WO0000001926256(9, 10, 42, 44)

Office of Origin: EM

Date of International Registration: 05 February 2026

Date of Designation in the UK: 05 February 2026

International priority date claimed: 22 October 2025 (EM)
(019264875)

The mark contains the colours Orange: pantone code 021 U/C;
grey and black 80%.

Class 9:

Software; computer software; computer hardware; artificial intelligence software; artificial intelligence software for analysis; artificial intelligence software for healthcare; interactive software based on artificial intelligence; artificial intelligence and machine learning software; all aforementioned goods for medical devices and medical services.

Class 10:

Apparatus for analysing brain wave frequencies; medical devices; medical therapy instruments.

Class 42:

Providing scientific research information in the field of genetics; providing scientific research information in the field of pharmaceuticals; providing scientific research information and results from an online searchable database; providing scientific information in the field of medical disorders and their treatment; providing information relating to scientific research

in the fields of biochemistry and biotechnology; providing medical and scientific research information in the field of pharmaceuticals and clinical trials; advisory services relating to scientific research; computer aided scientific research services; computer aided scientific analysis services; scientific research conducted using databases; scientific research and development; scientific and technological design; computer aided scientific testing; provision of scientific information; scientific testing services; scientific advisory services; scientific analysis; design and development of computer hardware and software; certification [quality control]; industrial research and analysis; industrial design services; technological services and research relating thereto; scientific research services; software design; software development; software as a service [SaaS] featuring computer software platforms for artificial intelligence; all aforementioned services for medical devices and medical services.

Class 44:

Pathological testing for diagnostic or treatment purposes; pathological testing for diagnostic and treatment purposes; medical diagnostic services; medical testing for diagnostic or treatment purposes; conducting sleep studies for medical diagnostic or treatment purposes; medical analysis services for diagnostic and treatment purposes provided by medical laboratories; medical services; medical treatment services; medical analysis services; medical evaluation services; medical care services; medical information services; medical advisory services; medical consultancy services; provision of medical services; advisory services relating to medical services; advisory services relating to medical problems; medical analysis services relating to the treatment of patients; medical testing services relating to the diagnosis and treatment of disease; medical and health services relating to DNA, genetics and genetic testing; medical evaluation services for patients receiving rehabilitation for purposes of guiding treatment and assessing effectiveness; veterinary services.

The mark contains the colours black and white.

Class 36:
Brokerage services; computerised financial information
services; computerised financial advisory services;
computerised financial data analysis; information (financial -);
financial information processing.

Class 42:
Data migration services; software as a service [saas] services;
software as a service [saas]; platform as a service [paas];
design and development of computer hardware and software;
computer software programming services; conversion of
data and computer programs (except physical conversion);
data conversion of computer programs and data [not physical
conversion]; computer software design; software design
(computer -); consultancy and information services relating
to the design, programming and maintenance of computer
software; advice and development services relating to computer
software; consultancy relating to software maintenance; cross-
platform conversion of digital content into other forms of
digital content; development of computer platforms.

Class 4:
Electrical energy; electrical energy from non-renewable
sources; electrical energy from renewable sources; gases for
use in heating; liquid fuels; fuels; gas for lighting; kerosene;
paraffin oils; lighting fuels; biofuels; fuel oil; fuel gas; producer
gas; petroleum.

Class 6:
Mooring buoys of metal; mooring cables of metal; mooring
hooks of metal; mooring bollards of metal; mooring posts of
metal; systems for the transport, distribution and transmission
of energy and energy from renewable sources used in the
offshore industry, namely metallic connection for metal
tubing, piping, rigid loading arms, structures of metal, valves,
hosepipes and hose connections; structures of metal, for use
in the following fields: storage, transmission and distribution
of energy and energy from renewable sources in offshore and
coastal installations, pipeline, for use in the following fields:
transport of energy and energy from renewable sources and
electricity from or to the coast or for transmission between
offshore systems, floating vessels for receipt and/or energy
and energy from renewable sources and electricity; floating
bodies of metal moored to the seabed for the mooring of vessels
enabling the transmission of energy and electricity sourced
from the grid or renewable sources.

Class 7:
Electric power generators; uninterruptible power supplies
[machines] for the generation of electrical energy; electricity-
generating power stations; windmills; wind turbines; multi-
wind turbines; windlasses; wind power installations, including
multi-wind turbines and other wind-operated machines;
offshore wind-powered installations for generating electricity;
generators, including electricity generators; control mechanisms

***List of cases accepted for opposition purposes as shown in Journal 2026/030 published on
24 July 2026 .***

and mechanical control systems for machines, engines, generators, or motors and for the blade rotation of wind turbines and other equipment enabling transmission of energy and electricity; hybrid power installations, including installations combining both wind turbines and solar cells; wind- and solar-powered electricity generators; solar installations; electrical generators using solar cells; and parts, fittings and accessories for all the aforesaid goods.

Class 9:

Computer software for use in the fields of energy, chemicals, oil and gas; apparatus for use in logging and processing of data from underwater structures and equipment and the communication of data to external units; data transmission and communications hardware for use in logging and processing of data from underwater structures and equipment and the transmission and communication of data to external units; telecommunication cables for use in logging and processing of data from underwater structures and equipment and the transmission and communication of data to external units; computer software and mobile apps for analyzing and managing energy distribution, consumption and storage; solar cells; solar panels; batteries; electric batteries, accumulators; solar batteries; accumulators, electric; charging docks; charging equipment; charging docks for use in relation to the following goods: apparatus for locomotion, rechargeable electric vehicles, apparatus for locomotion by land, air or water; charging docks for use in relation to the following goods: electrically operated vehicles and electric vehicles as well as vessels, apparatus for locomotion by land, air or water; batteries for use in relation to the following goods: electrically operated vehicles, electric vehicles as well as vessels, apparatus for locomotion by land, air or water; battery-charging units for use in relation to the following goods: electrically operated vehicles, electric vehicles as well as vessels, apparatus for locomotion by land, air or water; electrical controllers and regulators; power controllers; electric power controllers; electronic surveillance apparatus; electric batteries and their parts; fuel cells and their components; offshore charging stations for vessels; offshore power and charging technology for maritime use; electric power units for offshore charging; clean energy storage devices for maritime applications; cables, electric and connectors [electricity], for use in relation to the following goods: offshore charging systems; monitoring and control systems, for use in relation to the following goods: offshore charging infrastructure; renewable energy storage units for maritime use; converters used for the conversion of wind energy into alternating or direct current. solar installations.

Class 37:

Construction, installation, servicing, maintenance and repair, upgrading and repowering of wind, hybrid and other renewable energy power installations, including the erection, construction, installation, servicing, maintenance and repair, upgrading and repowering of wind turbines, solar cells, solar power generators, wind and hybrid power installations, as well as parts and accessories for wind turbines and wind and hybrid power installations; construction, installation, servicing, maintenance services and repair in relation to the following goods: electric charging stations and electric charging columns; offshore construction; construction, installation, servicing, maintenance services and repair services in relation to the following goods: turbines, offshore turbines, wind power plants, power plants, wind turbines, onshore and offshore electrical stations; services

in relation to the following fields: recharging of vehicles and apparatus for locomotion by land, air or water; installation, maintenance and repair of the following goods: offshore charging structures; installation, maintenance and repair of the following goods: power-charging units for renewable energy in maritime environments.

Class 39:

Distribution, supply, transport and storage in relation to the following goods: energy, renewable energy, fuels, biofuels, parquet floor oils, gases, natural gases, liquefied gas and lubricants; electricity distribution, via pipelines and cables; rental of energy supply networks to others; vessel storage.

Class 40:

Energy production, fuel production and production of biofuels; production of energy, fuels, biofuels from renewable sources; production of environmentally-friendly forms of energy and power; generation of electricity from solar energy; generation of electricity from wind energy; fuel refining services and refining of biofuels; processing of biofuels; refining of bio-oil; refining of biodiesels; gas production services; CO2 capture services [handling and treatment of CO2].

Class 42:

Software as a service [saas]; design and development of offshore charging solutions; research services and development, relating to the following sectors: clean energy technologies for maritime applications; technical consultation services including in relation to the following fields: offshore power and charging technology; providing of information and consultancy including in relation to the following fields: use of clean energy in the maritime sector; software development for the measurement and control of offshore charging stations; technical advisory and information services relating to the treatment and management of CO2 and CO2 capture and reduction in transport and logistics.

SiMPore

International priority date claimed: 30 April 2025 (US)
(99164315)

Class 9:

Laboratory apparatus and instruments, namely, ultrathin, highly porous, optically transparent silicon nanomembranes for cell culture and imaging, fluidic filtering, and electron microscopy viewing in the field of biomedical and material science research and analysis applications.

Class 40:

Custom manufacturing of ultrathin silicon nanomembranes, genomic and photonic biosensors, and microfluid cell cultures.

Class 42:

Scientific and technological services, namely, separation and analysis of particles by spectroscopic, optical, electron, and x-ray microscopy in the field of biomedical and material science research and analysis applications.

GOLDBEARS

Class 20:

Furniture; mirrors; picture frames; containers, not of metal, for storage or transport; unworked or semi-worked bone, horn, whalebone or mother-of-pearl; shells; meerschaum; yellow amber; air cushions, not for medical purposes; cushions; pet cushions; air mattresses, not for medical purposes; baby changing mats; bedding, except linen; bins [not of metal]; fans

List of cases accepted for opposition purposes as shown in Journal 2026/030 published on 24 July 2026 .

for personal use, non-electric; honeycombs; infant walkers; inflatable publicity objects; interior textile window blinds; mats for infant playpens; mobiles (decoration); works of art, of wood, wax, plaster or plastic.

Class 26:

Laces and embroidery; cords for trimming; cords for clothing; haberdashery ribbons and bows; buttons, hooks and eyes [haberdashery]; pins [other than jewellery]; needles; brooches and buckles [clothing accessories]; decorative charms [other than for jewelry, key rings or key chains]; heat adhesive patches for repairing textile articles; shoe ornaments, not of precious metals; charms [other than for jewelry, key rings or key chains]; artificial flowers; hair decorations; hair curlers, other than hand implements; false hair.

Class 27:

Carpets, rugs, mats and matting, linoleum and other materials for covering existing floors; wall hangings, not of textile; textile wallpaper; wallpaper.

Visiopharm

Class 9:

Scientific, photographic and optical apparatus and instruments, and apparatus for measuring, apparatus for recording, transmission or reproduction of sound or images; computer software for analysis of images, software modules for analysis of images, including for quantitative analysis of images; computer hardware, computer software and computer hardware for electronic transmission of images and data; apparatus and instruments for scanning of images and data; apparatus and instruments for clinical and pre-clinical research (not for medical purposes); apparatus and instruments for processing of images; diagnostic apparatus (not for medical purposes).

Class 10:

Surgical and medical apparatus; diagnostic apparatus (for medical purposes); apparatus and instruments for medical analysis of images, including for quantitative analysis of images; apparatus and instruments for scanning for medical purposes.

Class 42:

Scientific and technological services and research and design relating thereto; industrial analysis and industrial research services; design and development of computer hardware and software; scientific research, development of new technology for others in the medical, surgical, pharmaceutical, biotechnological, industrial, life science and agricultural field; industrial analysis and research, namely product research and development; design and development of computer hardware and computer software for others in the medical, surgical, pharmaceutical, biotechnological, industrial, life science and agricultural field.

KNOCKS

International priority date claimed: 07 May 2025 (DE) (30 2025 108 626)

Class 6:

Valves of metal, other than parts of machines, for compressible and non-compressible fluids, namely, check valves, safety valves, pressure relief valves, and manually operated multiway valves; valve accessories of metal, other than parts of machines, namely, pipe connections and valve islands, made of metal; metal or predominantly metal connection and coupling parts for pipes and hoses, namely, plug-in screw connections, plug-in connections, couplings, nipples, elbows, and t-pieces; valves of metal, other than parts of machines, for pneumatic installations.

Class 7:

Valves [machine parts]; fittings for engine boilers [machine parts]; machine parts, namely compressed air regulators; spraying machines for applying cutting oils in mist form; bellows; combined lubricators for filtering control elements; control valves [machine parts]; control valves for gas and liquids [machine parts]; delay valves for gas and liquids [machine parts]; filters for pneumatic systems, including gas, air, and oil removal filters [machine parts]; flow valves [machine parts]; lubrication machines and lubricators [parts of machines], including pneumatic lubrication units for dispensing oil in aerosol form; lubricators [parts of machines] for pressure lubrication systems; mixing regulators and pressure regulators [machine parts]; mixing regulators for gases and liquids [machine parts]; check valves for gases and liquids [machine parts]; pneumatic lubrication units for the production of oil-containing aerosols, namely, for lubricating pneumatic tools, air and gas filters, pressure regulators for machines, control valves for machines; pneumatic lubricators [parts of machines] for

***List of cases accepted for opposition purposes as shown in Journal 2026/030 published on
24 July 2026 .***

generating a lubricant mist, namely, for lubricating compressed air-powered tools; pressure boosting pumps; gas pressure regulators and pressure regulators for liquids [machine parts]; pressure relief valves [machine parts]; safety valves [machine parts]; safety valves for gases and liquids [machine parts]; shut-off valves for gases and liquids [machine parts]; time-controlled valves [machine parts]; pneumatic control mechanisms for machines, namely, cylinders, pistons, valves, and pressure regulators being parts of machines for regulating compressed air or gases; pneumatic valves [machine parts]; diaphragm filters as machine parts; diaphragm valves [machine parts]; compressed air maintenance units [machine parts]; compressed air filters [machine parts]; pneumatic, electrical, electronic and of these operating modes combined control and regulating elements, as well as devices composed of these elements [machines and machine parts]; valves for textile machines; machines for the beverage industry with pneumatic valves; fittings for compressed air applications [machine parts]; pneumatic control mechanism for machines, namely, valves and pressure regulators [parts of machines]; pneumatic controls for machines; pneumatic process controls for machines; pneumatic process regulators; pneumatic industrial tools; pressure intensifiers [machines] for liquids; commercial vacuum packaging machines for production; valves for pumps; valves for process automation in machines; pneumatic valves [machine parts]; piezo valves [machine parts]; electric and pneumatic handling modules [machines or machine parts]; pneumatic directional control valves [machine parts]; filters for pneumatically controlled systems [machine parts]; lubricators [parts of machines] for air-operated equipment and structural parts thereof; pneumatic air treatment units and parts thereof [machines and machine parts]; pneumatic blasting systems [machines and machine parts]; electropneumatic coupling devices and instruments [machines and machine parts]; pneumatic controls for machines; electropneumatic controls for machines; fluid pressure regulators, including pressure regulators for gases [machine parts]; automatic safety valves, electronic delay valves, electronic pilot valves, and electronic mixing valves [machine parts]; accessories for electronic valves for controlling compressible and incompressible fluids, namely valve islands, valve and damper modules [machine parts]; filters for pneumatic systems, namely filters for pneumatic pressure regulators for removing water and particles from compressed air; pneumatic control valves for agricultural machinery and equipment.

Class 9:

Electrical and electronic control and regulation devices, as well as systems composed of such devices; electrical, electronic, and pneumatic measuring and monitoring devices combining these modes of operation; breathing apparatus, namely pressure regulators for diving equipment; breathing apparatus for underwater swimming, namely, pressure regulators for diving, protective equipment; electrical and electronic control and regulation elements and devices composed of these elements with electronic control units for valves; safety valves for flow shut-off, namely solenoid valves, [electromagnetic switches].

Class 10:

Medical and electromedical devices, namely, pressure regulators for ventilators; parts of all the aforementioned goods.

Class 11:

Air dryers; regulators, gas and jet regulators as parts of taps; dryers for pneumatic systems, including air and gas dryers and their parts; air purification devices; pressure regulators for electric coffee machines; pressure regulators for electric pressure cookers.

Class 12:

Precision pressure regulators for current collector systems on rail vehicles; precision pressure regulators for pneumatic door closing systems for buses and trains.

information relating to financial data; providing analysis of market research statistics to assist insurers and payers in the field of data analytics; business operation of electrical power generation plants and distribution and transmission facilities; sales promotion and marketing of electrical power for the benefit of third parties; providing business administration and management services for electrical power generation, distribution and transmission facilities, including for the benefit of third-party owners thereof; retail electricity provider services, namely, providing a service that allows customers to purchase electricity; marketing services for distributors of electrical power namely, energy services companies; administration of a program for enabling participants to obtain discounts on energy services through earning renewable energy credits; wholesale sale of electrical power for the benefit of third parties; business consultancy in the field of machine learning and artificial intelligence; business administration consulting services in the field of artificial intelligence; business data curation for artificial intelligence (AI) development; consultancy, advisory and information services relating to the aforesaid services; investment product marketing and sales promotion, including product wholesaling and direct product marketing in the field of the production, dissemination and disclosure of marketing and related product information and investor support.

Class 36:

Asset management services; financial services, namely, asset management services including management of funds and investments with respect to assets including properties, power generation and other infrastructure assets, technology, data and artificial intelligence systems; financial management; investment services; investment management services; investment services in the field of real estate, infrastructure projects, energy infrastructure, real assets, technology, data and artificial intelligence systems, real asset debt, funds, securities, stocks, equity and commodities; investment advice; financial advice; financial advisory services; financial and investment advisory services rendered using artificial intelligence (AI); investment advisory services in the fields of real estate, securities, stocks, equities, commodities and investment management; financial services, namely, financial investments in the fields of commodities investment notes, real estate and securities; investment management in water and waste water; financial research; investing in oil and gas pipelines and storage; investing in wireless communication towers, broadcast satellites and cable networks; investing in technology, data and artificial intelligence systems; investment and merchant banking services, including acquisition and disposition financing, capital and debt investing; real estate financial advisory services; financial management of investment portfolios, joint ventures and single assets; financial administration of investment funds, management of investment funds; financial investment services in the fields of real estate, infrastructure projects, energy infrastructure, real assets, real asset debt, credit, debt, private equity, stocks, equity, commodities, investment notes, securities and technology, data and artificial intelligence systems; financial investment in securities; securities brokerage services; securities lending; trading of securities; financial research, namely conducting research in the field of financial investments and securities; management of portfolios comprising securities; financial analysis and research services; financial investment services for financial institutions, pension plans, insurance companies,

for-profit and charitable foundations, endowments, sovereign wealth funds and high net worth investors; real estate, stocks, equities and commodity investment advice services; investment management in real estate; investment management in commercial, institutional, industrial and residential real estate; investment management in oil and gas pipelines and storage; investment management in wireless communication towers, broadcast satellites and cable networks; investment management in the field of technology, data and artificial investment systems; consultancy, advisory and information services relating to the aforesaid services; investment in structured products, namely investment in collateralized loan obligations and investment in structured products, namely investment in credit-linked notes; private equity fund management, credit fund management, and debt fund management; securities underwriting and underwriting of debt capital markets products; public and private financial placement of securities and derivatives for others; financial investment advisory services; financial restructuring services; mergers and acquisitions advice and execution; project financing; financial services, namely, raising debt and equity capital for others; financial affairs management and private equity fund investment services; financial investments in the fields of private equity; financial management in the field of investment funds, private equity products, real estate and infrastructure; financial placement of private equity funds for others; investment services for acquiring majority equity interests from shareholders in private companies for the purpose of obtaining a majority control ownership position; management of private equity funds; private equity capital investment services in the field of natural resources, properties, power generation and other infrastructure assets, technology, data and artificial intelligence systems; private equity financing; private equity fund investment services; providing flexible capital through private equity and venture investing; providing private equity and investment funding; consultancy in the field of private equity investment; wealth management services; financial management and brokerage regarding arrangements to other financial intermediaries and financial services firms and their end investors and the production in particular in the field of dissemination and disclosure of marketing and related product information and investor support; real estate management services; real estate leasing; real estate leasing services for commercial, institutional, industrial and residential properties; real estate brokerage services; real estate investment; managing real estate; managing commercial, institutional, industrial and residential real estate; financial consultancy, namely, preparing budgets and monitoring budgets in the fields of commercial, institutional, industrial and residential building projects, infrastructure building projects and energy property building projects; indemnity services; actuarial services; annuity underwriting; financial administration of annuity services; financial administration of life income funds and life income retirement funds; financial administration of retirement income funds; retirement investment planning and advisory services; insurance and reinsurance services; provision of property and casualty insurance; provision of underwriting and insurance claims administration management in the field of property-casualty insurance; insurance services related to property insurance; insurance services related to casualty insurance; insurance services, namely, writing property and casualty insurance; providing advice in the field of property and casualty insurance; risk management services; financial and monetary business services namely, asset management for

List of cases accepted for opposition purposes as shown in Journal 2026/030 published on 24 July 2026 .

insurance companies, cash management, reporting, securities lending, investment consulting, asset liability management, integrated risk management, investment and funds management services, comprehensive risk management services focusing on assets and liabilities including combining insurance and reinsurance services with derivative financial instruments, and real estate services; insurance underwriting; insurance agencies; insurance actuarial services; insurance financial evaluation for insurance purposes; assessing insurance claims and insurance claims processing; providing insurance information and insurance consultancy; investment services in the field of electrical power generation, distribution and transmission facilities; capital and equity investment in infrastructure, namely electrical power generation plants and distribution and transmission facilities; financial investments in the field of electrical power generation, distribution and transmission facilities; real estate acquisition services, namely, acquisition of electrical power generation, distribution, and transmission facilities; investment services in the field of asset acquisition, consultation, development, and management of electrical power generation, distribution and transmission facilities; asset management services in the field of development of real assets for generating electrical power; energy trading; financial and asset management services, namely management of renewable energy credits; commodity trading, namely trading of energy as a commodity; renewable energy credit trading, namely, trading of carbon dioxide and greenhouse gas emission credits, allowances, or offsets of others; issuance of greenhouse gas emission credits, allowances, or offsets; financial and asset management of customer energy solutions, namely, energy management, demand side management, energy pricing products, energy services and behind the meter electrical installations; investment advisory and management services, namely, asset acquisition, investment consultation, investment and asset management in the field of energy efficiency in power generation and maintenance; investment advisory and investment management services in the field of the development and management of building energy infrastructure upgrades and retrofits and in the field of financing the purchase of energy efficiency equipment related to heating and cooling, lighting, and control systems; wholesale electricity brokerage services; financial evaluation of standing timber; consultancy, advisory and information services relating to the aforesaid services.

Class 37:

Real estate development; residential and commercial land development; building services; construction services; building construction services; building maintenance and repair; custom construction and building renovation; renovation; construction management; developing and building real estate; developing and building commercial, institutional, industrial and residential real estate; construction project management services including coordination and oversight of construction projects; construction consultation services; developing, and building in commercial, institutional, industrial and residential real estate; real estate development services; developing and building oil and gas pipelines and storage; development and building of oil and gas properties; developing and building wireless communication towers, broadcast satellites and cable networks; developing and building water and waste water installations and structures; developing and building energy buildings, properties, structures and installations including hydro-electric plants; development and

construction of industrial real estate and infrastructure, namely hydroelectric power plants, transmission lines, nuclear power plants, geothermal power plants, solar power plants, wind power plants, natural gas cogeneration plants, electricity and steam plants; maintenance of power generation facilities and infrastructure; consultancy, advisory and information services relating to the aforesaid services.

Class 38:

Operation of telecommunications equipment, namely wireless communication towers, broadcast satellites and cable networks; consultancy, advisory and information services relating to the aforesaid services.

Class 39:

Utility services, namely, transmission and distribution of electricity; utility transmission services of electricity and electric power; energy storage services, namely transmission and distribution of electrical energy, hydroelectric energy, solar energy, wind energy and energy generated from natural gas cogeneration plants and steam plants; transmission of oil and gas through pipelines; storage of oil and gas; distribution of water; supply of water; water distribution; distribution of energy; distribution of electricity; transmission of energy; transmission of electricity; distribution of electrical energy to residential and commercial users; distribution of solar energy to residential and commercial users; distribution of wind energy to residential and commercial users; distribution of hydroelectric energy to residential and commercial users; distribution of hydrogen energy to residential and commercial users; storage, distribution, transportation and delivery of gas and electricity; facility operation for electrical power generation, namely distribution and transmission facilities management; operation of electrical power generation plants and distribution and transmission facilities, namely the transmission and distribution of electrical power, transmission and distribution of electricity to residential and commercial users; consultancy, advisory and information services relating to the aforesaid services.

Class 40:

Timber logging; energy generation; energy production; electricity generation; generation of electrical energy, hydroelectric energy, solar energy, wind energy and energy generated from natural gas cogeneration plants and steam plants; facility operation for water and waste water treatment and reprocessing facilities; operation of electrical power generation plants, namely generation of electrical power, including for the benefit of third party owners thereof; generation of electrical power including for the benefit of third party owners thereof; production of electrical power for companies that sell electricity to residential and business customers; leasing of solar panels for the production of electricity; consultancy, advisory and information services relating to the aforesaid services.

Class 42:

Scientific and technological services and research and design relating to the building, engineering, infrastructure and construction industry; construction planning services; engineering drawing services; architectural services; architectural consulting services; design services; construction drafting, design and planning; construction drafting services; land surveying services; architectural design and planning services; building design services; civil engineering design

List of cases accepted for opposition purposes as shown in Journal 2026/030 published on 24 July 2026 .

services; construction design services; construction drafting; surveying of real estate; geological surveys; town planning; research in the field of building construction; conducting technical project studies for construction projects; construction engineering services [construction design]; architectural services relating to land development; architectural design for interior and exterior decoration; architectural project management; architectural services for the design of industrial buildings and commercial buildings; civil engineering consultancy; commercial design services; commercial interior design; design of hotels, industrial buildings, commercial buildings and residential buildings; design planning; design services relating to real estate; planning in relation to town planning and commercial town planning; preparation of architectural designs, plans and reports; preparation of reports relating to design, architecture real and estate planning; surveying of land; town planning advisory and consultancy services; urban design; urban planning; advisory services relating to building design, interior design, architecture and planning applications; advisory services relating to energy efficiency; advisory, consultancy, and auditing services relating to or in the fields of energy efficiency, energy use, energy saving, energy sustainability, and environmental sustainability; scientific and technological services in relation to waste, recycling, energy, and water treatment; quality evaluation of standing timber; industrial analysis and research services in the field of insurance and reinsurance; software as a service (SAAS), namely non-downloadable computer software for the integration of artificial intelligence and machine learning in the field of Big Data for business data analytics and user behavior analytics; research in the field of artificial intelligence technology; Infrastructure as a service in the field of cloud computing; infrastructure as a service (IAAS) in the field of quantum computing; infrastructure as a service (IAAS) provider for hosting servers for use by others; infrastructure as a service (IAAS) services offering computer software platforms for syncing, storing, archiving, and backing-up data to cloud servers; infrastructure as a service and technological support services for power management of data centers, heat management of data centers, energy management of data centers, cooling management of data centers, HVAC management of data centers, power grid management of data centers, localized grid management of data centers, battery storage and management of data centers; platform as a service (PAAS) offering software for executing cloud computing based applications; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for implementing and deploying artificial intelligence, machine learning, deep learning and neural network algorithms, models and technology; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for training, management, deployment, testing, operation and maintenance of artificial intelligence models, artificial intelligence, machine learning, deep learning, natural language generation, statistical learning, supervised learning, un-supervised learning, data mining, data acquisition, data analysis, data integration, predictive analytics, inference computations, agentic artificial intelligence, artificial intelligence agents, large language models, small language models, diffusion models, multimodal artificial intelligence, business intelligence, computer vision, advanced visualization, image generation, video generation, voice generation, text generation, scientific data generation, financial data generation, industrial data generation, infrastructure

data generation, medical data generation, Artificial General Intelligence (AGI), Artificial Narrow Intelligence (ANI), and Artificial Super Intelligence (ASI); infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for processing data, images, graphics, audio, video, and text; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for high performance computing; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for distributed computing; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for edge computing; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for on-premise computing; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for virtual machines; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for data pipelines; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for data storage including data lakes, graph databases, data containers, and data pipelines; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for connection of application programming interfaces (APIs); infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for quantum computing; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for facilitating data transmission, data collection, data analysis, and decision-making; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for simulation, modeling and data processing for use in data visualization, data analysis, data mining, data interpretation, predictive analytics, prescriptive analytics, accessing and editing large-scale data, interactive visual computing, video streaming, design of information graphics, and maximizing graphics processing and performance; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for general purpose computation, manipulation of collections of data, data analysis, image content analysis, video content analysis, information analysis, data transformation, data input/output, communications, speech recognition, graphics display, modeling and testing for use in the fields of artificial intelligence, deep learning, high performance computing, distributed computing, virtualization and machine learning; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for data management, analytics and pattern and activity recognition; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for the integration of artificial intelligence and machine learning in the field of Big Data for business data analytics and user behavior analytics; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for the integration of artificial intelligence and machine learning in the field of robotics; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for creating, analysing and running programs for quantum algorithms; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for creating, analysing and running programs for quantum computers; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for creating, analysing and running programs for quantum simulations; infrastructure as a service (IAAS), platform as a service

(PAAS), and software as a service (SAAS) for optimizing power, performance and cost for computing services, and delivering computing services at scale; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for advanced cloud computing functions in the nature of machine learning, optimizing power, performance and cost for cloud computing services; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for operating semiconductors, computer chips, graphic processing units, tensor processing units, and central processing units; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) featuring software development tools for writing, building, running, testing, debugging, deploying, and storing software code, releasing and providing continuous delivery of software code, developing, deploying, analyzing, and debugging applications, and cloud infrastructure modeling; providing non-downloadable computer software development tools in the field of artificial intelligence; providing non-downloadable computer software development tools for use in modeling in the field of artificial intelligence; providing non-downloadable computer software for use in testing in the field of artificial intelligence; providing non-downloadable computer software for quantum computing; providing non-downloadable computer software for data centers; software as a service (SAAS) for deploying public and private cloud computing environments in the field of infrastructure as a service (IAAS); computer security services for computing, including cyber security, fire walls, authentication, verification, authorization, encryption, decryption, security key management, security token management, and data monitoring; computer software technical support services featuring remote and on-site infrastructure management services for monitoring, administration and management of cloud computing applications and data centers; off-site data backup services; providing temporary use of non-downloadable computer software for operations management for data centers; providing temporary use of non-downloadable computer software for supply and management of power for data centers; design and development of software, databases, web services and cloud computing infrastructure; providing temporary use of non-downloadable computer software for management services for data center networks; leasing of data center modules; rental of decentralized cloud storage facility for containerized data centers of others; rental of web servers and co-location servers for containerized data centers of others; providing cloud storage facilities for use as a data center for others; rental of data center facilities; rental of web servers and co-location servers for containerized data centers of others that provides space, power, cooling, and physical security for computer servers, computer hardware, and computing networking equipment; consultancy, advisory and information services in the field of cloud computing networks and applications; consultancy, advisory and information services in the field of deploying cloud storage environments in the field of infrastructure as a service [IAAS]; consultancy, advisory and information services in the field of deploying cloud computing environments in the field of infrastructure as a service [IAAS]; consultancy and research in the field of quantum algorithms; consultancy and research in the field of quantum computing; artificial intelligence consultancy; computer technology consultation in the field of machine learning and artificial intelligence; technological consulting in the field of artificial intelligence; consultancy, advisory

and information services relating to the aforesaid services. construction planning services.

Brookfield Office Properties Inc.

Representative: MARKS & CLERK

33 Yonge Street, Suite 300 Toronto ONTARIO M5E1G4 CANADA

HERBS HELLAS

Class 1:
Ionone for use in the manufacture of perfumes.

Class 3:
Ethereal oils for cosmetic purposes or ethereal oils for
fragrancing; citron essential oils for cosmetic purposes; oils
for fragrancing; ethereal oils for fragrancing; herbal extracts
for cosmetic purposes; oils for fragrancing; cleansing oil;
oils for toilet purposes; oils for cosmetic purposes; lavender
water for cosmetic purposes; mint-based perfumes; rose oil
for cosmetic purposes; flower extracts being essential oils
for fragrancing; aromatics [essential oils]; badian essence
for cosmetic purposes; jasmine oil for cosmetic purposes;
ionone for use in the manufacture of perfumes; lavender oil
for cosmetic use; mint essence [essential oil]; bergamot oil for
cosmetic purposes.

Class 5:
Decoctions for pharmaceutical purposes; medicinal drinks;
medicinal infusions; extracts of hops for pharmaceutical

purposes; yeast for pharmaceutical purposes; fennel for medical
purposes; menthol; mint for pharmaceutical purposes; mustard
oil for medical purposes; mustard for pharmaceutical purposes;
medicinal herbs.

Class 30:
Flowers or leaves for use as tea substitutes; aromatic
preparations for food; essences for foodstuffs, except etheric
essences and essential oils; food flavourings, other than
essential oils; infusions, not medicinal; garden herbs, preserved
[seasonings]; cereal preparations; condiments; seasonings;
crushed oats; food flavourings [essential oils]; cake flavourings
[essential oils]; flavourings for beverages [essential oils].

Class 31:
Edible linseed, unprocessed; malt for brewing and distilling;
draff; saplings; trees; cereal seeds, unprocessed; by products of
the processing of cereals, for animal consumption; barley; seed
germ for botanical purposes; sowing seeds; grains [cereals];
rye; plants; aloe vera plants.

Class 44:
Farming equipment rental; cultivation of plants.

private equity; financial management in the field of investment funds, private equity products, real estate and infrastructure; financial placement of private equity funds for others; investment services for acquiring majority equity interests from shareholders in private companies for the purpose of obtaining a majority control ownership position; management of private equity funds; private equity capital investment services in the field of natural resources, properties, power generation and other infrastructure assets, technology, data and artificial intelligence systems; private equity financing; private equity fund investment services; providing flexible capital through private equity and venture investing; providing private equity and investment funding; consultancy in the field of private equity investment; wealth management services; financial management and brokerage regarding arrangements to other financial intermediaries and financial services firms and their end investors and the production in particular in the field of dissemination and disclosure of marketing and related product information and investor support; real estate management services; real estate leasing; real estate leasing services for commercial, institutional, industrial and residential properties; real estate brokerage services; real estate investment; managing real estate; managing commercial, institutional, industrial and residential real estate; financial consultancy, namely, preparing budgets and monitoring budgets in the fields of commercial, institutional, industrial and residential building projects, infrastructure building projects and energy property building projects; indemnity services; actuarial services; annuity underwriting; financial administration of annuity services; financial administration of life income funds and life income retirement funds; financial administration of retirement income funds; retirement investment planning and advisory services; insurance and reinsurance services; provision of property and casualty insurance; provision of underwriting and insurance claims administration management in the field of property-casualty insurance; insurance services related to property insurance; insurance services related to casualty insurance; insurance services, namely, writing property and casualty insurance; providing advice in the field of property and casualty insurance; risk management services; financial and monetary business services namely, asset management for insurance companies, cash management, reporting, securities lending, investment consulting, asset liability management, integrated risk management, investment and funds management services, comprehensive risk management services focusing on assets and liabilities including combining insurance and reinsurance services with derivative financial instruments, and real estate services; insurance underwriting; insurance agencies; insurance actuarial services; insurance financial evaluation for insurance purposes; assessing insurance claims and insurance claims processing; providing insurance information and insurance consultancy; investment services in the field of electrical power generation, distribution and transmission facilities; capital and equity investment in infrastructure, namely electrical power generation plants and distribution and transmission facilities; financial investments in the field of electrical power generation, distribution and transmission facilities; real estate acquisition services, namely, acquisition of electrical power generation, distribution, and transmission facilities; investment services in the field of asset acquisition, consultation, development, and management of electrical power generation, distribution and transmission facilities; asset management services in the field of development of real assets for generating electrical power; energy trading; financial and

asset management services, namely management of renewable energy credits; commodity trading, namely trading of energy as a commodity; renewable energy credit trading, namely, trading of carbon dioxide and greenhouse gas emission credits, allowances, or offsets of others; issuance of greenhouse gas emission credits, allowances, or offsets; financial and asset management of customer energy solutions, namely, energy management, demand side management, energy pricing products, energy services and behind the meter electrical installations; investment advisory and management services, namely, asset acquisition, investment consultation, investment and asset management in the field of energy efficiency in power generation and maintenance; investment advisory and investment management services in the field of the development and management of building energy infrastructure upgrades and retrofits and in the field of financing the purchase of energy efficiency equipment related to heating and cooling, lighting, and control systems; wholesale electricity brokerage services; financial evaluation of standing timber; consultancy, advisory and information services relating to the aforesaid services.

Class 37:

Real estate development; residential and commercial land development; building services; construction services; building construction services; building maintenance and repair; custom construction and building renovation; renovation; construction management; developing and building real estate; developing and building commercial, institutional, industrial and residential real estate; construction project management services including coordination and oversight of construction projects; construction consultation services; developing, and building in commercial, institutional, industrial and residential real estate; real estate development services; developing and building oil and gas pipelines and storage; development and building of oil and gas properties; developing and building wireless communication towers, broadcast satellites and cable networks; developing and building water and waste water installations and structures; developing and building energy buildings, properties, structures and installations including hydro-electric plants; development and construction of industrial real estate and infrastructure, namely hydroelectric power plants, transmission lines, nuclear power plants, geothermal power plants, solar power plants, wind power plants, natural gas cogeneration plants, electricity and steam plants; maintenance of power generation facilities and infrastructure; consultancy, advisory and information services relating to the aforesaid services.

Class 38:

Operation of telecommunications equipment, namely wireless communication towers, broadcast satellites and cable networks; consultancy, advisory and information services relating to the aforesaid services.

Class 39:

Utility services, namely, transmission and distribution of electricity; utility transmission services of electricity and electric power; energy storage services, namely transmission and distribution of electrical energy, hydroelectric energy, solar energy, wind energy and energy generated from natural gas cogeneration plants and steam plants; transmission of oil and gas through pipelines; storage of oil and gas; distribution of water; supply of water; water distribution; distribution of

List of cases accepted for opposition purposes as shown in Journal 2026/030 published on 24 July 2026 .

energy; distribution of electricity; transmission of energy; transmission of electricity; distribution of electrical energy to residential and commercial users; distribution of solar energy to residential and commercial users; distribution of wind energy to residential and commercial users; distribution of hydroelectric energy to residential and commercial users; distribution of hydrogen energy to residential and commercial users; storage, distribution, transportation and delivery of gas and electricity; facility operation for electrical power generation, namely distribution and transmission facilities management; operation of electrical power generation plants and distribution and transmission facilities, namely the transmission and distribution of electrical power, transmission and distribution of electricity to residential and commercial users; consultancy, advisory and information services relating to the aforesaid services.

Class 40:

Timber logging; energy generation; energy production; electricity generation; generation of electrical energy, hydroelectric energy, solar energy, wind energy and energy generated from natural gas cogeneration plants and steam plants; facility operation for water and waste water treatment and reprocessing facilities; operation of electrical power generation plants, namely generation of electrical power, including for the benefit of third party owners thereof; generation of electrical power including for the benefit of third party owners thereof; production of electrical power for companies that sell electricity to residential and business customers; leasing of solar panels for the production of electricity; consultancy, advisory and information services relating to the aforesaid services.

Class 42:

Scientific and technological services and research and design relating to the building, engineering, infrastructure and construction industry; construction planning services; engineering drawing services; architectural services; architectural consulting services; design services; construction drafting, design and planning; construction drafting services; land surveying services; architectural design and planning services; building design services; civil engineering design services; construction design services; construction drafting; surveying of real estate; geological surveys; town planning; research in the field of building construction; conducting technical project studies for construction projects; construction engineering services [construction design]; architectural services relating to land development; architectural design for interior and exterior decoration; architectural project management; architectural services for the design of industrial buildings and commercial buildings; civil engineering consultancy; commercial design services; commercial interior design; design of hotels, industrial buildings, commercial buildings and residential buildings; design planning; design services relating to real estate; planning in relation to town planning and commercial town planning; preparation of architectural designs, plans and reports; preparation of reports relating to design, architecture real and estate planning; surveying of land; town planning advisory and consultancy services; urban design; urban planning; advisory services relating to building design, interior design, architecture and planning applications; advisory services relating to energy efficiency; advisory, consultancy, and auditing services relating to or in the fields of energy efficiency, energy use, energy saving, energy sustainability, and environmental sustainability;

scientific and technological services in relation to waste, recycling, energy, and water treatment; quality evaluation of standing timber; industrial analysis and research services in the field of insurance and reinsurance; software as a service (SAAS), namely non-downloadable computer software for the integration of artificial intelligence and machine learning in the field of Big Data for business data analytics and user behavior analytics; research in the field of artificial intelligence technology; Infrastructure as a service in the field of cloud computing; infrastructure as a service (IAAS) in the field of quantum computing; infrastructure as a service (IAAS) provider for hosting servers for use by others; infrastructure as a service (IAAS) services offering computer software platforms for syncing, storing, archiving, and backing-up data to cloud servers; infrastructure as a service and technological support services for power management of data centers, heat management of data centers, energy management of data centers, cooling management of data centers, HVAC management of data centers, power grid management of data centers, localized grid management of data centers, battery storage and management of data centers; platform as a service (PAAS) offering software for executing cloud computing based applications; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for implementing and deploying artificial intelligence, machine learning, deep learning and neural network algorithms, models and technology; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for training, management, deployment, testing, operation and maintenance of artificial intelligence models, artificial intelligence, machine learning, deep learning, natural language generation, statistical learning, supervised learning, un-supervised learning, data mining, data acquisition, data analysis, data integration, predictive analytics, inference computations, agentic artificial intelligence, artificial intelligence agents, large language models, small language models, diffusion models, multimodal artificial intelligence, business intelligence, computer vision, advanced visualization, image generation, video generation, voice generation, text generation, scientific data generation, financial data generation, industrial data generation, infrastructure data generation, medical data generation, Artificial General Intelligence (AGI), Artificial Narrow Intelligence (ANI), and Artificial Super Intelligence (ASI); infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for processing data, images, graphics, audio, video, and text; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for high performance computing; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for distributed computing; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for edge computing; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for on-premise computing; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for virtual machines; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for data pipelines; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for data storage including data lakes, graph databases, data containers, and data pipelines; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for connection of application programming

List of cases accepted for opposition purposes as shown in Journal 2026/030 published on 24 July 2026 .

interfaces (APIs); infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for quantum computing; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for facilitating data transmission, data collection, data analysis, and decision-making; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for simulation, modeling and data processing for use in data visualization, data analysis, data mining, data interpretation, predictive analytics, prescriptive analytics, accessing and editing large-scale data, interactive visual computing, video streaming, design of information graphics, and maximizing graphics processing and performance; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for general purpose computation, manipulation of collections of data, data analysis, image content analysis, video content analysis, information analysis, data transformation, data input/output, communications, speech recognition, graphics display, modeling and testing for use in the fields of artificial intelligence, deep learning, high performance computing, distributed computing, virtualization and machine learning; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for data management, analytics and pattern and activity recognition; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for the integration of artificial intelligence and machine learning in the field of Big Data for business data analytics and user behavior analytics; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for the integration of artificial intelligence and machine learning in the field of robotics; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for creating, analysing and running programs for quantum algorithms; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for creating, analysing and running programs for quantum computers; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for creating, analysing and running programs for quantum simulations; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for optimizing power, performance and cost for computing services, and delivering computing services at scale; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for advanced cloud computing functions in the nature of machine learning, optimizing power, performance and cost for cloud computing services; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for operating semiconductors, computer chips, graphic processing units, tensor processing units, and central processing units; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) featuring software development tools for writing, building, running, testing, debugging, deploying, and storing software code, releasing and providing continuous delivery of software code, developing, deploying, analyzing, and debugging applications, and cloud infrastructure modeling; providing non-downloadable computer software development tools in the field of artificial intelligence; providing non-downloadable computer software development tools for use in modeling in the field of artificial intelligence; providing non-downloadable computer software for use in testing in the field of artificial intelligence; providing non-downloadable computer software

for quantum computing; providing non-downloadable computer software for data centers; software as a service (SAAS) for deploying public and private cloud computing environments in the field of infrastructure as a service (IAAS); computer security services for computing, including cyber security, fire walls, authentication, verification, authorization, encryption, decryption, security key management, security token management, and data monitoring; computer software technical support services featuring remote and on-site infrastructure management services for monitoring, administration and management of cloud computing applications and data centers; off-site data backup services; providing temporary use of non-downloadable computer software for operations management for data centers; providing temporary use of non-downloadable computer software for supply and management of power for data centers; design and development of software, databases, web services and cloud computing infrastructure; providing temporary use of non-downloadable computer software for management services for data center networks; leasing of data center modules; rental of decentralized cloud storage facility for containerized data centers of others; rental of web servers and co-location servers for containerized data centers of others; providing cloud storage facilities for use as a data center for others; rental of data center facilities; rental of web servers and co-location servers for containerized data centers of others that provides space, power, cooling, and physical security for computer servers, computer hardware, and computing networking equipment; consultancy, advisory and information services in the field of cloud computing networks and applications; consultancy, advisory and information services in the field of deploying cloud storage environments in the field of infrastructure as a service [IAAS]; consultancy, advisory and information services in the field of deploying cloud computing environments in the field of infrastructure as a service [IAAS]; consultancy and research in the field of quantum algorithms; consultancy and research in the field of quantum computing; artificial intelligence consultancy; computer technology consultation in the field of machine learning and artificial intelligence; technological consulting in the field of artificial intelligence; consultancy, advisory and information services relating to the aforesaid services. construction planning services.

Brookfield Office Properties Inc.

Representative: MARKS & CLERK

33 Yonge Street, Suite 300 Toronto ONTARIO M5E1G4

Class 35:

Business consulting services; business management consultancy; business organization consultancy; business advisory services; business management assistance; business management in the field of information technology; business project management services; business engagement management services, namely, managing the implementation of strategy plans and management projects; providing business advisory and assistance services (A and AS) services, namely, expert advice in the field of information management, namely,

business analytics, and providing cost estimates relating to the procurement and implementation of computer software information technology systems; database management services; analysis of business data; human resource service management; personnel management consultancy; customer service management for others; payroll administration and management consulting services; marketing consulting; employment staffing consultation services; employment recruiting consultation; consulting services in the field of career networking; employment agency services; professional staffing and recruiting services; personnel placement; providing employment counseling services; employment verification; providing online employment information in the fields of job resources and listings; provision of business information in employment opportunities via an online searchable database; outsource service provider in the field of customer relationship management; outsourcing services [business assistance] in the fields of information technology, computer hardware and software, life sciences, telecommunications, creative ideation, marketing, product development, health information management, health care information, engineering, digital content, and mobility, namely, mobile, wireless and near-field communications, and validation services, namely, testing, analysis and evaluation of the services or products of others to determine conformity with industry or customer standards.

Class 37:

Consultation about the repair of computer hardware.

Class 38:

Consulting services in the field of telecommunications.

Class 41:

Training services in fields of artificial intelligence, machine learning, information technology, computer hardware and software, life sciences, telecommunications, creative ideation, marketing, product development, health information management, engineering, digital content, mobility, namely, mobile, wireless and near field communications, and validation services, namely, testing, analysis and evaluation of the services or products of others to determine conformity with industry or customer standards; training services in the field of business know-how and business knowledge; providing advisory and assistive services (A and AS) services to the federal government and its prime contractors, namely, training in the fields of computer software, hardware and information technology systems development, website design and development, and the operation and use of computer software, hardware and information technology systems networks.

Class 42:

Technological consultancy in the fields of artificial intelligence, machine learning, information technology, computer hardware and software, mobile software applications, cloud computing, computer security, data security, cybersecurity, internet security, website design, user experience and user interface, life sciences technology, telecommunications technology, product development, engineering, digital content engineering, health information management technology, health care information technology, mechanical research technology, creative ideation technology, and validation services, namely, the testing, analysis and evaluation of the services or products of others to determine conformity with specific industry or customer standards; consulting services relating to the selection,

Class 6:

Parts, fittings and components of metal for manufacturing vehicles; opening, closing and locking mechanisms, of metal; hinges of metal; door stops of metal; goods of metal for building and construction; semi-worked or raw base metals; common metals and their alloys; building materials of metal; buildings, transportable, of metal; ironmongery, small items of metal hardware; frames, runners, rails and wheels of metal, for sliding doors; extrusions of metal; badges of metal for vehicles; welding and soldering materials; locks of metal for vehicles; none of the aforesaid relating to roofing or covering systems for motor vehicles, lorries, trailers or railway carriages, or to parts or systems relating to the bodywork or superstructure of lorries, trailers or railway carriages.

Class 9:

Apparatus and instruments for generating, accumulating and storing energy for vehicles; batteries for vehicles and components therefor; battery boxes for vehicles and components therefor; power modules; heat control apparatus and systems for vehicles; software; electronic, electric and electromechanical apparatus and instruments, namely mechatronic systems for opening, closing and moving movable vehicle parts; electronic locking systems for vehicles.

Class 12:

Vehicles and structural parts thereof; components and assemblies for vehicles and vehicle accessories; vehicle bodies and chassis; brakes; brake levers and brakepedals for land vehicles; shock absorbers for vehicles; vehicle bumpers; security apparatus for vehicles, namely vehicle-mounted shock absorbers; anti-theft devices, safety devices and equipment for vehicles; modular chassis systems for vehicles; axles for vehicles; transmissions for vehicles; mechatronic parts and components for land vehicles; none of the aforesaid relating to roofing or covering systems for motor vehicles, lorries, trailers or railway carriages, or to parts or systems relating to the bodywork or superstructure of lorries, trailers or railway carriages.

Class 20:

List of cases accepted for opposition purposes as shown in Journal 2026/030 published on 24 July 2026 .

Caps made of non-metallic materials for containers; containers, and closures and holders therefor, non-metallic; fittings for windows and doors not of metal; opening, closing and locking mechanisms (not of metal, non-electric) for land vehicles; hinges, not of metal; bins, not of metal; locks, not of metal, for vehicles; none of the aforesaid relating to roofing or covering systems for lorries, trailers or railway carriages, or to parts or systems relating to the bodywork or superstructure of lorries, trailers or railway carriages.

Class 40:
Treatment and transformation of the following goods: materials of metal and/or not of metal for manufacturing vehicles and parts therefor; stamping in relation to the following goods: materials of metal and/or not of metal for manufacturing vehicles and parts therefor; assembly of components made of metal and/or non-metal materials for manufacturing vehicles and parts therefor.

Class 42:
Science and technology services and research, development and innovation in the aforesaid fields; design and development of computer hardware and software; design and development of industrial processes, vehicles and parts of vehicles; design and development of industrial machinery; design and development of the following goods: machines and tools for stamping, assembling, pressing and welding; engineering services in the field of industrial machinery manufacturing; mechanical engineering services; consultancy and assistance in the field of industrial processes, industrial machinery and research, development and design of vehicle parts; design of software as a service (SaaS) and development of software as a service (SaaS).

Date of International Registration: 03 December 2025
Date of Designation in the UK: 03 December 2025

PFASuiki

International priority date claimed: 26 June 2025 (EM)
(019208413)

Class 1:

Chemicals, in particular alternatives to pfas-substances; chemicals for use in textile industry, in paper production, in photo industry, aviation, galvanic applications; flame retardants; chemical agents for impregnating textile material, leather or artificial leather; filtering compositions, in particular for filtering chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per-and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; carbon for filters in particular for filtering chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; filtering materials [mineral substances]; filtering materials [chemical preparations]; filtering media [chemical] for water; filtering materials of chemical substances; carbon for filters for removing organic contaminants from water; filtering materials [chemical, mineral, vegetable and other unprocessed materials]; activated carbon, in particular for absorbing or filtering chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans,

***List of cases accepted for opposition purposes as shown in Journal 2026/030 published on
24 July 2026 .***

poly-cyclic-aromatic compounds, and transformer oils; granular activated carbon, in particular for absorbing or filtering chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; ion exchange resins, in particular for absorbing or filtering chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; metall organic frameworks, in particular for filtering chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; absorbing carbons; chemical absorbents; chemical products for absorbing; chemical compositions for absorbing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils.

Class 7:

Extracting machines for chemical processing; absorbing machines for chemical processing; apparatus for decomposing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; apparatus for chemically reducing the concentration of chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; apparatus for electrochemically reducing the concentration of chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-

cyclic-aromatic compounds, and transformer oils; apparatus using sonication for decomposing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; apparatus using ultrasound for decomposing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; apparatus using hydrodynamic cavitation for decomposing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; filtering machines, in particular comprising granular activated carbon, ion exchange resins, and metal organic frameworks, in particular for filtering chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; filters [parts of machines or engines]; filters being parts of machines; separators [machines]; filtering machines for chemical processing; water pumps for water filtering units; filtering machines used in sewage handling; absorbing machines for chemical processing, in particular comprising granular activated carbon, ion exchange resins, and metal organic frameworks, in particular for filtering chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; parts and fittings for all the aforesaid goods (not included in other classes); industrial chemical reactors; industrial electrochemical reactors; industrial biochemical reactors; industrial chemical reactors for decomposing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; industrial electrochemical reactors for decomposing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and

polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; industrial chemical reactors for reducing the concentration of chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; industrial biochemical reactors for decomposing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; industrial biochemical reactors for reducing the concentration of chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; industrial chemical reactors for working with aqueous media; industrial electrochemical reactors for working with aqueous electrolytes; industrial electrochemical flow-through reactors; industrial electrochemical flow-by reactors; industrial chemical reactors using plasma; industrial chemical reactors using hot plasma; industrial chemical reactors using cold atmospheric plasma; industrial chemical reactors using sonication; industrial photochemical chemical reactors; industrial ozonation reactors; chemical reactors for decomposing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; chemical reactors using plasma for decomposing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; chemical reactors using super critical water

oxidation; chemical reactors using hydrothermal alkaline treatment.

Class 9:

Chemical reactors; electrochemical reactors; biochemical reactors; chemical reactors for decomposing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; electrochemical reactors for decomposing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; chemical reactors for reducing the concentration of chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; electrochemical reactors for reducing the concentration of chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; chemical reactors for working with aqueous media; electrochemical reactors for working with aqueous electrolytes; electrodes for electrochemical applications; electrodes for use in electrochemical applications for decomposing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; electrodes for use in electrochemical applications comprising substoichiometric titanium oxide, silicon carbide, manganese oxide, cobalt oxide, cobalt hydroxide oxide, fe-n4-graphene, tungsten carbide, nickel-containing tungsten carbide, lead oxide, boron-doped diamond material, ferrite-based materials; chemical testing kits, in particular for testing of concentrations of chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; kits for

List of cases accepted for opposition purposes as shown in Journal 2026/030 published on 24 July 2026 .

use in laboratory testing and storage as well as field sample collection; testing instrumentations for collecting, storing and analyzing of samples from water, soil, sediments, air or sludge regarding the presence of contaminants; biochemical reactors for decomposing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; biochemical reactors for reducing the concentration of chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; chemical reactors using plasma; chemical reactors using hot plasma; chemical reactors using cold atmospheric plasma; chemical reactors using sonication, in particular using ultrasonication; chemical reactors using hydrodynamic cavitation; chemical reactors using super critical water oxidation; chemical reactors using hydrothermal alkaline treatment; photochemical chemical reactors; parts and fittings for all the aforesaid goods (not included in other classes); sensors, in particular inline sensors and real time sensors, in particular for sensing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; electrodes for industrial electrochemical applications; electrodes for use in an electrochemical flow-through reactor; electrodes for use in an electrochemical flow-by reactor; electrodes for use in industrial electrochemical applications for decomposing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; electrodes for use in industrial electrochemical applications comprising substoichiometric titanium oxide, silicon carbide, manganese oxide, cobalt oxide, cobalt hydroxide oxide, fe-n4- graphene, tungsten carbide, nickel-containing tungsten carbide, lead oxide, boron-doped diamond material, ferrite-based materials.

Class 11:

Water filtering apparatus, in particular apparatus using nanofiltration and apparatus using reverse osmosis; foam fractionation apparatus for enriching chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides,

flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils in a foamed phase; apparatus for electro-assisted sorption/desorption, which uses an electric field to adsorb (sorption) and release (desorption) of molecules onto or from a material; water purifying apparatus; water purifying units; water treatment apparatus; water treatment equipment; purification machines (water-); purification installations (water-); water purification tanks; water treatment tanks; waste water purification units; apparatus for filtering water; electrochemical water treatment apparatus; apparatus for waste water purification; industrial waste water purification plants; water purifiers for industrial use; electrochemical units [water treatment equipment]; biochemical units [water treatment equipment]; water remediation systems, in particular water systems comprising water treatment equipment for the decontamination of water from chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; apparatus for decomposing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils in aqueous media; apparatus for decomposing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils in water; water treatment machinery, in particular, equipment that uses technology and chemicals to destroy chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils in water; chemical reactors for industrial treatment of water; parts and fittings for all the aforesaid goods (not included in other classes); water filters; filters for water filtering apparatus; water purification filters; water treatment filters; filters for wastewater; water filtering apparatus for industrial use; water filtering installations; water filtering units; filters for industrial installations, in particular for filtering chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; filters for industrial and household

List of cases accepted for opposition purposes as shown in Journal 2026/030 published on 24 July 2026 .

use, in particular for filtering chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; bioremediation reactors for decomposing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; bioremediation reactors for reducing the concentration of chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; incineration apparatus, in particular apparatus for waste incineration and apparatus for incineration of contaminated matter; pyrolysis reactors; ozonation reactors; incineration reactors.

Class 37:

Installation, repair and maintenance of reactors, apparatus and machines for decomposing chemicals, for decreasing concentration of chemicals and for treatment of water, groundwater, drinking water, wastewater, surface water, soil, sediments, air and sludge; repair or maintenance of chemical reactors, of electrochemical reactors, apparatus and machines, in particular for decomposing chemicals, for decreasing concentration of chemicals and for treatment of water, groundwater, drinking water, wastewater, surface water, soil, sediments, air and sludge; installation, repair and maintenance of filtering units and apparatus; repair or maintenance of water pollution control equipment; pump repair or maintenance; installation of environmental engineering systems; repair and maintenance of water pollution control equipment; repair and maintenance of chemical and electrochemical reactors; repair of industrial waste treatment machines; repair and maintenance of water purifying apparatus; installation, assembly, repair and maintenance of water and waste water purifying apparatus and machines as well as purification installations for sewage, soil, sediments, air and sludge; repair of air filtering apparatus.

Class 40:

Chemical decontamination services; electrochemical decontamination services; land decontamination; decontamination of hazardous materials; decontamination of contaminated soil; decontamination of contaminated water; decontamination of contaminated waste; decontamination of contaminated waste water; decontamination of contaminated sediments; decontamination of contaminated air; decontamination of contaminated sludge; water treatment services; water treatment and purification; environmental remediation services, namely, treatment of soil, waste and water; environmental remediation services, namely, treatment of water, soil, sediments, air and sludge to reduce the

concentration of chemicals, toxic substances, contaminants, chemicals, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; all aforesaid services using chemical means, electrochemical means, biochemical means, plasma treatment, sonication treatment, ultrasonic treatment, hydrodynamic cavitation, bio remediation means, super critical water oxidation, hydrothermal alkaline treatment, photochemical means, photocatalytic means, uv irradiation, ozone treatment, incineration, and pyrolysis; consulting in the field of water treatment.

Class 42:

Engineering services; natural science services; chemist's services, in particular development of alternatives to toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; chemical research; chemical analysis; chemical technological research; chemical laboratory services; chemical analytical examinations; testing of chemicals; engineering consulting services, in particular related to the remediation of toxic substances, contaminants, chemicals, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils in groundwater, drinking water, wastewater, surface water, soil, sediments, air and sludge; industrial analysis and research services in the fields of groundwater, drinking water, wastewater, surface water, soil, sediments, air and sludge; industrial analysis regarding the content of, toxic substances, contaminants, chemicals, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils in groundwater, drinking water, wastewater, surface water, soil, sediments, air and sludge in groundwater, drinking water, wastewater, surface water, soil, sediments, air, sludge, air, food, beverages, blood samples, and products, in particular in electronics, toys, cosmetics, lubricants, food packaging, textiles; certification, in particular, quality control for others; quality testing of products for certification purposes; testing, analysis and evaluation of the goods of others for the purpose of evaluating levels of contaminants in the goods of others; testing, analysis and evaluation of the services of others for the purpose of evaluating levels of contaminants produced by the services of others; sampling services of groundwater, drinking water, wastewater, surface water, soil, sediments, air and sludge for scientific analysis purposes and decontamination

List of cases accepted for opposition purposes as shown in Journal 2026/030 published on 24 July 2026 .

purposes; toxicology research services; toxicology testing services in the field of the analysis groundwater, drinking water, wastewater, surface water, soil, sediments, air and sludge; consulting services in the field of environmental assessment and planning; environmental services, namely, technical consultation in the field of environmental science; hydrologic study of surface and groundwater; scientific research relating to the impact of consumer and industrial products on the environment; laboratory services for analysis of groundwater, drinking water, wastewater, surface water, soil, sediments, air and sludge; research and development of new products, in particular of electrochemical electrodes, electrochemical reactors and apparatus for decontamination; research in chemistry; engineering project studies; rental of science and technology equipment; rental of chemical and electrochemical reactors for the treatment of waste material; rental of chemical and electrochemical reactors for decomposing chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; rental of chemical and electrochemical reactors for reducing the concentration of chemicals, toxic substances, contaminants, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, mixed per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils; analysis of the quality of water, groundwater, drinking water, wastewater, surface water, soil, sediments, air and sludge; conducting industrial experiments; preparation of technological reports; preparation of reports relating to technical research; professional consultancy relating to technology; scientific and technological services and research and design relating thereto; industrial analysis and research services; certification [quality control]; testing, analysis and evaluation of the goods and services of others for the purpose of certification; chemical product standard certification services; development of sensors, in particular of inline sensors and real time sensors for the detection of toxic substances, contaminants, chemicals, forever chemicals, compounds falling under the stockholm convention, fluorinated organic compounds, per- and polyfluorinated organic compounds, per- and polyfluoro alkyl substances, per-/poly-fluoro-/halo-substances, pharmaceuticals, antibiotics, pesticides, flame-retardants, poly-chloro-dibenzodioxines, poly-chloro-dibenzodifurans, poly-cyclic-aromatic compounds, and transformer oils.

International priority date claimed: 26 November 2025 (CH)
(840758)

Class 36:

Financial services, monetary operations and banking services; insurance services; real estate services; financial services, namely, operation of trading, clearing, settlement and calculating systems; stock exchange services; electronic payment services; financial information; providing information and data on stock exchange transactions; financial services, namely transfer and management of guarantees; risk management services; central preservation of securities; processing of securities transactions; financial, banking and monetary operations services; issuing securities; clearing house services; stock exchange and electronic stock exchange services; stock exchange quotations; determination and calculation of indices relating to stocks, commodities and securities; definition, updating and calculation of stock indices; providing information and data relating to the stock exchange; stock exchange and financial services, namely preparation of stock indices, financial indices and other economic indices; providing financial information and data relating to companies and the economy; stock exchange and financial services, namely preparation of stock indices, financial indices and other economic indices.

Class 41:

Training; organization of training, seminars and workshops in the fields of financial markets, payment transactions, compliance and information technology; provision of electronic publications (not downloadable); publication of commercial, economic, financial, stock exchange information as well as information on quoted securities and economic factors; publication of indices, securities and information on indices, texts (except advertising texts) and data, in particular indices relating to stock exchange transactions, securities, financial instruments, companies, markets and the economic situation; online publication of indices, securities and information on indices, texts (except advertising texts) and data, in particular indices relating to stock exchange transactions, securities, financial instruments, companies, markets and the economic situation; provision of on-line (non-downloadable) publications.

Class 45:

Intellectual property licenses; licensing of stock indices; granting of user rights for software and technical systems; legal advice in relation to the use of financial market infrastructure.

crosbe

Class 1:

Bonding agents for admixture with grouts; chemical additives for grouting materials; grout sealants (chemicals); adhesives for mortar; bonding agents for admixture with mortars; chemical additives for mortar; adhesives for wall tiles; adhesives for waterproofing; industrial cement (adhesives), other than for household or stationery use; cement plasticisers; cement waterproofing chemicals (other than paint); cement-waterproofing chemicals, except paints; cements for fixing tiles; adhesives for affixing wall tiles; chemical waterproofing compounds (other than paint); chemical additives for concrete; epoxy resin (unprocessed); adhesives for use in the building industry.

Class 19:

Grout; grouting compounds; grouting materials; grouting preparations; articles of mortar for building purposes; articles of mortar for construction purposes; bonding mortar for building purposes; cement mortar for use in construction; cementitious patching mortars; cementitious sealing mortars; compositions for the repair of mortar (not in the nature of paint); concrete balancing mortar; dry mortar; facing mortar;

gypsum mortar; levelling preparations (cement or mortar); lime mortar; materials of mortar for coating building elements; materials of mortar for coating floors; mortar; mortar for building; mortar for use as an adhesive; mortar mix; prepared dry mortar mix; products for protecting concrete (mortar based coatings); products in the nature of mortars for the repair of concrete; ready to use mortars; cements (other than adhesives); blended cements; building materials made of fibre cement; cement; cement base mixture for use in building; cement based coatings (other than in the nature of paint); cement based materials (other than in the nature of paint); cement based materials for use in maintaining buildings; cement based materials for use in preserving buildings; cement based materials for use in protecting buildings; cement based wall coatings; cement for building; cement for furnaces; cement mixes; cementitious building materials (other than in the nature of paint); cementitious patching compounds; cementitious building materials (other than in the nature of paint); cementitious products for restoring concrete; mixtures of cement, sand and stone material; non-metallic building materials for waterproofing purposes; building materials of concrete reinforced with plastics and glass fibres; cementitious coating products for protecting concrete (not paint); concrete; concrete aggregate; materials of concrete for coating building elements; materials of concrete for coating floors; polymer concrete; epoxy modified mortars; dry mixtures for making floors; sand (other than moulding sand); sandbags (filled); plywood; plywood sheets; anchoring compositions (adhesive mortars) for use in civil engineering; sand for use in civil engineering.

Date of International Registration: 03 March 2026
Date of Designation in the UK: 03 March 2026

The trademark consists of a label with rounded corners on a beige background and a thin fuchsia border, at the top, appear the words "Product of Italy – Natural Ingredients" in brown, the background features a large tone-on-tone beige heraldic motif, in the center of which stands a red and white striped coat of arms with beige wings, and above that, an arched inscription enclosed in light blue lines reads, "THE WORLD'S FAVORITE ITALIAN LIQUEUR." At the centre of the label is the stylised word "DISARONNO" in black block letters with beige shading, followed by the wording "ORIGINALE" in black capital letters and the red signature of Domenico Reina, below the signature appears the three-line inscription in English: "A UNIQUE BLEND OF PURE ALMOND EXTRACT INFUSED WITH VANILLA AND COCOA MAKES OUR AMARETTO UNMISTAKABLE, this is followed by the term "LIQUEUR," and below, in three brown lines with a light blue border, is the wording "SINCE 1525 SARONNO." To the left and right of this wording, in English, is the sentence "A LEGEND DEEPLY ROOTED IN THE ITALIAN TRADITION AND LIFESTYLE" in brown and light blue. Registration of this mark shall give no right to the exclusive use of the words "Product of Italy Natural Ingredients – ORIGINALE - A UNIQUE BLEND OF PURE ALMOND EXTRACT INFUSED WITH VANILLA AND COCOA MAKES OUR AMARETTO UNMISTAKABLE – LIQUEUR - SINCE 1525 SARONNO".

International priority date claimed: 25 February 2026 (IT)

dynamo pulleys for vehicles; timing belt pulleys [engine parts]; electric glue gun; air tackers; squeegees [machines]; body straighteners [machines]; sanding disks for use with machines; abrasive disks [machine tools]; spray guns for paint; starters for land vehicle engines; bellows [parts of machines]; jacks [machines]; particulate air filters for exhaust systems of internal combustion engines; compressors [machines]; compressors for air conditioning apparatus; air compressors for vehicles; lifting apparatus; mobile lifting apparatus for vehicles; elevators [machines]; car lifts; camshafts for vehicle engines; plugs and caps for oil tanks [vehicle motor and engine parts]; oil pumps for land vehicle engines; high-pressure pumps; cooling fans for vehicle motors and engines; expansion tanks [parts of machines]; turbochargers for land vehicle engines; ignition cables; non-electric coupling rings [parts of land vehicle engines]; starter pinions for land vehicles; window winding mechanisms for vehicles; fan motors for land vehicles.

Class 9:

Batteries for vehicles; electric batteries for electric vehicles; luminous warning devices [rotating beacons]; battery starters; electric cables; tachographs; measuring apparatus and instruments; temperature control apparatus for vehicles [thermostats]; sensors, detectors and monitoring instruments; autonomous driving control systems for vehicles; remote control apparatus for starting vehicles; computer systems for controlling automated vehicles; software for diagnostics and troubleshooting; testing apparatus for carrying out diagnostics [other than for medical use]; Scientific, optical, weighing, measuring, signaling, checking (supervision) apparatus and instruments; fire extinguishers; Software for mobile applications enabling interaction and communication between vehicles and mobile devices; speed checking apparatus for vehicles; electric and electronic apparatus and instruments, namely apparatus for checking, measuring, tachographs, storage batteries.

Class 11:

Light bulbs for directional signals for vehicles; headlight bulbs; vehicle headlights; ventilation [air-conditioning] installations for vehicles; heat exchangers for the removal of exhaust gases; lamps for lighting; searchlights; lighting devices and lighting reflectors for vehicles; ventilation fans for vehicles; lighting apparatus and installations; cooling apparatus and installations; air-conditioning installations for vehicles; heaters for vehicles; air conditioners for vehicles; demisting heating apparatus for vehicles; heating apparatus for defrosting windows of vehicles.

Class 12:

Parts and component parts of vehicles; brake disks for vehicles; vehicle brakes; brake linings for vehicles; brake disks with bearings for vehicles; brake pads for automobiles; hydraulic servo-valves as parts of vehicle braking systems; braking systems for vehicles and their corresponding parts; tanks for maintaining the level of fluids in vehicle braking systems; brake cables for vehicles; brake drums for vehicles; wheel cylinders for vehicles; flexible shafts for land vehicles; brake cylinders for vehicles; cylinders for shock absorbers [vehicle parts]; clutch cylinders for land vehicles; compensating cylinders for vehicle brakes; brake calipers for vehicles; universal joints for land vehicles; ball joints [vehicle parts]; radiator grilles for vehicles; transmission belts for land vehicles; power transmission parts [belts] for land vehicles; discs for clutch stops for land vehicles; clutches for land

vehicles; clutch disks for land vehicles; wheel bearings for land vehicles; shock absorbers for automobiles; shock absorbing springs for vehicles; suspension shock absorbers for vehicles; shock absorber springs being vehicle suspension parts; combined devices of shock springs and absorbers for vehicles; gear bellows for motor vehicles; suspensions for vehicles; suspension arms for vehicles; vehicle suspension springs; suspension systems for motor vehicles; windshield wipers; windshield wiper blades for vehicles; belt pulleys for land vehicles; idle pulleys for land vehicles; automobile bodies; covers for tires; seat covers for cars; steering-wheel covers for automobiles; covers for gear levers; vehicle seat covers; double-glazed windshields for vehicles; hydraulic rotary dampers for vehicles; treads for tires; axles for air suspension systems for vehicles; torsion bars for land vehicle suspensions; steering columns for vehicles; rack and pinion steering for vehicles; air bags [safety devices for automobiles]; wheels, tires and tracks for vehicles; pneumatic or hydraulic linear actuators for land vehicles; tires (pneumatic) for automobiles; vehicle joysticks; drive chains for land vehicles; caps for vehicle fuel tanks; transmission shafts for land vehicles; hubs for vehicle wheels; engines for land vehicles; gear boxes for land vehicles.

Class 17:

Clutch linings; brake lining materials, partly processed; brake lining materials, partly processed; shock-absorbing and packing materials; shock-absorbing buffers of rubber; seals, not of metal, for pneumatic suspensions; adhesive masking tapes; non-metallic couplings for flexible compressed-air pipes; vibration dampers of rubber; rubber brackets for motors and engines; water-tight rings.

Class 35:

Advertising; commercial business administration, organization and management; sales promotion for third parties; provision of online marketplaces for buyers and sellers of goods and services; presentation of goods on all communication media for retailing; retail services for chemical products connected with the sale of motor vehicles; retail services for articles and accessories connected with the sale of motor vehicles; retail services connected with the sale of cleaning products for motor vehicles; retail services for parts and component parts of motor vehicles; bringing together, for the benefit of third parties (excluding transport thereof), parts and components parts of vehicles enabling customers to conveniently view and/or purchase those goods and services.

Class 37:

Motor vehicle maintenance and repair; car washing; vehicle breakdown assistance [repair]; installation and repair of electric apparatus; retreading of tires; rebuilding of worn or partially destroyed engines; vehicle lubrication [greasing]; providing information with respect to motor vehicle repair or maintenance; charging of vehicle batteries; vehicle cleaning; repair services in the case of vehicle breakdown; anti-rust treatment for vehicles; customisation of motor vehicles.

Class 40:

Chromium plating of vehicles, window tinting by surface coating, leather staining, stripping, vehicle-body tin plating, cloth dyeing, vehicle recycling, vehicle-body sandblasting; vehicle demolition; acrylic finishing for vehicles; custom assembling of automobile bodies and chassis for others; sawing of materials; sewing [custom manufacture]; printing

2025 106 686)

The mark contains the colour blue.

Class 7:

Machines and industrial robots for processing, cutting,
handling, pressing, conveying, sorting, packaging, labeling, and
marking food, food portions, and food packaging; conveyor
machines for conveying, sorting, handling, aligning, arranging,
combining and packaging food and food portions; molding
machines for machines, robots, devices, and systems for
processing, pressing, conveying, sorting, packaging, labeling,
and marking food, food portions, and food packaging; machines
for sharpening knives, in particular rotary knives for food
processing; machines for defoiling, compacting, and disposing
of films, skins, and packaging; machines and industrial robots
for cleaning and rinsing in the areas of handling, processing,
and packaging of food and food portions; rotary knives for
machines for handling and processing food in particular sickle
and circular knives; parts and spare parts of the aforementioned
goods, as far as included in this class.

Class 8:

Hand-operated rotary knives for cutting food, in particular
hand-operated circular knives and sickle knives, hand-operated
knives for derinding and flaying as well as peeling food and
food portions.

Class 9:

Optical, weighing, measuring, signaling, and controlling
apparatus and instruments; devices for recording, transmitting,
and reproducing images; data processing devices, computers,
tablet computers, monitors, and computer peripherals for use
with machines, robots, devices, and systems for handling,
processing, conveying, sorting, inspecting, and packaging
food, food portions, and food packaging; electrical control
consoles as well as control and display devices for machines,
robots, devices, and systems for handling, processing,
conveying, sorting, and packaging food and food portions;
image recognition devices for detecting the shape, position,
and condition of goods, as well as for classifying goods, in
particular food; electrical control consoles as well as control
and display devices, in particular for robots, cutting machines,
scales, conveyor and sorting devices, and handling and
processing equipment for food; electric control apparatus
and regulators for machines, robots, devices, and systems
for handling, processing, conveying, sorting, inspecting, and
packaging food and food portions; electric control apparatus
and regulators for monitoring machines, robots, and systems
for handling, processing, conveying, sorting, inspecting,
and packaging food and food portions; devices for image

***List of cases accepted for opposition purposes as shown in Journal 2026/030 published on
24 July 2026 .***

recognition and screening of food, in particular X-ray apparatus not for medical purposes; optical, weighing, measuring, signaling, and checking [supervision] apparatus and instruments for machines, robots, devices, and systems for handling, cutting, processing, pressing, conveying, sorting, controlling, analyzing, packaging, labeling, and marking food, food portions, and food packaging; software for the installation, use, operation, control, maintenance, and servicing of machines, robots, devices, and systems for handling, cutting, processing, pressing, conveying, sorting, inspecting, analyzing, packaging, labeling, and marking food, food portions, and food packaging; software for managing and controlling portfolios of machines, robots, devices, and systems for handling, cutting, processing, pressing, conveying, sorting, inspecting, analyzing, packaging, labeling, and marking food, food portions, and food packaging, and for ordering replacement and spare parts for such machines, robots, devices, and systems; software for communication when using such machines, robots, devices, and systems for handling, processing, conveying, sorting, inspecting, and packaging food and food portions; software for managing and controlling portfolios of machines, robots, devices, and systems for handling, processing, conveying, sorting, inspecting, and packaging food and food portions, and for ordering replacement and spare parts for such machines, robots, devices, and systems; parts and spare parts of the aforementioned goods, as far as included in this class.

Class 11:

Cooling and refrigerating devices, namely, cooling installations and refrigerating machines for use with systems for handling, processing, conveying, sorting, and packaging food and food portions; cooling installations and refrigerating machines for use with systems for handling, processing, conveying, sorting, and packaging food and food portions; parts and spare parts for the aforementioned goods, as far as included in this class; cooling and refrigerating devices, namely, cooling installations and refrigerating machines for use with systems for handling, cutting, processing, conveying, pressing, sorting, inspecting, analyzing, packaging, labeling and marking food, food portions and food packaging; cooling installations and refrigerating machines for food and food portions.

Class 16:

Packaging material of plastic, cardboard or paper for food and food portions.

Class 37:

Maintenance of machines, robots, apparatus and machinery for handling, cutting, processing, pressing, conveying, sorting, inspecting, analyzing, packaging, labeling and marking food, food portions and food packaging; installation, maintenance and repair of machines, robots, apparatus and machinery for handling, cutting, processing, pressing, conveying, sorting, inspecting, analyzing, packaging, labeling and marking food, food portions and food packaging.

Class 38:

Providing access to databases relating to technical errors and solutions for machines, robots and apparatus for handling, processing, conveying, sorting, inspecting and packaging food and food portions.

Class 39:

Logistics services consisting of the packaging of packaging material for food and food portions; Equipment-as-a-Service, namely rental and leasing of knives and knife sharpeners for machines, robots and systems used for the packaging of food and food portions; Equipment-as-a-Service, namely rental and leasing of conveyors for delivering and packaging food and food portions; Equipment-as-a-Service, namely rental and leasing of machines and robots for the packaging of food and food portions; Equipment-as-a-Service, namely rental and leasing of machines and robots used for inspecting, aligning and labeling food and food portions as part of packaging services.

Class 40:

Equipment-as-a-service, namely rental or leasing of knives and knife sharpeners for machines, robots, and systems for handling, processing, conveying, sorting, and inspecting food and food portions for processing and treatment of foodstuffs purposes; equipment-as-a-service, namely rental or leasing of robots for gripping, treating, conveying, aligning, cooling, arranging, sorting, combining, processing, inspecting, and storing food and food portions for food processing and treatment purposes; equipment-as-a-service, namely rental or leasing of machines, robots, devices, and systems for defoiling, compacting, and disposing of films, skins, and packaging for food and food portions for food processing and treatment purposes; equipment-as-a-service, namely rental or leasing of conveyor equipment for conveying, sorting, treating, aligning, arranging, combining, and inspecting food and food portions for food processing and treatment purposes; equipment-as-a-service, namely rental or leasing of machines, robots, devices, and systems for analyzing and detecting foreign matter in food, food portions, and food packaging for food processing and treatment purposes; equipment-as-a-service, namely rental or leasing of machines, robots, devices, and systems for controlling the weight of food, food portions, and food packaging for food processing and treatment purposes; equipment-as-a-service, namely rental or leasing of machines, robots, devices, and systems for inspecting, detecting, and evaluating the contours and composition of food, food portions, and food packaging for food processing and treatment purposes; equipment-as-a-service, namely rental or leasing of machines, robots, devices, and systems for handling, processing, conveying, sorting, and inspecting food and food portions for food processing and treatment purposes.

Class 41:

Training and education, as well as organizing seminars with respect to the installation, operation, control, monitoring, maintenance, and repair of machines, robots, and systems for handling, processing, conveying, sorting, inspecting, and packaging food and food portions.

Class 42:

Technological consultancy and engineering services with respect to machines, robots, devices, and systems for handling, cutting, processing, pressing, conveying, sorting, inspecting, analyzing, packaging, labeling, and marking food, food portions, and food packaging; Software as a Service [SaaS] with regard to machines, robots, devices, and systems for handling, cutting, processing, pressing, conveying, sorting, inspecting, analyzing, packaging, labeling, and marking food, food portions, and food packaging; Software as a Service [SaaS] with regard to the management and control of portfolios

List of cases accepted for opposition purposes as shown in Journal 2026/030 published on 24 July 2026 .

of machines, robots, devices, and systems for handling, processing, conveying, sorting, inspecting, and packaging food and food portions, and for ordering replacement and spare parts for such machines, robots, devices, and systems; Platform as a Service [PaaS] with regard to machines, robots, devices, and systems for handling, cutting, processing, pressing, conveying, sorting, inspecting, analyzing, packaging, labeling, and marking food, food portions, and food packaging; technical monitoring, technical quality analysis and control in the context of remote operation of machines, as well as the backup, storage, and technical analysis of data, as well as the servicing of a technical error and solution database for machines, robots, devices, and systems for handling, cutting, processing, pressing, conveying, sorting, inspecting, analyzing, packaging, labeling and marking food, food portions and food packaging; electronic data backup, storage, and technical analysis of data from machines, machine lines, and robots for handling, processing, conveying, sorting, inspecting, and packaging food and food portions; technological monitoring and inspection of a technical error and solution database for machines, robots, and systems used in handling, processing, conveying, sorting, controlling, and packaging food and food portions; remote diagnostic and monitoring services by computerized interrogation and configuration of machines, robots, and systems for handling, processing, conveying, sorting, inspecting, and packaging food and food portions via communication networks, namely cloud-based networks, wireless networks, mobile telecommunications networks, telephone networks, and internet-based platforms; remote diagnostic and monitoring services by computerized interrogation and configuration of machines, robots, devices, and systems for handling, cutting, processing, pressing, conveying, sorting, inspecting, analyzing, packaging, labeling, and marking food, food portions, and food packaging via communication networks, namely cloud-based networks, wireless networks, mobile telecommunications networks, telephone networks, and internet-based platforms.

Class 1:

Chemical agents for carbon dioxide sequestration; carbon dioxide absorbent, namely, chemicals for absorbing carbon dioxide for general industrial use.

Class 7:

CO2 recovery apparatus from flue gases of combustion engines; CO2 recovery apparatus from flue gases of combustion apparatus of engines; CO2 recovery apparatus from flue gases of combustion apparatus for gas turbines; CO2 recovery apparatus from flue gases of combustion apparatus for gas turbines to drive gas compressors; CO2 recovery apparatus from flue gases of combustion apparatus for gas turbines to drive liquefied natural gas condensers; CO2 recovery apparatus

from exhaust gas of marine engines; CO2 recovery apparatus from exhaust gas of gas operated power generators; CO2 recovery apparatus for chemical processing; CO2 recovery apparatus used for carbon dioxide capture; CO2 recovery apparatus for chemical processing; carbon dioxide separating machines for chemical processing.

Class 9:

Downloadable application software used for operation and remote monitoring of industrial plants and carbon dioxide (CO2) recovery apparatus; data processing equipment for controlling and remote monitoring industrial plants and carbon dioxide (CO2) recovery apparatus; diagnostic apparatus for ensuring proper functioning of industrial plants and carbon dioxide (CO2) recovery apparatus.

Class 11:

CO2 recovery apparatus from flue gases of combustion apparatus for boilers; CO2 recovery apparatus from exhaust gas of boilers used for thermal power generation; CO2 recovery apparatus from flue gases of combustion apparatus for industrial furnaces; CO2 recovery apparatus from exhaust gas of industrial incinerators; CO2 recovery apparatus from exhaust gas of garbage incinerators; CO2 recovery apparatus from exhaust gas of blast furnaces; CO2 recovery apparatus from exhaust gas of incinerators; CO2 recovery apparatus from exhaust gas of calcining kilns; CO2 recovery apparatus from exhaust gas of rotary kilns; CO2 recovery apparatus from exhaust gas of industrial gas burners; gas scrubbing apparatus; gas scrubbers being parts of gas installations; gas scrubbing apparatus being parts of gas generating units; gas condensers, other than parts of machines; gas liquefaction apparatus, other than parts of machines; adsorption apparatus for generating gas.

Class 37:

Repair and maintenance of CO2 recovery apparatus; repair and maintenance of carbon dioxide separating machines; repair and maintenance of gas scrubbing apparatus; repair and maintenance of gas scrubbers being parts of gas installations; repair and maintenance of gas scrubbing apparatus being parts of gas generating units; repair and maintenance of gas condensers, other than parts of machines; repair and maintenance of gas liquefaction apparatus, other than parts of machines; repair and maintenance of adsorption apparatus for generating gas; repair and maintenance of chemical plants; repair of electronic apparatus; machinery installation.

Class 40:

Carbon capture services for others, namely, carbon dioxide capture from industrial and commercial production sources; processing of carbon dioxide, namely, carbon dioxide sequestration services; generation of electrical power using carbon sequestration; production of electricity, consultancy services relating to the generation of electrical energy.

Class 42:

Software as a service [SaaS] for optimizing and streamlining CO2 capture, process and CO2 supply chain process by collecting and utilizing data regarding captured, transported, traded and stored CO2; platform as a service [PaaS] for visualizing and recording CO2 capture, process to guarantee neutrality and fairness of CO2 trading and utilization; design and development of computer system used for optimizing energy distribution; monitoring of computer

image processing software for making three dimensional models; image processing computer software; image processing software; inertial navigational apparatus; inertial navigational instruments; instruments for detecting radiation; artificial intelligence and machine learning software; downloadable computer software using machine learning and artificial intelligence; machine learning software; machine learning software for analysis; coordinate measuring instruments; instruments for measuring; measuring instruments; navigation, guidance, tracking, targeting and mapping apparatus and instruments; radiation measuring apparatus; radiation measuring instruments; scientific, optical, measuring, signaling and checking apparatus and instruments; sensors and detectors; software applications for use with mobile devices; downloadable computer software for the transmission of data and information; downloadable computer software using artificial intelligence for data analysis; downloadable computer software using artificial intelligence for data models; downloadable computer software using machine learning for data analysis; downloadable computer software using machine learning for data models; computer chatbot software for simulating conversations; computer chatbot software for simulating conversations with artificial intelligence; computer software applications for use with artificial intelligence; computer software for business management; computer programs and software for image processing; computer software for processing digital images; software for computers; software for use in the evaluation and analysis of data utilizing machine learning; surveying apparatus and instruments; surveying, photographic, cinematographic, optical and measuring apparatus and instruments; telemetry apparatus; acoustic meters; electric measuring apparatus; electric measuring instruments; resistance measuring instruments; electromagnetic field measuring apparatus; electromagnetic field measuring instruments; flow meters; temperature meters for industrial purposes; apparatus for reproduction of sound; acoustic cameras; underwater acoustic detecting apparatus; apparatus for recording, storage, transmission and reproduction of sounds and images; ultrasonic probes, other than for medical use.

Class 35:

Assistance and consultancy services in the field of business management of companies in the energy sector; business management, administration and information services; business project management services for construction projects.

Class 37:

Contract mining services; installation, maintenance and repair of equipment and apparatus for use in mining; installation, maintenance and repair of drilling and mining apparatus; installation, maintenance and repair of drilling and mining tools; mining drilling; rental of drilling and mining apparatus; providing information relating to the rental of mining machines and apparatus; rental of mining machines and apparatus; rental of mining machines and apparatus and providing information relating thereto; rental of mining machines and apparatus and provision of information relating thereto; providing information relating to the repair or maintenance of mining machines and apparatus; repair or maintenance of mining machines and apparatus; repair or maintenance of mining machines and apparatus and providing information relating thereto; repair or maintenance of mining machines and apparatus and provision of information relating thereto; civil construction services; civil

engineering construction consultancy; drilling of wells; rental of oil well drilling tools; well drilling.

Class 38:

Providing access to web portals; providing access to websites on the Internet or any other communications network; providing access to websites on the internet; providing access to online computer databases; providing online access to databases; providing user access to computer programs on data networks; providing user access to platforms on the internet; providing user access to portals on the internet; provision of access to data or documents stored electronically in central files for remote consultation; provision of access to data via the Internet; provision of access to databases; provision of access to internet platforms and portals; data transmission via telecommunications networks; leasing of telecommunications apparatus and installations; leasing of telecommunications equipment; providing telecommunications access to computer databases; providing telecommunication access and links to computer databases and the internet; telecommunications; telecommunications access services; telecommunications and communications services; transfer of data by telecommunications; transfer of electronic data; transfer of information and data via computer networks; transfer of information and data via computer networks and the Internet; transmission and reception of database information via telecommunications networks; transmission of data; transmission of data, messages and information; transmission of digital data; transmission of digital files; transmission of images between mobile telecommunications devices; transmission of images by computer.

Class 42:

Engineering project management services in the field of mining industry; engineering project management services in the field of oil industry; engineering services for mine planning in the mining industry; geological surveying; geological test drilling; geophysical exploration for the gas industry; geophysical exploration for the mining industry; geophysical exploration for the oil industry; geophysical exploration for the oil, gas and mining industries; exploration services in the field of the mining industry; mining exploration services; exploration services in the field of the oil, gas and mining industries; oil, gas and mining exploration services; underground mine design services in the mining industry; consultancy relating to geological surveys; technological consultancy in the field of geology; mining engineering consultancy; engineering consultancy; provision of online non-downloadable software; providing online non-downloadable software; provision of online non-downloadable web-based applications; provision of on-line non-downloadable computer software; providing temporary use of online non-downloadable software for the transmission of data; software as a service; software as a service [SaaS]; software as a service [SaaS] featuring artificial intelligence software for machine learning; software as a service [SaaS] featuring software using artificial intelligence for machine learning; software as a service [SaaS] featuring software for machine learning, deep learning and artificial neural networks.

SILCA

International priority date claimed: 03 July 2025 (DE) (30 2025 112 842)

Class 11:

Parts of high-temperature ceramic, namely bushings, pistons, bearings, rings, plates, valve seats, valve bodies, pipes, profile bodies all being parts of industrial furnaces, sintering furnaces, continuous furnaces for curing adhesives, paints, varnishes, furnaces for the chemical industry and glass manufacturing industries, incinerators, thermal incinerators, kilns, burners, combustion chambers, fuel burners, and furnaces [not for food and beverages], as well as parts for heating devices and heating systems, and for burners and heating devices for laboratory purposes; heat exchangers for household and industrial chimneys, not of metal.

Class 19:

Non-metal fire protection materials; remediation materials, not of metal; mouldings, not of metal, for building; bulk material for building, not of metal; ramming masses, not of metal; coatings, not of metal, for building; rigid pipes, not of metal, for building; buildings, transportable, not of metal; renovation materials for monuments, not of metal; building and construction materials and elements, not of metal; doors, gates, windows and window coverings, not of metal; ceiling panels and suspended ceiling constructions, not of metal; fireproof seals in the nature of building materials, not of metal; fireproof panels, not of metal, for building; non-metal fire protection screenings for electric cables for use in building and construction; non-metal fire protection materials for use in building constructions; refractory construction materials, not of metal; non-metal refractory furnace linings; non-metal fire retardant panels for use in construction; chimney cowls, not of metal; smoke exits, not of metal, namely non-metal roof vents for ventilation in buildings; non-metal fireplace surrounds; fireplace mantels, not of metal; front cladding parts, not of metal, for fireplaces for domestic and industrial use; moulds in the nature of building elements, not made of metal, in particular as non-metal plates, shells, shell segments, rings, blocks; non-metal decorative mouldings for use in construction; high-temperature ceramics as building materials; crucibles for laboratory use, casting nozzles, floats, casting moulds, founders and parts for the aforementioned goods, all of the aforementioned goods made of ceramic; granules and powders, ramming masses, coatings, made from fire protection materials or fire-retardant materials; non-metal refractory mortars; the scope of protection of the aforesaid goods excludes those made of phenolic resin material, those based on reaction resin, on gypsum and/or kaolin and/or cement, on wood and/or wood fiber materials, those for protection against wear, corrosion, adhesion, rotting, acid, goods and chemical products for the rubber industry and for fastening systems and their components in plant and building construction.

The mark contains the colours black and white.

Class 6:

Wire for ropes; bicycle locks of metal; locks of metal; keys of metal; safety chains of metal; safety chains of metal with a textile jacket; wire rope; ropes of metal; textile protective covers and jackets especially adapted for safety chains [parts and accessories for metal safety chains].

Class 9:

Acoustic alarms; sound alarms, other than for vehicles; alarms and warning equipment; alarms; acoustic alarms; acoustic alarms, other than for vehicles; alarms, others than for vehicles; alarm sensors; alarm systems; electronic security locks; locks (electric) for bicycles; locks, electric; electric locks for vehicles; locks [electric] with alarms; personal alarm devices; bells [warning devices]; personal alarms; electric charging cables; electric charging cables with a textile jacket; electrically conductive textile cables; charging stations for electric vehicles; cables with electronic monitoring [electronic anti-theft devices]; electronic anti-theft devices; electrically conductive ropes made of textile material [electrical conductors].

Class 12:

Bags for bicycles; bicycle bells; bicycle trailers; bicycle carriers; water bottle cages for bicycles; panniers adapted for bicycles; child carrying trailers; saddle covers for bicycles; fittings for bicycles for carrying luggage; mechanical immobilisers for vehicles.

Class 22:

Cargo slings of rope or fabric; ropes; ropes (non-metallic) for securing articles; cords made of plastics; cords made of textile fibres; ropes for mountaineering; ropes for marine use; ropes for tents; ropes and strings; ropes and synthetic ropes; ropes, not of metal; synthetic ropes; cargo slings of rope; ropes (non-metallic) for handling articles; ropes (non-metallic) for lifting articles; elastic ropes for support of goods on vehicles; elasticated rope for securing goods on vehicles; ropes for

List of cases accepted for opposition purposes as shown in Journal 2026/030 published on 24 July 2026 .

securing objects; textile ropes with embedded electrical conductors.

Class 5:
Metals and their alloys for medical purposes; precious metals and their alloys for medical purposes.

Class 6:
Common metals and their alloys, in particular nickel-, cobalt-, and light-metal- based alloys; semi-finished products made of the aforementioned metals and their alloys, in particular tubes, profiles, sheets, wires, and strips; non-electric cables and wires of common metal; pipes and tubes of metal; tubes and pipes of common metals and their alloys, including stainless steel; plated steel; metal tubes made of expansion or fusion alloys; hollow-core tubes, thin-walled tubes made of non-ferrous metals; micro-tubes made of common metals, stainless steels, and special materials [consisting mainly of common metals];

List of cases accepted for opposition purposes as shown in Journal 2026/030 published on 24 July 2026 .

capillary tubes; nickel and nickel alloys, as well as steel, in the form of strips, wires, tubes, and profiles; electroplated strips, tubes, profiles, sheets, and wires coated with nickel, cobalt, and light metals; semi-finished products made of the aforementioned metals and their alloys; fine tubes made of non-ferrous metals; tubes and wires made of nickel-titanium [nitinol]; electroplated strips, tubes, profiles, sheets, and wires coated with nickel and tin, copper, or zinc, and chemically nickel-plated; tubes of metal; flexible tubes of metal; metals; steel rods; shaped tubes made of precious metals and their alloys; metal tubes made of expansion alloys; metal tubes made of cast alloys; hollow tubes, thin-walled tubes, and micro-tubes made of precious metals and special materials [primarily consisting of precious metals]; common metal strips, tubes, profiles, sheets, and wires electroplated with silver, gold, or palladium.

Class 9:
Capillary tubes.

Class 10:
Surgical, medical, dental, and veterinary instruments and equipment; vascular supports [stents]; orthopaedic articles; micro-tubes used as drainage tubes for medical purposes; tubes used as components of stents and catheters; thin-walled, micro-, and capillary tubes used as drainage tubes for medical purposes; pipes for medical applications; medical instruments; stents; medical stents; ureteral stents being surgical support; drug-coated stents for thrombosis; capillary tubes for medical use; stainless steel tubes and wires for medical technology.

Class 14:
Precious metals and their alloys; semi-finished products made of precious metals and their alloys for the manufacture of jewelry; metal wire [precious metal].

Class 5:

Pharmaceuticals for the treatment, prevention, mitigation, management, or diagnosis of cancer, and viral, bacterial, fungal, parasitic, prion-based, metabolic, endocrine, cardiovascular, cardiopulmonary, genitourinary, sexual dysfunction, oncological, hepatological, ophthalmic, respiratory, neurological, gastrointestinal, hormonal, dermatological, psychiatric, immune system-related, autoimmune, genetic, rare, hematological, musculoskeletal, rheumatological, renal, nutritional, otolaryngological, pediatric, developmental, age-related, and pain-related diseases and disorders; therapeutics, namely, therapeutic agents for the treatment, prevention, mitigation, management, or diagnosis of cancer, and viral, bacterial, fungal, parasitic, prion-based, metabolic, endocrine, cardiovascular, cardiopulmonary, genitourinary, sexual dysfunction, oncological, hepatological, ophthalmic, respiratory, neurological, gastrointestinal, hormonal, dermatological, psychiatric, immune system-related, autoimmune, genetic, rare, hematological, musculoskeletal, rheumatological, renal, nutritional, otolaryngological, pediatric, developmental, age-related, and pain-related diseases and disorders; protein-based and small molecule therapeutics, namely, therapeutic agents for the treatment, prevention, mitigation, management, or diagnosis of cancer, and viral, bacterial, fungal, parasitic, prion-based, metabolic, endocrine, cardiovascular, cardiopulmonary, genitourinary, sexual dysfunction, oncological, hepatological, ophthalmic, respiratory, neurological, gastrointestinal, hormonal, dermatological, psychiatric, immune system-related, autoimmune, genetic, rare, hematological, musculoskeletal, rheumatological, renal, nutritional, otolaryngological, pediatric, developmental, age-related, and pain-related diseases and disorders; protein-based and small molecule pharmaceuticals for the treatment, prevention, mitigation, management, or diagnosis of cancer, and viral, bacterial, fungal, parasitic, prion-based, metabolic, endocrine, cardiovascular, cardiopulmonary, genitourinary, sexual dysfunction, oncological, hepatological, ophthalmic, respiratory, neurological, gastrointestinal, hormonal, dermatological, psychiatric, immune system-related, autoimmune, genetic, rare, hematological, musculoskeletal, rheumatological, renal, nutritional, otolaryngological, pediatric, developmental, age-related, and pain-related diseases and disorders.

Class 9:

Downloadable software for use in the pharmaceuticals and healthcare fields, namely, for enabling and facilitating molecular research, research and development of pharmaceutical products and chemical compounds, design of chemical structures, and analysis of biological or chemical activity; downloadable software for providing life science analytics.

Class 35:

Compiling data for research purposes in the field of genomics and proteomics.

Class 42:

Software as a service (SAAS) services featuring software using artificial intelligence for use in the fields of healthcare for enabling and facilitating molecular research, research and development of pharmaceutical products and chemical compounds, design of chemical structures, and analysis of biological or chemical activity; software as a service (SAAS) services featuring software using artificial intelligence for

use in the biotechnology field for discovering and designing biomolecules and chemical structures; software as a service (SAAS) services featuring software using artificial intelligence, computational methods, and machine learning models for data analysis in the fields of biomedical and genomic research; providing temporary use of on-line non-downloadable software featuring artificial intelligence, computational methods, and machine learning models for the design and characterization of biologic therapeutic products and drug analysis in drug discovery and development; scientific research, namely, research and analysis services for the design and characterization of chemical and biologic therapeutic products; research services in the fields of genomic, transcriptomic, and proteomic analysis; genomic and proteomic analysis and sequencing services for scientific and research purposes; medical and scientific research in the fields of genetics, genomics, proteomics, transcriptomics, epigenomics, metabolomics, meta-genomics, meta-transcriptomics, and microbiomics; DNA analysis and sequencing services for scientific and research purposes; research, development and consultancy in the field of genomics and proteomics; medical research; providing on-line non-downloadable software for collecting, analyzing, reporting, and tracking data and information in the fields of genetics, genomics, proteomics, transcriptomics, epigenomics, metabolomics, meta-genomics, meta-transcriptomics, and microbiomics; platform as a service (PaaS) featuring computer software platforms for collecting, analyzing, reporting, and tracking data and information in the fields of genetics, genomics, proteomics, transcriptomics, epigenomics, metabolomics, meta-genomics, meta-transcriptomics, and microbiomics; software as a service (SAAS) services featuring software for collecting, analyzing, reporting, and tracking data and information in the fields of genetics, genomics, proteomics, transcriptomics, epigenomics, metabolomics, meta-genomics, and meta-transcriptomics.

Class 1:

Chemicals for use in industry; chemicals for use in purification of water; chemical preparations in the nature of filtering materials in the form of silicon carbide membranes for ultrafiltration of water; chemical preparations in the nature of ion-exchange resins; silicon carbide for industrial purposes; chemical preparations in the nature of filtering materials for the treatment of water.

Class 7:

Water pumps for water purification equipment; water pumps for water filtering and purification apparatus used to produce purified water, highly purified water, ultrapure water, and water for injection; mechanical and hydraulic lifts; pump lift station units, namely, liquid pumps for liquid treatment units; solvent dispensing machines for industrial use; filling machines and parts thereof; heat exchangers being parts of machines; industrial chemical reactors; deionizing machines.

Class 11:

Water treatment apparatus for use in the production of purified water, highly purified water, ultrapure water, and water for injection; water treatment apparatus for use in the manufacturing of electronics, semiconductors, and pharmaceuticals; water treatment apparatus for use in the deionization of water; filtering units for water filtration; reverse osmosis membrane filters for water treatment; water filtering units for industrial use; water treatment equipment, namely, water filtration units and reverse osmosis units; water treatment equipment, namely, electro deionization equipment for removing contaminants from water; regulating accessories for water supply, namely, metered valves; water treatment apparatus for use in effluent treatment, namely, dissolved air flotation units; water treatment apparatus for use in effluent treatment and water purification, namely, sedimentation drivers, thickeners, travelling screens separators, digester covers, mixers, flocculators, trough skimmers, and rotary distributors; waste water purification apparatus, installations and tanks; waste water treatment apparatus; waste water treatment installations; water purification tanks; water purification, sedimentation and filtration apparatus for clarification, thickening and filtration of water, waste water and industrial water; sterilizers; water sterilizers; bioreactor for use in the treatment of water and wastewater; ionization apparatus for the treatment of water; microbubble generators for waste water treatment; steam generating installations; steam sterilizers for laboratory use; water treatment equipment, namely, chemical sterilization units; water treatment unit for aerating and circulating water; cooling installations for water; cooling units for industrial purposes; water cooling installations; heat exchangers; water heating installations; distillation apparatus for industrial use; water distillation units; water treatment equipment, namely, ultraviolet (uv) radiation reactors for oxidizing organic compounds in water; waste water treatment tanks; water treatment apparatus for use in water recycling and reuse; water recycling, reuse, and reclaim systems for industrial wastewater and effluent water; water treatment apparatus for use in water purification, namely, apparatus for removal of heavy metals, trihalomethanes, fluoride, pfas, and trace contaminants from water.

Class 20:

Plastic storage tanks; plastic water pumps; plastic heat exchangers; metal-free water purification equipment made of plastic.

Class 21:

Glass beads for use as filtration media in water treatment systems.

Class 37:

Installation, maintenance and repair of water treatment equipment, water purification apparatus, ph adjustment units, water filtration units, reverse osmosis units, and water distillation units; providing technical support, namely, technical advice concerning the installation, repair and maintenance of electric or electronic apparatus, equipment and devices used for automated or partly automated industrial operations.

Class 6:

Aluminium; anti-friction metal; balustrades of metal; white metal; armoured doors of metal; armour-plating of metal; beams of metal; ironmongery*; windows of metal; shutters of metal; tanks of metal; refractory construction materials of metal; gates of metal; germanium; latticework of metal; roof coverings of metal; doors of metal*; aluminium wire; wire of common metal; wire of common metal alloys, except fuse wire; жалюзи of metal; iron, unwrought or semi-wrought; framework of metal for building; buildings of metal; buildings, transportable, of metal; door frames of metal; brackets of metal for building; sheets and plates of metal; steel sheets; reinforcing materials of metal for building; building materials of metal; linings of metal for building; wall linings of metal for building; cladding of metal for building; wall claddings of metal for building; building materials of metal; common metals, unwrought or semi-wrought; metals in powder form*; fences of metal; building panels of metal; door panels of metal; lintels of metal; transport pallets of metal; handling pallets of metal; floors of metal; props of metal; mouldings of metal for building; platforms, prefabricated, of metal; slabs of metal for building; roofing of metal; roofing of metal, incorporating photovoltaic cells; frames of metal for building; window frames of metal; rails of metal; gratings of metal; scaffolding of metal; door handles of metal; safes [metal or non-metal]; wire cloth; laths of metal; rockfall prevention nets of metal; buckles of common metal [hardware]; alloys of common metal; steel, unwrought or semi-wrought; posts of metal; water-pipes of metal; gutter pipes of metal; chimney shafts of metal; ducts of metal for ventilating and air-conditioning installations; ducts of metal, for central heating installations; drain pipes of metal; pipes of metal; penstock pipes of metal; casings of metal for oilwells; steel pipes; fittings of metal for compressed air lines; fittings of metal for building; fittings of metal for windows; door fittings of metal; nails of metal; vats of metal; chests of metal; metal roofing panels with a heat-insulating layer; metal structures for solar panels, including: support systems and fasteners for them; modular structures for assembling buildings, metal; metal building panels with insulation for external or internal cladding; metal mounting frames for mounting screens, boards, signs; modular structures for warehouses and logistics hubs, metal; metal formwork for monolithic construction with adjustable elements; metal facade cassette fastening systems; structural elements of metal containers (for storage, transportation); metal forming structures for concreting bridges.

Class 19:

Balustrades, not of metal; bituminous coatings for roofing; beams, not of metal; prefabricated houses [ready-to-assemble], not of metal; windows, not of metal; shutters, not of metal; refractory construction materials, not of metal; gates, not of metal; geotextiles; latticework, not of metal; roof coverings, not of metal; armoured doors, not of metal; accordion doors, not of metal; doors, not of metal*; wood, semi-worked; concrete building elements; жалюзи, not of metal; outdoor blinds,

**List of cases accepted for opposition purposes as shown in Journal 2026/030 published on
24 July 2026 .**

not of metal and not of textile; framework, not of metal, for building; paperboard for building; pillars, not of metal, for building; buildings, not of metal; buildings, transportable, not of metal; door frames, not of metal; building timber; manufactured timber; reinforcing materials, not of metal, for building; bituminous products for building; building materials, not of metal; linings, not of metal, for building; wall linings, not of metal, for building; cladding, not of metal, for building; wall claddings, not of metal, for building; building materials, not of metal; wainscoting, not of metal; fences, not of metal; building panels, not of metal; door panels, not of metal; wood panelling; building paper; floors, not of metal; props, not of metal; mouldings, not of metal, for building; planks of wood for building; platforms, prefabricated, not of metal; slabs, not of metal, for building; tiles, not of metal, for building; wall tiles, not of metal; floor tiles, not of metal; coatings [building materials]; roofing, not of metal; roofing, not of metal, incorporating photovoltaic cells; window frames, not of metal; door frames, not of metal; mounting frames, not of metal, for solar panels; scaffolding, not of metal; mortar for building; water-pipes, not of metal; gutter pipes, not of metal; chimney shafts, not of metal; ducts, not of metal, for ventilating and air-conditioning installations; drain pipes, not of metal; rigid pipes, not of metal, for building; sandstone pipes; penstock pipes, not of metal; non-metallic building sandwich panels for exterior or interior cladding; fiberglass pipes and profiles for building structures; cement-based composites (building materials) with heat and sound insulation properties; fiber cement boards and panels; ceramic building panels for exterior cladding; decorative 3D panels for interior wall cladding, non-metallic construction; non-metallic roofing based on polymer-bitumen membranes.

Class 35:

Administrative processing of purchase orders; negotiation of business contracts for others; demonstration of goods; organization of exhibitions for commercial or advertising purposes; outsourcing services [business assistance]; procurement services for others [purchasing goods and services for other businesses]; import-export agency services; commercial intermediation services; wholesale services, including online, for base metals and their alloys, ores, metal materials for buildings and structures, movable metal building structures, cables and wires of common non-electrical metals, small metal products, metal containers for storage or transportation, safes, non-metallic building and structural materials, rigid non-metallic construction pipes, non-metallic movable building structures; presentation of goods on communication media, for retail purposes; online advertising on a computer network; distribution of samples; sales promotion for others.

Class 36:

Administration of financial affairs; investment of funds; trusteeship; providing financial information; capital investment; financial consultancy; pawnbrokerage; loans [financing]; instalment loans; bail-bonding; business brokerage; mutual funds; warranty claims administration services; surety services; financing services; hire-purchase financing; factoring; financial management; financial sponsorship; financial research; infrastructure financing services; real estate investment project management services; financial services for the purchase and sale of metals and metal structures; financial services for leasing production equipment; financial administration

of venture funds; arranging financing for manufacturing enterprises; financing innovative technologies in metallurgy; financial risk management services in the commercial real estate sector; financial services for assessing the value of industrial real estate; financial planning of construction projects.

Class 37:

Roofing services; assembly of prefabricated houses; hardscaping services; interference suppression in electrical apparatus; installation of energy-saving facade systems; installation of modular building structures; ventilation system maintenance services; repair and maintenance of industrial furnaces; installation and maintenance services for solar energy equipment; construction of outdoor lighting systems; installation of "smart home" systems; construction of modular offices and temporary structures; engineering installation services for metal structures; installation of lightning protection systems.

Class 40:

Production of renewable green energy; production of energy; metal casting; abrasion; waste treatment [transformation]; metal treating; upcycling [waste recycling]; metal plating; rental of industrial robots for use in manufacturing; metal tempering; metal processing, namely: anodizing of metals, bending of metals, laser cutting of metals, stamping of metals, forming of metals under pressure, rolling of metals, plasma cutting of metal sheets, pressing of metal products, mechanical processing of metal parts, powder coating of metal products, processing of aluminum, cutting of metal profiles, waterjet cutting of metals, thermal coating of metals.

The mark contains the colours blue (Pantone 2146C).

Class 7:

Carburetor feeders; alternators; grease rings [parts of machines]; heating plugs for diesel engines; carburetors; cases for machines, motors and engines and group motors and engines; cylinders for motors and engines and group motors and engines; exhaust manifolds for engines; air condensers; steam condensers [parts of machines]; bearings for transmission shafts; anti-pollution devices for motors and engines; control mechanisms for machines and engines; electric door openers; fuel economizers for motors and engines; ejectors; filters [parts of machines, motors, engines and powerplants]; filters for cleaning cooling air for power units; current generators; electricity generators; shaft couplings [machines]; joints [parts of powerplants]; injectors for powerplants; powerplants for air cushion vehicles; hydraulic motors and engines; starters for motors and engines; pistons for cylinders; pistons for powerplants; pulleys [parts of machines]; cooling radiators for motors and engines; pressure regulators [parts of machines]; speed governors for machines, engines and motors; pressure reducers [parts of machines]; water heaters [parts of machines]; heat exchangers [parts of machines]; grease boxes [parts of machines]; excavators; mufflers for motors and engines; cylinder heads for powerplants; hydraulic turbines; turbocompressors; fans for motors and engines.

***List of cases accepted for opposition purposes as shown in Journal 2026/030 published on
24 July 2026 .***

Class 9:

Holders for telephone handsets installed in motor cars; electronic global positioning systems (GPS); electronic apparatus and instruments for navigation, location and tracking; data communication and telephone terminals, in particular for access to global telecommunication networks (the Internet) or private networks (Intranet); computer hardware connection equipment (modems); connectors to a computer or telephone network; apparatus and instruments for testing and controlling software, contact and contactless chip cards, terminals, readers, electronic tags for merchandise or any other object fitted with an electronic chip, computer apparatus, telecommunication apparatus, apparatus for data processing, telecommunication networks and computer systems; software (computer programs); interfaces (software), all these goods relating to mobility (transport) services; software for remote payment of highway tolls, rental of parking spaces and all services related to transport from cell phones, digital tablets and computers.

Class 11:

Lighting apparatus for vehicles; bulbs for direction indicators for vehicles; warning lights for motor vehicles, namely flashing lights; taillights for vehicles, position lights and reversing lights for land vehicles; lights for automobiles; vehicle headlights; vehicle reflectors and beam reflectors for vehicles.

Class 12:

Vehicles, automobiles excluding handling, construction and agricultural vehicles, their components, namely suspension shock absorbers for vehicles; shock absorbers (springs) for vehicles; engines for land vehicles; gearboxes for land vehicles intended solely for road and off-road motor vehicles and trucks; vehicle chassis; bodies for vehicles; transmission shafts for land vehicles; hydraulic circuits for vehicles; torque converters for land vehicles; clutches; axles; vehicle brakes; steering wheels intended solely for road and off-road motor vehicles and trucks; vehicle seats; headrests for vehicle seats; security devices for vehicles such as safety belts and air bags; rearview mirrors; windshield wipers; torsion bars intended solely for road and off-road motor vehicles and trucks; bumpers to be used only for motor vehicles and on-road and off-road trucks; spoilers; windshields; sunroofs; windows for vehicles; caps for petrol tanks; luggage racks for vehicles; armrests for automobile seats; shaft couplings for land vehicles; remote alarms for land vehicles; anti-intrusion alarms for vehicles; anti-theft alarms for vehicles; shock absorbers for vehicle suspension devices; Cardan shafts for vehicles; reversing sound alarms for vehicles; mud flaps for vehicles; glove boxes for automobiles; brake cables for vehicles; hoods for vehicles; casings as parts of gearboxes for land vehicles; ashtrays for vehicles; gearbox casings for land vehicles; steering columns for vehicles; transmission belts for the driving of land vehicles; safety, security and anti-theft devices and equipment for vehicles; clutch disks for land vehicles; brake pads for vehicle braking systems; automobile roof racks; interior fittings of automobiles; power trains, including motors for land vehicles; adjustable covers for vehicle steering wheels; adjustable protective covers for vehicle seats; horns for motor cars; gear levers; power transmission parts [belts] for land vehicles; brake pads for land vehicles; doors for vehicles; headlamp covers; child safety seats for motor cars; vehicle dashboards; trays for vehicle seats; car

roofs; convertible tops for motor cars; tire valves; hybrid cars; driverless cars [autonomous cars].

Class 35:

Advertising; commercial business management; commercial administration, office functions; sales promotion for the benefit of others; retail services in relation to vehicles and used vehicles; retail services in relation to parts and accessories for motor vehicles; presentation of vehicles and second-hand vehicles, their parts and accessories on all communication media for retail purposes; organization of exhibitions for commercial or advertising purposes.

Class 36:

Insurance services; financial affairs; financing services; real estate affairs; loans (financing); credit and hire-purchase services.

Class 37:

Maintenance, servicing and repair of motor vehicles; vehicle breakdown assistance (repair); information and consulting services relating to maintenance, servicing and repair of motor vehicles.

Class 39:

Escorting of travelers, organization of tours and excursions, sightseeing tours, transport of travelers; rental, reservation and provision of vehicles and vehicle accessories, rental of parking spaces and parking areas for vehicles, rental of vehicle parking lots, rental of vehicle garages, car sharing services, taxi transport service, driver service, carpooling services; passenger transport service; information regarding public transport; packaging and storage of merchandise; information relating to transport and storage; ferry operations; ships refloating; storage and safekeeping of clothing; delivery of newspapers; reservation of seats for transport and travel; collection of recyclable goods.

Class 21:

Cleaning articles; small specialist brushes for cleaning; cloths for cleaning; microfiber cloths for cleaning; cleaning sponges; cleaning pads; applicator pads for applying cleaning preparations; all of the aforesaid goods for use in connection with electronic apparatus, consumer electronics, audio-visual equipment, photographic equipment, filming equipment, vinyl records, phonograph records, optical apparatus, eyewear, sporting goods, bicycles, vehicles, motorcycles, marine equipment and aviation equipment; cleaning cloths for screens, displays and optical lenses; cleaning cloths for vinyl records and phonograph records.

Class 35:

Business consultancy relating to the development, manufacture, marketing and sale of cleaning products and cleaning equipment; business advisory services relating to private label products; business consultancy for businesses in the cleaning and hygiene sector; business consultancy relating to product development, product branding and commercialisation; business advisory services relating to the sourcing and procurement of cleaning products; arranging the manufacture of products for others, including cleaning products; arranging the manufacture of cleaning products for others; procurement of cleaning products for others; assistance in the establishment and operation of businesses in the cleaning products sector; Retail and wholesale services, including online retail and mail order retail services, connected with the sale of Cleaning agents and cleaning preparations, preparations for cleaning and polishing, all-purpose cleaning preparations, stain removing preparations, cleaning sprays, fluids and foams, dust removing preparations, compressed gas dusters and canned pressurised air for dusting and cleaning purposes, Cleaning preparations for electronic apparatus, electronic equipment and consumer electronics, cleaning preparations for screens, displays and touchscreens, Cleaning preparations for personal computers, laptops, tablets, mobile phones and smart watches, cleaning preparations for gaming consoles and gaming equipment, cleaning preparations for keyboards and electronic peripherals, cleaning preparations for infotainment systems, information terminals and navigation screens, cleaning preparations for televisions and Smart TVs, Cleaning preparations for optical apparatus and optical lenses, lens cleaning preparations, cleaning preparations for cameras and camera lenses, cleaning preparations for binoculars and rifle optics, cleaning preparations for eyeglasses, sunglasses, smart glasses, virtual display glasses and virtual display goggles, cleaning preparations for head-mounted displays (HMDs), Cleaning preparations for goggles, protective eyewear, helmets and visors, cleaning preparations for motorsport helmets and visors, Cleaning preparations for audio-visual equipment and media, cleaning preparations for vinyl records and phonograph records, antistatic cleaning preparations for vinyl records and audio media, Cleaning preparations for sports equipment, cleaning preparations for golf clubs and golf bags, cleaning preparations for bicycles, Automotive cleaning preparations, cleaning preparations for vehicle interiors and exteriors, cleaning preparations for

vehicle glass, tyres and wheels, cleaning preparations for motorcycles, cleaning preparations for marine equipment and marine navigation screens, Cleaning preparations for use in aviation cockpits, cleaning preparations for head-up displays (HUD) and head-up guidance systems (HGS), Pre-moistened cleaning wipes, wipes impregnated with cleaning preparations for electronic apparatus, screens, optical lenses and eyewear, cloths impregnated with cleaning preparations for cleaning optical lenses, Anti-fog preparations for glasses, goggles and visors, anti-smudge preparations for screens and optical surfaces, antistatic preparations for household purposes and for cleaning electronic and audio-visual equipment, Cleaning kits comprising cleaning preparations for electronic apparatus and optical equipment, Biotechnological cleaning solutions for breaking down organic matter and removing stains, Air horns for signalling purposes, compressed and liquified gas filled air horns, horns for signalling, manually operable signal horns, alarm horns, sound signalling apparatus, audible warning devices, emergency signalling devices, marine signalling apparatus, cleaning cloths for screens, displays and optical lenses, cleaning cloths for vinyl records and phonograph records; retail and wholesale services, including online retail and mail order retail services, connected with the sale of cleaning articles, small specialist brushes for cleaning, cloths for cleaning, microfiber cloths for cleaning, cleaning sponges, cleaning pads, applicator pads for applying cleaning preparations, all of the aforesaid goods for use in connection with electronic apparatus, consumer electronics, audio-visual equipment, photographic equipment, filming equipment, vinyl records, phonograph records, optical apparatus, eyewear, sporting goods, bicycles, vehicles, motorcycles, marine equipment and aviation equipment.

UK00004371268 (2026/021, 22 May 2026)
Specifications have been restricted as follows:

Class 25:
Clothing; Headgear; Footwear; Sports footwear and performance based footwear; Insoles for footwear; Athletic footwear; Sneakers; Sportswear; Athletic clothing; none of the aforesaid being articles of fancy dress, novelty clothing, or full body suits, namely full body costumes, which are made from a spandex-Lycra blend and typically cover the whole body, including hands, feet, and face.

UK00004360748 (2026/016, 17 April 2026)
Specifications have been restricted as follows:

Class 35:
Retail services in relation to jewellery, costume jewellery and fashion accessories; online retail services in relation to jewellery, costume jewellery and fashion accessories; mail order retail services in relation to jewellery, costume jewellery and fashion accessories; retail services provided via online marketplaces in relation to jewellery, costume jewellery and fashion accessories.

UK00004388429 (2026/023, 05 June 2026)
Specifications have been restricted as follows:

Class 38:
Providing online forums and communication portals; providing access to information, websites and databases relating to consumer savings.

UK00004378641 (2026/021, 22 May 2026)

Specifications have been restricted as follows:

Class 3:
Air fresheners; car air fresheners; odour removing preparations; fabric deodorizing preparations; odour removing preparations for pet use; preparations for freshening footwear; preparations for neutralizing pet odours; odour removing preparations for waste bins; odour removing preparations for toilets; odour removing preparations for nappy.

Class 35:
Retail services in relation to air fragrancing preparations; retail services in relation to cleaning preparations; retail services in relation to odor removing preparations; retail services in relation to pet deodorizing preparations; wholesale services in relation to deodorizing preparations; online retail store services featuring household and pet deodorizing products.

UK00004401561 (2026/029, 17 July 2026)
Specifications have been restricted as follows:

Class 9:
Musical sound recordings; audiovisual recordings; downloadable digital music, audio, video and multimedia files; downloadable and recorded media; electronic publications; downloadable electronic publications; downloadable image files; downloadable photographic images; downloadable digital artwork; pre-recorded discs, records, tapes, CDs and DVDs; downloadable virtual goods, namely digital music, digital artwork, digital images, digital videos, digital avatars and digital multimedia files authenticated by non-fungible tokens or other digital identifiers; downloadable computer software and applications for creating, generating, editing, manipulating, recording, mixing, mastering or streaming music, audio, video and multimedia content; downloadable software for use with virtual reality, augmented reality, extended reality and mixed-reality environments; downloadable software for interaction with artificial intelligence systems for music or audiovisual creation, performance or distribution; downloadable digital content for use in virtual worlds, metaverse environments or holographic displays; 3D glasses; protective eyewear.

UK00004401551 (2026/029, 17 July 2026)
Specifications have been restricted as follows:

Class 9:
Musical sound recordings; audiovisual recordings; downloadable digital music, audio, video and multimedia files; downloadable and recorded media; electronic publications; downloadable electronic publications; downloadable image files; downloadable photographic images; downloadable digital artwork; pre-recorded discs, records, tapes, CDs and DVDs; downloadable virtual goods, namely digital music, digital artwork, digital images, digital videos, digital avatars and digital multimedia files authenticated by non-fungible tokens or other digital identifiers; downloadable computer software and applications for creating, generating, editing, manipulating, recording, mixing, mastering or streaming music, audio, video and multimedia content; downloadable software for use with virtual reality, augmented reality, extended reality and mixed-reality environments; downloadable software for interaction with artificial intelligence systems for music or audiovisual creation, performance or distribution; downloadable digital content for use in virtual worlds, metaverse environments or holographic displays; 3D glasses; protective eyewear.

UK00004357956 (2026/017, 24 April 2026)

Specifications have been restricted as follows:

Class 1:

Chemicals for use in industry, science, as well as in agriculture, horticulture and forestry; biological preparations for use in industry and science; reagents for chemical analysis; yield promoters for crops; substances for use in crop analysis; Chemical preparations for use in DNA analysis [other than medical]; biochemical reagents comprising a dual-labelled probe for use in scientific research and other non-clinical applications; chemical dyes used in scientific research; oligonucleotides for use in scientific, diagnostic and pharmaceutical research and other non-clinical applications; chemical preparations for analytic use in laboratories, not for medical or veterinary use; Biological preparations for use in science; chemical preparations for use in nucleic acid (including DNA, RNA and locked nucleic acid (LNA)) synthesis and analysis [other than for medical use]; diagnostic assay preparations for scientific, industrial and research purposes; Reference standards [chemicals] for use in science; none of the goods listed above including probiotics; unprocessed artificial resins; unprocessed plastics; chemicals for use in photography.

Class 5:

Pharmaceuticals, veterinary preparations; sanitary preparations for medical purposes; dietetic food and substances adapted for veterinary use; dietary supplements for animals; plasters, materials for dressings; disinfectants; preparations for use in analytical and biochemical science, DNA testing, forensic analysis and food analysis; clinical diagnostic reagents; substances for use in medical assays; diagnostic preparations for medical use; biochemical reagents comprising a dual-labelled probe for use in human or veterinary medical or clinical diagnostic applications; chemical dyes used for medical diagnostic applications; reference standards; chemical preparations for use in nucleic acid (including DNA, RNA and LNA) synthesis and analysis [for medical use]; nucleic acid sequences for medical, pharmaceutical, and veterinary purposes.

UK00004348695 (2026/021, 22 May 2026)

Specifications have been restricted as follows:

UK00004396338 (2026/026, 26 June 2026)

Specifications have been restricted as follows:

Class 9:

Software; Computer software; Enterprise software; Computer software platforms; Platform software; none of the aforesaid relating to near-field communication (NFC) hardware, customer recognition, identification and intelligence products and services, customer data processing, profiling and analytics, digital wallet passes, or related software, SaaS and PaaS services, all being for use by retail, ecommerce and other commercial businesses; Computer games; Interactive computer game programs; Computer software for entertainment; Interactive entertainment software.

Class 42:

Computer software development; Software engineering; Software development; none of the aforesaid relating to near-field communication (NFC) hardware, customer recognition, identification and intelligence products and services, customer data processing, profiling and analytics, digital wallet passes,

or related software, SaaS and PaaS services, all being for use by retail, ecommerce and other commercial businesses; Development of video and computer games; Design of computer game software; Development of computer game software.

UK00004357155 (2026/028, 10 July 2026)

Specifications have been restricted as follows:

Class 36:

Financial affairs; monetary affairs; real estate affairs; financial services; investment services; private equity investment services; administration of funds and investments; arranging of investments; brokerage services for capital investments; capital fund investment; capital investment; equity capital investment; financial advisory services; financial consultancy services; financial management services; wealth management services; information, advisory and consultancy services relating to the aforesaid; none of the aforesaid services being offered in relation to the provision of invoice, payroll or asset finance; none of the aforesaid services being offered in relation to the provision of credit broking for invoice, payroll or asset finance; none of the aforesaid services being offered in relation to the provision of direct consumer and business loans; none of the aforesaid services being offered in relation to the provision of trade and purchase order finance; none of the aforementioned services being offered in relation to consumer credit, credit card services, financial loan services involving credit card loans, financial transfers and transactions, or payment services.

UK00004332930 (2026/020, 15 May 2026)

Specifications have been restricted as follows:

Class 5:

Cat repellents; Insect repellents; Mosquito repellents; Anti-oxidants derived from honey; Animal repellents.

Class 21:

Plug-in diffusers for mosquito repellents; Ultrasonic pest repellents.

UK00004384763 (2026/022, 29 May 2026)

UK00004371992 (2026/018, 01 May 2026)

Specifications have been restricted as follows:

Class 35:

Business consultancy services relating to export operations; outsourcing of export department functions; sourcing of suppliers and manufacturers; procurement services for others; business administration support for export processes; preparation of commercial and export documentation; negotiation and management of supplier relationships; market research and business introductions; none of the aforementioned being provided in the pharmaceutical or healthcare fields..

Class 39:

Advisory and consultancy services relating to logistics, shipping and international freight; arranging transportation of goods; coordination of freight forwarding services; advisory services relating to export logistics; information and consultancy relating to the transport and delivery of goods; none of the aforementioned being provided in the pharmaceutical or healthcare fields..

UK00004372799 (2026/018, 01 May 2026)
Specifications have been restricted as follows:

Class 9:

Downloadable computer software for matching multiple users in exchange chains using artificial intelligence and graph-based optimisation algorithms; downloadable software for identifying and proposing multi-party barter transactions; downloadable software incorporating machine learning for optimising the matching of offers and requests across a network of users; none of the aforesaid goods relating to the dating, social introduction and social networking industries.

Class 42:

Software as a service (SaaS) featuring software for matching multiple users in exchange chains using artificial intelligence; providing temporary use of non-downloadable software for identifying optimal multi-party exchange cycles across a network of users; providing artificial intelligence and machine learning-powered software for resolving multi-party barter chains; design, development, and maintenance of computer software for multi-party exchange matching; none of the aforesaid services relating to the dating, social introduction and social networking industries.

UK00004370169 (2026/021, 22 May 2026)
Specifications have been restricted as follows:

Class 35:

Project management services, including consultancy on strategy and process management; administrative consultancy in the field of information technologies and data processing; administrative management of computer operations for others; business strategic planning relating to information technologies, implementation of master plans, the implementation of specifications, the definition of best approaches, design of project plans, the drawing up of processes and methodologies related to the implementation of computer system architectures, data networks, definition of installation, maintenance or migration of computer systems or solutions, the setting up of security rules for computer systems, computer solutions or networks; computerised file management, computerised management relating to administrative, business and technical matters; data acquisition and processing, namely management of computer files, business research, administrative and/or business services in the field of information technologies; business analysis, research and information services, including discovery and investigations, cost and price analysis for projects, analysis of business data, market research, compilation of statistics; none of the aforesaid in relation to business management consultancy, business strategy consultancy or negotiation consultancy; and none of the aforesaid in relation to career planning, career tracking, career progression, career development, career advancement, career counselling, vocational guidance, mentoring, coaching relating to career development, personal growth, professional skill development, or resume/curriculum vitae preparation.

Class 41:

Training, knowledge transfer, coaching and education in the areas of business operation, business outsourcing, business process, business administration, supply chain management, digital transformation, project management; none of the aforesaid in relation to business management consultancy, business strategy consultancy or negotiation consultancy; and

none of the aforesaid in relation to career planning, career tracking, career progression, career development, personal growth, professional skill development, or resume/curriculum vitae preparation, except where provided as or in connection with apprenticeships, apprenticeship programmes or technology skills programmes in the fields of digital transformation, information technology, software, data, systems architecture, technology implementation or related technical project delivery services.

Class 42:

Consultancy in the field of computer hardware, computer programming, maintenance of computer software, updating of computer software, computer software design, computer systems analysis and integration services; information technology testing services; software design and development services; software engineering services; data science services; advisory services for digital transformation and business process strategies, big data and analytics services; software implementation and maintenance services; software application development, consulting and testing services; development and implementation of software and enterprise architecture solutions, technology strategy and application strategy; digital transformation, risk mitigated IT transition, portfolio rationalization, automated operations, cloud enabled and IT security services; design, development and implementation of websites, e-commerce sites and digital marketing platforms; technical consultancy services; none of the aforesaid in relation to career planning, career tracking, career progression, career development, career advancement, career counselling, vocational guidance, mentoring, coaching relating to career development, personal growth, professional skill development, or resume/curriculum vitae preparation.

UK00004386660 (2026/022, 29 May 2026)
Specifications have been restricted as follows:

Class 36:

Investment advisory services and investment fund management services; financial services; monetary affairs; banking; banking services; real estate affairs; providing strategic financial advice to investment management teams; financial services, namely, financial investment, asset management services, and management of funds and investments; investment services including in the field of private equity, real estate, venture capital, credit; private equity investment management; wealth management services; financial planning services; trust services; fiduciary services; administration of trusts; estate planning services; succession planning relating to wealth and assets; securities brokerage and trading services; portfolio management services; hedge fund management; foreign exchange services; custody services for securities and assets; arranging of finance and loans; lending services; capital investment services; charitable fund management and administration; tax advisory and tax planning services; advice and consultancy relating to the aforesaid services; all of the aforesaid provided exclusively to one or more families, whether related or unrelated, and their associated private trusts, foundations, holding companies and charitable vehicles, for the management of their own private wealth, assets and personal affairs (being the activities of a single-family office or multi-family office); none of the aforesaid in relation to education, entertainment, on-demand television services, telecommunications, broadcasting, broadband, fixed line and mobile telephony services, advertising services, sponsorship

services, weather forecast and smart home services, home protection and security services.

UK00004368425 (2026/021, 22 May 2026)

Specifications have been restricted as follows:

Class 35:

Technical consultancy in the field of digital transformation including; project management services, including consultancy on strategy and process management; strategic planning relating to information technologies, implementation of master plans, the implementation of specifications, the definition of best approaches, design of project plans, the drawing up of processes and methodologies related to the implementation of system architectures, data networks, definition of installation, maintenance or migration of computer systems or solutions, the setting up of security rules for computer systems, computer solutions or networks; computerised file management, computerised management relating to technical matters; data acquisition and processing; namely management of computer files, advisory, consultancy, research, administrative and/or business services in the field of information technologies; business analysis, research and information services, including discovery and investigations, cost and price analysis for projects, analysis of business data, market research, compilation of statistics; none of the aforesaid in relation to business management consultancy, business strategy consultancy or negotiation consultancy.

Class 41:

Training, knowledge transfer, coaching and education in the areas of business operation, business outsourcing, business process, business administration, supply chain management, digital transformation, project management and personnel management; none of the aforesaid in relation to business management consultancy, business strategy consultancy or negotiation consultancy; and none of the aforesaid in relation to career planning, career tracking, career progression, career development, personal growth, professional skill development, or resume/curriculum vitae preparation, except where provided as or in connection with apprenticeships, apprenticeship programmes or technology skills programmes in the fields of digital transformation, information technology, software, data, systems architecture, technology implementation or related technical project delivery services.

Class 42:

Consultancy in the field of computer hardware, computer programming, maintenance of computer software, updating of computer software, computer software design, computer systems analysis and integration services; information technology testing services; software design and development services; software engineering services; data science services; advisory services for digital transformation and business process strategies, big data and analytics services; software implementation and maintenance services; software application development, consulting and testing services; development and implementation of software and enterprise architecture solutions, technology strategy and application strategy; digital transformation, risk mitigated IT transition, portfolio rationalisation, automated operations, cloud enabled and IT security services; design, development and implementation of websites, e-commerce sites and digital marketing platforms; technical consultancy services; none of the aforesaid in relation to career planning, career tracking, career progression,

career development, career advancement, career counselling, vocational guidance, mentoring, coaching relating to career development, personal growth, professional skill development, or resume/curriculum vitae preparation.

UK00004351409 (2026/015, 10 April 2026)

Specifications have been restricted as follows:

Class 9:

Downloadable computer software and mobile applications; downloadable artificial intelligence (AI) software for data integration, contextualisation, analysis, orchestration and automation; downloadable machine learning and large language model software; downloadable software for protocol bridging and device connectivity; downloadable software for SCADA web HMI, dashboards and reports; downloadable application programming interfaces (APIs) and software development kits (SDKs); downloadable software for time-series data storage, anomaly detection, prediction and optimisation; downloadable software for data security, access control and audit logging; edge gateway devices; computer hardware for industrial edge computing; downloadable software for MQTT and SparkplugB communications ; none of the aforesaid relating to, or for use in connection with, integrated circuits, microprocessors, microprocessor cores, macro cells or microcontrollers; and none of the aforesaid related to computer network security and cybersecurity.

Class 35:

Business data analysis; compilation and systematisation of information into computer databases; benchmarking and performance analytics for industrial operations; preparation of business reports and dashboards; business consultancy relating to operational performance and asset management; all provided using AI-enabled platforms; ; none of the aforesaid relating to, or for use in connection with, integrated circuits, microprocessors, microprocessor cores, macro cells or microcontrollers; and none of the aforesaid related to computer network security and cybersecurity.

Class 38:

Provision of access to platforms and portals on the internet; data transmission services between edge devices and cloud platforms; electronic messaging and notifications including alerts and webhook delivery; providing access to application programming interfaces (APIs) for data exchange; communication services using MQTT, WebSocket and HTTP protocols ; none of the aforesaid relating to, or for use in connection with, integrated circuits, microprocessors, microprocessor cores, macro cells or microcontrollers; and none of the aforesaid related to computer network security and cybersecurity.

Class 41:

Educational services relating to artificial intelligence (AI), machine learning, data engineering and industrial IoT; training in the use, configuration, deployment and operation of AI software, edge gateways and dashboards; provision of online courses, tutorials and workshops in AI-enabled operations, analytics, cybersecurity and SCADA/HMI; development and delivery of e-learning modules and instructional materials for operators and engineers ; none of the aforesaid relating to, or for use in connection with, integrated circuits, microprocessors, microprocessor cores, macro cells or microcontrollers; and

none of the aforesaid related to computer network security and cybersecurity.

Class 42:

Software as a service (SaaS) featuring AI software for data integration, contextualisation, analytics and automation; platform as a service (PaaS) featuring AI models, data pipelines and orchestration tools; provision of temporary use of online non-downloadable software for dashboards, client portals and regulatory reporting; hosting of machine learning models, model fine-tuning and deployment; design, development, updating and maintenance of computer software, AI systems and industrial IoT integrations; technical support for software, AI systems and cyber-physical integrations; cloud computing services; API as a service for third-party integrations including maintenance management systems, ERP systems and regulatory portals ; none of the aforesaid relating to, or for use in connection with, integrated circuits, microprocessors, microprocessor cores, macro cells or microcontrollers; and none of the aforesaid related to computer network security and cybersecurity.

Class 45:

Regulatory compliance monitoring services relating to data and industrial operations; consultancy relating to technology governance, access control and security policy auditing; monitoring services for regulatory reporting obligations; all the foregoing provided via AI-enabled software platforms ; none of the aforesaid relating to, or for use in connection with, integrated circuits, microprocessors, microprocessor cores, macro cells or microcontrollers; and none of the aforesaid related to computer network security and cybersecurity.

UK00004381778 (2026/021, 22 May 2026)

Specifications have been restricted as follows:

UK00004360531 (2026/025, 19 June 2026)

Specifications have been restricted as follows:

Class 29:

Meat, fish, poultry and game; meat extracts; preserved, frozen, dried and cooked fruits and vegetables; jellies, jams, compotes; eggs; edible oils and fats; oil coatings for meat, fish, poultry, game or vegetable products; frozen prepared meals consisting predominantly of meat, fish, poultry, game or vegetables; chilled foods consisting predominately of meat, fish, poultry, game or vegetables; chilled meals made from meat, fish, poultry, game or vegetables; cooked meals consisting principally of meat, fish, poultry, game or vegetables; frozen ready cooked meals consisting predominantly of meat, fish, poultry, game or vegetables fish cakes; frozen fish cakes; fish fillets; frozen fish fillets; fish fingers; frozen fish fingers; fish products; fish products being fresh; fish products being frozen; fish products being preserved; fish with chips; frozen cooked fish; frozen fish; scampi; frozen scampi; steaks of fish; frozen steaks of fish; shelled prawns; chicken; chicken pieces; cooked chicken; frozen chicken; deep frozen chicken; dehydrated chicken; fried chicken; frozen fried chicken; pieces of chicken for use as a filling in sandwiches; chicken nuggets; chicken kiev; frozen chicken kiev; frozen vegetables; frozen vegetables packed in single portions; frozen pre-prepared mixes of vegetables, nuts and/or pulses; soups; burgers; frozen burgers; meat products being in the form of burgers; vegetable burgers; frozen vegetable burgers; vegetarian burger patties; vegetarian sausages; vegetarian meatballs;

tofu; soya [prepared]; whey; steaks of meat; frozen steaks of meat; potato snack products in the form of fried pieces; frozen potato snack products in the form of fried pieces; frozen potato products; vegetable and potato flakes; potato and vegetable croquettes; fried potatoes; fried vegetables; prefried and frozen French fries; potato and vegetable rösti; shepherd's pie; frozen shepherd's pie; preserved, frozen, dried and cooked nuts and pulses; frozen prepared meals consisting predominately of vegetables, nuts and/or pulses; chilled prepared meals consisting predominately of vegetables, nuts and/or pulses; falafel; food products made from vegetable protein; food products made from nut protein; food products made from egg protein; food products made from soya protein; food products made from whey protein; food products made from marine protein; food products made from fungi protein; processed pulses; formed textured vegetable protein for use as a meat substitute; none of the aforesaid to be used in relation to chocolate or confectionary.

Class 30:

Coffee, tea and artificial coffee; rice; tapioca and sago; flour and preparations made from cereals; honey, treacle; yeast, baking-powder; salt; mustard; vinegar, sauces (condiments); spices; seasoned coatings for meat, fish, poultry, game or vegetable products; breadcrumb coatings for meat, fish, poultry, game or vegetable products; seeded coatings for meat, fish, poultry, game or vegetable products; sauces for frozen fish; sauces for chicken; frozen pastry stuffed with meat or vegetables; frozen pastry stuffed with vegetables, nuts, pulses and/or grains; frozen prepared rice with seasonings and vegetables; bread rolls containing burgers; chilled or frozen ready meals consisting principally of rice, pasta, bread; pies containing fish; pies containing game; pies containing meat; pies containing poultry; pies containing vegetables; pies containing vegetables, nuts, pulses and/or grains; Vegetable waffles; frozen vegetable waffles; deep frozen pasta; ready cooked meals consisting wholly or substantially wholly of pasta; frozen ready cooked meals consisting wholly or substantially wholly of pasta; frozen pre-prepared mixes of grains; frozen prepared meals consisting predominately of grains; chilled prepared meals consisting predominately of grains; none of the aforesaid to be used in relation to chocolate or confectionary.

UK00004398739 (2026/025, 19 June 2026)

UK00004383276 (2026/021, 22 May 2026)

Specifications have been restricted as follows:

UK00004363732 (2026/018, 01 May 2026)

Specifications have been restricted as follows:

UK00004369871 (2026/021, 22 May 2026)

Specifications have been restricted as follows:

Class 9:

Electrically switchable films; polymer dispersed liquid crystal (PDLC) films; smart films for controlling light transmission; electronically controllable privacy films; switchable optical films for glass; electronic control systems for smart films and smart glass; controllers, remote controls and programmable control units for switchable privacy films; power supply units, transformers and voltage regulators for smart film systems; smart control devices for regulating transparency of glass; wireless and app controlled systems for smart glazing; downloadable software and mobile applications for

controlling smart glass and smart films; sensors for light, heat and occupancy for use with smart film systems; interface modules for integration of smart film systems with building automation systems; electrical connectors and wiring for smart film installations; electronic glazing systems incorporating switchable films; all of the aforesaid goods in relation to smart window film coverings; none of the aforesaid in relation to televisions, television entertainment, on-demand television services, streaming services, telecommunications, broadcasting, broadband, fixed line and mobile telephony services, or health, fitness or exercise services.

UK00004353262 (2026/016, 17 April 2026)

Specifications have been restricted as follows:

Class 35:

Retail and wholesale services and online retail and wholesale services, all relating to toiletries, fragrances, covers and cases for computing equipment, software applications, electronic publications, covers and cases for mobile phones, audio and/or visual recordings, electronic storage media, jewellery, cases and boxes for jewellery, clocks and watches and parts and fittings therefor, watch straps, cases and boxes for watches, key rings, trinkets and fobs, key chains, key covers, cufflinks, tie pins, tie clips, badges of precious metals, ornamental pins, lapel pins, streetwear bags, luggage and carrying bags, travelling bags and cases, back packs, rucksacks, shoulder bags, satchels, bags of leather and imitation leather, garment bags, shoe bags, wash bags for carrying toiletries, wallets, credit card cases, umbrellas, luggage label holders, luggage tags, luggage straps, leather straps, drinking vessels, mugs, household textile articles, street clothing, streetwear footwear, street headgear, streetwear clothing accessories, badges, belt clasps, lanyards for wear, wall and floor coverings, games, toys and playthings and parts and fittings therefor; organisation, operation and supervision of loyalty programmes and of sales and promotional incentive schemes; advertising; marketing; promotional services; organisation of trade fairs; organisation of fashion shows for commercial or promotional purposes; presentation of goods on communication media, for retail purposes; information, advisory and consultancy services in relation to all of the aforesaid and Distribution of consumer-generated product reviews and advertisements; offering advertising consulting and agency services; providing public relations services; marketing consulting; providing business marketing information, namely, aggregating content from blogs, feeds, and/or news sources; dissemination of advertising matter; promoting the goods and services of others over the Internet through the identification and acceleration of online blogs that refer to said goods and services; providing online directory information services also featuring hyperlinks to other websites; providing searchable online advertising information featuring the goods and services of others; providing searchable, targeted online commercial information directories via the Internet; promoting the goods and services of others by means of online consumer-to-consumer communications; promoting the goods and services of others by means of grassroots word-of-mouth marketing via the Internet; direct marketing, namely, organisation of direct consumer-to-consumer promotional and advertising campaigns via global computer networks; advertising and publicity services; advertising through all public communication means; developing promotional campaigns for business; Advertising; marketing; publicity and promotional services; classified advertising services.

UK00004369507 (2026/017, 24 April 2026)

Specifications have been restricted as follows:

Class 35:

Business promotion; Promotion [advertising] of business; Business promotion services; Business marketing services; Developing promotional campaigns for business; Sales promotion services; Advertising services for the promotion of e-commerce; Advertising, marketing and promotion services; Marketing, advertising and promotion services; Business merchandising display services; Publicity and sales promotion services; Organisation of exhibitions and trade fairs for business and promotional purposes; Advertising and promotion services; Advertising, marketing and promotional services; Advertising, promotional and marketing services; Marketing, advertising, and promotional services; none of the aforesaid relating to betting, casino or gambling services.

UK00004370243 (2026/020, 15 May 2026)

Specifications have been restricted as follows:

Class 14:

Jewellery boxes for Pins; lapel pins; enamelled pins; pins being jewellery, pins [jewellery]; jewelry pins enhanced with augmented reality; collectible pins being lapel pins and jewelry; collectible pins being jewelry and lapel pins featuring augmented reality.

Class 35:

Physical and digital retail store services related to the sale of enamel pins, novelty pins, pin organizers, pin display cases, pin trading bags, pin storage bags, straps for pin bags and cases, holiday ornaments, stuffed toy animals, and pin remover tools.

UK00004371200 (2026/020, 15 May 2026)

Specifications have been restricted as follows:

Class 9:

Sensors; Electronic sensors; Sensors, detectors and monitoring instruments; Bio-sensors; Electromagnetic measuring detectors; none of the aforesaid being for use in, or specifically adapted for use in, hydronic systems, including without limitation water monitoring, water treatment, water storage, central heating systems, boilers, or sanitary systems; and none being for use in ventilation apparatus or installations with electrical fans.

UK00004373106 (2026/020, 15 May 2026)

Specifications have been restricted as follows:

Class 9:

Downloadable computer software for e-commerce analytics; downloadable computer software for Amazon seller analytics and operations; downloadable computer software for advertising campaign management; downloadable computer software for pay-per-click advertising management; downloadable computer software for e-commerce inventory management; downloadable computer software for sales reporting and forecasting; downloadable computer software for marketplace seller operations; downloadable computer software for business performance analytics; downloadable mobile applications for all of the foregoing; none of aforementioned goods in relation to data centres and/or data storage.

Class 35:

Business management services; business administration services; business data analysis; business analytics services;

advertising campaign management services; pay-per-click advertising campaign management services; providing business information via online platforms; compilation and systemisation of business data; business management of online retail marketplaces; business reporting services; market research services related to e-commerce and online marketplaces; none of the aforementioned services in relation to data centres and/or data storage.

Class 42:
