**Audience
Review Systems**

This trademark relates to a software-based system used in live entertainment environments, specifically theatres, cruise ships, immersive events, and other audience-driven performances. The system is designed to detect, measure, and analyze emotional and engagement responses of live audiences in real-time using locally connected devices and AI-driven emotion recognition technology. The software operates via a private, local Wi-Fi network and does not require internet connectivity. It captures anonymized audience data through camera systems and translates this into feedback metrics such as attention level,

emotional reaction, and engagement spikes, without storing any personally identifiable information. The system includes an administrator interface for monitoring live performance reactions and generating post-event analytics reports. The technology is designed exclusively for ethical, non-invasive audience feedback, enhancing performance quality and creative direction. This trademark does not extend to downloadable software intended for consumer installation but is limited to non-downloadable, locally accessed software used by entertainment operators, producers, or venue owners. The system supports the analysis and reporting of live audience sentiment and satisfaction during or after performances, for the purpose of artistic review, performance improvement, and data-driven decision making in the live entertainment sector.

No claim is made to the exclusive right to use 'Audience', 'Review', or 'Systems' apart from the mark as a whole

Class 42:

Software as a service (SaaS) platform featuring artificial intelligence for analysing audience emotional responses during live entertainment performances; computer software and app for real-time emotion detection, facial expression analysis, and post-event reporting; delivered via locally hosted, non-downloadable software accessed through a private Wi-Fi network, and connected to via an app for generating emotional engagement analytics, audience satisfaction ratings, and performance feedback reports for use in theatres, cruise lines, and any entertainment or performance setting. This system will comply with data protection. Add-On Features (Future Upgrades): Body Language Recognition, Attention Tracking, Audio Reaction Detection, Sentiment-Weighted Engagement Score, Post-Show Micro Surveys, Audience-Type Modeling, Emotion Heatmaps, Performance Comparison Over Time. This system is designed to help directors, producers and performers by producing honest reviews in real time. This system is not limited to audiences for the entertainment industry and can be used in other settings such as Education & Training, Corporate Events & Conferences, Retail & In-Store Experience Testing, Film & TV Test Screenings, Mental Health & Therapy Settings, Gaming & VR Testing, or any other means where the need is to have honest feedback from consumers or customers. .

The mark consists of the wording LET FREEDOM RING WITH A SHOTGUN BLAST WHISKEY SBW MH PREMIUM DOUBLE BARREL PROOF OAKLAND and the stylized design of a shot glass and two shotguns. The words "LET FREEDOM RING WITH A" appear in stylized capital letters curving upwards toward the middle and are positioned over the word "SHOTGUN". The words "SHOTGUN BLAST" appear in larger stylized capital letters on two lines with each word curving upwards toward the center of each word. The word "WHISKEY" appears in smaller stylized capital letters centered under the word "BLAST" and curves upward toward the letter "S" in the center of the word. The stylized design of a shot glass is positioned under the word "WHISKEY". A diamond shaped design element with thin outer borders of alternating shapes is positioned in the shot glass. The diamond shaped design element is divided into four triangles of alternating shading and within each of the diamond shapes are circles, which are divided into four segments of alternating shading. Within those circles, the letter "M" is positioned directly above the letter "H", also with alternating shading. Two stylized shotguns with the barrels at the top and butts at the bottom are crossed in the shape of an "X" and positioned behind the shot glass with smoke emerging in a series of upward curves from the tip of each barrel. Two overlapping scroll designs are positioned above the shot glass. The letters "SBW" appear in capitalized block letters in an oval on the left side of the shot glass between the butt of one shotgun and the barrel of the other shotgun. The word "PREMIUM" appears in stylized capital letters under the shot glass. The words "DOUBLE BARREL PROOF" appear in capitalized block letters in a rectangle underneath the word "PREMIUM". The word "Oakland" appears in a stylized cursive font under the rectangle and words "DOUBLE BARREL PROOF". The shading, stippling, and hatching used in the mark are features of the mark.

The mark consists of the wording MH SHOTGUN BLAST WHISKEY and a stylized crest design featuring a crown, shotguns, and lions. The words "SHOTGUN BLAST WHISKEY" appear on a banner positioned across the lower portion of the crest with the words "SHOTGUN BLAST" in large, stylized capital letters appearing to have small cracks in the letters centered over the word "WHISKEY" in smaller capital block letters. A diamond shaped design element with thin outer borders of alternating shapes is positioned above the center of the banner. The diamond shaped design element is divided into four triangles of alternating shading and within each of the diamond shapes are circles, which are divided into four segments of alternating shading. Within those circles, the letter "M" is positioned directly above the letter "H", also with alternating shading. Four stylized shotgun shells are positioned under the bottom sides of the diamond. A stylized crown is positioned over the center of the diamond design. Stylized shotgun barrels are positioned pointing upward from the banner and angled outward to the left and right on either side of the crown and diamond design. Side profiles of two lions with manes, one on each side of the shotgun barrels, appear looking outward, to the left and right. Six shotgun shells are positioned underneath the banner design. An abstract design appears on the bottom of the crest design below the banner and word "WHISKEY". The shading, stippling, and hatching used in the mark are features of the mark.
