(5, 9, 32, 42)

Mark 1

Mark 2

Application for a series of 2 marks.

Class 5:

Dietary and nutritional supplements; medicated energy and protein preparations; vitamins and minerals.

Class 9:

Software relating to health and fitness clubs; software applications relating to health and fitness clubs; software relating to tracking or managing fitness training or instruction; software applications relating to tracking or managing fitness training or instruction; software related to providing fitness training instruction; software applications related to providing fitness training instruction.

Class 32:

Nutritional, energy and sports drinks.

Class 42:

Support and maintenance services for computer software; Support and maintenance services for computer software relating to health and fitness clubs, fitness training instruction, tracking or managing fitness training or instruction; providing online computer facilities for tracking or managing fitness training or instruction; providing online computer facilities for fitness training instruction; providing online computer facilities for health and fitness clubs.

Sapphi

Class 9:

List of cases accepted for opposition purposes as shown in Journal 2025/051 published on 19 December 2025 .

Software for online messaging; Software for designing online advertising on websites; Webcams; Internet messaging software; Communication, networking and social networking software; Software for embedding online advertising on websites.

Class 38:

Providing on-line chat rooms for social networking; Online messaging services; Chatroom services for social networking; Providing internet chatrooms; Electronic communication by means of chatrooms, chat lines and Internet forums; Communication by online blogs; Chat room services for social networking; Virtual chatrooms established via text messaging; Forums [chat rooms] for social networking; Chatroom services; Providing Internet chat rooms; Providing Internet chatrooms and Internet forums; Electronic exchange of messages via chat lines, chatrooms and Internet forums; Providing Internet chat lines; Web messaging; Online communications services.

Class 45:

Dating services; Internet dating services; Video dating services; Dating agency services; Computer dating services; Internet based dating, matchmaking and personal introduction services; Dating services provided through social networking.

19 December 2025 .***

and marketing services in the fields of healthcare, medical and pharmaceuticals; strategic consulting and business consulting services in the fields of healthcare, medical and pharmaceuticals; regulatory submission management, namely, assisting others in preparing and filing applications for new drugs with governmental regulatory bodies; providing consulting services in the field of regulatory submission management to medical companies to assist them with applications for medical device approval; providing and analysing business and market data to inform research and development in the pharmaceutical industry; media research and consultancy; planning buying and negotiating advertising space; search engine optimisation advice; information, advisory, and consultancy services relating to all the aforesaid services; none of the aforementioned relating to property taxation.

Class 38:

Telecommunications services; interactive website communication services; voice transmission services; electronic transmission of voice.

Class 39:

Transport, packaging, labelling, distribution and storage of pharmaceutical and veterinary substances and preparations, sanitary preparations for medical purposes, dietary supplements, vitamins and minerals, medical and veterinary apparatus, instruments, equipment and devices; logistical services; bottling services; cold storage services for the pharmaceutical and medical sector; warehouse storage services; rental, leasing and hire of warehouse space; vehicle rental and leasing services; information, advice and consultancy related to all the aforesaid services.

Class 40:

Custom manufacture of pharmaceutical and veterinary substances and preparations; information, advice and consultancy related to the aforesaid services; printing services; printing of packaging and labels.

Class 41:

Education and training; educational programmes; publishing services; conference organisations; consultancy services relating to education and training; event management services; information distribution services, namely, dissemination of educational materials of others in the field of healthcare; book publishing; arranging and conducting educational conferences, exhibitions, workshops, seminars and events; arranging and conducting educational conferences, exhibitions, workshops, seminars and events in the fields of healthcare, pharmaceuticals and healthcare; event management for the pharmaceutical, medical and healthcare sectors; consultancy services in the field of educational training relating to pharmaceuticals, medical and healthcare; social media training; video content development; none of the aforementioned relating to property taxation.

Class 42:

IT consultancy, advisory and information services; database design services; hosting and maintenance of databases; hosting of digital content; installation and maintenance of database software; design and development of computer database programs; software development, programming and implementation; IT security, protection and implementation; development, maintenance and updating of software and database systems; artificial intelligence consultancy; research in the field of artificial intelligence; platforms for artificial

intelligence as software as a service [SaaS]; software as a service [SaaS] for database management; software as a service [SaaS] services featuring artificial intelligence and machine learning software for database management; software as a service [SaaS] for the management, analysis and control of data and datasets; software as a service [SaaS] services featuring artificial intelligence and machine learning software for the management, analysis and control of data and datasets; software as a service [SaaS] for the analysis of business data and information; software as a service [SaaS] services featuring artificial intelligence and machine learning software for the analysis of business data and information; software as a service [SaaS] for the provision of chatbot services; software as a service [SaaS] for use in the healthcare, pharmaceutical and medical fields; software as a service [SaaS] services featuring artificial intelligence and machine learning software for use in the healthcare, pharmaceutical and medical fields; software as a service [SaaS] in connection with the operation, management and control of clinical trials; software as a service [SaaS] services featuring artificial intelligence and machine learning software for the operation, management and control of clinical trials; software as a service [SaaS] for the management, analysis and control of data, databases and datasets in the healthcare, pharmaceutical and medical fields; software as a service [SaaS] services featuring artificial intelligence and machine learning software for the management, analysis and control of data, databases and datasets in the healthcare, pharmaceutical and medical fields; software as a service [SaaS] for analysing data to facilitate business communications and decision-making; software as a service [SaaS] services featuring artificial intelligence and machine learning software for analysing data to facilitate business communications and decision-making; software as a service [SaaS] for forecasting and quantification purposes; computer and web programming services; software as a service [SaaS] services featuring artificial intelligence and machine learning software for forecasting and quantification purposes; computer services relating to the design and development of software applications; bespoke application development; computer services relating to content and data management; design and development of computer hardware and software; providing medical and scientific research information in the field of pharmaceuticals and clinical trials; information, advisory and consultancy services relating to all the aforesaid services.

Class 43:

Rental and hire of meeting and conference rooms; provision of conference facilities.

Class 44:

Medical services; veterinary services; analysis, namely, medical treatment; nursing services; medical compliance; medical consulting services in the fields of healthcare, medical and pharmaceuticals; providing information about diseases, clinical trials and treatment options; information, advice and consultancy related to all the aforesaid services.

Class 45:

Government relations consultancy services; political consultancy services; litigation support services; advisory services relating to regulatory affairs in the pharmaceutical industry; regulatory compliance consulting in the field of pharmaceuticals; regulatory affairs services, namely medical writing and publishing of the regulatory documentation in the medical and pharmaceutical industries; regulatory affairs services, namely services related to the preparation and submission of documentation and
