The mark consists of two stylized curved shapes designed to resemble two capital "R"s.

Class 9:

Downloadable and recorded computer software in the nature of electronic service price guides in the automotive industry; downloadable and recorded computer e-commerce software that allows users to perform customer marketing and relationship management, namely, customer lead management, database marketing, creating and maintaining customer profiles, data mining and coordination and integration of auto dealership computer management systems with multiple customer contact points and third party service provider applications via a global computer network; downloadable and recorded computer software for managing and printing customized documents, including forms and point of sale coupons via global computer network in the automotive dealer industry; downloadable software for electronic processing of automobile dealership consumer's credit or debit card for payment of services invoices, parts invoices, or vehicle deposits; downloadable electronic database on global computer networks in the field of digital asset management; downloadable electronic database on global computer networks containing information in the field of automotive parts for use in consumer purchasing of automotive parts; downloadable electronic database in the field of purchase and sale of automotive parts for cooperating automotive dealers.

Class 16:

A comprehensive filing system developed specifically for automotive retailers, namely file folders designed with extended tabs for color coded labels to facilitate fast and accurate filing and retrieval, and alpha numeric adhesive paper labels used to identify dates, customer names, and vehicle identification numbers; paper hang tags for use in automobile dealer dispatch systems and customizable advertising.

Class 35:

Computerized accounting services; providing business information in the fields of business relating to the automotive industry and to the economy via websites on global computer

networks; promoting the goods and services of automobile manufacturers through the distribution of printed promotional materials and the administration of a consumer discount program offered to existing customers of those automotive dealers; business management consultation services in the automotive industry and in the automotive after-market industry; marketing consultation services in the field of the automotive industry, namely, digital print management and marketing; business and marketing consultation services in the field of the automotive industry; customer relationship management; marketing services, namely, service retention and sales prospecting marketing programs for automobile dealers; business management consulting services in the field of employee retention; conducting customer incentive program for others, namely, providing a card that offers redeemable rewards, benefits, coupons and discounts by virtue of use; systematic preparation of business reports for others, namely, replacement part inventory control reports; direct mail advertising services and telemarketing services, all for use in the automotive industry; personnel management services; administration of employee payroll for others; business consulting in the nature of retail consultation services, namely, parts ordering services for the automotive industry; business management services, namely, electronic automotive dealer service department management services for scheduling and dispatching auto repair orders to technicians via a global computer network, telephone order taking and support services for others by sales agents in the automotive industry field, customer services in the automotive industry field, namely, customer acquisition and retention programs, information management of customer profiles, online lead capture programs, dealership management system, service provider integration, and sales and service process integration; developing promotional campaigns for business from the capture of customer information from online car-buying websites, business management consultation, namely, customizing and integrating sales and service processes for better customer management via a global computer network; providing business information in automotive industry field for use in consumer purchasing of vehicles via web sites on global computer networks; providing commercial information for connecting automotive sellers with buyers via a website; advertising, marketing and promotion services in the field of retail services connected with the sale of automobiles via a dealership; automotive dealership services, namely, providing business information for automotive dealerships and customers relating to scheduling service appointments and managing the vehicle buying process for third parties via an Internet website portal; providing commercial information for automobile dealerships and customers featuring recommendations, ratings and reviews of vehicle sales or service posted by customers via a website; automotive dealership services, namely, providing business information for automobile consumers and dealers relating to the downloading of vehicle information regarding specific inventory record management including, but not limited to, at least one of price, specifications and options, service history, dealership commentary, vehicle location, vehicle reviews, and special offers and incentives via a website; automotive dealership services, namely, providing business information for automobile consumers and dealers including business information relating to managing and monitoring the process of purchasing a vehicle, providing prequalification credit applications, processing full credit applications, allowing consumers to select a vehicle, allowing for the negotiations of

a price, managing manufacturer offers, managing manufacturer incentives, building and pricing a vehicle, saving vehicle selections, and creating price alerts, via an internet website; automotive dealership services, namely, providing business information for automobile dealerships and customers including consumer information regarding new and used vehicle inventory, vehicle pricing, specifications and options, business name, address, contact information and hours of operation via a website; automotive dealership services, namely, providing business information for automobile dealerships and customers including business news and business information regarding dealership operations, sales, promotions, and special events via a website; business management of telephone call centers for others; accounting services.

Class 36:

Finance and insurance services, namely, providing financing and credit insurance for the automotive industry; providing information in the field of financial information for dealer partner transactions via websites on global computer networks; providing automotive loan finance and vehicle insurance; providing financial information for automobile consumers and dealers to manage the process of purchasing a vehicle, namely, initiating pre-qualification credit applications and full credit applications, providing lease or finance terms for a vehicle; agreeing to lease and finance terms, and accepting deposits to reserve a vehicle for future purchase; electronic processing of automobile dealership consumer's credit or debit card for payment of services invoices, parts invoices, or vehicle deposits; financing relating to automobiles; insurance services, namely, underwriting car insurance; providing lease or finance terms; accepting deposits to reserve a vehicle for future purchase.

Class 37:

Installation, repair and maintenance of computer hardware for use in automobile industry; providing repair information for setting appointments for automotive maintenance and repair service via a website.

Class 40:

Printing services; providing information in the field of printing in the general printing industry via websites on global computer networks.

Class 41:

Educational services, namely, conducting training in the field of customer relationship, training and education, computer training for the automotive industry via a global computer network, conducting workshops in the field of business management and employee productivity, providing training classes, seminars and on-site instruction regarding computers, computer peripherals and computer programs for use in the automotive industry; arranging and conducting training in the field of car selling and leasing of automobiles; and training dealers on the impact of the internet on the sales process of vehicles; educational services in the nature of internet college, namely, providing online classes featuring training for the sale of vehicles via the internet; educational services, namely, providing sales training at automotive dealerships for the sale of vehicles via the internet; providing information in the nature of current events reporting via websites on global computer networks; providing non-downloadable publications featuring photographs in the field of automobiles; providing

educational information relating to technology that gives users the ability to create customized web pages featuring user-defined information via a website.

Class 42:

Maintenance of customer computer databases for others; computer services, namely, coordination and integration of automobile dealership computer management systems with multiple customer contact points and third party service provider applications, integration of dealership management computer systems and integration of computer telephony systems for seamless in and out bound call management, integration of computer data and financial service provider information for customer database mining programs, designing, implementing, and maintaining interactive websites for others, namely, for automotive dealerships, and computer software design for others, namely, designing web-based showroom customer information centers for on-line automotive dealerships; providing temporary use of online non-downloadable computer e-commerce software that allows users to perform customer marketing and relationship management, namely, customer lead management, database marketing, creating and maintaining customer profiles, data mining and coordination and integration of auto dealership computer management systems with multiple customer contact points and third party service provider application; designing and electronically generating business forms for others; computer technology consulting in the fields of computers, computer peripherals, computer programs, and electronic mail services and electronic mail addresses for use in the automobile industry; computer software development for others; creation in the nature of design of customer databases for others; graphic art design services; designing and electronically generating business documents and forms for others; installation and maintenance of computer software for use in automotive industry; providing temporary use of online non-downloadable customized software for use in creating customized brochures; website design and development for others; designing websites for others for advertising purposes; providing temporary use of online non-downloadable software for electronic processing of automobile dealership consumer's credit or debit card for payment of services invoices, parts invoices, or vehicle deposits; providing temporary use of an online non-downloadable electronic database on global computer networks in the field of digital asset management; providing temporary use of an online electronic database on global computer networks containing information in the field of automotive parts for use in consumer purchasing of automotive parts; providing temporary use of online non-downloadable computer database in the field of purchase and sale of automotive parts for cooperating automotive dealers; electronic data storage of customer addresses, telephone numbers, e-mail addresses, and preference information; physical conversion services from standard paper forms to computer networks in the nature of digitization of documents; providing temporary use of online non-downloadable software for managing and printing of customized forms and point of sale coupons via global computer networks in the automotive dealer industry; providing online non-downloadable electronic database on global computer networks in the field of digital asset management; providing online non-downloadable electronic database on global computer networks containing information in the field of automotive parts for use in consumer purchasing of automotive parts; providing non-downloadable electronic database in the

field of purchase and sale of automotive parts for cooperating automotive dealers.

Class 5:

Pharmaceutical preparations; reagent paper for medical purposes; reagents for use in medical genetic testing; diagnostic agents, preparations and substances for medical purposes; medical diagnostic reagents; medical diagnostic test strips; diagnostic preparations; diagnostic reagents; diagnostic media for bacteriological cultures; diagnostic reagent kits for medical use.

Class 7:

Metalworking machines and tools; mining machines and apparatus; construction machines and apparatus; loading-unloading machines and apparatus; industrial fishing machines; chemical processing machines and apparatus; textile machines and apparatus; food or beverage processing machines and apparatus; lumbering, woodworking, or veneer or plywood making machines and apparatus; pulp making, papermaking or paper-working machines and apparatus; printing or bookbinding machines and apparatus; sewing machines; agricultural machines and agricultural implements, other than hand-operated; shoe making machines; leather tanning machines; glassware manufacturing machines and apparatus; painting machines and apparatus; packaging or wrapping machines and apparatus; plastic processing machines and apparatus; semiconductor manufacturing machines; non-electric prime movers, not for land vehicles; pneumatic or hydraulic machines and instruments; vending machines; fuel dispensing machines for service stations; electric washing machines; repairing or fixing machines and apparatus; mechanical parking systems; vacuum cleaners; electric food blenders for household purposes; dynamo brushes; industrial robots; robotic vacuum cleaners.

Class 9:

Game programs for arcade video game machines; simulators for the steering and control of vehicles; sports training simulators; laboratory apparatus and instruments; photographic machines and apparatus; cinematographic machines and apparatus; optical machines and apparatus; measuring or testing machines and instruments; power distribution or control machines and apparatus; rotary converters; phase modifiers; solar batteries; batteries and cells; electric or magnetic meters and testers; electric wires and cables; telecommunication machines and apparatus; personal digital assistants; computers; computer peripheral devices; computer hardware; electronic data processing machines, apparatus and their parts; tablet computers; electronic control apparatus; satellites for scientific purposes; eyewear; consumer video game programs; electronic circuits and CD-ROMs recorded with programs for hand-held games with liquid crystal displays; downloadable music files; downloadable image files; recorded video discs and video tapes; electronic publications; humanoid robots; user-programmable robots; entertainment robots; performance robots for events; teaching robots for household purposes; amusement robots for household purposes; telepresence robots used to

support reception services for visitors; robots for customer service support; downloadable music files and voice files; downloadable image files and video files; computer software; telepresence robots; humanoid robots with artificial intelligence for use in scientific research.

Class 10:

Medical apparatus and instruments; robots for nursing care and medical purposes; robots for nursing care for patients, the elderly and disabled; genetic testing apparatus for medical purposes; genetic diagnostic apparatus and instruments; diagnostic apparatus and instruments in test kits; wearable monitors used to measure biometric data for medical use.

Class 35:

Advertising and publicity services; business management analysis or business consultancy; business management; providing information concerning commercial sales; compilation of information into computer databases; business consultancy; systemization and compilation of information into computer databases; provision of information and advisory services relating to systemization and compilation of information into computer databases; operation and management of computer system operations; business advice and consultancy associated with the introduction of artificial intelligence and providing information relating thereto; data search using computer databases with artificial intelligence programs for others; management of digital data files using computers and providing information relating thereto; advertising services using robots; reception services for visitors in buildings using robots [office functions]; management of various clinical data of patients and providing information relating thereto; computerized management of personal health information data records.

Class 37:

Repair or maintenance of automobiles; repair or maintenance of two-wheeled motor vehicles; repair or maintenance of optical machines and apparatus; repair or maintenance of photographic machines and apparatus; repair or maintenance of loading-unloading machines and apparatus; repair or maintenance of electronic machines and apparatus; repair or maintenance of telecommunication machines and apparatus; repair or maintenance of electric motors; repair or maintenance of measuring and testing machines and instruments; repair or maintenance of medical apparatus and instruments; repair or maintenance of metalworking machines and tools; repair or maintenance of integrated circuits manufacturing machines; repair or maintenance of semiconductor manufacturing machines; repair of toys or dolls; repair of spectacles; repair or maintenance of industrial robots; repair or maintenance of robotic vacuum cleaners; repair or maintenance of humanoid robots; repair or maintenance of entertainment robots; repair or maintenance of performance robots for events; repair or maintenance of teaching robots for household purposes; repair or maintenance of amusement robots for household purposes; repair or maintenance of reception support robots; repair or maintenance of robots for customer service support; repair or maintenance of robots for nursing care and medical purposes; repair or maintenance of robots for nursing care for patients, the elderly and disabled; repair of toy robots; house cleaning using robots; housekeeping services using robots; rental of robotic vacuum cleaners.

Class 42:

Designing of machines, apparatus, instruments [including their parts] or systems composed of such machines, apparatus and instruments; design services; computer software design, computer programming, or maintenance of computer software; technological advice relating to computers, automobiles and industrial machines; testing, inspection or research of pharmaceuticals, cosmetics or foodstuffs; testing or research on electricity; rental of measuring apparatus; rental of computers; providing computer programs on data networks; computer technology consultancy; creation of computer programs for Internet searchable databases; provision of information on pharmaceutical research using computer databases or the Internet; providing on-line non-downloadable software for database management; research in the field of artificial intelligence; artificial intelligence consultancy; providing genetic science information; genetic testing for scientific research purposes; provision of information and data relating to medical and veterinary research and development; electronic storage of medical records; rental of user-programmable humanoid robots, not configured.

Class 44:

Providing medical information; physical examination; dietary and nutritional guidance; nursing care; farming equipment rental; rental of medical apparatus and instruments; rental of fishing equipment and instruments; medical testing of blood and provision of data of blood testing results; medical analysis relating to various clinical data of patients and providing information relating thereto; creation and provision of personal health information data records; rental of robots for nursing care and medical purposes; rental of robots for nursing care for patients, the elderly and disabled; genetic testing for medical purposes; medical and health services relating to DNA, genetics and genetic testing; providing information relating to gene therapy; medical analysis for the diagnosis and treatment of persons; providing information relating to physical examinations; medical evaluation services; remote monitoring of medical data for medical diagnosis and treatment; rental of medical apparatus and installations.

Class 7:

Engines (except for land vehicles); power transmission couplings [other than for land vehicles]; transmission components (except for land vehicles); agricultural implements, other than hand-operated; hydraulic fittings, hydraulic cylinders, pumps, valves [parts of machines], hydraulic controls and pressure oil tanks, included in this class; hydraulic loading and unloading apparatus for commercial vehicles, vehicle trailers, in particular loading/unloading cranes; parts of the aforementioned goods, included in this class; hydraulic and electric machines for loading/unloading superstructures of commercial vehicles, as well as for the replacement of variable superstructures of commercial vehicles, included in this class, as well as parts of these machines, included in this class; machines for lifting, moving, or pulling loads, as well as standard pumps, axial piston pumps, permanently operating pumps, oil circulation pumps, variable pumps, hydraulic

pumps and hydraulic motors, included in this class, as well as parts of these machines, included in this class; mechanical conveyors for passengers and goods, namely lifts, elevators; elevator cabins and elevator doors, included in this class; machines, namely hydraulic and electric support apparatus for loading and unloading of commercial vehicles as well as motors and engines for the aforementioned goods, other than for land vehicles; discharge screws for hydraulic fluids [parts of machines]; hydraulic transmissions, other than for land vehicles; hydraulic hammers; hydraulic circuits for machines; hydraulic engines and motors (except for land vehicles); self-propelled hydraulic platforms; hydraulic wrenches for use on drilling rigs; hydraulic valves [parts of machines]; hydraulic tools; hydraulic pliers [parts of constructing machines]; hydraulic door openers; hydraulic door closers; swaging machines for use in the assembly of hydraulic hoses; gear boxes for hydraulic transmissions [other than for land vehicles]; hoses (non-metallic -) for use in hydraulic systems in machines; servo-controlled hydraulic pumps; machines and parts of machines for land vehicles, namely mechanical shovels, machining centres, stands for machines and machine housings, winches and lifting tackles; motors (except for land vehicles); machine coupling and transmission components (except for land vehicles); agricultural, earthmoving, construction, oil and gas extraction and mining equipment; pumps [machines]; compressors; robots for machine tools; moving and handling equipment; driving devices for machines; generic machine parts for operating motors, engines and machines, namely controls, valves, hydraulic power units and electrical parts; mechanical replacement parts and auxiliary equipment for land vehicles, namely mechanical shovels, machining centres, stands for machines and machine housings, winches, lifting tackles; loading ramps; control mechanisms for machines, engines or motors; machines for the transport and/or handling of heavy and/or large-volume loads; cranes; conveying devices and apparatus; mechanically driven handling devices and apparatus; parts and accessories for the aforesaid goods, included in this class; excavators; bulldozers; mechanical seals [machine parts]; pressure reducers [parts of machines]; pressure regulators [parts of machines]; press rollers for machines; pressure cylinders, except for land vehicles; dynamos; generators of electricity; elevators [lifts]; hoppers [mechanical discharging]; expansion tanks [parts of machines]; filters [parts of machines or engines]; belts for conveyors; conveyors [machines]; crankcases for machines, motors and engines; hangers [parts of machines]; gear boxes, other than for land vehicles; rubber tracks being parts of crawlers on loading-unloading machines and apparatus; rubber tracks being parts of crawlers on mining machines; elevating apparatus; jacks [machines]; lifting apparatus; joysticks being parts of machines, other than for game machines; pistons [parts of machines or engines]; pistons for engines; cranes [lifting and hoisting apparatus]; ball-bearings; radiators [cooling] for motors and engines; couplings, other than for land vehicles; superchargers; bearings [parts of machines]; bearing brackets for machines; journals [parts of machines]; filters for cleaning cooling air, for engines; housings [parts of machines]; pneumatic controls for machines, motors and engines; pumps [parts of machines, engines or motors]; gears, other than for land vehicles; machine wheelwork; reduction gears other than for land vehicles; regulators [parts of machines]; belts for machines; mufflers for motors and engines; belts for motors and engines; valves [parts of machines]; centrifugal machines; sparking plugs for internal combustion engines; cylinders for machines; cylinders for motors and

***List of cases accepted for opposition purposes as shown in Journal 2025/029 published on
18 July 2025 .***

1269

engines; pistons for cylinders; cylinder heads for engines; loading ramps.

Class 12:

Mechanical and hydraulic components of commercial vehicles, of vehicle trailers and tipping bodies, namely tilting constructions, board walls, tilting and bridge frames, as parts of land vehicles; motor lorries, in particular tippers [lorries]; tipping bodies for commercial vehicles, in particular for commercial vehicles with trough tipping devices, rear tipping devices and three-way tipping devices; vehicle body exchange systems, namely mechanical and hydraulic devices for commercial vehicles for the replacement of exchangeable bodies, namely for tippers [lorries], containers, bodies of trough tipping wagons, truck mixers, salt trucks, fifth wheels, and special superstructures, in particular interchangeable body exchange systems for commercial vehicles, for detaching exchangeable superstructures with or without tipping apparatus, as well as load carriers; trailers [vehicles]; tailboards for commercial vehicles and trailers [land vehicles] as parts of deposit and roll-off tippers; parts of deposit and roll-off tippers; hydraulic rim brakes for vehicles; hydraulic circuits for motor cars; hydraulic couplings for land vehicles; hydraulic couplings with integral traps, for land vehicles; hydraulic turbines for land vehicles; vehicles and conveyances; apparatus for locomotion by land, air or water; land vehicles, powered and non-powered; engines for land vehicles; kick sledges; vehicles and apparatus for locomotion for use by the construction and mining industry, in the field of industrial and plant construction, for use by the offshore industry, the shipyard industry, in the field of energy management, for use by the chemical industry as well as in the field of transportation logistics in general; vehicles and apparatus for the transport of heavy and/or large-volume loads, in particular semitrailer motor vehicles and semitrailers, low loaders, flat-bed vehicles, flat-bed trailers, heavy road vehicles and heavy goods transport apparatus as well as traction engines, in particular for the aforesaid vehicles, and trailers for the aforesaid vehicles; semitrailer motor vehicles; modular heavy road vehicles and heavy duty modular trailers with tower bearing; modular heavy road vehicles and heavy duty modular trailers with ball slewing ring, as parts and accessories of land vehicles; special modules and special modular trailers with ball slewing ring being parts and accessories for land vehicles; heavy duty modules with hydrostatic drive; trailers, in particular heavy duty trailers, low-bed trailers; trailers; trailers, namely self-steering trailers; trailers for building construction, civil engineering and road construction; trailers for the mining industry; trailers for transport logistics; tow bars; bodies for trailers; vehicles and apparatus for aeronautics, in particular aircraft tractors and transporting vehicles for space vehicles; fluidic, in particular hydraulic, pneumatic and electric drive devices for the aforesaid land vehicles and the aforesaid apparatus for locomotion; housings for land vehicle components, other than for engines; gear boxes for land vehicles; elevator tailboards [parts of deposit and roll-off tippers]; caissons [vehicles]; automobile chains; trucks; axles for vehicles; treads for vehicles [tractor type]; reduction gears for land vehicles; mudguards; vehicle shock absorbers; shock absorbers for automobiles; shock absorbing springs for vehicles; vehicle bumpers; bumpers for automobiles; driving chains for land vehicles; propulsion mechanisms for land vehicles; turbines for land vehicles; subframes as body parts.

plastics; materials for caulking, stopping-up and insulating; plastic substances, semi-processed; compositions to prevent the radiation of heat; materials for packing, stopping and insulating; plastic products, semi-finished; plastic fibres, other than for textile use; threads of plastic materials, other than for textile use; acrylic resins, semi-processed; artificial resins, semi-processed; semi-processed synthetic polymer resins; thermosetting resins, semi-processed; plastics and resins in extruded form used in manufacturing; semi-worked polymer resins in the form of bands; semi-worked polymer resins in the form of fibres; semi-worked polymer resins in the form of plates; rings of rubber for use as pipe connection seals; watertight rings for plumbing pipes; rings of metal for use as pipe connection seals; seals, not of metal, for cables; seals, not of metal, for conduits; seals, not of metal, for joints; seals, not of metal, for pipes; pipe joint compounds; sealing compounds; flexible plastic conduits for plumbing purposes; pipe couplings, not of metal; cords of rubber; cotton wool for packing [caulking]; encapsulated seals, not of metal; seals, not of metal, for gas pipes; pipe couplings and joints, not of metal; gaskets of metal; gaskets, not of metal; pipe gaskets; elbows, not of metal, for pipes; elbows, not of metal, for rigid pipes; insulation jackets for industrial pipes; seals for pipe connections; insulating sleeves for water heaters; pipe muffers, not of metal; insulating mastics; sealant compounds for joints; plastic sheet materials for use in the manufacture of countertops; plastic sheet materials for use in manufacturing processes; foam insulation materials for use in building and construction; boiler composition to prevent the radiation of heat; weatherstripping compositions; semi-processed plastic and resin materials used in production; semi-processed plastic in sheet form; waterproof membranes of polymers; insulating waterproofing membranes; polyurethane film, other than for wrapping; laminated vapor barriers; junctions, not of metal, for pipes; fittings, not of metal, for hoses; junctions, not of metal, for rigid pipes; synthetic resins, semi-processed; washers of rubber; plugs of rubber for showers; plugs of rubber for baths; hoses of rubber; hydraulic hoses of rubber; hydraulic hoses of plastic; air hoses, not of metal; valves of rubber; valves of rubber or vulcanized fiber, other than parts of machines; unprocessed and semi-processed rubber, gutta-percha, gum, asbestos, mica and substitutes for all these materials; plastics and resins in extruded form for use in manufacture; packing, stopping and insulating materials; flexible pipes, tubes and hoses, not of metal.

Class 35:

Retail and wholesale services, including on-line retail and wholesale services, of friction lighters for igniting gas, gas igniters for ovens, grill lighters, gas lighters, regulating and safety accessories for water apparatus, regulating and safety accessories for gas apparatus, heating rings; retail and wholesale services, including on-line retail and wholesale services, of microwave ovens [cooking apparatus], cooking apparatus, ionization apparatus for the treatment of air or water, air purifying apparatus, cooking apparatus and installations; retail and wholesale services, including on-line retail and wholesale services, of electric sous-vide cookers, kilns, apparatus for filtering drinking water, water softening apparatus, water filtration and purification apparatus, domestic water filtering units, smoke generating apparatus for cooking, multicookers, faucet aerators, extractors [ventilation or air-conditioning]; retail and wholesale services, including on-line retail and wholesale services, of barbecues, wall-mounted

spouts for wash-hand basins, wall-mounted spouts for sinks, electric kettles for household purposes, water filtration bottles sold empty, portable fire pits, gas boilers, flues for heating boilers, kitchen blow torches, extractor hoods for kitchens, cooker hoods, ventilation hoods, ventilation hoods for stoves, water filtration jugs, electric saucepans, warming drawers for kitchens; retail and wholesale services, including on-line retail and wholesale services, of furnace ash boxes, stove burner covers, gas stoves, gas stoves for household purposes, cooking stoves, electric cookers, heat sinks for use in heating, cooling, ventilating and cooking apparatus, mixer showers, hand-held showers, kitchen sink sprayers, shower sprayers [plumbing fittings]; retail and wholesale services, including on-line retail and wholesale services, of electric heating filaments, water filters, air filters for household purposes, filters for extractor hoods, filters for air purifiers, sink filters, faucet filters, induction ovens, furnaces, other than for laboratory use; retail and wholesale services, including on-line retail and wholesale services, of cooking rings, kerosene stoves, induction cookers, camping stoves, electric cooking stoves for household purposes, cookers, gas cookers, electric couscous cookers, portable stoves, electric induction hobs, cooking hobs in glass-ceramic, built-in cookers; retail and wholesale services, including on-line retail and wholesale services, of cooking ovens, charcoal roasters for household purposes, convection ovens, pot furnaces, microwave ovens for cooking, furnaces for central heating, baking ovens for household purposes, table top ovens, gas cooking ovens, gas cooking ovens for household purposes; retail and wholesale services, including on-line retail and wholesale services, of electric cooking ovens, electric cooking ovens for household purposes, ovens, other than for laboratory use, electric cooking ovens for domestic use, commercial cooking ovens, kitchen ranges [ovens], reheating furnaces, air heating furnaces, electric ovens, electric rotisseries, bakers' ovens, pizza ovens, electric toaster ovens; retail and wholesale services, including on-line retail and wholesale services, of refrigerator-freezers, refrigerating chambers, refrigerating cabinets, refrigerating containers, refrigerating display cabinets, refrigerating apparatus and machines, combinations of refrigerators and freezers, refrigerators, gas refrigerators, electric cool boxes, water coolers, cooling installations and machines, air-conditioning apparatus, air purifying apparatus and machines, electric laundry dryers, hair dryers; retail and wholesale services, including on-line retail and wholesale services, of air fryers, electric deep fryers, electric oil-free fryers, gas fires, electric roasters, fish roasters, rotisseries, roasting jacks, charcoal grills, gas-powered griddles [cooking appliances], grills [cooking appliances], electric grills, electric outdoor grills, electric indoor grills, furnace grates, gas grills; retail and wholesale services, including on-line retail and wholesale services, of cooking installations, wash-hand basins [parts of sanitary installations], bathroom sinks, kitchen washbasins, sinks, kitchen sinks incorporating integrated worktops, kitchen sinks incorporating integrated worktops comprising cutting boards, colanders, small baskets, basins, kitchen sinks, sinks integrated in counters and worktops, built-in kitchen sinks, stainless steel sink tops, soap dispensers [parts of kitchen sinks]; retail and wholesale services, including on-line retail and wholesale services, of basins and siphons [parts of kitchen sinks], kitchen sinks featuring incorporated waste disposals and cutting boards of wood, kitchen sinks featuring incorporated small baskets of steel and plastic, sink strainers, ceramic briquettes for use in barbecue grills, faucet handles, vanity top sinks; retail and

List of cases accepted for opposition purposes as shown in Journal 2025/029 published on 18 July 2025 .

wholesale services, also on-line retail and wholesale services, of electric cooking pots for household purposes, cooktops, gas cooktops, electric hot plates, heating plates, electric cooktops, hot plates for household purposes, hot plates, lava rocks for use in barbecue grills, heat guns, electric heaters, gas heaters; retail and wholesale services, including on-line retail and wholesale services, of oven fittings made of fireclay, fitted liners for ovens, shaped fittings for furnaces, washers for water taps, taps, water-saving faucets, automatic faucets, mixer taps for water pipes, single-lever faucets for sinks, taps for wash-hand basins, bath tub spouts; retail and wholesale services, including on-line retail and wholesale services, of water heaters for household purposes, gas-fired water heaters, electric water heaters, electric beverage heaters, electric food warmers, heat exchangers, other than parts of machines, heating rods, roasting spits for cooking ovens, roasting spits, faucet sprayers, steam sterilizers for household purposes; retail and wholesale services, including on-line retail and wholesale services, of stoves [heating apparatus], coal stoves, charcoal stoves, solid fuel burning stoves, wood burning stoves, oil stoves; retail and wholesale services, including on-line retail and wholesale services, of electric thermo-pots, flexible pipes being parts of wash-hand basin plumbing installations, flexible pipes being parts of sink plumbing installations, electric cooking utensils, water control valves for faucets, dampers for furnaces; retail and wholesale services, including on-line retail and wholesale services, of apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes; retail and wholesale services, including on-line retail and wholesale services, of thermosetting composite materials, thermosetting composite moulding materials for making kitchen sinks, plugs of rubber for sinks, insulating materials, thermal insulating materials, insulating materials made of polyurethane foam, insulating materials made of polyethylene foam, insulation materials for pipes, padding materials of rubber or plastics, materials for caulking, stopping-up and insulating; retail and wholesale services, including on-line retail and wholesale services, of semi-processed plastic substances, compositions to prevent the radiation of heat, materials for packing, stopping and insulating, semi-finished plastic products; retail and wholesale services, including on-line retail and wholesale services, of plastic fibres, other than for textile use, threads of plastic materials, other than for textile use, semi-processed acrylic resins, semi-processed artificial resins, semi-processed synthetic polymer resins, semi-processed thermosetting resins, plastics and resins in extruded form used in manufacturing, semi-worked polymer resins in the form of bands, semi-worked polymer resins in the form of fibres; retail and wholesale services, also on-line retail and wholesale services, of semi-worked polymer resins in the form of plates, rings of rubber for use as pipe connection seals, watertight rings for plumbing pipes, rings of metal for use as pipe connection seals; retail and wholesale services, including on-line retail and wholesale services, of seals, not of metal, for cables, seals, not of metal, for conduits, seals, not of metal, for joints, seals, not of metal, for pipes, pipe joint compounds, sealing compounds; retail and wholesale services, also on-line retail and wholesale services, of flexible plastic conduits for plumbing purposes, pipe couplings, not of metal, cords of rubber, cotton wool for packing [caulking], encapsulated seals, not of metal, seals, not of metal, for gas pipes, pipe couplings and joints, not of metal, gaskets of metal, gaskets, not of metal, pipe gaskets, elbows, not of metal, for pipes, elbows, not of metal, for rigid pipes; retail and wholesale

services, including on-line retail and wholesale services, of insulation jackets for industrial pipes, insulating gloves, seals for pipe connections, insulating sleeves for water heaters, pipe muffs, not of metal; retail and wholesale services, including on-line retail and wholesale services, of insulating mastics, sealant compounds for joints, plastic sheet materials for use in the manufacture of countertops, plastic sheet materials for use in manufacturing processes, foam insulation materials for use in building and construction, boiler composition to prevent the radiation of heat, weatherstripping compositions, semi-processed plastic and resin materials used in production; retail and wholesale services, including on-line retail and wholesale services, of semi-processed plastic in sheet form, waterproof membranes of polymers, insulating waterproofing membranes, polyurethane film, other than for wrapping, laminated vapor barriers, junctions, not of metal, for pipes, fittings, not of metal, for hoses, junctions, not of metal, for rigid pipes; retail and wholesale services, including online retail and wholesale services, of semi-processed synthetic resins, washers of rubber, plugs of rubber for showers, plugs of rubber for baths, hoses of rubber, hydraulic hoses of rubber, hydraulic hoses of plastic, air hoses, not of metal, valves of rubber, valves of rubber or vulcanized fiber, other than parts of machines; retail and wholesale services, also on-line retail and wholesale services, of unprocessed and semi-processed rubber, gutta-percha, gum, asbestos, mica and substitutes for all these materials, plastics and resins in extruded form for use in manufacture, packing, stopping and insulating materials, flexible pipes, tubes and hoses, not of metal; presentation of goods on communication media, for retail purposes; commercial information and advice for consumers [consumer advice shop]; sales promotion for others; outsourcing services [business assistance]; procurement services for others [purchasing goods and services for other businesses]; demonstration of goods; shop window dressing; sponsorship search; business inquiries; business information and inquiries; organization of fashion shows for promotional purposes; administrative processing of purchase orders; organization of events, exhibitions, fairs and shows for commercial, promotional and advertising purposes; commercial administration of the licensing of the goods and services of others; advertising, marketing and publicity services; publication of publicity materials and texts; business intermediary and advisory services; business consultancy, management, planning and supervision; commercial intermediation services; business networking; business development services; marketing; marketing analysis and advisory services; organization, operation and supervision of loyalty and incentive schemes; distribution and dissemination of promotional, advertising and marketing materials; distribution of samples for advertising purposes; publication of printed matter for advertising purposes; publication of publicity materials on-line; input and compilation of information into computer databases; compilation and systemization of information into computer databases; compilation of statistical information; computerized file management; compilation of information into computer databases; computerized register management; on-line ordering services; providing assistance in the field of product commercialization within the framework of a franchise contract; assistance with the development and management of a commercial business; business advisory services relating to the establishment and operation of franchises; advisory services relating to the operation of franchises; business management

advisory services relating to franchising; advertising; business management, organization and administration; office functions.

NuCycle

International priority date claimed: 29 August 2024 (DE) (30 2024 009 553)

Class 1:

Chemical products for industrial, scientific, and photographic purposes, as well as agricultural, horticultural and forestry purposes, in particular chemical preparations containing carbon black for use in the rubber industry, the printing industry, the plastics industry, the paint, lacquer and coatings industry as well as the sealants and adhesives industry; fillers for rubber; fillers for synthetic resins; carbon black for industrial or agricultural purposes; carbon; carbon black for industrial purposes, in particular for use as a reinforcing filler for natural and synthetic rubber and plastics, as a coloring agent, a rheology modifier, a protective agent against ultraviolet radiation, an agent for absorbing infrared light, an antistatic agent, an electrically conductive agent, a dispersant, an antioxidant and/or a reducing agent; carbon black for use in the manufacture of industrial products such as tires, plastic articles, fibres and coatings, textiles, papers; paints, coatings, varnishes, lacquers, printing inks, toners, printing media, sealants, adhesives, electrode materials, catalysts and technical rubber articles and for use in metallurgical processes; technical gases being gases and gas mixtures for use in industry, research and science; gaseous and liquid hydrocarbons, not for use as fuel; gases and oils for industrial purposes, in particular gases and oils from the processing of waste products such as used tires, for example pyrolysis gas and pyrolysis oil being preparations for use in producing carbon black; unprocessed synthetic resins, unprocessed plastics, in particular resins and plastics containing carbon black; adhesives for industrial purposes, in particular adhesives containing carbon black for industrial purposes; all of the aforementioned goods preferably at least partly produced from renewable and/or biogenic sources.

Class 2:

Paints; varnishes; lacquers; coatings [paints or lacquers]; dyes; blacks [dyes or paints]; pigments; carbon black as pigment, in particular for use in printer inks, toners, for contactless printing, in sealants, adhesives, paints, coatings, varnishes, lacquers, cement, concrete, rubber as well as plastics; carbon black as

colorant; all of the aforementioned goods preferably at least partly produced from renewable and/or biogenic sources.

Class 42:

Scientific and technological services and related research and design services as well as industrial analysis and research services, in particular chemical analysis, chemical research, chemical services, engineering services, industrial design services, physical research, scientific laboratory services, scientific research, engineering research, technical project studies, materials testing.

vehicles; reversing alarms for vehicles; rearview mirrors; windshield wipers; inner tubes for pneumatic tyres; mudguards; anti-skid chains; seat covers for vehicles; adhesive rubber patches for repairing inner tubes; security harness for vehicle seats; safety belts for vehicle seats; sun-blinds adapted for automobiles; spoke clips for wheels; spikes for tyres; steering wheels for vehicles; suspension shock absorbers for vehicles; shock absorbers for automobiles; shock absorbing springs for vehicles; vehicle bumpers; bumpers for automobiles; caps for vehicle fuel tanks; torsion bars for vehicles; vehicle suspension springs; vehicle running boards; reduction gears for land vehicles; valves for vehicle tyres; windscreens; transmission mechanisms for land vehicles; air suspension, for cars; airsprings for cushioning drivers cabs; air springs, for use in relation to the following goods: driver's seats; axles for air suspension systems in vehicles; air springs for vehicle suspension components for cushioning driver's seats and cabs; wheel hubs; main brake cylinders; brake shafts, for cars; brake drums for vehicles; brake discs for vehicles; brake calipers for vehicles; slack adjusters, for use in relation to the following goods: brakes; compressed air containers (especially designed for vehicles); tarpaulins adapted [shaped] for use with vehicles; tarpaulins adapted [shaped] for use with vehicular trailers.

Class 35:

Providing of an online marketplace for buyers of machines and vehicles (new and used), spare parts and services, in particular in the field of agricultural and forestry machines and motor vehicles; provision of space on web-sites for advertising goods and services; business intermediary services and administration services relating to commercial transactions, in relation to the following goods: used machines, especially, construction machines and agricultural machines and motor vehicles and spare parts, for the benefit of others, via telecommunications systems; administrative recording and handling of guarantees and warranties by means of a platform; consultancy and information relating to the aforesaid services, included in this class; company management; advertising; marketing and promotion services; commercial information and advice for consumers (consumer advice); retail services, wholesale services, mail order retail services, also provided via the internet, in relation to the following goods: mechanical equipment for use in agriculture, machine tools for agriculture, motor vehicles, vehicles, motors and engines, drive units, parts and fittings for all the aforesaid goods; retail services, wholesale services, mail order retail services, also provided via the internet, in relation to the following goods: audio-visual and information technology equipment, optical equipment and apparatus, amplifiers and emphasisers, security, safety, protective and signalling apparatus and equipment, navigation, guidance, tracking, targeting and map-making devices, measuring, sensing and monitoring instruments, devices and regulators, parts and fittings for all the aforesaid goods; retail services, wholesale services, mail order retail services, also provided via the internet, in relation to the following goods: audio-visual and information technology equipment, optical equipment and apparatus, amplifiers and emphasisers, security, safety, protective and signalling apparatus and equipment, navigation, guidance, tracking, targeting and map-making devices, measuring, sensing and monitoring instruments, devices and regulators, abs sensors, electric cables, electronic cables, blinkers, parts and fittings for all the aforesaid goods; business consulting, in particular in the fields of fleet management; business assistance, management and

administrative services in the field of arranging of maintenance work, repairs, vehicle exchange, roadside assistance.

Bernard Krone Holding SE & Co. KG

Representative:Andrea Lührmann
Heinrich-Krone-Str. 10 48480 Spelle GERMANY

WO0000001850635(30)

Office of Origin: VN

Date of International Registration: 26 December 2024

Date of Designation in the UK: 26 December 2024

The applied-for mark consists of the wording "TRUNG NGUYEN" arranged above the bigger wording "Legend", and the device part is expressed by 3 concentric circles, out of which a 8-wing star is centered the smallest circle and medium circle, 2 small pairs of heart and 2 small pairs of device of yin and yang are interposed between the gap generated by the medium circle and largest circle; the said verbal and figurative elements are represented in black. Putting beneath is the wording "GOLD" in black with a border mixing by the color yellow and brown, of which the letter "O" is stylized as a cup of coffee with foam on the surface. All the above elements are placed on a white background.

International priority date claimed: 28 November 2024 (VN) (4-2024-57577)

The mark contains the colours black, yellow, brown and white. The color black appears on the wording "TRUNG NGUYEN Legend" and the device. The color black, brown and yellow appear on the wording "GOLD". The color white appears on the background of the mark.

Class 30:

Coffee; coffee-based beverages; artificial coffee; unroasted coffee; coffee beverages with milk.

Financing of investments; insurance services, risk assessment, valuation and assessment for insurance, guarantees, guarantees and warranties; real estate services, namely administration of buildings, services related to house and building technology, namely advice, planning, project planning and installation as well as service for systems of electrotechnical and mechanical house and building technology, building management in the field of electrotechnical and mechanical building technology; consultation services with regard to the aforementioned services; financial, monetary and banking, loan, credit and leasing finance services; financing and funding services; venture capital services.

Class 37:

Building, construction and demolition; rental of construction tools, construction machinery and equipment for construction, demolition, demolition, cleaning and maintenance work; installation, cleaning, maintenance, repair and maintenance work; maintenance, servicing and repair of alarm systems, locking systems and safes; installation, maintenance, servicing and repair of computer hardware and telecommunications devices; installation, maintenance, servicing and repair of heating, ventilation and air conditioning systems; building maintenance and repair, in particular interior and exterior cleaning of buildings, glazing; installation, maintenance,

servicing and repair of glass, windows, shutters and roller blinds; installation, maintenance, servicing and repair in the sanitary area; installation, maintenance, servicing and repair of elevators; consultancy and advisory services in relation to the aforesaid; services related to the installation, maintenance and inspection of fire alarms and suppression systems.

Class 42:

IT services, namely, design, development, programming and implementation of software, design, development of computer hardware, IT security, protection and repair services; scientific and technological services, namely engineering services, in particular engineering services in the building sector, conception, technical planning and project engineering of technical building equipment, design and development of machines, devices and technical systems for use in the real estate sector, systems for measuring energy consumption; inspection of the values of energy and water meters and other meters and measuring devices in the field of building technology, development of operational reliability, security and information management for industrial data systems, remote monitoring of computer systems; technical project management; monitoring of the technical use and maintenance of real estate; conception, technical planning and project planning of plants in the area of industrial ventilation technology [conception and implementation of ventilation systems, actual recordings and studies, basic engineering, planning services and plant construction]; conception, technical planning and project planning of plants in the area of drive technology [generator development, thermography and load test stands, revision of servo drives]; conception, technical planning and project planning of plants in relation to systems for energy production and supply as well as water treatment and supply; conception, technical planning and project planning of plants in the field of aviation technology [repair of electrical and electromechanical components of aircraft and of electrical aircraft components]; conception, technical planning and project planning of plants in the field commercial kitchen technology [planning, implementation and commissioning of commercial kitchens, maintenance and service]; conception, technical planning and project planning of plants in the area of control and switchgear construction [conception, planning, development and construction of switchgear and control systems, commissioning and service]; conception, technical planning and project planning of plants in the area of test bench technology; conception, technical planning and project planning other in relation to engine and plant test stands for thermodynamic and mechanical functional tests; inspection, control and monitoring of plants, machines, apparatus and technical systems in the fields of real estate, industrial ventilation technology, drive technology, energy production and supply, water treatment and supply, aeronautical engineering, commercial kitchen technology, control and switchgear construction as well as test bench technology; research and design services in relation to building management, construction technology, industrial processes, energy supply, telecommunications and data communication, automation, energy management, energy efficiency, building and property efficiency, generation and storage of renewable energies, security services and municipal technology, surveying and exploration, checking the efficient use of energy, advice on energy saving and energy efficiency, architecture and urban planning services; testing, technical tests, authentication and

(2379244)

Class 9:

Downloadable computer software for use in searching, indexing, organizing, managing, processing, storing, retrieving, analyzing and reporting information and data; computer software for database management; computer software, computer software applications and downloadable computer software with artificial intelligence platform with augmented intelligence to improve the relevance of search engine results and database consultation; computer programs for document management, search and retrieval; enterprise software for conducting research for electronic documents of all kinds in the nature of a database for non-transactional data and a search engine for database content.

Class 35:

Search engine optimization; computer database management services; searching and retrieving data and information available on computer networks for others.

Class 42:

Providing online non-downloadable software for use in searching, indexing, organizing, managing, processing, storing, retrieving, analyzing and reporting information and data; providing search engines for the internet; cloud computing providing software for database management; design of computer databases and search engines; provision of a cloud-based artificial intelligence platform with augmented intelligence to improve the relevance of search engine results and database consultation; platform as a service (PaaS) featuring computer software platforms with augmented intelligence to improve the relevance of search engine results and database consultation; software as a service (SaaS) featuring software with augmented intelligence to improve the relevance of search engine results and database consultation; computer system design; database design and development; software design, development, maintenance, updating and implementation; services of the design and development of software for electronic documents of all kinds; implementation, optimization, technical support and consulting services relating to the above services; cloud computing and software as a service (SaaS) services, namely, hosting computer software applications of others for searching, indexing, organizing,

managing, processing, storing, retrieving, analyzing, and reporting information and data; cloud computing provider services for database management; computer programming services; computer software technical support services; data encryption services; data mining; data warehousing; information, advisory and consultancy services relating to all the aforesaid services; maintenance and repair of computer software; development of databases and systems for storing data, providing and operating of search engines; providing online non-downloadable software for collecting, managing, searching, and viewing records of transactions or activities on computer systems; providing online non-downloadable software for performing analytics on and monitoring application performance of proprietary and open source software applications; providing temporary use of non-downloadable computer software for creating searchable databases of information and data; providing temporary use of non-downloadable computer software for search engine optimisation and data mining; providing temporary use of non-downloadable computer software for use in the field of search, logging, security, cybersecurity, observability and analytics; providing temporary use of non-downloadable computer software for vector searching; providing temporary use of non-downloadable software for enabling artificial intelligence and machine learning; providing temporary use of non-downloadable software for generating predictive analytics and data using generative artificial intelligence, artificial intelligence, machine learning, vector search, contextual relevance and neural network transformer models; providing temporary use of non-downloadable software for use in technical data analysis using artificial intelligence, generative artificial intelligence and machine learning; providing temporary use of non-downloadable software using artificial intelligence, generative artificial intelligence and machine learning; providing temporary use of non-downloadable software using generative artificial intelligence, artificial intelligence, machine learning, vector search, contextual relevance and neural network transformer models; providing temporary use of non-downloadable software using generative artificial intelligence, artificial intelligence, machine learning, vector search, contextual relevance and neural network transformer models to analyze, generate and present predictive analytics and data; software engineering and design services.

Class 45:

Licensing of computer software and mobile software applications and related intellectual property.

18 July 2025 .
1394***

generators; industrial robots; sweeping, cleaning and washing machines, in particular cleaning and cleaning machines for outdoors; engines, powertrains, and machine parts, and controls for the operation of machines and engines; welding and soldering machines and devices, filter machines, separators and centrifuges, coating machines, machines for the disposal and recycling of waste, material production and processing machines.

Class 9:

Recorded content; virtual and augmented reality software; artificial intelligence and machine learning software; software for monitoring, controlling and running physical world operations; web application and server software; content management software; office and business applications; system and system support software, and firmware; operating systems; firmware and device drivers; utility, security and cryptography software; application server software; media and publishing software; communication and networking software; data and file management and database software; information technology, audiovisual, multimedia and photographic devices, in particular communication equipment; computer networking and data communications equipment; point-to-point communications equipment; antennas and aerials as communications apparatus; computers and computer hardware; computer components and parts, in particular audio, visual and photographic devices; image acquisition and development devices, in particular signal lines for it, audio-visual and telecommunications; scientific and laboratory devices for treatment using electricity; apparatus, instruments and cables for electricity, in particular apparatus and instruments for accumulating and storing electricity, apparatus and instruments for regulating electricity, photovoltaic systems for generating electricity and electrical and electronic components, with the exception of electrical cells, electrical accumulators and electrical storage batteries; electric cables and wires; electrical circuits and circuit boards; antennas and aerials as components; security, safety, protection and signaling devices and equipment, in particular alarm and warning equipment, access and access control devices, signaling devices, protection and security equipment; measuring, detecting and monitoring instruments, indicators and controllers; monitoring instruments and apparatus, in particular sensors and detectors, testing and quality control devices and measuring, counting, alignment and calibration instruments; data loggers and recorders; time measuring instruments (not including clocks and watches); weight measuring instruments; distance and dimension measuring instruments; speed measuring instruments; temperature measuring instruments; current measuring instruments and apparatus, in particular control devices [regulators]; fire safety devices including electrical sprinklers, fire alarms, smoke detectors, heat sensors.

Class 11:

Flues and installations for conveying exhaust gases; sanitary installations and facilities, water supply systems, in particular water purification, desalination and treatment systems, sterilization, disinfection and decontamination systems and equipment, sanitary and bathroom installations and sanitary fittings, decorative fountains, irrigation and irrigation systems and steam baths, saunas and bathing facilities [wellness]; burners, boilers and heaters; lighting and light reflectors, in particular lighting and light reflectors for vehicles; fireplaces; air filtering installations; water filtering apparatus; industrial

processing plants, in particular gas filters and purifiers, industrial ovens and furnaces (not for food and beverages) and plants for chemical processing; drying installations; refrigerating and freezing equipment; regulating and safety accessories for water and gas installations; nuclear installations; heating, ventilation, air conditioning and air cleaning devices and systems, in particular air treatment equipment and heating, ventilation and air conditioning systems; cooking, heating, cooling and preservation equipment, for food and beverages.

Class 17:

Flexible pipes, tubes, hoses and fittings therefor (including valves), and fittings for rigid pipes, all non-metallic; seals, sealants and fillers, in particular articles and materials for waterproofing against water and moisture; insulating and barrier materials, in particular articles and materials for thermal insulation, articles and materials for electrical insulation, articles and materials for sound insulation.

Class 19:

Building materials and building elements, not of metal, in particular track building materials, not of metal and hard pipes and valves therefor, not of metal; doors, gates, windows and window coverings, not of metal; buildings and transportable buildings, not of metal, in particular signs and information and advertising boards, not of metal and scaffolding, not of metal.

Class 35:

Advice in questions of the management in order to influence company decisions; business, commercial and organizational administration of investments in legally independent companies within the framework of a strategic group and company policy; commercial and consumer information services, namely retail and wholesale services relating to the following goods: industrial equipment, machinery, construction materials (metal components), electrical components, lighting systems, building infrastructure solutions, energy-efficient systems, renewable energy equipment, industrial automation machinery, electrical and electronic components, HVAC systems, insulation and sealing materials, and sustainable construction materials for building and infrastructure projects; help in business matters, management and administrative services in relation to house and building technology, in particular bookkeeping, bookkeeping and auditing, administrative data processing, personnel management and personnel recruitment, office services, business consultancy, rental of office machines and equipment; business analysis, research and information services relating to home and building technology, namely market research, collecting and systematizing business data; advisory and consultancy services for the aforementioned services; advertising, marketing and promotional services; trade show and commercial exhibition services; loyalty, incentive and bonus program services; distribution of advertising, marketing and promotional material; advertising, marketing and promotional consultancy, advisory and assistance services.

Class 36:

Financing of investments; insurance services, risk assessment, valuation and assessment for insurance, guarantees, warranties and warranties; real estate services, namely administration of buildings, services related to house and building technology, namely advice, planning, project planning and installation as well as service for systems of electrotechnical and mechanical house and building technology, building management in the

field of electrotechnical and mechanical building technology; consultation services with regard to the aforementioned services; financial, monetary and banking, loan, credit and leasing finance services; financing and funding services; venture capital services.

Class 37:

Building, construction and demolition; rental of construction tools, construction machinery and equipment for construction, demolition, demolition, cleaning and maintenance work; installation, cleaning, maintenance, repair and maintenance work; maintenance, servicing and repair of alarm systems, locking systems and safes; installation, maintenance, servicing and repair of computer hardware and telecommunications devices; installation, maintenance, servicing and repair of heating, ventilation and air conditioning systems; building maintenance and repair, in particular interior and exterior cleaning of buildings, glazing; installation, maintenance, servicing and repair of glass, windows, shutters and roller blinds; installation, maintenance, servicing and repair in the sanitary area; installation, maintenance, servicing and repair of elevators; consultancy and advisory services in relation to the aforesaid; services related to the installation, maintenance and inspection of fire alarms and suppression systems.

Class 42:

It services, namely, design, development, programming and implementation of software, design, development of computer hardware, it security, protection and repair services; scientific and technological services, namely engineering services, in particular engineering services in the building sector, conception, technical planning and project engineering of technical building equipment, design and development of machines, devices and technical systems for use in the real estate sector, systems for measuring energy consumption; inspection of the values of energy and water meters and other meters and measuring devices in the field of building technology, development of operational reliability, security and information management for industrial data systems, remote monitoring of computer systems; technical project management; monitoring of the technical use and maintenance of real estate; conception, technical planning and project planning of plants in the area of industrial ventilation technology [conception and implementation of ventilation systems, actual recordings and studies, basic engineering, planning services and plant construction]; conception, technical planning and project planning of plants in the area of drive technology [generator development, thermography and load test stands, revision of servo drives]; conception, technical planning and project planning of plants in relation to systems for energy production and supply as well as water treatment and supply; conception, technical planning and project planning of plants in the field of aviation technology [repair of electrical and electromechanical components of aircraft and of electrical aircraft components]; conception, technical planning and project planning of plants in the field commercial kitchen technology [planning, implementation and commissioning of commercial kitchens, maintenance and service]; conception, technical planning and project planning of plants in the area of control and switchgear construction [conception, planning, development and construction of switchgear and control systems, commissioning and service]; conception, technical planning and project planning of plants in the area of test bench technology; conception, technical

planning and project planning other in relation to engine and plant test stands for thermodynamic and mechanical functional tests; inspection, control and monitoring of plants, machines, apparatus and technical systems in the fields of real estate, industrial ventilation technology, drive technology, energy production and supply, water treatment and supply, aeronautical engineering, commercial kitchen technology, control and switchgear construction as well as test bench technology; research and design services in relation to building management, construction technology, industrial processes, energy supply, telecommunications and data communication, automation, energy management, energy efficiency, building and property efficiency, generation and storage of renewable energies, security services and municipal technology, surveying and exploration, checking the efficient use of energy, advice on energy saving and energy efficiency, architecture and urban planning services; testing, technical tests, authentication and quality control; consultancy and advisory services in relation to the aforesaid.

INNEXIS

International priority date claimed: 20 December 2024 (EM)
(019123323)

Class 1:

Chemicals for use in industry and science; chemical substances, chemical materials and chemical preparations; fire-extinguishing compositions, in particular fire-extinguishing foams; fire prevention compositions; reagents for use in environmental analysis; reagents for use in environmental testing; reagents for scientific or medical research use.

Class 5:

Pharmaceuticals; sanitary preparations and articles; disinfectants and antiseptics; antibacterial handwashes; antibacterial soap; medicated soap; medical dressings.

Class 7:

Machines for the chemical and pharmaceutical industries.

Class 9:

Safety, security, protection and signalling devices; apparatus and instruments for switching the distribution of electricity; data processing apparatus; fire extinguishers; protective and safety equipment.

Class 35:

Business management for operators of industrial and trading estates; business administration; real estate marketing analysis; advertising; preparation of business waste analyses and waste management concepts for others, business project management; emergency management for industrial enterprises, namely emergency call centre services involving the receipt and forwarding of emergency calls.

Class 36:

Real estate affairs; real estate management, namely real estate and property management and rental of real estate; administration of industrial and trading estates; facility management, namely development of usage concepts for real estate in respect of financial matters; provision of financial strategies for real estate; real estate agencies and leasing of real estate.

Class 37:

Construction; repair, namely repair of production installations and auxiliary production installations, technical analysis apparatus and technical furnishings and fittings for buildings for the chemicals and pharmaceuticals industry; installation services, namely installation, repair and maintenance of technical installations; office machines and equipment installation, maintenance and repair; disinfecting; services provided by a building equipment supplier to others, namely assembly and installation in the context of equipping buildings with building technology systems; repair of technical building-related installations and machinery; installation and maintenance of alarm systems and fire alarms; facility management, namely cleaning of buildings (interior and

***List of cases accepted for opposition purposes as shown in Journal 2025/029 published on
18 July 2025 .***

external surface); maintenance and installation of alarm systems and fire alarms; execution of building and civil engineering works in the context of construction measures to provide supply and disposal networks for media, namely roads, paths, pipe bridges and pipelines for the operation of production facilities.

Class 38:

Cabling, routing and connection services for telecommunications; telecommunication services; telephone services; rental of message sending apparatus; transmission of electronic mail; emergency management for industrial enterprises, namely emergency call centre services involving the receipt and forwarding of emergency calls.

Class 39:

Distribution of energy in buildings and installations.

Class 40:

Energy production; air purification; waste water treatment.

Class 41:

Provision of training courses.

Class 44:

Medical consultancy and medical care in the fields of health protection and environmental medicine; agriculture, horticulture and forestry services; design, creation and maintenance of green areas and indoor green spaces; medical assistance.

Class 45:

Firefighting and plant security services; operation of warning systems within the framework of security services for others; security services for the protection of property and individuals.

List of cases accepted for opposition purposes as shown in Journal 2025/029 published on 18 July 2025 .
1405

Date of International Registration: 19 May 2025
Date of Designation in the UK: 19 May 2025

SIGNATURE SLIM

International priority date claimed: 24 March 2025 (US)
(99100511)

Class 9:
Computer keyboards.

Logitech Europe S.A.

Representative: Christopher M. Dolan Barnes & Thornburg
LLP
One North Wacker Drive, Suite 4400 Chicago IL 60606
UNITED STATES OF AMERICA

WO0000001862433(29, 30, 32, 43)
Office of Origin: FR

Date of International Registration: 08 November 2024
Date of Designation in the UK: 08 November 2024

International priority date claimed: 07 November 2024 (FR)
(5096147)
The mark contains the colours orange and white.

Class 29:
Meat, fish, poultry and game; meat extracts, hamburgers,
preserved, dried and cooked fruits and vegetables; preserved,
dried and cooked fruits and vegetables; jellies, jams; egg
dishes; eggs, milk, milk products and substitutes; edible oils
and fats; preserved meat, fish, fruit and vegetables; fruit
salads; vegetable salads; cured meats; milk-based beverages;

dairy-based beverages; ready-made meat dishes; ready-made
vegetable dishes; ready-made fish dishes; ready-made meat and
vegetable dishes; ready-made fish and vegetable dishes; fruit-
based desserts; dairy-based desserts; fruit desserts; chilled dairy
desserts; shish kebabs.

Class 30:
Coffee, tea, cocoa, sugar, rice, tapioca, sago, artificial
coffee; flour and preparations made from cereals, bread,
pastries, biscuits, rusks and confectionery, edible ices; honey,
treacle; yeast, raising agents; salt, mustard; vinegar, sauces
(condiments), salad dressings; spices; ice; sandwiches; hot
dogs; rolls filled with vegetables, cheese, meat, fish, fruit;
pizzas; pies; quiches; minced steaks inserted in brioche buns,
namely hamburgers; pancakes; surprise buns filled with fish,
cheese, meat, charcuterie, pâté, fruit; wraps of meat, cheese,
fish, vegetables; canapés (food); prepared desserts (pastry);
prepared desserts (biscuits); pastries; frozen pastries; puddings;
desserts in the form of mousses; frozen dairy-based desserts;
hot sandwiches.

Class 32:
Beers; mineral and aerated waters and other non-alcoholic
beverages; fruit drinks and fruit juices; syrups and other
preparations for making non-alcoholic beverages; syrups and
other preparations for making beverages.

Class 43:
Hotel and restaurant services; catering services; fast food;
self-service restaurants; tea rooms; canteens; coffee shops;
cafeterias; bars.

Date of International Registration: 30 April 2025
Date of Designation in the UK: 30 April 2025

International priority date claimed: 12 December 2024 (BX)
(1516097)

Class 9:
Database engines; data mining software; downloadable data management software enabling users with a programming language expertise such as developers, data engineers, data scientists and data analysts to run, process, manage and monitor data queries, and storing, receiving, analyzing and compiling large datasets; database server software; interactive database

software; all the aforementioned goods aimed at users with a programming language expertise and with main purpose to handle, monitor, transform, manipulate and filter large datasets and create data frames and data analysis workflows.

Class 42:

Design, development and updating of open-source software and Software as a Service enabling users with a programming language expertise such as developers, data engineers, data scientists and data analysts to run, process, manage and monitor data queries, and storing, receiving, analyzing and compiling large datasets; software as service featuring software enabling users with a programming language expertise such as developers, data engineers, data scientists and data analysts, to run, process, manage and monitor data queries, and storing, receiving, analyzing and compiling large datasets; providing online non-downloadable software enabling users with a programming language expertise such as developers, data engineers, data scientists and data analysts, to run, process, manage and monitor data queries, and storing, receiving, analyzing and compiling large datasets; providing temporary use of non-downloadable software for accessing an online platform in the form of dashboard where users with a programming language expertise such as developers, data engineers, data scientists and data analysts, can run, process, manage and monitor data queries, and store, receive, analyze and compile large datasets; consulting and technical support services in the field of data management and data analytics software; advisory and information regarding the aforementioned services.

Date of Designation in the UK: 25 March 2025

International priority date claimed: 11 March 2025 (MA)
(282067)

Class 14:
Rings [jewelry]; bracelets [jewelry]; earrings; necklaces [jewelry]; chains [jewelry].

Class 18:
Leather and imitations of leather; animal skins and hides; luggage and transport bags; umbrellas and parasols; walking sticks; whips, harness and saddlery; collars, leashes and clothing for animals.

Class 21:
Household or kitchen utensils and containers; combs and sponges; brushes, except paintbrushes; brush-making materials; cleaning material; unworked or semi-worked glass, except building glass; glassware, porcelain and earthenware.

Class 25:
Clothing, footwear, headwear; belts [clothing]; shirts; jackets; pocket squares; articles of clothing (garments); scarves; tee-shirts.

Class 29:
Meat, fish, poultry and game; meat extracts; preserved, frozen, dried and cooked fruits and vegetables; jellies, jams, compotes; eggs; milk and dairy products; edible oils and fats; olive oil for food; oils for food; extra virgin olive oil.

Class 30:
Coffee, tea, cocoa and coffee substitutes; rice; tapioca and sago; flour and preparations made from cereals; bread, pastry and confectionery products; edible ices; sugar, honey, golden syrup; yeast, baking powder; salt; mustard; vinegar, sauces (condiments); spices; ice for refreshment; condiments; spices; flours; honey.

Class 38:

Telecommunications; transmission of digital files; transmission of electronic mails; television broadcasting; transmission of video-on-demand footage.

Class 40:
Treatment of materials; sewing.

Class 41:
Education; training; entertainment; sporting and cultural activities.

Class 42:
Scientific and technological services as well as research and design services relating thereto; industrial analysis and research services; design and development of computers and software; design of interior decor; interior design.

Class 43:
Services for providing food and beverages; temporary accommodation; restaurant services.

Representative: Daniel P. Mullarkey Polsinelli PC
PO BOX 140310 Kansas City MO 64114-0310 UNITED STATES OF AMERICA

WO0000001862566(1, 3, 7, 8, 9, 10, 11, 16, 17, 25, 35)
Office of Origin: EM

Date of International Registration: 17 January 2025
Date of Designation in the UK: 17 January 2025

International priority date claimed: 22 August 2024 (EM)
(019070584)
The mark contains the colours blue and yellow.

Class 1:

Protective coatings for repelling water [chemical]; protective coatings for buildings [other than paints or oils]; protective coatings for car park decks [other than in the nature of paints or oils]; protective coatings for balconies [other than in the nature of paints or oils]; water resistant protective surface coatings [chemical, other than paints]; chemical additives for lubricants; chemical additives for use in the production of lubricants; soldering pastes.

Class 3:

Abrasives; tailors' and cobblers' wax; flexible abrasives; emery paper; emery cloth; emery; abrasive paper; grinding preparations for semiconductors; abrasive preparations for polishing; grinding preparations.

Class 7:

Machine tools; machines for making tools; tools for machine tools; motor driven tools; power operated tools; boring tools

[machine tools]; chisel heads [machine tools]; 3D printers; pumps [machines]; shafts for pumps; pump installations; pump starters; pump diaphragms; driving devices for machines; engines for model vehicles; compressors; pressure regulators [parts of machines]; pistons for cylinders; cylinder liners; cylinders for use in printing machines; cylinders for use in the manufacture of colorants; cylinders for mills; cylinders for motors and engines; valves [parts of machines]; pneumatic drills; air cleaners [air filters] for engines; vacuum cleaners; machines for printing labels; soldering irons, gas-operated; soldering irons, electric; hot melt glue guns; portable electric power tools; bits for mining machines; tool bits for metalworking machines; pneumatic shears; scissors, electric; bolt cutters [machines]; nippers [machines]; rechargeable hedge cutters; hydro-pneumatic accumulators; power-operated garden hose reels; reels, mechanical, for flexible hoses; casing rings [parts of machines]; pumping station assemblies; pump-motor assemblies.

Class 8:

Nippers [hand operated tools]; pliers; flexible screwdrivers (non-electric -); screwdriver bits for hand operated screwdrivers; precision screwdrivers (non-electric -); saw holders; saws [hand tools]; tool belts [holders]; tool holders; hammers [hand tools]; rammers [hand tools]; spanners [hand tools]; ladles [hand tools]; expanders [hand tools]; diggers [hand tools]; rotary tool bits [hand-operated tools].

Class 9:

Semi-conductors; Solid-State lasers; semiconductor chips; semiconductor wafers; semiconductor elements; electronic semi-conductors; ethernet cables; ethernet adapters; ethernet repeaters; ethernet hardware; ethernet transceivers; ethernet cards; ethernet controllers; ethernet switches; personal transceivers; transmitters; transmitter simulators; radio-frequency identification (RFID) tags; radio-frequency identification (RFID) readers; labels with integrated RFID chips; portable radios; wireless local area network devices; adapters for wireless network access; global positioning system [GPS] apparatus; gyro sensors using GPS functions; software for GPS navigation systems; computer software for global positioning systems; aerials; antenna cables; electrophoretic displays; wearable displays; LED display panels; light-emitting diodes [LED]; bi-polar transistors; diodes; diode arrays; electric diodes; zener diodes; microcontrollers; low power microcontrollers; USB adapters; USB hubs; USB card readers; USB chargers; software; computer software packages; logic probes; logic circuits; electronic logic circuits; programmable logic arrays; intelligent character recognition [ICR] software; IC memory cards; surround processors; coolers for processors for data processing apparatus; fluid coolers for processors; resistors; inductive resistors; resistances, electric; electric resistors [for telecommunication apparatus]; trimmer capacitors; digital potentiometers; fuses; electrical fuses; thermal cutoffs; fuse wire; fuse indicators; commutators; relay sockets; sensors; disc memories; record decks; magnets; magnets, magnetizers and demagnetizers; magnets for industrial purposes; computer housings; housings for measuring apparatus; electrical skeleton switches; terminals [electricity]; terminal blocks (electrical connecting -); plugboards; distribution amplifiers; electrical distributors; electrical connector contact terminals; cable harnesses; cable modems; cable adapters; cable connectors; transducers; transducer energisers; transformers [electricity]; power

***List of cases accepted for opposition purposes as shown in Journal 2025/029 published on
18 July 2025 .
1410***

packs [transformers]; electronic transformers; battery boxes; battery jars; chargers; illumination regulators; illuminometers; loudspeakers; cabinets for loudspeakers; loudspeaker systems; microphones; headsets; wireless headsets; printers; digitizing printers; electronic docking stations; mobile phone docking stations; laptop docking stations; docking stations for smartphones; docking stations for digital music players; docking stations for MP3 players; tablet docking stations; metric converters; plug adaptors; electrical adapters; computer network adapters; keyboards; keyboard terminals; electronic sensors; optical fibre sensors; signal transmitters; oil pressure regulators; air pressure regulators; water pressure regulators; scales; measuring apparatus; temperature sensing apparatus for scientific use; thermal imaging cameras; wireless weather stations; digital weather stations; anti-fogging safety goggles; goggles; self-adhesive labels [encoded]; label readers [decoders]; electronic tags; microscopes; reflecting telescopes; batteries; power cables; electricity measuring instruments; power testers; current transformers; converters, electric; cable detectors; cable locators; plug-in connectors; optical connectors; insulated electrical connectors; coaxial cable connectors; electrical connector housings; covers for electric outlets; moveable sockets; electric sockets; remote control sockets; electrical power outlet boxes; electric terminal lugs; electrical switch cabinets; light sensitive relays; relays, electric; electromagnetic relays; reed contact switches; relays for radio and TV stations; electrotechnical components; electronic components; microelectronic components; optical electronic components.

Class 10:

Compressors [surgical]; compressors for medical [treatment] purposes.

Class 11:

Security lighting incorporating a movement activated sensor; security lighting incorporating a heat activated sensor; security lighting incorporating an infra-red activated sensor; pressure relief apparatus for use with gas installations; pressure controllers [regulators] for water pipes; pressure controllers [regulators] for gas pipes; lamp chimneys; bath fittings; bath plumbing fixtures; water control valves for faucets; lamp glasses; lighting apparatus; luminaires; lamps; electric torches; air purifiers; ventilating fans.

Class 16:

Sticky tape; double sided adhesive tapes for stationery use; double sided adhesive tapes for household use; self-adhesive tapes for stationery use; adhesive materials for office use; label paper; labels of paper; brush pens.

Class 17:

Semi-worked PLA filaments for use in 3D printing; semi-worked ABS filaments for use in 3D printing; motor slot liners [insulators]; cylinder jointings; valves of vulcanised fibre; clack valves of rubber; valves of synthetic rubber; graphite packing for pumps, gaskets and valves; microporous synthetic sheets for the manufacture of protective workwear; adhesive tapes for use with floor coverings; gap filling tapes; hose linings; hose bandages; glass fibre reinforced hose; plastic hoses for air conditioners; non-metallic insulated pipes.

Class 25:

Top hats; gloves [clothing].

Class 35:

Retail services in relation to hearing protection devices; advertising, marketing and promotional services; distribution of advertising, marketing and promotional material; product demonstrations and product display services; trade show and commercial exhibition services.

Bürklin GmbH & Co. KG

Representative: PATENTANWÄLTE EDER SCHIESCHKE & PARTNER MBB

Date of Designation in the UK: 04 October 2024

The mark contains the colour blue.

List of cases accepted for opposition purposes as shown in Journal 2025/029 published on 18 July 2025 .

Class 6:

Containers of metal for storage and transport; cables and wires of common metal [not for electrical purposes]; containers and transport and packaging items made of metal; waste containers [garbage containers] for industrial use made of metal; metal hardware; common metals, unwrought or semi-wrought; locksmith goods; wear and replacement parts for all the aforesaid goods, included in this class; parts and accessories for all the aforesaid goods, included in this class.

Class 7:

Plants, devices and machines for the treatment of waste and metal scrap (in particular for pressing, shredding, compacting, mixing, compressing, cutting, conveying, discharging, sorting, extracting, recycling, separating, reprocessing, drying, dedusting, dewatering, packaging, stacking and disposing); presses (in particular hole-drawing presses, scrap presses, cotton presses, baling presses, packing presses, test presses, forging presses, bending and straightening presses, briquetting presses, shearing presses, shear- packing presses, packaging presses, rotary shears, each of the aforesaid also operated electrically, pneumatically and hydraulically); shredding machines (namely mills, crushers and shears for shredding all kinds of materials such as, among others, metal scrap, metal shavings, slag, garbage, wood, paper, rubber, plastic, glass and carbon anodes, in particular scrap shears, press scissors and waste/garbage shears); scrap processing and recycling machines; dispensing machines; electric generators; couplings and devices for power transmission, other than for land vehicles; robots (in particular industrial robots, transport robots; waste processing robots); mechanical equipment for agriculture, earthworks, construction work, oil and gas extraction work and mining work (in particular presses, crushing machines and packaging machines); machine-operated apparatus for collecting and removing waste; machines and machine tools for material processing and production, recycling, separating, shearing, cutting, shredding, chipping, pressing; power-operated tools, construction machines and equipment for construction, demolition, cleaning and maintenance work; emergency and rescue machines and machine tools; machine tools; motors and engines, other than for land vehicles; motors, drives, machine parts and controls for the operation of machines and engines; drive devices for machines; pumps, compressors and blowers; conveyor systems and conveyor belts; assemblies, parts, spare parts and accessories for all the aforesaid goods, included in this class.

Class 8:

Hand-operated devices and tools for material processing as well as for construction, repair and maintenance work (in particular devices for changing machine parts in machines, e.g. in machines for processing, such as recycling, separating, shearing, cutting, shredding, chipping, pressing of any type of material, such as scrap shears, waste/garbage shears, shear presses, shear packing presses, packing presses, briquetting presses, rotary shears, machine tools); hand-operated devices for collecting and removing waste; lifting tools; knifeware, knifeware and cutting equipment, cutting knives, cutting belts, saw blades, cutting blades, cutting discs (all of the above in particular for tools, equipment, machines and plants); parts and accessories for all the aforesaid goods, included in this class.

Class 9:

Scientific, research, navigation, surveying, photographic, film, audiovisual, optical, weighing, measuring, signaling, detecting, testing, controlling, rescuing and teaching apparatus and instruments; scientific research and laboratory apparatus, teaching apparatus and simulators; apparatus, instruments and cables for electricity; apparatus and instruments for conducting, switching, converting, storing, regulating or controlling the distribution or use of electricity; control devices and computer-based controls; recorded data; recorded and downloadable media, computer software, blank digital or analog recording and storage media; computer programs and data carriers; information technology, audiovisual, multimedia and photographic devices; computers and computer peripheral devices; devices and instruments for recording, transmitting, reproducing or processing sound, images or data; magnets, magnetizers and demagnetizers; measuring, detection, monitoring and control devices; material testing instruments and machines; navigation, guidance, tracking, targeting and map making devices; optical devices, enhancers and correctors; safety, security, protection and signalling devices; scientific and laboratory devices for treatment using electricity; parts and accessories for all the aforesaid goods, included in this class.

Class 11:

Flues and installations for conveying exhaust gases; air filters for industrial and household use; dry, wet and electrostatic filters for air regeneration; heating, ventilation, air conditioning and air purification devices and systems; industrial treatment installations; industrial installations for filtering liquids; installations for collecting gases; installations for collecting liquids; installations for separating impurities from molten metals; combustion and pyrolysis plants, in particular waste incineration plants; devices for the thermal, chemical and radioactive disinfection of waste and facilities that come into contact with waste; personal heating and drying implements; parts and accessories for all the aforesaid goods, included in this class.

Class 35:

Commercial services and consumer information services, namely auctioneering services, rental of vending machines, agency services, organizing and arranging of business introductions, collective purchasing services, commercial evaluation services, preparation of competitions, agency business, import and export services, negotiation and agency services, ordering services, price comparison services, procurement services for third parties, subscription services, retail and wholesale services relating to industrial facilities, containers of metal for storage and transport, cables and wires of common metal [not for electrical purposes], containers and transport and packaging items made of metal, waste containers [garbage containers] for industrial use made of metal, metal hardware, unprocessed and semi-processed materials of metal (not specified for use), locksmith goods, plants, devices and machines for the treatment of waste and metal scrap (in particular for pressing, shredding, compacting, mixing, compressing, cutting, conveying, discharging, sorting, extracting, recycling, separating, reprocessing, drying, dedusting, dewatering, packaging, stacking and disposing), presses (in particular hole-drawing presses, scrap presses, cotton presses, baling presses, packing presses, test presses, forging presses, bending and straightening presses, briquetting presses, shearing presses, shear- packing presses, packaging presses, rotary shears, each of the aforesaid also operated

electrically, pneumatically and hydraulically), shredding machines (namely mills, crushers and shears for shredding all kinds of materials such as, among others, metal scrap, metal shavings, slag, garbage, wood, paper, rubber, plastic, glass and carbon anodes, in particular scrap shears, press scissors and waste/garbage shears), scrap processing and recycling machines, dispensing machines, electric generators, couplings and devices for power transmission (other than for land vehicles), robots (in particular industrial robots, transport robots, waste processing robots), mechanical equipment for agriculture, earthworks, construction work, oil and gas extraction work and mining work (in particular presses, crushing machines and packaging machines), machine-operated apparatus for collecting and removing waste, machines and machine tools (for material processing and production, recycling, separating, shearing, cutting, shredding, chipping, pressing), power-operated tools, construction machines and equipment (for construction, demolition, cleaning and maintenance work), emergency and rescue machines and machine tools, machine tools, motors and engines (other than for land vehicles), motors, drives, machine parts and controls for the operation of machines and engines, drive devices for machines, pumps, compressors and blowers, conveyor systems and conveyor belts, hand-operated devices and tools for material processing as well as for construction, repair and maintenance work (in particular devices for changing machine parts in machines, e.g. in machines for processing, such as recycling, separating, shearing, cutting, shredding, chipping, pressing of any type of material, such as scrap shears, waste/garbage shears, shear presses, shear packing presses, packing presses, briquetting presses, rotary shears, machine tools), hand-operated devices for collecting and removing waste, lifting tools, knifeware (in particular for tools, equipment, machines and plants), knifeware and cutting equipment (in particular for tools, equipment, machines and plants), cutting knives (in particular for tools, equipment, machines and plants), cutting belts (in particular for tools, equipment, machines and plants), saw blades (in particular for tools, equipment, machines and plants), cutting blades (in particular for tools, equipment, machines and plants), cutting discs on particular for tools, equipment, machines and plants, scientific, research, navigation, surveying, photographic, film, audiovisual, optical, weighing, measuring, signaling, detecting, testing, controlling, rescuing and teaching apparatus and instruments, scientific research and laboratory apparatus, teaching apparatus and simulators, apparatus, instruments and cables for electricity, apparatus and instruments for conducting, switching, converting, storing, regulating or controlling the distribution or use of electricity, control devices and computer-based controls, recorded data, recorded and downloadable media, computer software, blank digital or analog recording and storage media, computer programs and data carriers, information technology, audiovisual, multimedia and photographic devices, computers and computer peripheral devices, devices and instruments for recording, transmitting, reproducing or processing sound, images or data, magnets, magnetizers and demagnetizers, measuring, detection, monitoring and control devices, material testing instruments and machines, navigation, guidance, tracking, targeting and map making devices, optical devices, enhancers and correctors, safety, security, protection and signalling devices, scientific and laboratory devices for treatment using electricity, exhausts and installations for exhaust fumes, filters for industrial and household use, dry, wet and electrostatic filters for air regeneration, heating, ventilation,

air conditioning and air purification devices and systems, industrial treatment installations, industrial installations for filtering liquids, installations for collecting gases, installations for collecting liquids, installations for separating impurities from molten metals, combustion and pyrolysis plants, in particular waste incineration plants, devices for the thermal, chemical and radioactive disinfection of waste and facilities that come into contact with waste, personal heating and drying implements, assemblies for all the aforesaid goods, parts for all the aforesaid goods, wear and spare parts for all the aforesaid goods, accessories for all the aforesaid goods; rental and leasing of items in connection with the provision of the aforementioned services, included in this class; consultancy and information relating to the aforesaid services, included in this class.

Class 37:

Rental of tools, construction machinery and equipment for construction, assembly, demolition, installation, cleaning, repair and maintenance work; rental and leasing of items in connection with the provision of the aforementioned services, included in this class; consultancy and information relating to the aforesaid services, included in this class.

Class 40:

Custom fabrication and manufacturing services; energy production (in particular from renewable sources); materials treatment, processing and conversion; recycling of waste and trash; sorting of waste and recyclable materials; air and water conditioning and purification; rental of equipment for the treatment and transformation of materials, for energy production and for custom manufacturing; rental and leasing of items in connection with the provision of the aforementioned services, included in this class; consultancy and information relating to the aforesaid services, included in this class.

Class 42:

Design services; industrial analysis, industrial research and industrial designer services; IT services (in particular development, programming and implementation of software, development of computer hardware, hosting services, software as a service [saas] and rental of software, rental of computer hardware and systems, IT consultancy and information services, IT security services, IT protection services and IT repair services, data duplication and conversion services, data coding services, computer analysis and diagnostics, research and development and implementation of computers and computer systems, computer project management services, data mining, digital watermarking, computer technology consulting services, technological services relating to computers, computer network services, updating computer system data bases, data migration services, updating websites for third parties, monitoring computer systems remotely); testing, authentication and quality control; science and technology services; design and development of computer hardware and software; all of the aforementioned services in relation to industrial facilities, containers of metal for storage and transport, cables and wires of common metal [not for electrical purposes], containers and transport and packaging items made of metal, waste containers [garbage containers] for industrial use made of metal, metal hardware, unprocessed and semi-processed materials of metal (not specified for use), locksmith goods, plants, devices and machines for the treatment of waste and metal scrap (in particular for pressing, shredding, compacting, mixing, compressing, cutting, conveying, discharging, sorting,

extracting, recycling, separating, reprocessing, drying, dedusting, dewatering, packaging, stacking and disposing), presses (in particular hole-drawing presses, scrap presses, cotton presses, baling presses, packing presses, test presses, forging presses, bending and straightening presses, briquetting presses, shearing presses, shear-packing presses, packaging presses, rotary shears, each of the aforesaid also operated electrically, pneumatically and hydraulically), shredding machines (namely mills, crushers and shears for shredding all kinds of materials such as, among others, metal scrap, metal shavings, slag, garbage, wood, paper, rubber, plastic, glass and carbon anodes, in particular scrap shears, press scissors and waste/garbage shears), scrap processing and recycling machines, dispensing machines, electric generators, couplings and devices for power transmission (other than for land vehicles), robots (in particular industrial robots, transport robots, waste processing robots), mechanical equipment for agriculture, earthworks, construction work, oil and gas extraction work and mining work (in particular presses, crushing machines and packaging machines), machine-operated apparatus for collecting and removing waste, machines and machine tools (for material processing and production, recycling, separating, shearing, cutting, shredding, chipping, pressing), power-operated tools, construction machines and equipment (for construction, demolition, cleaning and maintenance work), emergency and rescue machines and machine tools, machine tools, motors and engines (other than for land vehicles), motors, drives, machine parts and controls for the operation of machines and engines, drive devices for machines, pumps, compressors and blowers, conveyor systems and conveyor belts, hand-operated devices and tools for material processing as well as for construction, repair and maintenance work (in particular devices for changing machine parts in machines, e.g. in machines for processing, such as recycling, separating, shearing, cutting, shredding, chipping, pressing of any type of material, such as scrap shears, waste/garbage shears, shear presses, shear packing presses, packing presses, briquetting presses, rotary shears, machine tools), hand-operated devices for collecting and removing waste, lifting tools, knifeware (in particular for tools, equipment, machines and plants), knifeware and cutting equipment (in particular for tools, equipment, machines and plants), cutting knives (in particular for tools, equipment, machines and plants), cutting belts (in particular for tools, equipment, machines and plants), saw blades (in particular for tools, equipment, machines and plants), cutting blades (in particular for tools, equipment, machines and plants), cutting discs (in particular for tools, equipment, machines and plants), scientific, research, navigation, surveying, photographic, film, audiovisual, optical, weighing, measuring, signaling, detecting, testing, controlling, rescuing and teaching apparatus and instruments, scientific research and laboratory apparatus, teaching apparatus and simulators, apparatus, instruments and cables for electricity, apparatus and instruments for conducting, switching, converting, storing, regulating or controlling the distribution or use of electricity, control devices and computer-based controls, recorded data, recorded and downloadable media, computer software, blank digital or analog recording and storage media, computer programs and data carriers, information technology, audiovisual, multimedia and photographic devices, computers and computer peripheral devices, devices and instruments for recording, transmitting, reproducing or processing sound, images or data, magnets, magnetizers and demagnetizers, measuring, detection, monitoring and control devices, material

testing instruments and machines, navigation, guidance, tracking, targeting and map making devices, optical devices, enhancers and correctors, safety, security, protection and signalling devices, scientific and laboratory devices for treatment using electricity, exhausts and installations for exhaust fumes, filters for industrial and household use, dry, wet and electrostatic filters for air regeneration, heating, ventilation, air conditioning and air purification devices and systems, industrial treatment installations, industrial installations for filtering liquids, installations for collecting gases, installations for collecting liquids, installations for separating impurities from molten metals, combustion and pyrolysis plants, in particular waste incineration plants, devices for the thermal, chemical and radioactive disinfection of waste and facilities that come into contact with waste, personal heating and drying implements, assemblies for all the aforesaid goods, parts for all the aforesaid goods, wear and spare parts for all the aforesaid goods, accessories for all the aforesaid goods; engineering services (in particular relating to robotics); engineering services in mechanical and plant engineering; design and development of regenerative energy generation systems; design and development of industrial plants; rental and leasing of items in connection with the provision of the aforementioned services, included in this class; consultancy and information relating to the aforesaid services, included in this class.

The mark contains the colour red.

Class 9:
Software for sensors; data analytics software for use in sensors; real time data analytics software for use in sensors; analytical software for use in manufacturing processes; data processing software systems for use in the food and beverage manufacturing and bottling sector; software for use in apparatus and instruments for production line verification, inspection and monitoring; analytical software for use in manufacturing processes relating to the reporting, measuring, calibrating and monitoring of heat, temperatures, humidity, pressures, liquid levels, and compositions of liquids; humanoid robots with artificial intelligence for preparing beverages; automatic timers for use with beverage makers.

Class 42:
Design, development, and implementation of data processing software systems in sensors and manufacturing processes; design, development, and implementation of data processing software systems for use in the food and beverage manufacturing and bottling sector; design and development of software for quality control, quality testing and quality assessments; design and development of software for quality control, quality testing and quality assessments of manufactured goods; design and development of software for use in sensors to control, test and assess product quality; development of data processing software for the evaluation of performance against bench-mark references in manufacturing processes; advisory services relating to food and beverage technology; consultancy services relating to technical research in the field of food and beverages; consultancy services relating to quality control;

product quality testing; quality audits and quality assurance services in the food and beverage industry.

Computer software; business management software; dashboard software; computer programs; computer software platforms; application software; computer application software; mobile application software; mobile applications; computer software in the form of applications for mobile devices or computers; data processing software; data communications computer software; computer software designed to estimate resource requirements; project management software; computer software for use in automating and managing business processes; computer systems; interactive computer software; computer databases; downloadable computer software for use in project management and scheduling; downloadable computer software for use in payroll management and facilitating payments.

Class 35:

Business consultancy services; business management; business project management; business administration; data processing services; business analysis; human resources management; human resources consultancy; employee relocation services; business evaluations; recruitment of personnel; personnel placement and recruitment; personnel management; electronic order processing services; compilation of information relating to personal data; commercial information by means of mobile applications; statistical analysis and reporting services for business purposes.

Class 41:

Education services; training services; training of personnel in the areas of recruitment, human resources and business management; training and further training for personnel, team and organizational development; consultancy relating to the education and training of management and of personnel.

Class 42:

Software as a service (SaaS); hosting of software as a service [SaaS]; software as a service [SaaS] featuring software for use in project management and scheduling; software as a service [SaaS] featuring software for use in payroll management and facilitating payments; platform as a service (PaaS); provision of online non-downloadable software; design, development and implementation of software; design, development and implementation of computer programs; programming of computer software; customization of computer software; computer software integration services; maintenance and repair of software; computer software development in the field of mobile applications; development and design of mobile applications; rental of computer software and programs; software consultancy services; information technology [IT] services [computer hardware, software and peripherals design and technical consultancy]; online provision of web-based software [non-downloadable]; online provision of non-downloadable web-based applications; computer software research and development; research, design and development of software for managing data; computer services for securing personal information.

Class 45:

Licensing of software; consultancy relating to computer software licensing.

MERIDIAN SPACE

International priority date claimed: 06 September 2024 (US)
(98737875)

Class 9:

Equipment for receiving, processing, and transmitting voice, video, data and information via telecommunications and wireless signals, satellites, and computers, namely, geosynchronous equatorial orbit satellite receivers, geosynchronous equatorial orbit satellite receiver modules, internet service access points, routers, and modems; computer operating hardware and software for use in the aforementioned goods, geosynchronous equatorial orbit satellite terminals, and satellite earth stations; downloadable software in connection with operation of equipment for receiving, processing, and transmitting voice, video, data and information via telecommunications and wireless signals and geosynchronous equatorial orbit satellites; Internet of Things (IoT) gateway routers and modems.

Class 38:

Satellite communication and transmission services; wireless broadband communication services; transmission of data, voice and video via geosynchronous equatorial orbit satellites; interactive satellite communication services; providing telecommunications connections to the internet; telecommunications gateway services; providing high-speed wireless internet access; providing multiple-user access to the internet, global computer networks, and electronic communications networks; providing access to global computer information networks; telecommunications services, namely, transmission of voice, data, graphics, images, audio and video by means of telecommunications networks, wireless communication networks, and the internet; providing information in the field of satellite telecommunications services via a website; providing information in the field of providing internet access via geosynchronous equatorial orbit satellites via a website; internet service provider (ISP) services; satellite telecommunications services, namely, transmission of a wireless internet signal via geosynchronous equatorial orbit satellites; providing third party users with access to satellite telecommunications infrastructure; telecommunication services, namely, transmission and delivery of digital data, light files, sound files, data, information and image signals, by means of computer and satellite networks; collecting and transmitting real-time data and images obtained via geosynchronous equatorial orbit satellites and space vehicles; space-based wireless ISP services; direct space-to-consumer ISP services; aeronautical telecommunications services in the nature of data transfer services from space for use in broadband, communications for Internet of Things (IoT), broadcasting video, streaming video, voice, and data, asset tracking, precision navigation and timing, connected cars, mobile communications devices, and in-space data relays;

***List of cases accepted for opposition purposes as shown in Journal 2025/029 published on
18 July 2025 .***

satellite transmission services in the nature of fixed satellite service (FSS); satellite transmission services in the nature of mobile satellite service (MSS); satellite transmission services in the nature of broadcast satellite service (BSS); digital network telecommunication services; broadcasting transmission services by space-based internet service; audio, video and data transmission by cable, satellite, computer networks, telephone lines and ISDN lines; tracking and data relay services, namely, providing connectivity services for data transfer; providing information concerning satellite internet services via a global information network.

Class 39:

Transport to and from space; transport by space vehicle, launch vehicle, or aerospace projectile; space transport by centrifuge launch; space transport by kinetic launch; provision of information in the field of space transport by centrifuge launch and kinetic launch; in-space transport of space vehicles in the nature of space tugs, refueling space vehicles, and debris removal spacecraft; GPS navigation services via geosynchronous equatorial orbit satellites.

Class 42:

Research and development of technology in the field of satellite communications; engineering services in the field of satellite communications; scientific research services in the field of satellite communications; hosting computer application software for searching and retrieving information, sites, and other resources available on computer networks for others in relation to satellite data, recordings, and measurements; cloud computing featuring software for enabling and managing simultaneous, multiple modes of communication via geosynchronous equatorial orbit satellites; cloud computing featuring software for use in connection with data processing, data storage, data capture, data collection, data warehousing, data management, data mining, database analytics, and secure data sharing via geosynchronous equatorial orbit satellites; satellite telecommunications technology service to allow efficiencies of the carrier by creating efficient use of bandwidth on a satellite transponder; design, development, and maintenance of a telecommunications networks search engine, computer software and computer apparatus in the field of satellite communications; providing online computer mapping services via geosynchronous equatorial orbit satellites; technical design services, namely, designing launch vehicles for transporting payloads for others.

CHEERS!

UK00004207641 (2025/027, 04 July 2025)

The specification for this application has been amended to read as follows:

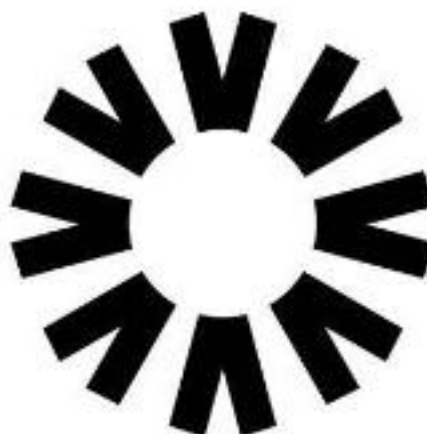

Class 9:

Scientific (other than for medical use), nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission, reproduction or processing of sound or images; magnetic recording media, optical or sound recording disks; floppy disks; equipment for data processing and computers; fire extinguishers; game software; software (recorded programs); computer peripheral devices; electric batteries; detectors; electric wires; electric relays; diving suits, gloves or masks; protection devices for personal use against accidents; spectacles (optics); eyewear; spectacle cases; diagnostic apparatus not for medical use; integrated circuit cards [smart cards]; scientific apparatus and instruments for inertial measurement of movement and muscular activity; electronic apparatus for recording and transmitting data related to movement and muscular activity; data processing equipment, particularly relating to movement; software embedded in devices for inertial measurement of movement; measuring devices, particularly for movement; electric monitoring apparatus, in particular for measurement of movement and muscular activity; inertial movement measuring devices connected to the Internet, particularly in the form of bracelets; magneto-inertial sensors; tomographic instruments and apparatus, other than for medical use; inertial measurement units (IMUs); accelerometers; gyroscopes; magnetometers; electronic tracking apparatus and instruments; personnel tracking devices; position fixing

apparatus; assistive software; sensors for monitoring physical movements; sensors for detecting when a person, vehicle or object has ceased to move; health monitoring software; visual monitoring apparatus; wearable communications apparatus; electronic devices for assisting care giving for seniors or people needing assistance comprised of sensors for determining status of person and apparatus for sending electronic alerts to care givers; electronic personal emergency response systems (PERS); vehicle safety equipment, namely, electronic vibration, shock, motion, angle, temperature and voltage monitors; safety and driving assistant systems for mobile vehicles and vessels comprised of electronic proximity sensors and switches, high-resolution cameras, integrated circuits for the purpose of imaging processing, and display monitors; vehicle safety equipment, namely, electronic vibration, shock, motion, angle, temperature and voltage monitors; parts and fittings for all the aforesaid goods. .

UK00004166490 (2025/013, 28 March 2025)

The mark should have advertised in the following form:

The specification for this application has been amended to read as follows:

Class 9:

Electronic publications, downloadable; platform software; software enabling access to a database; application software; all of the aforesaid in relation to eye health, eye care, vision and vision loss.

Class 35:

Business management and business consultancy services; arranging and conducting of exhibitions (for business commercial or advertising purposes); campaigning; promotional and public awareness campaigns; marketing; commercial lobbying services; promotional activities to raise awareness of issues concerning eye health, eye care, vision and vision loss; business information services provided online from a computer database or the Internet; commercial information services provided by means of a computer

database; compilation and systemisation of information into computer databases; database management services; advisory, consultancy and information services in relation to all the aforesaid; all of the aforesaid in relation to eye health, eye care, vision and vision loss.

Class 38:

Providing access to platforms and portals on the Internet; providing access to databases; providing access to databases of information relating to eye health, eye care, vision and vision loss; advisory, consultancy and information services in relation to all the aforesaid; all of the aforesaid in relation to eye health, eye care, vision and vision loss.

Class 41:

Educational and training services; organising of conferences, seminars, courses, workshops and other events; organisation of prizes and awards; operation of lotteries and prize draws; sporting and cultural activities; production of audio and/or video recordings; publishing including electronic and online publishing; provision of non-downloadable electronic publications; transfer of business knowledge and knowhow (training); advisory, consultancy and information services in relation to all the aforesaid; all of the aforesaid in relation to eye health, eye care, vision and vision loss.

Class 42:

Hosting of platforms on the Internet; advisory, consultancy and information services in relation to all the aforesaid; all of the aforesaid in relation to eye health, eye care, vision and vision loss.

UK00004011958 (2024/008, 23 February 2024)

The specification for this application has been amended to read as follows:

Class 9:

Spectrometry apparatus for cell analysis; spectrometry apparatus for virus analysis; dielectric spectrometry apparatus for cell analysis; dielectric spectrometry apparatus for virus analysis; bioreactors for laboratory use; cellular analysis apparatus and instruments non-medical; virus analysis apparatus and instruments non-medical; label free cell analysis apparatus and instruments non-medical; label free virus analysis apparatus and instruments non-medical; cellular physiology analysis apparatus and instruments non-medical; virus physiology analysis apparatus and instruments non-medical; cellular analysis apparatus and instruments for use in bioreactors; virus analysis apparatus and instruments for use in bioreactors; parts and fittings for use with the aforementioned goods; software for use with the aforementioned goods; software for controlling the aforementioned goods; software for use in relation to cell analysis; software for use in relation to predictive cell analysis; software for use in relation to cell analysis in bioreactors; software for use in relation to virus analysis; software for use in relation to predictive virus analysis; software for use in relation to virus analysis in bioreactors.

Class 10:

Medical cellular analysis apparatus and instruments; medical label free cell analysis apparatus and instruments; medical cellular physiology analysis apparatus and instruments; medical virus analysis apparatus and instruments; medical label-free virus analysis apparatus and instruments; medical virus

physiology analysis apparatus and instruments; parts and fittings for use with the aforementioned goods.

Class 42:

Scientific consultancy; consultancy services in relation to cell analysis; providing scientific information, advice and consultancy in relation to cell analysis; consultancy services in relation to experiment setup; research and development services; software as a service for cell analysis; software as a service for processing data relating to cell analysis; software as a service for analysing data relating to cell analysis; software as a service for virus analysis; software as a service for processing data relating to virus analysis; software as a service for analysing data relating to virus analysis; software as a service for predictive cell analysis; software as a service for use in relation to cell analysis in bioreactors; software as a service for predictive virus analysis; software as a service for use in relation to virus analysis in bioreactors.

UK00004222303 (2025/028, 11 July 2025)

The specification for this application has been amended to read as follows:

Class 42:

Providing an online, non-downloadable enterprise software application for use in accounting, financial performance evaluation, customer resource management, pricing and proposal development, contract creation, tracking of operational metrics, collecting and tracking utility structure and inspection data and metrics, generating analytics, trends and predictive indicators, customer data management, data model deployment, tracking and deployment of safety management and quality assurance protocols, storing a knowledge base containing foundational information, best practices and reference data, leveraging drone platforms for the inspection of utility structures; all of the aforementioned for use in connection with the operation of utility structure repair, maintenance and construction business and incorporating artificial intelligence applications..

UK00004222273 (2025/028, 11 July 2025)

The specification for this application has been amended to read as follows:

Class 42:

Providing an online, non-downloadable enterprise software application for use in accounting, financial performance evaluation, customer resource management, pricing and proposal development, contract creation, tracking of operational metrics, collecting and tracking utility structure and inspection data and metrics, generating analytics, trends and predictive indicators, customer data management, data model deployment, tracking and deployment of safety management and quality assurance protocols, storing a knowledge base containing foundational information, best practices and reference data, leveraging drone platforms for the inspection of utility structures; all of the aforementioned for use in connection with the operation of utility structure repair, maintenance and construction business and incorporating artificial intelligence applications.

Restrictions

UK00004177453 (2025/026, 27 June 2025)

Journal 2025/029 published on 18 July 2025.

Specifications have been restricted as follows:

Class 16:

Printed instructional and organisational materials; Printed educational materials; calendars; stickers; labels; cards; office paper products, namely notepads, adhesive labels, index cards, file dividers, and document wallets; all of the aforesaid goods being for use in or relating to the fields of education, healthcare, medicine, wellbeing, nutrition, fitness, transport, logistics, compliance, personal development, professional record-keeping, activities relating to lifestyle and personal interests, and personal hobbies, where not related to music, entertainment or events; none of the aforesaid goods relating to music, entertainment or events or for use in connection with the fields of music, entertainment or events.

UK00004180431 (2025/016, 18 April 2025)

Specifications have been restricted as follows:

Class 9:

Computer software and computer software platforms to manage, enhance and facilitate business to business dealings; Downloadable computer software for business data analysis using deep learning algorithms and artificial intelligence; Downloadable communication software for use in the fields of customer support, customer relationship management, customer service, customer engagement, and help desk functionality, namely, software for monitoring, controlling, and analyzing electronic communications within businesses and between businesses and their customers, text recognition, machine learning, and artificial intelligence software for automated customer support; Downloadable business-to-business integration software.

Class 42:

Software as a service; Providing non-downloadable software to manage, enhance and facilitate business to business dealings; Providing non-downloadable computer software for business data analysis using deep learning algorithms and artificial intelligence; Providing non-downloadable communication software for use in the fields of customer support, customer relationship management, customer service, customer engagement, and help desk functionality, namely, software for monitoring, controlling, and analyzing electronic communications within businesses and between businesses and their customers, text recognition, machine learning, and artificial intelligence software for automated customer support; Providing non-downloadable business-to-business integration software.

UK00004180431 (2025/016, 18 April 2025)

Specifications have been restricted as follows:

Class 9:

Computer software and computer software platforms to manage, enhance and facilitate business to business dealings; Downloadable computer software for business data analysis using deep learning algorithms and artificial intelligence; Downloadable communication software for use in the fields of customer support, customer relationship management, customer service, customer engagement, and help desk functionality, namely, software for monitoring, controlling, and analyzing electronic communications within businesses and between businesses and their customers, text recognition, machine learning, and artificial intelligence software for automated

customer support; Downloadable business-to-business integration software.

Class 42:

Providing non-downloadable software to manage, enhance and facilitate business to business dealings; Providing non-downloadable computer software for business data analysis using deep learning algorithms and artificial intelligence; Providing non-downloadable communication software for use in the fields of customer support, customer relationship management, customer service, customer engagement, and help desk functionality, namely, software for monitoring, controlling, and analyzing electronic communications within businesses and between businesses and their customers, text recognition, machine learning, and artificial intelligence software for automated customer support; Providing non-downloadable business-to-business integration software.

UK00004205375 (2025/023, 06 June 2025)

Specifications have been restricted as follows:

Class 5:

Pharmaceutical drugs; Pharmaceuticals; Pharmaceutical preparations for use in oncology; Dermatological pharmaceutical substances; Astringents [pharmaceutical]; Pharmaceutical compositions; Pharmaceutical creams; Pharmaceutical preparations; Pharmaceutical implants; Pharmaceutical preparations and substances for use in oncology; Dermatological pharmaceutical products; Pharmaceutical preparations for use in urology; Pharmaceutical sweets; Pharmaceutical preparations for use in ophthalmology; Pharmaceutical preparations for use in dermatology; Pharmaceutical preparations and substances for use in urology; Anti-epileptic pharmaceutical preparations; Pharmaceutical preparations for use in hematology; Pharmaceutical preparations and substances; Homeopathic pharmaceuticals; Pharmaceutical preparations and substances for use in gynecology; Cardiovascular pharmaceutical preparations; Pharmaceutical preparations for inhalers; Cytostatics for pharmaceutical purposes; Pharmaceutical lipsalves; Alkaloids used for pharmaceutical purposes; Bromine for pharmaceutical purposes; Pastilles for pharmaceutical purposes; Injectable pharmaceuticals; Cellulose for pharmaceutical purposes; Menthol for pharmaceutical purposes; Liquorice for pharmaceutical purposes; Alginates for pharmaceutical purposes; Parenteral anti-epileptic pharmaceutical preparations; Esters for pharmaceutical purposes; Pharmaceutical solutions used in dialysis; Food esters for pharmaceutical purposes; Elixirs [pharmaceutical preparations]; Capsules for pharmaceutical purposes; Eucalyptol for pharmaceutical purposes; Lotions for pharmaceutical purposes; Yeast for medical, veterinary or pharmaceutical purposes; Iodine for pharmaceutical purposes; Propolis for pharmaceutical purposes; Pharmaceutical products for the treatment of cancer; Anti-diabetic pharmaceuticals; Gentian for pharmaceutical purposes; Ethanol for pharmaceutical purposes; Chemicals for pharmaceutical use; Anti-bacterial pharmaceutical preparations; Phenol for pharmaceutical purposes; Pharmaceutical preparations for animal skincare; Ointments for pharmaceutical purposes; Pharmaceutical cough preparations; Antidiabetic pharmaceuticals; Thymol for pharmaceutical purposes; Sandalwood oil for medical, pharmaceutical and veterinary purposes; Iodides for pharmaceutical purposes; Pharmaceutical preparations for medical purposes; Alcohol for pharmaceutical purposes; Alginate tablets for pharmaceutical purposes;

Chemical preparations for pharmaceutical purposes; Pharmaceutical preparations for veterinary use; Antibacterials for pharmaceutical use; Lactose for pharmaceutical purposes; Pharmaceutical products for ophthalmological use; Diuretic pharmaceutical preparations; Pharmaceutical preparations for use in chemotherapy; Pharmaceutical products for the treatment of depression; Lozenges for pharmaceutical purposes; Syrups for pharmaceutical purposes; Guaiacol for pharmaceutical purposes; Phosphates for pharmaceutical purposes; Pharmaceutical antiallergic preparations and substances; Yeast extracts for medical, veterinary or pharmaceutical purposes; Peptones for pharmaceutical purposes; Creosote for pharmaceutical purposes; Aldehydes for pharmaceutical purposes; Analgesics for pharmaceutical use; Pharmaceutical preparations for animals; Oral anti-epileptic pharmaceutical preparations; Starch for pharmaceutical purposes; Pectin for pharmaceutical purposes; Perilla for pharmaceutical purposes; Magnesia for pharmaceutical purposes; Eucalyptus for pharmaceutical purposes; Pharmaceutical preparations and substances for use in the field of anesthesia; Pharmaceutical preparations and substances for the treatment of cancer; Pharmaceutical preparations for treating chemical imbalances; Lupulin for pharmaceutical purposes; Balm for pharmaceutical purposes; Pharmaceutical preparations for treating diabetes; Turpentine for pharmaceutical purposes; Pharmaceutical agents for epidermis; Cardiovascular pharmaceuticals; Tissue-regenerative pharmaceutical preparations; Cellulose esters for pharmaceutical purposes; Pharmaceutical for the treatment of erectile dysfunction; Ethers for pharmaceutical purposes; Digestives for pharmaceutical purposes; Ergot for pharmaceutical purposes; Pharmaceutical preparations for the treatment of hyperlipidemia; Pharmaceutical preparations for the treatment of osteoporosis; Mustard for pharmaceutical purposes; Synthetic peptides for pharmaceutical purposes; Lime-based pharmaceutical preparations; Pharmaceutical preparations for the treatment of cancer; Pharmaceutical preparations for ophthalmological use; Flaxseed for pharmaceutical purposes; Antibacterial pharmaceuticals; Yeast for pharmaceutical purposes; Pharmaceutical products and preparations for chloasma; Effervescent analgesic pharmaceutical preparations; Acetates for pharmaceutical purposes; Starch for dietetic or pharmaceutical purposes; Alginate solutions for pharmaceutical purposes; Decoctions for pharmaceutical purposes; Pharmaceutical preparations and substances for the prevention of cancer; Pharmaceutical preparations for treating hypertension; None of the aforementioned goods are for, or in relation to, ophthalmology or eye care.

UK00004169508 (2025/022, 30 May 2025)
Specifications have been restricted as follows:

Class 28:
Machines for physical exercises; Fishing tackle; Flippers for swimming; Floating recreational pads; Archery bow cases; Archery implements; Articles for playing golf; Dart boards; Dart mats; Darts.

UK00004223712 (2025/027, 04 July 2025)
Specifications have been restricted as follows:

Class 41:
Education; education and training; education and instruction; school services; boarding schools; primary education services;

preparatory schools; pre-school education; secondary school educational services; nursery schools; educational services provided by colleges; provision of education programmes; music education; singing education; art education; religious education; physical education; sporting education; fitness services; technological education; business educational; education services relating to computers; education services relating to design; education services relating to cooking; foreign language education; science education services; history education; geography education; mathematics education; english education; provision of educational, instructional and training courses; providing educational entertainment services; providing cultural services; providing educational entertainment services for children in after-school centres; recreational camps; holiday camp services; organisation of educational activities for summer camps; organisation of entertainment activities for summer camps; organisation of cultural activities for summer camps; organisation of sports activities for summer camps; day camps; activity camps; sports camps, survival camps; summer school; summer boarding school; academic summer camp; engineering school preparation camp; law school preparation camp; medical school preparation university preparation camp; university application consultancy; educational support; hybrid schools; provision of distance learning courses; library services; online library services; career counselling [education]; management education services; developing educational manuals; educational assessment services; vocational education; education examination; educational testing; management of education services; organising and hosting of lectures, seminars, symposiums, workshops and debates; educational seminars; organising of education conferences; organising of education conventions; organising of education exhibitions; publication of educational materials; publishing of educational matter; publication of journals, articles, research papers, books, textbooks, course materials, manuals, magazines and prospectuses; setting of educational standards; organising of educational lectures; dissemination of educational material; issuing of educational awards; awarding of educational certificates; awarding of educational qualifications; organising of competitions; providing online non-downloadable publications for educational purposes; provision of educational services through online computer networks; operating of online seminars and tutorials; providing online courses of instruction; information about further and higher education; educational resource services; educational research; rental of sports equipment and facilities; managing sports facilities; information, advice and consultancy relating to the aforesaid services; none of the aforementioned in relation to corporate education services or executive education services.

UK00004223708 (2025/027, 04 July 2025)
Specifications have been restricted as follows:

Education; education and training; education and instruction; school services; boarding schools; primary education services; preparatory schools; pre-school education; secondary school educational services; nursery schools; educational services provided by colleges; provision of education programmes; music education; singing education; art education; religious education; physical education; sporting education; fitness services; technological education; business educational; education services relating to computers; education services relating to design; education services relating to cooking; foreign language education; science education services; history

education; geography education; mathematics education; english education; provision of educational, instructional and training courses; providing educational entertainment services; providing cultural services; providing educational entertainment services for children in after-school centres; recreational camps; holiday camp services; organisation of educational activities for summer camps; organisation of entertainment activities for summer camps; organisation of cultural activities for summer camps; organisation of sports activities for summer camps; day camps; activity camps; sports camps, survival camps; summer school; summer boarding school; academic summer camp; engineering school preparation camp; law school preparation camp; medical school preparation university preparation camp; university application consultancy; educational support; hybrid schools; provision of distance learning courses; library services; online library services; career counselling [education]; management education services; developing educational manuals; educational assessment services; vocational education; education examination; educational testing; management of education services; organising and hosting of lectures, seminars, symposiums, workshops and debates; educational seminars; organising of education conferences; organising of education conventions; organising of education exhibitions; publication of educational materials; publishing of educational matter; publication of journals, articles, research papers, books, textbooks, course materials, manuals, magazines and prospectuses; setting of educational standards; organising of educational lectures; dissemination of educational material; issuing of educational awards; awarding of educational certificates; awarding of educational qualifications; organising of competitions; providing online non-downloadable publications for educational purposes; provision of educational services through online computer networks; operating of online seminars and tutorials; providing online courses of instruction; information about further and higher education; educational resource services; educational research; rental of sports equipment and facilities; managing sports facilities; information, advice and consultancy relating to the aforesaid services; none of the aforementioned in relation to corporate education services or executive education services.

UK00004197931 (2025/020, 16 May 2025)
Specifications have been restricted as follows:

UK00004146517 (2025/015, 11 April 2025)
Specifications have been restricted as follows:

Class 41:
Entertainment; organisation of entertainment; organisation of social events; organisation of informal sporting and cultural activities for social or recreational purposes; organisation of talks and presentations (excluding academic instruction and formal educational delivery).

UK00004175651 (2025/025, 20 June 2025)
Specifications have been restricted as follows:

Class 9:
Payment software; e-commerce and e-payment software; computer software for processing electronic payments and for transferring funds to and from others; downloadable and recorded computer software for processing electronic payments and for transferring funds to and from others; downloadable computer software for creating, preparing, managing, sending, processing, tracking, and reconciling invoices; downloadable

computer software for issuing receipts regarding mobile payment transactions; downloadable mobile application software for processing electronic payments and for transferring funds to and from others; downloadable authentication software for controlling access to and communications with computers and computer networks; computer software relating to the handling of financial transactions; downloadable computer software and downloadable mobile application software for facilitating electronic commerce transactions; downloadable computer software, namely, internet browser extensions, plug-ins, and applications for use with electronic commerce transactions and product price monitoring; downloadable computer software and downloadable mobile application software featuring offers, deals, coupons, rebates, rewards, vouchers, price tracking, price notifications, price-comparison information, links to the retail websites of others, promotional materials, and discount information, none of the aforesaid relating to the fields of cybersecurity or cyber incident recovery, computer network infrastructure visualization, computer network configuration, data backup tracking, user access tracking, data mapping, energy, commodities, emissions and transportation; mobile apps relating to the handling of financial transactions; downloadable and recorded computer software for creating and managing a business and an online store, namely, inventory management, order processing, order tracking, fulfilment of orders, sales tracking, collection of sales data, and sales analytics; software for facilitating secure credit card transactions; charge cards, credit cards, chip cards, stored value cards, electronic data carrier cards and payment cards all encoded.

UK00004185602 (2025/026, 27 June 2025)
Specifications have been restricted as follows:

Class 25:
Clothing; Parts of clothing, footwear and headgear.

UK00004155180 (2025/018, 02 May 2025)
Specifications have been restricted as follows:

Class 7:
Robots for machine tools; loading and unloading machines; conveyor belting; conveyors; automatic dispensing machines; automated assembly machines; automatic stamping machines; automatic conveyor installations; linear transfer machines; robotic packaging machines; handling machines; none of the aforementioned in relation to planned maintenance and refurbishment contractor services.

Class 9:
Software; computer programs; computer software; computers; none of the aforementioned in relation to video surveillance or video surveillance services.

Class 37:
Construction services; all the aforementioned in relation to warehouse automation, integration and logistics.

Class 42:
Engineering consultancy services; mechanical engineering services; industrial engineering design services; configuring computer hardware using software; computer software installation; designing; diagnosing computer hardware problems using software; computer software maintenance; computer software integration; computer software engineering; computer systems design; providing virtual computer systems

through cloud computing; computer software maintenance services; none of the aforementioned in relation to video surveillance or video surveillance services; none of the aforementioned in relation to planned maintenance and refurbishment contractor services.

UK00004175732 (2025/016, 18 April 2025)
Specifications have been restricted as follows:

Class 25:

Clothing, namely joggers, hoodies, T-shirts and sweatshirts. all being items of streetwear.

UK00004197368 (2025/023, 06 June 2025)

UK00004177295 (2025/016, 18 April 2025)
Specifications have been restricted as follows:

Class 30:

Coffee; tea; cocoa; ready to drink tea, iced tea and tea based beverages; ready to drink flavoured tea, iced tea and tea based beverages; tea mix powders; ready to drink coffee, iced coffee and coffee based beverages; ready to drink flavoured coffee, iced coffee and coffee based beverages; drinks flavoured with chocolate; substances, other than essential oils, imparting taste for addition to drinks; natural sweeteners; syrups; honey; treacle; molasses; preparations consisting wholly or substantially wholly of sugar, for use as substitutes for honey; vegetal preparations for use as drinks; infusions (other than for medicinal use); ices; ice creams; frozen yoghurts; sorbets; none of the aforesaid made from pomegranate, being pomegranate flavoured beverages or containing pomegranate as an ingredient.

UK00004198930 (2025/021, 23 May 2025)
Specifications have been restricted as follows:

Class 9:

Software applications for use with mobile devices; Software applications for mobile devices; Software and applications for mobile devices; Downloadable applications for use with mobile devices; Downloadable applications for mobile devices; Downloadable mobile applications; Educational mobile applications; Application software for mobile devices; Application software for mobile phones; Downloadable software applications for mobile phones; Mobile application software; Downloadable mobile applications for use with wearable computer devices; Mobile apps; Computer application software for mobile phones; Downloadable mobile applications for the management of data; Computer application software for mobile telephones; Downloadable mobile applications for the transmission of data; Downloadable mobile applications for the management of information; Software for mobile phones; Mobile software; Downloadable mobile applications for the transmission of information; Smartphone software applications, downloadable; Downloadable software in the nature of a mobile application; Downloadable smart phone applications (software); Computer software for mobile phones; Mobile radios; Downloadable application software for smart phones; Downloadable software applications; Application software for televisions; Downloadable smart phone application software; Downloadable emoticons for mobile phones; Computer programs and software for image processing used for mobile phones; Computer software for use on handheld mobile digital electronic devices and other consumer electronics; Application software for cloud computing services; Computer software

applications, downloadable; Downloadable computer software applications; Computer application software for use with wearable computer devices; Downloadable emoticons for mobile telephones; Application software; Downloadable video files; Downloadable video recordings; Downloadable podcasts; Downloadable videos; Digital music downloadable provided from MP3 internet websites; Downloadable music files; Downloadable digital music; Downloadable video recordings featuring music; Downloadable digital music provided from MP3 Internet web sites; Digital music downloadable provided from MP3 internet web sites; Downloadable videocasts; Digital music downloadable provided from the internet; Downloadable video game software; Digital music [downloadable] provided from mp3 web sites on the internet; Downloadable sound recordings; Digital music downloadable from the Internet; Content access software; Downloadable software; Software for processing images, graphics, audio, video and text; Downloadable digital photos; Downloadable e-books; Digital books downloadable from the Internet; Downloadable music sound recordings; Downloadable interactive entertainment software for playing video games; Downloadable image files; Publications in electronic format [downloadable]; Digital music downloadable provided from a computer database or the internet; Downloadable educational media; Downloadable video game programs; Electronic downloadable publications in the field of video games; Software downloadable from the internet; Apparatus for downloading audio, video and data from the internet; Downloadable electronic games; Computer application software for streaming audio-visual media content via the internet; Audio digital discs; Downloadable movies; Recorded content; Digital audio servers; Downloadable electronic books; Downloadable templates for designing audiovisual presentations; Audio editing software; Audio visual recordings; Downloadable publications; Downloadable electronic maps; Downloadable digital assets; Downloadable game software; Downloadable computer graphics; Downloadable email software; Electronic publications, downloadable; Publications (Electronic -), downloadable; Downloadable electronic publications; Electronic publications (downloadable); Audio recordings; Interactive video software; Digital audio players; Digital audio tapes; Audio digital tapes; Downloadable electronic game programs; Downloadable musical sound recordings; Downloadable game related software applications; Audio tapes featuring music; Audio books; Downloadable electronic newsletters; Pre-recorded audio tapes featuring games; Downloadable instant messaging software; Downloadable computer software for the transmission of information; Downloadable digital music files authenticated by non-fungible tokens [NFTs]; Audio and video receivers; Downloadable applications; Prerecorded digital audio tapes; Audio discs; Media content; Ringtones [downloadable]; Downloadable ringtones; Electronic sheet music, downloadable; Computer programs for processing digital music files; Computer software for processing digital music files; Music software; Downloadable computer programs; Computer programs, downloadable; Computer software platforms, recorded or downloadable; Downloadable computer games; Downloadable computer software; Downloadable electronic reports; Prerecorded music videos; Music recordings; Programs (Computer -) [downloadable software]; Computer programs [downloadable software]; Downloadable electronic brochures; Downloadable computer game programs; Downloadable interactive entertainment software for playing computer games;

Downloadable application software; Downloadable computer game software; Computer game software, downloadable; Downloadable computer software for use as a digital wallet; Pre-recorded CDs featuring music; Downloadable films; Music tapes; Downloadable electronic newspapers; Computer software downloadable from the internet; Pre-recorded audio cassettes featuring music; Prerecorded music audio tapes; Downloadable software in the nature of a mobile application for playing games; Downloadable computer utility programs; Prerecorded audio tapes featuring music; Downloadable computer utility software; Downloadable electronic game software for wireless devices; Downloadable electronic publications in the nature of magazines in the field of video games; Downloadable digital image files authenticated by non-fungible tokens (NFTs); Computer software for creating and editing music and sounds; Downloadable computer software for the transmission of data; Electronic publications, downloadable, relating to games and gaming; Downloadable publications in electronic form; Computer software for converting document images into electronic formats; Data sets, recorded or downloadable; Pre-recorded video tapes featuring music; Digital music players; Music cassettes; Prerecorded video tapes featuring music; Prerecorded video cassettes featuring music; Downloadable computer software for use as an electronic wallet; Downloadable posters; Downloadable computer software for the management of data; Computer programs for editing images, sound and video; Media streaming software; Digital media streaming devices; Video streaming devices; Video cameras for broadcasting; Multimedia software; Devices for streaming media content over local wireless networks; Portable digital audio broadcasting radios; DMB (Digital Multimedia Broadcasting) televisions; Broadcasting equipment; Computer software for controlling the operation of audio and video devices; Media software; Programming software; Software for interactive television; Media and publishing software; Video editing software; Entertainment software; Computer software for wireless content delivery; Video games programs [computer software]; Cloud network monitoring software; Interactive entertainment computer software for video games; Software programs for video games; Computer telephony software; Computer software for entertainment; Telecommunications software; Portable digital audio broadcasting [DAB] radios; Internet messaging software; Computer games programmes downloaded via the internet [software]; Digital recording media; Computer software to enable the provision of electronic media via communications networks; Application software for social networking services via internet; Digital telephone platforms and software; Digital data recording media; Computer software for the display of digital media; Computer software to enable the provision of electronic media via the Internet; Digital storage media; Computer software platforms for social networking; Software for embedding online advertising on websites; Covers for digital media players; Electronic publications recorded on computer media; Content control software; Content management software; Web content management [WCM] software; Repeaters for radio and television stations; Relays for radio and TV stations; Radio broadcasting transmitters and receivers; Single-channel radio communication apparatus for fixed stations; Transmitting apparatus for radio broadcasting; Radio transmitters; Broadcast transmitters; Television broadcasting transmitters and receivers; Transmitting and receiving apparatus for radio broadcasting; Digital weather stations; Mobile radio transmitting apparatus;

Radio apparatus; Transmitting apparatus for television broadcasting; Wireless weather stations; Radio antennas; Radio recorders; Radio buoys; Radio signal tuners; Air traffic control radio equipment; Radio signal antennas; Docking stations for digital music players; Radio transceivers; Television transmitters; Radio frequency repeaters; Satellite earth stations; Weekly publications downloaded in electronic form from the internet; CMS software [Content management system]; Digital video servers; Computer software for mobile applications that enable interaction and interface between vehicles and mobile devices; Platform software; Application software for smart TV; Collaboration software platforms [software]; Computer application software for use in implementing the Internet of Things [IoT]; Plugin software; Middleware for management of software functions on electronic devices; Computer software for application and database integration; Application software for smart phones; Computer software to enhance the audio-visual capabilities of multimedia applications, namely, for the integration of text, audio, graphics, still images and moving pictures; Web application software; Application software for wireless devices; Software for online messaging; Software platforms to allow users to collect money; Downloadable mobile applications for booking taxis; Web application and server software; Software applications; Music headphones; Phonograph records featuring music; Portable music players; Tape recordings of music; Pre-recorded DVDs featuring music; Pre-recorded video tapes featuring games; Prerecorded video cassettes featuring animated fictional stories; Prerecorded video cassettes featuring cartoons; Videocasts; Podcasts; Pre-recorded videos; Pre-recorded DVDs featuring games; Computer programmes for interactive television and for interactive games and/or quizzes; Master audio mixing desks for use in recording studios; Audio recording equipment; Production support software; Software to control and improve audio equipment sound quality; Work stations [computer apparatus]; Multi-media recordings; Work stations [computers]; Interactive entertainment software; Electronic device software drivers that allow computer hardware and electronic devices to communicate with each other; Interactive computer software enabling exchange of information; Computer chatbot software for simulating conversations; Interactive entertainment software for use with computers; Interactive database software; Software for evaluating customer behaviour in online shops; Audio devices and radio receivers; Computer hardware for routing audio, video, and digital signals; Wireless audio and video receivers; Wireless communication devices for the transmission of multimedia content; Computer software for organizing and viewing digital images and photographs; Downloadable computer software for the management of information; Computer software for recording sound; Software related to handheld digital electronic devices; All of the aforesaid goods relating to commercial radio broadcasting, media content creation, or music streaming services, and not relating to the sale, development, or supply of renewable energy products or services.

Class 35:

Promotional marketing services using audiovisual media; Sales promotion using audiovisual media; Advertising via electronic media and specifically the internet; Dissemination of advertising via online communications networks; Online advertising via a computer communications network; Organisation of promotions using audio-visual media; Organisation of promotions using audiovisual media; Advertising and marketing services provided via

communications channels; Advertising and marketing services provided by means of social media; On-line advertising via a computer communications network; Digital advertising services; Online retail services for downloadable digital music; On-line promotion of computer networks and websites; Provision of advertising space on electronic media; Market research services relating to broadcast media; On-line advertising on computer communication networks; Advertising by transmission of on-line publicity for third parties through electronic communications networks; Providing marketing consulting in the field of social media; Dissemination of advertising for others via an on-line communications network on the internet; Marketing services provided by means of digital networks; Digital marketing; Advertising, including on-line advertising on a computer network; Promotion, advertising and marketing of on-line websites; Presentation of companies on the Internet and other media; Presentation of financial products on communication media, for retail purposes; Promoting the music of others by means of providing online portfolios via a website; Promoting the artwork of others by means of providing online portfolios via a website; Promoting the sale of the services [on behalf of others] by arranging advertisements; Promoting the designs of others by means of providing online portfolios via a website; Advertising services to create brand identity for others; Promoting the goods and services of others through advertisements on Internet websites; Promoting the goods and services of others via a global computer network; Promoting the goods and services of others by arranging for sponsors to affiliate their goods and services with sporting activities; Promoting the goods and services of others by means of a preferred customer program; Promoting the goods and services of others by arranging for sponsors to affiliate their goods and services with sports competitions; Direct mail advertising to attract new customers and to maintain the existing customer base; Providing and rental of advertising space on the internet; Presentation of companies and their goods and services on the Internet; Promoting the goods and services of others by arranging for sponsors to affiliate their goods and services with awards programs; Promoting the goods and services of others through infomercials; Promoting the goods and services of others over the Internet; Business supervision [on behalf of others]; Company record keeping [for others]; Promoting the goods and services of others by distributing coupons; Promoting the goods and services of others via computer and communication networks; Providing an on-line commercial information directory on the internet; Promoting the goods and services of others; Promoting the sale of goods and services of others by awarding purchase points for credit card use; Promoting the goods and services of others through discount card programs; Promoting the goods and services of others by means of a loyalty rewards card scheme; Providing business information via a website; Promoting the goods and services of others through the distribution of discount cards; Advertising services to promote public awareness of the benefits of shopping locally; Advertisement for others on the Internet; Preparing and placing outdoor advertisements for others; Advertising on the Internet for others; Promoting the sale of goods and services of others through promotional events; Management on behalf of industrial and commercial enterprises in terms of supplying them with office requisites; Preparing and placing advertisements for others; Providing business information via a web site; Management assistance for promoting business; Advertising services to create

corporate and brand identity; Providing information about commercial business and commercial information via the global computer network; The bringing together, for the benefit of others, of a variety of insurance services, enabling consumers to conveniently compare and purchase those services; Advising commercial enterprises in the conduct of their business; The bringing together, for the benefit of others, of a variety of telecommunications services, enabling consumers to conveniently compare and purchase those services; Promoting the sale of goods and services of others through the distribution of printed material and promotional contests; Agency services for promoting sports personalities; Providing business information by way of computer terminals; Leasing of advertising space on trains; Leasing of advertising space on railway properties; Promoting and conducting trade shows; Advisory services relating to the purchase of goods on behalf of others; Providing a directory of third party web sites to facilitate business transactions; Providing business directory information via a global computer network; Brand creation services (advertising and promotion); Providing business information directory services, via a global computer network; Promoting the goods and services of others through the administration of sales and promotional incentive schemes involving trading stamps; Arranging and conducting marketing promotional events for others; Advisory services relating to the purchase of goods on behalf of business; Updating of business information on a computer data base; Providing a searchable online advertising guide featuring the goods and services of other on-line vendors on the internet; Placing advertisements for others; Business advisory services relating to the setting up of restaurants; Providing commercial directory information via the Internet; Providing assistance in the field of business promotion; Rental of advertising space on the internet; Advertising space (Rental of -) on the internet; Shows (Conducting trade -); Shows (Arranging trade -); Fashion shows for promotional purposes (Organization of -); Organization of fashion shows for promotional purposes; Organisation of fashion shows for commercial purposes; Organization of events, exhibitions, fairs and shows for commercial, promotional and advertising purposes; Online retail services for downloadable and pre-recorded music and movies; Retail services in relation to downloadable music files; Compilation of computer databases; Promotion of goods and services through sponsorship of sports events; Promotion of goods through influencers; Promotion of goods and services through sponsorship of international sports events; Advertising through all public communication means; Promoting the sale of fashion goods through promotional articles in magazines; Marketing through product placement for others in virtual environments; Arranging commercial transactions, for others, via online shops; Promotion of sports competitions and events; Dissemination of advertising for others via the Internet; Providing business information, also via internet, the cable network or other forms of data transfer; Promotion of goods and services through sponsorship; Providing marketing information via websites; Online advertising network matching services for connecting advertisers to websites; Retail services via global computer networks related to beer; Retail services via global computer networks related to alcoholic beverages (except beer); Advertisement via mobile phone networks; Advertising via the Internet; Influencer marketing; Compilation of advertisements for use on internet web pages; Compilation of advertisements for use as web pages on the Internet; Compilation of advertisements for use as web

pages; Compilation of advertisements for use on the internet; Producing promotional videotapes, video discs, and audio visual recordings; Composing advertisements for use as web pages; Online advertisements; Production of video recordings for advertising purposes; Video recordings for advertising purposes (Production of -); Production of video recordings for marketing purposes; Video recordings for marketing purposes (Production of -); Dissemination of advertisements and of advertising material [flyers, brochures, leaflets and samples]; Compilation of directories for publishing on the internet; Compilation of directories for publication on the internet; Radio advertising and commercials; Production of radio commercials; Production and distribution of radio and television commercials; Production of television commercials; Production of television and radio advertisements; Radio and television advertising; Audience rating determination for radio and television broadcasts; Production of radio advertisements; Radio advertising; Post-production editing of advertising or commercials; Advertisement and publicity services by television, radio, mail; Advertising services of a radio and television advertising agency; Promotional management for sports personalities; Television advertising; Promotion [advertising] of concerts; Production of commercials; Production of infomercials; Advertising services provided by a radio and television advertising agency; Advertising and promotional services; Promotional and advertising services; Promotional advertising services; Creating advertising material; Updating of advertising material; Advertising material (Updating of -); Updating advertising material; Retail services in relation to recorded content; Distribution of advertising material by post; Issuing and updating of advertising texts; Advertising material (Dissemination of -); Dissemination of advertising material; Preparing promotional and merchandising material for others; Provision of advertising space by electronic means and global information networks; Advertising and marketing services provided by means of blogging; Sales promotion for others by means of privileged user cards; Preparing and placing of advertisements; Providing user rankings for commercial or advertising purposes; Production of advertising material; Distribution of advertising material; Dissemination of advertising matter; Advertising matter (Dissemination of -); Dissemination of advertising matter online; Online advertising services; Advertising services provided via the internet; Commercial information services, via the internet; Advertising services provided by television; Advertising the goods and services of online vendors via a searchable online guide; On-line advertising and marketing services; Advertising, including promotion of products and services of third parties through sponsoring arrangements and licence agreements relating to international sports' events; Advertising services provided over the internet; Sales promotion services for third parties; On-line auctioneering services via the Internet; Online advertising on computer networks; Advertising services provided via a data base; Online advertising; Online advertising on a computer network; Dissemination of advertisements via the Internet; Providing a searchable online advertising guide featuring the goods and services of online vendors; Promotion of insurance services, on behalf of third parties; On-line advertising on computer networks; Advertising services; Rental of advertising time on communication media; Political advertising services; Leasing of advertising space on pamphlets; Rental of advertising space on the Internet for employment advertising; Rental of advertising space on web sites; Provision of advertising

space on a global computer network; Rental of advertising space; Advertising space (Rental of -); Rental of advertisement space; Rental of advertising space on-line; On-line advertising on a computer network; Provision of space on websites for advertising goods and services; Providing and rental of advertising space; Providing advertising space; Provision of advertising space, time and media; Provision of space on web-sites for advertising goods and services; Provision and rental of advertising space; Arranging for the provision of advertising space in newspapers; Leasing of advertising billboards; Rental of advertisement billboards; Advertisement billboards (Rental of -); Provision of advertising space; Renting of advertising spaces; Electronic billboard advertising; Advertising automobiles for sale by means of the Internet; Rental of billboards [advertising boards]; Advertising services by means of television screen based text; Intermediary services relating to the rental of advertising time and space; Direct market advertising; Hire of advertising billboards; Market research for compiling information on viewers of television; Providing advertising space in periodicals, newspapers and magazines; Updating of advertising information on a computer data base; Rental of advertising time in cinemas; Leasing of advertising hoardings; Advertising and advertisement services; Rental of advertising material; Advertising; Rental of advertisement hoardings; Advertisement hoardings (Rental of -); Newspaper advertising; Advertising services to promote the sale of beverages; Distribution of advertising mail and of advertising supplements attached to regular editions; Advertising, marketing and promotional services; Advertising, promotional and marketing services; Marketing, advertising, and promotional services; Advertising and marketing services; Advertising, marketing and promotion services; Marketing, advertising and promotion services; Advertising services for the promotion of beverages; Marketing services; Distribution of advertising, marketing and promotional material; Promotional services; Advertising services for the promotion of e-commerce; Advertising and promotion services; Advertising, marketing and promotional consultancy, advisory and assistance services; Customer club services, for commercial, promotional and/or advertising purposes; Research services relating to advertising and marketing; Consultancy services relating to advertising, publicity and marketing; Publicity and promotional services; Advertising services for the literary industry; Promotional marketing; Advertising and promotion services and related consulting; Advertising, promotional and public relations services; Advertising and publicity services; Graphic advertising services; Customer loyalty services for commercial, promotional and/or advertising purposes; Copywriting for advertising and promotional purposes; Business marketing services; Modeling services for advertising or sales promotion; Marketing research services; Advertising research services; Advertising particularly services for the promotion of goods; Consultancy relating to advertising and promotion services; Marketing services relating to esports events; Organisation of customer loyalty programs for commercial, promotional or advertising purposes; Direct marketing services; Marketing analysis services; Trade promotional services; Dissemination of advertising and promotional materials; Marketing advisory services; Dissemination of advertising, marketing and publicity materials; Marketing agency services; Consulting services in the field of Internet marketing; Advertising and marketing; Advertising services relating to esports events; Business promotion services; Writing of publicity texts; Texts (Writing of

Specifications have been restricted as follows:

UK00004181047 (2025/016, 18 April 2025)

Specifications have been restricted as follows:

Class 35:

Business secretarial services; office secretarial services; company secretarial services; provision of initial company secretarial services on company formation; company formation services; company management for others; provision of nominee company directors; company record keeping services; consultancy, information, advice and assistance relating to all the aforesaid; including (but not limited to) all the aforesaid services provided online, and/or provided for use with and/or by way of the Internet, the world wide web and/or via communications, telephone, mobile telephone and/or wireless communication networks; none of the aforesaid services in relation to advertising, travel and transport services.

Class 36:

Insurance; financial affairs; monetary affairs; real estate affairs; financial and monetary services; financial, finance, investment and insurance services; banking; financial analysis; currency exchange services; currency trading services; debt collection agency services; electronic money transfer services; financial administration and management; preparation of financial insurance reports; assurance, insurance, pensions and reinsurance services; actuarial services; services relating to the assessment, administration and management of financial risk; financial valuations, claims adjustment and claims settlement services; trusteeship services; real estate services; rental and leasing of real estate; financial information services provided by access to a computer database; risk management services, namely, portfolio analysis and optimization; payment card services; payment processing; electronic payment services; electronic payment services via an electronic money institution (EMI); consultancy, information, advice and assistance relating to all the aforesaid; any of the aforesaid provided via a website, webpage or portal; including (but not limited to) the aforesaid services provided online, and/or provided for use with and/or by way of the Internet, the world wide web and/or via communications, telephone, mobile telephone and/or wireless communication networks; none of the aforesaid services in relation to advertising, travel and transport services.

Class 38:

Telecommunications; telecommunication and communication services; telephony services; broadcasting, internet broadcasting, radio broadcasting and television broadcasting services; transmission and broadcast of information, music, video and audio via digital networks and electronic communications networks; telephone, mobile telephone, facsimile, telex, message collection and transmission, radio-

paging, call diversion, answer-phone, directory enquiries and electronic mail services; text messaging services; broadcast, transmission, delivery and reception of text, sound, signals, data, code, images, film, music, publications, information, radio programmes, television programmes and entertainment content; electronic message delivery and sending services; on-line information services relating to telecommunications; data interchange services; transfer of data by telecommunication; satellite communication services; broadcast services; radio, television, satellite and Internet transmission and broadcasting; broadcasting and delivery of multimedia content over electronic communications networks; video messaging services; video conferencing services; video telephone services; telecommunication of information (including web pages), computer programs and any other data; providing user access to the Internet; providing telecommunications connections or links to the Internet or databases; providing user access to the Internet (service providers); provision and operation of electronic conferencing, discussion groups and chat rooms; providing access to digital music websites on the Internet; providing access to MP3 websites on the Internet; delivery of digital music by telecommunications; providing bulletin boards; providing access and leasing access time to Internet sites; providing Internet connection and communication services; electronic mail services; rental, hire and leasing of electronic mail boxes and communications apparatus; computer aided transmission of messages and images; communication by computer; news agency services; transmission of news and current affairs information; news, press and picture agency services; provision of on-line access to exhibitions and exhibition services; provision of access to an electronic on-line network for information retrieval; leasing of access time to a computer database; providing access to databases; leasing of access time to computer bulletin and message boards and to computer networks; Internet service provider [ISP] services; telecommunication access services; hire, leasing or rental of apparatus, instruments, installations or components for use in the provision of the aforementioned services; providing internet chatrooms; providing online forums; consultancy, information, advice and assistance relating to all the aforesaid; any of the aforesaid provided via a website, webpage or portal; including (but not limited to) the aforesaid services provided online, and/or provided for use with and/or by way of the Internet, the world wide web and/or via communications, telephone, mobile telephone and/or wireless communication networks; none of the aforesaid services in relation to advertising, travel and transport services.

Class 42:

Scientific and technological services and research and design relating thereto; industrial analysis and research services; design and development of computer hardware and software; hosting of internet sites, web sites, computer sites and microsites; IT advice, assistance, information and consulting; providing search engines and internet search facilities; web site design; interior and exterior design; digitisation of documents, text and content; design and development of computer hardware, firmware and software; computer programming; software as a service [SAAS]; software as a service [SAAS] in the field of hosting of internet sites, web sites, computer sites and microsites; platform as a service [PAAS]; platform as a service [PAAS] in the field of hosting of internet sites, web sites, computer sites and microsites; providing computer software for hosting of internet sites, web sites, computer sites and microsites; application service provider services; technical

advisory services relating to data processing; updating of computer software; consultancy in the design and development of computer hardware, firmware and software, of computer and information technology systems and of computer and data storage systems; maintenance of computer software; computer system analysis; information advice and assistance in the implementation of computer, computing and data processing and data storage systems; electrical engineering; technical advisory and assistance services; technical testing services; quality testing services; quality control services; technological services; materials and construction materials testing and research services; professional advisory services relating to research and development; consultancy, advice, assistance, arrangement, information and research in relation to all the aforesaid; any of the aforesaid provided via a website, webpage or portal; including (but not limited to) the aforesaid services provided online, and/or provided for use with and/or by way of the Internet, the world wide web and/or via communications, telephone, mobile telephone and/or wireless communication networks; none of the aforesaid services in relation to advertising, travel and transport services.

Class 45:

Legal services; intellectual property licensing services; regulatory services; regulatory services relating to companies; advocacy services; private investigation services; security services; legal services relating to company formation and registration; company registration services; domain name registration services; consultancy, information, advice and assistance relating to all the aforesaid; any of the aforesaid provided via a website, webpage or portal; including (but not limited to) all the aforesaid services provided online, and/or provided for use with and/or by way of the Internet, the world wide web and/or via communications, telephone, mobile telephone and/or wireless communication networks; none of the aforesaid services in relation to advertising, travel and transport services.

UK00004198881 (2025/021, 23 May 2025)

Specifications have been restricted as follows:

Class 9:

Cloud servers; Application software for mobile phones; Downloadable mobile applications; Mobile application software; Mobile app's; Software applications for mobile devices; Telecommunications software; Servers for web hosting; Web server software; Server software; Proxy server software; Intranet servers; Virtual server software; Network servers; Mail server software; Internet servers; Web application and server software; File servers; Database server software; File server software; Computer network server; Communications server software; Computer servers; Communications servers; Computer database servers; VPN [virtual private network] operating software; VPN [virtual private network] hardware; Electronic mail servers.

Class 38:

Mobile telephony; Mobile communication; Mobile phone communication services; Mobile telephone services; Communications services by mobile phone; Mobile telecommunications services; Mobile telecommunication network services; Mobile telecommunications network services; Telecommunications services; Optical fibre telecommunications services; Fibre optic telecommunications services; E-mail data services; Providing telecommunications

access to server centres; Web site forwarding services; Internet service provider [ISP] services.

Class 42:

Cloud computing services; Cloud storage services for electronic files; Cloud hosting provider services; Providing virtual computer environments through cloud computing; Public cloud hosting provider service; Private cloud hosting provider service; Providing virtual computer systems through cloud computing; Cloud-based data protection services ; Electronic data storage services; Online data storage; Data security services [firewalls]; IT service management [ITSM]; IT services for data protection; Hosting services, software as a service, and rental of software; Backup services for computer hard drive data; Hosting of servers; Server hosting; Web hosting; Web hosting services; Data back-up services; Website hosting services; Hosting of websites; Hosting websites; Hosting web sites; Hosting of web sites; Hosting of mobile websites; Server administration; Remote server administration; Administration of mail servers; Hosting websites on the Internet; Hosting of e-commerce platforms on the Internet; Hosting internet sites for others; Hosting the computer sites (web sites) of others; Hosting the websites of others; Hosting webpages for others; Webhosting.

UK00004205002 (2025/023, 06 June 2025)

Specifications have been restricted as follows:

Class 20:

Mattresses; mattress toppers; cushions and pillows; bedding except linen.

UK00004182894 (2025/027, 04 July 2025)

Specifications have been restricted as follows:

Class 36:

Real estate affairs; real estate management; leasing, rental and of real estate; housing agencies; housing management; provision of housing accommodation; rental of flats, apartments, studios and rooms; property management; information, advisory and consultancy services relating to the aforesaid.

UK00004157486 (2025/018, 02 May 2025)

Specifications have been restricted as follows:

Class 1:

Functional food ingredients for health enhancement, such as fibre and nutrient-dense seaweed extracts added to food and beverages for human consumption, namely cereal snack bars, meal replacement snack bars, sports nutrition bars, energy bars, bread, bread rolls, buns, biscuits, digestive biscuits, cookies, crackers, seeded crackers, muffins, scones, flatbreads, wraps, crispbreads, fish crackers, potato cakes, egg muffins, yoghurts, drinking yoghurts, cheeses, vegan cheeses, cheese substitutes, dairy-based spreads, meal replacement drinks including milk and yoghurt drinks, pates, meat pate, nut-based spreads, vegetable spreads, dairy-based spreads, fruit jelly spreads, fish-based pates and spreads, meat substitutes, vegetable burgers, plant-based burger patties, soy burger patties, tofu burger patties, soup, broth [soup], powdered meal replacement, protein powders, protein shakes.

Class 5:

Dietary supplements for gut health, immune support and wellness; dietary supplements for wound healing, anti-inflammatory and anti-microbial purposes; vitamin

supplements; dietary supplements for human consumption; nutritional supplements for human consumption; probiotic supplements for human consumption; herbal supplements; anti-oxidant supplements; protein supplements; seaweed based supplements; dietary supplements in powder form; dietary supplements with a cosmetic effect; whey protein dietary supplements; mineral dietary supplements for humans; dietary supplements for medical use; food supplements for sportsmen; nutritional supplement for human consumption consisting primarily of magnesium; dietary supplement drinks; diet capsules; health food supplements for persons with special dietary requirements; nutritional supplement meal replacement bars for boosting energy; food supplements consisting of amino acids; dietary supplements for humans not for medical purposes; powdered nutritional supplement drink mix; dietary supplements for human beings; vitamins and vitamin preparations; preparations for supplementing the body with essential vitamins and microelements; multi-vitamin preparations; powdered nutritional supplement energy drink mix; dietary supplements, nutraceutical preparations, and nutritional supplements containing seaweed-derived compounds, including fucoidan and other bioactive ingredients for gut health, immune support, and general wellness; food supplements for humans enriched with seaweed-derived vitamins, minerals, amino acids, and antioxidants.

Class 29:

Meat, poultry and game; Meat extracts; plant-based imitation meat; Preserved, frozen, dried and cooked fruits and vegetables; Jellies, jams, compotes; Eggs; Milk, cheese, butter, yogurt and other milk products; plant-based milk substitutes; Oils and fats for food; fruit snacks; potato snacks; milk-based snacks; snacks of edible seaweed; dried fruit based snacks; edible seaweed and seaweed-based food products in fresh, frozen, dried, cooked, and preserved forms for human consumption; processed seaweed for use as a culinary ingredient; seaweed-based snacks, protein bars, and functional food products made with seaweed extracts; nutritionally enriched food products for human consumption incorporating seaweed extracts, such as fruit and nut bars, meal replacements, and high-fibre foods namely meal replacement snack bars, fish crackers, potato cakes, egg muffins, yoghurts, drinking yoghurts, cheeses, vegan cheeses, cheese substitutes, dairy-based spreads, meal replacement drinks including milk and yoghurt drinks, meat pate, nut-based spreads, vegetable spreads, dairy-based spreads, fruit jelly spreads, fish-based pates and spreads, meat substitutes, vegetable burgers, plant-based burger patties, soy burger patties, tofu burger patties, soup, broth [soup].”preserved, frozen, dried, and cooked fruits and vegetables; jellies, jams, and compotes; oils and fats for food; dairy products including milk, cheese, butter, yoghurt, and cream containing seaweed extracts; plant-based meat alternatives and spreads containing seaweed extracts; edible oils and fats; meat, fish, poultry, game, and meat extracts infused or combined with seaweed extracts.

Class 31:

Fresh, unprocessed seaweed and marine plants for human consumption and further processing; raw seaweed intended for direct culinary use, functional food production, and cosmetic applications; unprocessed seaweed for agricultural, horticultural, and industrial use, including bioactive raw materials for food innovation and natural wellness products.

Class 35:

Retail, wholesale, and online retail services connected with the sale of non-medicated cosmetics and toiletry preparations, non-medicated skincare products, non-medicated skincare products including creams, lotions, serums, gels, essential oils, face masks and exfoliators ; retail, wholesale, and online retail services connected with the sale of non- medicated marine based cosmetics, toiletries and skin care preparations, non-medicated seaweed-based cosmetics, toiletries and skin care preparations, cosmetics, non-medicated toilet preparations, non-medicated skincare products containing bioactive seaweed extracts; retail, wholesale, and online retail services connected with the sale of non-medicated skincare and cosmetic preparations containing seaweed extracts including creams, lotions, serums, gels, essential oils, face masks, and exfoliators formulated for skin hydration, protection, and rejuvenation; retail, wholesale, and online retail services connected with the sale of hair care products including shampoos, conditioners, and treatments formulated with bioactive marine extracts, toiletry preparations including bath oils, body washes, and cleansing products containing seaweed, massage oils and aromatherapy products derived from marine sources; retail, wholesale, and online retail services connected with the sale of dietary supplements for gut health, immune support and wellness, dietary supplements for wound healing, anti- inflammatory and anti-microbial purposes, vitamin supplements, dietary supplements, nutritional supplements, probiotic supplements, herbal supplements, anti-oxidant supplements, protein supplements, seaweed based supplements, dietary supplements in powder form, dietary supplements with a cosmetic effect, whey protein dietary supplements, mineral dietary supplements for humans, dietary supplements for medical use, food supplements for sportsmen, nutritional supplements consisting primarily of magnesium, dietary supplement drinks, diet capsules, health food supplements for persons with special dietary requirements, nutritional supplement meal replacement bars for boosting energy, food supplements consisting of amino acids, dietary supplements for humans not for medical purposes, powdered nutritional supplement drink mix, dietary supplements for human beings, vitamins and vitamin preparations, preparations for supplementing the body with essential vitamins and microelements, multi-vitamin preparations, powdered nutritional supplement energy drink mix, dietary supplements, nutraceutical preparations, and nutritional supplements containing seaweed-derived compounds, including fucoidan and other bioactive ingredients for gut health, immune support, and general wellness, food supplements enriched with seaweed-derived vitamins, minerals, amino acids, and antioxidants for human consumption; retail, wholesale, and online retail services connected with the sale of functional food ingredients for health enhancement, namely fibre and nutrient-dense seaweed extracts added to food and beverages for human consumption, namely cereal snack bars, meal replacement snack bars, sports nutrition bars, energy bars, bread, bread rolls, buns, biscuits, digestive biscuits, cookies, crackers, seeded crackers, muffins, scones, flatbreads, wraps, crispbreads, fish crackers, potato cakes, egg muffins, yoghurts, drinking yoghurts, cheeses, vegan cheeses, cheese substitutes, dairy-based spreads, meal replacement drinks including milk and yoghurt drinks, pates, meat pate, nut- based spreads, vegetable spreads, dairy-based spreads, fruit jelly spreads, fish-based pates and spreads, meat substitutes, vegetable burgers, plant-based burger patties, soy burger patties, tofu burger patties, soup, broth [soup], powdered meal replacement, protein powders, protein shakes; retail,

wholesale, and online retail services connected with the sale of meat, poultry and game, meat extracts, plant-based imitation meat, jellies, jams, compotes, eggs, milk, cheese, butter, yogurt and other milk products, plant-based milk substitutes, oils and fats for food, fruit snacks, potato snacks, milk-based snacks, snacks of edible seaweed, dried fruit based snacks, edible seaweed and seaweed-based food products in fresh, frozen, dried, cooked, and preserved forms for human consumption, processed seaweed for use as a culinary ingredient, seaweed-based snacks, protein bars, and functional food products made with seaweed extracts, nutritionally enriched food products incorporating seaweed extracts, namely fruit and nut bars, meal replacements, and high-fibre foods, namely cereal snack bars, meal replacement snack bars, fish crackers, potato cakes, egg muffins, yoghurts, drinking yoghurts, cheeses, vegan cheeses, cheese substitutes, dairy-based spreads, meal replacement drinks including milk and yoghurt drinks, meat pate, nut-based spreads, vegetable spreads, dairy-based spreads, fruit jelly spreads, fish-based pates and spreads, meat substitutes, vegetable burgers, plant-based burger patties, soy burger patties, tofu burger patties, soup, broth [soup]; retail, wholesale, and online retail services connected with the sale of preserved, frozen, dried, and cooked fruits and vegetables, jellies, jams, and compotes; oils and fats for food, dairy products including milk, cheese, butter, yoghurt, and cream containing seaweed extracts, plant-based meat alternatives and spreads containing seaweed extracts, edible oils and fats, meat, fish, poultry, game, and meat extracts infused or combined with seaweed extracts; retail, wholesale, and online retail services connected with the sale of coffee, tea, cocoa and substitutes therefor, rice, pasta and noodles, tapioca and sago, flour and preparations made from cereals, bread, pastries and confectionery, chocolate; Ice cream, sorbets and other edible ices, sugar, honey, treacle, yeast, baking-powder, salt, seasonings, spices, preserved herbs, vinegar, sauces and other condiments, Ice [frozen water], muffins, biscuits, bakery goods, pasta, cereal base snack foods, rice snacks, tortilla snacks, flour-based snacks; retail, wholesale, and online retail services connected with the sale of fresh, unprocessed seaweed and marine plants for human consumption and further processing, raw seaweed intended for direct culinary use, functional food production, and cosmetic applications, unprocessed seaweed for agricultural, horticultural, and industrial use, including bioactive raw materials for food innovation and natural wellness products; promotion, marketing, online retail services connected with the sale of seaweed- based food for human consumption and beauty products via a platform; consultancy and advisory services related to the commercial promotion of seaweed-based goods and brand development in the wellness industry.

Class 42:

Scientific and technological services focused on the research, analysis, and development of seaweed-derived bioactive compounds for use in food (not food for animals), nutraceutical, and cosmetic products; research on advanced bioprocessing techniques for the extraction of bioactive compounds, preservation of seaweed's natural properties, and development of functional ingredients for human wellness; environmental sustainability research, including regenerative seaweed farming methods, biodiversity protection, and ocean health conservation; consulting and collaborative research in marine biotechnology and food innovation (not food for animals).

UK00004191628 (2025/020, 16 May 2025)

Journal 2025/029 published on 18 July 2025 .

Specifications have been restricted as follows:

Class 9:

Downloadable mobile applications for use with wearable computer devices for monitoring and improving emotional wellbeing, focus, and stress; Electronic biometric and physiological sensors; downloadable software for use with wearable computer devices using artificial intelligence for tracking emotional states, delivering nudges, and generating wellbeing insights; all the aforesaid being for non-medical and wellness purposes.

Class 42:

Software as a service (SaaS) and platform as a service (PaaS) featuring artificial intelligence for processing biometric data to support mental wellness, emotional resilience, and mindfulness.

Class 44:

Provision of health information; Mental health services; Healthcare information services.

UK00004169508 (2025/022, 30 May 2025)

Specifications have been restricted as follows:

Class 28:

Machines for physical exercises; Fishing tackle; Flippers for swimming; Floating recreational pads; Archery bow cases; Archery implements; Articles for playing darts; Dart boards; Dart mats; Darts.

UK00004157500 (2025/016, 18 April 2025)

Specifications have been restricted as follows:

Class 1:

Functional food ingredients for health enhancement, such as fibre and nutrient-dense seaweed extracts added to food and beverages for human consumption, namely cereal snack bars, meal replacement snack bars, sports nutrition bars, energy bars, bread, bread rolls, buns, biscuits, digestive biscuits, cookies, crackers, seeded crackers, muffins, scones, flatbreads, wraps, crispbreads, fish crackers, potato cakes, egg muffins, yoghurts, drinking yoghurts, cheeses, vegan cheeses, cheese substitutes, dairy-based spreads, meal replacement drinks including milk and yoghurt drinks, pates, meat pate, nut-based spreads, vegetable spreads, dairy-based spreads, fruit jelly spreads, fish-based pates and spreads, meat substitutes, vegetable burgers, plant-based burger patties, soy burger patties, tofu burger patties, soup, broth [soup], powdered meal replacement, protein powders, protein shakes.

Class 5:

Dietary supplements for gut health, immune support and wellness; dietary supplements for wound healing, anti-inflammatory and anti-microbial purposes; vitamin supplements; dietary supplements for human consumption; nutritional supplements for human consumption; probiotic supplements for human consumption; herbal supplements; anti-oxidant supplements; protein supplements; seaweed based supplements; dietary supplements in powder form; dietary supplements with a cosmetic effect; whey protein dietary supplements; mineral dietary supplements for humans; dietary supplements for medical use; food supplements for sportsmen; nutritional supplement for human consumption consisting primarily of magnesium; dietary supplement drinks; diet capsules; health food supplements for persons with special dietary requirements; nutritional supplement

meal replacement bars for boosting energy; food supplements consisting of amino acids; dietary supplements for humans not for medical purposes; powdered nutritional supplement drink mix; dietary supplements for human beings; vitamins and vitamin preparations; preparations for supplementing the body with essential vitamins and microelements; multi-vitamin preparations; powdered nutritional supplement energy drink mix; dietary supplements, nutraceutical preparations, and nutritional supplements containing seaweed-derived compounds, including fucoidan and other bioactive ingredients for gut health, immune support, and general wellness; food supplements for humans enriched with seaweed-derived vitamins, minerals, amino acids, and antioxidants.

Class 29:

Meat, poultry and game; Meat extracts; plant-based imitation meat; Preserved, frozen, dried and cooked fruits and vegetables; Jellies, jams, compotes; Eggs; Milk, cheese, butter, yogurt and other milk products; plant-based milk substitutes; Oils and fats for food; fruit snacks; potato snacks; milk-based snacks; snacks of edible seaweed; dried fruit based snacks; edible seaweed and seaweed-based food products in fresh, frozen, dried, cooked, and preserved forms for human consumption; processed seaweed for use as a culinary ingredient; seaweed-based snacks, protein bars, and functional food products made with seaweed extracts; nutritionally enriched food products for human consumption incorporating seaweed extracts, such as fruit and nut bars, meal replacements, and high-fibre foods namely meal replacement snack bars, fish crackers, potato cakes, egg muffins, yoghurts, drinking yoghurts, cheeses, vegan cheeses, cheese substitutes, dairy-based spreads, meal replacement drinks including milk and yoghurt drinks, meat pate, nut-based spreads, vegetable spreads, dairy-based spreads, fruit jelly spreads, fish-based pates and spreads, meat substitutes, vegetable burgers, plant-based burger patties, soy burger patties, tofu burger patties, soup, broth [soup]. "preserved, frozen, dried, and cooked fruits and vegetables; jellies, jams, and compotes; oils and fats for food; dairy products including milk, cheese, butter, yoghurt, and cream containing seaweed extracts; plant-based meat alternatives and spreads containing seaweed extracts; edible oils and fats; meat, fish, poultry, game, and meat extracts infused or combined with seaweed extracts.

Class 31:

Fresh, unprocessed seaweed and marine plants for human consumption and further processing; raw seaweed intended for direct culinary use, functional food production, and cosmetic applications; unprocessed seaweed for agricultural, horticultural, and industrial use, including bioactive raw materials for food innovation and natural wellness products.

Class 35:

Retail, wholesale, and online retail services connected with the sale of non-medicated cosmetics and toiletry preparations, non-medicated skincare products, non-medicated skincare products including creams, lotions, serums, gels, essential oils, face masks and exfoliators ; retail, wholesale, and online retail services connected with the sale of non-medicated marine based cosmetics, toiletries and skin care preparations, non-medicated seaweed-based cosmetics, toiletries and skin care preparations, cosmetics, non-medicated toilet preparations, non-medicated skincare products containing bioactive seaweed extracts; retail, wholesale, and online retail services connected with the sale of non-medicated skincare and cosmetic preparations containing seaweed

extracts including creams, lotions, serums, gels, essential oils, face masks, and exfoliators formulated for skin hydration, protection, and rejuvenation; retail, wholesale, and online retail services connected with the sale of hair care products including shampoos, conditioners, and treatments formulated with bioactive marine extracts, toiletry preparations including bath oils, body washes, and cleansing products containing seaweed, massage oils and aromatherapy products derived from marine sources; retail, wholesale, and online retail services connected with the sale of dietary supplements for gut health, immune support and wellness, dietary supplements for wound healing, anti-inflammatory and anti-microbial purposes, vitamin supplements, dietary supplements, nutritional supplements, probiotic supplements, herbal supplements, anti-oxidant supplements, protein supplements, seaweed based supplements, dietary supplements in powder form, dietary supplements with a cosmetic effect, whey protein dietary supplements, mineral dietary supplements for humans, dietary supplements for medical use, food supplements for sportsmen, nutritional supplements consisting primarily of magnesium, dietary supplement drinks, diet capsules, health food supplements for persons with special dietary requirements, nutritional supplement meal replacement bars for boosting energy, food supplements consisting of amino acids, dietary supplements for humans not for medical purposes, powdered nutritional supplement drink mix, dietary supplements for human beings, vitamins and vitamin preparations, preparations for supplementing the body with essential vitamins and microelements, multi-vitamin preparations, powdered nutritional supplement energy drink mix, dietary supplements, nutraceutical preparations, and nutritional supplements containing seaweed-derived compounds, including fucoidan and other bioactive ingredients for gut health, immune support, and general wellness, food supplements enriched with seaweed-derived vitamins, minerals, amino acids, and antioxidants for human consumption; retail, wholesale, and online retail services connected with the sale of functional food ingredients for health enhancement, namely fibre and nutrient-dense seaweed extracts added to food and beverages for human consumption, namely cereal snack bars, meal replacement snack bars, sports nutrition bars, energy bars, bread, bread rolls, buns, biscuits, digestive biscuits, cookies, crackers, seeded crackers, muffins, scones, flatbreads, wraps, crispbreads, fish crackers, potato cakes, egg muffins, yoghurts, drinking yoghurts, cheeses, vegan cheeses, cheese substitutes, dairy-based spreads, meal replacement drinks including milk and yoghurt drinks, pates, meat pate, nut-based spreads, vegetable spreads, dairy-based spreads, fruit jelly spreads, fish-based pates and spreads, meat substitutes, vegetable burgers, plant-based burger patties, soy burger patties, tofu burger patties, soup, broth [soup], powdered meal replacement, protein powders, protein shakes; retail, wholesale, and online retail services connected with the sale of meat, poultry and game, meat extracts, plant-based imitation meat, jellies, jams, compotes, eggs, milk, cheese, butter, yogurt and other milk products, plant-based milk substitutes, oils and fats for food, fruit snacks, potato snacks, milk-based snacks, snacks of edible seaweed, dried fruit based snacks, edible seaweed and seaweed-based food products in fresh, frozen, dried, cooked, and preserved forms for human consumption, processed seaweed for use as a culinary ingredient, seaweed-based snacks, protein bars, and functional food products made with seaweed extracts, nutritionally enriched food products incorporating seaweed extracts, namely fruit and nut bars, meal replacements, and high-fibre foods, namely cereal snack bars,

meal replacement snack bars, fish crackers, potato cakes, egg muffins, yoghurts, drinking yoghurts, cheeses, vegan cheeses, cheese substitutes, dairy-based spreads, meal replacement drinks including milk and yoghurt drinks, meat pate, nut-based spreads, vegetable spreads, dairy-based spreads, fruit jelly spreads, fish-based pates and spreads, meat substitutes, vegetable burgers, plant-based burger patties, soy burger patties, tofu burger patties, soup, broth [soup]; retail, wholesale, and online retail services connected with the sale of preserved, frozen, dried, and cooked fruits and vegetables, jellies, jams, and compotes; oils and fats for food, dairy products including milk, cheese, butter, yoghurt, and cream containing seaweed extracts, plant-based meat alternatives and spreads containing seaweed extracts, edible oils and fats, meat, fish, poultry, game, and meat extracts infused or combined with seaweed extracts; retail, wholesale, and online retail services connected with the sale of coffee, tea, cocoa and substitutes therefor, rice, pasta and noodles, tapioca and sago, flour and preparations made from cereals, bread, pastries and confectionery, chocolate; Ice cream, sorbets and other edible ices, sugar, honey, treacle, yeast, baking-powder, salt, seasonings, spices, preserved herbs, vinegar, sauces and other condiments, Ice [frozen water], muffins, biscuits, bakery goods, pasta, cereal base snack foods, rice snacks, tortilla snacks, flour-based snacks; retail, wholesale, and online retail services connected with the sale of fresh, unprocessed seaweed and marine plants for human consumption and further processing, raw seaweed intended for direct culinary use, functional food production, and cosmetic applications, unprocessed seaweed for agricultural, horticultural, and industrial use, including bioactive raw materials for food innovation and natural wellness products; promotion, marketing, online retail services connected with the sale of seaweed-based food for human consumption and beauty products via a platform; consultancy and advisory services related to the commercial promotion of seaweed-based goods and brand development in the wellness industry.
