**Please note that the opposition period for the trade marks contained in
this printed list began on 19 June 2026.**

Printed List of International Registrations filed under the Madrid Protocol Published for Opposition Purposes Under the 1994 Act

For the purposes of non-use revocation, the relevant protection date is the date that protection is conferred on the trade mark in the United Kingdom following the expiry of the opposition period, if no objections are filed and if no opposition arises.

WO0000001919416(9, 42)

Office of Origin: US

Date of International Registration: 02 December 2025

Date of Designation in the UK: 02 December 2025

The mark consists of four slanted rectangles stacked in rows, two above and two below, and stylized to represent the letter H.

International priority date claimed: 03 June 2025 (US)
(99215882)

Class 9:

Downloadable computer software for business process management and workflow management, namely, software platforms for modeling, executing and monitoring human-centric business processes; downloadable electronic publications; instructional material and manuals relating to computers and software, all being recorded optically or electronically or being downloadable from the Internet, extranets or other communications networks; data, documents, information, video, sound, text and other media or multimedia, all being electronically recorded or downloadable from the Internet, extranets or other communications networks; downloadable video and podcasts; downloadable software and training guides; downloadable computer software for content services, namely, the capturing, storing, retrieving, accessing, processing, measuring and modifying of content, processes, and cases in the nature of data in electronic form and the integration with third-party computer software applications for the capturing, storing, retrieving, accessing, processing, measuring and modifying of content, processes, and cases in the nature of data in electronic form; downloadable computer

software for imaging and document management; all of the foregoing using artificial intelligence.

Class 42:

Providing online non-downloadable cloud-based computer software for content services, namely, the capturing, storing, retrieving, accessing, processing, measuring and modifying of content, processes, and cases in the nature of data in electronic form and the integration with third-party computer software applications for the capturing, storing, retrieving, accessing, processing, measuring and modifying of content, processes, and cases in the nature of data in electronic form; providing online non-downloadable software using artificial intelligence (AI) for content services, namely, the capturing, storing, transforming, retrieving, accessing, processing, measuring and modifying of content, processes, and cases in the nature of data in electronic form and the integration with third-party computer software applications for the capturing, storing, retrieving, accessing, processing, measuring and modifying of content, processes, and cases in the nature of data in electronic form; providing online non-downloadable operating software for accessing and using a cloud computing network; providing online non-downloadable software for software development and website development; providing online non-downloadable computer software for application and database integration; providing online non-downloadable computer software for electronic data processing for information storage, recognition, classification, and retrieval; providing online non-downloadable software using artificial intelligence (AI) for electronic data processing for information storage, recognition, classification, and retrieval; providing online non-downloadable software for uploading, transferring, downloading, storing, and sharing data, files, graphics, audio, video, and multimedia content with others via global computer networks, mobile communications devices, internet-enabled devices, wireless devices and other communication networks; providing online non-downloadable software using artificial intelligence (AI) for uploading, transferring, downloading, storing, and sharing data, files, graphics, audio, video, and multimedia content with others via global computer networks, mobile communications devices, internet-enabled devices, wireless devices and other communication networks; providing online non-downloadable software using generative artificial intelligence (AI) for non-downloadable software for creating digital works and transforming unstructured content using generative artificial intelligence; providing online non-downloadable computer software for business process management and workflow management; providing information in the field of open source software and open-source development communities;

***List of cases accepted for opposition purposes as shown in Journal 2026/025 published on
19 June 2026.***

providing information on design, programming, and debugging techniques relating to open source computer software; design, development, research, testing, de-bugging and fault diagnosis relating to computer software and hardware; providing technical information relating to computer hardware and software via a website; hosting of digital content, namely, online blogs, chat rooms, journals, manuals, and instructional material relating to computer software; operation, development and maintenance of a website for the downloading of computer software; updating and maintenance of a database for others; providing online non-downloadable computer software platforms for product support and downloads of computer software and computer software instructional resources; providing online non-downloadable computer software development and customization for others, and providing technical information regarding the foregoing; consulting in the fields of information technology and design and development of cloud computing networks and applications; installation, repair, maintenance, upgrading, updating, and enhancements of computer software and providing technical advice related to the foregoing; technical support services, namely, troubleshooting of computer hardware, software, and network problems in the nature of diagnosing computer hardware and software problems; providing technical advice related to the diagnosing and repair of problems with computer software, systems, and networks; computer hosting services, namely, cloud hosting provider services; operating and maintaining of non-downloadable computer network software; application service provider (asp), namely, providing, hosting, developing, and maintaining applications, non-downloadable software, digital content, and online databases for others in the field of information technology and enterprise content management; application service provider (ASP) featuring software using artificial intelligence (AI) for providing, hosting, managing, developing, and maintaining applications, software, digital content, and databases for others; all of the foregoing using artificial intelligence (AI).

STRemoving

International priority date claimed: 22 December 2025 (JP)
(2025-146821)
The mark contains the colours black and blue.

Class 1:
Auxiliary fluids for use with abrasives and other chemicals; industrial chemicals; chemicals for manufacturing abrasives; chemicals for manufacturing media for use in grinding and polishing.

Class 3:

List of cases accepted for opposition purposes as shown in Journal 2026/025 published on 19 June 2026.

Blasting abrasives and media for shot blasting machines; blasting abrasives and media for air blasting machines; blasting abrasives and media for sandblasting machines; peening abrasives and media for shot peening machines; abrasives and media for use in shot blasting; abrasives and media for use in sandblasting; abrasives and media for use in shot peening; abrasives and media for barrel polishing machines; abrasives and media for use in barrel polishing; abrasive grains; abrasive sand; barrel polishing stones; industrial abrasives and media; abrasive preparations; polishing preparations for industrial purposes; abrasives and polishing media; polishing, scouring and abrasive preparations; abrasive compounds; compounds being polishing aids.

Class 6:

Iron and steel; nonferrous metals and their alloys; abrasion-resistant steel plates; abrasion-resistant steel pipes.

Class 7:

Shot blasting machines; air blasting machines; shot peening machines; abrasive machines using abrasive grains; laser peening machines; barrel polishing machines; cleaning apparatus using plasma; machines and apparatus for cleaning (electric); cleaning apparatus for cleaning barrel-polished workpieces; brush polishing machines for processing metals or non-metals; brush polishing machines for processing hard and brittle materials (glass, stone, ceramics, silicon ingots, sapphire, quartz) or tough materials (metals, plastics); brushes for processing metals or non-metals (parts of machines); brushes for polishing machines for processing hard and brittle materials (glass, stone, ceramics, silicon ingots, sapphire, quartz) or tough materials (metals, plastics) (parts of machines); metalworking machines and tools; machines and apparatus for the surface treatment of concrete, asphalt and steel, and parts and fittings therefor; ceramic balls being machine components for crushers, mills, agitators, and grinders; semiconductor wafer coating apparatus; machines for the deposition of thin films upon semiconductor wafers for the manufacture of semiconductors; machines for manufacturing semi-conductors; semiconductor wafer processing machines; machines for manufacturing semi-conductors, namely, laminators; semiconductor exposure apparatus for use in manufacture; developing apparatus for semiconductor manufacturing.

Class 9:

Measuring or testing machines and instruments; non-destructive testing apparatus and instruments; non-destructive testing apparatus and instruments for shot-peened products; industrial X-ray machines and apparatus, not for medical use.

Class 11:

Drying apparatus and installations.

Class 37:

Repair or maintenance of shot blasting machines; repair or maintenance of air blasting machines; repair or maintenance of shot peening machines; repair or maintenance of abrasive machines using abrasive grains; repair or maintenance of laser peening machines; repair or maintenance of barrel polishing machines; repair or maintenance of cleaning apparatus for cleaning barrel-polished workpieces; repair or maintenance of brush polishing machines for processing metals or non-metals; repair or maintenance of brush polishing machines for processing hard and brittle materials (glass, stone, ceramics,

silicon ingots, sapphire, quartz) or tough materials (metals, plastics); repair or maintenance of brushes for processing metals or non-metals; repair or maintenance of brushes for polishing machines for processing hard and brittle materials (glass, stone, ceramics, silicon ingots, sapphire, quartz) or tough materials (metals, plastics); repair or maintenance of metalworking machines and tools; repair or maintenance of machines and apparatus for the surface treatment of concrete, asphalt and steel, and parts and fittings therefor; repair or maintenance of measuring and testing machines and instruments; repair or maintenance of non-destructive testing apparatus and instruments; repair or maintenance of non-destructive testing apparatus and instruments for shot-peened products; repair or maintenance of industrial X-ray machines and apparatus, not for medical use; repair or maintenance of drying apparatus for drying cleaned workpieces; repair or maintenance of semi-conductor manufacturing machines and systems.

Class 40:

Blast treatment for metal; blast treatment for ceramics; blast treatment for glass; blast treatment for plastic; shot peening treatment for metal; shot peening treatment for ceramics; laser peening for metal; barrel polishing for metal; barrel polishing for ceramics; barrel polishing for plastics; barrel polishing for precious stones; brush polishing for metals or non-metals; brush polishing for hard and brittle materials (glass, stone, ceramics, silicon ingots, sapphire, quartz) or tough materials (metals, plastics); surface treatment for metals or non-metals; surface treatment for ceramics; surface treatment for plastic; surface treatment for glass; surface treatment for silicone resins; advisory, consultancy and information services relating to blast treatment for metal; advisory, consultancy and information services relating to blast treatment for ceramics; advisory, consultancy and information services relating to blast treatment for glass; advisory, consultancy and information services relating to blast treatment for plastic; advisory, consultancy and information services relating to shot peening treatment for metal; advisory, consultancy and information services relating to shot peening treatment for ceramics; advisory, consultancy and information services relating to laser peening treatment for metal; advisory, consultancy and information services relating to barrel polishing for metal; advisory, consultancy and information services relating to barrel polishing for ceramics; advisory, consultancy and information services relating to barrel polishing for plastics; advisory, consultancy and information services relating to barrel polishing for precious stones; advisory, consultancy and information services relating to brush polishing for metals or non-metals; advisory, consultancy and information services relating to brush polishing for hard and brittle materials (glass, stone, ceramics, silicon ingots, sapphire, quartz) or tough materials (metals, plastics); advisory, consultancy and information services relating to surface treatment for metals or non-metals; advisory, consultancy and information services relating to surface treatment for ceramic; advisory, consultancy and information services relating to surface treatment for plastic; advisory, consultancy and information services relating to surface treatment for glass; advisory, consultancy and information services relating to surface treatment for silicone resins; coating treatment for semiconductor manufacturing; coating treatment of objects by means of chemical, electrochemical, mechanical, thermal, thermomechanical, chemical vapor deposition, physical

List of cases accepted for opposition purposes as shown in Journal 2026/025 published on 19 June 2026 .

vapor deposition and vacuum deposition, and processes of application, drying, and curing of liquid or powder; lamination for semiconductor manufacturing; photoresist coating treatment for semiconductor manufacturing; photolithographic exposure for semiconductor manufacturing; developing of photoresists for semiconductor manufacturing; custom manufacture of semiconductor circuits; custom manufacture of semiconductor wafers; processing of semiconductor; processing of photomask for semiconductor manufacturing; application of thin films on the surfaces of objects by means of chemical, mechanical, thermal, thermomechanical, chemical vapor deposition, physical vapor deposition and vacuum deposition processes; surface processing, coating processing, and processing of a surface thin film for semiconductor; advisory, consultancy and information services relating to semiconductor manufacturing and processing.

Date of International Registration: 24 December 2025
Date of Designation in the UK: 24 December 2025

The logo for 'ST Deburring' features the letters 'ST' in a large, bold, black sans-serif font, followed by the word 'Deburring' in a smaller, black sans-serif font. A thick, blue, curved line underlines the text, resembling a stylized 'D' or a swoosh.

International priority date claimed: 22 December 2025 (JP)
(2025-146823)
The mark contains the colours black and blue.

Class 1:
Auxiliary fluids for use with abrasives and other chemicals;
industrial chemicals; chemicals for manufacturing abrasives;
chemicals for manufacturing media for use in grinding and
polishing.

Class 3:
Blasting abrasives and media for shot blasting machines;
blasting abrasives and media for air blasting machines; blasting
abrasives and media for sandblasting machines; peening
abrasives and media for shot peening machines; abrasives and
media for use in shot blasting; abrasives and media for use
in sandblasting; abrasives and media for use in shot peening;
abrasives and media for barrel polishing machines; abrasives
and media for use in barrel polishing; abrasive grains; abrasive
sand; barrel polishing stones; industrial abrasives and media;
abrasive preparations; polishing preparations for industrial
purposes; abrasives and polishing media; polishing, scouring
and abrasive preparations; abrasive compounds; compounds
being polishing aids.

Class 6:
Iron and steel; nonferrous metals and their alloys; abrasion-
resistant steel plates; abrasion-resistant steel pipes.

Class 7:
Shot blasting machines; air blasting machines; shot peening
machines; abrasive machines using abrasive grains; laser
peening machines; barrel polishing machines; cleaning
apparatus using plasma; machines and apparatus for cleaning
(electric); cleaning apparatus for cleaning barrel-polished
workpieces; brush polishing machines for processing metals or
non-metals; brush polishing machines for processing hard and
brittle materials (glass, stone, ceramics, silicon ingots, sapphire,
quartz) or tough materials (metals, plastics); brushes for
processing metals or non-metals (parts of machines); brushes
for polishing machines for processing hard and brittle materials
(glass, stone, ceramics, silicon ingots, sapphire, quartz) or tough
materials (metals, plastics) (parts of machines); metalworking
machines and tools; machines and apparatus for the surface
treatment of concrete, asphalt and steel, and parts and fittings
therefor; ceramic balls being machine components for crushers,
mills, agitators, and grinders; semiconductor wafer coating
apparatus; machines for the deposition of thin films upon
semiconductor wafers for the manufacture of semiconductors;
machines for manufacturing semi-conductors; semiconductor
wafer processing machines; machines for manufacturing semi-
conductors, namely, laminators; semiconductor exposure
apparatus for use in manufacture; developing apparatus for
semiconductor manufacturing.

Class 9:
Measuring or testing machines and instruments; non-destructive
testing apparatus and instruments; non-destructive testing
apparatus and instruments for shot-peened products; industrial
X-ray machines and apparatus, not for medical use.

Class 11:
Drying apparatus and installations.

Class 37:
Repair or maintenance of shot blasting machines; repair or
maintenance of air blasting machines; repair or maintenance
of shot peening machines; repair or maintenance of abrasive
machines using abrasive grains; repair or maintenance of laser
peening machines; repair or maintenance of barrel polishing
machines; repair or maintenance of cleaning apparatus for
cleaning barrel-polished workpieces; repair or maintenance
of brush polishing machines for processing metals or non-
metals; repair or maintenance of brush polishing machines for
processing hard and brittle materials (glass, stone, ceramics,
silicon ingots, sapphire, quartz) or tough materials (metals,
plastics); repair or maintenance of brushes for processing
metals or non-metals; repair or maintenance of brushes for
polishing machines for processing hard and brittle materials
(glass, stone, ceramics, silicon ingots, sapphire, quartz) or
tough materials (metals, plastics); repair or maintenance of
metalworking machines and tools; repair or maintenance
of machines and apparatus for the surface treatment of
concrete, asphalt and steel, and parts and fittings therefor;
repair or maintenance of measuring and testing machines and
instruments; repair or maintenance of non-destructive testing
apparatus and instruments; repair or maintenance of non-
destructive testing apparatus and instruments for shot-peened
products; repair or maintenance of industrial X-ray machines

***List of cases accepted for opposition purposes as shown in Journal 2026/025 published on
19 June 2026 .***

and apparatus, not for medical use; repair or maintenance of drying apparatus for drying cleaned workpieces; repair or maintenance of semi-conductor manufacturing machines and systems.

Class 40:

Blast treatment for metal; blast treatment for ceramics; blast treatment for glass; blast treatment for plastic; shot peening treatment for metal; shot peening treatment for ceramics; laser peening for metal; barrel polishing for metal; barrel polishing for ceramics; barrel polishing for plastics; barrel polishing for precious stones; brush polishing for metals or non-metals; brush polishing for hard and brittle materials (glass, stone, ceramics, silicon ingots, sapphire, quartz) or tough materials (metals, plastics); surface treatment for metals or non-metals; surface treatment for ceramics; surface treatment for plastic; surface treatment for glass; surface treatment for silicone resins; advisory, consultancy and information services relating to blast treatment for metal; advisory, consultancy and information services relating to blast treatment for ceramics; advisory, consultancy and information services relating to blast treatment for glass; advisory, consultancy and information services relating to blast treatment for plastic; advisory, consultancy and information services relating to shot peening treatment for metal; advisory, consultancy and information services relating to shot peening treatment for ceramics; advisory, consultancy and information services relating to laser peening treatment for metal; advisory, consultancy and information services relating to barrel polishing for metal; advisory, consultancy and information services relating to barrel polishing for ceramics; advisory, consultancy and information services relating to barrel polishing for plastics; advisory, consultancy and information services relating to barrel polishing for precious stones; advisory, consultancy and information services relating to brush polishing for metals or non-metals; advisory, consultancy and information services relating to brush polishing for hard and brittle materials (glass, stone, ceramics, silicon ingots, sapphire, quartz) or tough materials (metals, plastics); advisory, consultancy and information services relating to surface treatment for metals or non-metals; advisory, consultancy and information services relating to surface treatment for ceramic; advisory, consultancy and information services relating to surface treatment for plastic; advisory, consultancy and information services relating to surface treatment for glass; advisory, consultancy and information services relating to surface treatment for silicone resins; coating treatment for semiconductor manufacturing; coating treatment of objects by means of chemical, electrochemical, mechanical, thermal, thermomechanical, chemical vapor deposition, physical vapor deposition and vacuum deposition, and processes of application, drying, and curing of liquid or powder; lamination for semiconductor manufacturing; photoresist coating treatment for semiconductor manufacturing; photolithographic exposure for semiconductor manufacturing; developing of photoresists for semiconductor manufacturing; custom manufacture of semiconductor circuits; custom manufacture of semiconductor wafers; processing of semiconductor; processing of photomask for semiconductor manufacturing; application of thin films on the surfaces of objects by means of chemical, mechanical, thermal, thermomechanical, chemical vapor deposition, physical vapor deposition and vacuum deposition processes; surface processing, coating processing, and processing of a surface thin film for semiconductor; advisory, consultancy and

information services relating to semiconductor manufacturing and processing.

Class 9:
Quantum computer processor chips and quantum computer processors.

Class 38:
Providing temporary access to quantum computing data processors and hybrid quantum and classical computing platform through a global computer network; providing access to superconducting qubit-based quantum data processors and hybrid quantum and classical computing platform through a global computer network for use in accelerating research, design, development and workflows via quantum computing; providing temporary access to quantum computing data processors and hybrid quantum and classical computing system through a global computer network accessed via the cloud; providing temporary access to a supercomputer for the purpose of running software programs.

Class 42:
Research and development services, namely, providing research information and electronic research data in the field of hybrid quantum and classical computing; providing temporary use of non-downloadable quantum computing software development tools, in the nature of software code libraries and software interfaces; platform as a service (PAAS) featuring computer hybrid quantum and classical computing software platforms for providing online access to a software development environment, software libraries and software interfaces; providing temporary use of non-downloadable hybrid quantum and classical computing software development tools for use in

developing and testing hybrid quantum and classical computing computer programs; providing online non-downloadable open source software and software development toolkits for use in developing and testing hybrid quantum and classical computing computer programs via a web site; software as a service (SaaS) services featuring software for use as hybrid quantum and classical computing software development tools and programming language for constructing, analyzing and running computer programs; software as a service (SaaS) services, namely, providing online non-downloadable software that enables users to enter and access emulators and simulators for developing and testing hybrid quantum and classical computing computer programs via an interactive web site; application service provider featuring application programming interface (API) software for use in programming and developing and testing algorithms in the field of hybrid quantum and classical computing; computer services, namely, providing quantum cloud computing processing and featuring temporary use of non-downloadable cloud computer software for use in accelerating research, design, development, and workflows; rental of quantum computer data processor.

PACK2EARTH

International priority date claimed: 03 October 2025 (EM)
(019256484)

Class 1:

Unprocessed bio-based plastic materials in powder, liquid or paste form; unprocessed biobased plastic resins for use in the manufacture of plastic moulding compounds; biodegradable plastics as raw materials; additives (chemical and organic) for use in the processing of plastic; organic flour for use as a filler in the manufacture of biobased plastics; unprocessed cellulose fiber plastics; biobased adhesives; biobased adhesive substances for use in industry; biobased plastic films for use in coating or in packing; formulations for use in the preparation of biobased plastic materials.

Class 16:

Bags and articles for packaging, wrapping and storage, of paper, cardboard or plastics all in biodegradable plastic materials; biodegradable packaging material; compostable plastic material for packaging; compostable plastic bags; compostable plastic films for wrapping or packaging; compostable plastic films for wrapping foodstuff; waste bags of biodegradable plastic for household use; compostable food wrapping plastic film for household use; compostable plastic bags for household use; carrier bags of compostable plastic; compostable plastic coated paper.

Class 21:

Household or kitchen utensils and containers made of biodegradable plastic; cookware and tableware, except forks, knives and spoons made of biodegradable plastic; combs and sponges made of biodegradable plastic made of biodegradable plastic; cups of biodegradable plastic; insect traps of biodegradable plastic; compostable household or kitchen utensils; compostable dishes; compostable plates.

Class 39:

Wrapping and packaging services of goods using sustainable or biodegradable packaging and shipping materials; packaging of products for third parties; packaging of food; wrapping of merchandise.

Class 40:

Services of custom manufacturing of biodegradable plastic articles and products; services for the custom manufacturing of packaging material for goods; services for the custom manufacturing of vehicles parts; services for the custom manufacturing of compostable household or kitchen utensils and containers.

Class 42:

Research and development of new products for third parties in the field of biobased plastic materials; industrial development services; design and development of industrial products; development of formulations for the preparation of compostable

plastic materials; services in packaging design or research services in the field of packaging development; development of compostable coatings or packaging materials; development and test of chemical production methods.

Class 45:

Licensing of intellectual property; licensing services relating to the manufacture of goods; licensing of research and development; exploitation of industrial property rights by licensing; licensing services relating to the manufacture of good in the field of biodegradable packaging technology.

The mark contains the colour light blue.
Characters "WD" are in light blue; Background is in white.

Class 9:
Electrical and mechanical switches and systems containing electrical and mechanical switches for the distribution of electrical energy, in particular electrical switching devices including load switches, load break switches, and circuit breakers; switchgear for high- and medium-voltage distribution systems, including those for power distribution systems operating at rated voltages exceeding 1000 volts; SF6 (sulfur

hexafluoride) - insulated load breaking and circuit breaking switchgear; F-gas (fluor containing gas) - free load breaking and circuit breaking switchgear; air-insulated load breaking and circuit breaking switchgear; solid-insulated load breaking and circuit breaking switchgear; plastic and concrete substations [transformers]; electrical testing systems consisting of software for testing electrical switchgear; electrical testing instruments; electrical testing equipment for power grids; devices for testing electrical power systems.

Class 17:
Electrical insulators, in particular made of cast resin and/or ceramic, in particular for use at rated voltages exceeding 1000 volts.

Class 37:
Installation and maintenance of electrical and mechanical switches and systems containing electrical and mechanical switches for the distribution of electrical energy, in particular electrical switching devices including load switches, load break switches, and circuit breakers, of switchgear for high- and medium-voltage distribution systems, including switchgear for high- and medium-voltage distribution systems, including those for power distribution systems operating at rated voltages exceeding 1000 volts, of SF6 (sulfur hexafluoride) -insulated load breaking and circuit breaking switchgear, of F-gas (fluor containing gas) - free load breaking and circuit breaking switchgear, of air-insulated load breaking and circuit breaking switchgear, of solid-insulated load breaking and circuit breaking switchgear, and of plastic and concrete substations [transformers]; maintenance of electrical testing systems [hardware] for electrical switchgear, electrical test instruments, electrical testing equipment for power grids, and devices for testing electrical power systems.

Class 41:
Organization and hosting of seminars and training courses in the field of safety, particularly in connection with electrical and mechanical switches and systems comprising electrical and mechanical switches for the distribution of electrical energy.

Class 42:
Technical consulting in the field of safety, particularly in connection with the operation of electrical and mechanical switches and systems comprising electrical and mechanical switches for the distribution of electrical energy, particularly electrical switchgear including load switches, load break switches and circuit breakers, switchgear for high-and medium-voltage distribution systems, including power distribution systems operated at rated voltages exceeding 1,000 volts, SF6 (sulfur hexafluoride) -insulated load and circuit breaker systems, F-gas (fluor containing gas) - free load breaking and circuit breaking switchgear, air-insulated load breaking and circuit breaking switchgear, solid-insulated load breaking and circuit breaking switchgear, as well as plastic and concrete substations; development of new technical products for third parties in the field of electrical and mechanical switches and systems comprising electrical and mechanical switches for the distribution of electrical energy, in particular electrical switchgear, including load switches, load break switches and circuit breakers, switchgear cells for high- and medium voltage distribution systems, including power distribution systems operating at rated voltages exceeding 1,000 volts, SF6 (sulfur hexafluoride) - insulated load breaking and circuit breaking

List of cases accepted for opposition purposes as shown in Journal 2026/025 published on 19 June 2026 .

switchgear, F-gas (fluor containing gas) - free load breaking and circuit breaking switchgear, air-insulated load breaking and circuit breaking switchgear, solid-insulated load breaking and circuit breaking switchgear, as well as plastic and concrete substations; development of new technical products related to electrical testing systems for electrical switchgear, electrical test instruments, electrical test equipment for power grids, and devices for testing electrical power systems; development of new technical products related to electrical insulators made primarily of cast resin and/or ceramics, particularly for use at rated voltages exceeding 1,000 volts.

Class 7:

Industrial robots; robotic machines and systems comprised of articulated robot arms for use in warehouse automation; automated conveyors for processing and filling orders at warehouses; automated material handling systems composed primarily of robotic picking stations and robotic re-binning stations for picking, storing, and distributing goods at warehouses for distribution and fulfillment operations.

Class 9:

Machinery and equipment for use in automated materials handling and storage systems, namely, automated digital controls for commercial handling and storage systems; downloadable computer software for controlling automated materials handling and storage systems and computer hardware and computer peripherals for use in automated materials handling systems, namely, computer hardware, downloadable software, and peripherals for use in the guidance of transfer vehicles for use in the field of automated materials handling and computer hardware, downloadable software and peripherals

***List of cases accepted for opposition purposes as shown in Journal 2026/025 published on
19 June 2026 .***

for use in the control of automated materials picking; and electric and electronic instruments and apparatus for use in automated materials handling systems, namely, control cabinets specifically adapted for housing automated materials handling and storage equipment in the nature of controller hardware, downloadable software, and programmable logic controllers; radio frequency controls, namely, RFID tags and readers; infrared controls, namely, bar code scanners and infrared optical data couplers; laser scanners, voice actuated controls for commercial handling and storage systems, sensors for sensing speed, location, dimensions and weight, electric switches for electric motors, electrical wires and cables, capacitors, power supplies, and emergency power supplies.

Class 12:

Automated transport vehicles in the nature of automatic guided vehicles for use in automated materials handling and storage systems.

Class 35:

Business management of logistics for others; business consulting services relating to product distribution, operations management services, logistics, reverse logistics, supply chain, and production systems and distribution solution; comprehensive warehouse solutions, namely, business consulting and business project management services, all relating to warehouse operations, product distribution, supply chain and logistics solutions; business consulting services relating to logistics and supply chain solutions; business management services, namely, managing logistics, reverse logistics, supply-chain services, supply-chain visibility and synchronization, warehouse-space optimization, warehouse automation, and product distribution for others.

Class 36:

Financing services; equipment financing services; financing of industrial activities; financing of logistics and warehouse systems and solutions.

Class 37:

Installation, maintenance and repair of automated warehouse systems and automated materials handling and storage systems; installation, maintenance and repair of machines for transporting and lifting goods and loads; installation of warehouse automation machinery; consultation services relating to the installation of warehouse automation machinery.

Class 39:

Leasing of warehouse space; leasing of pallets for industrial and commercial use; supply chain logistics and reverse logistics services, namely, storage of goods for others; packing, crating and warehousing services; warehousing services; warehousing services, namely, storage, distribution, pick-up, and packing for shipment of packages, raw materials, and other freight for others; packaging and storage of goods; storage services, namely, provision of storage facilities; warehouse services, namely, rental of warehouse space for others; consultation services in the fields of supply chain logistics and reverse logistics services; product warehousing excluding business record warehousing.

Class 42:

Engineering; plant engineering; robotics engineering; automation engineering; consultation in the field of robotics

and automation, namely, designing workplace facilities and equipment to optimize efficiency and safety; IT integration services; design, development, and consulting services related to the design and development of products in the fields of robotics, automation, warehousing, logistics, fulfillment and supply; software as a service (SaaS) services featuring software for controlling automated materials handling and storage systems, guidance of transfer vehicles for use in the field of automated materials handling, and for use in the control of automated materials picking; software as a service (SaaS) services featuring software for logistics and warehousing services; platform as a service (PaaS) services featuring software platforms for controlling automated materials handling and storage systems, guidance of transfer vehicles for use in the field of automated materials handling, and for use in the control of automated materials picking; platform as a service (PaaS) services featuring software platforms for logistics and warehousing services; providing online, non-downloadable software for controlling automated materials handling and storage systems, guidance of transfer vehicles for use in the field of automated materials handling, and for use in the control of automated materials picking; providing online, non-downloadable software for logistics and warehousing services.

Class 1:

List of cases accepted for opposition purposes as shown in Journal 2026/025 published on 19 June 2026.

Chemical products for use in industry, science, agriculture, horticulture and forestry; adhesives for use in industry; biological preparations for use in industry and science; unprocessed artificial resins; putties and other paste fillers; agglutinants for concrete; chemical products and adhesives for production of mixtures for use in repairing structures.

Class 6:

Common metals and their alloys, ores; building materials of metal; transportable buildings of metal; metal storage or transport containers.

Class 7:

Machines, machine tools, motors and mechanical tools for construction, recycling of construction waste and environmental remediation and processing of raw materials; machines for neophyte germination.

Class 9:

Software for the field of construction.

Class 19:

Non-metallic construction materials; non-metallic rigid pipes for building; asphalt, pitch, tar and bitumen; transportable buildings not of metal; gravel; concrete; mortar; clinker ballast; fired refractory materials, not of metal (building materials); materials for making and coating roads.

Class 37:

Construction services; mining extraction; demolition of buildings; pavement stripping services; construction of energy efficient buildings and structures; construction of roads, sewers and water supply systems; extraction of natural resources; construction consultancy; provision of advice with respect to building construction; installation and repair of flood protection equipment; installation, maintenance and repair of railway tracks; rental of construction machines and tools; rental of machines, tools and apparatus for the construction of buildings; road paving; underwater dredging services; underwater building and construction services; construction services with suction dredgers; construction work on streams and rivers; demolition work for track demolition; construction advice on the use of mixtures for repairing structures.

Class 39:

Transport; packaging and storage of merchandise; transport of building materials; transport and storage of goods; transport of goods by road or rail; transport of goods by inland water; garbage collection services; loading and unloading of merchandise; storage of contaminated waste; transport and storage of waste and recycling materials; transport of construction materials and transport of waste; waste skip services [collection and transport] for demolition work; waste skip services [collection and transport] for recycling.

Class 40:

Recycling of trash and waste; air purification and water treatment; treatment of waste; waste recycling; waste treatment (transformation); treatment of waste and harmful substances; treatment of waste in the field of environmental pollution control; nuclear waste processing services; treatment of toxic waste; treatment of contaminated soils; treatment of drinking water, service water and waste water; consultant services relating to the recycling of waste and trash; provision of

information on recycling; provision of information on waste treatment, recycling and transformation; treatment services for soil, waste or water (environmental rehabilitation services); soil treatment services (environmental rehabilitation services); treatment of soil materials, namely conditioning, renaturing, bioremediation (treatment of materials), soil washing, soil stabilization, soil improvement.

Class 42:

Scientific and technological services as well as research services; industrial analysis, industrial research and industrial design services; quality control and authentication services; design and development of computers and software for construction; research with respect to building construction; research in the field of environmental conservation and protection; research in the field of technology and mechanical engineering; technical project studies in the field of construction; engineering services in the field of construction technology; civil engineering; construction engineering services [construction design]; preparation of reports relating to technical project studies for construction projects; conducting of technical project studies for construction projects; environmental impact study services; consultant services with respect to research in the field of environmental protection; consultant services in engineering relating to environmental compatibility; software design, development and rental; development and testing of calculation methods, algorithms and software for generating navigation data; research in the field of chemistry and civil engineering; technological consultancy services.

Class 44:

Agricultural, horticultural and forestry services.

The mark contains the colours blue and red.

Class 9:

Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, inspecting, life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, storing, regulating and controlling electricity; apparatus for recording, transmitting and reproducing sound and images; downloadable and recorded data; application software; CDs, DVDs and other digital recording media; computers; computer operating programs [recorded]; data carriers for computers having software recorded thereon; computer hardware; computer peripheral devices; computer programs (included in this class); computer software [recorded]; computer software [downloadable]; computer software for database management; computer software for the management of information; computer software for the transmission of information; computer software for accessing information directories that may be downloaded from the global computer network; computer software for computer-aided software development; computer software for electronic bulletin boards; computer software for creating searchable databases of information and data; databases; database servers; data processing apparatus; printers; electric or electronic data directories; information retrieval software; magnetic data media; monitors; Real-Time Collaborative Editing [RTCE] platforms [software]; scanners; software; management information system [MIS]; software for mobile devices; software for smartphones; software for tablet computers; product lifecycle management software; data compression software; software for processing images, graphics and text; software for managing IT assets; data processing software; software for maintaining and operating computer systems; software for searching and retrieving information on a computer network; phones, mobile phones, smartphones, and accessories therefor; electronic storage media; mobile applications for the management of information; mobile applications for the transmission of information.

Class 35:

Administrative support and data processing services; administrative data processing, systematisation and management; updating and maintenance of data in computer databases; updating and maintenance of information in registers; identification of requirements in business matters in relation to technical apparatus and services; consultancy relating to the procurement of goods and services; consultancy and provision of information in relation to business matters; provision of information in relation to business matters; provision of information and consultancy relating to e-commerce [ordering of goods]; procurement services for others [purchasing of goods and services for other businesses]; business management consultancy in the field of the use

List of cases accepted for opposition purposes as shown in Journal 2026/025 published on 19 June 2026 .

of information technology; office functions; preparation of computerised inventories; computerised stock management; computerised searching [information retrieval] for business information; computerised file management; database management; data entry services; data search in computer files [for others]; data processing [office functions]; data processing services [office functions]; data management services; services in relation to staff retention, incentive and bonus programmes; acquisition of commercial information; acquisition, compilation and systematisation of data in computer databases for business purposes; preparation of documents relating to business; provision of commercial information by means of a directory on the internet; provision of information relating to the updating and maintenance of data in databases; business management of fleets of IT equipment, office machines and office equipment; business management; assistance with business, management and administrative services; information and consultancy in business organisation and management; stocktaking; lifecycle determination and management of technical equipment for business purposes; lifecycle costing for business purposes; online data processing [office functions]; organisational inventory management; systematisation of data in computer databases; business analysis and information services; business consultancy, in particular in the fields of technology, information technology, IT infrastructure and logistics; business administration; rental of office machines and equipment; arranging of contracts for others; contractual negotiations in relation to commercial transactions for others [business management]; business records management; administration of business affairs; inventory management in relation to IT systems; administrative processing of orders; provision of business and commercial contact information via the Internet; compilation of data in computer databases; compilation of information in electronic directories; compilation of information directories for commercial and advertising purposes; compilation of commercial statistics and information; compilation of commercial information; outsourced administration services for businesses; wholesale and retail services connected with the sale of computer hardware, monitors, network servers, intranet servers, cloud servers, printers, scanners, notebooks, tablet personal computers, personal computers, smartphones, digital tablets, IT-infrastructure, industrial infrastructure and medical-technology products, scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, inspecting, lifesaving and teaching apparatus and instruments, apparatus and instruments for conducting, switching, transforming, storing, regulating and controlling electricity, apparatus for recording, transmitting and reproducing sound and images, digital recording media, data processing hardware, computers, computer software, machines, machine tools and power operated tools, surgical, medical, dental and veterinary instruments and apparatus and vehicles, all the aforementioned goods being used goods, originating from leasing and leasing return products, provided in store, on-line or via catalogue retail service.

Class 36:

Asset management; financial consultancy; consultancy and provision of information in relation to insurance brokerage; provision of information about financing and financial matters; loan, credit and lease-finance services; provision of financial information; financial, monetary and banking transactions; financial leasing; management of financial assets; financial

advice in the technology sector; financial services; financial services for the leasing of information technology products; financial services for trade; financial services for businesses; provision of finance for leasing transactions in the fields of IT equipment, industrial technology and health equipment; financing of equipment; provision of finance for apparatus; provision of finance for leasing transactions; provision of finance for hire purchase and for leasing; provision of finance for projects; financing services; financial affairs; lease financing for facilities or equipment, in particular computers; monetary transactions; real estate affairs; indirect leasing; financial information; financial information services; financing of purchases; lease-purchase of medical equipment; lease financing for telecommunication equipment; leasing transactions [hire purchase]; management and analysis of financial information; hire-purchase financing; information services relating to finance, provided online from a computer database or the Internet; financial management of contractual leasing agreements and transactions; arranging of lease agreements; arrangement of hire-purchase; brokerage of contracts for the insurance of services; insurance; insurance services in connection with leased equipment; provision of information in connection with property insurance; provision of information and analysis via the Internet in the field of financial investments; financial management of leasing agreements; lease-purchase financing of IT equipment.

Class 37:

Repair, installation and maintenance of instruments and apparatus from the fields of IT, industrial technology and health, namely of machines, machine tools, scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments, apparatus and instruments for conducting, switching, transforming, storing, regulating or controlling the distribution or use of electricity, apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data, computers, computer peripheral devices, medical and veterinary apparatus, medical and veterinary instruments and vehicles; repair, installation and maintenance of computers, computer hardware, computer peripheral devices, mobile electronic devices, technical devices, office machines; reconditioning of products originating from leasing, namely of machines, machine tools, scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments, apparatus and instruments for conducting, switching, transforming, storing, regulating or controlling the distribution or use of electricity, apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data, computers, computer peripheral devices, medical and veterinary apparatus, medical and veterinary instruments and vehicles; reconditioning of devices from the fields of IT, industrial technology and health, namely of machines, machine tools, scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments, apparatus and instruments for conducting, switching, transforming, storing, regulating or controlling the distribution or use of electricity, apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data, computers,

List of cases accepted for opposition purposes as shown in Journal 2026/025 published on 19 June 2026.

computer peripheral devices, medical and veterinary apparatus, medical and veterinary instruments and vehicles; provision of information relating to the installation of electrical apparatus.

Class 39:

Guarded transportation of valuables; logistics services in connection with the transport, storage and return of office and IT equipment; taking back, picking up and delivery of technical equipment; transportation of goods, in particular computers, computer hardware and computer peripheral devices; transport and logistics services in connection with the circular economy of technical equipment and facilities; transport services; transport logistics; transport; packaging and storage of goods.

Class 42:

Updating and design of computer software; updating of computer software; updating of software databases; information relating to information technology; technical needs analysis in the context of analytical services in relation to computer systems and networks; information technology [IT] consultancy; consultancy in the field of product development and quality improvement of software; consultancy in the field of software design; consultancy in the design and development of computers; consultancy relating to computer systems; consultancy in relation to the design of websites; computer services, in particular consultancy in respect of computer design, computer technology and computer application; consultancy and information services relating to information technology architecture and infrastructure; consultancy and information services relating to computer peripheral devices; consultancy and information services relating to the integration of computer systems; consultancy and information services relating to the maintenance of computer software; consultancy and information services relating to information technology; consultancy services in relation to computer hardware and software; consultancy services relating to the rental of computers or computer software; provision [rental] of data processing apparatus; provision of temporary use of non-downloadable software applications accessible via a website; provision of temporary use of web-based applications; provision of temporary use of web-based applications software; provision of computer programs for artificial intelligence in data networks; provision of information about the design and development of computer software, computer hardware, computer systems and computer networks; provision of information about computer technology and programming via a website; computer and information technology consultancy; computer programming; computer system analyses; electronic data deletion; data security; design of computer systems; IT services for protection against computer viruses and for data protection; performance of technical project studies in the field of computer hardware and software; IT consultancy in relation to the design of information systems; enterprise content management; development of computer software for logistics, supply chain management and e-business portals; development of software for IT asset management; development of software for secure network operations; development of interactive multimedia software; design and development of computer hardware and software; design and development of computer software for logistics, supply chain management and e-business portals; design of information systems, computer hardware and software relating to finance; provision of temporary use of online non-downloadable software for the management of information; provision of temporary use of online non-

downloadable software for the transmission of information; creation and design of website-based indexes of information for others [information technology services]; compilation of data-processing programs [software]; maintenance, upkeep and adaptation of software; provision of information relating to information technology; professional consultancy relating to the creation of software; remote monitoring of computer systems; software research; hosting of platforms on the Internet; hosting of computerized data, files, applications and information; IT consultancy, advisory and information services; information and advice relating to computer software; installation and updating of programs for data processing; installation of software; installation, maintenance and repair of software for computer systems; conversion of computer programs and data [other than physical conversion]; custom design of software packages; maintenance of software for computer records; software as a service [SaaS]; software-as-a- service services (SAAS), namely hosting software for use by others in the fields of enterprise resource planning, wealth management, financial management, product lifecycle management, and logistics management; technological analysis relating to the need of IT, medical and industrial equipment; software engineering; technical consultancy relating to the installation and maintenance of computer software; technical consultancy services relating to information technology; technical services for the downloading of digital data; software technical support; technological consultancy; technological consultancy in the field of artificial intelligence; environmental consultancy services; rental of data centre facilities; rental of computer firmware; rental of computer hardware and facilities; rental of computers, computer software, data processing apparatus and computer peripheral devices; rental of database servers [to others]; rental of data carriers; rental of data processing systems; rental of web servers; encryption, decryption and authentication of information, messages and data; recovery of computer data; scientific and technological services and research and related design services; temporary electronic storage of information and data; provision of technical support for the operation of computer networks; provision of non-downloadable computer software for shipment processing over computer networks, intranets and the internet for temporary use; off-site data backup; industrial analysis and research services; outsourced information technology services; consultancy services relating to digitisation in schools; operating leasing services for IT equipment.

Date of International Registration: 29 September 2025
Date of Designation in the UK: 27 April 2026

LINK & CO

Class 7:

Sparking plugs for internal combustion engines; igniting devices for internal combustion engines; fuel conversion apparatus for internal combustion engines; screwdrivers, electric; hand-held tools, other than hand-operated; filters for cleaning cooling air, for engines; radiators [cooling] for motors and engines; fan belts for motors and engines; dynamos; alternators for land vehicles; mufflers for motors and engines; hydraulic engines and motors; cylinder heads for engines; belts for motors and engines; coffee grinders, other than hand-operated; hand-held hydraulic tools; hydraulic cylinders [parts of machines]; curtain drawing devices, electrically operated; aerocondensers; injectors for engines; pistons [parts of machines or engines]; condensing installations; valves [parts of machines]; compressors [machines]; pumps [parts of machines, engines or motors]; taps [parts of machines, engines or motors]; lubricating pumps; hydraulic controls for machines, motors and engines; pneumatic controls for machines, motors and engines; blowing machines for the compression, exhaustion and transport of gases; filters being parts of machines or engines; cartridges for filtering machines; gear boxes, other than for land vehicles; connecting rods for machines, motors and engines; belts for machines; crank shafts; door openers, hydraulic; axles for machines; bearings [parts of machines]; pressure reducers [parts of machines]; regulators [parts of machines]; speed governors for machines, engines and motors; springs [parts of

machines]; mechanical seals being parts of machines; machine wheelwork; universal joints [cardan joints]; electric welding apparatus; machines and apparatus for cleaning, electric; washing installations for vehicles; vacuum cleaners; touchless stationary vacuums; dust removing installations for cleaning purposes; high pressure washers; filtering machines; machines for manufacturing batteries; air filters for automobile engines; radiators [cooling] for automobile engines; cooling water tanks for automobile engines; ignition coils for automotive engines; mufflers for automobile engines; compressors being parts of machines, motors and engines; crankshafts for automobile engines; oil pumps for automobiles; jacks [machines]; steam condensers [parts of machines].

Class 9:

Simulators for the steering and control of vehicles; barometers; batteries, electric; batteries, electric, for vehicles; speed checking apparatus for vehicles; meters; flowmeters; petrol gauges; pressure indicators; automatic indicators of low pressure in vehicle tires; inductors [electricity]; cables, electric; wires, electric; electric wire harnesses for automobiles; video screens; parking sensors for vehicles; piezoelectric sensors; control panels [electricity]; switches, electric; electrical adapters; electric sockets; electronic key fobs being remote control apparatus; inverters [electricity]; remote control apparatus; chips [integrated circuits]; reducers [electricity]; fuse wire; fire extinguishers; life jackets; reflective safety vests; anti-glare glasses; alarms; theft prevention installations, electric; locks, electric; eyeglasses; charging stations for electric vehicles; portable power chargers; chargers for cell phones; smartglasses; vehicle batteries; ignition batteries; smartwatches; computer programs, downloadable; computer software applications, downloadable; electronic control unit for automobiles; chargers for electric accumulators; battery boxes; battery charging devices for motor vehicles; electric car charging piles; data cables; portable remote-controlled vehicle arrester devices; fuel cells; face recognition equipment; rechargeable power batteries for electric vehicles; pressure sensors; interactive touchscreen terminals; kilometer recorders for vehicles; computer programs, recorded; couplers [data processing equipment]; computer software platforms, recorded or downloadable; data processing apparatus; computer software, recorded; integrated circuit cards [smart cards]; protective films adapted for computer screens; biometric scanners; parking meters; calipers; vehicle breakdown warning triangles; reflective articles for wear, for the prevention of accidents; radar apparatus; navigation apparatus for vehicles [on-board computers]; steering apparatus, automatic, for vehicles; in-car telephone handset cradles; global positioning system [gps] apparatus; aerials; cases for smartphones; vehicle radios; microphones; head-up display apparatus for vehicles; loudspeakers; diaphragms [acoustics]; cabinets for loudspeakers; dashboard cameras; rearview cameras for vehicles; television apparatus; smart speakers; headphones; selfie lenses; detectors.

Class 11:

Lamps; air purifying apparatus and machines; heating apparatus for defrosting vehicle windows; dehumidifiers; portable headlamps; cooking utensils, electric; roasting apparatus; alcohol burners; light bulbs for directional signals for vehicles; lights for vehicles; automobile lights; headlights for automobiles; anti-dazzle devices for vehicles [lamp fittings]; running lights for vehicles; refrigerators; smart

List of cases accepted for opposition purposes as shown in Journal 2026/025 published on 19 June 2026.

refrigerators; filters for air conditioning; air conditioners for vehicles; humidifiers; ventilation [air-conditioning] installations for vehicles; heaters for vehicles; disinfectant apparatus; defrosters for vehicles; air deodorizing apparatus; air filtering installations.

Class 12:

Luggage nets for vehicles; anti-dazzle devices for vehicles; anti-glare devices for vehicles; spoilers for vehicles; cup holders for vehicles; sun-blinds adapted for automobiles; hoods for vehicle engines; anti-skid chains; hoods [folding roofs] for vehicles; clutches for land vehicles; spare tire covers; ashtrays for automobiles; bearings [parts of vehicles]; mudguards; self-balancing boards; automobile tires; repair outfits for inner tubes; brakes for vehicles; brake discs for vehicles; fitted dashboard covers for vehicles; safety belts for vehicle seats; horns for vehicles; doors for vehicles; windows for vehicles; windshields; vehicle seats; hybrid cars; plug-in electric cars; driverless cars [autonomous cars]; sports cars; motor racing cars; safety seats for children, for vehicles; windscreens; upholstery for vehicles; vehicle covers [shaped]; seat covers for vehicles; luggage carriers for vehicles; treads for vehicles [tractor type]; vehicle joysticks; caps for vehicle fuel tanks; vehicle bumpers; vehicle suspension springs; shock absorbing springs for vehicles; windscreen wipers; steering wheels for vehicles; covers for vehicle steering wheels; head-rests for vehicle seats; non-skid devices for vehicle tires; hubs for vehicle wheels; vehicles for locomotion by land, air, water or rail; electric cars; drive chains for land vehicles; automobile chassis; brake pads for automobiles; air bags [safety devices for automobiles]; automobile bodies; shock absorbers for automobiles; signal arms for vehicles; axles for vehicles; motors, electric, for land vehicles; bumpers for automobiles; rearview mirrors; cars; hydrogen-fueled cars; autonomous cars; hub caps; vehicle running boards; elevating tailgates [parts of land vehicles]; tailboard lifts [parts of land vehicles]; clips adapted for fastening automobile parts to automobile bodies; motors for land vehicles; engines for land vehicles; gear boxes for land vehicles; cigar lighters for automobiles; power tailgates [parts of land vehicles]; propulsion mechanisms for land vehicles; transmission mechanisms for land vehicles; engine mounts for land vehicles; connecting rods for land vehicles, other than parts of motors and engines.

Class 37:

Providing self-service car wash facility; electric vehicle charging services; battery charging services for motor vehicles; fueling of hydrogen gas for vehicles; replacement of batteries for vehicles; providing information relating to repairs; upholstery repair; heating equipment installation and repair; rebuilding engines that have been worn or partially destroyed; electric appliance installation and repair; vehicle service stations [refuelling and maintenance]; motor vehicle maintenance and repair; tuning of bodies for automobiles; anti-rust treatment for vehicles; vehicle breakdown repair services; vehicle greasing; vehicle washing; vehicle cleaning; vehicle polishing; charging of electric vehicles; vehicle battery charging; reservation of charging stations for electric vehicles; custom installation of exterior, interior and mechanical parts of vehicles [tuning]; retreading of tires; vulcanization of tires [repair]; tire balancing; rental of battery chargers for electric mobility scooters; rental of portable battery chargers for electric cars; repair of power lines.

Class 39:

Rental of navigational systems; transport; freight forwarding; providing traffic information; passenger transport; boat transport; vehicle breakdown towing services; car transport; air transport; car sharing services; chauffeur services; car rental; car park services; delivery of goods; courier services [messages or merchandise]; escorting of travellers; rental of electric cars; providing driving directions for travel purposes; GPS navigation services; rental of hydrogen cars.

(30 2025 245 575)
The mark contains the colour blue.

Class 5:
Medicine; pharmaceutical drugs; pharmaceuticals and natural remedies.

Class 10:
Apparatus for administering inhalants for medical purposes; inhalers for medical use; inhalers for medical purposes [sold empty]; power operated sprayers for medical purposes; nebulisers for medical purposes; medical and veterinary apparatus and instruments.

Class 34:
Personal vaporisers and electronic cigarettes, and flavourings and solutions therefor.

Class 42:
Medical and pharmacological research services.

Alvify GmbH

The logo for BD|SENSORS, featuring the text "BD|SENSORS" in a bold, black, sans-serif font, with "pressure measurement" in a smaller, black, sans-serif font below it.

International priority date claimed: 04 December 2025 (DE) (30 2025 125 680)

Class 9:
Manometers; test benches for pressure gauge settings; valve-mounted pressure gauge; electronic pressure regulators; level indicators; level sensors; level switches; level measuring rods;

***List of cases accepted for opposition purposes as shown in Journal 2026/025 published on
19 June 2026 .
1102***

level measuring devices; level detectors; level transmitter; level indicators [spirit levels]; liquid level meters; instruments for measuring levels of fluids; level measuring machines [for surveying]; fluid level measuring apparatus for use in motor vehicles; pressure transmitter; pressure transducers; pressure measuring apparatus; electric pressure switches; pressure switches; probes for scientific purposes; immersion probes; data loggers; data loggers and data recorders; digital display devices; electronic display instruments; graphic display devices; temperature display devices; calibration apparatus; calibration devices; calibration instruments; test devices with scale [calibration testers]; test and calibration equipment for computer components; sensors; ultrasonic sensors; electronic sensors; sensor software; microwave sensor devices; digital sensor devices; on-off sensors; control devices for sensors; sensors for plant control; sensors for controlling motors; sensors for monitoring physical movements; computer-controlled devices for testing and measuring the concentration of gases or liquids [not for medical purposes]; technical measuring, testing and control devices and control instruments for measuring, testing and controlling the pressure of gases or liquids; pressure transducer and pressure transmitter that convert hydraulic or pneumatic pressure into analog electrical signals for monitoring and controlling hydraulic or pneumatic systems; level transducers; devices for remote transmission; level display device; limit switches; level switches for monitoring and controlling liquids in tanks and containers; devices for recording and reproducing sound, images or data; devices for recording, transmitting, processing and reproducing sound, images or data; devices and instruments for recording, transmitting, reproducing or processing sound, images or data; microsenors for measuring pressure, acceleration, force and flow, namely piezoresistive silicon pressure sensors; environmental monitoring system containing measuring devices and sensors for measuring pressure, humidity, and temperature, including alarm and signaling functions; optical sensors; gas sensors for measuring gas concentration; electrical or electronic sensors for measuring pressure; sensors for measuring the concentration of chemicals in water; sensors for determining temperatures, positions, and distances; electrical sensors; sensors for measuring pressure; piezoelectric sensors; sensors for determining pressure; sensors for determining temperature; pressure sensors for vehicle exhaust systems; software for parameterization and operation of pressure transducers, pressure switches, level display devices, manometers, pressure gauges; computer programs, recorded, for control and data processing in the field of pressure measurement; transducers; transducer energisers; electroacoustic transducers; electro-optical transducers; piezoelectric transducers; electrical transducers; analog-to-digital converters; digital-to-analog converters; pressure-to-current converters; electroacoustic transducers; measuring transducers, in particular pressure transmitters, differential pressure transducers, level transducers; controllers and regulators, in particular pressure switches, limit switches, level switches, electrotechnical and fluidic devices and apparatus (insofar as included in this class), in particular power supply devices, amplifiers, circuits, circuit elements and recording devices; automatic pressure loss indicators for vehicle tires and valve heads with pressure gauges, insofar as included in this class; software for parameterization and operation of pressure transmitters, pressure switches, and level measuring devices; control and data management programs recorded on data carriers; measuring instruments and apparatus, in particular those for pressure, absolute pressure, differential pressure,

temperature, and level; electronic measuring sensors; measuring transducers.

Class 35:

Retail or wholesale services, including via the internet or an online shop, in connection with manometers, test benches for manometer settings, valve heads with pressure gauges, pressure regulators, level indicators, level sensors, level switches, level measuring rods, level measuring devices, level detectors, level transmitters, level indicators [spirit levels], liquid level meters, instruments for measuring levels of fluids, level measuring devices for inspection purposes, liquid level meters for use in motor vehicles, pressure transmitters, pressure transducers, pressure gauges, electrical pressure switches, pressure switches, probes for scientific purposes, immersion probes, data loggers, data loggers and data recorders, digital display devices, electrical display devices, graphic display devices, temperature display devices, calibration apparatus, calibration devices, calibration instruments, test devices with measurement scales [calibration testers], test and calibration equipment for computer components, sensors, ultrasonic sensors, electronic sensors, electrical sensors, sensory software, microwave sensor devices, digital sensor devices, on-off sensors, control devices for sensors, sensors for plant control, sensors for controlling motors, sensors for monitoring physical movements, computer-controlled devices for testing and measuring the concentration of gases or liquids [not for medical purposes]; retail or wholesale services, including via the internet or an online shop, in connection with technical measuring, testing, and control devices and instruments for measuring, testing, and controlling the pressure of gases or liquids; retail or wholesale services, including via the internet or an online shop, in connection with pressure transducers and transmitters that convert hydraulic or pneumatic pressure into analog electrical signals for monitoring and controlling hydraulic or pneumatic systems; retail or wholesale services, including via the internet or an online shop, in connection with level transducers, remote transmission devices, level display devices, limit switches, and level switches for monitoring and controlling liquids in tanks and containers; retail or wholesale services, including via the internet or an online shop, in connection with devices and instruments for recording, transmitting, reproducing or processing sound, images, or data; retail or wholesale services, including via the internet or an online shop, in connection with microsenors for measuring pressure, acceleration, force and flow, namely piezoresistive silicon pressure sensors; retail or wholesale services, including via the internet or an online shop, in connection with environmental monitoring systems containing measuring devices and sensors for measuring pressure, humidity, and temperature, including alarm and notification functions; retail or wholesale services, including via the internet or an online shop, in connection with optical sensors, gas sensors for measuring gas concentration, electrical or electronic sensors for measuring pressure, sensors for measuring the concentration of chemicals in water, sensors for determining temperatures, positions and distances, sensors for measuring pressure, piezoelectric sensors, sensors for determining pressure, sensors for determining temperature, pressure sensors for vehicle exhaust systems, software for parameterization and operation of pressure transducers, pressure switches, level display devices, manometers, pressure gauges; retail or wholesale services, including via the internet or an online shop, in connection with computer programs, recorded, for control and data processing in the field of pressure

List of cases accepted for opposition purposes as shown in Journal 2026/025 published on 19 June 2026 .

measurement; retail or wholesale services, including via the internet or an online shop, in connection with transducers, transducer power supplies, electroacoustic transducers, electro-optical transducers, piezoelectric transducers, electrical transducers, analog-to-digital converters, digital-to-analog converters, pressure-to-current converters, electroacoustic transducers, measuring transducers, in particular pressure transmitters, differential pressure transducers, level transducers; retail or wholesale services, including via the internet or an online shop, in connection with control and regulation devices, in particular pressure switches, limit switches, level switches, electrotechnical and fluidic devices and apparatus, in particular power supply devices, amplifiers, circuits, circuit elements and recording devices; retail or wholesale services, including via the internet or an online shop, in connection with automatic pressure loss indicators for vehicle tires and valve heads with pressure gauges; retail or wholesale services, including via the internet or an online shop, in connection with software for parameterizing and operating pressure transducers, pressure switches, and level measuring devices; retail or wholesale services, including via the internet or an online shop, in connection with control and data management programs recorded on data carriers; retail or wholesale services, including via the internet or an online shop, in connection with measuring devices and apparatus, in particular those for pressure, absolute pressure, differential pressure, temperature, and level; retail or wholesale services, including via the internet or an online shop, in connection with sensing elements and measuring elements.

Class 37:

Installation, cleaning, repair, and maintenance work related to pressure gauges or pressure measuring instruments and their accessories.

Class 42:

Calibration [measurement]; calibration of construction testing equipment; calibration of medical devices; calibration of computer software; calibration of instruments; calibration of machines; calibration services relating to analytical apparatus; calibration of electronic devices; electronic monitoring and reporting of pressure using computers or sensors [electronic data acquisition] as parts of scientific research services; services provided by engineers, accredited calibration laboratories and EMC laboratories for standard-compliant testing; preparation of technical documents and software development.

Manometers; test benches for pressure gauge settings; valve-mounted pressure gauge; electronic pressure regulators; level indicators; level sensors; level switches; level measuring rods; level measuring devices; level detectors; level transmitter; level indicators [spirit levels]; liquid level meters; instruments for measuring levels of fluids; level measuring machines [for surveying]; fluid level measuring apparatus for use in motor vehicles; pressure transmitter; pressure transducers; pressure measuring apparatus; electric pressure switches; pressure switches; probes for scientific purposes; immersion probes; data loggers; data loggers and data recorders; digital display devices; electronic display instruments; graphic display devices; temperature display devices; calibration apparatus; calibration devices; calibration instruments; test devices with scale [calibration testers]; test and calibration equipment for computer components; sensors; ultrasonic sensors; electronic sensors; sensor software; microwave sensor devices; digital sensor devices; on-off sensors; control devices for sensors; sensors for plant control; sensors for controlling motors; sensors for monitoring physical movements; computer-controlled devices for testing and measuring the concentration of gases or liquids [not for medical purposes]; technical measuring, testing and control devices and control instruments for measuring, testing and controlling the pressure of gases or liquids; pressure transducer and pressure transmitter that convert hydraulic or pneumatic pressure into analog electrical

List of cases accepted for opposition purposes as shown in Journal 2026/025 published on 19 June 2026 .

signals for monitoring and controlling hydraulic or pneumatic systems; level transducers; devices for remote transmission; level display device; limit switches; level switches for monitoring and controlling liquids in tanks and containers; devices for recording and reproducing sound, images or data; devices for recording, transmitting, processing and reproducing sound, images or data; devices and instruments for recording, transmitting, reproducing or processing sound, images or data; microsensors for measuring pressure, acceleration, force and flow, namely piezoresistive silicon pressure sensors; environmental monitoring system containing measuring devices and sensors for measuring pressure, humidity, and temperature, including alarm and signaling functions; optical sensors; gas sensors for measuring gas concentration; electrical or electronic sensors for measuring pressure; sensors for measuring the concentration of chemicals in water; sensors for determining temperatures, positions, and distances; electrical sensors; sensors for measuring pressure; piezoelectric sensors; sensors for determining pressure; sensors for determining temperature; pressure sensors for vehicle exhaust systems; software for parameterization and operation of pressure transducers, pressure switches, level display devices, manometers, pressure gauges; computer programs, recorded, for control and data processing in the field of pressure measurement; transducers; transducer energisers; electroacoustic transducers; electro-optical transducers; piezoelectric transducers; electrical transducers; analog-to-digital converters; digital-to-analog converters; pressure-to-current converters; electroacoustic transducers; measuring transducers, in particular pressure transmitters, differential pressure transducers, level transducers; controllers and regulators, in particular pressure switches, limit switches, level switches, electrotechnical and fluidic devices and apparatus (insofar as included in this class), in particular power supply devices, amplifiers, circuits, circuit elements and recording devices; automatic pressure loss indicators for vehicle tires and valve heads with pressure gauges, insofar as included in this class; software for parameterization and operation of pressure transmitters, pressure switches, and level measuring devices; control and data management programs recorded on data carriers; measuring instruments and apparatus, in particular those for pressure, absolute pressure, differential pressure, temperature, and level; electronic measuring sensors; measuring transducers.

Class 35:

Retail or wholesale services, including via the internet or an online shop, in connection with manometers, test benches for manometer settings, valve heads with pressure gauges, pressure regulators, level indicators, level sensors, level switches, level measuring rods, level measuring devices, level detectors, level transmitters, level indicators [spirit levels], liquid level meters, instruments for measuring levels of fluids, level measuring devices for inspection purposes, liquid level meters for use in motor vehicles, pressure transmitters, pressure transducers, pressure gauges, electrical pressure switches, pressure switches, probes for scientific purposes, immersion probes, data loggers, data loggers and data recorders, digital display devices, electrical display devices, graphic display devices, temperature display devices, calibration apparatus, calibration devices, calibration instruments, test devices with measurement scales [calibration testers], test and calibration equipment for computer components, sensors, ultrasonic sensors, electronic sensors, electrical sensors, sensory software, microwave sensor devices, digital sensor devices, on-off sensors, control

devices for sensors, sensors for plant control, sensors for controlling motors, sensors for monitoring physical movements, computer-controlled devices for testing and measuring the concentration of gases or liquids [not for medical purposes]; retail or wholesale services, including via the internet or an online shop, in connection with technical measuring, testing, and control devices and instruments for measuring, testing, and controlling the pressure of gases or liquids; retail or wholesale services, including via the internet or an online shop, in connection with pressure transducers and transmitters that convert hydraulic or pneumatic pressure into analog electrical signals for monitoring and controlling hydraulic or pneumatic systems; retail or wholesale services, including via the internet or an online shop, in connection with level transducers, remote transmission devices, level display devices, limit switches, and level switches for monitoring and controlling liquids in tanks and containers; retail or wholesale services, including via the internet or an online shop, in connection with devices and instruments for recording, transmitting, reproducing or processing sound, images, or data; retail or wholesale services, including via the internet or an online shop, in connection with microsensors for measuring pressure, acceleration, force and flow, namely piezoresistive silicon pressure sensors; retail or wholesale services, including via the internet or an online shop, in connection with environmental monitoring systems containing measuring devices and sensors for measuring pressure, humidity, and temperature, including alarm and notification functions; retail or wholesale services, including via the internet or an online shop, in connection with optical sensors, gas sensors for measuring gas concentration, electrical or electronic sensors for measuring pressure, sensors for measuring the concentration of chemicals in water, sensors for determining temperatures, positions and distances, sensors for measuring pressure, piezoelectric sensors, sensors for determining pressure, sensors for determining temperature, pressure sensors for vehicle exhaust systems, software for parameterization and operation of pressure transducers, pressure switches, level display devices, manometers, pressure gauges; retail or wholesale services, including via the internet or an online shop, in connection with computer programs, recorded, for control and data processing in the field of pressure measurement; retail or wholesale services, including via the internet or an online shop, in connection with transducers, transducer power supplies, electroacoustic transducers, electro-optical transducers, piezoelectric transducers, electrical transducers, analog-to-digital converters, digital-to-analog converters, pressure-to-current converters, electroacoustic transducers, measuring transducers, in particular pressure transmitters, differential pressure transducers, level transducers; retail or wholesale services, including via the internet or an online shop, in connection with control and regulation devices, in particular pressure switches, limit switches, level switches, electrotechnical and fluidic devices and apparatus, in particular power supply devices, amplifiers, circuits, circuit elements and recording devices; retail or wholesale services, including via the internet or an online shop, in connection with automatic pressure loss indicators for vehicle tires and valve heads with pressure gauges; retail or wholesale services, including via the internet or an online shop, in connection with software for parameterizing and operating pressure transducers, pressure switches, and level measuring devices; retail or wholesale services, including via the internet or an online shop, in connection with control and data management programs recorded on data carriers; retail or wholesale services, including

List of cases accepted for opposition purposes as shown in Journal 2026/025 published on 19 June 2026 .

via the internet or an online shop, in connection with measuring devices and apparatus, in particular those for pressure, absolute pressure, differential pressure, temperature, and level; retail or wholesale services, including via the internet or an online shop, in connection with sensing elements and measuring elements.

Class 37:

Installation, cleaning, repair, and maintenance work related to pressure gauges or pressure measuring instruments and their accessories.

Class 42:

Calibration [measurement]; calibration of construction testing equipment; calibration of medical devices; calibration of computer software; calibration of instruments; calibration of machines; calibration services relating to analytical apparatus; calibration of electronic devices; electronic monitoring and reporting of pressure using computers or sensors [electronic data acquisition] as parts of scientific research services; services provided by engineers, accredited calibration laboratories and EMC laboratories for standard-compliant testing; preparation of technical documents and software development.

Class 7:

Vacuum cleaners; laundry washing machines; clothes washing machines; laundry washing machines incorporating a drying

tumbler; dish washing machines; washing machines for household purposes.

Class 9:

Downloadable mobile applications using artificial intelligence (AI) for home automation; home automation hubs comprised of voice-activated speakers, computer hardware, and recorded software for controlling networked devices; downloadable software for streaming audiovisual and multimedia content via the internet and global communications networks; downloadable software for streaming audiovisual and multimedia content to mobile digital electronic devices; downloadable software for purchasing, accessing, and viewing movies, TV shows, videos, and multimedia content; downloadable software in the nature of a mobile application for accessing and streaming audiovisual and multimedia content via the internet and global communications networks; downloadable films and television programs featuring action adventure, animation, anime, biography, classics, comedy, crime, documentary, drama, faith, family, fantasy, film-noir, fiction, history, horror, international, musical, mystery, nonfiction, romance, science fiction, sports, thrillers, war, and westerns provided via a video-on-demand service; digital media streaming devices; downloadable mobile operating system software; audio and video receivers; television apparatus; portable media players; video screens; household remote controls; displays for television receivers; display screen filters adapted for use with televisions; video projector; video accelerators; video adapters; video digitizers; video mixers; video monitors; multimedia projector; sound recording and reproduction equipment; sound projectors; sound processors; sound mixers; apparatus for sound transmission; sound generation apparatus.

Class 11:

Refrigerators; freezers; microwave ovens; induction ovens; cooking ovens; convection ovens; oven ventilator hoods; cooking ranges; range hoods; cooking stoves; ventilation hoods for stoves; HVAC units; electric fans; ceiling fans; water heaters; air conditioning units; laundry drying machines; clothes drying machines; dish drying machines; air humidifier; drying apparatus; fans [air-conditioning]; electric heating apparatus; gas or electric water heaters for household use; refrigerating display cabinets; bath installations; water purifying apparatus and machines; sterilizing apparatus, namely kitchenware sterilizer; drinking fountain.

Class 35:

Digital and video advertising services provided via electronic media, specifically the internet, wireless networks, and mobile and portable devices; advertising services, namely, creating, composing, updating, compiling, disseminating, supporting, tracking, reporting on and analyzing advertisements for distribution on internet web pages and wireless networks; semantic advertising services, namely, advertising analysis of the meaning of website content in order to optimize and provide targeted advertising to consumers while protecting advertiser brands in real-time; providing advertising, marketing, and promotional services, namely, the management and development of advertising campaigns through electronic media, specifically the internet, wireless networks, and mobile and portable devices; provision and rental of an online space for advertising; online advertising services for others; digital advertising services for others; advertising via electronic media

***List of cases accepted for opposition purposes as shown in Journal 2026/025 published on
19 June 2026 .***

and specifically the internet; advertising services, namely, promoting the brands, goods and services of others; advertising and marketing services, namely, promoting the goods and services of others; pay per click advertising management services; production of advertising materials; development of advertising concepts; business management consulting with relation to strategy, marketing, sales, operation, product design particularly specializing in the use of analytic and statistic models for the understanding and predicting of consumers, businesses, and market trends and actions; consultancy regarding advertising communication strategies; marketing consulting services; providing television home shopping services in the field of general consumer merchandise; providing business information; advertising research; marketing research; analysis of business data; consumer profiling for commercial or marketing purposes; providing and rental of advertising space on the internet.

Class 38:

Streaming of audio, visual and audiovisual material via a global computer network; streaming of video and audio material on the internet; electronic transmission and streaming of digital media content for others via global and local computer networks; transmission and delivery of cable television and audiovisual and multimedia content via the internet; video on demand transmission services; broadcasting services and provision of telecommunication access to video and audio content provided via a video-on-demand service via the internet; broadcasting services and provision of telecommunication access to films and television programs provided via a video-on-demand service; broadcasting services, namely, transmission of advertising programs and media advertising communications via digital communications networks.

Class 41:

Provision of non-downloadable films and movies via a video-on-demand service; providing television programs, not downloadable, via video-on-demand transmission services; entertainment services, namely, the provision of continuing programs, films, and television shows featuring action adventure, animation, anime, biography, classics, comedy, crime, documentary, drama, faith, family, fantasy, film-noir, fiction, history, horror, international, musical, mystery, nonfiction, romance, science fiction, sports, thrillers, war, and westerns delivered by television, satellite, and the internet and global communications networks; entertainment and educational services, namely, providing non-downloadable movies and television shows via a video-on-demand service, as well as information, reviews, and recommendations regarding movies and television shows; providing non-downloadable television shows, movies, and multimedia entertainment content, as well as information, reviews, and recommendations regarding television shows, movies, and multimedia entertainment content, via a website.

Class 42:

Design and development of computer hardware and software; technical support services, namely, troubleshooting in the nature of diagnosing computer hardware and software problems; application service provider (asp), namely, hosting computer software applications for others; providing temporary use of non-downloadable computer software to enable users to view or listen to audio, video, text and multimedia content;

providing temporary use of non-downloadable computer software for creating and providing user access to searchable databases of information and data; providing temporary use of non-downloadable computer software for wireless content delivery; providing temporary use of non-downloadable computer software for purchasing, accessing and viewing movies, TV shows, videos, music, and multimedia content; providing temporary use of non-downloadable software for enabling access to communications networks including the internet; electronic data storage; providing information in the fields of software design and development and installation and maintenance of software; scientific and technological services, namely, research and design of computer hardware and software; scientific and technological consulting services in the field of computer software and computer hardware; providing temporary use of online, non-downloadable software for use in personalized, interactive television programming and accompanying manuals distributed therewith; providing temporary use of online, non-downloadable software for use in generating, displaying and manipulating visual media, graphic images, photographs, illustrations, digital animation, video clips, film footage and audio data; providing temporary use of online, non-downloadable software for use in accessing, viewing and controlling streaming and static audiovisual content over digital media streaming devices; computer program engineering, maintenance and design services.

The mark should have advertised in the following form:

Flair Active

The specification for this application has been amended to read as follows:

Class 35:

Online retail services in connection with the sale of clothing, footwear and headwear.

UK00004373589 (2026/023, 05 June 2026)

The specification for this application has been amended to read as follows:

Class 9:

Wearable digital electronic communications devices; wearable technological devices being smartwatches; wearable technological devices being smart glasses; safety and security apparatus and instruments, namely electric security alarms, electric security bells, electric safety locks, electric security locks; computer software, namely, audio software; computer software for use in connecting and controlling internet of things (IoT) electronic devices; computer software for monitoring, managing, programming, operating, controlling, connecting, integrating, scheduling, automating, analyzing and troubleshooting IOT devices, smart lighting, home automation controls, personal assistant devices, voice controlled devices, smart appliances, audio speakers, audio equipment, audio peripherals, audio accessories, sound equipment, electronics, audio systems, digital media systems and their components; computer software for monitoring, managing, programming, operating, controlling, connecting, integrating, scheduling, automating, analyzing and troubleshooting other computer software; computer software to initiate and perform digital functions; computer software for monitoring, managing, programming, operating, controlling, connecting, integrating, scheduling, automating, analyzing and troubleshooting networked devices in residential, commercial, and automotive environments that allow the sharing and transmission of data and information between such devices; computer software for use in the field of entertainment and provision of music, audio, video, digital content and multimedia content; computer software for use in connection with online entertainment subscription services, music subscription services, audio subscription services, video subscription services, digital content subscription services, and multimedia content subscription services; computer software for subscribing to,

purchasing, licensing, recommending, accessing, delivering, sharing, playing, streaming, broadcasting, transmitting, receiving, monitoring, managing, controlling, scheduling, and automating online entertainment services, music services, audio services, video services, digital content services, and multimedia content services; computer software for subscribing to, purchasing, licensing, recommending, accessing, delivering, sharing, playing, streaming, broadcasting, transmitting, receiving, monitoring, managing, controlling, scheduling, automating, downloading, processing, storing, organizing and reproducing music, audio, video, digital content, multimedia content, playlists, favorite digital content, audio scenes and soundscapes; wireless communication software for voice, audio and data transmission, receipt, upload, download and processing; computer software for analyzing user preferences and recommending music, audio, video, digital content and multimedia content, playlists, favorite digital content, audio scenes and soundscapes; computer software enabling users to create and share music playlists, favorite digital content, audio scenes and soundscapes, and selected digital content; computer software enabling users to personalize preferences and view, find, rank, bookmark and access music, audio, video, digital content and multimedia content, playlists, favorite digital content, audio scenes and soundscapes; computer software for responding to user prompts, inquiries, or wake words; voice recognition software; voice command software; voice-enabled software applications; speech to text conversion software; personal assistant software; digital assistant software; virtual assistant software; intelligent personal assistant, digital assistant and virtual assistant software for voice recognition, voice command, natural language processing, and generative artificial intelligence; computer software for conversational query systems and digital assistants and virtual assistants; computer software for enabling voice-based interaction with audio systems, media systems and their components; computer software using artificial intelligence (AI) for voice command and recognition, user intent fulfillment, managing and operating internet of things (IoT) devices, facilitating e-commerce transactions, and database management; voice-controlled information devices comprised of cloud-connected and voice controlled smart audio speakers with digital and virtual assistant capabilities; software for use in enabling voice-based interaction with audio systems, media systems and their components; computer software for managing and controlling voice-controlled information devices, including smart audio speakers with digital and virtual assistant capabilities; chatbots, digital assistants, virtual assistants, natural language processors, and expert systems, namely, software for voice recognition, natural language processing, and generative artificial intelligence; artificial intelligence (AI) chatbot computer software that communicates with humans; chatbot software for simulating conversations using information from searchable indexes and databases of information, including text, music, audio, images and videos, digital content and multimedia content; computer software for enabling chatbots, digital assistants, and virtual assistants to access and provide data and entertainment services, and for simulating conversations; computer software using artificial intelligence for simulating natural conversation; artificial intelligence software; machine learning software; computer software for the artificial production and processing of human speech, text, music, audio, images, video, sound, digital content and multimedia content; computer software for natural language processing, generation, understanding and analysis;

computer software for machine-learning based language and speech processing software; computer software that accesses, uses, and interacts with an artificial intelligence model to perform generative text and speech AI tasks and natural language processing AI tasks; computer software for building, managing, updating, developing, training, evaluating, and monitoring generative user experiences powered by machine learning, deep learning, and artificial intelligence; computer software using artificial intelligence (AI) for the production and processing of speech, text, images, video, sound, and code; computer software for use in the creation, deployment, and utilization of artificial intelligence software applications; computer software for providing internet search engines; computer search engine software; computer software for accessing, browsing and searching online databases; computer software for searching and retrieving information at the user's specific request via the internet, computer networks and wireless networks; computer software to allow users to request and receive text, music, audio, images, videos, digital content, multimedia content and data; home automation and home device integration software; computer software for use with large language models; computer software for use in database management and accessing databases; computer software for monitoring, managing, programming, operating, controlling and troubleshooting user access, user permissions, rules and controls for audio speakers, audio equipment, audio peripherals, audio accessories, sound equipment, audio systems, audio system networks, audio system components and accessories, digital media systems, digital media system networks, digital media system components and accessories, and consumer electronic devices; speakers; audio speakers; loudspeakers; wireless indoor and outdoor speakers; portable speakers; smart speakers; speakers for automobiles; mid-range speakers; subwoofers; surround sound speakers; home theater speakers; sound bars; audio amplifiers; audio receivers; digital media receivers; audio repeaters; speaker enclosures; headphones; earphones; earbuds; headsets; stereos; digital audio players; digital media players; digital entertainment systems; digital media systems; home entertainment systems; home theater systems; audio systems; digital music systems; surround sound systems; computer hardware, namely, audio hardware; audio equipment; audio components; computer peripherals; wireless computer peripherals; peripherals for audio equipment; remote controls; wireless hand-held devices for remote control of consumer electronics; wireless hand-held devices, namely computers, computer game controllers, mobile phones; wireless handheld devices, namely, voice-controlled information devices comprised of cloud-connected and voice controlled computers and smart audio speakers; network controllers; wireless controllers; wireless controllers to monitor and control the functioning of other electronic devices; computer hardware, apparatus and software for use in connecting, controlling and operating remote controls, wireless hand-held devices, network controllers, wireless controllers; digital audio and digital media streaming devices; wireless audio devices; wireless devices for organizing, manipulating, transmitting, and reviewing digital media, data, music and audio files; wireless devices for transmitting, delivering, receiving, reproducing, processing and streaming digital media, data, music and audio files; microphones; voice-activated, voice-controlled, and touch-activated speakers; voice-activated, voice-controlled, and touch-activated headphones, earphones, earbuds, and headsets.

UK00004382642 (2026/021, 22 May 2026)

The mark should have advertised in the following form:

Restrictions

UK00004348021 (2026/011, 13 March 2026)

Specifications have been restricted as follows:

Class 29:

Fish; seafood; molluscs, not live; crustaceans, not live; preserved, frozen, dried and cooked fruits and vegetables; potato chips and fries; potato crisps; jellies, jams, compotes; milk products; dairy products; beans; processed peas; pickled onions; onion rings; gherkins; pickles.

UK00004334653 (2026/017, 24 April 2026)

Specifications have been restricted as follows:

Class 35:

Retail services in relation to alcoholic beverages (except beer); Retail services in relation to beer.

Class 43:

Pubs; Serving food and drink in restaurants and bars; Food and drink catering for cocktail parties; Takeaway food and drink services; Beer garden services; Provision of food and drink in restaurants; Food and drink catering; Catering of food and drink; Take-out restaurant services; Serving food and drink for guests in restaurants; Restaurant services incorporating licensed bar facilities; Food and drink catering for banquets; Providing food and drink for guests in restaurants; Corporate hospitality (provision of food and drink); Serving food and drinks; Providing food and drink; Providing of food and drink.

UK00004349155 (2026/012, 20 March 2026)

Specifications have been restricted as follows:

Class 9:

Video game mobile apps; video game computer software; video game computer application software; none of the aforesaid for use in customer relationship management (CRM); intelligent gateways for communication; computer games; video game programmes; video game software; video game discs; video game cartridges; recorded content; media content; recorded media; CD ROMs; DVDs; audio and audio-visual recordings; pre-recorded videos; electronic publications; downloadable podcasts; downloadable publications; audio and audio-visual headsets for playing video games; games software for use with video game consoles; computer joysticks; gaming software; computer games; headphones; earphones; earbuds; computer peripherals; goggles; smart glasses; protective glasses; cameras; safety, security, protection and signalling devices; cables; USB modems, adaptors, hardware and flash drives; speakers; information technology and audio visual, multimedia

and photographic devices; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; power controllers and capacitors; power regulatory equipment; electric plugs; electrical and electronic components; alarms and warning equipment; monitors; electronic communication equipment and instruments; chargers; batteries; telecommunication equipment; data storage devices and media; communications equipment; SIM cards; graphics cards; encoded cards; external hard drives; mobile and wireless communications devices; memory devices; digital tablets; tablet computers; covers and cases for computers, computer tablets, and laptops; headsets; earphones and earbuds and cases for the aforesaid goods; telecommunications cables; power connectors; global positioning systems (GPS) devices; parts and fittings for the aforesaid goods.

Class 35:

Advertising, marketing and sales promotions; online ordering services; retail services and wholesale services connected with the sale of intelligent gateways for communication, computer games, video game programmes, video game software, video game discs, video game cartridges, recorded content, media content, recorded media, CD ROMs, DVDs, audio and audio-visual recordings, pre-recorded videos, electronic publications, downloadable podcasts, downloadable publications, audio and audio-visual headsets for playing video games, games software for use with video game consoles, computer joysticks, gaming software, computer games, headphones, earphones, earbuds, computer peripherals, goggles, smart glasses, protective glasses, eye glasses, cases for glasses, cameras, safety, security, protection and signalling devices, cables, USB modems, adaptors, hardware and flash drives, speakers, information technology and audio visual, multimedia and photographic devices, apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, power controllers and capacitors, power regulatory equipment, electric plugs, electrical and electronic components, alarms and warning equipment, monitors, electronic communication equipment and instruments, chargers, batteries, telecommunication equipment, data storage devices and media, communications equipment, SIM cards, graphics cards, encoded cards, external hard drives, mobile and wireless communications devices, memory devices, digital tablets, tablet computers, covers and cases for computers, computer tablets, and laptops, headsets, earphones and earbuds and cases for the aforesaid goods, telecommunications cables, power connectors, global positioning systems (GPS) devices, parts and fittings for the aforesaid goods; consultancy, information and advisory services relating to all the aforesaid services; retail services connected with the sale of video game mobile apps, video game computer software, video game computer application software, none of the aforesaid for use in customer relationship management (CRM); consultancy, information and advisory services relating to all the aforesaid services.

UK00004353735 (2026/020, 15 May 2026)

Specifications have been restricted as follows:

Class 9:

Downloadable electronic game programs not having a dating or romantic matchmaking theme; Headsets for virtual reality games; Computer game software not having a dating or romantic matchmaking theme, recorded; Computer game

software not having a dating or romantic matchmaking theme; Virtual reality headsets adapted for use in playing video games; Smartphone software applications, downloadable, not being for dating, social introduction and social networking; Radios; Batteries, electric; Virtual reality game software not having a dating or romantic matchmaking theme; Virtual reality software not having a dating or romantic matchmaking theme; None of the aforesaid in the field of gambling.

Class 38:

Transmission of webcasts; Videoconferencing services; Providing online forums; Video-on-demand transmission; Teleconferencing and videoconferencing services; Internet communication; Internet telephony services; Audio, video and multimedia broadcasting via the Internet and other communications networks; None of the aforesaid services being for or relating to dating, social introduction and social networking.

Class 41:

Virtual reality game services provided on-line from a computer network; Organization of electronic game competitions; Arranging and conducting of games; Providing online computer games; Game services provided online from a computer network; Games offered on-line (on a computer network); Games equipment rental; Electronic games services; Rental of game machines and apparatus; Providing on-line interactive computer game; None of the aforesaid in the field of gambling; None of the aforesaid services having a dating or romantic matchmaking theme.

UK00004360531 (2026/015, 10 April 2026)

Specifications have been restricted as follows:

Class 29:

Meat, fish, poultry and game; meat extracts; preserved, frozen, dried and cooked fruits and vegetables; jellies, jams, compotes; eggs; edible oils and fats; oil coatings for meat, fish, poultry, game or vegetable products; frozen prepared meals consisting predominantly of meat, fish, poultry, game or vegetables; chilled foods consisting predominately of meat, fish, poultry, game or vegetables; chilled meals made from meat, fish, poultry, game or vegetables; cooked meals consisting principally of meat, fish, poultry, game or vegetables; frozen ready cooked meals consisting predominantly of meat, fish, poultry, game or vegetables fish cakes; frozen fish cakes; fish fillets; frozen fish fillets; fish fingers; frozen fish fingers; fish products; fish products being fresh; fish products being frozen; fish products being preserved; fish with chips; frozen cooked fish; frozen fish; scampi; frozen scampi; steaks of fish; frozen steaks of fish; shelled prawns; chicken; chicken pieces; cooked chicken; frozen chicken; deep frozen chicken; dehydrated chicken; fried chicken; frozen fried chicken; pieces of chicken for use as a filling in sandwiches; chicken nuggets; chicken kiev; frozen chicken kiev; frozen vegetables; frozen vegetables packed in single portions; frozen pre-prepared mixes of vegetables, nuts and/or pulses; soups; burgers; frozen burgers; meat products being in the form of burgers; vegetable burgers; frozen vegetable burgers; vegetarian burger patties; vegetarian sausages; vegetarian meatballs; tofu; soya [prepared]; whey; steaks of meat; frozen steaks of meat; potato snack products in the form of fried pieces; frozen potato snack products in the form of fried pieces; frozen potato products; vegetable and potato flakes; potato and vegetable croquettes; fried potatoes; fried vegetables; prefried and frozen

French fries; potato and vegetable rösti; shepherd's pie; frozen shepherd's pie; preserved, frozen, dried and cooked nuts and pulses; frozen prepared meals consisting predominately of vegetables, nuts and/or pulses; chilled prepared meals consisting predominately of vegetables, nuts and/or pulses; falafel; food products made from vegetable protein; food products made from nut protein; food products made from milk protein; food products made from egg protein; food products made from soya protein; food products made from whey protein; food products made from marine protein; food products made from fungi protein; processed pulses; formed textured vegetable protein for use as a meat substitute.

Class 30:

Coffee, tea, cocoa and artificial coffee; rice; tapioca and sago; flour and preparations made from cereals; sugar, honey, treacle; yeast, baking-powder; salt; mustard; vinegar, sauces (condiments); spices; seasoned coatings for meat, fish, poultry, game or vegetable products; breadcrumb coatings for meat, fish, poultry, game or vegetable products; seeded coatings for meat, fish, poultry, game or vegetable products; sauces for frozen fish; sauces for chicken; frozen pastry stuffed with meat or vegetables; frozen pastry stuffed with vegetables, nuts, pulses and/or grains; frozen prepared rice with seasonings and vegetables; bread rolls containing burgers; chilled or frozen ready meals consisting principally of rice, pasta, bread or pastry; pies containing fish; pies containing game; pies containing meat; pies containing poultry; pies containing vegetables; pies containing vegetables, nuts, pulses and/or grains; waffles; frozen waffles; deep frozen pasta; ready cooked meals consisting wholly or substantially wholly of pasta; frozen ready cooked meals consisting wholly or substantially wholly of pasta; frozen pre-prepared mixes of grains; frozen prepared meals consisting predominately of grains; chilled prepared meals consisting predominately of grains.

UK00004369613 (2026/017, 24 April 2026)

Specifications have been restricted as follows:

Class 9:

Computer peripheral devices; Computer programs [downloadable software]; Computer software applications, downloadable; Electronic publications, downloadable; Computer operating programs, recorded; Downloadable image files; Computer software, recorded; Computer gaming software; Downloadable software applications for mobile phones; Downloadable music files; none of the aforesaid relating to betting, casino or gambling services; none of the aforesaid relating to the provision of an igaming platform.

Class 41:

Instruction services; arranging and conducting of congresses; Entertainment services provided in virtual environments; Games equipment rental; providing online electronic publications, not downloadable; providing amusement arcade services; providing online music, not downloadable; entertainment services; providing online videos, not downloadable; Game services provided online from a computer network; none of the aforesaid relating to betting, casino or gambling services; none of the aforesaid relating to the provision of an igaming platform.

UK00004349155 (2026/012, 20 March 2026)

Specifications have been restricted as follows:

Class 35:

Advertising, marketing and sales promotions; online ordering services; retail services and wholesale services connected with the sale of intelligent gateways for communication, computer games, video game programmes, video game software, video game discs, video game cartridges, recorded content, media content, recorded media, CD ROMs, DVDs, audio and audio-visual recordings, pre-recorded videos, electronic publications, downloadable podcasts, downloadable publications, audio and audio-visual headsets for playing video games, games software for use with video game consoles, computer joysticks, gaming software, computer games, headphones, earphones, earbuds, computer peripherals, goggles, smart glasses, protective glasses, eye glasses, cases for glasses, cameras, safety, security, protection and signalling devices, cables, USB modems, adaptors, hardware and flash drives, speakers, information technology and audio visual, multimedia and photographic devices, apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, power controllers and capacitors, power regulatory equipment, electric plugs, electrical and electronic components, alarms and warning equipment, monitors, electronic communication equipment and instruments, chargers, batteries, telecommunication equipment, data storage devices and media, communications equipment, SIM cards, graphics cards, encoded cards, external hard drives, mobile and wireless communications devices, memory devices, digital tablets, tablet computers, covers and cases for computers, computer tablets, and laptops, headsets, earphones and earbuds and cases for the aforesaid goods, telecommunications cables, power connectors, global positioning systems (GPS) devices, parts and fittings for the aforesaid goods; retail services connected with the sale of video game mobile apps, video game computer software, video game computer application software, none of the aforesaid for use in customer relationship management (CRM); consultancy, information and advisory services relating to all the aforesaid services.

UK00004304817 (2026/022, 29 May 2026)

Specifications have been restricted as follows:

Class 41:

Education; training; cultural activities; publishing; arranging and conducting workshops, conferences, seminars, awards; entertainment; arranging and hosting educational, training, cultural and entertainment events; video, audio, audio-visual, film, podcast, webinar and documentary production; consultancy, information and advisory services relating to all the aforesaid services; all of the aforesaid services solely in relation to the use of artificial intelligence and none of the aforesaid services relating to sports, sports therapy, sports psychology and/or sports psychotherapy.

UK00004347912 (2026/012, 20 March 2026)

Specifications have been restricted as follows:

Class 9:

Wearable digital electronic communication devices; Digital sensory devices; Wearable monitors; Health monitoring software; Electronic sensors; Digital sensors; Sensors; all the following in the field of health, wellness, fitness, physical activity, physiological monitoring and behaviour change: Application software for mobile devices, Software, System software, Downloadable mobile applications, and Software

related to handheld digital electronic devices; none of the aforesaid goods relating to dating, social introduction or social networking.

Class 10:

Medical devices; Medical apparatus and devices; Wearable monitors used to measure biometric data for medical use; Physiological monitoring apparatus for medical use.

Class 42:

Software as a service [SAAS] services; Software as a service [SaaS]; Computer and software consultancy services; Computer software design services; Services for designing computer software; Software engineering services for data processing programs; All of the aforesaid in the field of health, wellness, fitness, physical activity, physiological monitoring and behaviour change, and none relating to dating, social introduction or social networking.

Class 44:

Health assessment services; Medical testing services relating to the diagnosis and treatment of disease; Providing health information; Health consultancy; Health care; Health screening services; Health counselling.

UK00004393825 (2026/024, 12 June 2026)

Specifications have been restricted as follows:

Class 36:

Finance services; monetary transactions; financial advice; financial analysis; financing services; project financing; financial transfer and transaction services; brokerage of financial investments; investment advice and investment management; fund management; investment fund management; insurance services; insurance.

UK00004376383 (2026/020, 15 May 2026)

Specifications have been restricted as follows:

Class 9:

AI-powered imaging software incorporated in oral hygiene devices, diagnostic software for dental monitoring; Downloadable mobile application software and computer software for dentistry, orthodontic treatment, treatment reviews and recommendations, dental advice and cosmetic dentistry consultation; downloadable software for use with a toothbrush with an integrated intraoral camera enabling users to view, record and transmit dental images to dental professionals for review and assessment; digital imaging software for orthodontic treatment planning; downloadable software for diagnosing dental and medical health conditions.

Class 21:

21Electric toothbrushes, replacement toothbrush heads, oral hygiene apparatus and instruments; Electric toothbrushes with an integrated intraoral camera; toothbrush cases; toothbrush holders; dental floss; dental flossers; water flossers; interdental cleaners.

Class 42:

AI-powered oral health analysis services, software as a service for dental monitoring, development of artificial intelligence software for oral health; SaaS services for dentistry and orthodontic treatment; software services for use with a toothbrush with an intraoral camera; software service for instant messaging between doctors and patients; orthodontic

treatment planning software services; computer software design, development and consultation in the field of dentistry; dental research laboratory services.

UK00004319208 (2026/011, 13 March 2026)

Specifications have been restricted as follows:

Class 9:

Audio and/or video recordings; recorded programmes for television and for radio; motion picture films; animated cartoons; downloadable audio and/or video recordings; downloadable images, sounds, graphics, videos, games, text or data; downloadable electronic publications; publications in electronic format; computer software and programs; downloadable computer software; application software; covers and cases for mobile communication devices; mouse pads; magnets and decorative magnets; signalling whistles; sporting whistles; none of the aforementioned goods adapted to be used on vehicles or vehicle parts, for vehicles or vehicle parts or with vehicles or vehicle parts.

Class 16:

Printed matter; stationery; instructional and teaching material (except apparatus); plastic materials for packaging (not included in other classes); calendars; stickers [stationery]; pens; pencils; erasers; books, newsletters and periodical publications relating to sport; paper badges; coasters of paper and cardboard; none of the aforementioned goods relating to vehicles or vehicle parts.

Class 18:

Luggage and travelling bags; bags; sports bags and bags for carrying sports equipment; handbags; rucksacks and backpacks; card cases and key cases; umbrellas; parasols; wallets; none of the aforementioned goods adapted to be used on vehicles or vehicle parts, for vehicles or vehicle parts or with vehicles or vehicle parts; all the aforementioned goods exclusively in relation to netball.

Class 21:

Bottles, sold empty; drinking bottles; coasters; household containers; tableware; combs and sponges; glassware; none of the aforementioned goods adapted to be used for cycling or motorcycling; none of the aforementioned goods adapted to be used on vehicles or vehicle parts, for vehicles or vehicle parts or with vehicles or vehicle parts.

Class 25:

Clothing, footwear, headgear; none of the aforementioned goods adapted to be used for cycling or motorcycling; all the aforementioned goods exclusively in relation to netball.

Class 28:

Games, playthings, and sporting goods; exercise and physical training apparatus and articles; toys; playing cards; netballs; bladders for netballs; netball posts; netball nets; bags adapted for carrying sporting articles; sporting articles and equipment; protective supporters (sports articles); all the aforementioned goods exclusively in relation to netball.

UK00004372772 (2026/024, 12 June 2026)

Specifications have been restricted as follows:

Class 42:

Scientific and technological services and research and design relating thereto; industrial analysis, industrial research

and industrial design services; scientific research, analysis and development in relation to metal organic frameworks; consultancy in the field of metal organic frameworks; conducting of scientific studies; conducting of scientific studies in connection with metal organic frameworks; technical research; advisory, information and consultancy services relating to all of the aforesaid; all aforementioned services not in the fields of medicine and ophthalmology.

UK00004372903 (2026/018, 01 May 2026)
Specifications have been restricted as follows:

Class 1:

Chemicals for use in industry, science and photography, as well as in agriculture, horticulture and forestry; chemical preparations for scientific purposes; Chemical substances, chemical materials and chemical preparations, and natural elements; chemical compositions for water treatment; chemical compositions for water control; chemical compositions for water harvesting; chemical products for absorbing; metal organic frameworks (MOFs); metal organic frameworks consisting of metal ions and organic linker molecules; crystalline materials with high porosity; metals connected by organic MOF ligands; metal organic frameworks for industrial and environmental applications; metal organic frameworks for water capture; metal organic frameworks for water harvesting, moisture capture, water control and water absorption; metal organic frameworks for absorbing gases and pollutants; metal organic frameworks for acting as catalysts for chemical reactions; porous crystalline structures for capturing water; nanoporous materials; nanomaterials; nano water control and treatment; nanofiltration membranes; nanotechnology for water purification; nanomembranes; crystalline silicon; crystalline materials; crystalline cellulose; crystalline molecular sieve desiccants for use as catalyst supports in industry; crystalline molecular sieve desiccants for use as catalyst supports in the chemical industry; crystalline molecular sieve desiccants for use as catalyst supports in the petrochemical industries; all aforementioned goods not for use in the fields of medicine and ophthalmology.

Class 42:

Scientific and technological services and research and design relating thereto; industrial analysis, industrial research and industrial design services; scientific research, analysis and development in relation to metal organic frameworks; consultancy in the field of metal organic frameworks; conducting of scientific studies; conducting of scientific studies in connection with metal organic frameworks; technical research; advisory, information and consultancy services relating to all of the aforesaid; all aforementioned services not in the fields of medicine and ophthalmology.

UK00004357677 (2026/014, 03 April 2026)
Specifications have been restricted as follows:

Class 42:

Software as a service [SaaS] for processing payment for chimney sweep services; Software as a service [SaaS] for booking appointments for chimney sweep services; Software as a service [SaaS] for route optimisation for attending appointments to provide chimney sweep services; Software as a service [SaaS] for issuing safety certificates connected with chimney sweep services; Software as a service [SaaS] for sending customer communications relating to the provision

of chimney sweep services; Software as a service [SaaS] for invoicing and billing for chimney sweep services; Software as a service [SaaS] for scheduling and managing jobs for chimney sweep services; Software as a service [SaaS] for scheduling and managing staff and engineers providing chimney sweep services; Software as a service [SaaS] for managing customer records and customer relationship management relating to chimney sweep services; Software as a service [SaaS] for marketing and lead generation for chimney sweep services; Software as a service [SaaS] for business reporting and analytics relating to chimney sweep services; Software as a service [SaaS] for integration with accounting software for chimney sweep businesses.

UK00004356604 (2026/014, 03 April 2026)
Specifications have been restricted as follows:

Class 9:

Software, not being for or relating to dating, social introduction and social network

Class 35:

Provision of an online marketplace for buyers and sellers of goods and services, not relating to the dating, social introduction and social networking industries.

Class 42:

Software as a service [SaaS], not being for or relating to dating, social introduction and social networking.

UK00004362700 (2026/023, 05 June 2026)

UK00004332197 (2026/010, 06 March 2026)
Specifications have been restricted as follows:

Class 5:

Nutritional additives and health food supplements; dietary supplements in the form of ready-to-drink beverages; dietary supplements in powder form; powdered nutritional supplement drink mixes; nutritional drink mixes for use as meal replacements; protein powder dietary supplements; meal replacement powders; vitamin drinks; dietary supplement drink; energy gels (dietary supplements); none of the aforesaid made from pomegranate, being pomegranate flavoured beverages or containing pomegranate as an ingredient.

UK00004366168 (2026/016, 17 April 2026)
Specifications have been restricted as follows:

Class 5:

Dental abrasives; Air purifying preparations; Albuminous foodstuffs for medical purposes; Alloys of precious metals for dental purposes; Adhesive plasters; Vitamin preparations; Solutions for contact lenses; Chemical contraceptives; Haemostatic pencils; Teeth filling material; Dental impression materials; Dental mastics; Porcelain for dental prostheses; Disinfectants for hygiene purposes; Deodorants, other than for human beings or for animals; Surgical dressings; Medicinal tea; Herb teas for medicinal purposes; Herbs (Medicinal -); Cod liver oil; Medicinal oils; Semen for artificial insemination; Sanitary panties; Menthol; Nutritive substances for microorganisms; Tonics [medicines]; Food for babies; By-products of the processing of cereals for dietetic or medical purposes; Medicines for human purposes; Dietetic substances adapted for medical use; Diapers for incontinence; Dietary fibre; Mineral dietary supplements; Nutritional supplements;

Air deodorising and air purifying preparations; Stem cells for medical purposes; Personal sexual lubricants; Vaginal lubricants; Preparations for inhibiting sexual coupling; Preparations for facilitating sexual coupling; Preparations for reducing sexual activity; Babies' diapers; Babies' diaper-pants; Appetite suppressant pills; Slimming pills; Tanning pills; Pesticides; Diapers for pets; Infant formula; Powdered milk for babies; Pharmaceuticals; Sexual stimulant gels; Antibacterial gels; Analeptic stimulants; Lubricant gels for personal use; Herbal male enhancement capsules; Hair growth stimulants; Chemical contraceptive sponges; Immunostimulants; Freeze-dried food adapted for medical purposes; Medicated dentifrices; Antibacterial soap; Medicated shampoos; Medicated toiletry preparations; Medicated hair lotions; Vitamin supplement patches; Dietary supplements with a cosmetic effect; Swim diapers, reusable, for babies; Diaper changing mats, disposable, for babies; Disposable house training pads for pets; Dietary supplements for human beings; Dietary supplements; Wipes impregnated with disinfectants for hygiene purposes; Aromatherapy oils; Orgasm creams; Nicotine preparations for use as aids to stop smoking; Psychomotor stimulants; Respiratory stimulants; Pharmaceutical for the treatment of erectile dysfunction; Vaginal washes for medical purposes; Disposable menstruation underwear; Male fertility test kits.

UK00004371579 (2026/018, 01 May 2026)
Specifications have been restricted as follows:

Class 36:
Financial services, namely, electronic funds transfer; electronic financial trading services; electronic payment services involving electronic processing and subsequent transmission of bill payment data; processing of electronic payments, namely, providing electronic processing of credit card transactions and electronic payments via a global computer network; electronic transfer of funds; money transfer services; electronic wallet payment services, namely, electronic payment services provided via an electronic wallet; international commodity trading and money exchange services for others.

UK00004343374 (2026/011, 13 March 2026)
Specifications have been restricted as follows:

Class 25:
Clothing namely t-shirts.

UK00004346327 (2026/011, 13 March 2026)
Specifications have been restricted as follows:

Class 9:
Electric charging cables; Battery cables; Adapter cables (Electric -); Electric adapter cables; Electric cables; Cables, electric; Electric wires and cables; Electric cables and wires; Battery charging equipment; Cables and wires; Connections for electric cables; Electrical cables; Battery booster cables; Connecting electrical cables; Power cables; Adapter cables for headphones; USB cables; Interface cables [electric]; Materials for electricity mains [wires, cables]; Electricity mains (Materials for -) [wires, cables]; Conduit for electric cables; Connection cables; Sheaths for electric cables; Ducting for electric cables; Charging docks; Cables for earthing; Cable identification markers for electric cables; Modem cables; Electrical cables for use in connections; Ethernet cables; USB cables for cellphones; Jack cables; Microphone cables; Electric extension cables; Wireless battery chargers; Wireless charging pads for smartphones; Network cables; Loudspeaker cables;

Phone cases; Mobile phone cases; Cell phone cases; Mobile phone chargers; Chargers for cell phone; Cases for mobile phones; Mobile telephone cases; Phone plugs; Mobile phone covers; Leather cases for mobile phones; Cell phone covers; Mobile phone battery chargers; Mobile phone speakers; Cell phone battery chargers; Protective cases for mobile phones; Mobile phone ring holders; Protective cases for cell phones; Mobile phone straps; Mobile phone screen protectors; Leather cases for cellular phones; Mobile phone ring stands; Waterproof cases for smart phones; Mobile phone connectors for vehicles; Ring holders for cell phones; Holders for cell phones; Ring holders for mobile telephones; none of the aforesaid relating to home or building automation, or smart home or smart building products or services, or in the fields of sustainable energy for homes or buildings or health monitoring.

Class 11:
Electric cooking pots; Cooking pots, electric; Electric pots for cooking; Cooking stoves; Stoves for cooking; Electric cooking pots for household use; Electric cooking pots [for household purposes]; Cooking ovens; Pans (Electric cooking -); Cooking hobs; Cooking grills; Electric cooking utensils; Cooking utensils, electric; Electric utensils for cooking; Cooking stoves for camping; Griddles [electric cooking utensils]; Griddles [cooking appliances]; Electric cooking pots for industrial purposes; Electrical cooking utensils; Cooking appliances; Hot plates for cooking; Grills [cooking appliances]; Electric pressure cooking saucepans; Electric cooking ovens; Dehumidifiers; Air dehumidifiers; De-humidifiers; Electric dehumidifiers; Humidifiers; Dehumidifiers for household use; Air humidifiers; Dehumidifiers for household purposes; Air driers [dryers]; USB-powered humidifiers for household use; Air conditioners; Air heating furnaces; Room heaters; Air dryers; Humidifiers for central heating radiators; Fan heaters; Window-mounted air conditioning units; Bathroom heaters; Air heaters; Air curtains for ventilation; Dryers (Air -); Electric kitchen ovens; Kebab cooking machines; Pizza ovens; Electric bread cookers; Couscous cookers, electric; Crepe cookers; Electric toaster ovens; Tagines, electric; Gas-powered griddles [cooking appliances]; Electric indoor grills; Portable stoves; Cookers incorporating grills; Electric ovens; Microwave ovens for cooking; Domestic cooking ovens; Japanese kitchen furnaces (kamado); Foldable kettles, electric; Electric rice cookers; Kitchen machines (Electric -) for cooking; Baking ovens; Kitchen ranges [ovens]; Electric griddles [cooking appliances]; Industrial cooking ovens; Electric outdoor grills; Ovens (Shaped fittings for -); Shaped fittings for ovens; Hot pots, electric; Rice refrigerators; Ovens; Portable refrigerating boxes [electric]; Electric ramen noodle cookers; Electric cooking stoves; Electric cooking ovens for household use; Sous vide cookers, electric; Electric panini makers; Sous-vide cookers, electric; Microwave ovens; Industrial rice cookers; Domestic bread toasters [electric]; Coffee roasting ovens; Electric appliances for making yoghurt; Microwave ovens [cooking apparatus]; Hot air ovens; Cooling fans; Ceiling fans; Ventilating fans; Room fans; Roof fans; Table fans; Electric cooling fans; Electric bladeless fans; Room air fans; Air conditioning fans; Electric window fans; Radial air fans; USB-powered desktop fans; Fans for hair drying; Motorised fans for air conditioning; none of the aforesaid relating to home or building automation, or smart home or smart building products or services, or in the fields of sustainable energy for homes or buildings or health monitoring.

Class 21:

Household or kitchen containers; Cooking pots; Cooking pots [non-electric]; Cooking pots and pans [non-electric]; Cooking pots for use in microwave ovens; Non-electric rice cooking pots; Cooking pots, non-electric / Non-electric cooking pots; Couscous cooking pots, non-electric; Cooking pans; Cooking pot sets; Pots; Cooking utensils; Cookware [pots and pans]; Griddles [cooking utensils]; Grills [cooking utensils]; Cooking pans [non-electric]; Non-electric cooking pans; Basting spoons [cooking utensils]; Cooking strainers; Simmer rings [cooking utensils]; Shallow pans for cooking; Cooking utensils for barbecue use; Cooking utensils for use with domestic barbecues; Cooking graters; Cooking sieves; Grills in the nature of cooking utensils; Cooking utensils, non-electric; Portable pots and pans for camping; Pressure cooking saucepans, non-electric; Tea pots; Coffee pots; Cooking steamers; Skewers (cooking utensil); Flat cooking ladles; Shaving pots; Baking utensils; Microwave cooking bags; Bags for microwave cooking; Serving pots; Skewers for use in cooking; Cooking skewers; Baking dishes; Roasting dishes; Jars for cooking grease, empty; Mixing spoons [kitchen utensils]; Coffee pots [non-electric]; Flower pots; Plant pots; Skewers [cooking implements]; Hot pots, non-electric; Glass pots; Chamber pots; Utensil jars; Cruet sets; Spatulas [kitchen utensils]; Toilet brush sets; Serving scoops [household or kitchen utensil]; Kitchen utensils; Spatulas for kitchen use; Egg separators [kitchen utensils]; Canister sets; Cutlery trays; Basting spoons, for kitchen use; Rice cookers for use in microwave ovens; Dishes for microwave ovens; Portable cooking kits for outdoor use; Aluminium moulds [kitchen utensils]; Baking dishes made of earthenware; Non-electric cooking pots and pans; Baking dishes made of porcelain; Non-electric griddles [cooking utensils]; Griddles [non-electric cooking utensils]; Tagines, non-electric; Popcorn poppers for use in microwave ovens; Cookware for use in microwave ovens; Picnic baskets (Fitted -), including dishes; Fitted picnic baskets, including dishes; Baking trays made of aluminium; Kitchen moulds; Crushers for kitchen use, non-electric; Tea sets; Tea cups; Tea cosies; Tea balls; Tea bag rests; Coffee filters not of paper being part of non-electric coffee makers; Spice sets; Tea caddies not of precious metal; Coffee cups; none of the aforesaid relating to home or building automation, or smart home or smart building products or services, or in the fields of sustainable energy for homes or buildings or health monitoring.

UK00004355647 (2026/014, 03 April 2026)
Specifications have been restricted as follows:

Class 35:
Business consulting services for digital transformation; none of the aforesaid being in relation with polls, surveys, opinion polls, market research, analysis of customers behaviour and packaging optimization and evaluation.

Class 42:
Software engineering services; none of the aforesaid being in relation with polls, surveys, opinion polls, market research, analysis of customers behaviour and packaging optimization and evaluation.

UK00004343399 (2026/011, 13 March 2026)
Specifications have been restricted as follows:

Class 25:
Clothing namely t-shirts.

UK00004358508 (2026/024, 12 June 2026)

Specifications have been restricted as follows:

Class 9:

Cameras; Computer hardware; Computer hardware and recorded software systems for operating unmanned aerial vehicles (UAVs); Electronic controllers for unmanned aerial vehicles (UAVs); Motion sensors; Radio frequency (RF) sensors; Radar apparatus; Electronic sensors for detecting remotely operated devices; Electronic transmitters for jamming signals; Drone detection system comprised of computer hardware, sensors, and recorded software for detecting, identifying, and monitoring remotely operated devices; Drone defense system comprised of computer hardware and recorded software for disrupting operation of remotely operated devices; Mobile command center comprising computer hardware, peripherals, and cameras for surveillance, security, and emergency response; Real-time crime center (RTCC) platform comprised of computer hardware and recorded software for intelligence surveillance services; all of the aforesaid goods being in relation to the operation of drones, counter-drone systems and video surveillance for the provision of security and safety services, and not for domestic or entertainment use; none of the aforesaid in relation to education (except in relation to drones, UAVs and detection and defence systems therefor), entertainment, on-demand television services, telecommunications, media broadcasting, broadband, fixed line and mobile telephony services, advertising services, sponsorship services, weather forecast and smart home services, and home protection.

UK00004324833 (2026/024, 12 June 2026)
Specifications have been restricted as follows:

UK00004370997 (2026/018, 01 May 2026)
Specifications have been restricted as follows:

Class 35:

Online retail services relating to cosmetics; Online retail store services relating to cosmetic and beauty products; Retail services in relation to toiletries; Mail order retail services for cosmetics.

UK00004337969 (2026/011, 13 March 2026)
Specifications have been restricted as follows:

Class 9:

Computer software; computer software for dentistry and dental practice; programs and data all relating to dentistry and dental practice; computer software to be distributed through a global computer network or the Internet or any other network delivery systems; multimedia software recorded on CD-ROM or distributed through a global computer network or the Internet or any other network delivery systems; electronic publications (downloadable) provided from databases or the Internet; magnetic data carriers; recording discs; CD-ROMS; digital music (downloadable) provided from a global computer network or the Internet; application software; computer application software for mobile digital devices; payment software; financial management software; data management software; CRM (customer relationship management) software; cloud computing software; cloud server software; cloud network monitoring software; application software for cloud computing services; mobile phone application software; application software for laptops, tablets and personal computers; software for telecommunication; software in the nature of device applications for receiving, transmitting

and displaying information and receiving and transmitting data; computer software and hardware; computer software for machine learning and artificial intelligence; Computer software for computer data networking; computer software for data processing, data storage, data networking and data manipulation; Internet messaging software; instant messaging software; apparatus and instruments for the transmission, reproduction, reception and recording of sounds, data and images; optical data carriers; signalling apparatus; all of the aforesaid goods in relation to dental and medical services.

Class 42:

Testing services relating to telecommunications, communications networks and systems, computer programming, computer software and information systems and network analysis; computer programming services; consultancy services relating to computer networks; software as a service [SaaS]; software development services; software maintenance services; cloud computing services; design and development of operating software for accessing and using a cloud computing network; programming of operating software for accessing and using a cloud computing network; electronic storage of videos; Design and development of computer hardware, computer systems, computer programmes and software; cloud-based software as a service (SaaS); all of the aforesaid services in relation to dental and medical services.

UK00004314608 (2026/012, 20 March 2026)

Specifications have been restricted as follows:

Class 24:

Baby linen; bath mitts; beach towels; bed linen; children's blankets; curtains of textile or plastic; diaper changing cloths for babies; duvet covers; household linen; pillowcases; quilts; shower curtains; sleeping bags; table covers; table linen; textiles and substitutes for textiles; towels; throws; wall hangings (of textile); all the aforesaid being character merchandise items.

UK00004306582 (2026/011, 13 March 2026)

UK00004344814 (2026/010, 06 March 2026)

Specifications have been restricted as follows:

Class 9:

Helmets for use in ice hockey; Ice hockey helmets; Sports training simulators for ice hockey.

Class 16:

Paper and cardboard; printed matter; bookbinding material; photographs; stationery and office requisites, instructional and teaching materials. ; Educational equipment.

Class 18:

Sports bags; Bags for sports; Holdalls for sports clothing; Bags for sports clothing.

Class 25:

Clothing, footwear, headwear; Clothing for sports; Sports clothing; Footwear for sports; Sports footwear; Sports jerseys and breeches for sports; Sports jackets; Clothes for sports; Sports vests; Sports clothing [other than golf gloves]; Sports garments; Sports shoes; Sports jerseys; Articles of sports clothing; Boots for sports; Jackets being sports clothing; Sports shirts; Hockey shoes; None of the aforementioned being clothing, footwear or headgear for football sports.

Class 28:

Gymnastic and sporting articles; Sports equipment; Sporting articles and equipment; Sports training apparatus; Bags specially adapted for sports equipment; Gloves for sports; Nets for sports; Sports games; None of the aforementioned being for football sports; Games and toys; Video game apparatus; Decorations for Christmas trees.

Class 35:

Retail services in relation to sporting equipment, other than such equipment relating to football sports.

Class 37:

Repair of sports equipment, other than such equipment relating to football sports.

Class 41:

Education; Providing of training; Entertainment; Sporting and cultural activities; Rental of sports equipment; Hire of equipment for sports; Rental of sports equipment and facilities; Rental of sports or exercise equipment; Rental services relating to equipment and facilities for education, entertainment, sports and culture; Operation of sports facilities; Sports training; Provision of ice sports facilities; Sports and fitness; Sports and fitness services; Sports activities; Provision of sports facilities; Provision of facilities for sports; Training of sports players; Providing facilities for sports tournaments; Providing sports training facilities; Providing facilities for sports recreation; Provision of facilities for winter sports; Sports entertainment services; Organising of sports and sports events; Instruction in sports; Sports instruction services; Hire of equipment for games; None of the aforesaid relating to football sports.

UK00004329240 (2026/016, 17 April 2026)

Specifications have been restricted as follows:

Class 12:

Motorcycles; Electric motor cycles; Electric wheelchairs; Delivery drones; Water scooters; Electric vehicles; Upholstery for vehicles; Golf carts [vehicles]; All-terrain vehicles; Boats; all of the aforesaid excluding bicycles and ebikes and excluding parts, fittings or accessories specifically designed or marketed for bicycles or e-bikes.

UK00004373731 (2026/018, 01 May 2026)

Specifications have been restricted as follows:

Class 9:

Software for monitoring and analysing physical world operations, processes and activities in the fields of healthcare, medical care, veterinary care and physiotherapy; Mobile application software for monitoring and analysing physical world operations, processes and activities in the fields of healthcare, medical care, veterinary care and physiotherapy; Application software for monitoring and analysing physical world operations, processes and activities in the fields of healthcare, medical care, veterinary care and physiotherapy; Downloadable application software for monitoring and analysing physical world operations, processes and activities in the fields of healthcare, medical care, veterinary care and physiotherapy; machine learning software for healthcare; artificial intelligence software for healthcare; downloadable computer software for remote monitoring and analysis in the fields of healthcare, medical care, veterinary care and physiotherapy; computer software for the processing of positioning data in the fields of healthcare, medical care,

veterinary care and physiotherapy; computer software for the collection of positioning data in the fields of healthcare, medical care, veterinary care and physiotherapy; computer software for the collection of image data in the fields of healthcare, medical care, veterinary care and physiotherapy; computer software for the processing of image data in the fields of healthcare, medical care, veterinary care and physiotherapy; computer software for educational and training purposes in the fields of healthcare, medical care, veterinary care and physiotherapy; Software for medical ultrasound apparatus; Software for ultrasound therapy apparatus; Computer software for use with medical apparatus and instruments including medical ultrasound apparatus and medical ultrasound imaging systems; computer software for organising and viewing digital images and photographs; computer software for uploading, manipulating and enhancing digital content in the field of medical imaging; Computer software for medical imaging and for use with medical imaging equipment, namely, software for analyzing, processing, and displaying images on medical imaging machines.

Class 41:
Education and training; Online education services; Medical education services.

Class 42:
Software as a service for monitoring and analysing physical world operations, processes and activities in the fields of healthcare, medical care, veterinary care and physiotherapy; software as a service for the processing of positioning data in the fields of healthcare, medical care, veterinary care and physiotherapy; software as a service for the collection of positioning data in the fields of healthcare, medical care, veterinary care and physiotherapy; software as a service for the collection of image data in the fields of healthcare, medical care, veterinary care and physiotherapy; software as a service for the processing of image data in the fields of healthcare, medical care, veterinary care and physiotherapy; software as a service for educational and training purposes in the fields of healthcare, medical care, veterinary care and physiotherapy; Software as a service for medical ultrasound apparatus; Software as a service for ultrasound therapy apparatus; Software as a service featuring software for machine learning for healthcare; Computer software development in the fields of healthcare, medical care, veterinary care and physiotherapy; Software engineering services in the fields of healthcare, medical care, veterinary care and physiotherapy.

UK00004341977 (2026/011, 13 March 2026)
Specifications have been restricted as follows:

Class 35:
Business assistance; Advisory services relating to business management and business operations; Business strategy services; Provision of business assistance; Business consulting services; Business organisation and management consulting services; Business promotion services; all the aforesaid services provided in the credit union and financial inclusion sector.

UK00004340314 (2026/010, 06 March 2026)
Specifications have been restricted as follows:

Class 9:
Downloadable computer software; Computer software platforms; Downloadable software; Downloadable computer software applications; Mobile software; Software for

smartphones; Downloadable software applications; None of these products relating to electric mobility including products relating to electric vehicle charging.

Class 37:
Advisory services relating to vehicle maintenance; Advisory services relating to vehicle repair; Information and consultancy services relating to vehicle repair; None of these services relating to electric mobility including services relating to electric vehicle charging.

Class 42:
Software as a service [SaaS]; Application service provider [ASP], namely, hosting computer software applications of others; None of these services relating to electric mobility including services relating to electric vehicle charging .

UK00004348588 (2026/012, 20 March 2026)
Specifications have been restricted as follows:

Class 44:
Medical services; dental services; clinical, medical or dental therapy services; clinical, medical or dental facial treatment services; massage services; healthcare services; clinical, medical or dental healthcare consultancy; advisory, information and consultancy services relating to all the aforesaid services; none of the aforesaid services being beauty services, cosmetic facial treatment services, skin care services, cosmetic services or aesthetician services.

UK00004314609 (2026/012, 20 March 2026)
Specifications have been restricted as follows:

Class 18:
Backpacks; book bags; collars, leashes and clothing for animals; leather and imitations of leather; umbrellas; walking sticks; parts and fittings for all the aforesaid goods.

Class 24:
Bath linen; bath mitts; beach towels; bed linen; children's blankets; curtains of textile or plastic; diaper changing cloths for babies; duvet covers; household linen; pillowcases; quilts; shower curtains; sleeping bags; table covers; table linen; textiles and substitutes for textiles; towels; throws; wall hangings (of textile); all the aforesaid being character merchandise items.

UK00004323141 (2026/014, 03 April 2026)
Specifications have been restricted as follows:

Class 7:
Agricultural machines; Mixing machines; Piston rings; Piston segments; Road sweeping machines, self-propelled; Concrete mixers [machines]; Concrete cutters [machines]; Starters for motors and engines; Dynamos; Electricity generators; Pumps [parts of machines, engines or motors]; Lawnmowers [machines]; Pistons for engines; Pistons [parts of machines or engines]; Pumps [machines]; Sparking plugs for internal combustion engines; Motors, other than for land vehicles; Emergency power generators; High pressure washers; Rammers [machines]; Tilling machines for agricultural purposes; Engines, other than for land vehicles.

UK00004369623 (2026/017, 24 April 2026)
Specifications have been restricted as follows:

Class 42:

Engineering consultancy; Scientific consultancy; Technological consultancy; Engineering consultancy services; Advisory services relating to scientific instruments; Technical consultancy relating to product development of scientific instruments for use in university and research environments.

UK00004342079 (2026/010, 06 March 2026)

Specifications have been restricted as follows:

Class 8:

Socket spanners [hand-operated tools]; Hammers [hand tools]; Scissors; Screwdrivers, non-electric; Cutting tools [hand tools]; Scraping tools [hand tools]; Lifting jacks, hand-operated; Garden tools, hand-operated; Bits [hand tools]; Hand tools, hand-operated; none of the aforesaid goods being tools for the application or removal of structural adhesives, sealants, or adhesives.

UK00004362621 (2026/015, 10 April 2026)

Specifications have been restricted as follows:

Class 41:

Educational services; organisation, production, management and conducting of workshops and seminars; none of the aforementioned relating to the teaching of vehicle driving and road safety training; Organisation, production, management and conducting of arts, dance, film, literary, musical, cultural and theatrical festivals; organisation, production, management and conducting of shows, conferences, congresses, colloquiums and debates; arts, dance, film, musical, literary, cultural and theatrical entertainment services; provision of live performance services; organisation of events for fund raising; festival services; conference services; organisation of competitions and awards relating to arts, dance, film, music, literature, culture and theatre; educational services relating to arts, dance, film, music, literature and theatre; advisory, consultancy and information services relating to all the aforesaid.

UK00004363310 (2026/017, 24 April 2026)

Specifications have been restricted as follows:

Class 41:

Educational services; organisation, production, management and conducting of workshops and seminars; none of the aforementioned relating to the teaching of vehicle driving and road safety training; Organisation, production, management and conducting of arts, dance, film, literary, musical, cultural and theatrical festivals; organisation, production, management and conducting of shows, conferences, congresses, colloquiums and debates; arts, dance, film, musical, literary, cultural and theatrical entertainment services; provision of live performance services; organisation of events for fund raising; festival services; conference services; organisation of competitions and awards relating to arts, dance, film, music, literature, culture and theatre; educational services relating to arts, dance, film, music, literature and theatre; advisory, consultancy and information services relating to all the aforesaid.
