TO REVOKE THE AFORESAID REGISTRATIONS

1. On 24 October 2025, I issued a decision in the above referenced consolidated proceedings, BL Number O/0994/25. It has been brought to my attention that my decision contained typographical errors concerning the Contested International Registrations stated on the front cover and at paragraph [67].

2. The front cover erroneously stated the second and third enumerated Contested International Registrations to be as follows:

WO0000001712177

And

WO0000001712188

3. These errors were repeated at paragraph [67].

4. The front cover and paragraph [67] should have enumerated the second and third Contested International Registrations as follows:

WO0000001712117

And

WO0000001712118

5. I regard the above as an irregularity in procedure and capable of being corrected under Rule 74(1) of the Trade Marks Rules 2008.

6. This supplementary decision hereby corrects the typographical errors noted above at [2] such that the second and third Contested International Registrations are to be read as follows:

WO0000001712117

And

WO0000001712118

7. The above correction does not affect the appeal period, nor is there any impact on costs.
