**UK00004265320** (2026/005, 30 January 2026)

Specifications have been restricted as follows:

**Class 35:**

Retail, wholesale services connected with the sale of valves and manifolds, ball valves, butterfly valves, clack valves, check valves, control valves, directional control valves, disc flushing valves, double tube valves, drain traps, draw-off valves, flap valves of metal, flow control devices of metal, flow isolating valves, high pressure precision valves, manual valves, needle valves, non-return valves, poppet valves, pressure reducing and regulating valves, pressure relief valves, quick exhaust valves, safety valves, shutter valves, slide valves, shear seal valves, valves for industrial installations, valves for use in hazardous and corrosive environments, flow volume boosters, all of the above substantially of metal and for controlling the flow of fluids, parts, fittings and accessories for all of the above; retail and wholesale services connected with the sale of valves and valve mechanisms, actuators for valves, air delivery valves, air switching valves, butterfly valves, check valves, clack valves, compressed air pilot valves, electric, hydraulic, mechanical, pneumatic, thermostatic control valves, drives for valves, electric motors for valves, electric valves, electromagnetic valves, flap valves, pressure regulating, control and reducing valves, directional control valves, valves for industrial use, high pressure precision valves, level regulating valves, lockable valves, manual control valves, pressure intensifiers, pumps, safety valves, motorised valves, non-return valves, pneumatic actuators for valves, pneumatically operable valves, power operated valves, safety valves, servo-control valves, shutter valves, slide valves, shear seal valves, stop valves, throttle valves, valves for regulating fluid flow, valves

for industrial installations, valves for use in hazardous and corrosive environments, valves for use in wellhead apparatus, all of the above being parts for machines, compressed air pilot valves, parts, fittings and accessories for all the above; retail and wholesale services connected with the sale of automatically actuated valves, control valves, directional control valves, solenoid operated valves, amplifying valves, automatic throttle valves for pressure control, valves for controlling fluid flow in boreholes, electronic control apparatus for valves, valve positioners, monitoring apparatus for the control of valves, pressure indicator plugs for valves, remote control apparatus for effecting the automatic opening and closure of valves, valves for use in hazardous and corrosive environments, parts, fittings and accessories for all of the above; none of the aforementioned services being in the water supply or wastewater industry.

**Class 37:**

Maintenance, installation and service of control and fail safe apparatus and installations, including valves, motorised valves and light mechanisms for use in pipelines and channels; maintenance, installation and service of control and fail safe apparatus and installations for industrial processes, electronic assemblies, computer hardware for monitoring and controlling industrial processes; maintenance, installation and service of control apparatus and installations including electrical/electronic means for controlling the operating of moveable equipment and mechanisms, including valves, motorised valves and light mechanisms for use in pipelines and channels and of parts and fittings for the aforesaid goods; none of the aforementioned services being in the water supply or wastewater industry.

**UK00004296079** (2025/048, 28 November 2025)

Specifications have been restricted as follows:

**Class 1:**

Chemical substances for use in the production of drugs.

**UK00004275644** (2025/043, 24 October 2025)

Specifications have been restricted as follows:

**Class 35:**
