Class 1:
Magnetic fluid for industrial purposes; hydraulic oils.

Class 6:
Small items of metal hardware; clearance seals of metal; metal pipes and fittings therefor; gas seals of metal; gas storage tanks of metal; seals of metal; packings of metal; metal valves not being parts of machines; metal flanges; compressed gas storage tanks of metal; liquefied gas storage tanks of metal; liquid storage tanks or reservoirs of metal; metal junctions for pipes; industrial water tanks of metal; metal shut-off valves, other than parts of machines; fluid flow control valves of metal; shut-off valves of metal, other than parts of machines.

Class 7:
Air filters, fuel filters, oil filters and exhaust gas filters for engines; gas turbines, not for land vehicles and their parts and fittings; gas filters for machines; couplings for machines; clack valves being parts of machines; machines for processing rubber; machines and apparatus for manufacturing rubber goods; parts and fittings of machines and apparatus for manufacturing rubber goods; accumulators for machines and apparatus for manufacturing rubber goods; jet engines, not for land vehicles and their parts and fittings; floating ring seals for bearing [machine parts]; valves being parts of machines; valves, being machine elements not for land vehicles; plastic processing machines and apparatus; parts and fittings of plastic processing machines and apparatus; accumulators for plastic processing machines and apparatus; coolant supply units for plastic processing machines; cutting fluids supply units for plastic processing machines; pumps and their parts and fittings; mechanical seals being parts of machines; compressors [machines] and their parts and fittings; chemical processing machines and apparatus; parts and fittings of chemical processing machines and apparatus; accumulators for loading-unloading machines and apparatus; mechanical seals of metal for rotary machines; agitators for chemical processing and their parts and fittings; sliding bearings for machines; sliding bearings being machine elements not for land vehicles; machine elements, not for land vehicles; accumulators for machine elements, not for land vehicles; injectors for engines; sealing joints [parts of engines]; parts and fittings of track and land traveling hydraulic excavators; industrial fishing machines and instruments; parts and fittings of industrial fishing machines and instruments; metalworking machines and tools; parts and fittings of metalworking machines and tools; accumulators for metalworking machines and tools; coolant supply units for metalworking machines and tools; cutting fluids supply units for metalworking machines and tools; mechanical seals of metal; pneumatic valve actuators; pneumatic flow control valves; AC motors and DC motors [not including those for land vehicles but including parts for any AC motors and DC

motors]; accumulators for plowing machines and implements, other than hand-held tools; internal combustion engines for aircraft and their parts; mining machines and apparatus; parts and fittings of mining machines and apparatus; accumulators for mining machines and apparatus; accumulators for high pressure washers; magnetic fluid seals being parts of machines; shaft couplings or connectors being machine elements other than for land vehicles; bearings being parts of machines; bearings being machine elements other than for land vehicles; food processing machines and apparatus and their parts and fittings; beverage processing machines and apparatus and their parts and fittings; accumulators for brakes, machine elements not for land vehicles; coolant supply units for cutting machines; cutting fluids supply units for cutting machines; hydraulic intensifiers being parts of machines; machines for generating gas by electrolysis and their parts; machines for manufacturing electronic components and their parts and fittings; electric oil pressure actuators; earth moving machines; parts and fittings of earth moving machines; accumulators for construction machines and apparatus; parts of non-electric prime movers; accumulators for non-electric prime movers, not for land vehicles; accumulators for liquid pressure controls for non-electric prime movers, not for land vehicles; accumulators for oil pressure controls for non-electric prime movers, not for land vehicles; accumulators for fluid pressure controls for non-electric prime movers, not for land vehicles; accumulators for agricultural machines and agricultural implements, other than hand-operated; agricultural machines and their parts and fittings; parts and fittings of semiconductor manufacturing machines; semiconductor manufacturing machines and their parts and fittings; pneumatic or hydraulic machines and instruments; parts and fittings of pneumatic or hydraulic machines and instruments; accumulators for pneumatic or hydraulic machines and instruments; parts and fittings of oil pressure loading-unloading machines and apparatus; parts and fittings of machines for manufacturing oil pressure rubber products; hydraulic valve actuators; parts and fittings of oil pressure power shovels; parts and fittings of oil pressure plastic processing machines and apparatus; parts and fittings of oil pressure mining machines and apparatus; parts and fittings of oil pressure construction machines and apparatus; welded metal bellows seal; liquid filters and gas filters for non-electric prime movers for land vehicles; segment seals of metal; bellows of metal [parts of machines]; segmented seals, not of metal; mechanical seals, not of metal being parts of machines.

Class 9:
Inspection apparatus for O-rings; pressure sensors; temperature sensors; gas sensors; vibration sensors; slip rings [electrical connectors]; sensors; solenoid valves [electromagnetic switches]; flow gauges; voltage regulators; pressure gauges; temperature gauges; sounding rockets and their parts and fittings; diagnostic apparatus, not for medical purposes; vibration meters; measuring or testing machines and instruments; accumulators, electric; power distribution or control machines and apparatus; laboratory apparatus and instruments; accumulators for air vehicles and their parts; accumulators for automobiles and their parts.

Class 12:
Shock absorbers for vehicles; valves for land vehicles [machine elements]; space launch vehicles for launching satellites and their parts and fittings; parts and fittings of aircraft; aircraft and their parts and fittings; parts and fittings of automobiles; automobiles and their parts and fittings; bearings being parts of vehicles; bearings for land vehicles [machine elements]; accumulators for brakes, machine elements for land vehicles; parts and fittings of vessels, other than for air cushion vehicles; vessels and their parts and fittings; railway rolling stock and their parts and fittings; accumulators for power transmissions and gearing, machine elements for land vehicles; two-wheeled motor vehicles and their parts and fittings; bicycles and their parts and fittings; mechanical elements for land vehicles; accumulators for mechanical elements for land vehicles; pneumatic or hydraulic linear actuators for land vehicles; AC motors or DC motors for land vehicles, not including their parts.

Class 17:
O-rings; oil seals; gaskets; gas seals, not of metal; clearance seals, not of metal; raw gum; synthetic rubber; rings of rubber; washers of rubber or vulcanized fiber; seal rings, not of metal; shaft packings; packings for sealing, not of metal; junctions for pipes, not of metal; gaskets of metal; fluororesin pipes for transporting fluids; sealing rings of metal; gaskets of metal for vehicle engines.

Class 37:
Installation, maintenance and repair of energy conversion apparatus and power plants; repair, maintenance or conversion of rubber-goods manufacturing machines and apparatus and their parts; repair and maintenance of sealing apparatus; repair, maintenance or conversion of valves, machine elements not for land vehicles; repair, maintenance or conversion of plastic processing machines and apparatus and their parts; repair and maintenance of industrial plants and consultancy relating thereto; inspection of industrial plants prior to repair and maintenance and consultancy relating thereto; pump repair and maintenance; repair, maintenance or conversion of loading-unloading machines and apparatus and their parts; repair, maintenance or conversion of metalworking machines and tools and their parts; repair or maintenance of nuclear power plants; repair, maintenance or conversion of plowing machines and implements and their parts, other than hand-held tools; repair, maintenance or conversion of air vehicles and their parts; repair, maintenance or conversion of mining machines and apparatus and their parts; repair, maintenance or conversion of automobiles and their parts; repair and maintenance of shaft bearings [parts of machines]; repair or maintenance of machines and apparatus for processing foods or beverages; repair, maintenance or conversion of brakes, machine elements not for land vehicles; repair, maintenance or conversion of brakes, machine elements for land vehicles; repair and maintenance of parts of vessels; repair, maintenance or conversion of construction machines and apparatus; repair, maintenance or conversion of fluid pressure controls for non-electric prime movers, not for land vehicles; repair, maintenance or conversion of power transmissions and gearing, machine elements not for land vehicles; repair, maintenance or conversion of power transmissions and gearing, machine elements for land vehicles; repair, maintenance or conversion of agricultural machines and implements and their parts; repair or maintenance of semi-conductor manufacturing machines and systems; repair, maintenance or conversion of pneumatic or hydraulic machines and instruments and their parts; repair and maintenance of wind power plants; repair, maintenance or conversion of mechanical elements for land vehicles.

Class 9:
Musical recordings; musical sound recordings; sound recordings featuring music; downloadable musical sound recordings; digital media, namely, pre-recorded DVDs, downloadable audio and video recordings, and CDs featuring and promoting music and entertainment; digital music downloadable from the Internet; downloadable podcasts in the field of entertainment; audio and video recordings featuring music and artistic performances; pre-recorded vinyl records featuring music; pre-recorded record albums featuring music.

Class 14:
Key chains.

Class 16:
Stationery; printed posters; blank writing journals; stickers; pens; printed books in the field of entertainment; printed non-fiction books on a variety of topics; printed guidebooks featuring information in the field of entertainment and including characters and storylines.

Class 18:
Traveling bags; carry-all bags; shoulder bags; all-purpose carrying bags; messenger bags; waist bags; book bags; backpacks.

Class 21:
Water bottles sold empty.

Class 25:
Clothing, namely, shirts, tops, pants, bottoms, hoodies, sweatshirts, sweaters, socks, jackets, coats, and outerwear in the nature of gloves, parkas, mittens; headwear; hats.

Class 28:
Toy figures; action figures; dolls; play sets for action figures; role playing toys in the nature of play sets for children to imitate real life occupations.

Class 30:
Corn-based snack foods; wheat-based snack foods; flour-based snack foods; multigrain-based snack foods; rice-based snack foods; grain-based snack foods; cereal-based snack foods; granola snacks; chocolate-based snack food; candy; tea.

Class 32:
Soft drinks, namely, sodas; water beverages; drinking waters; drinking water with vitamins; bottled water.

Class 41:
Providing online non-downloadable videos in the field of entertainment; entertainment services, namely, continuing video programs featuring entertainment distributed via various platforms across multiple forms of transmission media; providing online videos, not downloadable, in the field of entertainment; providing online, non-downloadable, short-form videos in the field of entertainment; entertainment services in the nature of live musical performances; entertainment services in the nature of live audio performances by musical bands; entertainment services, namely, providing non-downloadable prerecorded music via a website; entertainment services featuring podcasts in the field of entertainment; multimedia entertainment services in the nature of recording, production and post-production services in the fields of music, video, and films; entertainment media production services for motion pictures, television and internet; entertainment services in the nature of development, creation, production and post-production services of multimedia entertainment content; entertainment services in the nature of development, creation, production, distribution, and post-production of television shows; entertainment services in the nature of development, creation, production, distribution, and post-production of motion pictures.

The mark contains the colours black, orange, light orange and pale orange.
The color(s) black, orange, light orange and pale orange is/are claimed as a feature of the mark. The mark consists of the stylized wording "Hanwha" in black to the right of three overlapping rings of differing sizes in three shades of orange, namely, orange, light orange and pale orange.

Class 1:
Ceramic compositions for sintering [granules and powders]; compositions for the manufacture of technical ceramics.

Class 6:
Metal billets; steel forgings; steel in sheet, rod, bar or billet form; alloys of common metal; heat-resistant ferrous alloys; ferroalloys; metals and metal alloys; common metals, unwrought or semi-wrought; common metals and their alloys; ingots of common metal; nickel; castings, foils, powder, and rolled, drawn or extruded semi-finished articles of nickel or its alloys; semi-finished articles of unrefined nickel; nickel and its alloys; nickel alloys; nickel alloy ingots; tubes of nickel alloys; castings of titanium or its alloys; titanium and its alloys; titanium alloy; casting moulds of metal; foundry molds of metal; metallic moulds for metal casting; molds of metal for casting ceramic materials; jets of metal.

Class 7:
Forging moulds; pump impellers; bearing housings for machines; housings [parts of machines].

Class 12:
Structural parts for airplanes; structural parts for aircraft; aerofoils for air vehicles; aeronautical apparatus, machines and appliances.

Class 40:
Treatment of materials for the manufacture of ceramic goods; metalworking; heat treating of metals; heat treatment of metals; cutting of metals; electro and metal coating, metal treating and casting, hardening of metal and metal products; processing of metal parts; metal treating and processing of plastics; treatment and transformation of metal; surface finishing of metal articles; metal casting; metal mold castings; abrasive polishing of metal surfaces; heat treatment of metal surfaces; treatment and coating of metal surfaces; mold casting; metal forging.

Class 42:
Quality control of partly manufactured goods; non-destructive testing services; material testing; research in the field of materials science; quality testing of products; technical research in the field of aeronautics.

Class 7:
Agricultural machines; aerating pumps for aquaria; disintegrators; milking machines; hair cutting machines for animals; electric salt mills; mechanized horse walkers; woodworking machines; papermaking machines; machines for the manufacture of paper diapers; printing machines; spinning machines; dyeing machines; tea processing machines; mills (machines); brewing machines; cigarette machines for industrial purposes; leather-working machines; ironing machines; machines for the bicycle industry; machines for the ceramic industry; portable laser engraving machines; battery manufacturing machines; cord making machines; chopstick making machines; dual-purpose peeling and shelling machines; pen making machines; candle making machines; straw mat weaving machines; enamel making machines; light bulb making machines; wrapping machines; briquette making machines; kitchen machines, electric; washing machines (laundry); centrifugal mills; machines for processing plastics; machinery for glass manufacture (including domestic glassware fabrication); fertilizer manufacturing machines; electromechanical machines for chemical industry; machinery for geologic exploration, mining and ore concentration; machines for geological, mining and ore exploration; rolling mills; oil refining machines; shovels, mechanical; jacks (machines); metalworking machines; metal forming machines;

steam engines, not for land vehicles; sparking plugs for automotive engines; radiators (cooling) for automobile engines; compressed air engines; cylinders for machines; pistons (parts of machines or engines); belts for motors and engines; mufflers for automobile engines; air filters for automobile engines; wind power installations; thumb tack manufacturing machines; zipper making machines; industrial robots; electric wire and cable manufacturing machines; glue guns, electric; machines for the electronics industry; spectacle glasses processing machines; gas separating installations; spray guns for paint; alternators; starters for motors and engines; oil pumps for automobiles; hydraulic controls for machines, motors and engines; turbochargers for motors; hydraulic cylinders (parts of machines); control mechanisms for machines, engines or motors; flywheels for automobile engines; clutches for machines; bearings (parts of machines); belts for machines; welding machines, electric; rechargeable sweepers; sorting machines for industry; drums (parts of machines); labellers (machines); shoe polishers, electric; racket stringing machines; vending machines; 3D printers; robotic exoskeleton suits, other than for medical purposes; 3D bioprinters; ticket vending machines; fluid dispensing machines for industrial use; fueling nozzles for aviation fuelling vehicles; reservoirs (parts of machines); rice grain sorting machines; brake fluid replacement and filling machines; automatic tire removing and installing devices; automatic clothes folding machines for industrial purposes; ice-resurfacing machines; electroplating machines; axles for machines; turbocompressors; air cylinders (parts of machines); electric scroll gate operator; machines for filtering milk; filtering machines for chemical processing; screening machines; curtain drawing devices, electrically operated.

Class 9:
Computer programs, recorded; computer programs, downloadable; data processing apparatus; central processing units (processors); computer chatbot software for simulating conversation; video display monitors; parking meters; apparatus to check franking; point-of-sale (POS) terminals; mechanisms for coin-operated apparatus; holograms; hemline markers; voting machines; electronic terminals for generating lottery tickets; dictating machines; face identification apparatus; ticket dispensing terminals, electronic; time and date recording apparatus for attendance registration; scales; vehicle dipsticks; vehicle breakdown warning lamps; intercommunication apparatus; navigational instruments; radar apparatus; equipment for network communication; blind spot cameras for cars; head-up display apparatus for vehicles; multimedia projectors; cameras with linear image sensors; azimuth instruments; steering apparatus, automatic, for vehicles; thermostats for vehicles; wheel alignment meters; laboratory robots; electric loss indicators; scanners (apparatus) for performing automotive diagnostics; particle accelerators; lasers, not for medical purposes; probes for scientific purposes; satellites for scientific purposes; diaphragms for scientific apparatus; simulators for the steering and control of vehicles; crash test dummies; nucleonic instruments; optical lenses; electric wire harnesses for automobiles; semiconductors; chips (integrated circuits); transistors; sensors; electronic control units for automobiles; electronic controllers for automobiles; video screens; electronic key fobs being remote control apparatus; optical fibres (light conducting filaments); electric installations for the remote control of industrial operations; lightning conductors; ionization apparatus not for the treatment of air or water; fire extinguishing apparatus; radiology screens for industrial purposes; reflective safety vests; theft prevention installations, electric; biometric locks; spectacles; batteries, electric, for vehicles; animated cartoons; egg-candlers; dog whistles; electronic collars to train animals; animal signalling rattles for directing livestock; decorative magnets; electrified fences; sports whistles; humanoid robots with artificial intelligence for preparing beverages; sunglasses for pets; humanoid robots with artificial intelligence for use in household cleaning and laundry; remote-controlled engine shut-off devices for cars or remote-controlled kill switches for cars; charging stations for electric vehicles; humanoid robots having communication and learning functions for assisting and entertaining people; car stereos.

Class 11:
Light projectors; lights for vehicles; running lights for vehicles; germicidal lamps for purifying air; nail lamps; oil lamps; induction ovens; lava rocks for use in barbecue grills; car refrigerators; ventilation (air-conditioning) installations for vehicles; air purifiers for automobiles; air conditioning installations for vehicles; air conditioners for vehicles; heaters for vehicles; hair dryers; heat pumps; fog machines for theater; fog machines; automatic faucets; watering installations, automatic; toilet bowls; drinking fountains; electrically heated cushions, not for medical purposes; gas lighters; polymerisation installations; personal cooling packs, not for medical purposes; silkworm egg dehydrator.

Class 12:
Electric vehicles; vehicles for locomotion by land, air, water or rail; remote control vehicles, other than toys; automobiles; driverless cars (autonomous cars); self-driving cars; automobile chassis; motors, electric, for land vehicles; automobile seats; head-rests for automobile seats; reversing alarms for vehicles; air springs for vehicle suspension components for cushioning driver's seats and cabs; torsion bars for vehicles; interior trims (parts) for automobiles; shock absorbers for automobiles; self balancing unicycles; pumps for bicycle tyres; electric wheelchairs; sleighs (vehicles); tires for vehicle wheels; repair outfits for inner tubes; unmanned aerial vehicles/drones; head-rests for vehicle seats; vehicle chassis; vehicle seats; undercarriages for vehicles; balance weights for vehicle wheels; braking devices for vehicles; vehicle bumpers; axles for air suspension systems in vehicles; non-skid devices for vehicle tyres; vehicle joysticks; telpher railways (cable cars); boats; wheel balancers.

Class 37:
(providing) information relating to repairs; rental of bulldozers; mining extraction; varnishing; heating equipment installation and repair; repair or maintenance of vehicle washing installation; interference suppression in electrical apparatus; installation and maintenance of medical devices; motor vehicle maintenance and repair; charging of electric vehicles; vehicle service stations (refuelling and maintenance); vehicle maintenance; photographic apparatus repair; clock and watch repair; repair of security locks; rustproofing; retreading of tyres; furniture maintenance; leather care, cleaning and repair; disinfecting; elevator installation and repair; burglar alarm installation and repair; shoe maintenance and repair; repair and maintenance of smartphones; drill bit sharpening; pump repair; umbrella repair; artificial snow-making services; restoration of works of art; repair or maintenance of musical instruments; swimming pool cleaning services; rental of drainage pumps; repair of power lines; rental of dishwashing

machines; repair of hand tools; jewellery repair services; installation and maintenance of entertainment or sports apparatus; care and repair of skis; repair or maintenance of storage tanks; maintaining septic systems; book restoration services; maintenance and repair of telescopes; repair of toys or dolls; repair of game machines and apparatus; rental of carpet cleaning machines; maintenance of aquariums; repair of fishing tackle; mobile phone repair services; installation of lightning conductors; maintenance and repair of microscopes; repair of sports equipment; repair of wireless earphones; beer keg cleaning services; repair of billiard equipment; repair of suitcases; window blind installation and repair; installation of cables for Internet access; installation, maintenance and repair of card readers; refilling of gas cylinders used for making carbonated beverages; restoration of printed photographs; repair of curtains; repair of orthodontic appliances; rental of battery chargers.

Class 38:
Television broadcasting; message sending; teleconferencing services; communications by computer terminals; computer aided transmission of messages and images; providing online forums; streaming of data; radio communications; geolocation services (telecommunications services); providing chatrooms in virtual environments; providing online virtual reality-based forums for work collaboration; providing access to databases; providing user access to a global computer network; providing Internet chatrooms.

Class 39:
Piloting; packaging of goods; rental of navigational systems; vehicle breakdown towing services; yacht and boat charter services; marine transport; car transport; rental of photography drones; car sharing services; vehicle driving services; carting; storage of goods; rental of diving suits; distribution of renewable energy; operating canal locks; courier services (messages or merchandise); providing driving directions for travel purposes; transport by pipeline; rental of wheelchairs; launching of satellites for others; bottling services; rental of baby strollers; rental of wheelbarrows; rental of go-karts.

Class 42:
Research in the field of artificial intelligence; research in the field of self-driving car technology; quality assessment; surveying (engineering); chemical research and analysis; biological research; providing weather information; vehicle roadworthiness testing; automotive design; construction drafting; dress designing; software as a service (SaaS); platform as a service (PaaS); cloud computing; providing online non-downloadable computer software; computer programming; computer software design; providing virtual computer systems through cloud computing; updating of computer software; authenticating works of art; graphic arts design; cloud seeding; handwriting analysis (graphology); cartography services; rental of meters for the recording of energy consumption; testing and analysis of goods being imported or exported for quarantine clearance purposes; rental of telescopes; weighing goods for others; set design for theatrical enterprises; design of artwork; animation design for others; design of brand names; design of customized books; radon detecting; rental of scientific microscopes; authenticating banknotes; graphic design of advertising materials; fridge magnet sticker design; graphic arts design; truck weighing services; design of logos for corporate identity.

Scientific and technological services and research and design relating thereto, industrial analysis and research services; design and development of computer hardware, software and artificial intelligence software; software as a service (SaaS); blockchain as a service (BaaS); platform as a service (PaaS); Infrastructure as a service [IaaS]; encryption, decryption and authentication of information, messages and data; providing user authentication services using biometric, facial recognition, finger print authentication, voice recognition and other types of hardware and software authentication technology for provision of financial services, e-commerce transactions, donations, licensed product tracking and fan engagement; Data security services; IT security, protection and restoration; Computer security threat analysis for protecting data; provision of security services for computer networks, computer access and computerised transactions; certification (quality control) of data via blockchain; data authentication via blockchain; all of the aforementioned services for use in connection with payment systems; computer design and development services in connection with transmitting

information, data, documents, and images over the Internet; Application service provider (ASP) services, namely, hosting computer software applications of others; application service provider (ASP) services namely, hosting computer software applications of others for use in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; providing online non-downloadable software for facilitating the interoperability of multiple software applications; technical support services relating to computer software and applications provided online, by email and by telephone; computer services, namely, creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents; computer service relating to creating indexes of information, sites and resources on computer networks; providing search engines; design of mobile telephones and smart phones; design of digital cameras; research, design and product development services in connection with payment terminals and electronic payment systems; technical support services relating to payment terminals and electronic payment systems; computer services, namely computer system administration for others; Computer programming; computer integration services; computer analysis services; computer programming in relation to the defence against virus; computer system software services; Computer system design; design and development of webpages; hosting webpages for others; hosting computer application software for searching and retrieving information from databases and computer networks; providing technological information at the specific request of end-users by means of telephone or global computer network; consultancy services in relation to computer software; computer services relating to customized searching of computer databases and websites; computer and electronic signal coding and decoding; conversion of physical data and documents into electronic media format; product testing and evaluation services; computer information services; computer network information services, namely, providing technological information relating to computers and networks in the field of business and e-commerce; provision of computer security risk management programs; computer security information and testing services; Quality assurance services; computer services relating to certification of business transactions and preparation of reports therefor; access control to (security services for-) computers, electronic networks and databases; security of data transmission services and of transactions via computer networks services; consultancy in the field of data security; technological consultancy concerning securing telecommunications; Computerized communication network security services; Authentication services for computer security; online authentication of electronic signatures; Off-site data backup; Electronic data storage; Providing information on computer technology and programming via a web site; Cartography services; Cloud computing; Cloud hosting provider services; providing temporary use of non-downloadable cloud-based software and cloud computing software; providing virtual computer systems and virtual computer environments through cloud computing; rental of entertainment software; creating and hosting of bill payment websites; network information services, namely, providing technical information relating to computers and networks in the field of payments including contactless payments; providing temporary use of online non-downloadable computer software for tracking and analyzing payment activity; providing temporary use of online non-downloadable software to evaluate and detect fraud and illegality in payment transactions, and manage compliance validation; providing non-downloadable software for use in relation to electronic payments and contactless transactions; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for use in relation to electronic payments and contactless transactions; providing non-downloadable software for mobile commerce, loyalty and rewards programs, and digital voucher redemption; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for mobile commerce, loyalty and rewards programs, and digital voucher redemption; providing non-downloadable software for generating, scanning, and recognizing matrix barcodes; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for generating, scanning, and recognizing matrix barcodes; providing non-downloadable software for use as an electronic wallet and digital wallet, and for facilitating top-up services and value storage for such wallets; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for use as an electronic wallet and digital wallet, and for facilitating top-up services and value storage for such wallets; providing non-downloadable software for facilitating interaction and communication between humans and artificial intelligence platforms, namely, bots, virtual agents and virtual assistants; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for facilitating interaction and communication between humans and artificial intelligence platforms, namely, bots, virtual agents and virtual assistants; providing non-downloadable artificial intelligence software for use in relation to marketing, cloud computing, data analytics, predicting trends, customer support, cybersecurity and Information Technology (IT) infrastructure protection; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring artificial intelligence software for use in relation to marketing, cloud computing, data analytics, predicting trends, customer support, cybersecurity and Information Technology (IT) infrastructure protection; providing non-downloadable software for use in relation to process and task automation, business analytics, business intelligence, data integration, data warehousing, data mining, data processing, data sharing, data collection, data interpretation, data queries, data visualization and data analytics; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for use in relation to process and task automation, business analytics, business intelligence, data integration, data warehousing, data mining, data processing, data sharing, data collection, data interpretation, data queries, data visualization and data analytics; providing non-downloadable software for the provision, communication and administration of loyalty, incentive, reward and redemption scheme, membership scheme, electronic vouchers, electronic wallets, electronic coupons, electronic direct marketing, customer relationship management, marketing campaign, customer database, transaction management, reminders or other messages; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for the provision, communication and administration of loyalty, incentive, reward and redemption scheme, membership scheme, electronic vouchers, electronic wallets, electronic coupons, electronic direct marketing, customer relationship management, marketing campaign, customer database, transaction management, reminders or other messages; providing non-downloadable software for the provision of omnichannel marketing solutions; Software as

a Service (SaaS) and Platform as a Service (PaaS) featuring software for the provision of omnichannel marketing solutions; Software as a Service (SAAS) and Platform as a Service (PaaS) featuring software for use in e-commerce and the retail industry to allow users to perform electronic business transactions via a global computer network; Software as a Service (SAAS) and Platform as a Service (PaaS) featuring software for use in database management, sales and customer tracking and management, and inventory management for the retail industry; providing an online platform featuring online non-downloadable computer software for use in the retail and e-commerce industry for facilitating retail store services; Software as a service (SaaS) and Platform as a Service (PaaS) featuring software for use in e-commerce and the retail industry, namely, software for supply chain management, drop shipping, and product development and customizations; Software as a service (SaaS) and Platform as a Service (PaaS) featuring software for use in e-commerce and the retail industry, namely, software to allow users to perform business management via a global computer network, namely, product pricing automation, tracking sales performance, order fulfilment, shipment tracking, database management, sales and customer tracking and inventory customization and management; providing temporary use of non-downloadable software for electronic and contactless payments and transactions, tracking sales performance, and managing customers, orders, and inventory; providing temporary use of non-downloadable software for online shopping and tracking deliveries; consultancy, information and advisory services relating to the aforesaid services; none of the aforementioned services relating to insurance.

Restrictions

UK00004427727 (2026/034, 21 August 2026)
Specifications have been restricted as follows:

Class 9:
Home energy storage systems; computer programs [downloadable software]; current converters; distribution boxes; electrical power distribution blocks; rotary converters; power controllers; inverters [electricity]; ultracapacitors for energy storage; transformers; converters, electric; current rectifiers; electric current control devices; electric control devices for energy management; electric apparatus for commutation; solar modules; batteries, electric; battery packs; Voltage monitor modules; voltage regulators for electric power; except for use with printers, printing equipment, coding or marking machines, or cameras.

UK00004427731 (2026/034, 21 August 2026)
Specifications have been restricted as follows:

Class 9:
Home energy storage systems; computer programs [downloadable software]; current converters; distribution boxes; electrical power distribution blocks; rotary converters; power controllers; inverters [electricity]; ultracapacitors for energy storage; transformers; converters, electric; current rectifiers; electric current control devices; electric control devices for energy management; electric apparatus for commutation; solar modules; batteries, electric; battery packs; Voltage monitor modules; voltage regulators for electric power; except for use with printers, printing equipment, coding or marking machines, or cameras.

UK00004398085 (2026/034, 21 August 2026)
Specifications have been restricted as follows:

Class 35:
Business management and consultancy; Business advisory and consultancy services; Business organisation and management consulting services; Business marketing services; Business consultancy services relating to product development; Business process management and consulting; Consultancy services regarding business strategies; Commercial business management; Assistance, advisory services and consultancy with regard to business organization; none of the aforesaid services being provided to or in connection with the lift, elevator, escalator, accessibility or engineering sectors, or in connection with the acquisition of, or investment in, businesses operating in those sectors.

Class 41:
Business training consultancy services; Business mentoring services; none of the aforesaid services being provided to or in connection with the lift, elevator, escalator, accessibility or engineering sectors, or in connection with the acquisition of, or investment in, businesses operating in those sectors.

UK00004435881 (2026/038, 18 September 2026)
Specifications have been restricted as follows:

Class 25:
Clothing; Knitwear [clothing]; Jackets [clothing]; Ready-to-wear clothing; Woolen clothing; Clothes; Aprons [clothing]; Maternity clothing; Jerseys [clothing]; Denims [clothing]; Shorts [clothing]; Cashmere clothing; Knitted clothing; Embroidered clothing; Belts [clothing]; Rainproof clothing; Waterproof clothing; Casual clothing; Jackets (Stuff -) [clothing]; Stuff jackets [clothing]; Playsuits [clothing]; Bottoms [clothing]; Clothing for leisure wear; Ready-made clothing; Latex clothing; Trunks being clothing; Woven clothing; Infant clothing; Leisure clothing; Ties [clothing]; Clothing for children; Bodies [clothing]; Clothing for babies; Clothing for infants; Tops [clothing]; Weatherproof clothing; Water-resistant clothing; Beach clothing; Men's clothing; Dance clothing.

UK00004431833 (2026/035, 28 August 2026)
Specifications have been restricted as follows:

Class 9:
Computer software applications, downloadable; Downloadable computer software applications; Downloadable software applications for mobile phones; Computer application software for mobile phones; Computer application software for mobile telephones; Downloadable software applications; Computer software applications; Downloadable smart phone applications (software); Downloadable software in the nature of a mobile application; Downloadable mobile applications; Software applications for use with mobile devices; Software applications for mobile devices; Software and applications for mobile devices; Application software for mobile devices; Mobile application software; Web application software; Computer e-commerce software; all of the aforesaid goods being for use in relation to boats, boating and the marine industry.

Class 35:
Provision of an online marketplace for buyers and sellers of goods and services; Advertising; Promoting the sale of the services [on behalf of others] by arranging advertisements;

Compilation of online business directories; Providing commercial directory information via the Internet; Providing an on-line commercial information directory on the internet; Business intermediary services; Providing consumer information relating to goods and services; Rental of advertising space; Provision of advertising space; Affiliate marketing; Negotiation and conclusion of commercial transactions for third parties; Negotiating and concluding commercial transactions for others; Lead generation services; all of the aforesaid services being for use in relation to boats, boating and the marine industry.

Class 42:
Software as a service [SAAS] services; Platform as a Service [PaaS]; Providing temporary use of online non-downloadable software; Hosting of websites; Design and development of computer software; none of the aforesaid services being for or relating to dating, social introduction and social networking.

Class 45:
Identity verification; Providing authentication of personal identification information [identification verification services]; Personal background investigations; Background investigation and research services; Vetting services; none of the aforesaid services being for or relating to dating, social introduction and social networking.

UK00004442112 (2026/040, 02 October 2026)

UK00004442114 (2026/040, 02 October 2026)
Specifications have been restricted as follows:

Class 29:
Meat, fish, poultry and vegetables, all being cooked, preserved and/or frozen; and prepared and frozen meals and food preparations namely prepared meals, ready meals, processed foods, dishes, all consisting principally of the aforesaid foodstuffs within class 29 but not including any coconut products, in particular, but not limited to, coconut milk, coconut cream, coconut cream powder, desiccated coconut, dried coconut, coconut oil, coconut fat and coconut water.

Class 30:
Flour and preparations made from cereals; bread; biscuits, cakes; pastry and confectionery; dough and part-baked products; loaves, baps, rolls and baguettes; dough; muffins, teacakes, scones and croissants; cakes; pies; part-baked products; ingredients for making all of the aforesaid foodstuffs within class 30 but not including any coconut products, in particular, but not limited to, coconut milk, coconut cream, coconut cream powder, desiccated coconut, dried coconut, coconut oil, coconut fat and coconut water.

UK00004418076 (2026/032, 07 August 2026)
Specifications have been restricted as follows:

Class 11:
Water pressure reducers [regulating accessories]; Water pressure reducers [safety accessories]; Anti-splash tap nozzles; Nozzles (Antisplash tap -); Mixer faucets for water pipes; Shower sprayers [plumbing fittings]; Toilet stool units with a washing water squirter; Shower control valves [plumbing fittings]; Regulating fittings for water pipes; Fittings for thedraining of water; Faucet sprayers; Washers for water taps; Portable solder fumeextractors; Pressure relief apparatus for use with water heaters; Radiators [heating]; Temperature sensors [thermostatic valves] for central heatingradiators; Appliances for heating; Temperature controllers [valves] for central heatingradiators; Temperature sensitive switches [thermostatic valves] for central Water pressure reducers [regulating accessories].

UK00004430691 (2026/035, 28 August 2026)
Specifications have been restricted as follows:

Class 35:
Marketing, advertising and promotional services relating to property, real estate services, investment property services, property development services, property transactions and property investment services; marketing, advertising and promotion of services relating to the sale of property; digital marketing services relating to property and real estate; lead generation services; providing sales leads relating to property and property investment; business intermediary services relating to property transactions and property investment opportunities; arranging business introductions between property owners, sellers, developers, deal providers, purchasers and investors; business intermediary services relating to the matching of various professionals with clients; negotiation and conclusion of commercial transactions for third parties; business networking services; processing, systemisation and management of data relating to property, purchaser, vendor and investor information; provision of business information relating to properties, property deals, off-market property opportunities and investment properties; business management and organisation consultancy relating to property and real estate businesses; commercial administration of the licensing of property and real estate deals; information, advisory and consultancy services relating to all the aforesaid services; none of the aforesaid relating to rental of offices, coworking locations, flexible workspaces or meeting rooms.

real estate and property investment; education and training services relating to real estate agency, financial services relating to the sale of property, investment services, financing of property development, property (real estate -) finance, property management, property valuation, financial due diligence, business negotiations and fundraising; providing online courses of instruction; providing online courses of instruction relating to real estate and property investment; distance learning services; arranging and conducting of seminars, conferences, training courses and further training relating to real estate and property investment; club education services; entertainment services relating to real estate and property investment; arranging and conducting of conferences, congresses, concerts and symposiums, seminars, training courses, classes and lectures relating to real estate and property investment; publication services relating to real estate; training materials relating to real estate; publication of books, manuals, educational and guides, news and periodicals relating to real estate and property investment; electronic publishing services; providing online electronic publications, not downloadable; providing online videos, not downloadable; production of podcasts, audio recordings and educational material relating to real estate and property investment; none of the aforesaid relating to rental of offices, coworking locations, flexible workspaces or meeting rooms.

Class 42:
Design and development of computer software; design and development of computer software relating to real estate, property investment; software as a service [SaaS]; software as a service [SaaS] relating to the advertising, marketing, evaluation of real estate, management and sale of property; platform as a service [PaaS]; platform as a service [PaaS] relating to real estate transactions; provision of temporary use of online non-downloadable software; provision of temporary use of online non-downloadable software for listing, advertising, marketing and presenting properties, real estate transactions, off-market real estate transactions, and property investment opportunities; provision of online non-downloadable software; provision of online non-downloadable software for matching property owners, sellers, developers and deal providers with prospective purchasers and investors; provision of online non-downloadable software for managing property listings, investment opportunities, purchasers, vendors, developers, investors, enquiries, leads, sales pipelines and real estate transactions; provision of online non-downloadable software for property sourcing, property analysis, appraisal and evaluation of real estate, financial modelling, due diligence, document management, investor management and transaction management; provision of online non-downloadable software relating to real estate transactions and investment properties; provision of online non-downloadable software for investment; hosting of software as a service; design and development of software relating to education content in real estate and property investment; software as a service [SaaS] for providing property education and training; provision of temporary use of non-downloadable software for developing online educational materials; provision of online non-downloadable software for educational programmes, memberships, user progress, assessments and online learning communities; database design and development; electronic data storage; none of the aforesaid relating to rental of offices, coworking locations, flexible workspaces or meeting rooms.

UK00004433499 (2026/036, 04 September 2026)
Specifications have been restricted as follows:

Class 16:
Books; Non-fiction books; Fiction books; Printed books; Educational books; Reference books; Guide books; Information books; Hand books; Resource books; Exercise books; Activity books; Children's books; Writing or drawing books; Novels; Blank journal books; Books featuring fictional stories.

Class 25:
Clothing; Jackets [clothing]; Shorts [clothing]; Hoods [clothing]; Windproof clothing; Rainproof clothing; Waterproof clothing; Casual clothing; Jackets being sports clothing; Bottoms [clothing]; Clothing for leisure wear; Leisure clothing; Clothing for sports; Sports clothing; Athletic clothing; Tops [clothing]; Weatherproof clothing; Water-resistant clothing; Thermal clothing; Men's clothing.

Class 35:
Online retail services in relation to downloadable virtual footwear; Online ordering services; Retail services in relation to clothing; Retail services in relation to printed matter.

Class 36:
Real estate investment; Rental of real estate; Management of real estate; Rental of real estate and property; Real estate management services relating to residential buildings.

Class 37:
Property development services [construction]; Development of land [construction]; Construction of property; Maintenance of property; Renovation of property; Renovation and repair of buildings.

Class 41:
Personal development training; Education; Health education; Education and training; Training and education services; Education and training services; Education information; Education and training consultancy; Sports education services; Physical health education; Online education services; Education services relating to nutrition; Research in the field of education; Education information services; Training or education services in the field of life coaching; English language education services; Adult education services relating to finance; Vocational guidance [education or training advice]; Secondary school educational services; Education services relating to business training; Career counselling [training and education advice]; Adult education services relating to management; Education services relating to photography; Organization of competitions for education or entertainment; Education services relating to sports; Education services relating to food technology.

UK00004425870 (2026/033, 14 August 2026)
Specifications have been restricted as follows:

Class 32:
Beer; craft beer; stout; lager; ales; pale ales: India Pale Ales; flavoured beers; wheat beer; malt beer; black beer; non-alcoholic drinks; low-alcohol beer; non-alcoholic beer.

UK00004438170 (2026/037, 11 September 2026)
Specifications have been restricted as follows:

Class 9:

AI-driven software in the field of organisation execution intelligence for operational leadership namely for analysing and mapping execution coherence within organisational functions, and software for processing leader-authored purpose statements, team-lead submitted priority rankings, and autonomously generated and routed diagnostic questions, producing structured outputs that identify coherence, contradiction, and shared friction between executive intent and operational experience, for use by COOs, Chiefs of Staff, and transformation leads; but not including any such goods for use in dentistry or orthodontia.

Class 35:
Business management consultancy in the field of executive and leadership development; namely, consultancy services in which a leader-defined purpose statement cascades through team-lead priority ranking to front-line identification, producing a structured execution map that identifies where strategic intent and operational experience converge or conflict, for use by COOs, Chiefs of Staff, and transformation leads; but not including any such services relating to dentistry or orthodontia.

Class 41:
Provision of training courses for operational leaders, namely COOs, Chiefs of Staff, and transformation leads, in the methodology of cascading execution diagnostics; being training that equips participants to conduct purpose-to-friction mapping sessions within their organisational functions, to facilitate the autonomous generation and routing of diagnostic questions, and to interpret the resulting execution maps as operational instruments; but not including any such services relating to dentistry or orthodontia.

Class 42:
Software as a service providing an organisational execution intelligence platform for operational leadership functions; namely a platform in which a leader inputs a function-level purpose statement, team leads submit ranked operational priorities, and the platform autonomously generates, sequences, and routes a bespoke set of diagnostic questions without user selection, aggregating responses into a layered execution map that surfaces functional coherence, strategic contradiction, and cross-team shared blockers, for use by COOs, Chiefs of Staff, and transformation leads; but not including any such services relating to dentistry or orthodontia.

UK00004418420 (2026/035, 28 August 2026)
Specifications have been restricted as follows:

Class 9:
AI software; Meters; all of the aforesaid in relation to travel cancellation insurance and travel assistance; none of the aforesaid in relation to education, entertainment, on-demand television services, telecommunications, broadcasting, broadband, fixed line and mobile telephony services, advertising services, sponsorship services, weather forecast and smart home services, home protection and security services.

Class 35:
Sales promotions at point of purchase or sale, for others; Marketing by telephone; all of the aforesaid in relation to travel cancellation insurance and travel assistance; none of the aforesaid in relation to education, entertainment, on-demand television services, telecommunications, broadcasting, broadband, fixed line and mobile telephony services, advertising services, sponsorship services, weather forecast and smart home services, home protection and security services.

Class 36:
Provision of ten year insurance policies, namely, travel cancellation insurance; none of the aforesaid relating to warranty and insurance services for buildings and contents, home emergency cover, legal assistance, accidental damage, mobile phones or smart home technology and devices for home protection and security.

UK00004415593 (2026/035, 28 August 2026)
Specifications have been restricted as follows:

Class 36:
Warranty services; warranty insurance; underwriting warranty programs; warranty insurance services; vehicle warranty services; financial warranty services; warranty claims administration services; financial warranty assessment services; warranty services for road vehicles; motor mechanical breakdown insurance warranty services; guarantees; insurance guarantees; financing of guarantees; vehicle warranties; providing extended warranties; provision of vehicle warranties; guarantee insurance; guarantee and warranty services; guarantee and warranty services relating to travel; guarantee and warranty services relating to vehicles and parts and services for vehicles; arranging insurance; insurance services; information services relating to finance and insurance, provided on-line from a computer database or the Internet; insurance brokerage, consultancy, information and underwriting services; financial consultancy, information and management services; financial management of consumer and trade schemes; provision of financial advice relating to the supply of consumer goods and services including insurance, telecommunications services, utilities and financial products; insurance administration; insurance intermediary services; information, advisory and consultancy services relating to all the aforesaid services; all of the aforementioned services excluding any services used for payment services, electronic transfer of funds, foreign currency trading, exchange or transfers, bank accounts, multi-currency accounts, investment services, the purchase and sale of investments such as funds, shares and bonds, and the provision of credit or debit card services.

UK00004446466 (2026/040, 02 October 2026)
Specifications have been restricted as follows:

Class 9:
Downloadable computer software for reviewing, browsing, and purchasing apparel, footwear, and accessories; Downloadable mobile applications for reviewing, browsing, and purchasing apparel, footwear, and accessories; Application software for reviewing, browsing, and purchasing apparel, footwear, and accessories; Mobile application software for reviewing, browsing, and purchasing apparel, footwear, and accessories; Pedometers.

UK00004459471 (2026/044, 30 October 2026)
Specifications have been restricted as follows:

UK00004418253 (2026/032, 07 August 2026)
Specifications have been restricted as follows:

Class 5:

Food supplements; Dietary food supplements; Anti-oxidant food supplements; Dietary supplement drinks; Vitamin and mineral food supplements; Food supplements in liquid form; Nutraceuticals for use as a dietary supplement; Health food supplements made principally of vitamins; Health food supplements made principally of minerals; Powdered nutritional supplement energy drink mix; Dietary supplemental drinks; Nutritional supplements; Liquid nutritional supplements; Dietary supplements for animals; Dietary supplements for pets; Colostrum dietary supplements; Vitamin supplement patches; Vitamin supplements; Liquid vitamin supplements; Vitamin and mineral supplements; Anti-oxidant supplements; Dietary supplements with a cosmetic effect; Vitamin and mineral supplements for pets; Liquid dietary supplements; Dietary supplements in powder form; Vitamin supplements for animals; Pharmaceutical skin lotions; Colostrum supplements; Dietary supplements; Probiotic supplements; Herbal supplements; Hair growth stimulants; Medicinal hair growth preparations; Hair growth preparations (Medicinal -); Medicinal preparations for stimulating hair growth; Gummy vitamins; Vitamins for animals; Vitamins for pets; Protein supplements; Prebiotic supplements; Mineral dietary supplements for humans; Vitamins and vitamin preparations; Food supplements consisting of amino acids; Royal jelly dietary supplements; Vitamin tablets; Vitamin drinks; Powdered fruit-flavored dietary supplement drink mix.

Class 32:
Soft drinks; Carbonated soft drinks; Fruit-flavored soft drinks; Soft drinks flavored with tea; Fruit flavored soft drinks; Functional water-based beverages; Soft drinks for energy supply; Carbonated non-alcoholic drinks; Isotonic non-alcoholic drinks; Non-alcoholic drinks; Isotonic drinks; Non-alcoholic fruit drinks; Non-alcoholic sparkling fruit juice drinks; Fruit flavoured carbonated drinks; Carbohydrate drinks; Beverages (Non-alcoholic -); Energy drinks; Non-alcoholic beverages containing fruit juices; Sports drinks; Low-calorie soft drinks; Non-carbonated soft drinks; Non-alcoholic beverages flavored with tea; Energy drinks containing caffeine; Non-alcoholic carbonated beverages; Non-alcoholic fruit juice beverages; Drinking water with vitamins; Beverages containing vitamins; Coconut water; Coconut water as a beverage; Vitamin enriched sparkling water [beverages]; Drinking mineral water; Sparkling water.

UK00004442827 (2026/039, 25 September 2026)
Specifications have been restricted as follows:

Class 32:
Beer; craft beer; stout; lager; ales; pale ales; India Pale Ales; flavoured beers; wheat beer; malt beer; black beer; non-alcoholic drinks; low-alcohol beer; non-alcoholic beer.

UK00004413812 (2026/031, 31 July 2026)
Specifications have been restricted as follows:

Class 9:
Downloadable computer software using artificial intelligence (AI) for building websites; downloadable computer software using artificial intelligence (AI) for managing, optimizing, and automating communications, marketing, advertising, and search engine optimization; downloadable chatbot software using artificial intelligence (AI) for managing, optimizing, and automating communications and marketing; all of the aforesaid being for use in relation to home improvement; Downloadable calendaring software; downloadable computer software for the creation and management of calendars, lists, checklists, schedules, task lists, and projects; downloadable computer software for use in task and project management, task scheduling, day planning, team management, meeting scheduling, availability sharing, general work management, and project tracking; downloadable software in the nature of a mobile application for the creation and management of calendars, lists, checklists, schedules, task lists, and projects; downloadable software in the nature of a mobile application for task and project management, task scheduling, day planning, team management, meeting scheduling, availability sharing, general work management, and project tracking; downloadable computer software for optimizing and managing sales and for providing customer service and support; downloadable computer software using artificial intelligence (AI) for automating sales; downloadable computer software for use in customer relationship management (CRM); downloadable computer software for tracking time and for managing billing and invoicing.

Class 42:
Providing online non-downloadable software using artificial intelligence (AI) for managing, optimizing, and automating communications, marketing, advertising, and search engine optimization; providing temporary use of online non-downloadable chatbot software using artificial intelligence (AI) for managing, optimizing, and automating communications and marketing; all of the aforesaid being for use in relation to home improvement; Providing a website featuring on-line non-downloadable calendaring software; providing online non-downloadable software for the creation and management of calendars, lists, checklists, schedules, task lists, and projects; providing online non-downloadable software for task and project management, task scheduling, day planning, team management, meeting scheduling, availability sharing, general work management, and project tracking; providing online non-downloadable software using artificial intelligence (AI) for building websites; providing temporary use of online non-downloadable software for optimizing and managing sales and for providing customer service and support; providing online non-downloadable software using artificial intelligence (AI) for automating sales; providing temporary use of online non-downloadable software for use in customer relationship management (CRM); providing temporary use of online non-downloadable software for tracking time and for managing billing and invoicing.

UK00004415320 (2026/032, 07 August 2026)
Specifications have been restricted as follows:

Class 9:
Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of images; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment and computers; computer software; computer programs; downloadable software development kits (SDK); downloadable application programming interface (API) software that enables developers to build software applications; software applications for use with mobile devices; software for

processing electronic payments to and from others; computer software and software applications used in relation to financial services, financial transactions, electronic commerce, electronic payments, foreign currency exchange, trading and brokerage services, remittance transactions, cross-border money transfers, investment advisory services, data, payments and computer security; authentication software; computer software and computer software applications (downloadable); instant messaging software; file sharing software; downloadable computer software for accessing, viewing, and controlling remote computers and computer networks; downloadable cloud-computing software; downloadable cloud-based software; computer software for tracking and evaluating customer and personal behaviour in relation to purchasing decisions; downloadable text files; downloadable electronic data files; downloadable data sets; software for facilitating online payments through a payment gateway; software and software applications for the purpose of allowing merchants to accept contactless mobile commerce transactions, contactless presentation of loyalty credentials, and contactless redemption of coupons, rebates, discounts, vouchers and special offers; software and software applications that allow merchants to deliver coupons, rebates, discounts, vouchers and special offers directly to the mobile telecommunications devices of consumers; computer software for generating, scanning and recognising matrix barcodes; matrix barcode readers; card readers for credit and debit cards; chip card readers; magnetic encoded card readers; software for mobile phone credit and e-wallet top-up services; downloadable computer software for use as an electronic wallet and a digital wallet; downloadable computer software, computer programs, software applications and software development tools for use in relation to business analytics, business intelligence, data integration, data warehousing, data mining, data processing, data sharing, data collection, data interpretation, data queries, data visualization and data analytics; computer software and application software for the provision, communication and administration of loyalty, incentive, reward and redemption scheme, membership scheme, electronic vouchers, electronic wallets, electronic coupons, electronic direct marketing, customer relationship management, marketing campaign, customer database, transaction management, reminders or other messages; downloadable software for omnichannel marketing solutions; downloadable software for use in e-commerce and the retail industry to allow users to perform business management via a global computer network, namely, database management, sales and customer tracking and inventory management; downloadable software for use in e-commerce and the retail industry, namely, software for electronic and contactless payments and transactions; downloadable software for use in e-commerce and the retail industry, namely, software for supply chain management, drop shipping, product development and customizations; downloadable software for use in e-commerce and the retail industry to allow users to perform business management via a global computer network, namely, product pricing automation, tracking sales performance, order fulfilment, shipment tracking, database management, sales and customer tracking and inventory customization and management; downloadable software for electronic and contactless transactions, tracking sales performance, and managing customers, orders and inventory; downloadable software for online shopping and tracking deliveries; online electronic publications (downloadable from the Internet or a computer network or a computer database); downloadable electronic publications in the nature of magazines, articles, brochures, leaflets, datasheets, information and instructional materials in the field of business, e-commerce, information technology, cloud computing, telecommunications, the Internet, business and e-commerce training, business, sales, marketing and financial management; sim cards; embedded SIM (eSIM) cards; personal digital assistants; computer workstations (not furniture); computer servers; computer network adaptors, switches, routers and hubs; laptop holders, computer bags; automobile navigation system; digital music (downloadable from the Internet); downloadable games, pictures, motion pictures, movies and music; alarm systems; security cameras; Global Positioning System (GPS) apparatus and equipment; computer, electronic and video games programmes and software (including software downloadable from the Internet); liquid crystal displays for telecommunications and electronic equipment; electronic signboards; encoded or magnetic payment, bank, credit, debit, cash, charge, telephone and identification cards; electronic book readers; encoded key cards; 3D spectacles; electronic cards and stored value cards; terminals, devices or apparatus for electronic payments and transactions and other contactless interactions with mobile devices; contactless payment terminals; electronic financial transaction apparatus and software for secure online and offline payment transactions; none of the foregoing being video conferencing software, communication interface software, software for use with or in relation to headsets, headphones or speakerphones, or software for call control systems; none of the aforementioned goods relating to insurance.

Class 36:
Financial affairs; Monetary affairs; real estate affairs; Clearing financial transactions via a global computer network; online banking services and financial services; Credit card services; processing and transmission of bills and payments thereof; Funds transfer services; transfer of payments for others via the internet; financial services in the nature of bill payment services and processing services; provision of financial information via the Internet; issuing of travel vouchers services; capital investments; Financial evaluation [banking, real estate]; Asset management services; Financial consultancy and advisory services; securities brokerage services, stock exchange quotation services; stocks and bonds brokerage, financial analysis; debit card services, charge card services and cheque guarantee services; Financial clearing services; credit verification via global computer information network; electronic credit risk management services; electronic purchase payment and electronic bill payment services; issuance of stored value cards, charge cards and debit cards; information services relating to finance, provided online from a computer database or the Internet; agency for collection of gas and electricity fees; Charitable fund raising; Online payment services; Issuing of vouchers; provision of electronic funds transfer services; monetary exchange services, provision of prepaid cards and tokens; remittance services and money transfer services; financial transaction services, namely, providing secure payment and remittance transactions; including all of the aforementioned services provided by electronic means; Foreign currency transfer services; Foreign currency exchange; Currency trading; currency dealing; Brokerage of currency; financial transactions via blockchain; fundraising and financial sponsorship; Brokerage of carbon offsets; financial sponsorship of carbon offset programmes; funding of and investment in emissions reduction projects; investment in emissions reduction funds; Provision of loans;

Providing temporary loans; electronic wallet services (payment services); payment services and transfer of funds by means of payment terminals; financial services, namely, the provision of contactless mobile payments through merchants at retail, online and wholesale locations; Financial risk management services; financial transaction analysis, namely, analyzing transactions for payment fraud, illegality and compliance with payment transaction regulations and antifraud and money laundering controls; providing purchase protection services for goods and services purchased by others via a global computer network and wireless networks, namely, providing fraud reimbursement services in the field of credit card purchases and electronic payment purchases, and providing secure commercial transactions for credit card purchases and electronic payment purchases; reimbursement of funds for disputed items in the field of electronic payment purchases; financial services related to digital wallets and electronic wallets, including secure storage and transaction processing of digital assets; financial services relating to digital currency wallet and storage services; financial services relating to customer loyalty, incentive and reward programs; exchange and redemption services of tokens of value in relation to customer loyalty, incentive and reward programs; providing discount card services and other rebate services as part of a customer loyalty program; Providing rebates at participating establishments of others through use of a membership card; consultancy, information and advisory services relating to the aforesaid services; none of the aforementioned goods relating to insurance.

Class 42:
Scientific and technological services and research and design relating thereto, industrial analysis and research services; design and development of computer hardware, software and artificial intelligence software; software as a service (SaaS); blockchain as a service (BaaS); platform as a service (PaaS); Infrastructure as a service [IaaS]; encryption, decryption and authentication of information, messages and data; providing user authentication services using biometric, facial recognition, finger print authentication, voice recognition and other types of hardware and software authentication technology for provision of financial services, e-commerce transactions, donations, licensed product tracking and fan engagement; Data security services; IT security, protection and restoration; Computer security threat analysis for protecting data; provision of security services for computer networks, computer access and computerised transactions; certification (quality control) of data via blockchain; data authentication via blockchain; all of the aforementioned services for use in connection with payment systems; computer design and development services in connection with transmitting information, data, documents, and images over the Internet; Application service provider (ASP) services, namely, hosting computer software applications of others; application service provider (ASP) services namely, hosting computer software applications of others for use in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; providing online non-downloadable software for facilitating the interoperability of multiple software applications; technical support services relating to computer software and applications provided online, by email and by telephone; computer services, namely, creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents; computer service relating to creating indexes of information, sites and resources on computer networks; providing search engines; design of mobile telephones and smart phones; design of digital cameras; research, design and product development services in connection with payment terminals and electronic payment systems; technical support services relating to payment terminals and electronic payment systems; computer services, namely computer system administration for others; Computer programming; computer integration services; computer analysis services; computer programming in relation to the defence against virus; computer system software services; Computer system design; design and development of webpages; hosting webpages for others; hosting computer application software for searching and retrieving information from databases and computer networks; providing technological information at the specific request of end-users by means of telephone or global computer network; consultancy services in relation to computer software; computer services relating to customized searching of computer databases and websites; computer and electronic signal coding and decoding; conversion of physical data and documents into electronic media format; product testing and evaluation services; computer information services; computer network information services, namely, providing technological information relating to computers and networks in the field of business and e-commerce; provision of computer security risk management programs; computer security information and testing services; Quality assurance services; computer services relating to certification of business transactions and preparation of reports therefor; access control to (security services for-) computers, electronic networks and databases; security of data transmission services and of transactions via computer networks services; consultancy in the field of data security; technological consultancy concerning securing telecommunications; Computerized communication network security services; Authentication services for computer security; online authentication of electronic signatures; Off-site data backup; Electronic data storage; Providing information on computer technology and programming via a web site; Cartography services; Cloud computing; Cloud hosting provider services; providing temporary use of non-downloadable cloud-based software and cloud computing software; providing virtual computer systems and virtual computer environments through cloud computing; rental of entertainment software; creating and hosting of bill payment websites; network information services, namely, providing technical information relating to computers and networks in the field of payments including contactless payments; providing temporary use of online non-downloadable computer software for tracking and analyzing payment activity; providing temporary use of online non-downloadable software to evaluate and detect fraud and illegality in payment transactions, and manage compliance validation; providing non-downloadable software for use in relation to electronic payments and contactless transactions; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for use in relation to electronic payments and contactless transactions; providing non-downloadable software for mobile commerce, loyalty and rewards programs, and digital voucher redemption; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for mobile commerce, loyalty and rewards programs, and digital voucher redemption; providing non-downloadable software for generating, scanning, and recognizing matrix barcodes; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for generating,

scanning, and recognizing matrix barcodes; providing non-downloadable software for use as an electronic wallet and digital wallet, and for facilitating top-up services and value storage for such wallets; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for use as an electronic wallet and digital wallet, and for facilitating top-up services and value storage for such wallets; providing non-downloadable software for facilitating interaction and communication between humans and artificial intelligence platforms, namely, bots, virtual agents and virtual assistants; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for facilitating interaction and communication between humans and artificial intelligence platforms, namely, bots, virtual agents and virtual assistants; providing non-downloadable artificial intelligence software for use in relation to marketing, cloud computing, data analytics, predicting trends, customer support, cybersecurity and Information Technology (IT) infrastructure protection; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring artificial intelligence software for use in relation to marketing, cloud computing, data analytics, predicting trends, customer support, cybersecurity and Information Technology (IT) infrastructure protection; providing non-downloadable software for use in relation to process and task automation, business analytics, business intelligence, data integration, data warehousing, data mining, data processing, data sharing, data collection, data interpretation, data queries, data visualization and data analytics; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for use in relation to process and task automation, business analytics, business intelligence, data integration, data warehousing, data mining, data processing, data sharing, data collection, data interpretation, data queries, data visualization and data analytics; providing non-downloadable software for the provision, communication and administration of loyalty, incentive, reward and redemption scheme, membership scheme, electronic vouchers, electronic wallets, electronic coupons, electronic direct marketing, customer relationship management, marketing campaign, customer database, transaction management, reminders or other messages; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for the provision, communication and administration of loyalty, incentive, reward and redemption scheme, membership scheme, electronic vouchers, electronic wallets, electronic coupons, electronic direct marketing, customer relationship management, marketing campaign, customer database, transaction management, reminders or other messages; providing non-downloadable software for the provision of omnichannel marketing solutions; Software as a Service (SaaS) and Platform as a Service (PaaS) featuring software for the provision of omnichannel marketing solutions; Software as a Service (SAAS) and Platform as a Service (PaaS) featuring software for use in e-commerce and the retail industry to allow users to perform electronic business transactions via a global computer network; Software as a Service (SAAS) and Platform as a Service (PaaS) featuring software for use in database management, sales and customer tracking and management, and inventory management for the retail industry; providing an online platform featuring online non-downloadable computer software for use in the retail and e-commerce industry for facilitating retail store services; Software as a service (SaaS) and Platform as a Service (PaaS) featuring software for use in e-commerce and the retail industry, namely, software for supply chain management, drop shipping, and product development and customizations; Software as a service (SaaS) and Platform as a Service (PaaS) featuring software for use in e-commerce and the retail industry, namely, software to allow users to perform business management via a global computer network, namely, product pricing automation, tracking sales performance, order fulfilment, shipment tracking, database management, sales and customer tracking and inventory customization and management; providing temporary use of non-downloadable software for electronic and contactless payments and transactions, tracking sales performance, and managing customers, orders, and inventory; providing temporary use of non-downloadable software for online shopping and tracking deliveries; consultancy, information and advisory services relating to the aforesaid services; none of the aforementioned goods relating to insurance.

UK00004428774 (2026/035, 28 August 2026)
Specifications have been restricted as follows:

Class 9:
Downloadable and recorded computer software for analysing, monitoring and reporting business performance, sales, guest and operational data for restaurants, hospitality and food-service businesses; downloadable computer software for collecting and analysing business data across multiple sites; downloadable mobile applications for administering customer loyalty, rewards and engagement programmes for restaurants, hospitality and food-service businesses; all of the foregoing excluding foodstuffs, food products and condiments.

Class 35:
Business data analysis; compilation, systemisation and analysis of business and commercial data for restaurants, hospitality and food-service businesses; business performance monitoring and reporting; administration and management of customer loyalty, rewards and incentive programmes for commercial and promotional purposes; all of the foregoing excluding foodstuffs, food products and condiments.

Class 42:
Software as a service (SaaS) featuring software for analysing, monitoring and reporting business performance, sales and operational data for restaurants, hospitality and food-service businesses; software as a service (SaaS) featuring software for administering customer loyalty, rewards and engagement programmes; platform as a service (PaaS) featuring computer software platforms for restaurant and hospitality data analytics and customer loyalty; all of the foregoing excluding foodstuffs, food products and condiments.

UK00004457519 (2026/043, 23 October 2026)
Specifications have been restricted as follows:

Class 9:
Computer hardware, in particular for gambling machines, slot machines, video lottery gaming machines, all the aforesaid with or without prize payout; electronic components for gambling machines; electronic, magnetic or biometric storage media and equipment, to operate gambling devices; software, in particular for gambling machines, including slot games and games of chance, via telecommunications networks and/or the internet with or without a prize payout; gambling software with or without prize payout, in particular using communication devices software gambling games provided via the internet,

via other telecommunications networks, via networked games apparatus.

Class 28:
Gambling, casino games, slot machines, all the aforesaid with or without prize payout; slot machines [gaming machines]; gambling machines with or without a prize payout; housings for gambling machines; counters, notes and cards to operate gambling apparatus; electric, electronic or electromechanical apparatus for conducting gambling games; bingo games, lottery games, video lottery games, all the aforesaid networked or unnetworked; machines for playing games of chance; none of the aforementioned goods relate to table tennis, tennis and similar sports.

Class 41:
Arranging of gambling games, in particular via communications networks; providing online gambling, in particular non-downloadable games; gambling services via the internet, via other telecommunications networks, via networked games apparatus; operation and rental in relation to the following goods: gambling machines and games machines; operation of casinos or gambling casinos,bingo halls and/or lottery offices; operating arcades and/or online internet casinos and betting platforms; gambling information services; none of the aforementioned services relate to table tennis, tennis and similar sports.

UK00004423199 (2026/037, 11 September 2026)
Specifications have been restricted as follows:

Class 9:
Business intelligence software; Workflow software; Software development kit [SDK]; Application suites [software]; none of the aforesaid goods relating to dating, social introduction and social networking.

Class 42:
Software as a service [SaaS]; Software as a service [SAAS] services; Platforms for artificial intelligence as software as a service [SaaS]; Software as a service [SaaS] featuring software for machine learning; Platform as a Service [PaaS]; Platform as a service [PaaS]; Software as a service [SaaS] services featuring software for machine learning, deep learning and deep neural networks; Software consultancy services; Software as a service; Development of computer software application solutions; Software development services; Development of computer software for logistics, supply chain management and e-business portals; none of the aforesaid services relating to dating, social introduction and social networking.

UK00004404369 (2026/037, 11 September 2026)
Specifications have been restricted as follows:

Class 5:
Pharmaceuticals for cancer treatment.

UK00004404372 (2026/037, 11 September 2026)
Specifications have been restricted as follows:

Class 5:
Pharmaceuticals for cancer treatment.

UK00004437386 (2026/045, 06 November 2026)
Specifications have been restricted as follows:

Class 10:
Body fat monitors; Diagnostic apparatus for medical purposes; glucometers; Medical apparatus and instruments; testing apparatus for medical purposes; apparatus for use in medical analysis; Body composition monitors; Heart rate monitoring apparatus; .

Class 14:
Wristwatches; watch cases [parts of watches] ; dials [clock- and watchmaking]; watch glasses; ; Watch chains; Presentation boxes for watches; Watch pouches; Clocks and watches, electric; Watches featuring electronic perpetual desk calendars; Chronographs [watches]; .

Class 37:
Providing information relating to repairs; information technology consultancy relating to installation, maintenance and repair of computer hardware; electric appliance installation and repair; installation, maintenance and repair of office machines and equipment; installation, maintenance and repair of computer hardware; repair of consumer electronics; .

Class 38:
News agency services; broadcasting of programmes via a global computer network; radio broadcasting; communications by computer terminals; streaming of data; geolocation services [telecommunications services]; providing access to blockchain networks; providing access to databases; satellite transmission; providing online virtual reality-based forums for work collaboration; provision of chat rooms in virtual environments; mobile telephone communication services; none of the aforesaid relating to food industry.

Class 41:
Arranging and conducting of entertainment events; Arranging and conducting of conferences; Organization of competitions [education or entertainment]; Organization of exhibitions for cultural or educational purposes; Production of music; providing online music, not downloadable; Translation; providing information in the field of entertainment; Game services provided online from a computer network; providing online videos, not downloadable; Booking of seats for shows; providing online images, not downloadable; Entertainment services; .

Class 42:
Technical research; conducting technical project studies; artificial intelligence consultancy; quality assessment; quality testing; computer technology consultancy; computer software development; computer software design; consultancy in the design and development of computer hardware; electronic data storage; software as a service [SaaS]; Information technology consultancy; cloud computing; artificial intelligence as a service [AIaaS]; none of the aforesaid relating to food industry.

UK00004436070 (2026/038, 18 September 2026)
Specifications have been restricted as follows:

Class 9:
Software; downloadable software incorporating artificial intelligence; downloadable software agents; downloadable chatbot software; downloadable computer software for automation of business processes; downloadable software for data analysis, data management and information retrieval; downloadable software for natural language processing; downloadable software for machine learning; downloadable software for accessing, deploying, managing and interacting

with artificial intelligence agents; downloadable application software for the provision of artificial intelligence services; downloadable software for business intelligence, workflow automation and digital transformation; none of the aforesaid goods being educational software, games software or software for accessing, playing, transmitting, distributing, creating or sharing audio books, podcasts, music, radio, games, educational content or children's entertainment content.

Class 38:
Providing access to software platforms on the Internet; providing access to databases; providing access to platforms for interaction with artificial intelligence agents; electronic transmission of data; transmission of information by computer networks; telecommunication services relating to artificial intelligence platforms; consultancy, information and advisory services relating to all the aforesaid services; all of the aforesaid excluding transmission, streaming and delivery services for audio books, podcasts, music, radio, games, educational content and children's entertainment content.

Class 42:
Software as a Service (SaaS); Platform as a Service (PaaS); providing temporary use of non-downloadable software; providing temporary use of non-downloadable artificial intelligence software; providing temporary use of non-downloadable software agents; providing temporary use of non-downloadable software for marketing, advertising, business intelligence, automation and data analytics; hosting software platforms for artificial intelligence applications; development and deployment of artificial intelligence systems; consultancy relating to artificial intelligence technology; machine learning services; natural language processing services; cloud computing services; software design and development; database design and development; data mining; data warehousing; providing temporary use of online non-downloadable software enabling users to access and interact with artificial intelligence agents; consultancy, information and advisory services relating to all the aforesaid services; none of the aforesaid being for the provision, development, design or hosting of games software or software for accessing, playing, transmitting, distributing, creating or sharing audio books, podcasts, music, radio, audio-visual content, video content, games, educational content or children's entertainment content.

UK00004405656 (2026/032, 07 August 2026)
Specifications have been restricted as follows:

Class 5:
Pharmaceutical and veterinary preparations; dietary supplements; nutritional supplements; mineral supplements; vitamin supplements; herbal supplements and herbal extracts; vitamin preparations; medicated and pharmaceutical skin care preparations; none of the aforesaid goods being in relation to smoking cessation.

UK00004461482 (2026/044, 30 October 2026)
Specifications have been restricted as follows:

Class 9:
Downloadable application software for viewing sports statistics; sports news; and sports event broadcasts; downloadable audio-visual recordings featuring sports matches; sports news; athletic statistics; and athlete interviews.

Class 35:
Advertising; marketing; and promotional services relating to sports events and sports equipment; provision of an online marketplace for buyers and sellers of sports equipment; compiling; analyzing; and systematizing business statistics and data in the field of sports; providing commercial and consumer product information relating to sports.

Class 42:
Providing temporary use of online non-downloadable software; Software as a Service (SaaS); and Platform as a Service (PaaS) for accessing and viewing sports data; match analytics; sports news; and sports event broadcasts; hosting digital platforms for displaying sports data and statistics.

UK00004439567 (2026/038, 18 September 2026)

UK00004399879 (2026/035, 28 August 2026)
Specifications have been restricted as follows:

Class 9:
Software; Software testing software; Software reliability software; Computer software; Software for computers; Enterprise software; Software applications; System software; Workflow software; Downloadable computer software; Computer software platforms; Software compiler; Server-side software; Application software; Interface software; Downloadable software; Simulation software; Computer programming software; Business software; Platform software; Operating software; Computer operating software; Optimisation software; Business technology software; Downloadable software applications; all of the aforesaid being for use in the energy, oil and gas, and carbon capture and carbon storage sectors.

Class 42:
Development of computer hardware and software; Computer software integration; Development of computer software; Computer software development; Computer software consultancy; Consultancy (Computer software -); Software engineering; Computer software consulting; Computer hardware and software design; Software authoring; Design of computer hardware and software; Design of computer software; Computer software engineering; Software development; Development of software; Computer software installation; Installation of computer software; Update of computer software; Design of software; Software design; Installation of software; Software installation; Development of computer database software; Design and development of computer hardware and software; Configuration of computer software; Computer software maintenance; Maintenance of computer software; Services for the design of computer software; Software as a service [SaaS] featuring software for machine learning; Computer programming and software design; all of the aforesaid being for use in the energy, oil and gas, and carbon capture and carbon storage sectors.

UK00004422631 (2026/032, 07 August 2026)
Specifications have been restricted as follows:

Class 9:
Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; recorded and downloadable multimedia files,

computer software, blank digital or analogue recording and storage media; computers and computer peripheral devices; mobile apps; computer application software for mobile phones; computer application software; electronic publications (downloadable); electronic animal identification apparatus; encoded membership cards; GPS receiver collars for animals; electronic collars to train animals; GPS tracking collars for pets; AI software; antivirus software; application software; computer operating system software; computer programmes; computer programmes stored in digital form; computer software downloadable from global computer networks; computer software downloadable from the internet; computer software downloaded from the internet; computer software for advertising; computer chatbot software for simulating conversations; apparatus and instruments for transmission of information; software for designing online advertising on websites; parts and fittings for all the aforesaid goods; all of the aforesaid goods being for use in connection with veterinary healthcare and the management of the health, wellbeing and medical treatment of animals.

UK00004422635 (2026/032, 07 August 2026)
Specifications have been restricted as follows:

Class 9:
Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; recorded and downloadable multimedia files, computer software, blank digital or analogue recording and storage media; computers and computer peripheral devices; mobile apps; computer application software for mobile phones; computer application software; electronic publications (downloadable); electronic animal identification apparatus; encoded membership cards; GPS receiver collars for animals; electronic collars to train animals; GPS tracking collars for pets; AI software; antivirus software; application software; computer operating system software; computer programmes; computer programmes stored in digital form; computer software downloadable from global computer networks; computer software downloadable from the internet; computer software downloaded from the internet; computer software for advertising; computer chatbot software for simulating conversations; apparatus and instruments for transmission of information; software for designing online advertising on websites; parts and fittings for all the aforesaid goods; all of the aforesaid goods being for use in connection with veterinary healthcare and the management of the health, wellbeing and medical treatment of animals.

UK00004440325 (2026/038, 18 September 2026)
Specifications have been restricted as follows:

Class 42:
Science and technology services; Scientific and technological design; Industrial analysis and research services; Design and development of computer hardware and software; all the before-mentioned services relating to insurance and excluding the provision and/or arranging of the foregoing services relating to payment protection insurance by retailers for the end consumers of personal and household goods; and, excluding the provision and/or arranging of the foregoing services relating to extended repair and replacement warranties against the malfunction of goods sold by retailers for end consumers of personal and household goods.

UK00004440327 (2026/038, 18 September 2026)
Specifications have been restricted as follows:

Class 42:
Science and technology services; Scientific and technological design; Industrial analysis and research services; Design and development of computer hardware and software; all the before-mentioned services relating to insurance and excluding the provision and/or arranging of the foregoing services relating to payment protection insurance by retailers for the end consumers of personal and household goods; and, excluding the provision and/or arranging of the foregoing services relating to extended repair and replacement warranties against the malfunction of goods sold by retailers for end consumers of personal and household goods.

UK00004440331 (2026/038, 18 September 2026)
Specifications have been restricted as follows:

Class 42:
Science and technology services; Scientific and technological design; Industrial analysis and research services; Design and development of computer hardware and software; all the before-mentioned services relating to insurance and excluding the provision and/or arranging of the foregoing services relating to payment protection insurance by retailers for the end consumers of personal and household goods; and, excluding the provision and/or arranging of the foregoing services relating to extended repair and replacement warranties against the malfunction of goods sold by retailers for end consumers of personal and household goods.

UK00004431208 (2026/039, 25 September 2026)
Specifications have been restricted as follows:

Class 37:
Building restoration; Building maintenance; Renovation of property; Renovation of kitchens; None of the aforementioned in relation to the construction, repair, installation, renovation or maintenance of custom metal structures and aluminium-based windows, openings and architectural systems.

UK00004422022 (2026/032, 07 August 2026)
Specifications have been restricted as follows:

Class 9:
Downloadable computer software; Downloadable mobile applications; Downloadable software for connecting consumers with tradespeople and service providers; Downloadable software for searching, comparing, reviewing and rating service providers; Downloadable software for managing enquiries, quotations, appointments and communications; Downloadable software for accessing online marketplaces; All of the aforesaid goods being software and applications exclusively for connecting homeowners, landlords and residential occupiers with providers of home-improvement, home-maintenance and home-repair services, or for arranging, managing or administering the provision of those services, including related customer relationship management, job management, quotations, appointments and communications, and in each case not including software for data privacy management, data protection compliance or artificial intelligence governance.

Class 42:
Software as a service [SaaS]; Platform as a service [PaaS]; Providing temporary use of online non-downloadable software; Development of computer platforms; Hosting of digital platforms; Design and development of computer software; Providing temporary use of online non-downloadable software for connecting consumers with tradespeople and service providers; Providing temporary use of online non-downloadable software for managing enquiries, quotations, appointments, reviews, ratings, rankings, communications and service-provider performance data; Providing temporary use of online non-downloadable software for verifying and authenticating customer reviews; Electronic data storage; All of the aforesaid services exclusively relating to software and digital platforms for connecting homeowners, landlords and residential occupiers with providers of home-improvement, home-maintenance and home-repair services, or for arranging, managing or administering the provision of those services, including related customer relationship management, job management, quotations, appointments and communications, and in each case not including services relating to software for data privacy management, data protection compliance or artificial intelligence governance.

Class 45:
Identity verification services; Personal background investigation services; Background screening and vetting of individuals for trust purposes; Verification of personal identity as part of personal background investigations; Providing information regarding the background and credentials of tradespeople and service providers; Personal identity validation services; All of the aforesaid services exclusively for verifying the identity, background or credentials of home-improvement, home-maintenance and home-repair services, or of homeowners, landlords and residential occupiers seeking those services, and solely in connection with the arrangement or provision of those home services.

UK00004429788 (2026/035, 28 August 2026)
Specifications have been restricted as follows:

Class 36:
Providing real estate information relating to property and land; Provision of information relating to property [real estate]; Provision of information relating to the property market [real estate]; Provision of information relating to real estate.

Class 42:
Software as a service [SaaS]; Software as a service [SAAS] services; Software as a service [SaaS] featuring computer software platforms for artificial intelligence; none of the aforementioned services relating to spreadsheet software; all the aforementioned services relating to information on land and real estate.

UK00004421564 (2026/032, 07 August 2026)
Specifications have been restricted as follows:

Class 35:
Advertising services relating to financial services, namely, foreign exchange trading advisory services, treasury management and payment processing services; advertising services relating to financial investment, namely, foreign exchange trading advisory services, treasury management and payment processing services; provision Of online financial services comparisons in relation to foreign exchange trading advisory services, treasury management and payment processing services: none of the aforesaid in relation to education, entertainment, on- demand television services, telecommunications, broadcasting, broadband, fixed line and mobile telephony services, media sales agency and planning, delivering, measuring and/or evaluating the effectiveness of advertising material and/or advertising campaigns, sponsorship services, weather forecast and smart home services, home protection and security services.

Class 36:
