Mark 3

Mark 4

List of cases accepted for opposition purposes as shown in Journal 2026/011 published on 13 March 2026 .

Application for a series of 4 marks.

Main monogram logo mark consists of a stylised monogram featuring a large uppercase 'R' in red (pantone 1785 C) and lowercase dark blue 's' (pantone 534 C) with two small graphics showing snapping exit between the two words (shard-like shapes; one dark blue shard pointing upward and one red shard pointing to the right). The white background is not claimed as a feature of the mark. Reversed mark 1 consists of a stylised monogram featuring a large uppercase 'R' in red (pantone 1785 C) and lowercase white 's' with two small graphics showing snapping exit between the two words (shard-like shapes; one white shard pointing upward and one red shard pointing to the right). The dark blue background is not claimed as a feature of the mark and is indicative of potential use only. Reversed mark 2 consists of a stylised monogram featuring a large uppercase 'R' in white and lowercase dark blue 's' (pantone 534 C) with two small graphics showing snapping exit between the two words (shard-like shapes; one dark blue shard pointing upward and one white shard pointing to the right). The red background is not claimed as a feature of the mark and is indicative of potential use only. - Outlined version shows overall shape, font style and snapping exit between text elements.

Class 9:

Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating,

regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording discs; compact discs, DVDs and other digital recording media; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment, computers; computer software; fire-extinguishing apparatus; apparatus for the transmission of sound and image; telecommunications apparatus; mobile telecommunication apparatus; mobile telecommunications handsets; digital telecommunication apparatus and instruments; digital tablets; tablet computers; computer hardware; computer application software; computer software downloadable from the Internet; recorded computer software; software applications; mobile software applications, downloadable applications for multimedia devices; computer games; computer game software; computer software applications, downloadable; computer games programs; PDAs (Personal Digital Assistants); pocket PCs; mobile telephones; selfie sticks [hand-held monopods]; smart rings; smartphones; smartwatches; wearable technology, namely wearable communication apparatus, telecommunication apparatus, smart phones, watches, monitors, displays, computer hardware, activity trackers, audio equipment, video display monitors, digital electronic devices capable of providing access to the Internet; laptop computers; linear actuators [electric]; telecommunications network apparatus; drivers software for telecommunications networks and for telecommunications apparatus; protective clothing; protective helmets; televisions; headphones; global positioning system [GPS] apparatus; satellite navigation devices; sensors none being goods relating to liquids or gases; computer hardware modules for use in Internet of Things electronic devices, sensors and gateways; computer hardware and software for use in and with Internet of Things [IOT] devices none being goods relating to liquids or gases; computer software recorded onto CD Rom; SD-Cards (secure digital cards); smart meters; protective glasses and cases therefor; cameras; camera lenses; MP3 players; audio tapes, audio cassettes; audio discs; audio-video tapes; audio-video cassettes; audio-video discs; video tapes; video cassettes; video discs; CDs, DVDs; downloadable electronic publications; downloadable image files; downloadable music files; mouse mats; magnets; mobile telephone covers; mobile telephone cases; hands free kits for phones; magnetic cards; encoded cards; mobile phone application software; software for telecommunication; software for the processing of financial transactions; electronic notice boards; electric batteries; battery chargers; security alarms; security cameras; security warning apparatus; security control apparatus; security surveillance apparatus; computer software for security purposes; computer software for insurance purposes; SIM cards; interactive touch screen terminals; aerials; alarms; electric cables; chemistry apparatus and instruments; recorded computer operating programs; computer peripheral devices; data processing apparatus; diagnostic apparatus, not for medical purposes; distance measuring apparatus; distance recording apparatus; downloadable ring tones for mobile phones; electronic tags for goods; eyepieces; goggles for sports; magnetic identity cards; intercommunication apparatus; loudspeakers; magnetic data media; mathematical instruments; modems; electric monitoring apparatus; television apparatus; testing apparatus not for medical purposes; telecommunication transmitters; mobile device management apparatus; software for mobile device management; middleware for management of software functions on electronic devices; computer virus software; computer antivirus software; smart home software; smart home devices, namely, smart doorbells, smart speakers,

List of cases accepted for opposition purposes as shown in Journal 2026/011 published on 13 March 2026 .

smart televisions, smart radios, smart alarms, smart security systems, smart video monitors, smart monitoring apparatus and instruments, smart telephones, smart meters, smart locks and padlocks, smart door locks; home automation devices; in-car entertainment systems; privacy protection software; printers; printer programmes, servers, sharers, cables, hubs and converters; photo printers; downloadable virtual goods, namely, digital art, photographs, videos, or audio recordings; downloadable digital artwork and images; downloadable software for providing access to artwork authenticated by non-fungible tokens (nfts), collectibles namely art, trading cards, tickets and clothing authenticated by non-fungible tokens (nfts) and crypto collectibles namely digital art, video clips, music recordings, digital trading cards, domains, e-tickets, virtual clothing all authenticated by non-fungible tokens (nfts), application tokens and digital currencies; downloadable software for use in electronically buying, selling, receiving, sending, storing, trading, and processing transactions to and related to artwork authenticated by non-fungible tokens (nfts), collectibles namely art, trading cards, tickets and clothing authenticated by non-fungible tokens (nfts) and crypto collectibles namely digital art, video clips, music recordings, digital trading cards, domains, e-tickets, virtual clothing all authenticated by non-fungible tokens (nfts), application tokens and digital currencies; downloadable software for providing information, communications, and authentications for social media, artwork authenticated by non-fungible tokens (nfts), collectibles namely art, trading cards, tickets and clothing authenticated by non-fungible tokens (nfts) and crypto collectibles namely digital art, video clips, music recordings, digital trading cards, domains, e-tickets, virtual clothing all authenticated by non-fungible tokens (nfts), application tokens and digital currencies; downloadable software for downloading, receiving, sending, and storing software, data, links, video files, and image files from the internet; downloadable software for providing access to digital marketplaces and auctions; computer application software for blockchain-based platforms; provision of downloadable software in relation to digital art and collectibles; Wet suits for water-skiing; parts and fittings for all the aforesaid goods.

Class 35:

Advertising; business management; business administration; office functions; organisation, operation and supervision of loyalty and incentive schemes; retail services and online retail services connected with the sale of scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments, apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, apparatus for recording, transmission or reproduction of sound or images; retail services and online retail services connected with the sale of magnetic data carriers, recording discs, compact discs, DVDs and other digital recording media, mechanisms for coin-operated apparatus, cash registers, calculating machines, data processing equipment, computers, computer software, fire-extinguishing apparatus, apparatus for the transmission of sound and image, telecommunications apparatus, mobile telecommunication apparatus, mobile telecommunications handsets; retail services and online retail services connected with the sale of digital telecommunication apparatus and instruments, digital tablets, computer hardware, computer application software, computer software downloadable from the Internet, recorded computer software, software applications, mobile software applications, downloadable applications for multimedia devices, computer

games, computer game software, computer games programs, PDAs (Personal Digital Assistants); retail services and online retail services connected with the sale of pocket PCs, mobile telephones, laptop computers, telecommunications network apparatus, drivers software for telecommunications networks and for telecommunications apparatus, protective clothing, protective helmets, televisions, headphones, global positioning system [GPS] apparatus, satellite navigation devices, computer software recorded onto CD Rom, SD-Cards (secure digital cards), glasses, spectacle glasses, sunglasses; retail services and online retail services connected with the sale of protective glasses and cases therefor, contact lenses, cameras, camera lenses, MP3 players, audio tapes, audio cassettes, audio discs, audio-video tapes, audio-video cassettes, audio-video discs, video tapes, video cassettes, video discs, CDs, DVDs, downloadable electronic publications, downloadable image files, downloadable music files, mouse mats, magnets, mobile telephone covers, mobile telephone cases; retail services and online retail services connected with the sale of hands free kits for phones, magnetic cards, encoded cards, mobile phone application software, software for telecommunication, software for the processing of financial transactions, electronic notice boards, electric batteries, battery chargers, security alarms, security cameras, security warning apparatus, security control apparatus, security surveillance apparatus, computer software for security purposes; retail services and online retail services connected with the sale of computer software for insurance purposes, SIM cards, aerials, alarms, electric cables, chemistry apparatus and instruments, recorded computer operating programs, computer peripheral devices, data processing apparatus, diagnostic apparatus, not for medical purposes, distance measuring apparatus, distance recording apparatus, downloadable ring tones for mobile phones, electronic tags for goods; retail services and online retail services connected with the sale of electronic tags for goods, eyepieces, goggles for sports, magnetic identity cards, intercommunication apparatus, loudspeakers, magnetic data media, mathematical instruments, modems, electric monitoring apparatus, television apparatus, testing apparatus not for medical purposes, telecommunication transmitters, paper, cardboard, printed matter, photographs, stationery; retail services and online retail services connected with the sale of office requisites, instructional and teaching material, packaging material, educational equipment, writing implements, writing instruments, writing materials, books, catalogues, cards, instruction manuals, magazines, mail order catalogues, newspapers, pamphlets, periodical publications, calendars, diaries, labels, maps, printed publications, postcards, posters, printed tariffs, printed forms; retail services and online retail services connected with the sale of clothing, footwear, headgear, household or kitchen utensils and containers, cookware, tableware, food cooking equipment, cutlery, cleaning articles, gardening articles, jewellery, horological and chronometric instruments, musical instruments, apparatus for lighting, textiles, household textile articles, furniture, furnishing, bags, luggage, toiletries, cosmetics, pharmaceutical preparations, cleaning preparations; retail services and online retail services connected with the sale of bags, luggage, games and playthings, gymnastic articles, sporting articles, sporting equipment, meat, fish, poultry, game, food, foodstuffs, confectionery, desserts, baked goods, delicatessen products, fruit, flowers, coffee, tea, cocoa, sugar, rice, beers, mineral waters, aerated waters and other non-alcoholic drinks, alcoholic beverages, matches, tobacco; retail services and online retail services connected with the sale of interactive touch screen terminals, selfie sticks [hand-held monopods], smart rings,

List of cases accepted for opposition purposes as shown in Journal 2026/011 published on 13 March 2026 .

smartphones, smartwatches, automobile accessories, automobile parts, vehicles, fuels, building materials, metal hardware, electronic components, recorded content; business management of retail outlets; arranging subscriptions to telecommunications for others; compilation and systemisation of information into computer databases; compilation of statistics; cost price analysis; arranging of competitions for advertising purposes; recruitment services; employment recruitment; employment consultancy; employment agencies; providing employment information; providing employment information in connection with youth programme schemes; commercial administration of the licensing of the goods and services of others; commercial information and advice for consumers [consumer advice shop]; opinion polling; personnel recruitment; price comparison services; procurement services for others [purchasing goods and services for other businesses]; rental of advertising space; rental of advertising time on communication media; sales promotion for others; sponsorship search; negotiation of business contracts for others; information and advisory services relating to the aforesaid services; information and advisory services relating to the aforesaid services provided on-line from a computer database or the Internet; providing an online marketplace for the display and sale of artwork authenticated by non-fungible tokens (nfts); providing an online marketplace for buyer and sellers of goods authenticated by nfts and cryptocollectibles; information relating to an online marketplace for buyers and sellers of downloadable digital art images authenticated by non-fungible tokens (NFTs); auctioning artwork authenticated by non-fungible tokens (nfts), collectibles namely art, trading cards, tickets and clothing authenticated by non-fungible tokens (nfts) and crypto collectibles namely digital art, video clips, music recordings, digital trading cards, domains, e-tickets, virtual clothing all authenticated by non-fungible tokens (nfts); retail services connected with the sale of artwork authenticated by non-fungible tokens (nfts), collectibles namely art, trading cards, tickets and clothing authenticated by non-fungible tokens (nfts) and crypto collectibles namely digital art, video clips, music recordings, digital trading cards, domains, e-tickets, virtual clothing all authenticated by non-fungible tokens (nfts); information and advisory services relating to the aforesaid services provided over a telecommunications network.

Class 36:

Insurance; financial affairs; monetary affairs; real estate affairs; financial information and advice relating to tariffs; information and advice relating to finance and insurance; financial payment services; payment processing services; electronic payment services; automated payment services; payment collection agencies; processing of payment transactions via the Internet; money transfer services; electronic funds transfer services; bill payment services; Internet banking; mobile phone banking services; issuing of vouchers and coupons; issuing tokens of value, namely gift cards; issuing of tokens of value in relation to customer loyalty schemes; sponsorship of sports, sports teams and sports events; insurance administration; insurance for telecommunication apparatus and instruments; insurance for mobile telecommunication apparatus and instruments; insurance for digital apparatus and instruments; insurance for digital tablets; insurance for computer software and hardware; travel insurance; vehicle insurance; home insurance; charitable fund raising; credit card services; debit card services; debt collection agencies; financial sponsorship; repair costs evaluation [financial appraisal]; building leasing; financial evaluation [insurance, banking, real estate]; housing agents; real estate management services relating to office premises; leasing of offices; property

leasing; leasing of shopping premises; leasing of real estate; leasing of office space; real estate agencies; real estate appraisal; real estate management; rent collection; rental of offices [real estate]; renting of flats; stamp appraisal; financial leasing; property and building management services; estate management; hire purchase financing; information and advisory services relating to the aforesaid services; information and advisory services relating to the aforesaid services provided on-line from a computer database or the Internet; financial digital token exchange services; financial digital token trading; web-based financial services, namely financial valuations relating to blockchain based non-fungible tokens (nfts); digital token of value transfer services; valuation of artwork authenticated by non-fungible tokens (nfts), collectibles namely art, trading cards, tickets and clothing authenticated by non-fungible tokens (nfts) and crypto collectibles namely digital art, video clips, music recordings, digital trading cards, domains, e-tickets, virtual clothing all authenticated by non-fungible tokens (nfts); digital token of value exchange services; digital token of value trading; information and advisory services relating to the aforesaid services provided over a telecommunications network.

Class 38:

Telecommunications; cable television broadcasting; cellular telephone communication; communications by computer terminals; communications by fiber [fibre] optic networks; communications by telephone; computer aided transmission of messages and images; electronic bulletin board services [telecommunications services]; electronic mail; facsimile transmission; information about telecommunication; message sending; paging services [radio, telephone or other means of electronic communication]; providing access to databases; providing internet chatrooms; providing telecommunication channels for teleshopping services; providing telecommunications connections to a global computer network; providing user access to global computer networks; radio broadcasting; rental of access time to global computer networks; rental of message sending apparatus; rental of modems; rental of telecommunication equipment; rental of telephones; satellite transmission; telecommunications routing and junction services; teleconferencing services; telegraph services; telephone services; television broadcasting; telex services; transmission of digital files; transmission of greeting cards online; transmission of telegrams; voice mail services; wire service; wireless broadcasting; telecommunications services; mobile telecommunications services; telecommunications portal services; access to content, websites and portals; providing access to platforms and portals on the Internet; provision of access to content, websites and portals; telecommunication services provided via platforms and portals on the Internet and other media; mobile telecommunications network services; fixed line telecommunication services; provision of broadband telecommunications access; broadband services; wireless communication services; digital communication services; broadcasting services; television broadcasting services; broadcasting services relating to Internet protocol TV; provision of access to Internet protocol TV; Internet access services; email and text messaging services; telecommunications information provided via telecommunication networks; services of a network provider, namely rental and handling of access time to data networks and databases, in particular the Internet; communications services for accessing a database; leasing of access time to a computer database; providing access to computer databases; rental of access time to a computer database; operation of a network,

List of cases accepted for opposition purposes as shown in Journal 2026/011 published on 13 March 2026 .

being telecommunication services; providing electronic bulletin board services; providing access to weblogs; providing access to podcasts; chatroom services for social networking; providing online forums; forums for social networking; providing electronic telecommunication connections; routing and connecting services for telecommunications; rental of telecommunications equipment; providing access to computer databases in the fields of social networking, social introduction and dating; leasing of mobile phones; information and advisory services relating to the aforesaid; information and advisory services relating to the aforesaid services provided on-line from a computer database or the Internet; telematics services; transfer of artwork in the form of non-fungible tokens (nfts) of value; information and advisory services relating to the aforesaid services provided over a telecommunications network.

Class 41:

Education; providing of training; entertainment; sporting and cultural activities; academies [education]; amusement parks; amusements; arranging and conducting of colloquiums; arranging and conducting of concerts; arranging and conducting of conferences; arranging and conducting of congresses; arranging and conducting of seminars; arranging and conducting of symposiums; arranging and conducting of workshops [training]; arranging of beauty contests; booking of seats for shows; cinema presentations; club services [entertainment or education]; coaching [training]; education information; educational examination; electronic desktop publishing; entertainer services; entertainment information; organisation of fashion shows for entertainment purposes; film production, other than advertising films; gambling; game services provided on-line from a computer network; games equipment rental; health club services [health and fitness training]; holiday camp services [entertainment]; music-halls; news reporters services; organization of shows [impresario services]; organization of sports competitions; party planning [entertainment]; personal trainer services [fitness training]; physical education; practical training [demonstration]; production of music; production of radio and television programmes; production of shows; providing amusement arcade services; providing karaoke services; providing sports facilities; publication of books; publication of texts, other than publicity texts; radio entertainment; recording studio services; providing recreation facilities; sport camp services; subtitling; television entertainment; theatre productions; ticket agency services [entertainment]; timing of sports events; tuition; interactive entertainment services; electronic games services provided by means of any communications network; entertainment services provided by means of telecommunication networks; education, training, entertainment, sporting and cultural activities information provided by means of telecommunication networks; provision of news information; television production services; television programming services; television production and television programming services provided by means of Internet protocol technology; provision of musical events; entertainment club services; discotheque services; presentation of live performances; night clubs; rental of music venues and stadiums; casino services; ticket reservations for entertainment, sporting and cultural events; ticket information services for entertainment, sporting and cultural events; ticket agency services for entertainment, sporting and cultural events; provision of on-line computer games; computer and video game amusement services; provision of information, news and commentary in the field of computer games; arranging, organising and conducting computer game competitions; publishing services;

providing on-line electronic publications, not downloadable; publication of electronic books and journals on-line; arranging, organising and conducting of competitions, games and quizzes; arranging, organising and conducting of competitions, games and quizzes for entertainment, recreational, cultural and educational purposes; organisation of awards; career advisory services; conducting of phone-in competitions; booking agency services connected with the issuing of tickets for entertainment events; employment training; information and advisory services relating to the aforesaid; information and advisory services relating to the aforesaid services provided on-line from a computer database or the Internet; music recordings, concerts, performances, productions, publishing, instruction, competition services and composition services; musical performances and entertainment; live music services, concerts, shows and performances; music library services; recording of music; music entertainment services; music publishing and music recording services; music group services; tuition and teaching of music; music mixing services; music transcription services; musical performance, education and instruction services; musical composition for others; organisation of music concerts; entertainment services performed by musicians; consultancy on film and music production; rental of phonographic and music recordings; providing digital music [not downloadable] from the internet; ticket reservation and booking services for music concerts; education and training related to an online marketplace for the creation, display, sale, and transfer of artwork authenticated non-fungible tokens (nft); education and training related to an online marketplace for buyers and sellers of crypto-collectibles authenticated by nfts; virtual reality arcade services; providing on-line non-downloadable images; provision of exhibitions via virtual reality and augmented reality; information and advisory services relating to the aforesaid services provided over a telecommunications network.

Class 42:

Scientific and technological services and research and design relating thereto; industrial analysis and research services; design and development of computer hardware and software; calibration [measuring]; cloud seeding; computer programming; computer rental; computer software consultancy; computer software design; updating of computer software; computer system analysis; computer system design; construction drafting; consultancy in the design and development of computer hardware; consultancy in the field of energy-saving; conversion of data or documents from physical to electronic media; creating and maintaining web sites for others; data conversion of computer programs and data [not physical conversion]; digitization of documents [scanning]; duplication of computer programs; engineering; hosting computer sites [web sites]; industrial design; installation of computer software; scientific laboratory services; land surveying; maintenance of computer software; material testing; mechanical research; monitoring of computer systems by remote access; packaging design; technical project studies; providing search engines for the internet; provision of scientific information, advice and consultancy in relation to carbon offsetting; quality control; recovery of computer data; rental of computer software; rental of web servers; research and development for others; surveying; technical research; it services; computer programming services; programming of data processing equipment; consultancy in the field of computer hardware; rental of computer hardware; application service provider (ASP); consultancy in the field of computer software; creating and maintaining blogs for others; expert advice and expert opinion relating to

List of cases accepted for opposition purposes as shown in Journal 2026/011 published on 13 March 2026 .

technology; rental of data processing apparatus and computers; technical services relating to projection and planning of equipment for telecommunications; product research services; weather forecasting; research in the field of telecommunication technology; monitoring of network systems in the field of telecommunications; technical support services relating to telecommunications and apparatus; data security services; data security services [firewalls]; research relating to security; maintenance of computer software relating to computer security and prevention of computer risks; updating of computer software relating to computer security and prevention of computer risks; IT security, protection and restoration; internet security consultancy; computer security system monitoring services; programming of internet security programs; professional consultancy relating to computer security; consultancy in the field of security software; computer security threat analysis for protecting data; design and development of electronic data security systems; design and development of internet data security systems; computer virus protection services; unlocking of mobile phones; hosting of web portals; web portal design; software as a service [SAAS] services; consulting services in the field of software as a service [SaaS]; platform as a Service [PaaS]; leasing of computers and tablet computers; information and advisory services relating to the aforesaid; information and advisory services relating to the aforesaid services provided on-line from a computer database or the Internet; web-based design services relating to the creation of blockchain based non-fungible tokens (nfts); platform as a service (paas) and software as a service (saas) featuring software platforms for providing access to and related to artwork authenticated by non-fungible tokens (nfts), collectibles namely art, trading cards, tickets and clothing authenticated by non-fungible tokens (nfts) and crypto collectibles namely digital art, video clips, music recordings, digital trading cards, domains, e-tickets, virtual clothing all authenticated by non-fungible tokens (nfts), application tokens, and digital currencies; platform as a service (paas) and software as a service (saas) featuring software platforms for use in electronically buying, selling, receiving, sending, storing, trading, and processing transactions to and related to artwork authenticated by non-fungible tokens (nfts), collectibles namely art, trading cards, tickets and clothing authenticated by non-fungible tokens (nfts) and crypto collectibles namely digital art, video clips, music recordings, digital trading cards, domains, e-tickets, virtual clothing all authenticated by non-fungible tokens (nfts), application tokens, and digital currencies; platform as a service (paas) and software as a service (saas) featuring software platforms for downloading, receiving, sending, and storing software, data, links, video files, and image files from the internet; platform as a service (paas) and software as a service (saas) featuring software platforms for providing access to digital marketplaces and auctions; technology services including artificial intelligence and learning technologies for artwork authenticated by non-fungible tokens (nfts), collectibles namely art, trading cards, tickets and clothing authenticated by non-fungible tokens (nfts) and crypto collectibles namely digital art, video clips, music recordings, digital trading cards, domains, e-tickets, virtual clothing all authenticated by non-fungible tokens (nfts), application tokens, and digital currencies; providing information about web-based services related to blockchain-based artwork authenticated by non-fungible tokens (nfts), collectibles namely art, trading cards, tickets and clothing authenticated by non-fungible tokens (nfts) and crypto collectibles namely digital art, video clips, music recordings, digital trading cards, domains, e-tickets, virtual

clothing all authenticated by non-fungible tokens (nfts); creation of artwork in the form of non-fungible tokens (nfts) of value; rental of computer games programs; information and advisory services relating to the aforesaid services provided over a telecommunications network.

advisory services relating to the aforesaid services provided over a telecommunications network.

Class 36:

Insurance; financial affairs; monetary affairs; real estate affairs; financial information and advice relating to tariffs; information and advice relating to finance and insurance; financial payment services; payment processing services; electronic payment services; automated payment services; payment collection agencies; processing of payment transactions via the Internet; money transfer services; electronic funds transfer services; bill payment services; Internet banking; mobile phone banking services; issuing of vouchers and coupons; issuing tokens of value, namely gift cards; issuing of tokens of value in relation to customer loyalty schemes; sponsorship of sports, sports teams and sports events; insurance administration; insurance for telecommunication apparatus and instruments; insurance for mobile telecommunication apparatus and instruments; insurance for digital apparatus and instruments; insurance for digital tablets; insurance for computer software and hardware; travel insurance; vehicle insurance; home insurance; charitable fund raising; credit card services; debit card services; debt collection agencies; financial sponsorship; repair costs evaluation [financial appraisal]; building leasing; financial evaluation [insurance, banking, real estate]; housing agents; real estate management services relating to office premises; leasing of offices; property leasing; leasing of shopping premises; leasing of real estate; leasing of office space; real estate agencies; real estate appraisal; real estate management; rent collection; rental of offices [real estate]; renting of flats; stamp appraisal; financial leasing; property and building management services; estate management; hire purchase financing; information and advisory services relating to the aforesaid services; information and advisory services relating to the aforesaid services provided on-line from a computer database or the Internet; financial digital token exchange services; financial digital token trading; web-based financial services, namely financial valuations relating to blockchain based non-fungible tokens (nfts); digital token of value transfer services; valuation of artwork authenticated by non-fungible tokens (nfts), collectibles namely art, trading cards, tickets and clothing authenticated by non-fungible tokens (nfts) and crypto collectibles namely digital art, video clips, music recordings, digital trading cards, domains, e-tickets, virtual clothing all authenticated by non-fungible tokens (nfts); digital token of value exchange services; digital token of value trading; information and advisory services relating to the aforesaid services provided over a telecommunications network.

Class 38:

Telecommunications; cable television broadcasting; cellular telephone communication; communications by computer terminals; communications by fiber [fibre] optic networks; communications by telephone; computer aided transmission of messages and images; electronic bulletin board services [telecommunications services]; electronic mail; facsimile transmission; information about telecommunication; message sending; paging services [radio, telephone or other means of electronic communication]; providing access to databases; providing internet chatrooms; providing telecommunication channels for teleshopping services; providing telecommunications connections to a global computer network; providing user access to global computer networks; radio broadcasting; rental of access time to global computer networks; rental of message sending apparatus; rental of modems; rental of telecommunication equipment; rental of

telephones; satellite transmission; telecommunications routing and junction services; teleconferencing services; telegraph services; telephone services; television broadcasting; telex services; transmission of digital files; transmission of greeting cards online; transmission of telegrams; voice mail services; wire service; wireless broadcasting; telecommunications services; mobile telecommunications services; telecommunications portal services; access to content, websites and portals; providing access to platforms and portals on the Internet; provision of access to content, websites and portals; telecommunication services provided via platforms and portals on the Internet and other media; mobile telecommunications network services; fixed line telecommunication services; provision of broadband telecommunications access; broadband services; wireless communication services; digital communication services; broadcasting services; television broadcasting services; broadcasting services relating to Internet protocol TV; provision of access to Internet protocol TV; Internet access services; email and text messaging services; telecommunications information provided via telecommunication networks; services of a network provider, namely rental and handling of access time to data networks and databases, in particular the Internet; communications services for accessing a database; leasing of access time to a computer database; providing access to computer databases; rental of access time to a computer database; operation of a network, being telecommunication services; providing electronic bulletin board services; providing access to weblogs; providing access to podcasts; chatroom services for social networking; providing online forums; forums for social networking; providing electronic telecommunication connections; routing and connecting services for telecommunications; rental of telecommunications equipment; providing access to computer databases in the fields of social networking, social introduction and dating; leasing of mobile phones; information and advisory services relating to the aforesaid; information and advisory services relating to the aforesaid services provided on-line from a computer database or the Internet; telematics services; transfer of artwork in the form of non-fungible tokens (nfts) of value; information and advisory services relating to the aforesaid services provided over a telecommunications network.

Class 41:

Education; providing of training; entertainment; sporting and cultural activities; academies [education]; amusement parks; amusements; arranging and conducting of colloquiums; arranging and conducting of concerts; arranging and conducting of conferences; arranging and conducting of congresses; arranging and conducting of seminars; arranging and conducting of symposiums; arranging and conducting of workshops [training]; arranging of beauty contests; booking of seats for shows; cinema presentations; club services [entertainment or education]; coaching [training]; education information; educational examination; electronic desktop publishing; entertainer services; entertainment information; organisation of fashion shows for entertainment purposes; film production, other than advertising films; gambling; game services provided on-line from a computer network; games equipment rental; health club services [health and fitness training]; holiday camp services [entertainment]; music-halls; news reporters services; organization of shows [impresario services]; organization of sports competitions; party planning [entertainment]; personal trainer services [fitness training]; physical education; practical training [demonstration]; production of music; production of radio and television

List of cases accepted for opposition purposes as shown in Journal 2026/011 published on 13 March 2026 .

programmes; production of shows; providing amusement arcade services; providing karaoke services; providing sports facilities; publication of books; publication of texts, other than publicity texts; radio entertainment; recording studio services; providing recreation facilities; sport camp services; subtitling; television entertainment; theatre productions; ticket agency services [entertainment]; timing of sports events; tuition; interactive entertainment services; electronic games services provided by means of any communications network; entertainment services provided by means of telecommunication networks; education, training, entertainment, sporting and cultural activities information provided by means of telecommunication networks; provision of news information; television production services; television programming services; television production and television programming services provided by means of Internet protocol technology; provision of musical events; entertainment club services; discotheque services; presentation of live performances; night clubs; rental of music venues and stadiums; casino services; ticket reservations for entertainment, sporting and cultural events; ticket information services for entertainment, sporting and cultural events; ticket agency services for entertainment, sporting and cultural events; provision of on-line computer games; computer and video game amusement services; provision of information, news and commentary in the field of computer games; arranging, organising and conducting computer game competitions; publishing services; providing on-line electronic publications, not downloadable; publication of electronic books and journals on-line; arranging, organising and conducting of competitions, games and quizzes; arranging, organising and conducting of competitions, games and quizzes for entertainment, recreational, cultural and educational purposes; organisation of awards; career advisory services; conducting of phone-in competitions; booking agency services connected with the issuing of tickets for entertainment events; employment training; information and advisory services relating to the aforesaid; information and advisory services relating to the aforesaid services provided on-line from a computer database or the Internet; music recordings, concerts, performances, productions, publishing, instruction, competition services and composition services; musical performances and entertainment; live music services, concerts, shows and performances; music library services; recording of music; music entertainment services; music publishing and music recording services; music group services; tuition and teaching of music; music mixing services; music transcription services; musical performance, education and instruction services; musical composition for others; organisation of music concerts; entertainment services performed by musicians; consultancy on film and music production; rental of phonographic and music recordings; providing digital music [not downloadable] from the internet; ticket reservation and booking services for music concerts; education and training related to an online marketplace for the creation, display, sale, and transfer of artwork authenticated non-fungible tokens (nft); education and training related to an online marketplace for buyers and sellers of crypto-collectibles authenticated by nfts; virtual reality arcade services; providing on-line non-downloadable images; provision of exhibitions via virtual reality and augmented reality; information and advisory services relating to the aforesaid services provided over a telecommunications network.

Class 42:

Scientific and technological services and research and design relating thereto; industrial analysis and research services; design and development of computer hardware and software;

calibration [measuring]; cloud seeding; computer programming; computer rental; computer software consultancy; computer software design; updating of computer software; computer system analysis; computer system design; construction drafting; consultancy in the design and development of computer hardware; consultancy in the field of energy-saving; conversion of data or documents from physical to electronic media; creating and maintaining web sites for others; data conversion of computer programs and data [not physical conversion]; digitization of documents [scanning]; duplication of computer programs; engineering; hosting computer sites [web sites]; industrial design; installation of computer software; scientific laboratory services; land surveying; maintenance of computer software; material testing; mechanical research; monitoring of computer systems by remote access; packaging design; technical project studies; providing search engines for the internet; provision of scientific information, advice and consultancy in relation to carbon offsetting; quality control; recovery of computer data; rental of computer software; rental of web servers; research and development for others; surveying; technical research; it services; computer programming services; programming of data processing equipment; consultancy in the field of computer hardware; rental of computer hardware; application service provider (ASP); consultancy in the field of computer software; creating and maintaining blogs for others; expert advice and expert opinion relating to technology; rental of data processing apparatus and computers; technical services relating to projection and planning of equipment for telecommunications; product research services; weather forecasting; research in the field of telecommunication technology; monitoring of network systems in the field of telecommunications; technical support services relating to telecommunications and apparatus; data security services; data security services [firewalls]; research relating to security; maintenance of computer software relating to computer security and prevention of computer risks; updating of computer software relating to computer security and prevention of computer risks; IT security, protection and restoration; internet security consultancy; computer security system monitoring services; programming of internet security programs; professional consultancy relating to computer security; consultancy in the field of security software; computer security threat analysis for protecting data; design and development of electronic data security systems; design and development of internet data security systems; computer virus protection services; unlocking of mobile phones; hosting of web portals; web portal design; software as a service [SAAS] services; consulting services in the field of software as a service [SaaS]; platform as a Service [PaaS]; leasing of computers and tablet computers; information and advisory services relating to the aforesaid; information and advisory services relating to the aforesaid services provided on-line from a computer database or the Internet; web-based design services relating to the creation of blockchain based non-fungible tokens (nfts); platform as a service (paas) and software as a service (saas) featuring software platforms for providing access to and related to artwork authenticated by non-fungible tokens (nfts), collectibles namely art, trading cards, tickets and clothing authenticated by non-fungible tokens (nfts) and crypto collectibles namely digital art, video clips, music recordings, digital trading cards, domains, e-tickets, virtual clothing all authenticated by non-fungible tokens (nfts), application tokens, and digital currencies; platform as a service (paas) and software as a service (saas) featuring software platforms for use in electronically buying, selling,

List of cases accepted for opposition purposes as shown in Journal 2026/011 published on 13 March 2026 .

receiving, sending, storing, trading, and processing transactions to and related to artwork authenticated by non-fungible tokens (nfts), collectibles namely art, trading cards, tickets and clothing authenticated by non-fungible tokens (nfts) and crypto collectibles namely digital art, video clips, music recordings, digital trading cards, domains, e-tickets, virtual clothing all authenticated by non-fungible tokens (nfts), application tokens, and digital currencies; platform as a service (paas) and software as a service (saas) featuring software platforms for downloading, receiving, sending, and storing software, data, links, video files, and image files from the internet; platform as a service (paas) and software as a service (saas) featuring software platforms for providing access to digital marketplaces and auctions; technology services including artificial intelligence and learning technologies for artwork authenticated by non-fungible tokens (nfts), collectibles namely art, trading cards, tickets and clothing authenticated by non-fungible tokens (nfts) and crypto collectibles namely digital art, video clips, music recordings, digital trading cards, domains, e-tickets, virtual clothing all authenticated by non-fungible tokens (nfts), application tokens, and digital currencies; providing information about web-based services related to blockchain-based artwork authenticated by non-fungible tokens (nfts), collectibles namely art, trading cards, tickets and clothing authenticated by non-fungible tokens (nfts) and crypto collectibles namely digital art, video clips, music recordings, digital trading cards, domains, e-tickets, virtual clothing all authenticated by non-fungible tokens (nfts); creation of artwork in the form of non-fungible tokens (nfts) of value; rental of computer games programs; information and advisory services relating to the aforesaid services provided over a telecommunications network.

Chemicals used in horticulture; Chemicals used in science; Chemicals used in forestry; Chemical preparations for use in photography; Industrial chemicals; Chemicals for use in agriculture; Chemicals for use in the automotive industry; Chemical compositions for use in construction; Active chemical ingredients for use in the manufacture of pharmaceuticals; Chemical compositions and materials for use in the manufacture of cosmetics; Chemicals for use in the petrochemicals industry; Chemical substances for preserving foodstuffs; Synthetic resins, unprocessed; Unprocessed plastics; Adhesives for use in industry; Gums [adhesives] for industrial purposes; Chemical additives; Gases for industrial purposes; Chemical polymers; Chemical compounds for the manufacture of artificial resins; Bases [chemical preparations]; Reagents for industrial purposes; Chemicals for use in gluing [for industrial purposes]; Chemicals for use in the manufacture of polyurethanes; Fuel economising compositions; Vulcanizing preparations; Carburizing agents; Chemical preparations for use as additive to fuels for improving combustion; Chemical substances for use as additives to industrial lubricating oils; Chemical products derived from petroleum; Hydrogen.

Class 2:

Paints; Varnishes; Lacquers; Raw natural resins; Resinous coatings; Thinners for coatings; Waterproof coatings [paints]; Textured coatings [paints]; Acrylic coatings [paints]; Additives for use in coatings; Powder coatings; Coatings for use as primers; Polyurethane coatings [paints].

Class 3:

Cleaning preparations; Scouring substances; Polishing preparations; Abrasives; Vehicle cleaning preparations; Stain removers; Glass cleaning preparations; Rust removing preparations.

Class 4:

Petroleum; Petrol additives [petrochemical]; Biofuels; Industrial fuel oil; Petroleum by-products; Fuel; Carburants; Diesel oil; Petrol; Hydrogen fuel; Fuel mixtures; Industrial oils and greases, lubricants; Combustible waxes; Lubricants; Non-chemical additives for lubricants; Fuel oil; Non-chemical additives for oils; Non-chemical fuel additives; Fuel gas; Oil-gas; Natural gas; Liquefied gas; Gases for use in cooking; Electrical energy; Methylated spirit; Combustible briquettes.

Class 6:

Metal materials for building and construction; Casings of metal for oilwells; Containers of metal [storage, transport]; Tanks of metal for the transportation of liquefied gases; Containers of metal for liquid fuel; Pressure gas cylinders made of metal; High pressure metal cylinders [containers]; Cylinders of metal for gas; Bottles [containers] of metal for compressed gas or liquid air; Tanks of metal for the storage of liquefied gases; Closures of metal for containers; Metallic capsules [containers].

Class 7:

Vending machines; Self-regulating fuel pumps; Fuel dispensing pumps for service stations; Hydrogen dispensing pumps for service stations; Electricity generators; Solar power generators; Washing installations for vehicles; Generating plant; Electrical generator stations; Oil refining machines.

Class 9:

Scientific apparatus and instruments; Nautical apparatus and instruments; Surveying apparatus and instruments; Optical apparatus and instruments; Weighing apparatus and instruments; Measuring apparatus and instruments; Signalling apparatus and instruments; Checking (supervision) apparatus and instruments; Apparatus and instruments for controlling electricity; Apparatus and instruments for accumulating electricity; Apparatus and instruments for switching electricity; Apparatus and instruments for transforming electricity; Apparatus and instruments for regulating electricity; Apparatus and instruments for conducting electricity; Electric control devices for energy management; Coin-operated mechanisms; Credit cards; Magnetically encoded debit cards; Helmets for use in sports; Sport bags adapted [shaped] to contain protective helmets; Spectacles; Spectacle cases; Gloves for protection against accidents; Power modules; Measures; Gasometers [measuring instruments]; Gasoline gauges; Solar panels; Solar modules; Solar batteries; Solar cells for electricity generation; Photovoltaic apparatus for generating electricity; Software; Computer software applications, downloadable; Electronic publications, downloadable; Cryptocurrency hardware wallets; downloadable virtual goods, namely, Chemical products, Paintings, Varnishes, Lacquers, Resins, Cleaning products, Degreasers, Cosmetics, Perfumery products, Oils and fats for industrial use, Lubricants, Heating fuels, Electrical energy, Spectacles, eyeglass covers, Mobile phone accessories, Accessories for tablet computers, Computer accessories, Headset, Lighting apparatus and installations, Vehicle components and parts, Jewellery articles and Horological articles; downloadable virtual goods, namely, Publications, printed, Stationery, Articles of luggage, All-purpose carrying bags, Umbrellas and parasols, Backpacks, Pocket wallets, Cardholders, clothing, Footwear, headgear and headwear, Games and playthings, Gymnastic and sporting articles, food items, beverages, Tobacco, Electronic cigarettes and vaporizers, Smokers' articles, Matches, digital art, photographs, videos, or audio recordings; downloadable computer software for the creation, production and modification of digital animated and non-animated designs and characters, avatars, digital overlays and skins for access and use in online environments, virtual online environments, and extended reality virtual environments; Downloadable computer software applications for minting non-fungible tokens [NFTs]; Downloadable digital image files authenticated by non-fungible tokens [NFTs].

Class 11:

Lighting apparatus and installations; Lighting apparatus; Solar thermal collectors [heating]; Gas regulators; Oil fired boilers; Gas boilers; Gas cleaners and purifiers; Gas fired heating installations; Chemical processing equipment; Heating apparatus for solid, liquid or gaseous fuels; Cooking apparatus and installations; Apparatus for ventilating; Heating apparatus; Apparatus for drying; Sanitary apparatus and installations; Steam generating apparatus.

Class 12:

List of cases accepted for opposition purposes as shown in Journal 2026/011 published on 13 March 2026 .

Vehicles; Parts and fittings for vehicles; Anti-skid chains; Vehicle covers [shaped]; Tyre repair outfits; Tyre repair patches; Scratch guards for vehicles.

Class 14:

Horological articles; Key rings and key chains, and charms therefor; Pins [jewellery]; Jewelry cases [caskets or boxes].

Class 17:

Rubber, raw or semi-worked; Mica, raw or partly processed; Gum, raw or semi-worked; Unprocessed and semi-processed gutta-percha; Unprocessed and semi-processed asbestos; Substitutes for unprocessed and semi-processed rubber; Substitutes for unprocessed and semi-processed gutta-percha; Substitutes for unprocessed and semi-processed gum; Substitutes for unprocessed and semi-processed asbestos; Substitutes for unprocessed and semi-processed mica; Plastic substances, semi-processed; Semi-processed resins; Insulation and barrier articles and materials; Latex [rubber]; Glass fibre and glass wool; Insulating paints; Rubber material for recapping tyres.

Class 18:

Luggage; All-purpose carrying bags; Umbrellas and parasols; Rucksacks; Pocket wallets; Card wallets [leatherware].

Class 19:

Pitch, tar, bitumen and asphalt; Unprocessed and semi-processed non-metallic mineral materials such as stone, clay, bitumen or concrete, or substitutes for these; Bitumen based compositions; Bituminous emulsions; Materials, not of metal, for construction; Rigid pipes, not of metal, for building; Buildings, transportable, not of metal; Monuments, not of metal.

Class 25:

Clothing; Footwear; Headgear; Sportswear; Sports shoes; Clothing authenticated by non-fungible tokens [NFTs].

Class 28:

Toys, games, and playthings; Toy vehicles; Model vehicles; Scale model vehicles; Gymnastic and sporting articles.

Class 35:

Advertising; Promotion of goods and services through sponsorship; Advertising, including promotion of products and services of third parties through sponsoring arrangements and licence agreements relating to international sports' events; Business management; Business administration; Loyalty, incentive and bonus program services; Billing services in the field of energy; Energy price comparison services; Wholesale services and retail services, including via global computer networks in relation to Chemical products, Paints, varnishes, lacquers, resins, In the fields of cleaning preparations, Degreasing preparations, Cosmetics, Perfumery, Industrial oils and greases, Lubricants, Fuels, Electrical energy, Spectacles, Glasses cases, Mobile phone accessories, tablet computer accessories, Computer accessories, Audio apparatus, headphones, Apparatus and installations for lighting, Parts and components for vehicles, Horological articles and jewellery, printed publications, Stationery items, baggage, Multi-use carrying bags, Umbrellas and parasols, Rucksacks, wallets, card holders, Glasses, drinking containers and barware, food storage containers, Cushions, pillows, Clothing, footwear, headgear, Toys, games and playthings, Sporting & gymnastic implements, Novelty toys for playing jokes for parties and festive decorations, Party novelties, food items, beverages, Tobacco, electronic cigarettes and Nebulizers, smokers' articles; matches; Retail

and wholesale services in shops and via global computer networks in relation to the following goods Downloadable digital files authenticated by non-fungible tokens [NFTs]; Retail and wholesale services in shops and via global computer networks in relation physical and virtual goods, namely Chemical products, Paints, varnishes, lacquers, resins, In the fields of cleaning preparations, Degreasing preparations, Cosmetics, Perfumery, Industrial oils and greases, Lubricants, Fuels, Electrical energy, Spectacles, Glasses cases, Mobile phone accessories, tablet computer accessories, Computer accessories, Audio apparatus, headphones, Apparatus and installations for lighting, Parts and components for vehicles, Horological articles and jewellery, printed publications, Stationery items, baggage, Multi-use carrying bags, Umbrellas and parasols, Rucksacks, wallets, card holders, Glasses, drinking containers and barware, food storage containers, Cushions, pillows, Clothing, footwear, headgear, Toys, games and playthings, Sporting & gymnastic implements, Novelty toys for playing jokes for parties and festive decorations, Party novelties, food items, beverages, Tobacco, electronic cigarettes and Nebulizers, smokers' articles, matches.

Class 36:

Insurance services; Banking; Banking; Credit card and payment card services; Issuing electronic payment cards in connection with bonus and reward schemes; Fundraising and financial sponsorship.

Class 37:

Vehicle service stations [refuelling and maintenance]; Charging of electric vehicles; Vehicle battery charging; Natural gas refuelling service for motor vehicles; Fueling of hydrogen gas for vehicles; Charging of batteries and power storage devices, and rental of equipment therefore; Maintenance, servicing and repair of power generating apparatus and installations; Recharging of batteries and accumulators; Repair or maintenance of gasoline station equipment; Vehicle maintenance and repair; Vehicle cleaning; Vehicle maintenance; Installation of electric light and power systems; Maintenance and repair of gas and electricity installations; Installation of lighting systems; HVAC (Heating, ventilation and air conditioning) installation, maintenance and repair; Repair of gas supply systems; Installation of solar powered systems; Installation of residential solar panel power systems; Maintenance and repair of solar power installations; Maintenance and repair of energy generating installations; Construction services; Alarm, lock and safe installation, maintenance and repair; Construction of oil and gas storage installations.

Class 39:

Fuel distribution services; Delivery of fuel; Distribution of energy; Distribution of renewable energy; Storage of electricity; Supply of electricity; Distribution of energy for heating and cooling buildings; Storage; Distribution of gas; Gas storage services; Information and advisory services in relation to the distribution of energy; Packaging and storage of goods; Fuel bunkering services [storage]; Vehicle parking; Storage of vehicles; Transport; Transport of oil; Vehicle rental; Carpooling services.

Class 40:

Processing of oil; Treatment of waste; Recycling services; Energy production; Gas production services; Gas production services; Electricity generating; Generation of electricity from solar energy; Production of electrical power from renewable sources; Leasing of energy generating equipment; Rental of

***List of cases accepted for opposition purposes as shown in Journal 2026/011 published on
13 March 2026 .***

equipment for the treatment and transformation of materials, for energy production and for custom manufacturing; Consultancy services relating to the generation of electrical power; Information, advice and consultancy services relating to the recycling of waste and trash; Processing of rubber; Providing information relating to the processing of rubber.

Class 41:

Teaching; Training; Entertainment services; Sporting and cultural activities; Arranging and conducting of congresses; Publication of books; Provision of club entertainment services; Providing online electronic publications, not downloadable; Organisation of conferences, exhibitions and competitions; Organising of sporting events, competitions and sporting tournaments; Simulated restaurant services provided in virtual environments for entertainment purposes; Rental of digital image files authenticated by non-fungible tokens [NFTs].

Class 42:

Science and technology services; Technical research; Scientific services and design relating thereto; Technological services and design relating thereto; Scientific research; Industrial analysis and research services; Energy auditing; Conducting technical project studies; Programming of energy management software; Engineering services in the field of energy technology; Consultancy in the field of energy-saving; Certification services for the energy efficiency of buildings; Professional consultancy relating to energy efficiency in buildings; Design and development of regenerative energy generation systems; Conducting research and technical project studies relating to the use of natural energy; Provision of information concerning research and technical project studies relating to the use of natural energy; Design and development of software for control, regulation and monitoring of solar energy systems; Engineering services; Design and development of energy distribution networks; Exploration and searching of oil and gas; Conducting feasibility studies relative to gas exploitation; Technological services; Advisory services relating to the use of energy; Consultancy in the field of energy-saving; IT consultancy, advisory and information services; Design and development of computer hardware; Software design and development; Software as a service [SaaS]; Platform as a service [PaaS]; Development of energy and power management systems; Conducting technical project studies; Earth science services; Oil prospecting; Oil-well testing; Oil-field surveys; Analysis for oil-field exploitation; Testing of chemicals; Behavioural analysis of chemicals; Working on and evaluation of chemical syntheses; Research in the field of hydrogen fuel cells; Providing online non-downloadable computer software for minting non-fungible tokens [NFTs].

Class 43:

Services for providing food and drink; Provision of food and drink; Self-service cafeteria services; Food and drink catering; Restaurant information services; Providing reviews of restaurants; Provision of information relating to restaurants.

Class 45:

Legal services; Licensing authority services; Licensing industrial property rights; Licensing of intellectual property; Security services for the physical protection of tangible property and individuals; Online social networking services.
