes, namely, crucibles, plates, boats, susceptors, heat shields, ceiling, heating elements, insulation material, seed holders, cones, hot zone parts, reflectors, heaters, funnels; diffusion plates, baffle plates, pins, cover plates; graphite components for CVD processes and reactors, in particular MOCVD and epitaxy, namely, crucibles, chamber, plates, boats, susceptors, wafer carriers, heat shields, ceiling, heating elements, insulation material, seed holders, cones, hot zone

parts, reflectors, heaters, funnels; baffle plates, pins, cover plates; X-ray components, not for medical purposes, namely plates, rods tubes, targets; electron beam components, namely, plates, rods, tubes, targets; all aforementioned goods also comprising a protective coating.

Class 11:
Components for aerospace, space, automotive, and high impact applications, namely, crucibles, plates, boats, susceptors, wafer carriers, heat shields, ceilings, heating elements, insulation material, seed holders, cones, hot zone parts, walls, reflectors, heaters, funnels, diffusion plates, baffle plates, pins, liners for abrasive applications, tubes, shields; components for high temperature applications, for furnaces and reactors, namely, crucibles, rings, cylinders, plates, boats, susceptors, wafer carriers, heat shields, ceilings, heating elements, insulation material, seed holders, cones, hot zone parts, walls, reflectors, heaters, funnels, diffusion plates, baffle plates, pins, cover plates; heat and/or corrosion resistant components for nuclear application, namely shingles, diffusion plates, funnels, fuel matrix or pebbles, blocks, reflectors; apparatus for the chemical industry or the process technology, namely columns, column internals, distillation apparatus, heat exchangers, quenches, absorbers, desorbers, demisters, containers, scrubbers, washers, rupture disks, heat exchangers parts, namely, pipes, blocks, tubes, sleeves; all the aforesaid goods made from graphite and/or carbon, or carbon fibre reinforced carbon, comprising a protective coating.

Class 12:
Bearings for motor vehicles, bushings for motor vehicles; vanes and rotors being parts of land vehicles engines; rings, sliding elements and sliding rails being parts of land vehicle engines; slide plates and seal rings being parts of land vehicle engines; commutator discs being parts of land vehicle engines; all aforementioned goods also comprising a protective coating.

Class 17:
Graphite foils and graphite laminates made from expanded graphite or flexible graphite other than for packaging, namely, for use as sealing materials and stopping materials, namely gaskets, seals, packing rings and release liners, and thermal insulation materials; laminates containing graphite foils, namely, laminate foil consisting of graphite made with and without metal for the manufacture of gaskets, sealant compounds, packing rings, brake lining materials, thermal insulating materials, insulating materials, liners, diffusion barriers, heating elements; semi-finished products of graphite foils, graphite laminates and laminates containing graphite foils, in particular for making packing, stopping and insulating materials, and thermal shields and linings; packing, stopping and insulating materials of expanded graphite or flexible graphite, of graphite foil, graphite laminates and laminates containing graphite foils; reinforced graphite foil in the form of yarn containing metal for gaskets, sealant compounds, packing rings, brake lining materials, thermal insulating materials, insulating materials, liners diffusion barriers, heating elements; graphite and metal composite materials in the form of sheets and rolls containing graphite foil; semi-finished products made from expanded graphite powder or flexible graphite powder for oxidation, corrosion and temperature resistant materials; sealing sheets made from flexible graphite or expanded graphite, reinforced with stainless steel and PTFE for making stopping materials, in particular gaskets and seals; gaskets and seals made from graphite sealing sheets containing flexible graphite or expanded graphite, reinforced with stainless steel and PTFE; all aforementioned goods also comprising a protective coating.

SGL CARBON SE

WO00000001938911(1, 6, 7, 8, 14, 35, 36, 40)
Office of Origin: EM

Date of International Registration: 07 May 2026
Date of Designation in the UK: 07 May 2026

Cookson-CLAL
Part of HM Precious Metals

International priority date claimed: 03 December 2025 (EM) (019285860)
The mark contains the colours blue, yellow and white.

Class 1:
Chemical substances, chemical materials and chemical preparations; tempering and soldering preparations; chemical substances and solutions for deposition processes and for galvanising processes, galvanizing preparations; electrolytes, electrolyte solutions, plating baths and galvanising baths for separating metals and precious metals, in particular for separating gold, silver, rhodium, palladium, platinum (metal), ruthenium, nickel, copper or their alloys.

Class 6:
Anvils.

Class 7:
Electric polishing apparatus and parts and fittings for electric polishing apparatus; ultrasonic cleaning apparatus (in the form of industrial cleaning apparatus) and parts and fittings for ultrasonic cleaning apparatus, 3D printers.

Class 8:
Hand-operated tools and precision tools for making and working jewellery, hand-operated tools and precision tools for forging gold and forging silver; hand-operated goods, namely files [tools], saws [hand tools], pliers, pincers, hammers [hand tools] and nibblers, lathe tools, abrading tools, graving tools and instruments for engraving; moulding tools and embossers for metal parts; hand-operated tools for spark erosion and die sinking; hand-operated polishing and finishing tools; parts and fittings for aforesaid goods.

Class 14:
Precious metals and their alloys; unprocessed and semi-processed materials made from precious metals and alloys thereof, namely bars, circular blanks, bands, sheets, wire, pipes, sectional pipes, rings, profile rings, poles and rods, in particular for manufacturing coins, circulation coins, collectible coins and jewellery, clocks and technical apparatus and coatings; articles of precious metal and their alloys, namely coins, circulation coins and collectible coins; precious stones, pearls and imitations thereof; jewellery; rings [jewellery]; rings

(jewellery), in particular wedding rings, of precious or common metals or their alloys.

Class 35:
Advertising, marketing and promotional services; business management; business administration; wholesaling, retailing and mail order, including the aforesaid trading services being provided online, in relation to chemical substances, chemical materials and chemical preparations; wholesaling, retailing and mail order, including the aforesaid trading services being provided online, in relation to alloys for dental, dental technology and medical technology purposes; wholesaling and retailing, and mail order, also via the Internet, in relation to the following goods: ceramics and materials of plastic for dental purposes, for dental technical purposes and for technical medical purposes, materials for filling teeth, teeth filling materials and sealing materials for dental and dental technical purposes; wholesaling, retailing and mail order, including the aforesaid trading services being provided online, in relation to materials for preparing and processing models for dental and dental technology; wholesaling, retailing and mail order, including the aforesaid trading services being provided online, in relation to adhesives for dental and dental technology purposes and solvents for dental and dental technology purposes; wholesaling and retailing, and mail order, also via the Internet, in relation to the following goods: common metals and their alloys, copper and copper alloys, unprocessed and semi-processed materials made from the aforesaid metals and alloys, namely bars, circular blanks, bands, sheets, wire, pipes, sectional pipes, rings, profile rings, poles and rods, in particular for manufacturing coins, circulation coins, collectible coins and jewellery, clocks and technical apparatus and coatings and welding and brazing materials; wholesaling, retailing and mail order, including the aforesaid trading services being provided online, in relation to scientific research and laboratory apparatus, measuring instruments and apparatus and instruments for measuring temperature; wholesaling, retailing and mail order, including the aforesaid trading services being provided online, in relation to apparatus for electrolytic separation, galvanising apparatus, electrolytic polishing apparatus, electric polishing apparatus, electrolysing apparatus and electric and electronic apparatus for electrophoretic separation; wholesaling, retailing and mail order, including the aforesaid trading services being provided online, in relation to centrifuges and drying centrifuges for laboratory purposes and ultrasonic cleaning apparatus; wholesaling and retailing, and mail order, also via the Internet, in relation to the following goods: electric and electronic control and inspection equipment, sensors, detectors and probes, software, including being recorded or provided via the Internet, electric and electronic apparatus for dental purposes, data-processing apparatus and computer programs recorded on data carriers; wholesaling, retailing and mail order, including the aforesaid trading services being provided online, in relation to furnaces, ceramic kilns, sintering furnaces, smelting furnaces and water treatment apparatus; wholesaling and retailing, and mail order, also via the Internet, in relation to the following goods: precious metals and alloys thereof, unprocessed and semi-processed materials made from precious metals and alloys thereof, namely bars, circular blanks, bands, sheets, wire, pipes, sectional pipes, rings, profile rings, poles and rods, in particular for manufacturing coins, circulation coins, collectible coins and jewellery, clocks and technical apparatus and coatings, articles made of precious metals and their alloys, namely precious stones, pearls and imitations thereof, jewellery, jewellery and rings being jewellery; wholesaling and retailing, and mail order, also via the Internet, in relation to the following goods: hand-operated tools and precision tools for making and working jewellery, hand-operated tools and precision tools for forging gold and forging silver, hand-operated goods, namely files [tools], sawing (saw mill), tongs and pliers, tweezers, hammers and anvils, milling apparatus, lathe tools, abrading instruments, graving tools and graving tools, moulding tools and cutting dies for metal parts, hand-operated tools for spark erosion and sink erosion, hand-operated polishing and finishing tools.

Class 36:
Investment services.

Class 40:
Treatment of materials, namely metal casting, metal plating, gilding, silver plating, engraving, embossing, custom 3D printing for others; recycling, in particular of metals and precious metals; galvanization, surface galvanisation; coating services, namely chemical coatings, electrodeposition, coating of surfaces, CVD (chemical vapour deposition) coating and PVD (physical vapour deposition) coating; engraving, in particular engraving of jewellery and coin engraving, embossing, in particular coin minting.

Heimerle + Meule GmbH

Office of Origin: EM

Date of International Registration: 24 June 2026
Date of Designation in the UK: 24 June 2026

The mark contains the colours blue and turquoise.

Class 1:
Chemical and postbiotic organic compositions for use in the manufacture of food and beverages; bacterial cultures containing postbiotics for the food industry; postbiotic bacterial formulations [other than for medical use] for use in the manufacture of food and beverages; bacterial cultures containing postbiotics for addition to food products; postbiotic bacteria for use in food manufacture; cultures containing postbiotic of microorganisms other than for medical and veterinary use; cultures containing postbiotic of microorganisms for industrial use; cultures containing postbiotics of microorganisms, other than for medical and veterinary use; enzyme preparations for the food industry.

Class 5:
Dietetic food containing postbiotic adapted for medical use; dietetic beverages containing postbiotics adapted for medical

purposes; nutritional supplements containing postbiotics; dietary and nutritional supplements containing postbiotics; food supplements containing postbiotics for veterinary use; protein dietary supplements containing postbiotics; infant formula containing postbiotics; powdered milk for babies containing postbiotics.

Date of International Registration: 13 April 2026
Date of Designation in the UK: 13 April 2026

International priority date claimed: 17 October 2025 (EM) (019262878)
The mark contains the colours red and white.

Class 12:
Vehicles; bicycles and parts of bicycles; delivery bicycles; electric hybrid transport vehicles; children's bicycles and their parts; tricycles, children's tricycles, bicycle trailers (being vehicles); tandem bicycles; bicycles; accessories and parts of aforementioned goods, namely, baskets adapted for bicycles, bags for bicycles, luggage carriers for cycles, casings for

pneumatic tyres, inner tubes for pneumatic tyres, brakes, bells, bottom brackets, duo seats, bicycle frames, handlebar ends for bicycles, dress guards for bicycles, fitted vehicle covers, chains [bicycle parts], gear wheels [bicycle parts], chain guards [bicycle parts], pedal bicycles, pumps for inflating bicycle tyres, bicycle kickstands, mudguards, handlebars [bicycle parts], wheel trims, spokes for bicycle wheels, forks [bicycle parts], freewheels for bicycles; seat pillars [parts of vehicles]; water bottle cages for bicycles.

Class 35:
Commercial intermediation services and business advisory services on the purchasing, sale, import and export of vehicles, motorized bicycles and scooters, bicycles and their parts, children's bicycles and their parts, tricycles, children's tricycles, bicycle trailers and tandem bicycles (being vehicles); import-export agency services and commercial intermediation services in relation to bicycles and bicycle parts; development of marketing and commercial concepts in the field of the sale of bicycles, including commercial consultancy in relation to private label concepts for third partiess; retail and wholesale services for bicycles, including through a website by means of the internet; advisory, consultancy and information in relation to aforementioned services, including provided via electronic networks such as the internet.

Class 37:
Assembling, maintenance, repair, restoration and servicing services in relation to vehicles, including bicycles and delivery bicycles; tuning of bicycles; installation, assembling and replacement of bicycle parts and accessories; consultancy and information regarding the aforesaid services, including via electronic networks such as the internet.

DOCA MEMOS

International priority date claimed: 19 February 2026 (JM) (96711)

Class 9:
Downloadable software; downloadable software for managing, routing, and sharing key-value (KV) cache data and memory across compute, data nodes, and artificial intelligence computing infrastructure; downloadable software for hardware-accelerated key-value (KV) cache offloading, data orchestration, and secure low-latency memory sharing for infrastructure; downloadable software for operating systems and firmware for optimizing data processing units (DPUs) and network fabric, for hardware-encrypted cache retrieval, and for memory management; downloadable software for offloading, storing, and retrieving key-value (KV) cache data in distributed computing environments; downloadable software for extending graphic processing unit (GPU) and data processing unit (DPU) memory capacity and reducing recomputation in inference workloads; downloadable software for optimizing and enabling data processing units (DPUs) and memory tiers for managing and sharing key-value (KV) cache across networks; downloadable software for hardware-accelerated data integrity verification and encryption in computing models; downloadable software utilizing remote direct memory access (RDMA) protocols for low-latency cache retrieval; downloadable software for enabling memory sharing by multi-turn artificial intelligence agents across computing pods; downloadable software for inference workloads for converting network flash storage into pod-level cache tiers; downloadable software for extending effective graphics processing unit (GPU) memory capacity, managing context windows, and accelerating multi-turn AI agent inference; downloadable software for building agentic key-value (KV) cache sharing frameworks across the artificial intelligence pods; downloadable software for extending effective graphic processing unit (GPU) memory capacity, reducing recomputation, and boosting tokens per second for long-context, multi-turn agentic inference; downloadable software for metadata management, data placement, cache recall, cache pre-staging, tenant policy enforcement, and data protection for artificial intelligence (AI)-native key-value (KV) cache and context memory storage; downloadable software development kits (SDKs); downloadable software development tools; downloadable software featuring libraries for software development; downloadable software that assists computers in deploying parallel applications and performing parallel computations; downloadable artificial intelligence software; downloadable software for facilitating data transmission, data collection, data analysis, and decision-making; downloadable software for data processing for use in data analysis, accessing and editing large-scale data, interactive visual computing, and maximizing graphics processing and performance; downloadable software for data centers for use in collecting, analyzing and reporting of computer network data; downloadable software for the storage of electronic data; downloadable software for managing large scale data centers, data analysis, data storage, and storage system performance analysis; downloadable software for enhancing computer performance and for operation of integrated circuits, micro-processors, GPUs, and DPUs; downloadable software for managing computer networks; downloadable software for deploying, distributing, configuring, and managing other software; downloadable software for data and application migration; downloadable electronic data files featuring source code, text, and images; downloadable application programming interfaces (APIs); downloadable computer software libraries; downloadable software for orchestrating distributed storage and retrieval of AI inference context within agent-based systems; downloadable software for optimizing data access patterns specific to AI-native storage architectures; downloadable software for managing persistent inference context as a primary data structure in AI workflows; downloadable software using artificial intelligence for enabling, integrating, managing, distributing, and optimizing access to AI-native key-value (KV) cache data within agent-based inference systems; downloadable software for enabling, integrating, managing, distributing, and optimizing access to AI-native key-value (KV) cache data within agent-based inference systems; downloadable software for storing,

accessing, retrieving, reusing, integrating, and sharing inference workload, context, and session history, interactions, reasoning, and agentic workflows utilizing AI-native key-value (KV) cache management technologies; downloadable software for managing agentic workflows in artificial intelligence (AI) applications featuring dynamic cache management and storage systems; downloadable application programming interfaces (APIs) for storing, accessing, retrieving, reusing, integrating, and sharing inference workload, context, and session history, interactions, reasoning, and agentic workflows utilizing AI-native key-value (KV) cache management technologies; downloadable application programming interfaces (APIs) for managing agentic workflows in artificial intelligence (AI) applications featuring dynamic cache management and storage systems; downloadable software for data storage, database management, computer hardware and infrastructure virtualization, networking, collaboration, remote access, remote support, cloud computing, data sharing, data security, access, administration and management of computer applications and computer hardware, and computer application distribution; downloadable software for scalable application and data management, and for migration of applications and data; downloadable software for the collection, managing, editing, organizing, modifying, transmission, and sharing of data and information.

Class 42:
Providing online non-downloadable software; providing online non-downloadable software for managing, routing, and sharing key-value (KV) cache data and memory across compute, data nodes, and artificial intelligence computing infrastructure; providing online non-downloadable software for hardware-accelerated key-value (KV) cache offloading, data orchestration, and secure low-latency memory sharing for infrastructure; providing online non-downloadable software for operating systems and firmware for optimizing data processing units (DPUs) and network fabric, for hardware-encrypted cache retrieval, and for memory management; providing online non-downloadable software for offloading, storing, and retrieving key-value (KV) cache data in distributed computing environments; providing online non-downloadable software for extending graphics processing unit (GPU) and data processing units (DPU) memory capacity and reducing recomputation in inference workloads; providing online non-downloadable software for optimizing and enabling data processing units (DPUs) and memory tiers for managing and sharing key-value (KV) cache across networks; providing online non-downloadable software for hardware-accelerated data integrity verification and encryption in computing models; providing online non-downloadable software utilizing remote direct memory access (RDMA) protocols for low-latency cache retrieval; providing online non-downloadable software for enabling memory sharing by multi-turn artificial intelligence agents across computing pods; providing online non-downloadable software for inference workloads for converting network flash storage into pod-level cache tiers; providing online non-downloadable software for extending effective graphics processing unit (GPU) memory capacity, managing context windows, and accelerating multi-turn AI agent inference; providing online non-downloadable software for building agentic key-value (KV) cache sharing frameworks across the artificial intelligence pods; providing online non-downloadable software for extending effective graphic processing unit (GPU) memory capacity, reducing recomputation, and boosting tokens per second for long-context, multi-turn agentic inference; providing online non-downloadable software for metadata management, data placement, cache recall, cache pre-staging, tenant policy enforcement, and data protection for artificial intelligence (AI)-native key-value (KV) cache and context memory storage; software as a service (SaaS); cloud computing services featuring software for use in artificial intelligence; cloud-based supercomputing; providing online non-downloadable software development kits (SDKs); providing online non-downloadable software development tools; providing online non-downloadable software featuring libraries for software development; providing online non-downloadable software that assists computers in deploying parallel applications and performing parallel computations; providing online non-downloadable artificial intelligence software; providing online non-downloadable software for facilitating data transmission, data collection, data analysis, and decision-making; providing online non-downloadable software for data processing for use in data analysis, accessing and editing large-scale data, interactive visual computing, and maximizing graphics processing and performance; providing online non-downloadable software for data centers for use in collecting, analyzing and reporting of computer network data; providing online non-downloadable software for the storage of electronic data; providing online non-downloadable software for managing large scale data centers, data analysis, data storage, and storage system performance analysis; providing online non-downloadable software for enhancing computer performance and for operation of integrated circuits, micro-processors, GPUs, and DPUs; providing online non-downloadable software for managing computer networks; providing online non-downloadable software for deploying, distributing, configuring, and managing other software; providing online non-downloadable software for data and application migration; design and development of computer hardware and software; cloud computing services; electronic storage of data; computer software technical support services, providing information relating to computer technology; providing information relating to computer programming; providing information relating to computer programs; providing computer hardware and software information online; providing information in the fields of technology and software development via an on-line website; providing information relating to computer technology and programming via a website; software as a service (SaaS) featuring software for managing agentic workflows in artificial intelligence (AI) applications; providing temporary use of non-downloadable software for enabling, integrating, managing, distributing, and optimizing access to AI-native key-value (KV) cache data within agent-based inference systems; technical support services in the field of AI-native storage infrastructure, namely, troubleshooting performance of software-defined acceleration for storage, networking, and security; design and development of custom hardware and software solutions for managing persistent inference context in AI-native data workflows; consulting services related to the integration of agentic workflow orchestration and AI-native storage systems; artificial intelligence as a service (AIAAS) featuring software using artificial intelligence for enabling, integrating, managing, distributing, and optimizing access to AI-native key-value (KV) cache data within agent-based inference systems; infrastructure as a service (IAAS) being hosting software for enabling, integrating, managing, distributing, and optimizing access to AI-native key-value

(KV) cache data within agent-based inference systems; providing temporary use of non-downloadable software for storing, accessing, retrieving, reusing, integrating, and sharing inference workload, context, and session history, interactions, reasoning, and agentic workflows utilizing AI-native key-value (KV) cache management technologies; software as a service (SaaS) featuring software for managing agentic workflows in artificial intelligence (AI) applications featuring dynamic cache management and storage systems; providing temporary use of non-downloadable software for use as an application programming interfaces (APIs) for storing, accessing, retrieving, reusing, integrating, and sharing inference workload, context, and session history, interactions, reasoning, and agentic workflows utilizing AI-native key-value (KV) cache management technologies; providing temporary use of non-downloadable software for use as an application programming interfaces (APIs) for managing agentic workflows in artificial intelligence (AI) applications featuring dynamic cache management and storage systems; providing online non-downloadable software for accessing, browsing, sharing, defining, maintaining, virtualizing and communicating information over computer networks and servers; providing online non-downloadable software for data storage, database management, computer hardware and infrastructure virtualization, networking, collaboration, remote access, remote support, cloud computing, data sharing, data security, access, administration and management of computer applications and computer hardware, and computer application distribution; providing online non-downloadable software for scalable application and data management, for migration of applications and data; providing online non-downloadable software for the collection, managing, editing, organizing, modifying, transmission, and sharing of data and information.

Date of International Registration: 17 March 2026
Date of Designation in the UK: 17 March 2026

ENTROPY NEURODYNAMICS

International priority date claimed: 19 September 2025 (AU) (2588378)

Class 1:
Bulk pharmaceutical chemicals and fine chemicals for use in the manufacture of pharmaceuticals; chemicals and chemical preparations for use in the manufacture of pharmaceuticals; chemical compounds for use in the manufacture of psychoactive pharmaceuticals; reagents, solvents, enzymes and assays for scientific use; chemicals, chemical solutions and preparations for scientific and environmental research; diagnostic test kits other than for medical or veterinary use, namely diagnostic test kits containing nucleic acid molecules and reagents; molecular chemical reagents and preparations for microorganism detection for scientific use; chemical, biochemical and diagnostic substances for analytical and biochemical science purposes, namely, for genetic identification, chemical diagnostics, forensic analysis, DNA testing, and analytical molecular biology; chemical reagents for scientific purposes; chemical and biochemical reagents and preparations for use in molecular biology research and laboratories; chemical reagent mixtures, including in kit form, for scientific laboratory use.

Class 5:
Pharmaceutical preparations for human use; psychoactive preparations for medical and therapeutic purposes; mushroom derived pharmaceuticals and therapeutics; pharmaceutical preparations, medicines, dietetic substances adapted for medical use, dietetic foods adapted for medical purposes, nutritional additives for medical purposes, vitamin preparations, pharmaceutical preparations of trace elements, mineral food supplements, bacterial preparations for medical use; chemical and biochemical reagents and preparations for use in molecular biology for pharmaceutical, medical and veterinary use; chemical reagent mixtures, including in kit form, for medical, veterinary and pharmaceutical use; assay kits for medical diagnostic use; pharmaceutical, medical and veterinary preparations; chemical reagents for pharmaceutical use; chemical test reagents (medical); diagnostic reagents for medical laboratory use; reagents for analytical purposes (for medical purposes); universal reagents for use in medical diagnostic tests conducted by automated medical test systems.

Class 42:
Research services in the field of pharmaceuticals; scientific and technological services and research and design relating thereto; pharmaceutical, medical, psychoactive therapeutic research services; research in the field of pharmaceutical and psychoactive therapeutic products; pharmaceutical research and development; research and development of mushroom derived medicines, pharmaceuticals and therapeutics; clinical and research trials; conducting clinical research for pharmaceuticals; providing scientific research information in the field of pharmaceuticals, medicine, psychoactive therapeutic products, research data including clinical trials data; analysis of technical data by computers; cloud computing; providing temporary use of online non-downloadable computer software; providing temporary use of online non-downloadable computer software containing databases of pharmaceutical products, medical information, research data including clinical trial data, patient and treatment data; providing temporary use of online non-downloadable computer software for providing, analysing and generating reports; providing temporary use of online non-downloadable computer software for data processing; providing temporary use of online non-downloadable computer software for the capture, collection, conversion, analysis, communication, processing, receiving, recording, storage and transmission of data, images and information; providing temporary use of online non-downloadable computer software for creating searchable databases of information and data; providing temporary use of online non-downloadable software for analysis in the fields of public health, healthcare, pharmaceutical, psychoactive therapeutics and biomedical research; providing temporary use of online non-downloadable software for analysis of data, including data from clinical trials; providing temporary use of online non-downloadable computer software featuring computer databases of pharmaceuticals and medical information and patient and treatment data; providing temporary use of online non-downloadable computer search engine software for obtaining and providing updated scientific, medicinal, pharmaceutical and clinical information; providing temporary use of online non-downloadable computer software for accessing data and information and for controlling and managing data and information related to pharmaceuticals and psychoactive therapies; providing temporary use of online non-downloadable computer software for measuring, monitoring, processing and tracking health, wellness and medical information.

Class 44:
Providing health and medical information; providing Internet-based healthcare information; providing medical information to healthcare professionals regarding patient data, pharmaceuticals and psychoactive therapeutic products; providing pharmaceutical and medical information relating to the diagnostic, prophylactic and therapeutic properties of pharmaceutical and psychoactive therapeutic products for the prevention and treatment of diseases, disorders and conditions; medical services; medical and pharmaceutical consultation.

Date of Designation in the UK: 14 April 2026

Apilex

International priority date claimed: 14 November 2025 (TR) (2025/148581)

Class 9:
Apparatus for recording, transmission or reproduction of sound or images, cameras, photographic cameras, television apparatus, video recorders, CD and DVD players and recorders, MP3 players, computers, desktop computers, tablet computers, wearable technological devices, namely, smartwatches, smart wristbands and head-mounted cameras; microphones, loudspeakers, earphones, telecommunications apparatus, apparatus for the reproduction of sound or images, computer peripheral devices, cell phones, covers for cell phones, telephone apparatus, computer printers, scanners [data processing equipment], photocopiers; magnetic and optical data carriers and computer software and programmes recorded thereto, downloadable and recordable electronic publications, mobile applications, cryptocurrencies (software), non-fungible tokens (NFT), encoded magnetic and optical cards, movies, tv series and video music clips recorded on magnetic, optical and electronic media; antennas, satellite antennas, amplifiers for antennas, parts of the aforementioned goods; electronic ticket dispensing terminals, automatic teller machines (ATM); electronic components used in the electronic parts of machines and apparatus: semi-conductors, electronic circuits, integrated circuits, chips [integrated circuits], diodes, transistors [electronic], magnetic heads for electronic apparatus, electronic locks, photocells, remote control apparatus for opening and closing doors, optical sensors, counters and quantity indicators for measuring the quantity of consumption, automatic time switches; AI-powered humanoid robots, laboratory robots, educational robots, and security surveillance robots.

Class 41:
Education and training; arranging and conducting of conferences, congresses and seminars; sporting and cultural

activities; entertainment; ticket reservation and booking services for entertainment, sporting and cultural events, including ticket reservation and booking services for theatres, cinemas, museums and concerts, publication and editing of printed matter, including magazines, books, newspapers, other than publicity texts; rental of electronic book readers; production of movie films, radio and television programmes; translation.

Class 42:
Computer services, namely, computer programming, computer virus protection services, computer system design, creating, maintaining and updating websites for others, computer software design, updating and rental of computer software, providing search engines for the internet, hosting websites, consultancy in the design and development of computer hardware, rental of computer hardware, industrial design services, other than engineering, computer and architectural design; graphic arts designing, authenticating works of art.

Class 45:
Legal services, legal consultancy in the fields of intellectual and industrial property rights; consultancy relating to workplace safety; social networking services.

Date of International Registration: 10 April 2026
Date of Designation in the UK: 10 April 2026

zen intelligence

Class 9:
Telecommunication machines and apparatus; videocameras [camcorders]; surveillance video cameras; personal digital assistants; computer and their peripherals; electron tubes; semi-conductor elements; electronic circuits, not including those recorded with computer programs; computer programs; computer programs for displaying, analyzing or processing 360-degree images; computer programs for construction management at building sites; computer programs for managing repair or maintenance of machines, apparatus, instruments (including their parts) or systems composed of such machines, apparatus and instruments; computer programs for managing the layout of factory facilities and equipment; downloadable image files; downloadable images, videos, texts and charts; recorded video discs and video tapes; electronic publications.

Class 37:
Construction; construction consultancy; repair and maintenance of utilities in buildings; shipbuilding; repair or maintenance of vessels; repair or maintenance of railway rolling stocks; repair or maintenance of loading-unloading machines and apparatus; repair or maintenance of fire alarms; repair or maintenance of air conditioners for industrial purposes; repair or maintenance of burners; repair or maintenance of boilers; repair or maintenance of pumps; repair or maintenance of freezing machines and apparatus for industrial purposes; repair or maintenance of electronic machines and apparatus; repair or maintenance of telecommunication machines and apparatus; repair or maintenance of telecommunication machines and apparatus [other than telephone apparatus, radio receivers and television receivers]; repair or maintenance of earth moving machines; repair or maintenance of consumer electric appliances; repair or maintenance of electric lighting apparatus; repair or maintenance of electric motors; repair or maintenance of power distribution or control machines and apparatus; repair or maintenance of power generators; repair or maintenance of industrial furnaces; repair or maintenance of reservoirs; repair or maintenance of gasoline station equipment; repair or maintenance of mechanical parking systems; repair or maintenance of amusement machines and apparatus; repair or maintenance of water pollution control equipment; repair or maintenance of water purifying apparatus for industrial purposes; repair or maintenance of chemical plants; repair or maintenance of nuclear power plants; repair or maintenance of signboards; cleaning of building exterior surfaces; street cleaning.

Class 42:
Architectural design; surveying; designing of machines, apparatus, instruments [including their parts] or systems composed of such machines, apparatus and instruments; design services; computer software design, computer programming, or maintenance of computer software; creating or maintaining web sites for others; technical analysis or storage of electronic data; software as a service [SaaS] for the collection of electronic data; computer technology consultancy; computer system analysis; software as a service [SaaS] for processing information using artificial intelligence; design, programming or maintenance of computer programs for displaying, analyzing or processing 360-degree images; design, programming or maintenance of computer programs for construction management at building sites; design, programming or maintenance of computer programs for managing repair or maintenance of machines, apparatus, instruments (including their parts) or systems composed of such machines, apparatus and instruments; design, programming or maintenance of computer programs for managing the layout of factory facilities and equipment; technological advice relating to computers, automobiles and industrial machines; rental of measuring apparatus; rental of computers; providing computer programs on data networks; software as a service [SaaS]; rental of web servers; providing virtual computer systems through cloud computing; providing information relating to cloud computing; providing non-downloadable online computer software for scientific and technological analysis of data using artificial intelligence; providing non-downloadable online computer programs for displaying, analyzing or processing 360-degree images on data networks; providing non-downloadable online computer programs for construction management at building sites on data networks; providing non-downloadable online computer programs for managing repair or maintenance of machines, apparatus, instruments (including their parts) or systems composed of such machines, apparatus and instruments on data networks; providing non-downloadable online

computer programs for managing the layout of factory facilities and equipment on data networks; rental of laboratory apparatus and instruments; rental of technical drawing instruments.

Zen Intelligence Inc.

Office of Origin: EM

Date of International Registration: 08 January 2026
Date of Designation in the UK: 08 January 2026

International priority date claimed: 16 July 2025 (EM) (019218947)
The mark contains the colours yellow and black.

Class 4:
Industrial oils and greases; lubricants; lubricating oil; motor oil; anti-seize substances [oils]; non-chemical additives, for use in relation to the following goods: greases, oils, lubricants, liquids for hydraulic circuits; industrial greases, waxes and fluids; dust controlling compositions; carburants.

Class 7:
Cranes and parts thereof; lifting and hoisting equipment, in particular cranes on vehicles; derricks; gantry cranes; lifting machines being attachments for vehicles; mobile cranes; stationary cranes; gantry cranes; crawler cranes; rail-mounted cranes; overhead cranes; replacement parts for cranes and elevating apparatus; attachments for cranes; crane hooks; chucks [parts of machines]; crane forks; self-balancing forks for

cranes and elevating apparatus, foldable forks and retractable forks for elevating apparatus, in particular forklift trucks, electric, hydraulic and pneumatic hoists; tool bits for machines; hydraulic grippers; grippers for cranes, in particular suction grapples, orange peel grapples, universal grippers, clamshell buckets, bulk material grapples, slab grabbers; lifting tongs for cranes; pallet forks; brick stack grapples; machines for placing and inserting masts and poles; earth augers; filling machines; hydraulic tools; stacker crane arms; lifts for use with vehicles; winches; agricultural and forestry apparatus mounted on trailers; pile drivers; saws [machines]; snow blowing attachments for vehicles; buckets for earth moving machines; rope tensioners for cranes; reeling apparatus, mechanical; reeling apparatus, mechanical; rotators and manipulators for cranes and elevating apparatus; drive units, other than for land vehicles; machine coupling and transmission components (except for land vehicles); linking devices [parts of machines]; hydraulic circuits for machines; hydraulic drives for tools, machines and motors, in particular for cranes and elevating apparatus; hydraulic pumps; pumps [machines]; cylinders for machines; oil coolers for motors; pressure controllers [valves] being parts of machines; servomotors; rotary engines for cranes and elevating apparatus; auxiliary drives; emergency drives for cranes and elevating apparatus; hybrid drives for cranes and elevating apparatus; hydraulic units; machine axles and joints, differential gear mechanisms for machines; waste management and recycling machines; machines for handling containers; rocker arms [parts of engines]; pile raising devices [machines]; wood grippers (hydraulic -) for forestry use; agricultural, gardening and forestry machines and apparatus; cable cranes; mechanical apparatus for felling, delimbing and/or sawing trees; mechanical apparatus for splitting wood logs, in particular splitting pliers; platform lifts; elevating loading lifts; lifting platforms, lifting platforms, platforms for lifting persons; lifting ramps; self-propelled working baskets; mechanical work platforms; powered access work platforms; moving platforms, in particular loading platforms; hoisting units for platforms and loading platforms; wheelchair elevating platforms; retractable and extendable ramps and elevating and lowering platforms allowing individuals to board and alight from vehicles; capstans; electrically or hydraulically operated winches for use in shipping; loading ramps; windlasses; loading cranes; unloading cranes; derricks; dock cranes; gantry cranes; locomotive cranes; automatic grapnels for marine purposes; facade access systems; lifting and lowering platforms for maintaining and servicing building facades; conveyor cages; lifts for the disabled, swivel lifts; front supports, rear supports, additional supports for cranes and elevating apparatus; removable counterweights of metal for vehicles and cranes and elevating apparatus; support devices of metal for uncoupling loading cranes; accessories for multi-purpose vehicles, namely winch structures, loading cranes, shipboard cranes.

Class 8:
Hand-operated tools and implements for treatment of materials, and for construction, repair and maintenance; emergency and rescue hand tools; fastening and joining tools; pearl catchers [hand-operated tools]; ditchers [hand tools]; spanners [hand tools]; cutting tools [hand tools]; screwdrivers, non-electric; screw wrenches; clamps for carpenters or coopers; tighteners [hand-operated tools]; socket spanners; sets of socket spanners; tool holders; pliers; torque wrenches; bit drivers for hand tools; lifting jacks, hand-operated; lifting tools; lifting jacks, hand-operated; cutting, drilling, grinding, sharpening and surface treatment hand tools; scrapers; clamping wedges; knives; tire irons; tyre levers; handles for hand-operated hand tools; handle grips for hand tools; saws [hand tools]; saw blades; hammers, mallets and sledgehammers; borers; boring tools [hand-operated tools]; milling cutters [hand tools]; grease guns (hand operated -).

Class 9:
Computer programs and computer software, including programs for use in mobile electronic devices; virtual reality software; virtual reality headsets; virtual reality glasses; virtual reality hardware; software for controlling and operating, in particular via remote access, cranes and lifting apparatus, utility and multi-purpose vehicles, lifting platforms, loading ramps, mechanical access platforms, entry and exit aids for vehicles, agricultural and forestry machines, lorries having cranes; software for the providing and transmission of data and information relating to the functional condition of cranes and lifting apparatus, utility and multi-purpose vehicles, lifting platforms, loading ramps, mechanical access platforms, entry and exit aids for vehicles, agricultural and forestry machines, lorries having cranes; software for use in the autonomous controlling of cranes and lifting apparatus, utility and multi-purpose vehicles, lifting platforms, loading ramps, mechanical access platforms, entry and exit aids for vehicles, agricultural and forestry machines, lorries having cranes; software for use in the autonomous and partly autonomous driving of vehicles; software for use in the autonomous and partly autonomous movement of cranes and elevating apparatus; software for the planning of work processes and fleet management; software for the planning of maintenance, servicing and repair work and the providing of information relating to pending maintenance, servicing and repair work; software for exporting data; software for monitoring and diagnosing cranes and lifting apparatus, utility and multi-purpose vehicles, lifting platforms, loading ramps, mechanical access platforms, entry and exit aids for vehicles, agricultural and forestry machines, lorries having cranes; software for the configuration of cranes and lifting apparatus, utility and multi-purpose vehicles, lifting platforms, loading ramps, mechanical access platforms, entry and exit aids for vehicles, agricultural and forestry machines, lorries having cranes; controlling and regulating apparatus for cranes and lifting apparatus, utility and multi-purpose vehicles, lifting platforms, loading ramps, mechanical access platforms, entry and exit aids for vehicles, agricultural and forestry machines, lorries having cranes; radio remote controls for cranes and elevating apparatus, utility and multi-purpose vehicles, elevating work platforms, loading ramps, mechanical access platforms, boarding and alighting aids for vehicles, agricultural and forestry machines, lorries comprising cranes, forklift trucks, truck-mounted forklifts; accessories for radio remote controls; computer joysticks; monitors; electric control panels; graphic display terminals; communications equipment; integrated electronic hazard and collision prevention apparatus for cranes and elevating apparatus; weight measuring instruments; inspecting apparatus and instruments; measuring, detecting and monitoring instruments, indicators and controllers; alignment and calibrating instruments; approximation detectors; levelling instruments; sensors and detectors; safety equipment, alarm equipment, warning equipment; safety, protective and signalling apparatus and equipment; warning lamps for vehicles; safety caps; cameras [photography], especially helmet cameras; covers for mobile telephones.

Class 12:
Vehicles comprising elevating apparatus, in particular cranes; lorries with loading cranes; multipurpose vehicles, accessories for multi-purpose vehicles, namely trailers; container cars; vehicles for the tipping loads, in particular roll-off tippers and skip loaders; forklift trucks; truck-mounted forklifts; forklift trucks; parts and fittings for vehicles; rail vehicles; commercial vehicles; vehicles incorporating apparatus for loading; autonomous cars; remotely operated vehicles; trailers for vehicles; trailer supports; bodies for trailers; dump carts; hydraulic circuits for vehicles; suspensions for vehicles; components for the outer bodies of vehicles; automobile chassis; dumper bodies for trucks; rubbish trucks; vehicle cabs; automobile bodies; seats for motor vehicles, in particular rotary seats; luggage racks for motor vehicles; vehicle axles and joints; differential transmissions for land vehicles, engines for land vehicles; parts for motor vehicles, namely drives; driver's canopies; structures for vehicles for protection from rain and weather; safety signals [audible] for vehicles; hydraulic control systems for vehicles; stability control systems for vehicles; hydraulic connectors for vehicles; invalids' carriages; retractable and extendable access steps for vehicles; equipment for fastening and securing wheelchairs in vehicles; retractable and extendable ramps and elevating and lowering platforms allowing individuals to board and alight from vehicles; tailboard lifts [parts of land vehicles]; tail lifts for vehicles; outriggers for watercraft; structural parts for boats; launches; davits for boats; boat hooks; boat chocks; water vehicles; fenders for water vehicles; tailboard lifts (parts of land vehicles), in particular for attachment to vehicles, vehicle superstructures and/or vehicle chassis; front supports, rear supports, additional supports for vehicles.

Class 21:
Table plates; drinking vessels, in particular cups and mugs.

Class 25:
Clothing, in particular T-shirts; headgear, in particular peaked caps.

Class 28:
Games; scale model vehicles, radio controlled model vehicles; craft model kits.

Class 37:
Rental of cranes and elevating apparatus, elevating work platforms, loading ramps, mechanical access platforms, forklift trucks, truck-mounted forklifts; repair and maintenance services, especially remote maintenance, in relation to the following goods: cranes and hoisting apparatus, accessories for the aforesaid goods, vehicles and parts therefor, elevating work platforms, loading ramps, mechanical access platforms, entry and exit aids for vehicles, agricultural and forestry machines; vehicle maintenance; installation of cranes and elevating apparatus, accessories for cranes and elevating apparatus, vehicles and parts therefor, elevating work platforms, mechanical access platforms, boarding and alighting aids for vehicles, agricultural and forestry machines; consultancy and providing of information relating to repair, maintenance, servicing and installation, in relation to the following goods: cranes and hoisting apparatus, accessories for the aforesaid goods, vehicles and parts therefor, elevating work platforms, loading ramps, mechanical access platforms, entry and exit aids for vehicles, agricultural and forestry machines; providing of information relating to the condition of the following goods: cranes and hoisting apparatus, accessories for the aforesaid goods, vehicles and parts therefor, elevating work platforms, loading ramps, mechanical access platforms, entry and exit aids for vehicles, agricultural and forestry machines, lorries having cranes; reminders of pending maintenance, repair and servicing work, in relation to the following goods: cranes and hoisting apparatus, accessories for the aforesaid goods, vehicles and parts therefor, elevating work platforms, loading ramps, mechanical access platforms, entry and exit aids for vehicles, agricultural and forestry machines, lorries having cranes.

Class 38:
Transmission of digital files; telecommunication services, especially data processing assisted electronic communications services, providing of access to an electronic information portals for data processing assisted electronic information services; shared use of photographs, videos, data, text, documents, messages, advertisements, media advertising, communications and information, namely electronic transmission of digital files, videos and audiovisual content between internet users; telecommunication services, namely, electronic transmission of images, audio-visual and video content, photographs, videos, data, text, messages, advertisements, media advertising communications and information, electronic transmission of documents (services for the -); peer to peer network computer services, especially, in relation to the following fields: electronic transmission of images, audio-visual and video content, photographs, videos, data, text, messages, advertisements, media advertising communications and information, electronic transmission of documents (services for the -); providing access to computer, electronic and online databases; providing online fora for communication, providing online forums, for information purposes; providing email and instant messaging services; providing online communications links to transfer web site users to other web pages; transmission of information relating to the condition of the following goods: cranes and lifting apparatus, fittings for cranes and lifting apparatus, vehicles, vehicle parts, elevating work platforms, loading ramps, mechanical access platforms, entry and exit aids for vehicles, agricultural and forestry machines, lorries comprising cranes; data streaming; transmission of a live stream, transmission of videos; access services for remote operation of the following goods: cranes and lifting apparatus, fittings for cranes and lifting apparatus, vehicles, vehicle parts, elevating work platforms, loading ramps, mechanical access platforms, entry and exit aids for vehicles, agricultural and forestry machines, lorries comprising cranes.

Class 39:
Vehicle rental, especially, rental of lorries, rental of lorries; leasing of trailers; rental of vehicle parts; rental of space, structures, units and containers, for storage and transportation; arranging of vehicle hire; recovery services for vehicles; vehicle location services; information services relating to the location of goods; vehicle tracking, location and surveillance, tracking, locating and monitoring of freight; logistics in the field of tracking, locating and monitoring vehicles, logistical services, in relation to the following fields: tracking, locating and monitoring of freight; route planning services; logistical services, in relation to the following fields: transportation and delivery of goods; consultancy and providing of information, in

relation to the following fields: transportation and delivery of goods; consultancy and providing of information, in relation to the following fields: loading of cargo.

Class 41:
Training; teaching; publishing services, in particular electronic publishing services; publication of electronic journals and blogs; publication of educational teaching materials; provision of electronic publications (not downloadable); publishing of instructional books; arranging and conducting conferences, seminars and training workshops.

Class 42:
Design and development of computer hardware and software; providing temporary use of non-downloadable software; application service provider services; hosting services, software as a service, and rental of software; platform as a service [PaaS]; IT services; electronic storage of data and information; providing search engines for obtaining data via communications networks; computer services, namely creating and hosting a website with an online community for registered users to share, view, subscribe to and interact with images, documents, audiovisual and video content and documents, data and information; technological monitoring and inspection; condition measurement of mechanical, pneumatic, electric and hydraulic systems; condition measurement of joint connectors; condition monitoring relating to fluids; engineering services; technical planning relating to cranes and lifting apparatus; technical consultancy relating to the design and development of cranes and lifting apparatus; provision of technical information relating to the design and development of cranes and lifting apparatus; providing of temporary use of non-downloadable software for controlling and operating and providing and transmission of data and information relating to the functional condition of cranes and lifting apparatus, utility and multi-purpose vehicles, lifting platforms, loading ramps, mechanical access platforms, entry and exit aids for vehicles, agricultural and forestry machines, lorries having cranes; providing of temporary use of non-downloadable software for use in the autonomous controlling of cranes and lifting apparatus, utility and multi-purpose vehicles, lifting platforms, loading ramps, mechanical access platforms, entry and exit aids for vehicles, agricultural and forestry machines, lorries having cranes; providing of temporary use of non-downloadable software for use in the autonomous and semi-autonomous driving of vehicles; providing of temporary use of non-downloadable software for use in the autonomous and semi-autonomous moving of cranes and lifting apparatus; providing of temporary use of non-downloadable software for planning work processes and fleet management; providing of temporary use of non-downloadable software for the planning of maintenance, servicing and repair work and the providing of information relating to pending maintenance, servicing and repair work; providing of temporary use of non-downloadable software for data export, providing of temporary use of non-downloadable software for monitoring and diagnosing cranes and lifting apparatus, utility and multi-purpose vehicles, lifting platforms, loading ramps, mechanical access platforms, entry and exit aids for vehicles, agricultural and forestry machines, lorries having cranes; providing of temporary use of non-downloadable software for the configuration of cranes and lifting apparatus, utility and multi-purpose vehicles, lifting platforms, loading ramps, mechanical access platforms, entry and exit aids for vehicles, agricultural and forestry machines, lorries having cranes; providing of temporary use of non-downloadable virtual reality software; technical acceptance, in relation to the following goods: cranes and hoisting apparatus, utility and multi-purpose vehicles, platforms for lifting persons, loading ramps, mechanical access platforms, entry and exit aids for vehicles, agricultural and forestry machines, lorries having cranes.

Class 9:
Downloadable computer software using artificial intelligence (AI) for database management, business analytics, data exploration, data analytics, data assessments, analyzing data and interacting with humans, machine learning, providing data analysis, dashboards, reports, insights, forecasts, predictions, modeling, and visualizations, data administration, management, transformation, collection, generation, sharing, collaboration, and integration; downloadable computer software using artificial intelligence (AI) for data collection, management, administration, analytics, analysis, assessments, forecasting, modeling, generation, collaboration, sharing, integration, generation, and visualizing for use by entertainment venues, attractions, amusement parks, theme parks, sporting venues, ski resorts, fairs, festivals, museums, theatrical venues, arts, cultural, heritage, and educational events and venues, restaurants, retail stores, online retail stores, and related locations; downloadable computer programs using artificial intelligence (AI) for database management, business analytics, data exploration, data analytics, data assessments, analyzing data and interacting with humans, machine learning, providing data analysis, dashboards, reports, insights, forecasts, predictions, modeling, and visualizations, data administration, management, transformation, collection, generation, sharing, collaboration, and integration; downloadable computer programs using artificial intelligence (AI) for data collection, management, administration, analytics, analysis, assessments, forecasting, modeling, generation, collaboration, sharing, integration, generation, and visualizing for use by entertainment venues, attractions, amusement parks, theme parks, sporting venues, ski resorts, fairs, festivals, museums, theatrical venues, arts, cultural, heritage, and educational events and venues, restaurants, retail stores, online retail stores, and related

locations; downloadable computer software for database management, business analytics, data exploration, data analytics, data assessments, analyzing data and interacting with humans, machine learning, providing data analysis, dashboards, reports, insights, forecasts, predictions, modeling, and visualizations, data administration, management, transformation, collection, generation, sharing, collaboration, and integration; downloadable computer software for data collection, management, administration, analytics, analysis, assessments, forecasting, modeling, generation, collaboration, sharing, integration, generation, and visualizing for use by entertainment venues, attractions, amusement parks, theme parks, sporting venues, ski resorts, fairs, festivals, museums, theatrical venues, arts, cultural, heritage, and educational events and venues, restaurants, retail stores, online retail stores, and related locations; downloadable computer software using machine learning for creating data models; downloadable computer software for analyzing visitor and venue data, managing venue locations, managing business and visitor contacts, ticketing, managing digital and multimedia content, and integrating onsite visitor presence data, digital instrumentation, indoor positioning of visitors, collections databases, and external data feeds; downloadable computer programs using artificial intelligence (AI) for analyzing visitor and venue data, managing venue locations, managing business and visitor contacts, ticketing, managing digital and multimedia content, and integrating onsite visitor presence data, digital instrumentation, indoor positioning of visitors, collections databases, and external data feeds; downloadable computer software using artificial intelligence (AI) for analyzing visitor and venue data, managing venue locations, managing business and visitor contacts, ticketing, managing digital and multimedia content, and integrating onsite visitor presence data, digital instrumentation, indoor positioning of visitors, collections databases, and external data feeds.

Class 42:
Artificial intelligence as a service (AIAAS) featuring software using artificial intelligence for database management; artificial intelligence as a service (AIAAS) services featuring software using artificial intelligence for business analytics; artificial intelligence as a service (AIAAS) services featuring software using artificial intelligence for data exploration; artificial intelligence as a service (AIAAS) services featuring software using artificial intelligence for data assessment; artificial intelligence as a service (AIAAS) services featuring software using artificial intelligence for data analytics; artificial intelligence as a service (AIAAS) featuring software using artificial intelligence for analyzing data and interacting with humans; design and development of software for machine learning; providing online non-downloadable software using artificial intelligence (AI) for machine learning; design and development of artificial intelligence (AI) software; design and development of artificial intelligence (AI) software for database management, business analytics, data exploration, data analytics, data assessments, analyzing data and interacting with humans, machine learning, providing data analysis, dashboards, reports, insights, forecasts, predictions, modeling, and visualizations, data administration, management, transformation, collection, generation, sharing, collaboration, and integration; design and development of artificial intelligence (AI) software for data collection, management, administration, analytics, analysis, assessments, forecasting, modeling, generation, collaboration, sharing, integration, generation, and visualizing for use by entertainment venues, attractions, amusement parks, theme parks, sporting venues, ski resorts, fairs, festivals, museums, theatrical venues, arts, cultural, heritage, and educational events and venues, restaurants, retail stores, online retail stores, and related locations; software as a service (SAAS) services featuring artificial intelligence (AI) software for generating business analysis reports; technical support services, namely, installation, administration, and troubleshooting of web and database applications; consulting services in the field of software implementation for others; technological consultancy for others in the field of design, planning, and implementation project management of database management, business analytics, data exploration, data analytics, data assessments, analyzing data and interacting with humans, machine learning, providing data analysis, dashboards, reports, insights, forecasts, predictions, modeling, and visualizations, data administration, management, transformation, collection, generation, sharing, collaboration, and integration; technological consultancy for others in the field of design, planning, and implementation project management of data collection, management, administration, analytics, analysis, assessments, forecasting, modeling, generation, collaboration, sharing, integration, generation, and visualizing for use by entertainment venues, attractions, amusement parks, theme parks, sporting venues, ski resorts, fairs, festivals, museums, theatrical venues, arts, cultural, heritage, and educational events and venues, restaurants, retail stores, online retail stores, and related locations; design, development and implementation of software; design, development, and implementation of software for database management, business analytics, data exploration, data analytics, data assessments, analyzing data and interacting with humans, machine learning, providing data analysis, dashboards, reports, insights, forecasts, predictions, modeling, and visualizations, data administration, management, transformation, collection, generation, sharing, collaboration, and integration; design, development, and implementation of software for data collection, management, administration, analytics, analysis, assessments, forecasting, modeling, generation, collaboration, sharing, integration, generation, and visualizing for use by entertainment venues, attractions, amusement parks, theme parks, sporting venues, ski resorts, fairs, festivals, museums, theatrical venues, arts, cultural, heritage, and educational events and venues, restaurants, retail stores, online retail stores, and related locations; technical support services, namely, troubleshooting of computer software problems; computer technology support services, namely, help desk services; artificial intelligence as a service (AIAAS) services featuring software using artificial intelligence (AI) for database management, business analytics, data exploration, data analytics, data assessments, analyzing data and interacting with humans, machine learning, providing data analysis, dashboards, reports, insights, forecasts, predictions, modeling, and visualizations, data administration, management, transformation, collection, generation, sharing, collaboration, and integration; artificial intelligence as a service (AIAAS) services featuring software using artificial intelligence (AI) for data collection, management, administration, analytics, analysis, assessments, forecasting, modeling, generation, collaboration, sharing, integration, generation, and visualizing for use by entertainment venues, attractions, amusement parks, theme parks, sporting venues, ski resorts, fairs, festivals, museums, theatrical venues, arts, cultural, heritage, and educational events and venues, restaurants, retail stores, online retail stores, and related

locations; providing online non-downloadable virtual assistant software using artificial intelligence (AI) for database management, business analytics, data exploration, data analytics, data assessments, analyzing data and interacting with humans, machine learning, providing data analysis, dashboards, reports, insights, forecasts, predictions, modeling, and visualizations, data administration, management, transformation, collection, generation, sharing, collaboration, and integration; providing online non-downloadable virtual assistant software using artificial intelligence (AI) for data collection, management, administration, analytics, analysis, assessments, forecasting, modeling, generation, collaboration, sharing, integration, generation, and visualizing for use by entertainment venues, attractions, amusement parks, theme parks, sporting venues, ski resorts, fairs, festivals, museums, theatrical venues, arts, cultural, heritage, and educational events and venues, restaurants, retail stores, online retail stores, and related locations; providing non-downloadable software using artificial intelligence (ai) for database management, business analytics, data exploration, data analytics, data assessments, analyzing data and interacting with humans, machine learning, providing data analysis, dashboards, reports, insights, forecasts, predictions, modeling, and visualizations, data administration, management, transformation, collection, generation, sharing, collaboration, and integration, via a website; providing temporary use of on-line non-downloadable software and applications using artificial intelligence (AI) for database management, business analytics, data exploration, data analytics, data assessments, analyzing data and interacting with humans, machine learning, providing data analysis, dashboards, reports, insights, forecasts, predictions, modeling, and visualizations, data administration, management, transformation, collection, generation, sharing, collaboration, and integration; providing temporary use of on-line non-downloadable software and applications using artificial intelligence (AI) for data collection, management, administration, analytics, analysis, assessments, forecasting, modeling, generation, collaboration, sharing, integration, generation, and visualizing for use by entertainment venues, attractions, amusement parks, theme parks, sporting venues, ski resorts, fairs, festivals, museums, theatrical venues, arts, cultural, heritage, and educational events and venues, restaurants, retail stores, online retail stores, and related locations; software as a service (SAAS) services featuring software using artificial intelligence (AI) for database management, business analytics, data exploration, data analytics, data assessments, analyzing data and interacting with humans, machine learning, providing data analysis, dashboards, reports, insights, forecasts, predictions, modeling, and visualizations, data administration, management, transformation, collection, generation, sharing, collaboration, and integration; software as a service (SAAS) services featuring software using artificial intelligence (AI) for data collection, management, administration, analytics, analysis, assessments, forecasting, modeling, generation, collaboration, sharing, integration, generation, and visualizing for use by entertainment venues, attractions, amusement parks, theme parks, sporting venues, ski resorts, fairs, festivals, museums, theatrical venues, arts, cultural, heritage, and educational events and venues, restaurants, retail stores, online retail stores, and related locations; software as a service (SAAS) services, namely, hosting software for use by others for database management, business analytics, data exploration, data analytics, data assessments, analyzing data and interacting with humans, machine learning, providing data analysis, dashboards, reports, insights, forecasts, predictions, modeling, and visualizations, data administration, management, transformation, collection, generation, sharing, collaboration, and integration; software as a service (SAAS) services, namely, hosting software for use by others for data collection, management, administration, analytics, analysis, assessments, forecasting, modeling, generation, collaboration, sharing, integration, generation, and visualizing for use by entertainment venues, attractions, amusement parks, theme parks, sporting venues, ski resorts, fairs, festivals, museums, theatrical venues, arts, cultural, heritage, and educational events and venues, restaurants, retail stores, online retail stores, and related locations; software as a service (SAAS) services featuring software for database management, business analytics, data exploration, data analytics, data assessments, analyzing data and interacting with humans, machine learning, providing data analysis, dashboards, reports, insights, forecasts, predictions, modeling, and visualizations, data administration, management, transformation, collection, generation, sharing, collaboration, and integration; software as a service (SAAS) services featuring software for data collection, management, administration, analytics, analysis, assessments, forecasting, modeling, generation, collaboration, sharing, integration, generation, and visualizing for use by entertainment venues, attractions, amusement parks, theme parks, sporting venues, ski resorts, fairs, festivals, museums, theatrical venues, arts, cultural, heritage, and educational events and venues, restaurants, retail stores, online retail stores, and related locations; providing temporary use of on-line non-downloadable software for database management, business analytics, data exploration, data analytics, data assessments, analyzing data and interacting with humans, machine learning, providing data analysis, dashboards, reports, insights, forecasts, predictions, modeling, and visualizations, data administration, management, transformation, collection, generation, sharing, collaboration, and integration; providing temporary use of on-line non-downloadable software for data collection, management, administration, analytics, analysis, assessments, forecasting, modeling, generation, collaboration, sharing, integration, generation, and visualizing for use by entertainment venues, attractions, amusement parks, theme parks, sporting venues, ski resorts, fairs, festivals, museums, theatrical venues, arts, cultural, heritage, and educational events and venues, restaurants, retail stores, online retail stores, and related locations; providing non-downloadable software using artificial intelligence (AI) for analyzing visitor and venue data, managing venue locations, managing business and visitor contacts, ticketing, managing digital and multimedia content, and integrating onsite visitor presence data, digital instrumentation, indoor positioning of visitors, collections databases, and external data feeds, via a website; software as a service (SAAS) services featuring software using artificial intelligence (AI) for analyzing visitor and venue data, managing venue locations, managing business and visitor contacts, ticketing, managing digital and multimedia content, and integrating onsite visitor presence data, digital instrumentation, indoor positioning of visitors, collections databases, and external data feeds; providing temporary use of on-line non-downloadable software and applications using artificial intelligence (AI) for analyzing visitor and venue data, managing venue locations, managing business and visitor contacts, ticketing, managing digital and multimedia content, and integrating onsite visitor presence data, digital instrumentation, indoor positioning of

visitors, collections databases, and external data feeds; design, development, and implementation of software for analyzing visitor and venue data, managing venue locations, managing business and visitor contacts, ticketing, managing digital and multimedia content, and integrating onsite visitor presence data, digital instrumentation, indoor positioning of visitors, collections databases, and external data feeds; providing online non-downloadable virtual assistant software using artificial intelligence (AI) for analyzing visitor and venue data, managing venue locations, managing business and visitor contacts, ticketing, managing digital and multimedia content, and integrating onsite visitor presence data, digital instrumentation, indoor positioning of visitors, collections databases, and external data feeds; artificial intelligence as a service (AIAAS) services featuring software using artificial intelligence (AI) for analyzing visitor and venue data, managing venue locations, managing business and visitor contacts, ticketing, managing digital and multimedia content, and integrating onsite visitor presence data, digital instrumentation, indoor positioning of visitors, collections databases, and external data feeds; software as a service (SAAS) services, namely, hosting software for use by others for analyzing visitor and venue data, managing venue locations, managing business and visitor contacts, ticketing, managing digital and multimedia content, and integrating onsite visitor presence data, digital instrumentation, indoor positioning of visitors, collections databases, and external data feeds; technological consultancy for others in the field of design, planning, and implementation project management of analyzing visitor and venue data, managing venue locations, managing business and visitor contacts, ticketing, managing digital and multimedia content, and integrating onsite visitor presence data, digital instrumentation, indoor positioning of visitors, collections databases, and external data feeds; design and development of artificial intelligence (AI) software for analyzing visitor and venue data, managing venue locations, managing business and visitor contacts, ticketing, managing digital and multimedia content, and integrating onsite visitor presence data, digital instrumentation, indoor positioning of visitors, collections databases, and external data feeds; software as a service (SAAS) services featuring software for analyzing visitor and venue data, managing venue locations, managing business and visitor contacts, ticketing, managing digital and multimedia content, and integrating onsite visitor presence data, digital instrumentation, indoor positioning of visitors, collections databases, and external data feeds; providing temporary use of on-line non-downloadable software for analyzing visitor and venue data, managing venue locations, managing business and visitor contacts, ticketing, managing digital and multimedia content, and integrating onsite visitor presence data, digital instrumentation, indoor positioning of visitors, collections databases, and external data feeds.

Date of International Registration: 22 July 2026
Date of Designation in the UK: 22 July 2026

International priority date claimed: 06 February 2026 (EM) (019313988)
The mark contains the colours blue, magenta and white.

Class 9:
Computer software; scheduling software; interfaces for computers; artificial intelligence software; interactive software based on artificial intelligence; artificial intelligence software for analysis; downloadable computer software for generating images and text using artificial intelligence; software for the integration of artificial intelligence and machine learning in the field of big data; artificial intelligence software for surveillance; computer search engine software; software for search engine optimisation; computer software platforms, recorded or downloadable; computer chatbot software for simulating conversations; internet bots being computer programs; animated cartoons.

Class 35:
Advertising; business management, organisation and administration services; data search in computer files for others; systemization of information into computer databases; compilation of information into computer databases; search engine optimisation; marketing; marketing research.

Class 36:
Financial, monetary and banking services; insurance services; real estate services.

Class 37:
Construction; installation services in relation to the following goods: industrial apparatus, photovoltaic installations, installation services for buildings; repair services in relation to the following goods: industrial apparatus, photovoltaic installations, repair of buildings.

Class 38:
Telecommunication services; providing user access to platforms on the internet; providing user access to search engines; providing internet chatrooms.

Class 42:
Technological services and engineering research in the technological sector and design relating thereto; technological research and consultancy relating to digital transformation; technological research and consultancy in the field of artificial intelligence; technological planning and advisory services; architectural planning and consultancy; civil engineering planning services; industrial analysis, industrial research and industrial design; quality control and authentication services; computer programming services for data processing; programming of software for internet portals, chatrooms, chat lines and internet forums; platforms for artificial intelligence as software as a service [SaaS]; artificial intelligence software as a service [SaaS]; providing artificial intelligence computer programs on data networks; research in the field of artificial intelligence technology; artificial intelligence consultancy; providing virtual computer systems through cloud computing; hosting platforms on the internet; providing search engines for the internet; providing search engines for obtaining data via communications networks; providing search engines for obtaining data on a global computer network; providing online non-downloadable computer software; search engine design services.

SYR Lock - K.I.S.S.

International priority date claimed: 05 February 2026 (EM) (019313123)

Class 6:
Pipes, tubes and hoses, and fittings therefor, including valves, of metal; collars of metal for fastening pipes; pipe fittings [junctions] of metal; pipework of metal; fittings of metal for pipes; adaptors for pipes [metal]; joint connectors (metal -) for pipes; rotating junctions of metal for pipes; connector flanges of metal for fittings, pressure reducers, filters and water treatment apparatus.

Class 7:
Pressure reducers for controlling the operating pressure in installations in industrial applications; safety valves [parts of machines], in particular for fluid systems, solar installations, drinking water heaters and heating installations, included in this class; motorised, automatic valves, operated by changes in pressure and hydraulically controlled [machine parts], for fluid systems, solar installations, drinking water heaters and heating installations.

Class 11:
Pressure reducer-filter combinations, backwashable or non-backwashable, for use in heating and drinking water installations; water softening installations; water softening units; water desalinating apparatus; water desalinating apparatus; filters for drinking water, heating apparatus, drinking water distribution apparatus, water pipes and heating circuits; devices for descaling drinking water; ion exchange installations; thermostatic water mixers for regulating hot-water temperature; safety valves [sanitary fittings] for fluid systems, solar installations, drinking water heaters and heating installations, included in this class; combination valves for venting heating installations; water level limiters being parts of hot water installations or heating installations; quick-action aerators for venting and aerating closed hot water heating installations and fluid-filled installations; thermal overflow valves for heating installations; flue controls being parts of heating installations; loading apparatus for filling hot water heating installations; system separators being parts of heating installations or water installations; stop cocks for regulating water; stop valves being safety apparatus for water apparatus; none of the aforesaid goods for irrigation systems in the field of horticulture and agriculture.

Date of International Registration: 05 January 2026
Date of Designation in the UK: 05 January 2026

GIGASTABLE

International priority date claimed: 12 August 2025 (TO) (TO/M/2025/04916)

Class 9:
Downloadable software, namely downloadable digital coins of value; downloadable software, namely, downloadable digital assets, virtual currency, digital currencies, digital tokens of value, digital coins of value, and cryptocurrency; digital assets, namely, digital currencies, cryptocurrency, and stablecoins; downloadable cryptographic keys for receiving and spending crypto assets; downloadable digital assets, namely, virtual currency, digital currency, digital tokens of value, digital coins of value, and cryptocurrency; downloadable software for digital and virtual currency, merchant services, exchange of digital and virtual currency to traditional currency, acquiring digital and virtual currency, the use of digital and virtual currency electronically, and the use of digital and virtual currency as an alternative to traditional currency to obtain goods or services.

Class 36:
Electronic funds transfer services; electronic funds transfer, namely, electronic transmission of digital currency via electronic communications networks and electronic devices; stablecoin trading services; stablecoin payment processing; stablecoin exchange services; virtual currency exchange services; financial exchange of crypto assets; issue and redemption of tokens of value; issue and redemption of digital currencies; providing a digital currency or digital token for use by members of an on-line community via a global computer network; providing financial information in the field of digital currencies.

Class 42:
Providing technology information in the field of blockchain and digital currencies; providing user authentication services using blockchain-based software technology for digital currency transactions; providing on-line non-downloadable computer software for use as a digital currency wallet; electronic storage of digital currency for others.

KUKA AMP

International priority date claimed: 18 March 2026 (DE) (30 2026 002 400)

Class 9:
Electric and electronic control panels for machines and tools; measuring apparatus and instruments; testing apparatus and instruments; testing machines; test stands being testing apparatus for testing machines, production installations, robots, mobile platforms and tools; computers for controlling, regulating and simulating production installations, robots, mobile platforms and tools; industrial control apparatus incorporating software; recorded software; downloadable software; recorded computer software packages; downloadable computer software packages; software for license monitoring and license control; software for optimizing software license usage; software for network and device security; computer software for detecting cyber threats; software for optimizing the runtime environment of software and firmware; software for controlling and monitoring hardware; software for controlling and monitoring cloud computing infrastructure; software for developing cloud applications; software for data management; collaboration software; recorded or downloadable software platforms for cooperation management; business intelligence software; CAD/CAM software; software development kits (SDK); recorded computer programs for controlling, regulating and simulating machines and tools; downloadable computer programs for controlling, regulating and simulating manufacturing installations, robots, mobile platforms and tools.

Class 35:
Business analysis services; business consulting services; business management consulting; business organization consulting; business management and organization consultancy relating to industrial production installations, robots, mobile platforms and tools; advertising services; marketing services; sales promotion services; marketing analysis services; market research services; market analysis services; preparation of marketing studies; business data analysis; compilation and analysis of business data; business information and advisory services; business management advisory services.

Class 37:
Maintenance, servicing and repair of machines and machine tools for treatment of materials and for manufacturing; maintenance, servicing and repair of industrial robots, welding robots, welding machines and welding installations; maintenance, servicing and repair of transport machines, conveying machines and tensioning devices; maintenance, servicing and repair of electrical and electronic apparatus and instruments for conducting, switching, transforming, accumulating, regulating, controlling and distributing electricity, in particular for controlling and regulating machines; maintenance, servicing and repair of testing apparatus and instruments; maintenance, servicing and repair of computers for controlling, regulating and simulating production installations, robots, mobile platforms and tools; maintenance, servicing and repair of measuring apparatus and instruments; maintenance, servicing and repair of electric and electronic control panels for machines and tools; maintenance, servicing and repair of

measuring machines and testing machines; provision of repair and maintenance information for robots, including by means of remote diagnostics; installation, assembly and reconditioning of machines, machine parts and manufacturing installations.

Class 41:
Education services; training services in the field of robotics and automation; provision of training facilities for robotics and automation; providing training in robotics and automation by means of seminars, workshops and courses; providing online training in the field of robotics and automation; providing virtual classroom training in the field of robotics and automation; educational examination services, namely conducting theoretical and practical examinations in the field of robotics and automation; arranging and conducting certification examinations in the field of robotics and automation; educational testing and assessment services; awarding certificates of completion for training in robotics and automation.

Class 42:
Providing temporary use of online non-downloadable computer software and software tools; software as a service (SaaS); rental of computer software; software consulting; technological consulting in the fields of computer software, robotics and automation technology; design, development, maintenance and updating of computer software, databases, message brokers, software agents, artificial intelligence software and digital twins; development of computer hardware and computer software; customization of computer software; providing information relating to computer software, computer hardware and information technology; computer programming services; information technology consultancy; scientific and technological services, namely technological research and design relating thereto; engineering services; design and development of computer hardware and software to customer specifications; installation, maintenance and updating of computer programs; calibration and functional testing of measuring apparatus; technical consultancy in the field of information technology; technical consultancy in the field of robotics engineering; technical consultancy in the field of automation engineering; engineering services for the planning, design and development of automated production installations, assembly apparatus and assembly plants; engineering testing services for verifying proper commissioning of industrial installations; material testing; construction drafting; conducting technical project studies; technical quality control and certification services; technical testing services for the certification of quality or standards; testing of apparatus in the fields of electrical engineering and mechanical engineering for certification purposes.

Class 45:
Licensing of computer software; licensing of intellectual property in the field of computer software; consultancy relating to the licensing of computer software; consultancy relating to the licensing of intellectual property in the field of computer software.

KUKA SE & Co. KGaA

Representative:PENTARC Rechtsanwälte PartG mbB Karlsplatz 9 80335 München GERMANY

WO0000001927761(29, 30)
Office of Origin: EM

Date of International Registration: 05 March 2026
Date of Designation in the UK: 05 March 2026

International priority date claimed: 10 September 2025 (EM) (019244512)
The mark contains the colours Green, brown and red.

Class 29:
Peanut paste; peanut butter; peanut spread; peanut-butter-based creams; spreads based on peanut butter and also containing chocolate; peanut butter containing chocolate-based creams; spreads based on peanut butter and also containing caramel; spreads based on peanut butter and also containing biscuits; spreads based on peanut butter and also containing almond biscuits; marmalade; fat-containing mixtures for bread slices; nut-based spreads; hazelnut spread; pastes made from nuts; milk creams.

Class 30:
Chocolate-based spreads; chocolate creams; chocolate spreads containing nuts; chocolate spreads containing peanut butter; nougat spreads; nougat spread containing nuts; cocoa based creams in the form of spreads; cocoa-based creams in the form of spreads containing nuts; spreads on the basis of cookies; almond-biscuit-based spreads; caramel based spreads.

No claim is made to the word TRANSPARENT on its own.

International priority date claimed: 02 November 2025 (EM) (019269610)

Class 3:
Household fragrances; air fragrancing preparations; cleaning and fragrancing preparations; aromatic oils; aromatic essential oils for fragrancing; room scenting sprays; room fragrancing preparations; scented oils; fragrance refills for non-electric room fragrance dispensers; all the aforesaid goods are solely for use as home fragrances, other than cosmetics and hygienic products.

Class 11:
Dispenser units for air fresheners, namely electric dispensers for scented essential oils; electric dispensers for air deodorants; electric dispensers for air fresheners; electric and battery-powered aromatherapy devices; air purifying apparatus and machines; air control dampers; humidifiers; air purifiers; electric air purifiers; electric humidifiers; deodorizing apparatus, not for personal use; aquarium coolers; aquarium heaters; deep freezing apparatus; refrigerating apparatus; apparatus for heating foodstuffs; food warmers; apparatus for heating milk; apparatus for ventilating; batteryoperated electric candles; steam generating apparatus; baby food warmers; wine refrigerators; hot water bottles; hot air ovens; USB-powered humidifiers for household use; tea warmers (electric -); bedside lamps; hot sandwich toasters; mood lights; decorative lights; portable electric fans; oilfree electric fryers; night lights [other than candles]; microwave ovens for domestic use; pans (electric cooking -); filters for air conditioning; air-conditioning apparatus; room humidifiers [apparatus]; fairy lights for festive decoration; lighting panels; food dehydrators; laser light projectors; lanterns; lamps for outdoor use; lamps; aquarium lamps; lamps; LED lamps; range hoods; refrigerated cabinets for the storage of drink; refrigerators; cooling apparatus for liquids; beverage cooling apparatus; taps; hot plates [for household purposes]; coffee roasters; coffee machines, electric; ice machines and apparatus; installations for cooking; cord pendants [light fittings]; searchlights; freezer cabinets; chest freezers; freezers; fans for air conditioning apparatus; ventilating fans; fans [air-conditioning]; bottle warmers; bottle coolers [apparatus]; filters for air purifiers; electric torches; espresso coffee machines; electromagnetic induction cookers [for household purposes]; electric heated urns; electric wine coolers for household purposes; electric wine coolers; kettles, electric; sous-vide cookers, electric; heaters, electric, for feeding bottles; autoclaves, electric, for cooking; pressure cooking saucepans, electric; electric tea makers; electric cooking stoves for household use; electric sandwich toasters; electric wireless coffeepots; electric food warmers; electric domestic cooking appliances; electrical cooking apparatus; kitchen machines (electric -) for cooking;

cool boxes, electric; electric refrigerators [for household purposes]; electric fairy lights; electric hotplates; domestic boilers; electric ramen noodle cookers; electric coffee roasters; electric coffee urns; electric coffee brewers; electric indoor grills; electrically powered fans for ventilation purposes; electric espresso machines; electric beverage heaters; electric immersion heaters; electric toasters; fireplaces; decorative water fountains; decorative gas lighting; computer controlled lighting apparatus; camping lanterns; wearable air purifiers; portable lamps [for illumination]; portable refrigerators; portable electric warm air dryer; table top ovens; table lamps; table fans.

Class 21:
Electric aromatherapy diffusers and misters; aromatic oil diffusers, other than reed diffusers; perfume sprayers [sold empty]; air fragrancing apparatus; fragrant oil burners; deodorizing apparatus for personal use; electric and non-electric fragrance diffusers incorporating night lights; nonelectric aromatherapy diffusers and sprays, other than fragrance sticks; electric and non-electric fragrance diffusers; perfume vaporizers; vaporizers for perfume sold empty; insulating flasks; bottles; bottle coolers; terrariums; aquaria and vivaria; aquariums; works of art and decorations, including sculptures, made primarily of ceramics or glass, or of substitutes for these; statues of porcelain, ceramic, earthenware, terra-cotta or glass; cookery moulds; deep fryers, non-electric; vessels for making ices and ice cream, non-electric; small jugs; electric and battery-powered aroma and fragrance diffusers.

Polytetraflon

International priority date claimed: 12 February 2026 (EM) (019316598)

Class 7:

Joints [parts of engines]; sealing joints [parts of machines]; sealing sleeves [parts of engines, motors or machines]; shape memory sealing sleeves [parts of engines, motors or machines]; radial shaft sealing rings [parts of engines, motors or machines]; spring-energized U-rings [parts of engines, motors or machines]; piston segments [parts of engines, motors or machines]; piston rings for heat pumps; scroll seals [parts of engines, motors or machines]; guide rings [parts of engines, motors or machines]; laminated pistons [parts of engines, motors or machines]; membranes [parts of engines, motors or machines]; bellows [parts of machines]; slide bearings; flexible hoses [parts of engines, motors or machines]; profiles [parts of engines, motors or machines]; heat shrink tubes [parts of engines, motors or machines]; roller coverings [parts of engines, motors or machines]; heat exchangers [parts of engines, motors or machines]; discharge rings [parts of engines, motors or machines]; structural parts of and accessories for the aforementioned goods.

Class 9:
Gasket and seals as parts of scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; gasket and seals as parts of apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; gaskets and seals as parts of apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; membranes as parts of scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; membranes as parts of apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; membranes as parts of apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; bellows as parts of scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; bellows as parts of apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; bellows as parts of apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; slide bearings as parts of scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; slide bearings as parts of apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; slide bearings as parts of apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; flexible hoses as parts of scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; flexibles hoses as parts of apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; flexible hoses as parts of apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; profiles as parts of scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; profiles as parts of apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; profiles as parts of apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; heat shrink tubes as parts of scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; heat shrink tubes as parts of apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; heat shrink tubes as parts of apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; roller coverings as parts of scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; roller coverings as parts of apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; roller coverings as parts of apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; discharge rings as parts of scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; discharge rings as parts of apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; discharge rings as parts of apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; structural parts of and accessories for the aforementioned goods.

Class 10:
Gaskets and seals as parts of surgical, medical, dental and veterinary apparatus and instruments; membranes as parts of surgical, medical, dental and veterinary apparatus and instruments; bellows as parts of surgical, medical, dental and veterinary apparatus and instruments; trochars as parts of surgical, medical, dental and veterinary apparatus and instruments; slide bearings as parts of surgical, medical, dental and veterinary apparatus and instruments; flexible hoses as parts of surgical, medical, dental and veterinary apparatus and instruments; profiles as parts of surgical, medical, dental and veterinary apparatus and instruments; heat shrink tubes as parts of surgical, medical, dental and veterinary apparatus and instruments; roller coverings as parts of surgical, medical, dental and veterinary apparatus and instruments; discharge rings as parts of surgical, medical, dental and veterinary apparatus and instruments; structural parts of and accessories for the aforementioned goods.

Class 11:
Gaskets and seals as parts of apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes; membranes as parts of apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating, water

supply and sanitary purposes; bellows as parts of apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes; slide bearings as parts of apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes; flexible hoses as parts of apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes; profiles as parts of apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes; heat shrink tubes as parts of apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes; roller coverings as parts of apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes; discharge rings as parts of apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes; warmers [not for medical use]; immersion bath warmers [not for medical use] as parts of apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes; heat exchangers, other than parts of machines; structural parts of and accessories for the aforementioned goods.

Class 12:
Gaskets and seals as parts of vehicles; gaskets and seals as parts of apparatus for locomotion by land, air or water; membranes as parts of vehicles; membranes as parts of apparatus for locomotion by land, air or water; bellows as parts of vehicles; bellows as parts of apparatus for locomotion by land, air or water; slide bearings as parts of vehicles; slide bearings as parts of apparatus for locomotion by land, air or water; flexible hoses as parts of vehicles; flexible hoses as parts of apparatus for locomotion by land, air or water; profiles as parts of vehicles; profiles as parts of apparatus for locomotion by land, air or water; heat shrink tubes as parts of vehicles; heat shrink tubes as parts of apparatus for locomotion by land, air or water; roller coverings as parts of vehicles; roller coverings as parts of apparatus for locomotion by land, air or water; discharge rings as parts of vehicles; discharge rings as parts of apparatus for locomotion by land, air or water; structural parts of and accessories for the aforementioned goods.

Class 17:
Seals and gaskets; fluid-tight rings; weatherstripping sealants in the nature of caulk; caulking materials; draught excluder strips; duct tapes; non-metallic seals [not stamps]; expansion joint fillers; gaskets for automotive use; packing, stopping and insulating materials; non-metallic sealing membranes; gaskets for commercial vehicles; gaskets in the form of sheets; sealing membranes; insulations with sealing functions for heat protection; sealing agents for use in the construction industry; non-metallic insulated pipes; flexible hoses, not of metal; pipes made of plastic for motor vehicles; extruded plastics in the form of tubes for use in manufacture; fittings, not of metal, for flexible pipes; junctions, not of metal, for flexible pipes; flexible pipes, not of metal, flexible tubes, not of metal, and flexible hoses, not of metal; plastics in the form of sheets, films, blocks, rods and tubes; flexible pipes, tubes, hoses, and fittings therefor, including valves, non-metallic; extruded plastic in the form of bars, blocks, pellets, rods, sheets and tubes for use in manufacturing; plastic materials in the form of profiles [semi-finished products]; semi-worked plastic substances; flexible pipes, not of metal; shrink tubing, not of metal; roll coverings [semi-finished products] of plastic; non-metal engine gaskets for vehicles.

Date of International Registration: 17 August 2026
Date of Designation in the UK: 17 August 2026

International priority date claimed: 23 February 2026 (EM) (019320579)

Class 9:
Scientific research and laboratory apparatus, educational apparatus and simulators; apparatus, instruments and cables for electricity; downloadable and recorded content; magnets, magnetizers and demagnetizers; information technology and audio-visual, multimedia and photographic equipment; measuring, detecting, monitoring and controlling equipment; optical devices, enhancers and correctors; safety, security, protection and signalling devices; gun scopes; navigation, guidance, tracking, targeting and map making equipment; missile trackers.

Class 13:
Weapons; electromagnetic pulse weapons; weapons for shooting down flying objects, weapons for shooting down missiles and projectiles.

INLEAP Photonics GmbH

Representative: Stefan Taruttis
Aegidientorplatz 2b 30159 Hannover GERMANY

WO0000001939682(11, 21)

Date of International Registration: 19 March 2026
Date of Designation in the UK: 19 March 2026

The Luxury of Time
— Reconnection with Self

International priority date claimed: 06 February 2026 (JP) (2026-013227)

Class 11:
Toilet bowls; toilet stool units; toilet seats; toilet stool units with a washing water squirter; Japanese style toilet seats; urinals being sanitary fixtures; backrests for toilet stools; armrests for toilet stools; armrests with backrests for toilet stools; water closets; prefabricated bath installations sold as a unit; shower enclosures; prefabricated bath installations incorporating floor panels, wall panels, counters, and bench counters sold as a unit; shower pans for prefabricated bath installations sold as a unit; tap water faucets; automatic faucets; water control mixing valves for faucets; tap water faucets with hoses; tap water faucets with function of water purification; hydrants; level controlling valves in tanks; faucets for pipelines; faucets installed on shelves of vanity top sinks; hoses for tap water faucets [parts of sanitary installations]; water control valves with a sensor for automatic flush system for toilet bowls; water control valves with a sensor for automatic flush system for urinals being sanitary fixtures; wash-hand bowls being parts of sanitary installations; wash-hand basins being parts of sanitary installations; wash-hand bowls for wash-hand basins being parts of sanitary installations; bathtub units that integrate with a bathroom floor; bathtubs with a bubble generator; shower heads; shower hoses; shower and their structural parts; showers for wash-hand basins; bathtub and sink units that integrate with a bathroom floor; bath boilers; bath fittings; sinks; janitorial sinks; excrement sinks being part of sanitary installations; sanitary apparatus and installations; water supply installations; electric hot air hand dryers; hand drying apparatus for washrooms; household tap-water filters, non-electric.

Class 21:
Toilet paper holders; toilet seat paper holders; paper towel holders; towel bars; towel racks; towel rings.

SQM STABLE QUALITY METAL

International priority date claimed: 08 January 2026 (EM) (019300602)
The mark contains the colours orange, red and dark blue.

Class 6:
Brackets of metal for building; cast steel; check rails of metal for railways; chill-moulds [foundry]; copper rings; eye bolts; fittings of metal for building; flanges of metal [collars]; framework of metal for building; loading gauge rods of metal for railway wagons; pulleys of metal, other than for machines; rails of metal; sash fasteners of metal for windows; slabs of metal for building; steel alloys; steel buildings; steel, unwrought or semi-wrought; steel pipes; window fasteners of metal; water-pipe valves of metal; guard rails of metal for railways; chill-molds [foundry]; screw rings; steel tubes.

Class 7:
Agricultural elevators; agricultural machines; axles for machines; ball rings for bearings; ball-bearings; bearing brackets for machines; bearings for transmission shafts; capstans; centrifugal pumps; lifting apparatus; mine borers; mineworking machines; pumps [parts of machines, engines or motors]; railroad constructing machines; universal joints [cardan joints]; starter pinions; shaft couplings [machines]; pressure valves [parts of machines]; mobile cranes; machine fly-wheels.

Class 12:
Air pumps [vehicle accessories]; automobile chassis; axles for vehicles; bearings [parts of vehicles]; boat hooks; bogies for railway cars; brake discs for vehicles; brake linings for vehicles; brake pads for automobiles; hub caps; hubs for vehicle wheels; rims for vehicle wheels; tow trucks; tractors; trailer hitches for vehicles; trailers [vehicles]; trucks incorporating a crane; upholstery for vehicles; vehicle wheels; vehicle chassis; vehicle wheel hubs; vehicle wheel rims; wreckers for transport.

Date of Designation in the UK: 15 May 2026

CongressIQ

International priority date claimed: 18 November 2025 (CH) (839956)
The mark contains the colour blue.

Class 9:
Apparatus and instruments for recording, transmission, reproduction or processing of sound, images or data; computer hardware, computers; downloadable computer programs; data processing equipment; digital telecommunication apparatus; recorded software; personal digital assistants (PDAs); downloadable software applications.

Class 42:
Data mining; remote monitoring of computer system operation; monitoring of computer systems for detection of unauthorized access or data protection breaches; design and development of computer hardware and software; design and development of operating software for computer servers and networks; computer system integration services; provision of computer programs on data networks; conducting technical project studies; scientific and technological services as well as research and design services relating thereto; technical data analysis; Industrial analysis, industrial research and industrial design services.

Car Connectivity Consortium

The mark consists of the words CAR CONNECTIVITY CONSORTIUM stacked on top of each other, and to the left the design of three circles, with the top circle connected to the middle circle, and the middle circle connected to the bottom circle.

International priority date claimed: 09 June 2026 (US) (99874314)

Class 35:
Association services, namely, promoting the interests of the automotive, mobile communications, and consumer electronics industries; association services, namely, promoting the commercial and business interests of automobile manufacturers, suppliers of goods and services to automobile manufacturers, software and technology developers, and consumers in the automotive, mobile communications, electronic device, mobile device, and smart device industries; promoting interoperability standards for mobile devices, services, and applications in the operation of information, communication, and entertainment systems; organizing, arranging, and conducting business networking events in the automotive field relating to digital keys, digital certificates, smart vehicles, mobile communications, electronic devices, mobile devices, and smart devices.

Class 42:
Design and development of standards and user-interface guidelines in the field of in-vehicle infotainment systems; design and development of standards and user-interface guidelines for mobile devices, services, and applications in the operation of information, communication, and entertainment systems; design and development of computer software in the field of in-vehicle infotainment systems; design and development of computer software for testing mobile devices, services, and applications in the operation of information, communication, and entertainment systems; designing and developing quality control technical standards for digital keys and digital certificates for smart vehicles, electronic devices, mobile devices, and smart devices to improve interoperability, authentication, issuance, validation, and revocation; designing and developing quality control technical standards that enable mobile devices to store, authenticate, and share digital keys for accessing and operating smart vehicles; testing, analysis, and evaluation of the goods and services of others to determine conformity with certification technical specifications; certification services, namely, the evaluation of the goods and services of others to determine conformity with certification standards; technical services, namely, development of technical specifications relating to interoperability, authentication, issuance, validation, and revocation in the automotive field relating to digital keys, digital certificates, smart vehicles, mobile communications, electronic devices, mobile devices, and smart devices; technical services, namely, development of technical specifications for accessing and operating smart vehicles; technical services, namely, development of technical specifications for digital keys, digital certificates, smart vehicles, electronic devices, mobile devices, and smart devices.

International priority date claimed: 03 July 2026 (IT) (302026000120112)

Class 5:
Ophthalmologic preparations; eye drops; collyrium.

Fidia Farmaceutici S.p.A.

WO0000001880559(6, 11, 19, 20, 21, 22, 24, 28, 30, 34)
Office of Origin: EM

Date of International Registration: 17 February 2025
Date of Designation in the UK: 17 February 2025

3 Dimensional Indication

Class 6:
Building and construction materials and elements of metal; metal hardware; bag hangers of metal; labels of metal; doors, gates, windows and window coverings of metal; outdoor blinds of metal; structures and transportable buildings of metal; common metals and their alloys; non-electric cables and wires of common metal; ironmongery, small items of metal hardware; tool boxes of metal, empty; tool chests of metal, empty; pipes and tubes of metal; cashboxes [metal or non-metal]; safes [metal or non-metal]; safes, electronic; building materials of metal; bronzes for tombstones; bottle caps of metal; parts and accessories of metal for all the aforesaid goods, included in this class.

Class 11:
Camping lanterns; electric fans for personal use; miners' lamps; gas lamps; luminous tubes for lighting; discharge tubes, electric, for lighting; light diffusers; filters [parts of household installations]; filters [parts of industrial installations]; spa baths [vessels]; ultraviolet ray lamps, not for medical purposes; level controlling valves in tanks; chocolate fountains, electric; electrically heated clothing; ice-cream making machines; directional lights for bicycles; parts and accessories for all the aforesaid goods, included in this class.

Class 19:
Porcelain and glass signs.

Class 20:
Mattresses, mirrors (silvered glass); mirrors; letter boxes, not of metal, letter boxes, not of masonry; coatstands; mooring buoys, non-metallic; locks and keys, non-metallic; door, gate and window fittings, non-metallic; valves of plastic, other than parts of machines; fasteners, non-metallic; spindles (fasteners), not of metal; clip clamps, not of metal; non-metallic grab rails; non-metal hooks; identification bracelets, not of metal; holders for pennants; trays, not of metal, labels of plastic; casks, not of metal; containers, not of metal, for liquid fuel; inflatable advertising articles, included in class 20; crates (non-metallic -); jerrycans, not of metal; ladders of wood or of plastic; bamboo; identification bracelets, not of metal; coffins and funerary urns; curtain rings; steps [ladders], not of metal; mobile steps [ladders], not of metal; plastic ramps for use with vehicles; parts and accessories for all the aforesaid goods, included in this class.

Class 21:
Cleaning articles; chamois leather for cleaning; dusting pads, gloves and cloths, for use in the cleaning of displays; toothpicks.

Class 22:
Nets, tarpaulins, ropes, cord, sails, sacks, padding, cushioning and stuffing materials, except of paper, cardboard, rubber or plastics, raw fibrous textile, hammocks, bags (envelopes, pouches) of textile for packaging.

Class 24:
Mosquito nets; felt; bath mitts.

Class 28:
Sporting articles and equipment, gymnastic articles; artificial christmas trees; fairground and playground apparatus; party games, practical jokes (novelties) for parties; slot machines [gaming machines], arcade video game machines; video game apparatus; video game consoles; electronic games; scooters [toys]; balls for games; kaleidoscopes; board games; playing cards; playing balls; stationary exercise bicycles; archery implements; appliances for gymnastics; racing car games; gloves for games; floats for fishing; camouflage screens [sports articles]; toy pushchairs; kites; toy dough; articles for playing golf; parts and accessories for all the aforesaid goods, included in this class.

Class 30:
Coffee, tea, cocoa, sugar, rice, tapioca, sago, coffee substitutes; flour; cereal preparations; bread, pastries, flour confectionery; pizzas; dried and fresh pastas, noodles and dumplings; honey, treacles; fruit coulis [sauces]; yeast, baking-powder; edible salt; mustard; vinegar, sauces (condiments); spices; cooling ice; edible ices; preserved herbs; chocolate; chocolates; confectionery; rock [confectionery]; sweets; cakes; tarts; biscuits; waffles.

Class 34:
Tobacco; articles for use with tobacco; ashtrays; pouches for tobacco; tobacco jars; cigarette cases; cigar cases; matches.

Compertise

International priority date claimed: 18 December 2025 (EM) (019294028)

Class 9:
Computer programmes (software); computer programs, downloadable; computer programs recorded on digital data carriers; electronic publications, downloadable, electronic publications, downloadable; electronic publications in the field of technical and information technology subjects in professional and private daily life; teaching and training software in the field of technical and information technology subjects in professional and private daily life for computers, laptops, tablets, smartphones; storage media (CDs, DVDs, USB flash drives) with technical instructions, manuals, tutorials, templates, task archives; downloadable checklists, templates, guides, tasks in the field of technical and information technology subjects in professional and private daily life; hardware access software, computer software for remote telecommunication; remote maintenance computer software to assist in technical subjects for private and professional users; all the aforesaid goods in particular being specially designed for older people and beginners.

Class 16:
Printed publications in the subject area of technical and information technology subjects in professional and private daily life, including, in particular guides, periodical publications, newspapers, books, courses, magazines [periodicals], pamphlets in printed form; prints of digital content, copies of printed versions of the aforesaid electronic publications; pamphlets, instructional guides, checklists, printed advertising materials, posters for use with technical and information technology subjects in professional and private

daily life; all the aforesaid goods in particular being specially designed for older people and beginners.

Class 37:
Remote maintenance of computers and laptops, tablets, smartphones; maintenance and tuning of computer hardware; troubleshooting of computer hardware problems.

Class 38:
Providing access to internet portals for technical exchange, consultancy and support in the field of information technology, in particular relating to computer and laptop applications, smartphones, tablets, internet and online services, IT security, software and hardware, networks, telecommunications and digital media.

Class 41:
Providing online training courses, webinars, video tutorials and infotainment programmes in the field of technical and information technology subjects in professional and private daily life; organisation and conducting of live events, online workshops, video consultations relating to technical subjects for private and professional users; publication of online guides, podcasts, live tv (online) and media content relating to technical subjects for private and professional users; providing online learning materials; providing of online tutorials; publication of checklists; provision of online courses; publishing of guides; providing online non-downloadable libraries; training courses in the field of remote maintenance (via telephone/remote access); all the aforesaid services in particular being specially designed for older people and beginners; all the aforesaid services in particular in the field of technical and information technology subjects in professional and private daily life.

Class 42:
Technical and technological services and technical support relating to technology in daily life for private and professional users; technical support and consultancy in connection with technical and information technology subjects in professional and private daily life, in particular relating to computers and laptop applications, smartphones, tablets, internet- and on-line services, information technology security, operation systems, software and programming, office and application software (office), hardware and software, digital image photographing, image and video redaction services, smart home technologies, networks, telecommunication, peripheral devices, wearables, and digital technological services including the aforesaid for genealogical research; providing online platforms for technical exchange, consultancy and support in the field of information technology, in particular relating to computer and laptop applications, smartphones, tablets, internet and online services, it security, software and hardware, networks, telecommunications and digital media; providing technical community platforms for professional and private users; remote technical assistance relating to computers and laptops, tablets, smartphones software; setting up of software, troubleshooting of computer software problems; maintenance and tuning of computer software; development and adaptation of software solutions, technical consultancy for facilitated use of technical apparatus for private and professional users, in particular apps and saas solutions for the subject of technology in daily life; providing online platforms for using computer laptop, smartphone and tablet learning content and services; all the aforesaid services in particular being specially designed for older people and beginners; technological consultancy for computer and laptop applications/smartphone/tablets for private and professional users.

Class 7:
Metalworking machines and tools; painting machines and apparatus; plastic processing machines; machines and apparatus for manufacturing rubber goods; stone working machines and apparatus; non-electric prime movers, not for land vehicles, other than water mills and wind mills; parts of non-electric prime movers, other than water mills and wind mills; balancers for internal combustion engines; camshafts for vehicle engines; variable valve lift devices for internal combustion engines; valve timing control devices for internal combustion engines; valve lifters for internal combustion engines; pistons for engines; alternators for land vehicles; ignition coils for automobile engines; engine injectors; fuel pumps for engines; starters for engines; outboard motors; gas filters for compressed natural gas automobile engines; pressure control valves for engine injectors; hydraulic pumps for continuously variable transmissions; pressure control valves for regulating the pressure of air, hydrogen and gas supplied to fuel cells; high pressure hydrogen pressure regulators; gas injectors for compressed natural gas automobile engines; gas regulators for compressed natural gas automobile engines; electronically controlled throttle bodies; high pressure fuel pumps for direct injection engines; intake manifolds for engines; exhaust gas recirculation valves for engines; coolant switch valves being parts of machines for use in automotive thermal management systems for automotive electric motors, automotive inverters and automotive battery systems; oil jet, parts of internal combustion engines; fuel pumps for tanks for internal combustion engines; idle rotary speed control valves for internal combustion engines; timing control valves for internal combustion engines; cooling water adjustment valves for internal combustion engines; carburetors; intake valves for engines; fuel cocks, parts of machines; turbochargers for engines; variable compression ratio control devices for internal combustion engines; accelerator work unit [machines] as a part of engines; intake manifolds for two-wheeled motor vehicle engines; backflow prevention valves for carburetors; air injection valves for internal combustion engines; water

mills; windmills; pneumatic or hydraulic machines and instruments; air compressors; pumps, not for specified purposes; power steering pumps; oil pumps; water pumps for automobile engines; superchargers; turbocompressors; adhesive tape dispensing machines; automatic stamping machines; automatic vending machines; fuel dispensing machines for service stations; electric washing machines for industrial purposes; electric washing machines for household purposes; repairing or fixing machines and apparatus; mechanical parking systems; vehicle washing machines; food mixing machines for commercial use; food peeling machines for commercial use; food cutting, chopping and slicing machines for commercial use; dishwashers for industrial purposes; dishwashers for household purposes; electric wax-polishing machines for industrial purposes; vacuum cleaners for industrial purposes; electric wax-polishing machines for household purposes; vacuum cleaners for household purposes; power-operated sprayers for insecticides [not for agricultural purposes]; power sprayers for insecticides [not for agricultural purposes]; shafts, axles or spindles, machine elements other than land vehicles; bearings, machine elements not for land vehicles; shafts, couplings or connectors, machine elements not for land vehicles; power transmissions and gearing, machine elements not for land vehicles; differential gears; viscous coupling for machines; hydraulic control valves for transmissions; differential gear pinion shaft; shock absorbers, machine elements not for land vehicles; springs, machine elements not for land vehicles; gas springs; brakes, machine elements not for land vehicles; valves, machine elements not for land vehicles; lawnmowers; curtain drawing devices electrically operated; electric door openers; waste compacting machines and apparatus for industrial purposes; waste crushing machines for industrial purposes; 3D printers; starters for motors and engines; AC motors and DC motors [not including those for land vehicles but including parts for any AC motors and DC motors]; AC generators; DC generators; portable electric power generators; electric food blenders for household purposes; dynamo brushes; oil hydraulic presses; mount bracket for engines; variable valve lift devices for engines for automobiles; engine control devices; valve timing control devices for engines for automobiles; variable valve lift devices for engines for two-wheeled motor vehicles; engine control devices for two-wheeled motor vehicles; valve timing control devices for engines for two-wheeled motor vehicles; igniting devices for internal combustion engines; sparking plugs for internal combustion engines; sparking plugs for automotive engines; pistons for automobile engines; injectors for engines; pistons [parts of machines or engines]; ignition coils for automotive engines; pumps being parts of machines, motors and engines; pumps for automotive cooling water; oil pumps for automobile; lubricating pumps for automobile engines; oil pumps for automobile engines; centrifugal pumps; lubricating pumps; pumps [machines]; air pumps [garage installations]; pumps for heating installations; vacuum pumps [machines]; beer pumps; compressed air pumps; fuel dispensing pumps for service stations; pumps for counter-current swimming; hydrogen dispensing pumps for service stations; shock absorber plungers [parts of machines]; brake linings, other than for vehicles; brake shoes, other than for vehicles; brake segments, other than for vehicles; brake pads, other than for vehicles; gas-liquid separators for outboard motors.

Class 9:

Measuring or testing machines and instruments; pressure sensors; sensors, other than for medical use; oxygen sensors for concentration measuring; vehicle speed sensors; differential pressure sensors; fuel temperature sensors; throttle position sensors; variable valve lift sensors; pedal stroke sensors; rotation sensors; simulators for the steering and control of vehicles; coin-operated mechanisms for operating gates for car parking lots; life saving apparatus and equipment; fire extinguishers; fire alarms; fire hoses; fire hose nozzles; sprinkler systems for fire protection; fire alarms; gas alarms; anti-theft warning apparatus; protective helmets; railway signals; vehicle breakdown warning triangles; luminous or mechanical road signs; laboratory apparatus and instruments; photographic apparatus and instruments; cinematographic apparatus; optical machines and apparatus; dashboard cameras; power distribution or control machines and apparatus; inverters; HEV/EV inverters; battery chargers; phase modifiers; solar batteries; oscilloscopes; electric wires and cables; electrical communication machines and apparatus; central gateway (telecommunication machines and apparatus for vehicles); telematics communication units (telecommunication machines and apparatus for vehicles); global positioning system; map positioning units [Global Positioning System [GPS] apparatus]; personal digital assistants; electronic control systems for machines; electronic speed controllers; computer peripheral devices; electronic components; electronic integrated circuits; electronic metronome; electronic key fobs being remote control apparatus; electronic personal organizers; electronic carbon dioxide monitors [other than for medical use]; transmission electronic microscopes; pointing device for computers; electronic toll-collection terminals; electronic bulletin boards; millimeter wave radar; automotive radar; radar apparatus; automotive radar detector; magnetic cores; resistance wires; electrodes; fire boats; satellites for scientific purposes; welding masks; fireproof garments; clothing [hoods] for protection against accidents and disasters; protective hoods for personal use against accidents and disasters; gloves for protection against accidents; spectacles; game programs for home video game machines; electronic circuits and CD-ROMs recorded with programs for hand-held games with liquid crystal displays; protective helmets for sports; sports whistles; weight belts for scuba diving; air tanks for scuba diving; snorkels; regulators for scuba diving; metronomes; electronic circuits and CD-ROMs recorded with automatic performance programs for electronic musical instruments; effects units for electric or electronic musical instruments; phonograph records; downloadable music and music files; downloadable image, video, movie files; recorded video discs, video tapes and video recordings; electronic publications; exposed cinematographic films; exposed slide films; slide film mounts; micro controllers for advanced driver assistance systems; micro controllers for autonomous driving; downloadable computer software for providing geographic information; camshaft position sensors for internal combustion engine; knock sensors for automobile engines; airflow sensors; valve timing micro controllers; variable valve lift micro controllers; micro controllers for electronic control suspension; controllers for power steering; vehicle batteries; battery charge devices for vehicles; automotive fault diagnostic devices; automatic inspection device for testing automotive performance; fault diagnostic devices for ignition coils; battery testers; electronic vehicle stability controllers; downloadable map data for navigation; vehicle front light automatic dimmers; vehicle front light optical axis adjustment control devices; vehicle

front light irradiation range adjustment control devices; DC/DC converters; fuel cell power generation control devices; electronic devices for impedance control for fuel cell stack; speedometer gears; transmission electronic control devices for automobiles; four-wheel drive vehicle control units; suspension electronic control devices for automobiles; keyless entry/keyless start electronic control devices for automobiles; damper electronic controllers for railway rolling stock; suspension electronic control devices for two-wheeled motor vehicles; cameras; electronic control devices for automobiles and their parts and fittings; electronic control devices for internal combustion engines and their parts and fittings; electronic navigational and positioning apparatus and instruments; smartphones; application software for managing logistics and transportation; software for GPS navigation systems; downloadable cloud computing software; computer software for collecting, editing, managing, modifying, transmitting, recording, sharing, exchanging, and processing data or information; application software; audio frequency devices and apparatus; remote control telemetering machines and instruments; computers; computer programs; ultrasonic sensors; cash registers; electric switchgear for operating vehicle rear doors.

Class 12:
Automobiles and their parts and fittings; gears for power steering units for automobiles; power steering units; power steering units for automobiles and their parts; anti-lock braking systems for automobiles; valves for stability control system for automobiles; valves for anti-lock braking systems; hydraulic cylinders for suspension for automobiles; automobile hydraulic height control devices; washer nozzle and washing systems for vehicle-mounted camera (parts of automobiles); bumpers; four-wheel steering devices; rear wheel steering device; steering system links for land vehicles; steering units for land vehicles; steering wheels for vehicles; wheels for land vehicles; differential device for automobiles; traction engine; ropeways for cargo or freight handling; non-electric prime movers for land vehicles, not including their parts; electric motors for driving two-wheeled vehicles; machine elements for land vehicles; shafts, axles or spindles, machine elements for land vehicles; drive shafts; propeller shafts for automobiles; transmission shafts for land vehicles; bearings, machine elements for land vehicles; shaft couplings or connectors, machine elements for land vehicles; power transmissions and gearing, machine elements for land vehicles; differential gears; viscous couplings; shock absorbers; vehicle bumpers; shock absorbers for vehicles; suspension struts for vehicles; front forks for vehicles; rear dampers for two-wheeled vehicles; springs for land vehicles; springs for automobiles; air springs for air suspension for vehicles; brakes, machine elements for land vehicles; brakes for automobiles; brakes for two-wheeled vehicles; electronic control brakes; brake calipers for vehicles; brake pads for vehicles; brake rotors for vehicles; brake linings for vehicles; brake drums for vehicles; brake master cylinders; brake boosters; clutch master cylinders; reservoir tank for two-wheeled motor vehicle brake; front and rear wheel interlocking brakes for land vehicles; electric parking brakes; brake hardware for vehicles, namely, brake pedal stroke mechanisms for land vehicles; electronic brakes for vehicles incorporating electric actuation devices; accumulators for brake hydraulic circuit; proportioning valves for land vehicles; hill start assist valves for automobiles; clutch operation devices for automobiles; clutch operation cylinders for automobiles; clutch mechanisms for land vehicles; clutches for land vehicles; brake piping joints; valves for negative pressure brake boosters; brake pad; brake hoses; brake pads for land vehicles; parachutes; anti-theft alarms for vehicles; wheelchairs; AC motors or DC motors for land vehicles, not including their parts; motors for electric vehicles or hybrid electric vehicles; vessels and their parts and fittings; power tilt trims for vessels, namely, powered mechanisms for adjusting the trim and tilt angle of outboard motors, being parts of vessels; outboard motor angle adjusters being parts of vessels; lifting and lowering hydraulic devices being parts of vessels for lifting and lowering outboard motors; aircraft and their parts and fittings; civilian drones and their parts and fittings; industrial drones and their parts and fittings; railway rolling stock and their parts and fittings; dampers for railway rolling stock; car body height control device for railway rolling stock; two-wheeled motor vehicles, bicycles and their parts and fittings; valves for stability control system for two-wheeled motor vehicles; valves for anti-lock braking systems for two-wheeled motor vehicles; hydraulic cylinders for suspension for two-wheeled vehicles; two-wheeled motor vehicle hydraulic height control devices; steering dampers; front fork mounting parts for two-wheeled vehicles; drive shafts for two-wheeled vehicles; rickshaws; sleighs and sleds [vehicles]; trolleys; carts; horse drawn carriages; bicycle trailers; adhesive rubber patches for repairing tubes or tires; baby carriage; mounting brackets for automobile transmissions; mounting brackets for automobile differential gears; tie rods for power steering.

Class 35:
Compilation of information into computer databases; updating and maintenance of data in computer databases; systematization of data in computer databases; data search in computer files for others; administrative services [office functions] relating to the operation of computer systems and operation management of devices capable of computer control; providing business management assistance in the operation of computers or computer systems; registration of written communications and data; management of computerised files; data processing services [office functions]; office functions, namely filing, in particular documents or magnetic tapes; providing business assistance to others in the operation of computers; computer data entry services through temporary staffing; compilation and systemization of information into computer databases through temporary staffing; systematization of information into computers for the management of computer hardware, software, and network information through temporary staffing; office functions, namely filing, in particular documents or magnetic tapes through temporary staffing; providing business assistance to others in the operation of data processing apparatus namely, computers, typewriters, telex machines and other similar office machines through temporary staffing; research on the market to obtain basic data necessary for development and sales plan for new products, or organizing or analyzing the results of the research through temporary staffing; business management and consultancy services through temporary staffing; business management analysis or business consultancy; marketing research or analysis; business management; advertising services; publicity; rental of publicity and marketing materials; organization, arranging and conducting of motor sports events for promoting of motor sports; information processing using electronic computers; data processing using electronic computers.

Class 36:
Casualty insurance services; brokerage of non-life insurance; claims adjustment for non-life insurance; non-life insurance underwriting; underwriting and brokerage of loss and theft insurance; electronic funds transfer by telecommunications; insurance agencies; life insurance agency services; life insurance underwriting services; motor vehicle insurance services; insurance premium rate computing; debt advisory services; issuance of prepaid vouchers; consigned collection of payment for goods; used automobiles or two-wheeled motor vehicles appraisal; providing information relating to used automobiles and two-wheeled motor vehicles appraisal; car broker services.

Class 37:
Remote failure diagnosis of automobiles or two-wheeled motor vehicles through communication networks; roadside repair of broken or damaged automobiles; repair or maintenance of two-wheeled motor vehicles; installation, repair and maintenance of parts and accessories for two-wheeled motor vehicles, and providing advice, consultancy, and information relating thereto; repair or maintenance of automobiles; installation, repair and maintenance of parts and accessories for automobiles, and providing advice, consultancy, and information relating thereto; repair or maintenance of bicycles; repair or maintenance of electric bicycles; repair or maintenance of charging device for electric vehicles; fueling, washing, cleaning, maintenance and repair of vehicles; recharging services for electric vehicles; battery charging service for motor vehicles; vehicle battery charging; rental of electric charging devices for electric vehicles including electric automobiles and electric-assist bicycle; rental of portable power chargers; rental of battery chargers; repair or maintenance of battery chargers; vehicle greasing; lubrication of automobiles and two-wheeled motor vehicles; repair or maintenance of electronic machines and apparatus; repair or maintenance of telecommunication machines and apparatus; repair or maintenance of electric motors; repair or maintenance of power generators; repair or maintenance of measuring and testing machines and instruments; repair of sports equipment; vehicle maintenance; washing and cleaning of vehicles; vehicle breakdown repair services; tire balancing; retreading of tires; installation, repair or maintenance of power transmissions and gearing, machine elements and their parts and fittings.

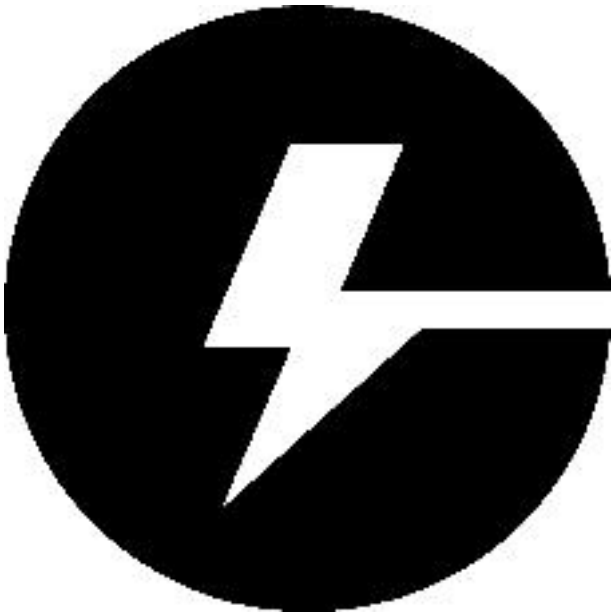
Class 39:
Car transport; providing information relating to car transport; transport by two-wheeled motor vehicles; providing information relating to transport by two-wheeled motor vehicles; providing information relating to car transport using the internet; providing information relating to car transport using application software; vehicle dispatch; vehicle dispatch using the internet; vehicle dispatch using application software; fleet management services in the nature of operation, tracking and monitoring of vehicle fleets; fleet management services in the nature of operation, tracking and monitoring of vehicle fleets through the internet; fleet management services in the nature of operation, tracking and monitoring of vehicle fleets through application software; transport; providing transportation information; providing transportation information using the internet; providing transportation information using application software; logistics services consisting of the transportation, packaging, and storage of goods; logistics services consisting of the transportation, packaging, and storage of goods using the internet; logistics services consisting of the transportation, packaging, and storage of goods using application software; transportation logistics; transportation logistics using the internet; transportation logistics using application software; GPS navigation services; GPS navigation services using the internet; GPS navigation services using application software; booking of transport; booking of transport using the internet; booking of transport using application software; transport brokerage; transport brokerage using the internet; transport brokerage using application software; cargo delivery services; storage, wrapping and packaging of goods; provision of road and traffic information; provision of road and traffic information using the internet; provision of road and traffic information using application software; vehicle-driving services; arranging of vehicle-driving services; arranging of vehicle-driving services using the internet; arranging of vehicle-driving services using application software; automobile rental; reservation and arranging of rental car; reservation and arranging of rental car using the internet; reservation and arranging of rental car using application software; operating parking lots or providing information relating thereto; operating parking lots or providing information relating thereto using the internet; operating parking lots or providing information relating thereto using application software; rental of navigational systems; electricity distribution; conducting of travel tours; escorting of travel tours; travel arrangement and reservation services, excluding those for lodging.

Class 41:
Educational and instruction services relating to arts, crafts, sports or general knowledge; teaching of driving skills; driver training; training services provided via simulators; arranging, conducting and organization of seminars; organization, arranging and conducting of exhibitions for cultural or educational purposes; providing electronic publications; providing online electronic publications, not downloadable; art exhibitions; publication of books; arranging and planning of movies, shows, plays or musical performances; providing non-downloadable images, videos, music, audio and electronic publications, and character information for entertainment purposes via the internet or mobile phones; production of videotape film in the field of education, culture, entertainment or sports [not for movies or television programs and not for advertising or publicity]; organization, arranging and conducting of sports competitions; consultancy services or providing information relating to arranging, conducting and organisation of motor sports events; providing sports facilities; organisation of exhibitions featuring materials on motor sports for entertainment purposes; providing driving courses; providing motor racing circuit; rental of training simulators; organization of entertainment events excluding movies, shows, plays, musical performances, sports, horse races, bicycle races, boat races and auto races; providing facilities for educational training; rental of records or sound-recorded magnetic tapes; rental of image-recorded magnetic tapes; arranging and conducting of symposiums, training courses, classes and lectures; providing videos from the internet, not downloadable; providing digital music from the Internet, not downloadable; news reporting services; providing of web magazines; publishing of manuals related to computers and computer programs; publishing of manuals related to operating computers and use of computer programs.

Class 42:

Cloud computing; consulting services in the field of cloud computing; software as a service [SaaS]; platform as a service [PaaS]; providing temporary use of on-line applications and software tools; providing temporary use of on-line non-downloadable software; temporary electronic storage of information and data; providing information relating to design of computers; design of computers, electronic machines and apparatus, electrical communication machines and apparatus and consultancy relating thereto; computer software design, computer programming, or maintenance of computer software; provision of information relating to computer programming; consultancy services in the field of computer system; remote monitoring of computer system; design and development of computer systems comprising computer hardware and software; configuration, installation and programming of computer software to expand, change, add and optimize functions of computers, and provision of information relating thereto; computer software design for others; design, configuration, installation and programming of computer programs to expand, change, add, maintain and optimize functions of computer programs, and provision of information relating thereto; design and development of communication network systems comprising computer hardware and software; consulting services relating to design and development of communication network systems comprising computer hardware and software; technological consultancy in the field of communication network system; consultancy services in the field of design and development of communication network system; consulting services relating to design, programming, or maintenance of computer programs; user authentication services for e-commerce transactions; encryption of computer data; digital watermarking in computer files; failure diagnosis and computer virus inspection of computer program; testing or research on computers and computer programs; testing or research on electronic machines, apparatus and their peripherals; testing or research on semiconductors; testing or research on semiconductor manufacturing machines and semiconductor measuring instruments; rental of computers; providing computer programs on data networks; conversion of computer programs and data, other than physical conversion; copying of computer programs; creating or maintaining web sites for others; computerized data storage; computer security analysis or consultancy relating to maintenance of security measures for communication network systems; data encryption services; internet security consultancy; consultancy in the field of security software; data security consultancy; providing search engines for the internet; rental of web servers; server hosting; development of computer platforms; creating or maintaining web sites for exchanging information on software and hardware development technology on the website; providing computer programs on data networks for exchanging information on software and hardware development technology on the website; rental of server memory space of web sites for exchanging information on software and hardware development technology on the website; rental of peripheral devices for computers; providing online geographic maps, not downloadable; consultancy or providing information services relating to consumer product safety testing; design, development and maintenance of computer system and consultancy or providing information services relating thereto; remote monitoring of computer system and consultancy or providing information services relating thereto; design of computer-simulated models; design, programming, maintenance, development or updating of computer software; analysis of technical data; software as a service related to vehicle navigation, collection of travel information data, analysis of travel information, travel evaluation, or travel advice [SaaS]; platform as a service related to vehicle navigation, collection of travel information data, analysis of travel information, travel evaluation, or travel advice [PaaS]; technological advice relating to computers, automobiles and industrial machines and counseling services or providing information relating thereto; computer software design, computer programming, or maintenance of computer software for vehicle navigation, collection of travel information data, analysis of travel information, travel evaluation, or travel advice; providing computer programs on data networks for vehicle navigation, collection of travel information data, analysis of travel information, travel evaluation, or travel advice; industrial design services; design services; automotive design; design of parts and fittings of automobiles; two-wheeled motor vehicles design; design of parts and fittings of two-wheeled motor vehicles; designing of machines, apparatus, instruments [including their parts] or systems composed of such machines, apparatus and instruments; design, computer programming, or maintenance of electronic operation and control systems of power transmission technology for land, sea and air vehicles; testing or research on machines, apparatus and instruments or consultancy relating thereto; non-destructive inspection; rental of measuring apparatus; rental of computer programs; rental of laboratory apparatus and instruments; rental of technical drawing instruments; conducting technical project studies; research and development of new products for others; preliminary inspection for vehicle inspection of motor vehicles or two-wheeled motor vehicles; inspection of motor vehicles for roadworthiness; industrial analysis and research services relating to automobile tires; research, testing and inspection services relating to performance and technology of automobiles; vehicle roadworthiness testing; technological research; contract research and development of parts of automobiles; design of power transmissions and gearing, machine elements and their parts and fittings; testing or inspection of carburetors and fuel injection devices for internal combustion engines for two-wheeled motor vehicles; testing or inspection of carburetors and fuel injection devices for internal combustion engines; testing or inspection of non-electric prime movers and their parts and fittings; testing or inspection of electronic control devices for vehicles and their parts and fittings; testing or inspection of power transmissions and gearing, machine elements and their parts and fittings; testing or inspection of heating and cooling apparatus and ventilation apparatus for automobiles and their parts and fittings; testing or inspection of two-wheeled motor vehicles; testing or inspection of parts and fittings of two-wheeled motor vehicles; testing or inspection of automobiles; testing or inspection of parts and fittings of automobiles; quality control of power transmissions and gearing, machine elements and their parts and fittings; quality control of two-wheeled motor vehicles; quality control of parts and fittings of two-wheeled motor vehicles; quality control of automobiles; quality control of parts and fittings of automobiles; weather reporting services; testing or research on pharmaceuticals, chemicals, cosmetics or foodstuffs and consultancy or providing information services relating thereto; research on civil engineering, architecture or city planning and advisory services relating thereto; advisory services relating to testing, data analysis or measurement on civil engineering and architecture; testing or research on agriculture, livestock breeding or fisheries and consultancy or providing information services relating thereto; research in the field of artificial

intelligence technology; providing location information of facilities via communication networks by telecommunication terminals; providing map information on the location of facilities and surrounding areas via communication networks by telecommunication terminals; providing geographic maps using communication via mobile telecommunication terminals or computer terminals; providing geographic information using communication via mobile telecommunication terminals or computer terminals; providing geographic maps via automobile navigation devices; providing geographic information via automobile navigation devices; providing geographic maps in order to guide telecommunication device users to their destination via GPS navigation services; providing geographic information in order to guide mobile telecommunication device users to their destination via GPS navigation services; providing online geographical map; providing geographical information.



Class 45:
Online social networking services; personal bodyguarding using GPS navigation services or providing information relating thereto; monitoring and security guarding of facilities via remote monitoring systems; security guarding for facilities; personal bodyguarding; information relating to fashion coordination services for individuals; forecasting services in the nature of fortune-telling; bereavement counseling; lifestyle counseling [spiritual assistance]; matchmaking services; providing online information in the field of law; pet sitting; caring for babies [excluding services provided at facilities]; house sitting; rental of clothing; rental of personal ornaments for wearing.

Hitachi Astemo, Ltd.

Representative:TANAKA Naofumi
Marunouchi Park Building, 2-6-1 Marunouchi, Chiyoda-ku
Tokyo 100-8222 JAPAN

WO0000001939856(9, 37, 40)
Office of Origin: JP

Date of International Registration: 25 December 2025
Date of Designation in the UK: 25 December 2025

International priority date claimed: 30 September 2025 (JP) (2025-112857)

Class 9:
Rechargeable batteries and cells; batteries and cells; chargers; charging devices; charging cables; batteries, cells, chargers, charging devices or charging cables for smartphones, mobile phones or personal digital assistants; electronic data processing devices for lending and returning of batteries, cells and other goods; electronic docking stations for lending and returning of batteries, cells and other goods; power bank devices for lending and returning of batteries, cells and other goods; charging devices for lending and returning of batteries, cells and other goods; display monitors; digital signs; display panels for digital signs; neon signs; computer programs for use in sharing services; computer programs for use in rental business; computer programs for use in processing of electronic payments; computer programs for use in collecting, analyzing or storing big data, data log or electronic data; computer programs; computer hardware, and parts and accessories therefor; downloadable big data, datasets and log data for improving marketing sales; downloadable text files, image files, and audio files for improving marketing sales; downloadable computer big data, datasets and log data; downloadable computer text files, image files, and audio files; data carriers for computers recorded with big data, data log or electronic data; straps, cases or covers for batteries and cells; telecommunication machines and apparatus, and parts and accessories therefor; personal digital assistants for processing of electronic payments; personal digital assistants for advertising; personal digital assistants in the shape of a watch; smartphones; personal digital assistants, and parts and accessories therefor; measuring or testing machines and instruments, and parts therefor; photographic machines and apparatus; cinematographic machines and apparatus; optical machines and apparatus; bags, covers or cases adapted for use with computers and their peripherals; SIM cards; blank data carriers; phonograph records; electronic circuit, CD-ROMs, DVDs, magnetic tapes, magnetic discs, optical discs, cartridges, cassettes and other digital recording media recorded with music and sound; downloadable music or sound files;

downloadable image or video files; pre-recorded discs, tapes, CD-ROMs, DVDs and other digital recording media recorded with video; exposed cinematographic films; exposed slide films; slide film mounts; downloadable electronic publications; electronic publications; downloadable music, sound, animated and still images; downloadable, recited or textual data of publications; recorded CD-ROMs, DVDs and other digital recording media; portable security buzzers; power distribution or control machines and apparatus; rotary converters; phase modifiers; solar batteries and cells; electric or magnetic meters and testers; electric wires and cables; mechanisms for coin operated apparatus; humanoid robots with artificial intelligence for use in scientific research; ear plugs for divers; ozonisers for calibration purposes; egg-candlers; blueprint apparatus; cash registers; coin counting or sorting machines; photo-copying machines; mathematical instruments; time and date stamping machines; time clocks [time recording devices]; punched card office machines; voting machines; postage stamp checking apparatus; mechanisms for coin-operated car parking gates; life-saving apparatus and equipment; fire extinguishers; fire hoses; fire hose nozzles; sprinkler systems for fire protection; fire alarms; gas alarms; anti-theft warning apparatus; safety helmets; railway signal apparatus, luminous or mechanical; vehicle breakdown warning triangles; road signs, luminous or mechanical; game programs for arcade video game machines; simulators for the steering and control of vehicles; sports training simulators; laboratory apparatus and instruments; magnetic cores; resistance wires; electrodes, other than welding electrodes or medical electrodes; fire boats; satellites for scientific purposes; fire engines; dust masks; gas masks; welding masks; fireproof garments; protective hoods for the prevention of accident or injury; gloves for protection against accidents; spectacles [eyeglasses and goggles]; game programs for home video game machines; electronic circuits and CD-ROMs recorded with programs for hand-held games with liquid crystal displays; protective helmets for sports; sports whistles; weight belts for scuba diving; air tanks for scuba diving; snorkels; regulators for scuba diving; metronomes; electronic circuits and CD-ROMs recorded with automatic performance programs for electronic musical instruments; electric and electronic effects units for musical instruments.

Class 37:
Charging of batteries for smartphones, mobile phones or personal digital assistants, and information, advisory and consultancy services relating thereto; charging of batteries for consumer electric appliances, and information, advisory and consultancy services relating thereto; cell phone battery charging services, and information, advisory and consultancy services relating thereto; smartphone battery charging services, and information, advisory and consultancy services relating thereto; charging of batteries for earphones, headphones and audio speakers, and information, advisory and consultancy services relating thereto; charging of batteries for telecommunication machines and apparatus, and information, advisory and consultancy services relating thereto; charging of batteries for electric fans, and information, advisory and consultancy services relating thereto; charging of batteries for electric toys, and information, advisory and consultancy services relating thereto; charging of batteries for electric apparatus for smoking, and information, advisory and consultancy services relating thereto; charging of batteries for electric clocks and watches, and information, advisory and consultancy services relating thereto; charging of batteries for electric lighting apparatus, and information, advisory and consultancy services relating thereto; charging of batteries for electronic machines and apparatus, and information, advisory and consultancy services relating thereto; charging of batteries for portable audio players, and information, advisory and consultancy services relating thereto; charging of batteries for consumer video game machines, and information, advisory and consultancy services relating thereto; installation of batteries, cells, chargers, charging devices or charging cables, and information, advisory and consultancy services relating thereto; installation of batteries, cells, chargers, charging devices or charging cables for smartphones, mobile phones or personal digital assistants, and information, advisory and consultancy services relating thereto; installation of devices for lending and returning of batteries, cells and for other goods, and information, advisory and consultancy services relating thereto; installation of display monitors, digital signs or display panels for digital signs, and information, advisory and consultancy services relating thereto; repair or maintenance of batteries, cells, chargers, charging devices or charging cables, and information, advisory and consultancy services relating thereto; repair or maintenance of batteries, cells, chargers, charging devices or charging cables for smartphones, mobile phones or personal digital assistants, and information, advisory and consultancy services relating thereto; repair or maintenance of electronic devices for lending and returning of batteries, cells and other goods, and information, advisory and consultancy services relating thereto; repair or maintenance of charging devices for lending and returning of batteries, cells and other goods, and information, advisory and consultancy services relating thereto; repair or maintenance of display monitors, digital signs or display panels for digital signs, and information, advisory and consultancy services relating thereto; rental of chargers, charging devices or charging cables, and information, advisory and consultancy services relating thereto; rental of chargers, charging devices or charging cables for smartphones, mobile phones or personal digital assistants, and information, advisory and consultancy services relating thereto; rental of charging devices for lending and returning of batteries, cells and other goods, and information, advisory and consultancy services relating thereto; construction, and information, advisory and consultancy services relating thereto; construction consultancy; maintenance and repair of utilities in buildings, and information, advisory and consultancy services relating thereto; shipbuilding, and information, advisory and consultancy services relating thereto; repair or maintenance of vessels, and information, advisory and consultancy services relating thereto; aircraft repair or maintenance, and information, advisory and consultancy services relating thereto; repair of bicycles, and information, advisory and consultancy services relating thereto; repair or maintenance of automobiles, and information, advisory and consultancy services relating thereto; repair or maintenance of railway rolling stocks, and information, advisory and consultancy services relating thereto; repair or maintenance of two-wheeled motor vehicles, and information, advisory and consultancy services relating thereto; repair or maintenance of cinematographic machines and apparatus, and information, advisory and consultancy services relating thereto; repair or maintenance of optical machines and apparatus, and information, advisory and consultancy services relating thereto; repair or maintenance of photographic machines and apparatus, and information, advisory and consultancy services relating thereto; repair or maintenance of loading-unloading machines and apparatus, and information,

advisory and consultancy services relating thereto; repair or maintenance of fire alarms, and information, advisory and consultancy services relating thereto; repair or maintenance of office machines and equipment, and information, advisory and consultancy services relating thereto; repair or maintenance of air conditioners for industrial purposes, and information, advisory and consultancy services relating thereto; repair or maintenance of burners, and information, advisory and consultancy services relating thereto; repair or maintenance of boilers, and information, advisory and consultancy services relating thereto; repair or maintenance of pumps, and information, advisory and consultancy services relating thereto; repair or maintenance of freezing machines and apparatus for industrial purposes, and information, advisory and consultancy services relating thereto; repair or maintenance of electronic machines and apparatus, and information, advisory and consultancy services relating thereto; repair or maintenance of telephone apparatus, and information, advisory and consultancy services relating thereto; repair of radio receivers or television receivers, and information, advisory and consultancy services relating thereto; repair or maintenance of telecommunication machines and apparatus [other than telephone apparatus, radio receivers and television receivers], and information, advisory and consultancy services relating thereto; repair or maintenance of telecommunication machines and apparatus, and information, advisory and consultancy services relating thereto; repair or maintenance of construction machines and apparatus, and information, advisory and consultancy services relating thereto; repair or maintenance of consumer electric appliances, and information, advisory and consultancy services relating thereto; repair or maintenance of electric lighting apparatus, and information, advisory and consultancy services relating thereto; repair or maintenance of electric motors, and information, advisory and consultancy services relating thereto; repair or maintenance of power distribution or control machines and apparatus, and information, advisory and consultancy services relating thereto; repair or maintenance of power generators, and information, advisory and consultancy services relating thereto; repair or maintenance of laboratory apparatus and instruments, and information, advisory and consultancy services relating thereto; repair or maintenance of measuring and testing machines and instruments, and information, advisory and consultancy services relating thereto; repair or maintenance of medical apparatus and instruments, and information, advisory and consultancy services relating thereto; repair or maintenance of firearms, and information, advisory and consultancy services relating thereto; repair or maintenance of printing or bookbinding machines and apparatus, and information, advisory and consultancy services relating thereto; repair or maintenance of chemical processing machines and apparatus, and information, advisory and consultancy services relating thereto; repair or maintenance of glassware manufacturing machines and apparatus, and information, advisory and consultancy services relating thereto; repair or maintenance of fishing machines and instruments, and information, advisory and consultancy services relating thereto; repair or maintenance of metalworking machines and tools, and information, advisory and consultancy services relating thereto; repair or maintenance of shoe making machines, and information, advisory and consultancy services relating thereto; repair or maintenance of industrial furnaces, and information, advisory and consultancy services relating thereto; repair or maintenance of mining machines and apparatus, and information, advisory and consultancy services relating thereto; repair or maintenance of rubber-goods manufacturing machines and apparatus, and information, advisory and consultancy services relating thereto; repair or maintenance of integrated circuits manufacturing machines and systems, and information, advisory and consultancy services relating thereto; repair or maintenance of semiconductor manufacturing machines and systems, and information, advisory and consultancy services relating thereto; repair or maintenance of machines and apparatus for processing foods or beverages, and information, advisory and consultancy services relating thereto; repair or maintenance of machines and apparatus for lumbering, woodworking, or veneer or plywood making, and information, advisory and consultancy services relating thereto; repair or maintenance of textile machines and apparatus, and information, advisory and consultancy services relating thereto; repair or maintenance of tobacco processing machines, and information, advisory and consultancy services relating thereto; repair or maintenance of painting machines and apparatus, and information, advisory and consultancy services relating thereto; repair or maintenance of plowing machines and implements, other than handheld tools, and information, advisory and consultancy services relating thereto; repair or maintenance of cultivating machines and implements, and information, advisory and consultancy services relating thereto; repair or maintenance of harvesting machines and implements, and information, advisory and consultancy services relating thereto; repair or maintenance of plant fiber processing machines and implements, and information, advisory and consultancy services relating thereto; repair or maintenance of fodder presses, and information, advisory and consultancy services relating thereto; repair or maintenance of fodder cutting machines, and information, advisory and consultancy services relating thereto; repair or maintenance of fodder mixing machines, and information, advisory and consultancy services relating thereto; repair or maintenance of millcake fodder crushing machines, and information, advisory and consultancy services relating thereto; repair or maintenance of milk filtering machines, and information, advisory and consultancy services relating thereto; repair or maintenance of milking machines, and information, advisory and consultancy services relating thereto; repair or maintenance of chick brooders, and information, advisory and consultancy services relating thereto; repair or maintenance of egg incubators, and information, advisory and consultancy services relating thereto; repair or maintenance of sericultural machines and implements, and information, advisory and consultancy services relating thereto; repair or maintenance of agricultural machines and implements, and information, advisory and consultancy services relating thereto; repair or maintenance of machines and apparatus for pulp-making, papermaking or paper-working, and information, advisory and consultancy services relating thereto; repair or maintenance of plastic processing machines and apparatus, and information, advisory and consultancy services relating thereto; repair or maintenance of packaging or wrapping machines and apparatus, and information, advisory and consultancy services relating thereto; repair or maintenance of sewing machines, and information, advisory and consultancy services relating thereto; repair or maintenance of reservoirs, and information, advisory and consultancy services relating thereto; repair or maintenance of gasoline station equipment, and information, advisory and consultancy services relating thereto; repair or maintenance of mechanical parking systems, and information, advisory and consultancy services relating thereto; repair or maintenance of bicycle parking apparatus,

and information, advisory and consultancy services relating thereto; repair or maintenance of cooking equipment for industrial purposes, and information, advisory and consultancy services relating thereto; repair or maintenance of industrial dishwashers, and information, advisory and consultancy services relating thereto; repair or maintenance of electric washing machines for industrial purposes, and information, advisory and consultancy services relating thereto; repair or maintenance of vehicle washing installations, and information, advisory and consultancy services relating thereto; repair or maintenance of vending machines, and information, advisory and consultancy services relating thereto; repair or maintenance of power-driven floor cleaning machines, and information, advisory and consultancy services relating thereto; repair or maintenance of amusement machines and apparatus for use in amusement parks, and information, advisory and consultancy services relating thereto; repair or maintenance of apparatus and instruments for use in beauty salons or barbers' shops, and information, advisory and consultancy services relating thereto; repair or maintenance of water pollution control equipment, and information, advisory and consultancy services relating thereto; repair or maintenance of water purifying apparatus for industrial purposes, and information, advisory and consultancy services relating thereto; repair or maintenance of waste compacting machines and apparatus for industrial purposes, and information, advisory and consultancy services relating thereto; repair or maintenance of waste crushing machines for industrial purposes, and information, advisory and consultancy services relating thereto; repair or maintenance of divers' apparatus, not for sports, and information, advisory and consultancy services relating thereto; repair or maintenance of chemical plants, and information, advisory and consultancy services relating thereto; repair or maintenance of nuclear power plants, and information, advisory and consultancy services relating thereto; repair and maintenance of 3D printers, and information, advisory and consultancy services relating thereto; furniture restoration, and information, advisory and consultancy services relating thereto; umbrella repair, and information, advisory and consultancy services relating thereto; repair or maintenance of musical instruments, and information, advisory and consultancy services relating thereto; safe maintenance or repair, and information, advisory and consultancy services relating thereto; shoe repair, and information, advisory and consultancy services relating thereto; clock and watch repair or maintenance, and information, advisory and consultancy services relating thereto; sharpening of scissors and kitchen knives, and information, advisory and consultancy services relating thereto; setup or repair of locks, and information, advisory and consultancy services relating thereto; repair or maintenance of gas water heaters, and information, advisory and consultancy services relating thereto; repair or maintenance of non-electric cooking heaters for household purposes, and information, advisory and consultancy services relating thereto; repair or maintenance of cooking pots and pans, and information, advisory and consultancy services relating thereto; repair or maintenance of signboards, and information, advisory and consultancy services relating thereto; repair of bags or pouches, and information, advisory and consultancy services relating thereto; repair of personal ornaments, and information, advisory and consultancy services relating thereto; repair of toys or dolls, and information, advisory and consultancy services relating thereto; repair of sports equipment, and information, advisory and consultancy services relating thereto; repair of billiard equipment, and information, advisory and consultancy services relating thereto; repair of game machines and apparatus, and information, advisory and consultancy services relating thereto; repair or maintenance of bath fittings, and information, advisory and consultancy services relating thereto; repair of toilet stool units with a washing water squirts, and information, advisory and consultancy services relating thereto; repair of fishing tackle, and information, advisory and consultancy services relating thereto; repair of spectacles, and information, advisory and consultancy services relating thereto; fur care and repair, and information, advisory and consultancy services relating thereto; laundering, and information, advisory and consultancy services relating thereto; pressing of clothing, and information, advisory and consultancy services relating thereto; clothing repair [mending clothing], and information, advisory and consultancy services relating thereto; futon repair and cleaning services, namely, fluffing of cotton batting for futon, and information, advisory and consultancy services relating thereto; repair of tatami mats, and information, advisory and consultancy services relating thereto; chimney sweeping, and information, advisory and consultancy services relating thereto; cleaning of building exterior surfaces, and information, advisory and consultancy services relating thereto; window cleaning, and information, advisory and consultancy services relating thereto; carpet and rug cleaning, and information, advisory and consultancy services relating thereto; floor polishing, and information, advisory and consultancy services relating thereto; septic tank cleaning, and information, advisory and consultancy services relating thereto; bathtub and bath boiler cleaning, and information, advisory and consultancy services relating thereto; street cleaning, and information, advisory and consultancy services relating thereto; reservoirs cleaning, and information, advisory and consultancy services relating thereto; disinfecting of telephone hand-sets, and information, advisory and consultancy services relating thereto; vermin exterminating [other than for agriculture, aquaculture, horticulture and forestry], and information, advisory and consultancy services relating thereto; sterilization of medical apparatus and instruments, and information, advisory and consultancy services relating thereto; rental of construction machines and apparatus, and information, advisory and consultancy services relating thereto; rental of floor cleaning machines, and information, advisory and consultancy services relating thereto; rental of mops, and information, advisory and consultancy services relating thereto; rental of car-washing apparatus, and information, advisory and consultancy services relating thereto; rental of laundry dryers, and information, advisory and consultancy services relating thereto; rental of spin dryers for clothes, and information, advisory and consultancy services relating thereto; rental of electric washing machines, and information, advisory and consultancy services relating thereto; rental of mining machines and apparatus, and information, advisory and consultancy services relating thereto; rental of drainage pumps, and information, advisory and consultancy services relating thereto; rental of dish drying machines for restaurants, and information, advisory and consultancy services relating thereto; rental of dish washing machines for industrial purposes, and information, advisory and consultancy services relating thereto; rental of temporary scaffoldings, and information, advisory and consultancy services relating thereto; rental of cleaning tools and information, advisory and consultancy services relating thereto; rental of cleaning machines, and information, advisory and consultancy services relating thereto; rental of laundry dryers, and information, advisory

and consultancy services relating thereto; rental of umbrella and parasols repair machines, and information, advisory and consultancy services relating thereto; rental of battery chargers, and information, advisory and consultancy services relating thereto; rental of portable power chargers, and information, advisory and consultancy services relating thereto; rental of dish drying machines, and information, advisory and consultancy services relating thereto; rental of dishwashers, and information, advisory and consultancy services relating thereto; charging of electric cars, and information, advisory and consultancy services relating thereto; recharging of batteries, and information, advisory and consultancy services relating thereto; rental of power bank devices for lending and returning of batteries, cells and other goods and information, advisory and consultancy services relating thereto.

Class 40:
Rental of batteries and cell batteries, and information, advisory and consultancy services relating thereto; rental of batteries and cell batteries for smartphones, mobile phones or personal digital assistants, and information, advisory and consultancy services relating thereto; generation of electricity, and information, advisory and consultancy services relating thereto; recycling of batteries and cells, and information, advisory and consultancy services relating thereto; removal of radiation rays, and information, advisory and consultancy services relating thereto; treatment or processing of cloth, clothing or fur, and consultancy and providing information thereof; tailoring or dressmaking, and information, advisory and consultancy services relating thereto; embroidering, and information, advisory and consultancy services relating thereto; metal treating, and information, advisory and consultancy services relating thereto; processing of rubber, and information, advisory and consultancy services relating thereto; processing of plastics, and information, advisory and consultancy services relating thereto; ceramic processing, and information, advisory and consultancy services relating thereto; woodworking, and information, advisory and consultancy services relating thereto; paper treating and working, and information, advisory and consultancy services relating thereto; stone treating, and information, advisory and consultancy services relating thereto; taxidermy, and information, advisory and consultancy services relating thereto; processing of bamboo, tree barks, rattan, vines or other mineral vegetable materials, other than processing of ingredients, and information, advisory and consultancy services relating thereto; food processing, and consultancy and providing information thereof; custom manufacture of artificial limbs or artificial teeth, including processing of medical materials, and consultancy and providing information thereof; processing of cinematographic films, and consultancy and providing information thereof; photographic enlarging, and consultancy and providing information thereof; photographic printing, and consultancy and providing information thereof; photographic film development, and consultancy and providing information thereof; bookbinding, and consultancy and providing information thereof; water treating, and consultancy and providing information thereof; recycling of waste and trash, and consultancy and providing information thereof; nuclear fuel reprocessing, and consultancy and providing information thereof; engraving of sealing stamps, and consultancy and providing information thereof; photogravure, and consultancy and providing information thereof; rental of textile treating machines, and consultancy and providing information thereof; rental of machines and apparatus for photographic film development, photograph printing, photograph enlargement or photograph finishing, and consultancy and providing information thereof; rental of metal treating machines and tools, and information, advisory and consultancy services relating thereto; rental of bookbinding machines, and information, advisory and consultancy services relating thereto; rental of machines and apparatus for processing foods or beverages, and information, advisory and consultancy services relating thereto; rental of machines and apparatus for lumbering, wood-working, or veneering or plywood making, and information, advisory and consultancy services relating thereto; rental of machines and apparatus for pulp-making, papermaking or paper-working, and information, advisory and consultancy services relating thereto; rental of water purifying apparatus, and information, advisory and consultancy services relating thereto; rental of waste compacting machines and apparatus, and information, advisory and consultancy services relating thereto; rental of waste crushing machines, and information, advisory and consultancy services relating thereto; rental of chemical processing machines and apparatus, and information, advisory and consultancy services relating thereto; rental of glassware manufacturing machines and apparatus, and information, advisory and consultancy services relating thereto; rental of shoe making machines, and information, advisory and consultancy services relating thereto; rental of tobacco processing machines, and information, advisory and consultancy services relating thereto; rental of 3D printers, and information, advisory and consultancy services relating thereto; providing material treatment information, and information, advisory and consultancy services relating thereto; printing, and information, advisory and consultancy services relating thereto; sorting and disposal of domestic waste and trash, and information, advisory and consultancy services relating thereto; sorting and disposal of industrial waste and trash, and information, advisory and consultancy services relating thereto; sorting and disposal of waste and trash, and information, advisory and consultancy services relating thereto; rental of knitting machines, and information, advisory and consultancy services relating thereto; rental of sewing machines, and information, advisory and consultancy services relating thereto; rental of air-conditioning apparatus for household purposes, and information, advisory and consultancy services relating thereto; rental of humidifier for household purposes, and information, advisory and consultancy services relating thereto; rental of air purifiers for household purposes, and information, advisory and consultancy services relating thereto; rental of electricity generators, and information, advisory and consultancy services relating thereto; rental of printing machines and apparatus, and information, advisory and consultancy services relating thereto; rental of boilers, and information, advisory and consultancy services relating thereto; rental of humidifier for industrial purposes, and information, advisory and consultancy services relating thereto; Corrections to published marks

UK00004427359 (2026/036, 04 September 2026)

The mark should have advertised in the following form:

Mark 1

Mark 2

Application for a series of 2 marks.

The specification for this application has been amended to read as follows:

Class 9:
Communications apparatus and instruments; telecommunications apparatus and instruments; mobile communications apparatus and instruments; apparatus and instruments for recording, transmission, reception, processing, retrieval, reproduction, manipulation, analysis, display and print-out of sounds, images and/or data; parts and fittings for communications, telecommunications and mobile communications apparatus; apparatus for recording, transmission or reproduction of sound or images; magnetic, digital and optical data carriers and storage media, recording discs; data processing equipment and computers; peripheral equipment for computers; speakers; sound bars; headsets; audio streaming apparatus; computer software; computer hardware and software for processing, reproducing, synchronising, recording, organising, downloading, uploading, transmitting, streaming, receiving, playing and viewing images, audio, video and data files; wireless controllers to remotely monitor and control the function and status of other electrical, electronic, and mechanical devices or systems; recording apparatus; audio recording apparatus; reporting software; computer software to enable searching of data; mobile navigation and/or information equipment for motor vehicles; systems for localizing and controlling circulation and/or movement of vehicles; communication systems to and from and between vehicles; data communication apparatus; satellite communication apparatus; computer software and telecommunications apparatus to enable connection to databases and the internet; electronic financial transaction and electronic trading apparatus and instruments; smart cards; encoded cards; digital communications apparatus and instruments; computer games software; computer peripheral devices; computer systems, laptop and notebook computers; electronic memory cards; debit cards, credit cards and charge cards; aerials, cables and ducts all for electrical, telecommunications or optical signal transmissions; cables; parts and fittings for jointing and connecting cables; cable accessories, terminations and fittings; recorded programmes for TV and radio; computer hardware; computer software and firmware in mobile phones enabling the playing and downloading of software applications; electronic games, music, ringtones, screensavers and wallpapers; downloadable computer software applications; electronic baby monitoring devices and apparatus; TV monitors; video transmission apparatus; listening and monitoring apparatus; computer software for telecommunications apparatus and instruments; digital terrestrial TV reception equipment; set top boxes enabling reception, decoding, recording and viewing of encrypted or unencrypted TV broadcasts; anti-virus software; malicious code and content screening software; computer security software; computer hardware and software for providing firewall protection, all being supplied from the internet or online from databases; computer software for use in healthcare and for monitoring and/or evaluation, and/or management of diseases; computer software relating to risk management, business security, information management and business intelligence; computer software for data processing; computer software used in respect of credit and debit card transaction services; security surveillance apparatus; security alarms; security control apparatus; security cameras; security software; software to control building access and security systems; . computer software for the remote control of security apparatus; application software for the remote control of security apparatus; computer software enabling content, visual works, audio works, audio-visual works, data and files to be downloaded to and accessed on a computer or other portable consumer electronic devices; electronic publications; downloadable publications; downloadable white papers; cloud servers; artificial intelligence and machine learning software; application software for virtual environments; computer hardware for virtual reality; headsets; virtual reality software; virtual reality software for telecommunications; virtual reality headsets; wireless headsets; cinematographic and photographic films; sound and video recordings; recorded television and radio programmes; motion pictures; animated cartoons; data recordings, including audio, video, still and moving images and text, also in interactive format; programmes and web-based audiovisual content for broadcast or other transmission on television, radio, mobile telephones, personal digital assistants and personal computers, including in 3D format; apparatus for recording, broadcasting, transmission, receiving, processing, generating, reproducing, distributing, re-distributing, tracking, tagging, encoding and decoding of audio and video content, still and moving images, data and metadata; magnetic data carriers, recording discs, memory carriers, compact discs, optical discs, interactive compact discs, CD-ROMs and DVDs, mini-disks, CD-Is, tapes, cassettes, cartridges, cards and other carriers, all bearing or for use in bearing sound recordings, video recordings, data, metadata, images, graphics, text or programs; software; computer programs; computer software; computer software, including software for use in downloading, storing, processing, reproducing, organising, distributing and re-distributing audio, video, still and moving images and data; application software; application software, including application software for mobile phones, wearable digital electronic devices and other portable digital devices; virtual and augmented reality software, hardware and apparatus; educational and learning software, electronic educational and learning apparatus and instruments; IP-based computer software platforms for the production, formatting, management and distribution of sound, images and data; mobile phone games; digital games; DVD games; computer games software; computer software for personalized and interactive television; downloadable electronic publications; ring tones and graphics (downloadable) for mobile phones; downloadable graphics for computers; digital music, audio and video recordings (downloadable) from the internet; mobile phone cases and covers; computer cases and covers; power packs; ear phones; speakers; dashboard mounts for mobile phones; electronic bulletin boards; mouse mats; radio signal transmitters and receivers; apparatus and instruments for the reception of radio and television broadcasts including the reception of cable, satellite and digital broadcasts; spectacles (glasses), sunglasses; computer software, software applications, downloadable mobile applications for the transmission of data and management of information; computer software, software applications, downloadable mobile applications using blockchain technology, related to cryptocurrencies; encoded loyalty cards and membership cards; computer application software for blockchain-based platforms; computer software platforms for blockchains; downloadable computer software; computer game software, downloadable; downloadable software for trading, buying, selling and collecting non-fungible tokens registered on a blockchain network; downloadable software for storing non-fungible tokens registered on a blockchain network; downloadable digital user authentication software; downloadable software for connecting to digital asset portfolios; downloadable software for online statistics; downloadable computer programs for

database management; software relating to digital collectibles using blockchain-based software technology featuring players, games, records, statistics, information, photos, images, game footage, highlights, and experiences in the field of football; downloadable computer software for managing digital collectible services, a market for transactions, and a registry using blockchain-based software technology for digital collectibles featuring players, games, records, statistics, information, photos, game footage, highlights, and experiences in the field of football; downloadable virtual goods, namely, computer programs for the creation and trade of digital collectibles using blockchain-based software technology, featuring players, games, records, statistics, information, photos, images, game footage, highlights, and experiences in the field of football; downloadable digital media, namely, digital collectibles created with blockchain-based software technology, in the nature of photos, images, and videos of players, games, game footage, game highlights, and virtual experiences in the field of football; downloadable virtual goods, namely, computer programs featuring footwear, clothing, headwear, eyewear, bags, sports bags, backpacks, sports equipment, art, toys and accessories for use online and in online virtual worlds; computer hardware; computer software; computer firmware; computer programmes; computer games; computer accessories; screen savers; discs; tapes; videotapes; compact discs; laser discs; minidiscs; pre-recorded tapes, discs and/or videos; computer mouse; mouse mats; telephones; magnets; smart cards; telephone cards; cameras; film; gramophone records; photographic equipment; calculating machines; answering machines; apparatus and instruments for recording and reproducing sound and images; bicycle helmets; computer software, programs, hardware, tapes, and discs and parts and fittings therefor; computer peripherals; mouse mats; wrist pads; computer mouses; keyboard and screen covers; screen savers; customised floppy discs; CD-ROMs; mini-discs; tapes; videotapes; compact discs; laser discs; customised storage boxes; telephones; telephone answering apparatus and telephones incorporating facsimile machines; pre-recorded games on CD, software, video and any other recording media; magnets; magnifying glasses; measures and measuring instruments; mechanical signs; neon signs; sockets, plugs and switches; ticket dispensers; vehicle breakdown warning apparatus; smart cards; telephone cards; magnetic identity cards; cameras and parts and fittings therefor; camera film; anti-dazzle shades; glasses and visors; compasses and barometers; binoculars; calculators; animated cartoons; prescription and non-prescription eye glasses and spectacles for adults and children; prescription and non-prescription sunglasses; cases; chains; cords and frames therefor; cases for photographic apparatus and instruments; containers for contact lenses; optical goods; holograms; televisions; video recorders; sound recording and sound reproducing apparatus and instruments; apparatus and instruments for the reproduction of sound and/or images; gramophone and phonographic records; tape recorders; magnetic tapes for recording and reproducing sound or vision; juke boxes; radios; record and CD players; remote control apparatus; photographic transparencies and photographic films prepared for exhibition purposes; bicycle helmets; scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; recorded and downloadable media, computer software, blank digital or analogue recording and storage media; mechanisms for coin-operated apparatus; cash registers, calculating devices; computers and computer peripheral devices; diving suits, divers' masks, ear plugs for divers, nose clips for divers and swimmers, gloves for divers, breathing apparatus for underwater swimming; fire-extinguishing apparatus; apparatus for receiving, recording and downloading sounds and images; digital communications apparatus and instruments; televisions; radios; electrical and electronic apparatus for use in the reception of satellite, terrestrial or cable broadcasts; signal decoders; apparatus for processing digital video signals; audio and video recording and playing apparatus; audio and/or video file recorders and/or players; headphones; earphones; smart speakers; magnetic tapes for recording and reproducing sound or vision; recorded content; digital recordings; audio recordings; video recordings; audio and video recordings; recorded programmes for television and for radio; motion picture films; animated cartoons; photographic transparencies and photographic and cinematographic films prepared for exhibition purposes; compact discs, DVDs and other digital recording media; cassettes; video cassettes; gramophone and phonographic records; downloadable audio and video recordings; downloadable music, sound recordings, graphics, games and video images; screen savers; downloadable electronic publications; publications in electronic format; electronic books and electronic book readers; remote control apparatus; cameras and video cameras; covers and cases for cameras and video cameras; covers and cases for photographic apparatus and instruments; video projectors, video screens; exposed camera film; digital photo frames; anti-dazzle shades, glasses and visors; binoculars; eye glasses, spectacles and sunglasses and cases, chains, cords and frames therefor; optical goods; holograms; compasses and barometers; signal bells; computers; portable computers; covers and cases for portable computers; laptop computers, tablet computers, and parts and accessories therefor; covers and cases for laptop computers and tablet computers; computer hardware and parts and fittings therefor; computer peripherals; mouse mats and wrist pads; computer mice; keyboard and screen covers; computer software; computer programs; downloadable computer software; application software; application software for mobile communication devices; computer games programs; video games software; games for video game machines; pre-recorded games on CD, software and any other recording media; downloadable software, namely non-fungible tokens (NFTs) and other application tokens; digital media, namely, digital tokens, digital collectibles and digital art; downloadable software, namely non-fungible tokens (NFTs) and other digital tokens based on blockchain technology; downloadable software, namely digital tokens used with blockchain technology to represent a collectible item; downloadable software, namely non-fungible tokens (NFTs) comprising images, graphics, photographs, videos, text, sounds and/or music; downloadable software, namely non-fungible tokens (NFTs) comprising digital art; digital art, namely downloadable image files, video files or multimedia files authenticated by non-fungible tokens (NFTs); downloadable software, namely digital collectibles in the form of non-fungible tokens (NFTs); digital collectibles, namely downloadable image files, video files or multimedia files authenticated by non-fungible tokens (NFTs); download software, namely non-

fungible token (NFT) image, graphic, photograph, video, text, audio, music and/or multimedia files; image, graphic, photograph, video, text, audio, music and/or multimedia files authenticated by non-fungible tokens (NFTs); software and applications relating to the issuance, sale and purchase, verification and management of digital media and collectibles, including non-fungible tokens (NFTs); downloadable software, namely downloadable digital art and other digital collectibles; downloadable digital art and other digital collectibles, namely downloadable images, graphics, photographs, videos, text, sounds and/or music; downloadable computer software and computer graphics featuring virtual goods for use online and in online virtual worlds; downloadable software, namely digital tokens used with blockchain technology to represent virtual goods for use online and in online virtual worlds; downloadable software, namely non-fungible token (NFTs) comprising digital art representing virtual goods; electronic storage media; memory cards; customised storage boxes for electronic storage media, CDs, DVDs and disks; communications and telecommunications apparatus and equipment; telephones and telephone apparatus; mobile phones and smart phones and transmitters, receivers, covers, cases, straps, fascia, holders, chargers, speakers, headsets, hands-free-kits, software, sounds, graphics, data input devices and media storage therefor; telephone answering apparatus; Height Charts; smart cards; telephone cards; encrypted smart cards; encoded smart cards; encrypted telephone cards; encoded telephone cards; encrypted cards; encoded cards; magnetic identity cards; time recording apparatus; decorative magnets; batteries; battery chargers; magnifying glasses; measures and measuring instruments; height charts; mechanical signs; illuminated signs; neon signs; sockets; plugs and switches; ticket dispensers; vehicle breakdown warning apparatus; articles of protective clothing, footwear and headgear; protective helmets; sports helmets; mouth protectors including gum shields; parts and fittings for all of the aforesaid goods.

UK00004427359 (2026/036, 04 September 2026)

The mark should have advertised in the following form:

Mark 1

Mark 2

Application for a series of 2 marks.

The specification for this application has been amended to read as follows:

Class 9:
Communications apparatus and instruments; telecommunications apparatus and instruments; mobile communications apparatus and instruments; apparatus and instruments for recording, transmission, reception, processing, retrieval, reproduction, manipulation, analysis, display and print-out of sounds, images and/or data; parts and fittings for communications, telecommunications and mobile communications apparatus; apparatus for recording, transmission or reproduction of sound or images; magnetic, digital and optical data carriers and storage media, recording discs; data processing equipment and computers; peripheral equipment for computers; speakers; sound bars; headsets; audio streaming apparatus; computer software; computer hardware and software for processing, reproducing, synchronising, recording, organising, downloading, uploading, transmitting, streaming, receiving, playing and viewing images, audio, video and data files; wireless controllers to remotely monitor and control the function and status of other electrical, electronic, and mechanical devices or systems; recording apparatus; audio recording apparatus; reporting software; computer software to enable searching of data; mobile navigation and/or information equipment for motor vehicles; systems for localizing and controlling circulation and/or movement of vehicles; communication systems to and from and between vehicles; data communication apparatus; satellite communication apparatus; computer software and telecommunications apparatus to enable connection to databases and the internet; electronic financial transaction and electronic trading apparatus and instruments; smart cards; encoded cards; digital communications apparatus and instruments; computer games software; computer peripheral devices; computer systems, laptop and notebook computers; electronic memory cards; debit cards, credit cards and charge cards; aerials, cables and ducts all for electrical, telecommunications or optical signal transmissions; cables; parts and fittings for jointing and connecting cables; cable accessories, terminations and fittings; recorded programmes for TV and radio; computer hardware; computer software

and firmware in mobile phones enabling the playing and downloading of software applications; electronic games, music, ringtones, screensavers and wallpapers; downloadable computer software applications; electronic baby monitoring devices and apparatus; TV monitors; video transmission apparatus; listening and monitoring apparatus; computer software for telecommunications apparatus and instruments; digital terrestrial TV reception equipment; set top boxes enabling reception, decoding, recording and viewing of encrypted or unencrypted TV broadcasts; anti-virus software; malicious code and content screening software; computer security software; computer hardware and software for providing firewall protection, all being supplied from the internet or online from databases; computer software for use in healthcare and for monitoring and/or evaluation, and/or management of diseases; computer software relating to risk management, business security, information management and business intelligence; computer software for data processing; computer software used in respect of credit and debit card transaction services; security surveillance apparatus; security alarms; security control apparatus; security cameras; security software; software to control building access and security systems; . computer software for the remote control of security apparatus; application software for the remote control of security apparatus; computer software enabling content, visual works, audio works, audio-visual works, data and files to be downloaded to and accessed on a computer or other portable consumer electronic devices; electronic publications; downloadable publications; downloadable white papers; cloud servers; artificial intelligence and machine learning software; application software for virtual environments; computer hardware for virtual reality; headsets; virtual reality software; virtual reality software for telecommunications; virtual reality headsets; wireless headsets; cinematographic and photographic films; sound and video recordings; recorded television and radio programmes; motion pictures; animated cartoons; data recordings, including audio, video, still and moving images and text, also in interactive format; programmes and web-based audiovisual content for broadcast or other transmission on television, radio, mobile telephones, personal digital assistants and personal computers, including in 3D format; apparatus for recording, broadcasting, transmission, receiving, processing, generating, reproducing, distributing, re-distributing, tracking, tagging, encoding and decoding of audio and video content, still and moving images, data and metadata; magnetic data carriers, recording discs, memory carriers, compact discs, optical discs, interactive compact discs, CD-ROMs and DVDs, mini-disks, CD-Is, tapes, cassettes, cartridges, cards and other carriers, all bearing or for use in bearing sound recordings, video recordings, data, metadata, images, graphics, text or programs; software; computer programs; computer software; computer software, including software for use in downloading, storing, processing, reproducing, organising, distributing and re-distributing audio, video, still and moving images and data; application software; application software, including application software for mobile phones, wearable digital electronic devices and other portable digital devices; virtual and augmented reality software, hardware and apparatus; educational and learning software, electronic educational and learning apparatus and instruments; IP-based computer software platforms for the production, formatting, management and distribution of sound, images and data; mobile phone games; digital games; DVD games; computer games software; computer software for personalized and interactive television; downloadable electronic publications; ring tones and graphics (downloadable) for mobile phones; downloadable graphics for computers; digital music, audio and video recordings (downloadable) from the internet; mobile phone cases and covers; computer cases and covers; power packs; ear phones; speakers; dashboard mounts for mobile phones; electronic bulletin boards; mouse mats; radio signal transmitters and receivers; apparatus and instruments for the reception of radio and television broadcasts including the reception of cable, satellite and digital broadcasts; spectacles (glasses), sunglasses; computer software, software applications, downloadable mobile applications for the transmission of data and management of information; computer software, software applications, downloadable mobile applications using blockchain technology, related to cryptocurrencies; encoded loyalty cards and membership cards; computer application software for blockchain-based platforms; computer software platforms for blockchains; downloadable computer software; computer game software, downloadable; downloadable software for trading, buying, selling and collecting non-fungible tokens registered on a blockchain network; downloadable software for storing non-fungible tokens registered on a blockchain network; downloadable digital user authentication software; downloadable software for connecting to digital asset portfolios; downloadable software for online statistics; downloadable computer programs for database management; software relating to digital collectibles using blockchain-based software technology featuring players, games, records, statistics, information, photos, images, game footage, highlights, and experiences in the field of football; downloadable computer software for managing digital collectible services, a market for transactions, and a registry using blockchain-based software technology for digital collectibles featuring players, games, records, statistics, information, photos, game footage, highlights, and experiences in the field of football; downloadable virtual goods, namely, computer programs for the creation and trade of digital collectibles using blockchain-based software technology, featuring players, games, records, statistics, information, photos, images, game footage, highlights, and experiences in the field of football; downloadable digital media, namely, digital collectibles created with blockchain-based software technology, in the nature of photos, images, and videos of players, games, game footage, game highlights, and virtual experiences in the field of football; downloadable virtual goods, namely, computer programs featuring footwear, clothing, headwear, eyewear, bags, sports bags, backpacks, sports equipment, art, toys and accessories for use online and in online virtual worlds; computer hardware; computer software; computer firmware; computer programmes; computer games; computer accessories; screen savers; discs; tapes; videotapes; compact discs; laser discs; minidiscs; pre-recorded tapes, discs and/or videos; computer mouse; mouse mats; telephones; magnets; smart cards; telephone cards; cameras; film; gramophone records; photographic equipment; calculating machines; answering machines; apparatus and instruments for recording and reproducing sound and images; bicycle helmets; computer software, programs, hardware, tapes, and discs and parts and fittings therefor; computer peripherals; mouse mats; wrist pads; computer mouses; keyboard and screen covers; screen savers; customised floppy discs; CD-ROMs; mini-discs; tapes; videotapes; compact discs; laser discs; customised storage boxes; telephones; telephone answering apparatus and telephones incorporating facsimile machines;

pre-recorded games on CD, software, video and any other recording media; magnets; magnifying glasses; measures and measuring instruments; mechanical signs; neon signs; sockets, plugs and switches; ticket dispensers; vehicle breakdown warning apparatus; smart cards; telephone cards; magnetic identity cards; cameras and parts and fittings therefor; camera film; anti-dazzle shades; glasses and visors; compasses and barometers; binoculars; calculators; animated cartoons; prescription and non-prescription eye glasses and spectacles for adults and children; prescription and non-prescription sunglasses; cases; chains; cords and frames therefor; cases for photographic apparatus and instruments; containers for contact lenses; optical goods; holograms; televisions; video recorders; sound recording and sound reproducing apparatus and instruments; apparatus and instruments for the reproduction of sound and/or images; gramophone and phonographic records; tape recorders; magnetic tapes for recording and reproducing sound or vision; juke boxes; radios; record and CD players; remote control apparatus; photographic transparencies and photographic films prepared for exhibition purposes; bicycle helmets; scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; recorded and downloadable media, computer software, blank digital or analogue recording and storage media; mechanisms for coin-operated apparatus; cash registers, calculating devices; computers and computer peripheral devices; diving suits, divers' masks, ear plugs for divers, nose clips for divers and swimmers, gloves for divers, breathing apparatus for underwater swimming; fire-extinguishing apparatus; apparatus for receiving, recording and downloading sounds and images; digital communications apparatus and instruments; televisions; radios; electrical and electronic apparatus for use in the reception of satellite, terrestrial or cable broadcasts; signal decoders; apparatus for processing digital video signals; audio and video recording and playing apparatus; audio and/or video file recorders and/or players; headphones; earphones; smart speakers; magnetic tapes for recording and reproducing sound or vision; recorded content; digital recordings; audio recordings; video recordings; audio and video recordings; recorded programmes for television and for radio; motion picture films; animated cartoons; photographic transparencies and photographic and cinematographic films prepared for exhibition purposes; compact discs, DVDs and other digital recording media; cassettes; video cassettes; gramophone and phonographic records; downloadable audio and video recordings; downloadable music, sound recordings, graphics, games and video images; screen savers; downloadable electronic publications; publications in electronic format; electronic books and electronic book readers; remote control apparatus; cameras and video cameras; covers and cases for cameras and video cameras; covers and cases for photographic apparatus and instruments; video projectors, video screens; exposed camera film; digital photo frames; anti-dazzle shades, glasses and visors; binoculars; eye glasses, spectacles and sunglasses and cases, chains, cords and frames therefor; optical goods; holograms; compasses and barometers; signal bells; computers; portable computers; covers and cases for portable computers; laptop computers, tablet computers, and parts and accessories therefor; covers and cases for laptop computers and tablet computers; computer hardware and parts and fittings therefor; computer peripherals; mouse mats and wrist pads; computer mice; keyboard and screen covers; computer software; computer programs; downloadable computer software; application software; application software for mobile communication devices; computer games programs; video games software; games for video game machines; pre-recorded games on CD, software and any other recording media; downloadable software, namely non-fungible tokens (NFTs) and other application tokens; digital media, namely, digital tokens, digital collectibles and digital art; downloadable software, namely non-fungible tokens (NFTs) and other digital tokens based on blockchain technology; downloadable software, namely digital tokens used with blockchain technology to represent a collectible item; downloadable software, namely non-fungible tokens (NFTs) comprising images, graphics, photographs, videos, text, sounds and/or music; downloadable software, namely non-fungible tokens (NFTs) comprising digital art; digital art, namely downloadable image files, video files or multimedia files authenticated by non-fungible tokens (NFTs); downloadable software, namely digital collectibles in the form of non-fungible tokens (NFTs); digital collectibles, namely downloadable image files, video files or multimedia files authenticated by non-fungible tokens (NFTs); download software, namely non-fungible token (NFT) image, graphic, photograph, video, text, audio, music and/or multimedia files; image, graphic, photograph, video, text, audio, music and/or multimedia files authenticated by non-fungible tokens (NFTs); software and applications relating to the issuance, sale and purchase, verification and management of digital media and collectibles, including non-fungible tokens (NFTs); downloadable software, namely downloadable digital art and other digital collectibles; downloadable digital art and other digital collectibles, namely downloadable images, graphics, photographs, videos, text, sounds and/or music; downloadable computer software and computer graphics featuring virtual goods for use online and in online virtual worlds; downloadable software, namely digital tokens used with blockchain technology to represent virtual goods for use online and in online virtual worlds; downloadable software, namely non-fungible token (NFTs) comprising digital art representing virtual goods; electronic storage media; memory cards; customised storage boxes for electronic storage media, CDs, DVDs and disks; communications and telecommunications apparatus and equipment; telephones and telephone apparatus; mobile phones and smart phones and transmitters, receivers, covers, cases, straps, fascia, holders, chargers, speakers, headsets, hands-free-kits, software, sounds, graphics, data input devices and media storage therefor; telephone answering apparatus; Height Charts; smart cards; telephone cards; encrypted smart cards; encoded smart cards; encrypted telephone cards; encoded telephone cards; encrypted cards; encoded cards; magnetic identity cards; time recording apparatus; decorative magnets; batteries; battery chargers; magnifying glasses; measures and measuring instruments; height charts; mechanical signs; illuminated signs; neon signs; sockets; plugs and switches; ticket dispensers; vehicle breakdown warning apparatus; articles of protective clothing, footwear and headgear; protective helmets; sports helmets; mouth protectors including gum shields; parts and fittings for all of the aforesaid goods.

UK00004409546 (2026/028, 10 July 2026)

The mark should have advertised in the following form:
PENGUIN FM

The specification for this application has been amended to read as follows:

Class 35:
Business management and administration support services; commercial business management; business process management; office administration; help desk and call centre services; consultancy, advisory and information services connected with the aforementioned services; all of the aforesaid provided in relation to facilities.

UK00004383232 (2026/021, 22 May 2026)

The mark should have advertised in the following form:
Untapping Innovation

The specification for this application has been amended to read as follows:

Class 9:
Physical book; digital book; Electronic book reader covers; Digital book readers; Electronic book readers; Audio books; none of the aforementioned goods including the field of revenue management, revenue optimisation and yield management.

Class 16:
Book covers; Book binders; Book bindings; Book jackets; Book marks; Non-fiction books; Series of non-fiction books; Books; Book binding material; Covers for books; Printed books; Resource books; Information books; none of the aforementioned goods including the field of revenue management, revenue optimisation and yield management.

Class 41:
Book publishing; Book and review publishing; Book rental; Book loaning; Book lending; Publication of books; Books (Publication of -); Electronic book reader rental; Publication of text books; Rental of electronic book readers; Publication of books, reviews; Publication of lyrics of songs in book form; Publishing of books; Publishing of books and reviews; Publication of audio books; Publication of music books; Publication of year books; Services for the publication of guide books; Publication of educational books; Publishing of instructional books; Rental of books; Services for the publication of books; Book club services providing information relating to books; Providing online non-downloadable comic books and graphic novels; Publishing of books, magazines; Hire of books; Online publication of electronic books and journals; Publication of electronic books and journals online; Loan of books; Multimedia publishing of books; none of the aforementioned services including the field of revenue management, revenue optimisation and yield management.

UK00004425923 (2026/040, 02 October 2026)

The mark should have advertised in the following form:

The specification for this application has been amended to read as follows:

Class 42:
Lobbying and representational services; advice, design and consultancy services in respect of systems, machines and materials in the telecommunications sector; consultancy in the field of telecommunications technology; surveying; advisory services relating to the field of telecommunications; providing technological information about the field of telecommunications; advisory and consultancy services in the field of telecommunications.

UK00004396595 (2026/024, 12 June 2026)

The mark should have advertised in the following form:

The specification for this application has been amended to read as follows:

Class 5:
Pharmaceuticals; medical preparations; medicated creams, lotions and moisturisers for use on hair and skin; medicated creams for firming or toning the skin; medicated cleansing preparations; Antibacterial preparations; Alcohol based

antibacterial skin sanitizer gels; sanitary preparations for medical purposes; dietary and nutritional supplements; vitamin and mineral supplements; anti-oxidant supplements; prebiotic supplements; protein supplements; food supplements consisting of amino acids; herbal supplements; dietary supplements promoting fitness and endurance; dietary supplements promoting wellness.

UK00004409546 (2026/028, 10 July 2026)

The mark should have advertised in the following form:
PENGUIN FM

The specification for this application has been amended to read as follows:

Class 35:
Business management and administration support services; commercial business management; business process management; office administration; help desk and call centre services; consultancy, advisory and information services connected with the aforementioned services; all of the aforesaid provided in relation to facilities management services.

UK00004442276 (2026/039, 25 September 2026)

The specification for this application has been amended to read as follows:

Class 41:
The arrangement and conduct of motorcycle rides for entertainment purposes.

UK00004435541 (2026/039, 25 September 2026)

The specification for this application has been amended to read as follows:

Class 35:
Advertising; business management; business administration; office functions; advertising services for radio, television or on-line; rental of advertising hoarding and billboards; business management and organisation consultancy services; retrieval, provision and display of commercial and business information from a computer stored databank; computer database management; computer database services, namely the retrieval, provision and display of commercial and business information from a computer stored databank; accountancy services; conducting and arranging of exhibitions for business, promotional or advertising purposes; organising of private draws for promotional and advertising purposes; auction services; Education; Education and training; Education and instruction; Training and education services; Education and instruction services; Education and training services; Training courses; Online education services; Business training; Training services; Computer training services; Coaching [training]; Business mentoring services; Coaching.

Class 42:
Artificial intelligence as a service (AIAAS); Platforms for artificial intelligence as software as a service [SaaS]; Software as a service [SaaS] featuring computer software platforms for artificial intelligence; Software as a service [SaaS]; Software as a service [SAAS] services; Software as a service [SaaS] featuring software for machine learning; Platform as a Service [PaaS]; Platform as a service [PaaS]; Software as a service; Software consulting services; Software authoring.

Restrictions

UK00004435764 (2026/037, 11 September 2026)
Specifications have been restricted as follows:

Class 43:
Mobile catering services.

UK00004398054 (2026/028, 10 July 2026)
Specifications have been restricted as follows:

Class 9:
Computer software, computer programs, server-based software and Internet-based software for monitoring, searching, retrieval, recovery, capture, storage, management, verifying, checking, recognition, sorting, classifying, selection, researching, evaluation, analysis, correlation, compilation, presentation, re-organising, processing and provision of data, including data obtainable from computer systems, computer networks, databases and the Internet; artificial intelligence and machine learning software and computer programs for monitoring, searching, retrieval, recovery, capture, storage, management, verifying, checking, recognition, sorting, classifying, selection, researching, evaluation, analysis, correlation, compilation, presentation, re-organising, processing and provision of data, including data obtainable from computer systems, computer networks, databases and the Internet; software and computer programs for commercial and industrial research, development, trend-assessing and analysis procedures; interactive software; Storage media storing, and storage media for storing, data, text, images, sound, graphics and programs; electric, optical and magnetic data-recording and data-storage media; machine-readable media; electronic publications and publications (downloadable) provided on-line; all the aforementioned goods being for use in connection with artificial intelligence software and platforms for intelligence workflows in the field of risk intelligence, security intelligence and threat intelligence.

Class 42:

Interactive information provided on-line from computer databases or from facilities provided on the Internet; providing artificial intelligence computer programs on data networks; operating of search engines and other information analytics; provision of search engine services for obtaining data and other information analytics services via a global computer network; capture and storage of data from data processing systems, computer databases and computer communications networks, including services provided on-line from a computer database or via the Internet or other telecommunications systems; all the aforementioned services being for use in connection with artificial intelligence software and platforms for intelligence workflows in the field of risk intelligence, security intelligence and threat intelligence.

UK00004398273 (2026/028, 10 July 2026)
Specifications have been restricted as follows:

Class 41:
Organisation of festivals, exhibitions, rallies and tours, all relating to motorhomes, campervans, overland vehicles and vehicle-based camping; none of the aforesaid services relating to films, television programmes or other audio visual entertainment.

UK00004409243 (2026/028, 10 July 2026)
Specifications have been restricted as follows:

Class 9:
Software; Surveying software; Application software; Downloadable computer software for remote monitoring and analysis; Computer application software; System software; Product engineering software; Computer software packages; Software for the analysis of business data; none of the aforesaid goods being payment or finance solutions, or being for use in relation to payment or finance services.

UK00004424579 (2026/033, 14 August 2026)
Specifications have been restricted as follows:

Class 3:
Cleaning preparations for dentures and for dental and orthodontic appliances, including retainers, aligners, dental mouthpieces, mouth guards, night guards and dental appliances for temporomandibular joint disorders; denture polishes; stain removing preparations for dentures and for dental and orthodontic appliances.

Class 5:
Disinfectants for dental and orthodontic appliances and dentures.

UK00004373900 (2026/027, 03 July 2026)
Specifications have been restricted as follows:

Class 9:
Computer software, computer software platforms, computer software applications and downloadable mobile applications; computer software, computer software platforms, computer software applications and downloadable mobile applications to provide a personalised product discovery service; computer software, computer software platforms, computer software applications and downloadable mobile applications relating to the organization, operation and supervision of sales and promotional incentive schemes and promotional services; computer software, computer software platforms, computer software applications and downloadable mobile applications for enabling consumers to retrieve, aggregate, review and manage their personal purchase data; all of the aforementioned goods being for use in or in connection with the food, drink and household consumable goods retail sectors; none of the aforementioned goods being for use in relation to financial services, including financial planning services, financial analysis services, financial advisory services, investment services, pension services, pension fund administration services and wealth management services.

card, charge card, loyalty card, cash, payment card or debit card; administration of a membership scheme for football supporters enabling participants to claim discounts and benefits; administration and operation of a loyalty award and incentive

scheme; provision of business information from a computer stored databank; business information services; information and advice relating to all the aforesaid services; all the aforesaid services also provided on line, from a computer database, from the Internet, by mobile communication or by other means of communication; information, advisory and consultancy services relating to the aforesaid.

UK00004382827 (2026/026, 26 June 2026)
Specifications have been restricted as follows:

Class 42:
Brand design services; Website development services; Consultancy services relating to design; Consultancy services in the field of technological development; Website design consultancy; Design services for packaging; Illustration services (design); Graphic design services; none of the aforesaid relating to the design and development of hardware and software for film and real-time production.

UK00004414353 (2026/030, 24 July 2026)
Specifications have been restricted as follows:

Class 10:
Medical apparatus and instruments; medical devices; all the aforesaid goods excluding orthopaedic implants, surgical instruments and artificial bone parts.

UK00004397236 (2026/027, 03 July 2026)
Specifications have been restricted as follows:

Class 35:
Business management consultancy and advisory services in the field Of innovation and product development; none of the aforementioned services including the field of revenue management, revenue optimisation and yield management.

Class 42:
Software as a service (SaaS) for innovation and product development methodology Design and development of software for innovation and product development none of the aforementioned services including the field of revenue management, revenue optimisation and yield management-.

UK00004397241 (2026/034, 21 August 2026)
Specifications have been restricted as follows:

Class 35:
Business management consultancy and advisory services in the field of innovation and product development; none of the aforementioned services including the field of revenue management, revenue optimisation and yield management.

Class 42:
Software as a service (SaaS) for innovation and product development methodology. Design and development Of software for innovation and product development methodology; none of the aforementioned services including the field of revenue management, revenue optimisation and yield management.

UK00004400385 (2026/035, 28 August 2026)
Specifications have been restricted as follows:

Class 35:
Online marketing; Marketing; Advertising and marketing; Advertising and marketing consultancy; Advertising and marketing services; Product marketing; Marketing consultancy; Marketing consulting; Digital marketing; Marketing research; Business marketing consultancy; Marketing analysis; Business marketing services; Marketing information.

Class 41:
Education; Education and training; Education and instruction; Training and education services; Education and instruction services; Education and training services; Training courses; Online education services; Business training; Training services; Computer training services; Coaching [training]; Business mentoring services; Coaching.

Class 42:
Artificial intelligence as a service (AIAAS); Platforms for artificial intelligence as software as a service [SaaS]; Software as a service [SaaS] featuring computer software platforms for artificial intelligence; Software as a service [SaaS]; Software as a service [SAAS] services; Software as a service [SaaS] featuring software for machine.

UK00004402840 (2026/027, 03 July 2026)
Specifications have been restricted as follows:

Class 41:
Health and fitness training; Sports and fitness; Exercise and fitness classes; Health and fitness club services; Health club [fitness] services; Exercise [fitness] training services; Fitness and exercise training services; Fitness and exercise instruction; Health club services [health and fitness training]; Fitness club services; Physical fitness consultation; Physical fitness centres; Physical fitness instruction; Sports and fitness services; Physical fitness training services; Fitness training services; Tuition in physical fitness; Physical fitness tuition; Personal trainer services [fitness training]; Personal fitness training services; Providing fitness and exercise facilities; Physical fitness centre services; Exercise [fitness] advisory services; Golf fitness instruction; Physical fitness education services; Conducting physical fitness conditioning classes; Health and wellness training; Consultancy relating to physical fitness training; Aerial fitness instruction; Physical fitness centres (Operation of -); Health club services [exercise]; Training services relating to fitness; Conducting fitness classes; Physical fitness assessment services for training purposes; Provision of health club [physical exercise] facilities; Education services relating to physical fitness; Educational services relating to physical fitness; Provision of educational health and fitness information; Instruction courses relating to physical fitness; Physical fitness instruction for adults and children; Conducting training sessions on physical fitness online; Aerobics training services; Training in yoga; Gym activity classes; Health club services; Aerobic and dance facilities; Sports training; Training in sports; Physical health education; Rental of sports or exercise equipment; Aerobics competitions; Providing health club and gymnasium services; Provision of educational services relating to fitness; Training related to nutrition; Exercise classes; Supervision of physical exercise; Providing of training in the field of health care and nutrition; Gymnasium services relating to weight training; Entertainment in the nature of weight lifting competitions; Physical training services; Strength and conditioning training; Personal coaching [training]; Life coaching (training); Training services relating to health and safety; Providing obstacle course training gym facilities; Recreation and training services; Training services relating to occupational health; Education and training in the field of

occupational health and safety; Education and training services in the field of occupational health and safety; Providing instruction and equipment in the field of physical exercise; Entertainment services in the nature of a wrestling club; Sports club services; Training of sports players; Personal trainer services; Sports coaching; Booking of exercise facilities.

UK00004410769 (2026/029, 17 July 2026)
Specifications have been restricted as follows:

Class 9:
Downloadable computer software; downloadable application software; downloadable mobile applications; downloadable software and mobile applications for estate agency services,

residential property sales, residential property lettings, residential property searches, residential property valuation and residential property management; downloadable software using artificial intelligence for estate agency services, residential property sales, residential property lettings, residential property searches, residential property valuation and residential property management; all of the aforesaid for use in buying, selling and/or renting property.

Class 35:
Business management and administration relating to residential property; business management of residential property portfolios; business administration services relating to residential lettings; franchising services, namely business management assistance and business advisory services relating to the establishment and operation of estate agency businesses; business advisory services relating to brand expansion; business consultancy relating to business expansion; auctioneering services; property auctioneering services; arranging and conducting property auctions; auctioneering provided via the internet; online property auctioneering services; provision of commercial information relating to property markets; marketing of residential property; business consultancy relating to property development; all of the aforesaid for use in buying, selling and/or renting property.

Class 42:
Software as a service [SaaS]; platform as a service [PaaS]; providing temporary use of online non-downloadable software; providing temporary use of online non-downloadable software using artificial intelligence; providing temporary use of online non-downloadable software for estate agency services, residential property sales, residential property lettings, residential property searches, residential property valuation and residential property management; hosting of online software platforms for estate agency services, residential property sales, residential property lettings, residential property searches, residential property valuation and residential property management; design and development of computer software for estate agency services, residential property sales, residential property lettings, residential property searches, residential property valuation and residential property management; development of artificial intelligence software; consultancy relating to software as a service; all of the aforesaid for use in buying, selling and/or renting property.

UK00004390460 (2026/027, 03 July 2026)
Specifications have been restricted as follows:

Class 9:
Risk detection software; Threat detection software; Privacy software; Privacy protection software; Security software; Software for network and device security; Software for ensuring the security of electronic mail; Intrusion detection system [IDS] software; None of the aforesaid for use in connection with the operation and management of a cryptographic security platform or cryptographic hardware security modules.

UK00004420407 (2026/032, 07 August 2026)
Specifications have been restricted as follows:

Class 42:
Computer consultancy and advisory services solely relating to unmanned systems (whether airborne, land-based or maritime), defence systems, critical maritime infrastructure, critical terrestrial infrastructure or industrial electronics applications; Design and development of computer hardware solely relating to unmanned systems (whether airborne, land-based or maritime), defence systems, critical maritime infrastructure, critical terrestrial infrastructure or industrial electronics applications; Design of electric circuit boards solely relating to unmanned systems (whether airborne, land-based or maritime), defence systems, critical maritime infrastructure, critical terrestrial infrastructure or industrial electronics applications; Software development, namely, the development of embedded software solely relating to unmanned systems (whether airborne, land-based or maritime), defence systems, critical maritime infrastructure, critical terrestrial infrastructure or industrial electronics applications; Design of software for embedded devices solely relating to unmanned systems (whether airborne, land-based or maritime), defence systems, critical maritime infrastructure, critical terrestrial infrastructure or industrial electronics applications; Computer security consultancy solely relating to unmanned systems (whether airborne, land-based or maritime), defence systems, critical maritime infrastructure, critical terrestrial infrastructure or industrial electronics applications.

UK00004403504 (2026/028, 10 July 2026)

UK00004417746 (2026/034, 21 August 2026)
Specifications have been restricted as follows:

Class 42:
Computer consultancy services relating to organizational decision governance; software as a service [SaaS] for organizational decision governance, decision-making support and decision-lifecycle management; software as a service [SaaS] for creating and distributing education, learning and training materials, but excluding any software for creating, generating, editing or distributing (i) synthetic media, (ii) digital avatars or synthesised human likenesses, or (iii) AI generated or synthesised video, audio or voice content, including text-to-speech, voice cloning, voice generation, voice translation or lip-syncing.

UK00004407287 (2026/028, 10 July 2026)
Specifications have been restricted as follows:

Class 7:
Aerating pumps for aquaria; aquarium air pumps; automatic feeding machines; automatic feeders for fish, reptiles and animals; parts and fittings for the foregoing goods; water pumps; dosing pumps; parts and fittings for water pumps and dosing pumps; none of the aforesaid water pumps or dosing pumps, or parts and fittings therefor, being for industrial liquid handling or dosing, oil or fuel handling, fuel management, or ship or vehicle propulsion systems.

Class 9:
Electronic controllers for aquaria, terraria, vivaria and paludaria; downloadable mobile applications for monitoring and controlling aquaria, terraria, vivaria and paludaria; sensors; temperature sensors; pH sensors; water quality sensors; cameras; monitoring apparatus; computer software; wireless control apparatus; none of the aforesaid sensors, cameras, monitoring apparatus, computer software or wireless control apparatus being for industrial liquid flow measurement or control, industrial liquid dosing, industrial water or heat metering, oil or fuel measurement or management, viscosity

measurement or control in industrial systems, or monitoring or control of ship or vehicle propulsion.

UK00004388038 (2026/027, 03 July 2026)
Specifications have been restricted as follows:

Class 1:
Fertilizers and manures; Organic fertilisers; Mineral fertilisers; Compound, mixed, complex and multi nutrient fertilisers; Controlled release fertilisers; Liquid fertilisers; Foliar fertilisers; Hydroponic fertilisers; Lawn, grass and garden fertilisers; Fertilisers for agriculture, horticulture and forestry; Fertilisers for soil and potting soil; Fertilisers for domestic and household plants; Nitrogenous fertilisers; Phosphate fertilisers; Potassium fertilisers; Calcium-based fertilisers; Sulphate fertilisers; Nitrate fertilisers; Micronutrient fertilisers; Chelated fertilisers; Fertilisers containing nitrogen, magnesium, manganese or calcium; Organic fertilisers; Biofertilisers; Natural fertilisers; Digestate for use as fertiliser; all of the aforesaid being organic, non-chemical fertilisers; compost; Mulch for soil enrichment; Soil conditioners for agricultural purposes; organic, non-chemical Biostimulants for plants; Manures; Organic manure; Animal manure; Poultry manure; Fermented manure; organic, non-chemical Fish meal fertilisers; Bone meal; Blood meal; Seaweed fertilisers and seaweed extracts for use as fertilisers; organic, non-chemical Marine fertilisers.

Class 35:
Wholesale services in relation to clothing.

UK00004375476 (2026/027, 03 July 2026)
Specifications have been restricted as follows:

Class 9:
Electric and electronic, optical and acoustic and radio-controlled apparatus and instruments and components thereof for use in traffic signalling control or traffic management; traffic control apparatus; Traffic signalling apparatus; Electronic apparatus for the remote control of traffic signals; Light (Traffic--) apparatus [signalling devices]; portable traffic lights; temporary traffic lights; pedestrian lights; traffic signals for pedestrians; illuminated signposts; traffic light installations; traffic control apparatus (lighting); Traffic control apparatus [mechanical]; Traffic control apparatus [electronic]; Traffic control apparatus [electric]; Traffic control apparatus [luminous]; Traffic guidance installations; Traffic guidance [mechanical]; Traffic guidance apparatus [electronic]; Traffic guidance apparatus [electric]; Traffic guidance apparatus [luminous]; Remote control apparatus for use in traffic control or traffic management; Remote control apparatus for controlling traffic lights; Telecommunications apparatus for use in traffic control or traffic management; Computer software for use in traffic control or traffic management; computer software for traffic signalling systems; computer software for traffic control systems; Software for controlling and operating portable and temporary traffic signalling systems; all of the aforesaid goods being for controlling road traffic signals, providing traffic guidance signals to road users, managing the overall flow Of road traffic, or signalling to pedestrians in connection with road traffIc.

Class 37:
Installation of traffic management systems; installation, repair and maintenance of traffic light systems; all of the aforesaid services relating to road traffic management systems which control road traffic signals or manage the overall flow of road traffic, or to road traffic light systems.

Class 39:
Management of vehicular traffic flow through advanced communications network and technology; Rental of traffic management system; Rental of traffic management apparatus; all of the aforesaid services being services for managing the overall flow of road traffic, or the rental of road traffic signalling or traffic-flow management systems or apparatus.

UK00004435527 (2026/040, 02 October 2026)
Specifications have been restricted as follows:

Class 35:
Advertising; business management; business administration; office functions; advertising services for radio, television or on-line; rental of advertising hoarding and billboards; business management and organisation consultancy services; retrieval, provision and display of commercial and business information from a computer stored databank; computer database management; computer database services, namely the retrieval, provision and display of commercial and business information from a computer stored databank; accountancy services; conducting and arranging of exhibitions for business, promotional or advertising purposes; organising of private draws for promotional and advertising purposes; auction services; office management services; data processing services; business management services for professional footballers; career management services for professional footballers; retail and online retail services connected with the sale of non-medicated soaps, perfumery, essential oils, non-medicated cosmetics, non-medicated hair lotions, nonmedicated dentifrices, cosmetics, toiletries, skin care preparations (non-medicated), aftershaves, perfumes, facial makeup, facial cleansers, toners, facial exfoliants and scrubs, facial creams, facial moisturizers, facial lotions and non-medicated facial treatments, nail polishes, nail polish, nail polish removers, nail creams, beauty milks, skin moisturizers and skin moisturizer masks, skin conditioners, hand creams, massage oils, essential oils for personal use, aromatic essential oils, talcum powder, perfumed powders, bath foam, bath gels, bath oils, bath powders, bath salts, face wash, skin cleansers, body scrubs, body fragrances, fragrances for personal use, body and hand lotions, body gels, shower gels, body oils, body powders, body exfoliants, body masks, body mask creams and lotions, shaving preparations, after shave lotions, shaving balm, shaving cream, shaving gel, skin abrasive preparations, non-medicated skin creams and skin lotions for relieving razor burns, non-medicated lip care preparations, lip cream, cosmetic kits, cosmetic sun protecting preparations, sun tan oils, self-tanning preparations (namely, self- tanning milk and cream, self-tanning lotions, gels and sprays), perfume, perfume oils, cologne, eau de toilette, eau de perfume, eau de cologne and toilette water, toothpaste, deodorant and antiperspirant, cosmetic pads, pre-moistened cosmetic wipes, pre-moistened cosmetic tissues and towelettes, topical skin creams (non-medicated), ointments (non-medicated), gels (nonmedicated), toners (non-medicated), lotions (non-medicated), sprays (non-medicated), powders (nonmedicated), aromatherapy creams, lotions and oils, hair care products, shampoos, conditioners, mousse, gels, frosts, creams, rinses, sprays, hair colour, hair dyes, hair emollients, hair mascara, hair relaxing preparations, hair styling preparations and hair care preparations, astringents for cosmetic purposes, baby wipes, disposable wipes impregnated with

chemicals or compounds for personal, hygiene and household use, incense, room fragrances, fragrance emitting wicks for room fragrances, sachets, scented room sprays, scented oils used to produce aromas when heated, sprays for shoes or boots, creams for shoes or boots and polishes for shoes or boots, candles, goods of common metal, signs, vehicle registration plates, emblems for vehicles, badges of common metal for vehicles, nameplates, identification plates, badges, keys, key fobs, key blanks, key rings, key chains, locks, money boxes, buckles, metal dog tags, ornaments of common metal and their alloys, ornaments, plaques, plates, statues, statuettes, figurines and works of art of common metal or bronze or their alloys or coated therewith, containers and tins of metal, hand tools and implements (hand-operated), cutlery, side arms, razor, scrapers (for removing ice from automobiles), razors, manicure sets, table cutlery, apparatus for recording, transmission or reproduction of information, sound or images, recordings and publications, digital music (downloadable), downloadable and stream able audio and or video recordings, electronic devices (for the wireless receipt, storage and transmission of data, images, music and messages), apparatus (for receiving, downloading and transmission of sound and images), television and radio apparatus and instruments, recorded programmes (for television, radio and online), electrical and electronic apparatus (for use in broadcasting), digital electronic devices for the storage and transmission of information, data, messages, games, music and entertainment and access to the Internet, personal digital assistants and organisers, handheld computers, electronic notepads, tablets, organisers, electronic hand held devices with interactive functions for the storage and transmission of information, data, messages, games, music and entertainment and access to the Internet, bags, cases, covers, skins, holders, controllers, parts and accessories (for digital electronic devices for the storage and transmission of information, data, messages, games, music and entertainment and access to the Internet, personal digital assistants and organisers, handheld computers, electronic notepads, mobile telephones, tablets and organisers), radios, radio alarm clocks, headphones, earphones, data processing equipment and computers, computer mouse, computer mouse pads and mats, computer programs, computer hardware, downloadable software, screen savers, applications and software (for mobile telephones and other forms of communication), downloadable music, downloadable screensavers, downloadable video, downloadable games, downloadable graphics and downloadable information, computer firmware, computer software and publications (downloadable and in electronic form supplied on-line from databases or from facilities provided on the Internet including web sites), computer software, game machines, cases, holders, covers and fascias (for mobile telephones), non printed publications, downloadable publications, electronic publications, downloadable electronic publications, shaving cases, sunglasses, spectacles, cords, cases, covers, frames, straps, lenses and chains (for sunglasses and spectacles), goggles, sports goggles, protective goggles, protective clothing and helmets (for sport and leisure and to prevent injury), visors, sunshades, cameras, memory sticks and memory card, electronic storage media, encoded cards, encrypted cards, smart cards, magnets, fridge magnets, decorative magnets, massage apparatus, dummies and soothers (for babies), bottles for babies, lighting apparatus and installations, lamps, electric lamps, lightshades, lampshades, lampshade holders, flashlights, bicycle lamps, bicycle pumps and bells, accessories for bicycles, pushchairs and strollers, pushchair covers and pushchair hoods, accessories for pushchairs and strollers, seat covers for vehicles, window shades for vehicles, foot mats for vehicles, visors for vehicles, accessories for vehicles, mudguards, precious metals and their alloys, jewellery, precious and
