The dominant element of the mark is the word “align” (in the font variable Regular). All letters are in lower case. On the left-hand side of the word, the logo marque is made up of a single continuous line starting from the lower right-hand corner than spins in an anticlockwise direction imitating a snails shell or a reflection of the commercial “at” sign (@) as though it is its reversed reflection in the mirror. The right bottom part of the marque as it circles north again on its rotation is squared whilst the remaining parts are rounded. There is a single dot symbol in the centre of the “@” symbol and again following the word “align” as a “full stop”. The symbol is of the same height as the letter “l” in the word “align”. There is a thin vertical line separating the sign and the word by one space on either side. The phrase “address your whole health” is written in all upper case letters in the font Lato regular and is coloured either white or light grey depending on backdrop. The text starts under the letter “n” of the main logo running parallel with he word “align” and is roughly 10% of the main logo size.

Class 1:
Chemical products for industrial and scientific purposes; fire
extinguishing compositions; hydrogen; methanol alcohol;
hydrocarbons.

Class 2:
Coating compositions in the form of paint; preservatives
against rust and against deterioration of wood; anti-rust greases;
anti-rust preparations; anti-corrosive preparations; protective
preparations for metals; paints and washes; varnish; lacquers;
additives for use in coatings.

Class 4:
Petrol, petroleum products, oil, crude oil, refined oil, fuel-oil
and fuels, dry gas, natural gas condensates; producer gas
(synthesis gas), hydrogen fuels; hydrocarbon fuels; oils and
greases for industrial purposes; electrical energy; electrical
energy from renewable sources; electrical energy from solar
power; electrical energy from wind power.

Class 6:
Offshore drilling platforms made primarily of metal; articles of
metal for use in the drilling of offshore oil or gas wells, namely,
fluid storage tanks, metal pipes for transfer and component
parts related thereto; articles of metal for use in the production
of wind power plants, solar power plants and geothermal power
plants.

Class 7:
Wind powered installations for generating electricity, offshore
wind powered installations for generating electricity, wind
turbines, mill towers and mill masts, vanes for generating
electricity; installations and machines for (offshore) drilling, as
well as parts therefor not included in other classes; gasification
systems and plants, namely, exhaust gas treatment systems
for diesel engines; gas compressors; oil and gas production
equipment, namely slurry blender machines for use in oil
and gas well hydraulic fracturing operations; electric power
generators.

Class 9:
Computer software for use in the fields of energy, chemicals,
oil and gas; apparatus and equipment for exploitation of oil and
gas; seismic imaging and gravimetric monitoring apparatus
and equipment; instruments and equipment for logging and
processing of data from subsea structures and equipment and
for communicating data to external devices; computer software
and computer apparatus and equipment for wind mills, control
and surveillance apparatus for automatic in and out coupling
of generators and for automatic start after power break, over
voltage protection against lightning; micro processors for
control and voltage regulation, for control of vibrations,
phase condition and rotor speed, for control of efficiency, of
temperature, of wind direction and of wind velocity, all related
to wind mills; solar cells; solar panels; batteries; accumulators;
electric batteries; solar batteries; electric storage batteries;
charging docks; battery charging equipment; charging stations
for electrical vehicles.

Class 16:
Paper and cardboard; printed matter; bookbinding material;
photographs; stationery and office requisites, except furniture;
adhesives for stationery or household purposes; drawing
materials and materials for artists; paintbrushes; instructional
