Downloadable publications in electronic form; Downloadable game software; Downloadable printing fonts; Digital music [downloadable] provided from mp3 web sites on the internet; Downloadable educational media; Electronic publications, downloadable, relating to games and gaming; Downloadable software applications; Electronic sheet music, downloadable; Downloadable video recordings; Downloadable virtual handbags; Downloadable computer programs; Computer programs, downloadable; Downloadable educational course materials; Downloadable electronic publications in the nature of magazines; Electronic downloadable publications in the field of video games; Downloadable computer software; Downloadable mobile applications; Downloadable software, namely virtual bags; Downloadable video game software; Downloadable video game programs; Downloadable computer software for use as a digital wallet; Downloadable computer graphics; Smartphone software applications, downloadable; Downloadable electronic books in the field of golf instruction; Downloadable instruction manuals in electronic form; Downloadable image files; Downloadable application software; Downloadable graphics for mobile phones; Downloadable electronic game software for wireless devices; Downloadable templates for designing audiovisual presentations; Downloadable computer game programs; Computer software downloadable from the internet; Downloadable game related software applications; Downloadable virtual clothing; Downloadable wallpapers for computers and phones; Downloadable electronic publications in the nature of magazines in the field of video games; Programs (Computer -) [downloadable software]; Computer programs [downloadable software]; Computer game software, downloadable; Computer software platforms, recorded or downloadable; Downloadable virtual headwear; Downloadable computer game software; Downloadable software, namely virtual clothing; Downloadable virtual footwear; Downloadable instant messaging software; Computer software applications, downloadable; Downloadable computer software applications; Downloadable video recordings featuring music; Downloadable graphics for mobile telephones; Downloadable virtual luggage; Downloadable digital music files authenticated by non-fungible tokens [NFTs]; Downloadable interactive entertainment software for playing video games; Downloadable software, namely virtual clothing for use in computer games; Downloadable computer software for use as an electronic wallet; Downloadable software applications for mobile phones; Downloadable ringtones for mobile phones; Downloadable software, namely virtual currency; Downloadable applications for use with mobile devices; Downloadable applications for mobile devices; Audio books; Audio cassettes; Cassettes [audio]; Audio tapes; Audio recordings; Digital audio tapes; Audio digital tapes; Audio tapes featuring music; Audio visual recordings; Audio speakers; Audio recorders; Audio discs; Prerecorded music audio tapes; Speakers [audio equipment]; Audio digital discs; Audio speakers for automobiles; Pre-recorded audio cassettes featuring music; Digital audio recorders; Prerecorded audio tapes featuring music; Audio equipment; Pre-recorded audio tapes featuring games; Prerecorded digital audio tapes; Pre-recorded audio cassettes; Tapes for bearing audio recordings; Blank digital audio tapes; Audio cables; Digital audio players; Electronic audio crossovers; Audio amplifiers; Audio equalizers; Prerecorded audio cassettes; Audio speakers for vehicles; Audio digitisers; Audio and video receivers; Pre-recorded audio tapes; Blank audio tapes; Memo books [electronic]; Audio interfaces; Audio cassette recorders; Audio recording equipment; Audio tape cassettes; Prerecorded non-musical audio tapes; Blank audio cassettes; Audio expanders; Audio speakers for home; Audio adaptors; Audio players; Digital audio tape players; Audio cassette players; Talking books; Electronic publications; Publications in electronic format; Electronic publications featuring games; Interactive electronic publications; Publications in electronic form; Downloadable information relating to games and gaming; Computer hardware for games and gaming; Computer application software featuring games and gaming; Computer software for the administration of on-line games and gaming; Games software for use with video game consoles; Computer games; Downloadable interactive entertainment software for playing computer games; Computer programs for playing games; Computer programmes for playing games; Interactive multimedia software for playing games; Audiovisual headsets for playing video games; Computer game software for use with on-line interactive games; Headsets for playing video games; Computer games entertainment software; Games software; Gaming software; Educational software featuring instructions for playing games; Interactive entertainment computer software for video games; Games cartridges for use with electronic games apparatus; Downloadable software in the nature of a mobile application for playing games; Video games software; Gaming software that generates or displays wager outcomes of gaming machines; Joysticks for use with computers, other than for video games; Video games [computer games] in the form of computer programs recorded on data carriers; Game programs for arcade video game machines; Interactive casino games provided through a computer or mobile platform; Computer games programs; Computer games software; Downloadable emoticons for mobile phones; Downloadable software in the nature of a mobile application; Downloadable mobile applications for the transmission of information; Downloadable mobile applications for booking taxis; Downloadable emoticons for mobile telephones; Downloadable mobile applications for the management of information; Downloadable mobile applications

for the management of data; Downloadable mobile applications for use with wearable computer devices; Downloadable mobile applications for the transmission of data; Electronic game software for mobile phones; Mobile apps; Mobile software; Downloadable ring tones for mobile phones; Downloadable application software for smart phones; Application software for mobile phones; Software for mobile phones; Downloadable smart phone applications (software); Downloadable smart phone application software; Application software for mobile devices; Downloadable graphics for cell phones; Mobile application software; Downloadable software in the nature of a mobile application for food delivery and ordering; Downloadable ring tones for mobile telephones; Software applications for use with mobile devices; Software applications for mobile devices; Software and applications for mobile devices; Mobile phones; Computer application software for mobile phones; Educational mobile applications; Downloadable emoticons for cell phones; Downloadable software in the nature of a mobile application for dark kitchen delivery and ordering; Computer software for mobile phones; Computer game software for use on mobile and cellular phones; Display modules for mobile phones; Mobile app's; Downloadable application software for virtual environments; Digital music downloadable provided from a computer database or the internet; Computer game software for use on mobile devices; Displays for mobile phones; Mobile phone covers; Braille mobile phones; Computer application software for mobile telephones; Computer software for mobile applications that enable interaction and interface between vehicles and mobile devices; Devices for hands-free use of mobile phones; Software for mobile device management; Downloadable computer game software via a global computer network and wireless devices; Carriers adapted for mobile phones; Mobile device management software; Software as a medical device [SaMD], downloadable; Application software for wireless devices; Software applications; Computer application software for use with wearable computer devices; Application software for smart phones; Computer software applications; Software for smartphones; Augmented reality software for use in mobile devices; Telemetry devices for engine applications; Electronic game software for wireless devices; Application software for televisions; Computer programs and software for image processing used for mobile phones; Computer software for use on handheld mobile digital electronic devices and other consumer electronics; Middleware for management of software functions on electronic devices; Software related to handheld digital electronic devices; Batteries for use with mobile telecommunication devices; Handheld computing devices; Multimedia devices; Application software; Earphones for use with mobile telecommunication devices; Mobile computers; Smartphone software; Wireless portable printers for use with laptops and mobile devices; Computer application software; Electronic game software for handheld electronic devices; Computer software for cellular phones; Telecommunications devices; Computer hardware modules for use in Internet of Things electronic devices; Application software for cloud computing services; Networking devices; Web application software; Computer software platforms; Computer hardware modules for use in electronic devices using the Internet of Things [IoT]; Computer software to enhance the audio-visual capabilities of multimedia applications; Augmented reality software for use in mobile devices for integrating electronic data with real world environments; Computer software to enable the transmission of photographs to mobile telephones; Remote controls for mobile electronic devices; Electronic device software drivers that allow computer hardware and electronic devices to communicate with each other; Application suites [software]; Electric mobile digital communication devices; Software for tablet computers; Software for network and device security; Fast chargers for mobile devices; Handheld communication devices; Application software for robot; Mobile telecommunications handsets; Peripherals adapted for use with computers and other smart devices; Educational tablet applications; Digital telephone platforms and software; Computer software for controlling the operation of audio and video devices; Computer telephony software; Computer application software for TV; Application server software; Application software for smart TV; Business application software; Computer software for communicating with users of hand-held computers; Electronic imaging devices; Web application and server software; Educational computer applications; Software for computers; Computer software for application and database integration; Enterprise application software [EAS]; Personal computer application software for document control systems; Application development software; Collaboration software platforms [software]; Downloadable computer software for blockchain technology; Mobile data apparatus; Computer software platforms for social networking; Input devices for computers; Simulation software for use in digital computers; Computer application software for use in implementing the Internet of Things [IoT]; Video devices; Electronic magazines; Databases (electronic); Training guides in electronic format; Electronic game programs; Electronic game software; Programs for handheld electronic game apparatus; Weekly publications downloaded in electronic form from the internet; Interactive game software; Interactive multimedia computer games programmes; Magnetic badges; Bar code scanners; Coded identification cards; Holograms for genuine product certification; Gesture recognition software; Speech recognition software; Character recognition software; Image recognition software; Facial recognition software; Speech recognition apparatus; Character recognition apparatus; Software for optical character recognition; Voice recognition software; Intelligent Character Recognition [ICR] software; Optical Mark Recognition [OMR] software; Optical character recognition apparatus; Facial recognition apparatus; Optical Character Recognition [OCR] software; Optical character recognition apparatus [OCR]; Traffic sign recognition systems; Downloadable sound recordings; Downloadable music sound recordings; Videocasts; Downloadable animated cartoons; Downloadable musical sound recordings; Prerecorded music videos; Pre-recorded videos; Pre-recorded video tapes featuring games; Pre-recorded CDs featuring music; Training manuals in electronic format; Instruction manuals in electronic format; Electronic publications in the field of interactive technology; Electronic publications recorded on computer media; Electronic databases; Computer software for converting document images into electronic formats; Electronic dictionaries; Computer documentation in electronic form; Electronic digital signboards; Computer software in the field of electronic publishing; Printed electronic circuits; Electronic paper (display devices); Electronic paper being display devices; Electronic digitisers; Hand-held electronic dictionaries; Electronic diaries; Diaries (Electronic -); Electronic databases recorded on computer media; Electronic communications instruments; Electronic calculators; Electronic agendas; Agendas (Electronic -); Electronic notepads; Electronic notebooks; Directories [electric or electronic]; Electronic control circuits for electronic musical instruments; Electronic spell-checkers; Electronic communications apparatus;

Electronic pagers; Electronic signboards; Electronic scanners; Electronic semi-conductors; Electronic circuits; Electronic telecommunications instruments; Downloadable road maps; Downloadable printable planners and organizers; Downloadable graphic design templates; Downloadable comic strips; Data sets, recorded or downloadable; Downloadable computer software for the transmission of information; Downloadable computer utility software; Electronic book readers; Electronic book reader covers; Pocket-sized electronic calculators; Electronic copy boards; Computer digital maps; Digital book readers; Computer application software for streaming audio-visual media content via the internet; Computer games programmes downloaded via the internet [software]; Computer games programmes downloaded via the internet; Computer games programs downloaded via the internet [software]; Digital audio servers; Digital video discs [DVDs]; Digital video discs; Digital media streaming devices; Digital phones; Digital video servers; Wearable digital electronic devices capable of providing access to the Internet; Computer software for organizing and viewing digital images and photographs; Computer software downloaded from the internet; Digital recordings; Downloadable computer software for the management of information; Downloadable computer software for the management of data; Downloadable computer security software; Software; Interactive software; Downloadable cloud computing software; Interactive video software; Downloadable computer software for the transmission of data; Downloadable computer software applications for minting non-fungible tokens [NFTs]; Downloadable computer software for remote monitoring and analysis; Software testing software; Downloadable computer software for use as an application programming interface (API); Interactive database software; Computer software packages; Downloadable computer software for designing and modelling of three dimensional printable products; Interactive computer software; Multimedia software; Software programs for video games; Integrated software packages; Graphics software; Simulation software; Computer software downloadable from global computer information networks; Video games programs [computer software]; Application simulation software; Computer screen saver software, recorded or downloadable; Packaged software; Educational software; Downloadable computer utility programs; Downloadable software applications for use with three dimensional printers; Computer software downloadable from global computer networks; Embedded software; Presentation software; Computer game software downloadable from a global computer network; Music software; Computer software development tools; Pre-recorded software; Game software; E-mail software; Extranet software; Video game software; Website development software; Interactive business software; Computer games programs [software]; Interface software; Web development software; Email software; Computer software programs for spreadsheet management; Computer video game software; Training software; Software for online messaging; Music-composition software; Video editing software; Computer game software; Recorded computer game software; Computer game software, recorded; Computer software; Computer gaming software; Computer graphics software; Computer game programs; Programs (Computer game -); Games software for use with computers; Computer games programmes [software]; Computer programming software; Computer software for computer aided software engineering; Video game computer programs; Video and computer game programs; Computer programs for video and computer games; Video games on disc [computer software]; Computer software for entertainment; Computer interface software; Computer antivirus software; Educational computer software; Computer software programs; Computer game discs; Computer game programmes; Computer whiteboard software; Computer operating software; Computer e-commerce software; Interactive computer game programs; Computer software for the monitoring of computer systems; Computer software for advertising; Software for arcade video game machines; Computer software for education; Game development software; Computer game cartridges; Computer game cassettes; Computer firewall software; 3D computer graphics software; Recorded computer game programs; Computer software for encryption; Recorded computer software; Computer software, recorded; Software (Computer -), recorded; Computer software [programmes]; Computer hardware for use in computer-assisted software engineering; Education software; Computer software for business purposes; Computer software for accessing computer networks; Computer software programs for database management; Interactive entertainment software for use with computers; Computer software concerned with children's education; Interactive entertainment software for use with personal computers; Computer programs; Computer operating system software; Computer software for testing vulnerability in computers and computer networks; Programs for computers; Monitors [computer programs]; Computer operating programs; Computer programs for printing; Computer utility programs for computer maintenance; Recorded computer programs; Computer programs, recorded; Computer programmes; Computer programmes [programs], recorded; Computer programs for pre-recorded games; Computer utility programs [program performs computer maintenance work]; Computer programs for connecting remotely to computers or computer networks; Computer programs for network management; Internet bots being computer programs; Interactive multimedia computer programs; Computer programs for searching remotely for content on computers and computer networks; Computer operating programs, recorded; Programs (Computer operating -) recorded; Recorded computer operating programs; Computer programs for project management; Computer operating programmes; Computer programs for document management; Storage apparatus for computer programs; Computer programs to operate vehicles; Computer programs for searching the contents of computers and computer networks by remote control; Computer programs for processing digital music files; Computer utility programs for file management; Computer programmes for use in telecommunications; Interactive multimedia computer game programs; Computer systems; Utility programs for performing computer system diagnostics; Computer games programs recorded on tapes [software]; Computer operating system programmes; Computer utility programs for data compression; Machine readable computer programs for use in the reproduction of music; Computer programs used for electronic cash register systems; Programming units (Computer -); Printer programs; Computer programs for accessing and using the internet; Software reliability software; Downloadable software for remotely accessing and controlling a computer; Antispyware software; Antivirus software; Plugin software; Intranet software; Server-side software; Computer software for processing digital music files; Computer software for accessing databases; Computer software for the creation of firewalls; Computer software for use as an application programming interface (API); Application software to control lighting; Personal computer application software for managing document control systems; Document automation software; Workflow software;

Enterprise software; System software; File management software; Software development tools; Software development programs; Authentication software; Software for product development; Computer software for document management; Computer software for database management; Server software; Debugging software; Platform software; Product engineering software; Hardware testing software; Database management software; Computer software supplied from the Internet; Computer software for use in computer access control; Computer hardware; Hardware (Computer -); Computers and computer hardware; Computer software adapted for use in the operation of computers; Controlling software for computer printers; Computer software for the detection of threats to computer networks; Communications processing computer software; Network management computer software; Computer software for use in programming facsimile machines; Operating computer software for main frame computers; Computer software for use in computer network access control; Mobile applications for booking taxis; Cases adapted for mobile phones; Application software for social networking services via internet; Mobile data communications apparatus; Cases for mobile phones; Keyboards for mobile phones; Mobile phone cases; Chargers for mobile phones; Wireless headsets for mobile phones; Batteries for mobile phones; Mobile telephones; Straps for mobile phones; Mobile phone chargers; Mobile radios; Mobile phone connectors for vehicles; Holders adapted for mobile phones; Dashboard mounts for mobile phones; Internet messaging software; Docking stations for mobile phones; Mobile phone speakers; Stands adapted for mobile phones; Protective cases for mobile phones; Holders adapted for mobile telephones and smartphones; Leather cases for mobile phones; Software for the planning, integration and optimisation of smart city applications; Software for the planning, integration and optimization of Smart City applications; Mobile phone straps; Battery chargers for mobile phones; Mobile phone docking stations; Mobile phone battery chargers; Chargers for mobile telephones; Headsets for mobile telephones; Auxiliary batteries for mobile phones; Smartphones; Dashboard mats adapted for holding mobile telephones and smartphones; Mobile phone screen protectors; Auxiliary speakers for mobile phones; Flip covers for mobile phones; Mobile data receivers; Mobile telephones for use in vehicles; Carrying cases for mobile phones; Straps for mobile telephones; Wireless headsets for use with mobile telephones; Protective films adapted for mobile phone screens; Programs for smartphones; Computer software for wireless network communications; Computer software for monitoring the use of computers and the internet by children; Computer software for wireless content delivery; Computer telephony equipment; Computer hardware for telecommunications; Software for Smart Contracts; Smart phones; Smart home software; Smart manufacturing software; Smart house software; Wearable smart phones; Displays for smart phones; Smart phones in the form of eyewear; Headphones for smart phones; Wireless headsets for smart phones; Waterproof cases for smart phones; Business technology software; Augmented reality software; Virtual and augmented reality software; Augmented reality computer hardware; Augmented reality game software; Augmented reality software for simulation; Augmented reality software for education; Virtual reality software for telecommunications; Virtual reality software; Augmented reality software for creating maps; Virtual reality games software; Devices for the projection of virtual keyboards; Virtual reality game software; Virtual reality software for education; Virtual reality software for simulation; Software for virtual reality cinema; Virtual reality hardware; Virtual reality software for playing virtual reality games; Virtual reality software for medical teaching; Wearable computer peripheral devices; Wearable digital electronic communication devices; Headsets for virtual reality games; Telecommunications apparatus for use with mobile networks; Wearable communications devices in the form of wristwatches; Wireless remote controls for portable electronic devices and computers; Computer software to enable the provision of electronic media via communications networks; Virtual reality headsets; Computer e-commerce software to allow users to perform electronic business transactions via a global computer network; Computer peripheral devices; Downloadable computer software for managing cryptocurrency transactions using blockchain technology; Interactive multimedia game programs; Interactive multimedia computer game program; Interactive video game programs; Computer software to enable browsing on global computer networks; Computer software supplied on the Internet; LAN [local area network] computer cards for connecting portable computer devices to computer networks; Operating and user instructions stored in digital form for computers and computer software, in particular on floppy disks or CD-ROM; Wristband computer devices; Web server software; Web site development software; Web content management [WCM] software; E-commerce software; Networking software; Database server software; Cloud computing software; Cloud server software; Cloud network monitoring software; Computer software used for providing search engine services; Wearable computer hardware; Wearable computer peripherals; Peripheral devices (Computer -); Computer interfaces; Computer memory devices; Microchips [computer hardware]; Computer networking hardware; Electronic devices used to locate lost articles employing the global positioning system or cellular communication networks; Software for the integration of artificial intelligence and machine learning in the field of Big Data; Watchbands that communicate data to other electronic devices; Computer software to enhance the audio-visual capabilities of multimedia applications, namely, for the integration of text, audio, graphics, still images and moving pictures; Communication software for connecting global computer networks; Computer software for Global Positioning Systems; Electronic Interfaces for Motion Simulator Platforms; Electronic sports training simulators [computer hardware and software-based teaching apparatus]; Information technology and audio-visual, multimedia and photographic devices; Computer software to enable the provision of electronic media via the Internet; Computer software for use in providing multiple user access to a global computer information network; Software for generating virtual images; Interactive computer systems; AI software; Computer programs for editing images, sound and video; Software for processing images, graphics, audio, video and text; Video digitisers; Video tapes; Apparatus for downloading audio, video and data from the internet; Video game programs; Video display software; Downloadable digital image files authenticated by non-fungible tokens (NFTs); Video servers; Video tape editing controllers; Video discs; Video conference software; Digital video recorders; Video game cassettes; Video game discs; Digital video disc recorders; Video disk players; Video recordings; Video disks with recorded animated cartoons; Video recorders; Video camcorders; Pre-recorded video tapes; Blank video tapes; Digital video players; Video graphics accelerator; Blank CD-ROMs for sound or video recording; Digital video disc players; Digital video cameras; Video cassettes; Cassettes [video]; Computer hardware for routing audio, video, and digital signals; Personal video

recorders (PVRs); Video graphics controller; Digital video disc drives; Video cameras; Video cards; Computer applications for car audio video navigation; Pre-recorded video tapes featuring music; Video accelerators; Video streaming devices; Computer hardware for signal processing of audio and video; Video tapes with recorded animated cartoons; Programmed video games contained on cartridges [software]; Programs for arcade video game machines; Prerecorded video tapes featuring music; File sharing software; Recorded video tapes; File synchronization software; Video game cartridges; Video tape players; Video digitizers; Pre-recorded video cassette tapes; Wireless audio and video receivers; Video cassette recorders; Video tape recorders; Music recordings; Music tapes; Computer software for creating and editing music and sounds; Digital music players; Music cassettes; Prerecorded video cassettes featuring music; Image scanners; Holographic images; Image synthesizers; Software for processing images, graphics and text; Software for processing digital images; Image intensifiers; Image management software; Image recording apparatus; Image analyzers; Image projectors; Raster image processors; Image scanning apparatus; Camera containing a linear image sensor; Computer software for processing digital images; Image processors; Digital photo frames; Image reproducing apparatus; Pre-recorded videos discs; Prerecorded video cassettes featuring cartoons; Prerecorded motion picture videos; Pre-recorded DVDs featuring games; Video films; Computer graphics boards; Interactive graphics screens; Cards encoded to access computer software; Downloadable screen savers for computers; Computer interface cards; Computer software for the display of digital media; Computer programs for producing graphics for promotional purposes; Digital recording media; Portable digital audio broadcasting radios; Portable digital electronic scales; Docking stations for digital music players; Downloadable virtual works of art; Digital data recording media; Digital electronic controllers; DMB (Digital Multimedia Broadcasting) televisions; Carrying cases for digital music players; Blank digital recording media; Media streaming software; Media content; Media software; Covers for digital media players; Media and publishing software; Digital storage media; Blank digital storage media; Cases for digital media players; Portable media players; Covers for portable media players; Handheld media players; Electronic storage media; Media development software; Media players; Media server software; Devices for streaming media content over local wireless networks; Recorded media; Entertainment software; Interactive entertainment software; Audio editing software; Communications software; Multimedia software recorded on CD-ROM; Software for interactive television; Telecommunications software; Animation software; Programming software; Desktop publishing software; Collaborative software; Publishing software; Training manuals in the form of a computer program; Computer programs for using the internet and the worldwide web; Computer software for use in migrating between different computer network operating systems; Recorded content; Recorded tapes; Data recorded electronically; Data recorded electronically from the internet; Books recorded on disc; Recorded film; Recorded films; Labels carrying electronically recorded or encoded information; Recorded compact discs; Recorded tape cassettes; Cards bearing electronically recorded data; Books recorded on tape; Pre recorded computer software; Computer programmes, recorded; Recorded computer programmes; Recorded discs bearing images; Recorded data [magnetic]; Labels carrying optically recorded or encoded information; Recorded discs bearing sound; Labels carrying magnetically recorded or encoded information; Musical video recordings; Pre-recorded compact discs featuring games; Monitors for arcade video game machines; Video games cartridges; Computer games of chance; Computer programmes for interactive television and for interactive games and/or quizzes; Virtual reality headsets adapted for use in playing video games; Simulation software [entertainment]; Interactive video apparatus; Video players; Memory cards for video game machines; Interactive computer software enabling exchange of information; Editing machines for movie films; Downloadable screen savers for phones; Pre-recorded films; Pre-recorded DVDs featuring music; Animated films; Virtual classroom software; Virtual server software; Virtual assistant software; Development environment software; Handheld multimedia players; Portable multimedia players; Memo boards [electronic]; Mousepads; Computer mousepads; Mouse mats; Mats for use with a computer mouse; Trackballs [computer peripherals]; Trackballs; Mouse pads; Pads (Mouse -); Computer mouse pads; Computer trackballs; Mouse pads [computer peripheral]; Stylus pens for touchscreens; Mouses for computers; Touchpads for computers; Computer styluses; Cooling pads for laptop computers; Computer keyboard keycaps; Computer mouses; Wrist rest pads for keyboards; Covers for computer keyboards; Sleeves for laptops; Headsets for use with computers; Graphics cards; Digital notepads; Keyboards; Computer joysticks; Adjustable desktop mounts for tablet computers; Cooling pads for wireless computers; Notebook computer cooling pads; Wireless keyboards; Wireless headsets for tablet computers; Covers for PDAs; Bulletproof clothing; Bullet-proof clothing; Fire resistant clothing; Protective clothing made from ballistic resistant materials; Garments and clothes for protection against fire; Protective clothing [body armour]; Tactical protective clothing; Flotation clothing; Asbestos clothing for protection against fire; High-visibility safety clothing; Hi-viz safety clothing; Bullet-proof vests; Waistcoats (Bullet-proof -); Bullet-proof waistcoats; Fireproof clothing; Bullet-proof waistcoats [vests (Am.)]; Bullet-proof vests (Am.); Fireproof articles of clothing; Fireproof garments; Earphones for consumer video game apparatus; Video cassette players; Microphones for consumer video game apparatus; Video disc players; Video phones; Monitors for consumer video game apparatuses; Combination video players and recorders; Computer software that permits games to be played; Computer games programmes for simulating financial securities trading [software]; Memory cards for cameras; Prerecorded flash memory cards; Memory cards; Flash memory cards; Battery chargers for home video game machines; Credit card encoding machines [computer peripherals]; Flash memory card; Memory expansion cards; Credit card encoding machines; Blank flash memory cards; Electronic machines for reading credit cards; AC adapters for consumer video game apparatus; Memory card cases; Flash memory card readers; Time cards [machine readable]; Video conferencing equipment; Pre-recorded laser discs featuring games; Monitors for handheld electronic game apparatus; Earphones for handheld electronic game apparatus; Microphones for handheld electronic game apparatus; AC adapters for handheld electronic game apparatus; Computers; Handheld computers; Laptops [computers]; Interfaces for computers; Hand-held computers; Computer controllers; Computer keyboard controllers; Mainframes [computers]; Computer touchscreens; Printers for computers; Printers for use with computers; Computers (Printers for use with -); Palmtop computers; Peripherals adapted for use with computers; Monitors for computers; Netbooks [computers]; Computer peripherals; Computer keyboards; Laptop computers; Portable computers;

Desktop computers; Trackballs [computer apparatus]; On-board computers; Computer keypads; Cartridges [software] for use with computers; Netbook computers; Peripheral equipment for computers; Multifunction computer keyboards; Components for computers; Tablet computers; Joysticks adapted for smartphones; Computer mainframes; Wireless computer peripherals; Computer modems; Stick computers; Computers for use with bicycles; Firmware for computer peripherals; Wearable computers; Computer motherboards; Speakers for computers; Computer printers; Quantum computers; Electronic components for computers; Handheld personal computers; Monitors [computer hardware]; Screen filters for computers and televisions; Communications computers; Notebook computers; Computer daughterboards; Micro-computers; Computers for managing control devices for aircraft; Computer chipsets; Computer screens; All-in-one computers; Computer mice; Add-on-cards for computers; Wireless computer mice; Clock generators for computers; Cases for tablet computers; Computer cables; Computer diskettes; Floppy discs drives [for computers]; Computer disks; Computer software for the remote control of office machines and equipment; Computers for autonomous-driving vehicles; Computer software to operate vehicles; Computer terminals; Memories for use with computers; Joystick chargers; Computer stylus; Video screens; Credit cards; Card readers for credit cards; Encoded credit cards; Credit cards [encoded]; Flash card adapters; Add-in cards; Smart cards [integrated circuit cards]; Integrated circuit cards [smart cards]; Sound cards; Video processors; Blank video cassettes; Data cards; Video telephones; SIM cards; Encoded cards; Electronic cards for processing images; Video printers; Ethernet cards; Optical cards; Video cables; Add-on cards; PC cards; Telephone credit cards; Video tape cassettes; Video projectors; Jackets for video cassettes; Network cards; Level meters; Noise level meters; Liquid level meters; Sound level meters; Meters; Decibel meters; Level sensors; Concentration meters; Speed meters; Exposure meters [light meters]; Frequency meters; Level gauges; Voltage meters; Pressure meters; Distance meters; Level transmitters; Conductivity meters; Water meters; Power meters; Water level gauges; Level switches; Millivolt meters; Flow meters; Exposure meters; Humidity meters; Moisture meters; Proximity meters; Capacitance meters; Vibration meters; Volt meters; Gravity meters; Water level indicators; Indicators (Water level -); Liquid level sensors; Panel meters; Parking meters; Oil-water level sensors; Acidity meters; Level gauging poles; Level indicators; Level indicators [spirit levels]; Light meters; Level converters; Ampere-hour meters; Oil level sensors; Electricity meters; Levels; Torque meters; Electrical meters; Fluid level sensors; Petrol level gauges; Water level indicators for vehicles; Turbine meters; Electronic distance meters; Gas meters; Refrigerant meters; Liquid level switches; Phase angle meters; Ph meters; Filling level detectors; Luminoflux meters; Water level detection apparatus; Smart meters; Insulation resistance meters; Acoustic meters; Heating meters; Level measuring machines [for surveying]; Volt metres; Joint meters; Mass flow meters; Fuel level indicators; Electronic meters; Electric flow meters; Plumb levels; Detectors for electric meters; Temperature meters for scientific use; Gas flow meters; Vehicle parking meters; Temperature meters for industrial use; Radio-frequency power meters; Soil moisture meters; Engine hour meters; Laser level measuring apparatus; Electric current meters; Fuel level indicator controls; Oil level indicators; Digital panel meters; Temperature meters for household use; Benzine meters; Electrotechnical vibration meters; Level controllers [electrical apparatus]; Fuel consumption meters; Satellite finder meters; Remote reading fluid level indicators; Fluid flow meters; Fuel level indicators for vehicles; Liquid level monitoring apparatus; Positive displacement meters; Digital pH meters; Oil level indicators for vehicles; Photographic exposure meters; Wheel alignment meters; Rotary gas meters; Exposure meters for photographic devices; Bubble levels; Carpenter's levels; Sensors for measuring depth; Levels [instruments for determining the horizontal]; Mercury levels; Fluid level measuring apparatus for use in motor vehicles; Meter testing apparatus; Cyrogenic turbine meters; Height gauges; Temperature controllers apparatus for use in vehicle engines; Engine analyzers; Kilometer recorders for vehicles; Thermostats for vehicle engines; Temperature regulators for vehicle engines; Engine control sensors; Computerized vehicle engine analyzers; Sensors for engines; Graduated rulers; Glassware (Graduated -); Graduated glassware; Tape rulers; Measuring rulers; Glass graduated scales; Folding rulers; Rulers [measuring instruments]; Square rulers for measuring; Print heads for plotters; Hairdressing training heads [teaching apparatus]; Karate head guards; Teaching instruments; Protractors [measuring instruments]; Science sets for children being teaching apparatus; Hairdressing training head [teaching apparatus]; Master ring gauges; Lap Top computers; Flip covers for tablet computers; Covers for tablet computers; Wrist rests for use with computers; On board computers for vehicles; Arm rests for use with computers; Wrist rests for computer mouse users; Computer software for communication between computers over a local network; Car navigation computers; Leather cases for tablet computers; Protective covers for tablet computers; Tablet computer; Tablet computer cases; Computer chips; Battery chargers for laptop computers; Wrist rests for use with computer peripherals; Protective cases for tablet computers; Personal home computers; Computer servers; Personal computers; Computer monitors; Computer discs; Personal computer cameras; Pocket computers for note-taking; Cases adapted for netbook computers; Blank hard disks for computers; Computer monitor frames; Display screen filters adapted for use with tablet computers; Battery chargers for tablet computers; Portable hard disk drives for computers; Computer whiteboards; Computer sub-assemblies; Dust covers for computers; Computer circuit boards; Cabinets adapted to hold computers; Flexible flat panel displays for computers; Cases adapted for notebook computers; Jackets for computer disks; Convertible laptops; Notebook computer carrying cases; Computer screen filters; Protective films for tablet computers; Instruments for measuring levels of fluids; Liquid dosage devices that measure the amounts to be dispensed; Liquid crystal displays; Water temperature gauges; Portable ultrafine dust meters; System on a Chip [SoC]; System on Chip [SOC]; On board electronic systems for automatic braking; System and system support software, and firmware; Electronic memory integrated circuit chips; Integrated circuit chips; Electronic chip cards; On board electronic systems for providing parking assistance; Computer software to maintain and operate computer system; Global positioning system [GPS] computer software; On board electronic systems for providing driving assistance; System boards (mother cards); Operating system software; Software for accessing information on a global computer network; Chip coils; Chips [integrated circuits]; Electronic chips for the manufacturer of integrated circuits; Encoded electronic chip cards; On board electronic systems for assisting in maintaining or changing lanes when driving; Global positioning system (GPS) devices; Electronic chips for the manufacture of integrated circuits; Multiprocessor chips; Computer operating systems; Programs recorded on electronic circuits for amusement

apparatus with liquid crystal screens; Network operating system programs; Computer systems for automated vehicle control; Computer software for Global Positioning Systems (GPS); Integrated circuit memory cards; Operating system programs for smartphones; Operating system programs for smart TV; Blank electronic chip cards; Operating system programs; Silicon chips [electronic components]; Integrated chip (IC) voice recorders; Interactive software based on artificial intelligence; Computer software for use in integrated circuit design; System support software; Vehicle tracking systems; Integrated circuit module; Global Positioning System [GPS] apparatus; Global positioning system (GPS) apparatus; Operating system programs for smart television; Electronic components for integrated circuit cards; Global positioning system [GPS] receivers; Computer software for system cleaning and optimization; Chip card readers; Apparatus for verifying data on magnetically encoded cards; Radar systems; Labels with integrated RFID chips; Electronic control systems for machines; Reservation systems software; Wireless controllers to remotely monitor and control the function and status of security systems; Add-on circuit boards for connecting computers to networking software; Integrated circuit boards; Controller circuit boards; Wireless controllers to remotely monitor and control the function and status of other electrical, electronic, and mechanical devices or systems; Electronic chips; Integrated circuit cards; Computer interface boards; Computer chipsets for use in transmitting data to and from a central processing unit; Gambling software; Computer memory hardware; Computer network hardware; Communications servers [computer hardware]; Computer software for electronic bulletin boards; Computer add-on boards; Computer accelerator board; Multimedia accelerator boards; LAN computer cards; PC boards; Video circuit boards; Audio circuit boards; Circuit boards; Electronic circuit boards; Add-on circuit boards; Printed circuit boards; Electrical circuit boards; Electronic circuit board; Electric circuit boards; Electrical circuits and circuit boards; Flexible circuit boards; Circuit boards provided with integrated circuits; Printed circuit expansion boards; Copper panels for circuit boards; Interface circuits for video cameras; Printed circuit boards incorporating integrated circuits; Telecommunications circuit board units; Test pins for testing printed circuit boards; Digital boards; Test adapters for testing printed circuit boards; Bulletin boards (Electronic -); Electronic bulletin boards; Testing apparatus for testing printed circuit boards; Circuit cards; Printed circuit board contact probes; Network boards; Electronic display boards; Printed wiring boards; Multilayer printed wiring boards; Electronic circuit cards; Electronic notice boards; Notice boards (Electronic -); Memory boards; Electronic indicator boards; Video multiplexers; Electrical switch boards; Closed circuit television cameras; Miniature circuit breakers; Panel boards [electricity]; Printed circuit cards; Electrical control boards; Bulletin boards (Illuminated -); Integrated circuit; Closed circuit television systems; Closed circuit television systems (CCTV); Closed circuit television apparatus; Keypads for routing audio, video, and digital signals; Circuit distributors; Circuit fuses; Circuit breakers; Distribution boards; Routers for routing audio, video, and digital signals; Integrated circuits for enhancing graphical and video display; Video conferencing apparatus; Video mixers; Circuit testers; Switchers for routing audio, video, and digital signals; PC mice; Computer software for time control; Electronic card readers; Ebook readers; Protective cases for e-book readers; Tablet covers; Laptop covers; Software for card readers; Covers for personal digital assistants; Magnetic card readers; Card readers; Microfilm readers; Optical readers; Smart card readers; Optical character readers; Readers (Optical character -); Magnetic encoded card readers; Magnetic coded card readers; Flash card readers; Memory card readers; Secure digital (SD) card readers; Magnetic strip readers; Print heads for printers; Print heads for inkjet printers; Print counters; Print servers; Print heads for ink-jet printers; Print heads for computer printers; Print server software; Print dryers [photographic apparatus]; Digital colour printers for documents; Digital colour printers; Digital color printers; Colour document printers; Photo printers; Ink-jet color printers for documents; Printed circuits; Printed cards [encoded]; Printed cards [magnetic]; Flexible printed circuits; Printed cash cards [encoded]; Printed bank cards [encoded]; Audio recording apparatus; Audio dubbing apparatus; Audio transmitters; Audio apparatus; Cassette head cleaners for audio tapes; Prerecorded video cassettes featuring animated fictional stories; Blank audio cassette tapes; Audio compact discs; Audio cable; Audio cassette player head cleaners; Audio electronic apparatus; Head cleaning tapes for audio cassette recorders; Portable audio players; Audio mixers; Wireless audio speakers; Audio compressors; Audio receivers; Audio conferencing equipment; MPEG audio players; Signal processors for audio speakers; Audio tape recorders; Audio analyzers; Audio speaker enclosures; Digital audio tape recorders; Audio loudspeaker systems; Audio timers; Audio tape players; Integrated audio amplifiers; Multi-room audio devices; Equalizers [audio apparatus]; Equalizers being audio apparatus; Graphic decoders for use with audio karaoke systems; Equalisers [audio apparatus]; Equalisers being audio apparatus; Audio frequency amplifiers; Audio mixing consoles; Digital audio interface apparatus; Electronic audio signal processors for compensating sound distortion in speakers; Control devices for car audio video navigation; Audio devices and radio receivers; Audio frequency apparatus; Audio mixing apparatus; Audio effects apparatus; Car audio apparatus; Wearable audio equipment; Audio visual teaching apparatus; Audio conference apparatus; Film magazines for cameras; Coffee measures; Action cameras; Motion picture films; Pre-recorded motion picture films; Animated cartoons in the form of cinematographic films; Prerecorded motion picture films; Motion pictures; Abdomen protectors for protection against injury [other than parts of sports suits or adapted for use in specific sporting activities]; Motion picture screens; Chest protectors for the prevention of accident or injury [other than specifically adapted for sport]; Protective suits [against accident or injury]; Shin guards for protection against injury [other than sports articles or parts of sports suits]; Headwear for sporting activities for protection against injury; Thermal suits for protection against accident or injury; Headgear for protection against accident; Safety boots for use in industry [for protection against accident or injury]; Protective work clothing [for protection against accident or injury]; Boots for protection against fire; Motorcyclists' clothing for protection against accident or injury; Elbow protectors (protective -) for use against accidents [other than sports articles]; Protective shoes [against accident or injury]; Armbands [luminous] for protection against accident or injury; Headgear for protection against injury; Thermal protective aids [clothing] for protection against accident or injury; Boots for protection against accidents; Face guards for protection against accident or injury; Safety footwear for protection against accident or injury; Footwear for protection against fire; Clothes for protection against injury; Safety gloves for protection against accident or injury; Shoes for protection against accidents and fire; Baby monitors; Baby alarms.

Class 16:

Printed periodical publications; Printed publications relating to computers; Magazines featuring video and computer games; Paper name badges; Name badge holders [office requisites]; Paper badges; Cardboard badges; Retractable reels for name badge holders [office requisites]; Clips for name badge holders [office requisites]; Badge holders [office requisites]; Badge holders of plastic [office requisites]; Name badges [office requisites]; Bar code ribbons; Printed emblems; Barcode ribbons; Paper emblems; Printed award certificates; Car stickers; Bumper stickers; Stickers; Vehicle bumper stickers; Decorative stickers for helmets; Name cards; Stamp holders; Pocket pen shields; Decorative stickers for cars; Adhesive stickers; Paper identification tags; Fingerprint kits; Sticker books; Commemorative stamp sheets; Document stamp racks; Commemorative stamps [seals]; Printed awards; Gift certificates; Cheque book holders; Gift vouchers; Cheque book cases; Printed publications; Publications (Printed -); Promotional publications; Educational publications; Periodical publications; Annuals [printed publications]; Advertising publications; Printed periodicals in the field of music; Electronic typewriters; Magazines [periodicals]; Periodical magazines; Journals; Periodicals; Magazines; Magazine supplements for newspapers; Monographs; Printed periodicals; Printed periodicals in the field of movies; Books; Music books; Printed music books; Non-fiction books; Dictation books; Series of non-fiction books; Writing books; Music note books; Copy books; Fiction books; Educational books; Comic books; Song books; Printed books; Data books; Story books; Children's books incorporating an audio component; Printed books in the field of music education; Series of fiction books; Picture books; Information books; Coloring books; Telephone books; Graphic art books; Manuscript books; Reference books; Covers for books; Travel books; Cookery books; Hymn books; Guest books; Resource books; Prayer books; Autograph books; Poster books; Ledgers [books]; Colouring books; Fantasy books; Books for children; Baby books [storybooks]; Guide books; Manuals for use with software; Manuals for computer software; Computer software operating manuals; Computer software in printed form; Card files; Document files; Sheet music; Music sheets; Printed music; Files [stationery]; Printed sheet music; Computer programs in printed form; Video game strategy guidebooks; Strategy guidebooks for video games; Strategy guide magazines for video games; Strategy guide books for computer games; Computer game hint books; Computer game instruction manuals; Educational and instructional material; Printed educational materials; Printed reports; Printed consumer reports; Printed research reports; Software programmes in printed form; Sheet music in printed form; Forms, printed; Printed forms; Computer programmes in printed form; Music in sheet form; Data processing programmes in printed form; Memorandum books; Pocket memorandum books; Note books; Jackets of paper for books; Wirebound books; Ledger books; Cheque books; School writing books; Sketch books; Writing or drawing books; Book binders; Pocket books [stationery]; Agenda books; Address books; Drawing books; Blank journal books; Signature books; Recipe books; Appointment books; Gift books; Check books; Commemorative books; Rule books; Paper for wrapping books; Coupon books; Memo sorters; Memo pads; Binding materials for books and papers; Account books; Stenographers' note books; Index books; Date books; Flip books; Birthday books; Paper book markers; Scrap books; Cash receipt books; Holders for cheque books; Cheque book covers; Holders for checkbooks [cheque books]; Checkbooks [cheque books] (Holders for -); Letter paper; Pop-up books; Memo blocks; Composition books; Hand books; Sticker activity books; Painting books; Exercise books; Strategy guide books for card games; Document holders being articles of stationery; Log books; Covering materials for books; Book jackets; Wedding books; Pads [stationery]; Stickers [stationery]; Notepads; Adhesive pads [stationery]; Thumbtacks [stationery]; Adhesive notepads; Desk mats; Pins [stationery]; Mats of paper for beer glasses; Paper mats for beer glasses; Coasters of cardboard; Rubber bands [stationery]; Felt mats for Chinese calligraphy (stationery); Desk pads; Calendar desk pads; Coasters of paper; Paper coasters; Stencils [stationery]; Steel pens [styluses or stencil pens]; Printed stationery; Protractors [for stationery and office use]; Stationery; Binders [stationery]; Adhesives for stationery; Mats of paper for drinking glasses; Pencil ornaments [stationery]; Pencil ornaments (stationery); Holders for notepads; Rubber erasers; Inking ribbons for computer printers; Computer printers (Inking ribbons for -); Desk calendars; Beer mats of paper; Bookmarkers; Envelopes [stationery]; Printed calendars; Paperweights; Covers [stationery]; Tapes (adhesive -) [stationery]; Desk baskets for desk accessories; Glitter pens for stationery purposes; Pencils with erasers; Marking pens [stationery]; Glue pens for stationery purposes; Scented stationery; Erasers; Cocktail mats of paper; Seals [stationery]; Desktop cabinets for stationery [office requisites]; Ribbons for handheld label printers [office requisites]; Rule books for playing games; Books in the fields of games and gaming; Magazines in the fields of games and gaming; Newsletters in the fields of games and gaming; Trading cards other than for games; Trading cards, other than for games; Role playing game equipment in the nature of manuals; Operating manuals for use with computers; Computer game strategy guidebooks; Cards; Picture cards; Flash cards; Post cards; Greeting cards; Greetings cards; File cards; Record cards; Christmas cards; Pop-up greetings cards; Announcement cards; Trivia cards; Strategy guide magazines for card games; Reference cards; Postage meters for office use; Rulers; Ungraduated rulers; Rulers (Drawing -); Drawing rulers; Rulers for drawing; Drafting rulers; Blackboard rulers; Square rulers; Rulers (Square -); Square rulers for drawing; Protractors as drawing instruments; Drawing protractors; Ruled paper [finished products]; School yearbooks; Spirit masters for mimeographing; Felt mats for calligraphy; Scrapers [erasers] for offices; Angle plotters [drawing instruments]; Pencil top ornaments; Pantographs [drawing instruments]; Holders for letters; Printed diplomas; Pen calligraphy copybooks; Pencil ornaments; Stipple applicators for use by painters; Religious circular letters; Writing brushes for calligraphy; Desk top planners; Desk top organizers; Computer magazines; Clip boards; Advertisement boards of card; Sketch boards; Illustration boards; Drawing boards; Mounting boards; Advertisement boards of paper; Advertisement boards of cardboard; Drawing board pins; Bristol boards; Canvas boards; Chalk boards; Watercolor boards; Sketching boards; Chalk boards [blackboards]; Magnetic boards being office requisites; Memorandum boards; Series of computer game hint books; Book covers; Check book covers; Leather book covers; Covers for cheque books; Leather appointment book covers; Protective covers for books; Notebook covers; Document covers; Book binding material; Magazine covers; Book wrappings; Check book holders; Paper table covers; Book binding materials; Paper report covers; Travel guide books; Bookbinding covers; Book bindings; Check book cases; Passbook covers; Publication paper; Dye-sublimation print paper; Print letters; Laser print paper; Print blocks; Print characters; Print wheels; Prints; Digital printing paper; Printing paper; Graphic prints; Printed paper labels; Lithographic prints;

Giclee prints; Photographic printing paper; Photo prints; Canvas prints; Paper for printing photographs; Printed art reproductions; Printed paper invitations; Printed flyers; Printed coupons; Offset printing paper for pamphlets; Printing fonts; Printed paper signs; Printed brochures; Cartoon prints; Printed booklets; Photographic prints; Silk screen prints; Printed advertisements; Supercalendered printing paper; Color prints; Printed advertising boards of paper; Printed patterns; Pictorial prints; Photographs [printed]; Printed photographs; Laser printing paper; Printed newsletters; Art prints; Ink sheets for use in reproducing images in the printing industry; Printing papers; Graphic art prints; Printed invitations; Paper stock [printing paper]; Printed packaging materials of paper; Printed cartoon strips; Printed pamphlets; Printed programmes; Reel paper for printers; Printed tickets; Fine art prints; Printed menus; Printed horoscopes; Prints [engravings]; Engravings [prints]; Printed leaflets; Printed cards; Printed manuals; Printed cardboard invitations; Printed certificates; Printed charts; Printed lectures; Printed diagrams; Printed vouchers; Printed questionnaires; Printed timetables; Timetables (Printed -); Printed visuals; Printed tables; Printed curricula; Printed guides; Printed informational sheets; Printed informational cards; Printed promotional material; Printed recipe cards; Printed informational flyers; Printed information sheets; Printed emblems [decalcomanias]; Adhesive printed labels; Printed lessons; Printed plans; Printed matter; Printed answer sheets; Printed luggage labels; Printed comic strips; Partially printed forms; Printed flip charts; Printed advertising boards of cardboard; Printed informational folders; Printed stories in illustrated form; Printed teaching material; Diaries [printed matter]; Printed teaching materials; Printed mail response cards; Printed seminar notes; Printed correspondence course materials; Cartoon strips [printed matter]; Printed training materials; Printed greeting cards with electronic information stored therein; Printed patterns for dressmaking; Printed geographical maps; Comic strips [printed matter]; Printed sewing patterns; Printed patterns for costumes; Printed price lists; Printed survey answer sheets; Cook books; Religious books; Manga comic books; Activity books; Children's books; Bill books; Baby books; Visitors books; Score books; Coloring books for adults; Expense books; Books featuring fantasy stories; Novels; Books featuring fictional stories; Book marks; Book ends; Book markers; Wallpaper sample book; Magazine paper; Comic magazines; Poster magazines; Inflight magazines; Travel magazines; Music magazines; Television listing magazines; Professional magazines; General feature magazines; Newspaper cartoons; Newspaper comic strips; Daily newspaper; Covers for weekly planners; Newspapers; File boxes for storage of magazines; Printed periodicals in the field of tourism; Clothing patterns; Pencil cups; Coffee table books; Filters (Paper coffee -); Coffee filters (Paper -); Paper coffee filters; Coffee filters of paper; Paper filters for coffee; Figures made of paper; Drawing sets; Comic strips' comic features; Correcting film for type; Romance novels; Paper baby bibs; Paper bibs for babies; Baby memory books; Children's activity books; Storybooks.

Class 21:
Place card holders; Mugs; Cups and mugs; Ceramic mugs; Mugs made of plastic; Drinkware; Plastic coasters; China mugs; Mugs of china; Glass mugs; Porcelain mugs; Mugs of porcelain; Travel mugs; Coasters (tableware); Insulated mugs; Coffee mugs; Beer mugs; Mugs made of ceramic materials; Leather coasters; Vacuum mugs; Trivets; Mats, not of paper or textile, for beer glasses; Mugs made of china; Earthenware mugs; Mugs made of porcelain; Porcelain coasters; Tablemats of plastic; Mugs of precious metal; Mug racks; Fireproof dishes; Clothes drying hangers specially designed for specialty clothing; Ornaments made of ceramics; Ornaments [statues] made of porcelain; Ornaments made of earthenware; Planters of clay; Planters of pottery; Ornaments made of porcelain; Holders for carving boards; Holders for brushes; Planters of porcelain; Chip pan baskets; Ironing boards; Boards (Ironing -); Ironing boards (kotedai); Ironing boards [kotedai]; Cheese boards; Chopping boards; Washing boards; Knife boards; Cutting boards; Pastry boards; Carving boards; Bread boards; Pasta boards; Articles for the care of clothing and footwear; Mug cosies; Mugs made of earthenware; Drinking mugs made of porcelain; Mug sleeves; Mug trees; Teapots; Teacups (yunomi); Teacups [yunomi]; Coffee cups; Tankards; Coffee pots; Mugs made of fine bone china; Tea cups; Mugs, not of precious metal; Pint tankards; Tumblers for use as drinking glasses; Coffee stirrers; Carafes; Glass cups; Pewter tankards; Cups; Tumblers; Commemorative statuary cups of porcelain, ceramic, earthenware, terra-cotta or glass; Tea pots; Cups made of earthenware; Cups made of pottery; Demitasse sets comprised of cups and saucers; Figurines [statuettes] of porcelain, ceramic, earthenware or glass; Prize cups of porcelain, ceramic, earthenware, terra-cotta or glass; Figurines of porcelain, ceramic, earthenware, terra-cotta or glass for cakes; Goblets; Saucepans (Earthenware -); Earthenware saucepans; Glass carafes; Holders for tumblers; Insulated bottles [flasks]; Figurines of earthenware; Ceramic figurines; Glass pots; Glasses, drinking vessels and barware; Beer steins; Ceramic tableware; Souvenir plates; Cups made of china; Steins; Pint glasses; Pewter goblets; Coffee pots [non-electric]; Non-electric coffee pots; Tumblers [drinking vessels]; Beer jugs; Tea canisters; Trivets [table utensils]; Tea cosies; Cosies (Tea -); Statuettes of porcelain, ceramic, earthenware or glass; Beer glasses; Cardboard cups; Drinking steins; Statues of porcelain, ceramic, earthenware or glass; Statues of porcelain, earthenware, ceramic or glass; Glass bowls; Bowls (Glass -); Figurines of glass; Liqueur cups; Busts of porcelain, ceramic, earthenware or glass; Drinking cups; Plastic cups; Insulated lids for plates and dishes; Glassware; Figurines of porcelain, ceramic, earthenware, terra-cotta or glass; Beverage glassware; Urns being vases; Insulating sleeve holder for beverage cups; Japanese-style teapots [kyusu]; Glass flasks [containers]; Sippy cups; Figurines of porcelain; Plaques of earthenware; Tableware of porcelain; Ceramic ornaments; Decanters; Crockery made of porcelain; Coffee services [tableware]; Glass tableware; Boxes of earthenware; Coffee services of ceramic; Biodegradable cups; Glass flasks; Glass decanters; Tableware, cookware and containers; Stirrers (Drink -); Compostable cups; Coffee scoops; Cup holders; Drinking glass holders; Cup lids; Bathroom glass holder; Cleaning brushes for teapot spouts; Teapot stands; Shot glasses; Pot holders; Busts of porcelain, ceramic, earthenware, terra-cotta or glass; Insulating sleeve holders for beverage cans; Foam drink holders; Drip mats for tea; Non-electric coffee drippers for brewing coffee; Tea infusers; Tea bag rests; Coffee pots not of precious metal; Flower pot holders; Beverage stirrers; Model figures [ornaments] made of glass; Statues, figurines, plaques and works of art, made of materials such as porcelain, terra-cotta or glass, included in the class; Baby baths; Baby bathtubs; Training cups for babies and children; Baby baths, portable; Baths (Baby -), portable; Portable baby baths; Baby finger toothbrushes.

Class 25:
Tabards; Dress shields; Shields (Dress -); Wristbands; Neckerchiefs; Uniforms; Camouflage shirts; Bandanas [neckerchiefs]; Wristbands [clothing]; Beanie hats; Headgear for wear; Cap visors; Collar guards for protecting clothing

collars; T-shirts; Printed t-shirts; Tee-shirts; Shirts; Short-sleeved T-shirts; Paper hats for use as clothing items; Waterproof clothing; Weatherproof clothing; Clothing; Windproof clothing; Rainproof clothing; Water-resistant clothing; Woolen clothing; Garments for protecting clothing; Jackets [clothing]; Oilskins [clothing]; Gloves [clothing]; Gloves as clothing; Corsets [clothing, foundation garments]; Latex clothing; Leather clothing; Clothing of leather; Leather (Clothing of -); Furs [clothing]; Silk clothing; Linen clothing; Gabardines [clothing]; Thermal clothing; Layettes [clothing]; Clothing layettes; Drawers [clothing]; Drawers as clothing; Aprons [clothing]; Hoods [clothing]; Ready-made clothing; Trunks being clothing; Cashmere clothing; Smart clothing; Capes (clothing); Jackets (Stuff -) [clothing]; Stuff jackets [clothing]; Fabric belts [clothing]; Corsets [foundation clothing]; Corsets being foundation clothing; Knitwear [clothing]; Handwarmers [clothing]; Plush clothing; Belts [clothing]; Belts for clothing; Clothes; Outer clothing; Quilted jackets [clothing]; Shorts [clothing]; Denims [clothing]; Boas [clothing]; Ready-to-wear clothing; Visors [clothing]; Clothing made of leather; Jerseys [clothing]; Bandeaux [clothing]; Parts of clothing, footwear and headgear; Woven clothing; Paper clothing; Cowls [clothing]; Men's clothing; Gussets for underwear [parts of clothing]; Jackets being sports clothing; Muffs [clothing]; Maternity clothing; Clothing made of fur; Headbands [clothing]; Headbands for clothing; Hats (Paper -) [clothing]; Paper hats [clothing]; Kerchiefs [clothing]; Knitted clothing; Bottoms [clothing]; Veils [clothing]; Leather belts [clothing]; Wraps [clothing]; Chaps (clothing); Collars [clothing]; Braces for clothing; Embroidered clothing; Mufflers [clothing]; Tops [clothing]; Mitts [clothing]; Linings (Ready-made -) [parts of clothing]; Ready-made linings [parts of clothing]; Ties [clothing]; Belts (Money -) [clothing]; Money belts [clothing]; Clothing of imitations of leather; Leather (Clothing of imitations of -); Slips [clothing]; Infant clothing; Playsuits [clothing]; Costumes for use in role-playing games; Martial arts uniforms; School uniforms; Board shorts; Articles of sports clothing; Articles of clothing; Casual clothing; Clothing for leisure wear; Leisure clothing; Clothing for sports; Sports clothing; Athletic clothing; Clothing for children; Bodies [clothing]; Clothing for babies; Clothing for infants; Clothing for cycling; Pockets for clothing; Triathlon clothing; Clothing for skiing; Beach clothing; Fishing clothing; Dance clothing; Sailor suits; Play suits; Combative sports uniforms; Baby clothes; Baby doll pyjamas; Baby layettes for clothing; Baby bibs [not of paper]; Baby shoes; Baby bodysuits; Baby pants; Knitted baby shoes; Plastic baby bibs; Baby tops; Baby sandals; Baby bottoms; Underpants for babies; Baby boots.

Class 28:
Portable gaming devices; Electronic games; Handheld electronic games; Hand-held electronic games; Hand-held electronic video games; Automatic electronic games; Hand-held units for playing electronic games; Electronic dart games; Electronic games apparatus; Electronic board games; Apparatus for playing electronic games; Electronic educational teaching games; Electronic hand-held game units; Interactive gaming chairs for video games; Electronic targets for games and sports; Hand-held consoles for playing video games; Handheld computer games; Electronic targets for game; Electronic educational game machines for children; Electronic games for the teaching of children; Hand-held computer games; Toy cap pistols; Electronic toys; Computer game consoles; Computer game apparatus; Computer game joysticks ; Computer games apparatus; Token-operated video game machines; Video game machines; Video game consoles; Stand-alone video game machines; Video game joysticks; Arcade video game machines; Video game apparatus; Gamepads for video game machines; Home video game machines; Video game machine cases; Controllers for video game machines; Joysticks for video game machines; Joysticks for video games; Joysticks being parts of video game consoles; Arcade video game machines with multi-terminals; Video game apparatus, arcade games, and amusement machines ; Controllers for computer games; Games; Video game machines for use with televisions; Bingo game playing equipment; Gaming trackballs; Gaming keyboards; Gaming mice; Puzzle mats [toys]; Gamepads; Doll clothing; Clothing for dolls; Hand held units for playing video games; Balls for playing games; Low-friction game tables for playing hockey games; Role playing games; Billiard game playing equipment; Marbles for playing games; Games consoles; Volleyball game playing equipment; Video output game machines for use with televisions; Playing cards and card games; Bags specially adapted for handheld video games; Models for use with role playing games; Equipment sold as a unit for playing card games; Hand held video games; Balls for playing boules games; Game consoles; Pinball games; Arcade games; Coin-operated arcade video game machines; Table-top games; Cards [games]; Free-standing video games apparatus; Scratch cards for playing lottery games; Hand-held game consoles; Musical games; Machines for playing games of skill or chance; Card games; Hand-held pinball games; Game boards for trading card games; Tabletop games and gambling devices; Sports games; Backgammon games; Handheld game consoles; Chess games; Game cards; Memory games; Trading cards [card game]; Karuta playing cards (Japanese card game); Arcade game machines; LCD game machines; Trading card games; Trading cards for games; Amusement game machines; Card shuffling machines; Coin-operated pinball game machines; Game controllers for computers; Slot machines (gaming devices); Pinball games machines [toys]; Bags specially adapted for handheld video game apparatus; Slot machines [gaming machines]; Games (Apparatus for -); Apparatus for games; Arcade games (electronic -) [coin or counter operated apparatus]; Apparatus for corinthian games; Coin-operated games; Mechanical games; Portable games and toys incorporating telecommunication functions; Apparatus for games adapted for use with television receivers; Automatic coin-operated games; Electronic games other than those adapted for use with television receivers only; Counters [discs] for games; Counters for games [discs]; Controllers for toys; Boards games; Board games; Protective carrying cases specially adapted for handheld video games; Controllers for game consoles; Battery-powered computer game with LCD screen; Tarot cards [playing cards]; Playing cards; Cards (Playing -); Bingo cards; Cards (Bingo -); Keno cards; Japanese playing cards; Arcade basketball shooting games; Toy spinning tops; Tops (Spinning -) [toys]; Spinning tops [toys]; Toy computers [not working]; Spinning tops incorporating string which rewinds and returns the top to the hand when thrown; Gaming chip sets; Chip markers for bingo; Console gaming devices; Gaming machines; Chess boards; Surf boards; Stand-up paddle boards; Bodysurfing boards; Cribbage boards; Swimming boards; Body boards; Ski boards; Dart boards; Pinball games machines [coin or counter operated]; Shogi boards; Go boards; Sail boards; Skim boards; Compendiums of board games; Kick boards; Dart board cabinets; Sugoroku board games; Fins for windsurfing boards; Snow boards; Building games; Tabletop basketball games; Horseshoe games; Miniatures for use in games; Models for use with war games; Articles of clothing for dolls; Articles of clothing for toys; Bowls bags; Action figures; Playsets for action figures;

Toy action figures; Cases for action figures; Play sets for action figures; Toy environments for use with action figures; Action figure toys; Action figures [toys or playthings]; Action toys; Toy action figurines; Play figures; Toy figures; Electric action figures with lights and sounds; Lever action toys; Skill and action games; Action skill games; Collectable toy figures; Mechanical action toys; Scale model figures; Electric action toys; Battery-operated action toys; Electronic action toys; Positionable toy figures; Clothing for toy figures; Toy figure playsets; Model craft kits of toy figures; Toy figures capable of transforming into various shapes; Magnetic levitation toy figures; Flat acrylic toy figures with stands ; Infants' action crib toys; Question sets for board games; Cases for toy vehicles; Toy model theatres in the form of children's theatre sets; Fantasy character toys; Miniatures for use in war games; War games using model soldiers; Toy scale models; Toy record players; Toy models; Games relating to fictional characters; Toy figurines; Toy model train sets; Toy construction sets; Toy playsets; Scale model vehicles [toys]; Cases in the form of quivers for sports implements; Modeled plastic toy figurines; Scale model structures [toys]; Scale model buildings [toys]; Toy human characters; Toy racing sets; Football field model toys; Drawing toys; Toys simulating objects used by adults in day to day activity; Toy sets; Toy model vehicles; Plastic model kits for making toy vehicles; Playsets for dolls; Toy ninja weapons; Chest protectors adapted for playing the sport of taekwondo; Rubber character toys; Shot puts for field sports; Role play games; Protectors for elbows for use when participating in the sport of cricket; Protective films for video game device remote controls; Hunting game calls; Game calls (Hunting -); Protective padded articles for use in playing the game of cricket; Plastic character toys; Leg guards adapted for playing sport; Protectors for the knees for use when skateboarding [sports articles]; Body protectors for American football; Protective cases for video game device remote controls; Fist protectors [sporting articles]; Toy cameras [not capable of taking a photograph]; Model vehicle racing sets; Toys for babies; Baby playthings; Infant toys; Baby rattles; Baby gyms; Multiple activity toys for babies; Crib toys; Costumes being childrens playthings; Toys; Toys, games, and playthings; Toys and playthings for pets; Ride-on toys; Cuddly toys; Puzzles [toys]; Toys for sandpits; Stuffed toys; Plush toys; Inflatable toys; Noisemakers [toys]; Toys for pets; Wind-up toys; Fidget toys; Toys for use in perambulators; Plastic toys; Radio-controlled toys; Scooters [toys]; Toys for animals; Mobiles [toys]; Toys, games and playthings for pet animals; Pet toys; Windup toys; Rattles [toys]; Toys for cats; Toys for infants; Model cars [toys or playthings]; Wooden toys; Toys and playthings for pet animals; Toys for dogs; Educational toys; Toy dolls; Outdoor toys; Bendable toys; Models being toys; Bath toys; Dog toys; Sandbox toys; Bathtub toys; Whistles [toys]; Inflatable ride-on toys; Sand toys; Soft toys; Miniature car models [toys or playthings]; Bouncing toys; Drones [toys]; Cloth toys; Musical toys; Tricycles for infants [toys]; Toy furniture; Toys for birds; Mechanical toys; Play mats for use with toy vehicles [playthings]; Wheeled toys; Clockwork toys; Developmental toys; Plastic toys for use in the bath; Fluffy toys; Crib mobiles [toys]; Stuffed animals [toys]; Inflatable bath toys; Rocking toys; Stacking toys; Fabric toys; Modular toys; Water toys; Plastic models being toys; Model toys; Play mats incorporating infant toys [playthings]; Whack-a-mole toys for pets; Toy prams; Stuffed and plush toys; Stuffed plush toys; Plush stuffed toys; Sketching toys; Children's toys; Squeezable squeaking toys; Toy bicycles; Construction toys; Whistling toys; Smart toys; Toy tableware; Clockwork toys [of plastics]; Toy wheelbarrows; Push toys; Squeeze toys; Toy bakeware and toy cookware; Talking toys; Toy mobiles; Bendy balls being toys; Toy xylophones; Stuffed bean-filled toys; Chewing toys for parrots; Toy animals; Pull toys; Toy cars; Toy strollers; Toys for pet animals; Water-squirting toys; Toy balloons; Assembly toys; Toy scooters; Intelligent toys; Toy hats; Music box toys; Punching toys; Toy cookware; Toy harmonicas; Toy automobiles; Smart plush toys; Toy robots; Toy tools; Toy weapons; Toys in the form of puzzles; Xylophones being musical toys; Novelty toys for parties; Toy glockenspiels; Soft sculpture toys; Inflatable pool toys; Toy pushchairs; Toy bakeware; Money guns being toys; Toy balls; Toy airplanes; Toy vehicles; Playthings.

Class 41:
Online game services through mobile devices; Providing digital music [not downloadable] from MP3 internet web sites; Providing digital music [not downloadable] for mp3 internet web sites; Providing digital music [not downloadable] from MP3 internet websites; Digital music [not downloadable] provided from mp3 web sites on the internet; Providing online electronic publications, not downloadable; Providing online videos, not downloadable; Providing online music, not downloadable; Providing digital music [not downloadable] from the internet; Providing digital music [not downloadable] for the internet; Digital music [not downloadable] provided from the internet; Providing online images, not downloadable; Providing online electronic publications in the field of music, not downloadable; Providing online electronic publications, not downloadable, in the field of music; Providing online publications, not downloadable; Providing on-line videos, not downloadable; Providing electronic publications relating to language training, not downloadable; Publication of texts in the form of electronic media; Providing non-downloadable electronic publications relating to language training; Publication of printed matter, other than publicity texts, in electronic form; Electronic games services; Electronic publications (not downloadable); Providing on-line electronic publications, not downloadable; Provision of on-line electronic publications (not downloadable); Providing on-line interactive computer games; Providing electronic publications [not downloadable]; Provision of electronic publications (not downloadable); Providing on-line electronic publication [not downloadable]; Providing on-line video games; On-line computer games; Providing online video games; Providing on-line music, not downloadable; On-line publication of electronic books and journals [not downloadable]; Providing interactive multi-player computer games via the internet and electronic communication networks; Provision of online computer games; Providing on-line computer games; Providing information on-line relating to computer games and computer enhancements for games; Provision of on-line computer games; Publishing of interactive computer and video game software; Providing online games; Electronic games services, including provision of computer games on-line or by means of a global computer network; Providing digital sound recordings, not downloadable, from the internet; Arranging of award ceremonies to recognise bravery; Arranging of award ceremonies to recognise achievement; Arranging of award ceremonies; Organisation of competitions and awards; Issuing of educational awards; Certification in relation to educational awards; Arranging and conducting award ceremonies; Hosting [organising] awards; Awarding of educational certificates; Hosting [organising] awards relating to television; Hosting [organising] awards relating to films; Hosting [organising] awards relating to videos; Prize draws [lotteries]; Accreditation [certifying] of educational achievement; Providing facilities for

sporting events, sports and athletic competitions and awards programmes; Arranging of an annual educational conference; Arranging of an annual conference relating to procurement; Organisation of examinations to grade level of achievement; Organisation of dog competitions; Organisation of artistic competitions; Organisation of entertainment competitions; Publication of year books; Arranging of an annual conference relating to telecommunications; Organisation of beauty competitions; Organisation of beauty contests; Organisation of competitions; Organization of competitions; Organisation of musical competitions; Organisation of conferences, exhibitions and competitions; Organization of entertainment competitions; Organisation of competitions [education or entertainment]; Organisation of competitions (education or entertainment); Competitions (organisation of -) [education or entertainment]; Organisation of competitions for education or entertainment; Organization of education competitions; Arranging of an annual conference relating to logistics; Competitions provided by telephone; Organisation of e-sports competitions; Master of ceremony services for parties and special events; Organization of competitions [education or entertainment]; Competitions (Organization of -) [education or entertainment]; Organization of competitions for education or entertainment; Consultancy relating to the organisation of culinary competitions; Organization of electronic game competitions; Presentation of musical performance; Administration [organisation] of contests; Organising of competitions for education; Competitions (Organising of education -); Organising of competitions [entertainment] by telephone; Organisation and presentation of shows; Organising of education competitions; Administration [organisation] of competitions; Arranging of competitions for education or entertainment; Organisation of competitions [education and/or entertainment]; Organising of entertainment competitions; Organising of competitions for entertainment; Competitions (Organising of entertainment -); Video recordings [not downloadable] provided from the internet; Providing online comic books, not downloadable; Providing on-line publications (not downloadable); Production of podcasts; Creation [writing] of educational content for podcasts; Providing online graphic novels, not downloadable; Provision of entertainment via podcasts; Providing on-line non-downloadable audio content; Providing on-line non-downloadable video content; Providing films, not downloadable, via video-on-demand services; Provision of training information via podcasts; Providing television programs, not downloadable, via video-on-demand services; Creation [writing] of podcasts; Providing television programmes, not downloadable, via video-on-demand services; Electronic online publication of periodicals and books; On-line publication of electronic books and journals (non-downloadable); Publication of electronic books and journals online; Online publication of electronic books and journals; Publication of electronic books and journals on-line; On-line publication of electronic books and journals; Non-downloadable electronic publications; Publishing of electronic publications; Providing online electronic publications; Multimedia publishing of electronic publications; Providing on-line publications; Publication of newspapers, periodicals, catalogs and brochures; Providing on-line publications (non-downloadable); Online electronic publishing of books and periodicals; Providing on-line electronic publications; Publication of periodicals and books in electronic form; Publication of multimedia material online; Publication of booklets; Providing on-line electronic publications [non-downloadable]; Provision of on-line electronic publications; Publishing services for periodical and non-periodical publications, other than publicity texts; Publishing of electronic books and journals online; Online publications, namely blogs; Publishing of electronic books and journals on-line; Publication of brochures; Online publication of electronic newspapers; Publication of electronic magazines; Publication of books, magazines, almanacs and journals; Providing electronic publications; Providing non-downloadable electronic publications; Publication of manuals; Rental of printed publications; Multimedia publishing of magazines, journals and newspapers; Publication of periodicals; Magazines (Publication of -); Publication of educational books; Publication of electronic books and periodicals on the Internet; Publication of magazines; Publication of audio books; Publication of printed matter and printed publications; Provision of non-downloadable electronic publications; Publication of online guide books, travel maps, city directories and listings for use by travellers, not downloadable; Publication of catalogs; Services for the publication of magazines; Publication of music books; Publication of books; Books (Publication of -); Publication of journals; Lending of books and other publications; Services for the publication of guide books; Publication of printed directories; Services for the publication of books; Publication of catalogues; Electronic publication; Electronic publishing; Electronic publication services; Publication of printed matter in electronic form; Publishing of magazines in electronic form on the Internet; Electronic text publishing services; Electronic publishing services; Publication of electronic newspapers accessible via a global computer network; Publication of texts in the form of CD-ROMs; Publication of printed matter in electronic form on the Internet; Publication of texts and images, including in electronic form, except for advertising purposes; Electronic desktop publishing; Electronic publication of texts and printed matter, other than publicity texts, on the Internet; Electronic library services for the supply of electronic information (including archive information) in the form of text, audio and/or video information; Multimedia publishing of journals; Providing electronic publications from a global computer network or the Internet, not downloadable; Publication of music; Publishing of medical publications; Multimedia publishing of magazines; Publication of printed matter, also in electronic form, except for advertising purposes; Providing non-downloadable electronic publications from a global computer network or the Internet; Electronic publishing services for others; Publication of consumer magazines; Publication of scientific information journals; Publishing services (including electronic publishing services); Publishing of journals, books and handbooks in the field of medicine; On-line library services, namely, providing electronic library services which feature newspapers, magazines, photographs and pictures via an on-line computer network; Issue of publications; Publication of newspapers; Publishing of journals; Publishing of books, magazines; Publication of books, reviews; Publishing services for books and magazines; Publication of textbooks; Publishing of web magazines; Services for the publication of newsletters; Publishing of newspapers; Publication of books relating to television programmes; Publication of posters; Publication of instructional literature; Publication of texts; Publication of prospectuses; Consultation services relating to the publication of magazines; Newspaper publication; Publication of educational texts; Publication of leaflets; Multimedia publishing of newspapers; Publication of books relating to entertainment; Publication of photographs; Publication of text books; Publishing of scientific papers; Publishing of books and reviews; Publishing of newsletters; Magazine publishing;

Publication of educational materials; Publication of calendars of events; Publishing of books; Publication of calendars; Publication of medical texts; Publication of directories relating to tourism; Publication services; Publication of books relating to information technology; Multimedia publishing of books; Lending of books and periodicals; Services for the publication of maps; Publication of texts, other than publicity texts; Texts (Publication of -), other than publicity texts; Publication of online reviews in the field of entertainment; Publication of directories relating to travel; Consultation services relating to the publication of books; Rental of audio books; Publishing of instructional books; Editing of audio recordings; Providing online non-downloadable comic books and graphic novels; Rental of audio recordings; Rental of audio tapes; Rental of audio cassettes; Production of audio recordings; Production of video and audio recordings; Digital video, audio and multimedia entertainment publishing services; Rental of books; Publishing services for books; Lending of books; Rental of audio tapes bearing recorded music; Audio recording services; Rental of audio tapes for language training; Audio and video recording services; Lending libraries for books; Entertainment services for sharing audio and video recordings; Loaning of books; Loan of books; Rental of electronic book readers; Electronic library services; Providing digital music from mp3 internet web sites; Providing digital music from the internet; Online digital publishing services; Internet games (non-downloadable); Education services relating to computer software; Training relating to computer software; Education services relating to the application of computer software; Computer based educational services; Training in the design of computer programs; Training in the operation of computer programs; Instruction in the writing of computer programs; Training in the development of computer programs; Training in computer programming; Training services relating to computer programs; Programming [scheduling of programs] on a global computer network; Mobile library services; Library services (Mobile -); Entertainment in the nature of mobile phone television; Virtual reality game services provided on-line from a computer network; Production of television programs for broadcast on mobile devices; Entertainment services, namely, provision of a virtual reality or metaverse based simulation gaming service; Virtual reality arcade services; Interactive computer game services; Online computer game services; Entertainment services in the nature of video games; Providing online entertainment in the nature of game tournaments; Computer and video game amusement services; Provision of online information in the field of computer games entertainment; Providing online entertainment in the nature of game shows; Education services relating to the application of computer systems; Training services relating to computer software; Training services in the field of computer software development; Electronic games services provided via a global computer network; Production of video tapes and video discs; Audio and video editing services; Video tape editing; Video editing; Editing of video recordings; Rental of digital image files authenticated by nonfungible tokens [NFTs]; Audio, video and multimedia production, and photography; Rental of video tapes and motion pictures; Video game services; Audio and video production, and photography; Audio, film, video and television recording services; Video recording services; Music publishing and music recording services; Entertainment services for matching users with audio and video recordings; Publication of sheet music; Recording of music; Music recording; Providing on-line non-downloadable images; Production of sound and image recordings on sound and image carriers; Provision of non-downloadable videos; Production of videos; Services for the showing of video recordings; Providing age ratings for television, movie, music, video and video game content; Music publishing; Publishing of music; Provision of online information relating to audio and visual media; Provision of audio and visual media via communications networks; Provision of entertainment services through the media of audio tapes; Multimedia entertainment software publishing services; Rental of pre recorded video tapes; Rental of recorded cassettes; Rental of records or recorded magnetic audio tapes for language training; Video game arcade services; Rental of video game consoles; Video game entertainment services; Rental of arcade video game machines; Providing online information on computer and video game strategies; Rental of video games; Rental of video game apparatus; On-line game services; Games offered on-line (on a computer network); Games services provided on-line from a computer network; Online interactive entertainment; Entertainment services sharing computer games; Interactive entertainment; Entertainment services for matching users with computer games; Video entertainment services; Video arcade services; Entertainment services, namely, providing on-line computer games; Providing on-line information in the field of computer gaming entertainment; Publishing of educational material; Educational information; Dissemination of educational material; Production of video tapes for corporate use in corporate educational training; Cultural, educational or entertainment services provided by art galleries; Publication of educational teaching materials; Production of video tapes for corporate use in management educational training; Development of educational materials; Publication of educational and training guides; Provision of entertainment services through the media of publications; Educational information provided on-line from a computer database or the internet; Educational information services; Educational and training services relating to games; Providing multi-media entertainment via a website; Educational services; Game services provided online from a computer network; Game services provided on-line from a computer network; Presentation of movies; Preparing subtitles for movies; Dubbing for movies; Providing films, not downloadable, via video-on-demand transmission services; Rental of video films; Rental of pre-recorded films in the form of video tapes; Movie theater presentations; Provision of non-downloadable films and television programs via pay-per-view television channels; Book and review publishing; Book publishing; Hire of books; Providing facilities for the playing Live Action Playing [LARP] games; Rental of apparatus for the playing of games; Providing facilities for playing paintball games; Providing outdoor facilities for playing paintball games; Conducting of soccer games; Arranging of soccer games; Providing facilities for playing Go board games; Organising of educational games; Rental of game machines and apparatus; Leasing of game machines; Rental of slot machines [gaming machines]; Providing facilities for movies, shows, plays, music or educational training; Provision of an online magazine featuring information in the field of computer games; Providing games; Providing audio or video studios; Sound recording and video entertainment services; Rental of electronic game equipment; Games equipment rental; Instruction in the use of computers; Providing information to game players about the ranking of their scores of games through the web sites; Arcade game services; Rental of video tapes; Video cassettes (Rental of -); Rental of video cassettes; Poker game services; Game services; Rental of video discs; Providing courses of instruction at high school level; Conducting distance learning instruction at the secondary level; Conducting distance learning

instruction at the university level; Conducting distance learning instruction at the college level; Conducting distance learning instruction at the graduate level; Conducting distance learning instruction at the primary level; Providing courses of instruction at college level; Providing courses of instruction at post-graduate level; Teaching at junior high schools; Calligraphy academies; Educating at senior high schools; Academic mentoring of school age children; School services for the teaching of art; Teaching at elementary schools; Educational services provided by senior high schools; Vocational education for young people; Education academy services for teaching art history; Education academy services for teaching acting; School services for the teaching of languages; Teaching of chinese martial arts; Obedience school training for animals; Boarding school education; Teaching of needlework; Ballet schools; Ballet classes; Educating at university or colleges; School services for the teaching of construction draughting; Administration of lotteries for others; Education academy services for teaching languages; Education in the field of art rendered through correspondence courses; Academies [education]; Teaching of foreign languages; Desk top publishing; Provision of games by means of a computer based system; Rental of surf boards; Amusement arcade gaming machine rental services; Game shows; Operation of video and audio equipment for the production of radio and television programs; Production of television game shows; Conducting multiple player games of chance; Providing an online computer game; Providing an on-line computer game; Electronic book reader rental; Publication of lyrics of songs in book form; Book club services providing information relating to books; Book lending; Book loaning; Production of basketball games and exhibitions; Preparation of texts for publication; Publication of printed matter; Publication and editing of printed matter; Publication of educational printed matter; Newspaper publishing; Publication of printed matter, other than publicity texts; Publication of musical texts; Publishing; Publication of printed matter relating to education; Publication of fact sheets; Publication of training manuals; Consultation services relating to the publication of written texts; Publishing of documents; Publication of books relating to rugby league; Publishing, reporting, and writing of texts; Publication of printed matter relating to pet fish; Publishing of printed matter; Multimedia publishing; Publishing of stories; Publishing services; Publishing of reviews; Publishing of maps; Song publishing; On-line publishing services; Music publishing services; Multimedia publishing of printed matter; Publishing services, except printing; Writing and publishing of texts, other than publicity texts; Publishing of musical works; Publishing of educational matter; Publishing a newspaper for customers on the Internet; Publishing by electronic means; Publishing and issuing scientific papers in relation to medical technology; Advisory services relating to publishing; Publishing of scripts for theatrical use; Publishing scientific papers in relation to medical technology; Publishing of scientific papers in relation to medical technology; Publication of work manuals for business management; Publishing of printed matter relating to french wines; Publication of the editorial content of sites accessible via a global computer network; Loans of books; Library services for the exchanging of books; Lending of books relating to computers; Library services for the lending of books; Book rental; Rental of audio discs; Audio recording and production; Audio production; Production of audio master recordings; Providing on-line reviews of books; Audio recording and production services; Audio recording studio services; Video and audio rental services; Rental of apparatus for the recording of audio signals; Production of audio entertainment; Audio tape production services; Providing audio or video studio services; Production of audio programs; Production of sound and video recordings; Rental of sound and video recordings; Audio production services; Rental of newspapers and magazines; Rental of magazines; Providing on-line non-downloadable general feature magazines; Production of animated and live action programmes; Theatrical performances both animated and live action; Interviewing of contemporary figures for entertainment purposes; Interviewing of contemporary figures for educational purposes; Production of animated motion pictures; Services in the production of animated motion picture entertainment; Services in the production of animated motion pictures and television features; Entertainment in the nature of ongoing game shows; Entertainment services in the form of motion pictures; Organisation of figure skating competitions; Showing of cinematographic and motion picture films; Organisation of sports installations for figure and speed skating championships; Production of motion picture films; Production of a continuous series of animated adventure shows; Provision of sports installations for figure and speed skating championships; Organisation of figure and speed skating competitions; Production of motion pictures; Entertainment in the nature of live performances and personal appearances by a costumed character; Planning of movie shows; Motion picture production; Motion picture film production; Motion picture theaters; Organising figure and speed skating competitions; War game services; Adventure training for children; Production of movie special effects; Escape game [entertainment]; Organization of animal racing events; Movie showing; Special effects animation services for film and video; Adventure playground services; Organisation of sports events in the field of football; Entertainment in the nature of football games; Entertainment services featuring fictional characters; Entertainment in the nature of soccer games; Providing online entertainment in the nature of fantasy sports leagues; Organization of cosplay entertainment events; Production of sporting events for film; Administration [organisation] of poker games; Organisation of vehicle racing events; Rental of toys.

Class 42:
Hosting of mobile websites; Unlocking of mobile phones; Hosting of mobile applications; Design of software for embedded devices; Design and development of software in the field of mobile applications; Updating of software for embedded devices; Development and design of mobile applications; Development of computer software application solutions; Installation and customisation of computer applications software; Software as a service [SaaS] featuring software platforms for electronic gaming; User authentication services using single sign-on technology for online software applications; Rental of computer software, data processing equipment and computer peripheral devices; Hosting computer software applications for others; Smartphone software design; Design and development of operating software for computer networks and servers; Design and development of operating software for cloud computing networks; Application service provider [ASP], namely, hosting computer software applications of others; Development services relating to computer software application solutions; Providing user authentication services using single sign-on technology for online software applications; Providing user authentication services using biometric hardware and software technology for e-commerce transactions; Programming of multimedia applications; Updating of smartphone software; Application service provider (ASP) services, namely, hosting computer software applications of others; Rental of application software;

Programming of software for Internet platforms; Programming of operating software for computer networks and servers; Programming of software for e-commerce platforms; Electronic site authoring; Development of hardware for use in connection with electronic and interactive multimedia games; Electronic storage of digital video files; Hat design; Design of logos for t-shirts; Hosting of podcasts; Providing online geographic maps, not downloadable; Providing temporary use of non-downloadable computer software for use in the creation and publication of on-line journals and blogs; Hosting of digital content, namely, on-line journals and blogs; Design of cd-rom electronic format for computer databases; Conversion of physical data and documents into electronic media format; Conversion of texts to digital format; Conversion of data or documents from physical to electronic media; Electronic storage services for archiving databases, images and other electronic data; Electronic storage of digital audio files; Electronic storage of digital music; Electronic storage of digital photographs; Electronic storage services for archiving electronic data; Conversion of images from physical to electronic media; Electronic storage of digital images; Electronic storage of documents; Hosting a website for the electronic storage of digital photographs and videos; Providing temporary use of non downloadable computer software; Electronic storage of audio files; Hosting of digital content online; Hosting of digital content on the Internet; Creating electronically stored web pages for online services and the internet; Cross-platform conversion of digital content into other forms of digital content; Encryption of digital music; Hosting of digital content; Development of software for audio and video operators; Software as a service [SaaS] featuring software for machine learning; Software as a service [SaaS] featuring software platforms for graphic design; Providing online non-downloadable computer software; Software authoring; Design of software for audio and video operators; Providing online, non-downloadable software; Development of interactive multimedia software; Software development in the framework of software publishing; Software as a service [SaaS] featuring software for deep learning; Technical services for the downloading of software; Programming of video game software; Software as a service [SaaS] featuring computer software platforms for artificial intelligence; Video game software development; Update of computer software; Programming of computer game software; Design of computer game software; Development of computer game software; Rental of computer game software; Development of computer hardware for computer games; Design and development of computer game software; Design and development of computer game software and virtual reality software; Rental of computer hardware and computer software; Computer programming of computer games; Computer programming of video and computer games; Computer and computer software rental; Computer software development; Development of computer software; Computer software design; Software design (Computer -); Computer software (Design of -); Design of computer software; Development of computer hardware and software; Computer rental and updating of computer software; Computer hardware and software design; Design of computer hardware and software; Rental of computer hardware and software; Computer software engineering; Computer software installation; Computer software (Installation of -); Installation of computer software; Video game software design; Software (Rental of computer -); Computer software rental; Computer software (Rental of -); Rental of computer software; Rental of computers and computer software; Computer programming and software design; Writing of computer software; Developing computer software; Testing of computer software; Updating of computer software; Software (Updating of computer -); Computer software (Updating of -); Configuration of computer software; Development of computer database software; Copying of computer software; Design of computer database software; Development of video and computer games; Repair of computer software; Upgrading of computer software; Computer software research; Renting computer software; Computer software integration; Computer programming of video games; Programming of educational software; Rental of computer software and programs; Computer software programming services; Computer software consulting; Computer software consultancy; Consultancy (Computer software -); Research in the field of computer programs and software; Research and development of computer software; Services for the design of computer software; Computer software design services; Services for the writing of computer software; Computer software maintenance; Computer software (Maintenance of -); Maintenance of computer software; Computer software consultation; Services for designing computer software; Up-dating of computer software; Leasing of computer software; Design of computer machine and computer software for commercial analysis and reporting; Duplication of computer software; Design, development and programming of computer software; Development of computer software for creating electronic television program guides; Computer programming and maintenance of computer programs; Design and development of computer hardware and software; Computer software consulting services; Hiring of computer software; Design and development of computer software; Computer software design and development; Computer software development for others; Design and development of computer software for use with medical technology; Research relating to the development of computer programs and software; Services for updating computer software; Development of computer programs; Installation of computer programs; Design of computer programs; Designing of computer programs; Editing of computer programs; Installing computer programs; Writing of computer programs; Maintenance of computer programs; Testing of computer programs; Duplicating computer programs; Updating of computer programs; Leasing of computer programs; Rental of computer programs; Creating of computer programs; Modifying of computer programs; Computer programs (Duplication of -); Duplication of computer programs; Compilation of computer programs; Hiring of computer programs; Hire of computer programs; Implementation of computer programs in networks; Editing services for computer programs; Services for reproducing computer programs; Design of programs for computers; Services for the writing of computer programs; Design services for computer programs; Development of programs for computers; Computer programming; Programming (Computer -); Computer program updating services; Computer programming services; Writing of computer programs for medical applications; Updating and maintenance of computer software and programs; Research relating to computer programs; Computer program maintenance services; Design services relating to computer hardware and to computer programmes; Writing of computer programs for biotechnological applications; Design and development of computer database programs; Installation and maintenance of computer programs; Computer program advisory services; Installation of computer programmes; Design of computer programs and software relating to aircraft; Computer services; Leasing of computer programmes; Maintenance of

computer programmes; Duplicating computer programmes; Development of computer programmes; Rental of computer programmes; Programming of Internet security programs; Computer programming for the internet; Computer programming for telecommunications; Customized design of computer software; Technical consultancy relating to the application and use of computer software; Development of application software for delivery of multimedia content; Design and development of computer database software; Leasing of single sign-on application software; Software development; Development of software; Design and development of antivirus software; Installation of database software; Development and maintenance of computer database software; Design and development of electronic database software; Design of software; Software design; Software installation; Installation of software; Design and development of data processing software; Technical support services relating to computer software and applications; Application system testing consultancy; Design and development of computer software for evaluation and calculation of data; Development and maintenance of computer software; Design and development of operating system software; Design and development of software for database management; Software engineering; Development of operating system software; Design and development of software for instant messaging; Rental of computer database software; Computer software design and updating; Updating and design of computer software; Debugging computer software for others; Troubleshooting of computer hardware and software problems; Rental of computer hardware and computer peripherals; Providing temporary use of non-downloadable software applications accessible via a web site; Hosting of interactive applications; Hosting of multimedia applications; Providing temporary use of online, non-downloadable computer software for use in broadcast monitoring applications; Providing temporary use of web-based applications; Design of mobile telephones; Design and development of operating software for accessing and using a cloud computing network; Unlocking of mobile telephones; Platforms for gaming as software as a service [SaaS]; Creating and maintaining websites for mobile phones; Rental of operating software for computer networks and servers; Providing temporary use of non-downloadable computer software for shipment processing over computer networks, intranets and the internet; Configuration of computer networks using software; Computer software rental services; Rental of computers and software; Rental of software for computers; Computer programming of smart contracts on a blockchain; Development of virtual reality software; Design of virtual reality software; Design and development of virtual reality software; Design services relating to virtual reality software; Development services relating to virtual reality software; Design and development of virtual private network (VPN) operating software; Design and development of video game software; Development of hardware for video games; Technical services for the downloading of video games; Rental of video game software; Development of computer software for use with computer-controlled switching systems; Programming of software for website development; Providing temporary use of on-line non-downloadable software for web site development; Commissioned writing of computer programs, software and code for the creation of web pages on the Internet; Rental of software for website development; Design and development of software for website development; Design services relating to computer software; Internet web site design services; Web page design services; Web site design services; Consultancy relating to the design and development of computer software programs; Cloud computing services; Consulting in the field of cloud computing networks and applications; Consulting services in the field of cloud computing; Rental of operating software for accessing and using a cloud computing network; Programming of operating software for accessing and using a cloud computing network; Software engineering services for data processing; Software engineering services for data processing programs; Computer and software consultancy services; Computer software consultancy services; Software engineering services; Computer software advisory services; Services for the leasing of computer software; Software development services; Providing virtual computer systems through cloud computing; Services for maintenance of computer software; Computer software maintenance services; Services for the design of electronic data processing software; Computer integration services; Hosting services, software as a service, and rental of software; Cloud storage services for electronic data; Cloud storage services for electronic files; Consultancy services in relation to computer software; Software as a service [SAAS] services; Providing temporary use of online non-downloadable software for accessing and using a cloud computing network; Providing temporary use of on-line non-downloadable operating software for accessing and using a cloud computing network; Support and maintenance services for computer software; Consulting services in the field of software as a service [SaaS]; Calibration services relating to computer software; Computer systems integration services; Software as a service; Advisory services relating to the use of computer software; Advisory services relating to computer software; Consulting services relating to computer software; Advisory services relating to the rental of computers or computer software; Quantum computing services; Computer software technical support services; Advisory services relating to computer software used for printing; Advisory services relating to computer software design; Software consulting services; Information services relating to the application of computer systems; Software customisation services; Consultancy services relating to computer networks using mixed software environments; Providing virtual computer environments through cloud computing; Software consultancy services; Development and testing of computing methods, algorithms and software; Advisory services relating to computer software used for publishing; Computer system integration services; Development services in the field of computer software and advisory services relating thereto; Software maintenance services; Advisory services relating to man-machine interfaces for computer software; Advisory services relating to computer software used for graphics; Cloud-based data protection services ; Computer and information technology consultancy services; Consultancy services relating to computing; Consultancy and information services relating to computer software design; Consultation services relating to computer software; Advice and development services relating to computer software; Information services relating to the application of computer networks; Information technology [IT] support services [troubleshooting of software]; Research and consultancy services relating to computer software; Design services for computer hardware; Computer hardware design services; Professional advisory services relating to computer software; Development of computer software for use with programmable controllers; Configuring computer hardware using software; Computer hardware development; Development of computer hardware; Design and development of electronic data security systems; Development of software for data and

multimedia content conversion from and to different protocols; Development of hardware for data and multimedia content conversion from and to different protocols; Hosting software platforms for virtual reality-based work collaboration; Providing computer facilities for the electronic storage of digital data; Development of technologies for the protection of electronic networks; Development of computer programs recorded on data media (software) designed for use in construction and automated manufacturing (cad/cam); Providing information about the design and development of computer software, systems and networks; Design of software for data and multimedia content conversion from and to different protocols; Computer programming services for electronic data security; Integration of computer systems and networks; Providing temporary use of non-downloadable computer software for tracking freight over computer networks, intranets and the internet; Design of hardware for data and multimedia content conversion from and to different protocols; Testing of electronic data processing systems; Providing temporary use of non-downloadable computer software for tracking packages over computer networks, intranets and the internet; Platform as a service [PaaS] featuring software platforms for transmission of images, audio-visual content, video content and messages; Electronic storage of files and documents; Encoding of digital music; Encoding of digital images; Encryption of digital images; Image processing software design; Scanning of images; Image processing software development; Electronic storage of videos; Computer graphics services; Computer graphics design services; Rendering of computer graphics (digital imaging services); Programming of computer animations; Computer-aided design of video graphics; Electronic storage of entertainment media content; Hosting of computerized data, files, applications and information; Design of software for processing and distribution of multimedia contents; Development of software for processing and distribution of multimedia contents; Programming of telecommunications software; Programming of multimedia equipment; Development of software for compression and decompression of multimedia contents; Design of software for multimedia data storing and recalling; Design of software for compression and decompression of multimedia contents; Development of computer platforms; Configuration of computer networks by software; Computer software design for others; Video game development services; Design and development of software for electronic television program guides; Developing computer programs for electronic cash register systems; Advisory and consultancy services relating to computer and video games software; Hosting multimedia educational content; Hosting multimedia entertainment content; Data conversion of electronic information; Electronic storage of documents and archived e-mails; Electronic data back-up; Hosting virtual environments; Providing temporary use of on-line non-downloadable software development tools; Preparation of maps in digital form; Design of computer peripherals; Design of protective clothing; Design of clothing, footwear and headgear; Design of clothing; Designing of clothing; Programming of computers; Design of computers; Rental of computer peripherals; Testing of computers; Development of computer peripherals; Rental of meters for the recording of energy consumption; Creating of home pages for computer networks; Hosting the web sites of others on a computer server for a global computer network; Providing software on a global computer network; Computer system design; Design (Computer system -); Computer system analysis; Design of operating system software; Developing of driver and operating system software; Design of chips [integrated circuits]; Computer system monitoring services; Consultancy and advice on computer software and hardware; Updating of memory banks of computer systems; Computer system design and development; Configuration of computer systems and networks; Consultancy in the field of computer system integration; Computer systems design; Design of computer systems; Rental of memory space on servers for hosting electronic bulletin boards; Providing artificial intelligence computer programs on data networks; Programming of software for information platforms on the Internet; Engineering services for applications on large and medium-sized computer systems; Providing electronic memory space on the Internet; Monitoring of computer systems to detect breakdowns; Monitoring of computer systems by remote access; Analysis (Computer systems -); Systems analysis (Computer -); Computer systems analysis; Computer security system monitoring services; Design of games; Development of hardware for audio and video operators; Design of hardware for audio and video operators; Designing of computer hardware; Rental of computer hardware; Computer hardware rental; Design of computer hardware; Computer hardware (Design of -); Computer hardware design; Testing of computer hardware; Leasing of computer hardware; Computer hardware leasing; Computer design; Design of computer databases; Design of computer microchips; Design and writing of computer software; Customized design of computer hardware; Design of electric circuit boards; Design of board-games; Design of prototypes; Design and graphic arts design for the creation of web sites; Graphic design; Hardware design; Design of artwork; Design of graphic software systems; Design of websites; Toy design; Design and development of multimedia products; Software design and development; Design and development of computer hardware architecture; Graphic design services; Design and development of computer hardware; Design and development of computer peripherals; Graphic art design; Design of costumes; Design and development of computer software architecture; Design of furniture; Furniture design; Design of models; Design of typefaces; Animation design for others; Design of sports facilities; Design of cars; Fashion design; Consultancy in the design and development of computer hardware; Computer hardware (Consultancy in the design and development of -); Design of products; Website design and development; Visual design; Design and graphic arts design for the creation of web pages on the Internet; Design and development of networks; Design of furnishings; Computer design services; Architectural design; Graphic arts design; Design (Graphic arts -); Computer design and programming services; Design of ornamental layouts; Computer specification design; Design services for architecture; Architecture design services; Interior design; Design and development of databases; Design services for exhibitions; Design and development of computer software for others; Engineering design; Design and development of homepages and websites; Design and development of electronic dictionaries; Planning and design of sports facilities; Design and development of computer software for vehicle simulation; Design and development of computer hardware for the manufacturing industry; Design services relating to the publication of documents; Design of printed material; Design of printed matter; Providing temporary use of on-line, non-downloadable software for use in publishing and printing; Interactive hosting services which allow the users to publish and share their own content and images online; Design of clothing accessories; Analysis of the mode of action of chemical combinations on animals; Design of post card cartoon characters.

Class 9:
Computer software for managing online content, namely documents, files, information, text, photos, images, graphics, music, audio, video, and multimedia content; content management system software (cms); computer software for creating dynamic web-sites; computer software for creating and designing web-sites; computer software for displaying dynamic content namely, digital content, data, documents, files, information, text, photos, images, graphics, music, audio, video, and multimedia content on computers, mobile telephones, handheld devices and internet-enabled devices; computer software for development of internet applications namely, websites and related databases, information repositories that support ecommerce transactions, online communities and automated support assistance for organisations providing information to consumers; downloadable software for the creation, integration, publication, management, and maintenance of website content; downloadable computer software to collect, manage, edit, store and share online content, namely, documents, files, information, text, photos, images, graphics, music, audio, video, and multimedia content; downloadable computer software for use in web application development, digital marketing, and database management; downloadable computer software combining past or real-time website visitor information; downloadable computer software that provides access to applications and services through a system or portal interface; computer software for use in customer relationship management (crm); computer software for use in the safeguarding of digital files, namely audio, video, text, binary, still images, graphics and multimedia files; computer software that provides real-time, integrated business management intelligence by combining information from various databases and presenting via a user interface; computer software that provides web-based access to applications and services through a web operating system or portal interface; database management software for user server programs for managing digital marketing; computer software for use as web application development and management software tools for web content management; computer software for use as web application development; web content management software for web site design and maintenance applications, downloaded from a global computer network; computer software for creating and managing web sites, including creating, publishing, managing and organising content for use on the internet or an intranet; computer software; computer programmes; computer software relating to integrated business planning and optimization capability; computer software for planning and strategic purposes; computer software for use in analytics; computer software for use in forecasting; computer software for use in sales; computer software for data communications; network management computer software; software components, namely system software, code, utilities and applications software; components for computers; interactive computer software; computer server software; computer network software; application software; computer databases; electronic databases; downloadable data in digital form; computer programmes for the creation of networks; computer operating software; computer programs being software for the design and management of websites; computer software for websites relating to integrated business planning and optimisation capability, namely, computer software for scheduling events, meetings and telephone conferences; computer software for planning and strategic purposes for websites, namely, software for scheduling events, meetings and telephone conferences; computer software for data processing for use in analytics; computer software for websites for use in forecasting, namely, software for monitoring past sales performance and predicting future revenue; computer software for managing ecommerce, namely, software for online shopping, order queuing and payment processing; data processing software; computer software for data communications, namely, via websites and blogs, namely, software for operating chat forums; computer servers; computer programs for network management; computer operating software components, namely, code, utilities and application software downloadable files containing operating system code; software plugins for use with website software; computer peripherals; electrical and electronic components; electrical and electronic components, namely, computer peripherals; interactive computer software for websites, namely, software enabling users to search databases; computer server operating software; computer network operating software; application software for websites, namely, software for the design, optimisation and operation of websites; application software for cloud computing services; application software for cloud computing services, namely, software for the storage and transfer of data relating to scheduling events, meetings, telephone conferences, online shopping, order queuing and payment processing; application software for mobile telephones; application software for mobile telephones, namely for providing internet access to websites, and for the management of websites; website development software; application software for social networking; application software for social networking services via the internet; computer hardware; downloadable computer database files; downloadable electronic database files; magnetic, optical and electronic data recording materials; magnetic, optical and electronic data recording materials, namely, data recorders; apparatus for recording, transmission or reproduction of sound or images; apparatus for recording, transmission or reproduction of sound or images, namely, sound recorders, video recorders; magnetic data carriers; magnetic data carriers sold blank; computer software for managing and filtering electronic communications; electronic publications; electronic publications, namely, downloadable electronic books in the field of website design and website management; downloadable publications; downloadable publications being electronic books in the field of website design and website management; downloadable electronic data files for website management and website development; downloadable templates for designing audiovisual presentations; electronic mail servers; data processing equipment; apparatus for data collection; apparatus for data collection, namely, computer hardware, computer software; apparatus for data storage; apparatus for data storage, namely, cd-roms, external hard drives, usb flash drives sold blank; telecommunications equipment; telecommunications equipment, namely, telephones, telephones for use with computers; computer programs for the creation of computer networks; network management apparatus; computer network management apparatus, namely computer network hubs, computer network switches, computer network routers, computer network interface devices, modems, wireless adapters used to link computers to telecommunications networks; telecommunications network management installations; telecommunications network management installations, namely, telecommunication network hubs, telecommunication network switches, telecommunication

network routers, telecommunication network interface devices, modems, wireless adapters used to link computers to telecommunications networks; remote access apparatus; remote access apparatus, namely, computer network hubs, computer network switches, computer network routers, computer network interface devices, modems, wireless adapters used to link computers to telecommunications networks; data back-up units; data back-up units, namely, external hard drives; software and mobile applications for the management of information; downloadable computer software for creating and designing websites; downloadable computer software for development of websites and related databases on the internet.

Class 41:
Training services; education services; organising and conducting workshops; organising and conducting conferences; organising and conducting exhibitions; organising and conducting courses; organising and conducting seminars; instruction, education and training services relating to the design, operation, installation and maintenance of computer software; arranging and provision of conferences, exhibitions, seminars, courses and workshops relating to optimisation; organising of events; arranging of exhibitions; arranging of competitions; provision of on-line electronic publications, not downloadable; provision of information online relating to electronic publications and online publications; provision of an e-zine (electronic magazine); writing services for blogs; arranging of presentations for training purposes; arranging of presentations for educational purposes; training services in the field of website creation and management; providing information relating to educational services; education services, namely, providing classes in the field of website creation and management; organising and conducting workshops in the field of website creation and management; organising and conducting conferences in the field of website creation and management; organising and conducting exhibitions in the field of website creation and management; organising and conducting courses in the field of website creation and management; organising and conducting seminars in the field of website creation and management; training services, provided by courses and seminars, relating to the design, operation, installation and maintenance of computer software; arranging and provision of seminars, courses and workshops relating to the design, operation, installation and maintenance of computer software; arranging and provision of conferences, exhibitions, seminars, courses and workshops relating to optimization of website creation and management; organising of events being competitions in the field of website creation and management; arranging of exhibitions in the field of website creation and management; arranging of contests; arranging of competitions in the field of website creation and management; provision of on-line electronic publications, not downloadable, in the nature of newsletters and e-zines in the field of website creation and management; provision of entertainment information online relating to electronic publications and online publications; provision of an electronic magazine, not downloadable, in the field of website creation and management; custom writing services for blogs other than publicity texts; arranging of presentations for training purposes in the field of website creation and management; arranging of presentations for educational purposes in the field of website creation and management; training services in the field of design, installation and maintenance of computer software; education services, namely, providing classes in the field of design, installation and maintenance of computer software; organising and conducting workshops in the field of design, installation and maintenance of computer software; organising and conducting conferences in the field of design, installation and maintenance of computer software; organising and conducting exhibitions in the field of design, installation and maintenance of computer software; organising and conducting courses in the field of design, installation and maintenance of computer software; organising and conducting seminars in the field of design, installation and maintenance of computer software; arranging and provision of conferences, exhibitions, seminars, courses and workshops relating to optimization of design, installation and maintenance of computer software; organising of events being competitions in the field of design, installation and maintenance of computer software; arranging of exhibitions in the field of design, installation and maintenance of computer software; arranging of contests; arranging of competitions in the field of design, installation and maintenance of computer software; provision of on-line electronic publications, not downloadable, in the nature of newsletters and e-zines in the field of design, installation and maintenance of computer software; provision of an electronic magazine, not downloadable, in the field of design, installation and maintenance of computer software; arranging of presentations for training purposes in the field of design, installation and maintenance of computer software; arranging of presentations for educational purposes in the field of design, installation and maintenance of computer software; information, consultancy and advisory services relating to all of the aforesaid services.

Class 42:
Providing temporary use of web-based software applications for managing and posting content on websites and the internet; rental of web servers; hosting computer web sites for others; creation, maintenance and adaptation of software; creation, maintenance and adaptation of software for others; creation and maintenance of software for blogs; creation of computing platforms for third parties; creation, updating and adaptation of computer programs; creation, updating and adaptation of computer programs for others; rental of software; rental of software, other than computer game software; updating of software; writing of computer software; maintenance of computer software; computer software development; implementation of software; repair of software; testing of software; consultancy relating to computer software; advice relating to computer software; computer software technical support services; consultancy and advice on computer software; installation of software; installation of computer programmes; setting up of software; customisation of computer applications software; application service provider [asp] services, namely, hosting computer software applications of others; design and development of computer systems; design of computer software; design of computer software application solutions; design of information systems; design of computer components; design of computer software components; design of computer programs; design of software developer tools; design of communication systems; design of communication systems being software for operating telephones, including computer telephony software; designing computer codes; development of computer codes; custom design software packages; custom designing of software packages for others; design and development of networks; design and development of computer network software; design and development of word processing software; design of operating system software; design and development of internet security programs; design and development of multimedia products; design and development of multimedia products being software for video and audio production; design, creation

and programming of web pages; software design services relating to the creation of networks; website design services; website design consultancy; website creation services; building and maintaining websites; design of typefaces; custom design services, namely, design of typefaces; data migration services; information technology project management; information technology services; information technology consulting services; information technology consultancy advisory and information services; computer project management services; web portal design; database design; software development; development of computer software application solutions; development of computer software applications for others; development of computer software for e-business portals; implementation of software; information technology support services; information technology support services, namely, troubleshooting of computer software problems; technical consultation services; technical consultation services in the field of information technology; technical consultancy services in relation to information technology; technical consultancy services in relation to computer programming; computer software technical support services; computer software technical support services, namely, troubleshooting of computer software problems; provision of technical support in the operation of computing networks; provision of technical support in the operation of computing networks, namely, troubleshooting of computer software problems; provision of support services for computer systems; provision of support services for computer systems, namely, troubleshooting of computer software problems; technical data analysis services; providing technical advice in relation to software; technical writing; provision of technical studies relating to computer programming; providing technical advice relating to computer hardware and software; compilation of data processing programs; computerised analysis of data; computerised analysis of data, namely, data mining; consultancy services relating to data handling; consultancy services relating to technical data handling; creation of computer programmes for data processing; commissioned writing of computer programs, software and code for the creation of web pages on the internet; server hosting; hosting of digital content, namely, online journals and blogs; hosting online web facilities for others for conducting interactive discussions; hosting of web portals; hosting of websites; hosting of podcasts; hosting of information technology platforms; hosting of platforms on the internet; hosting of multimedia content for others; hosting computer software applications for others; hosting online web facilities for others; hosting of e-commerce platforms on the internet; interactive hosting services which allow the users to publish and share their own content and images online; rental of memory space on servers for hosting electronic bulletin boards; providing temporary use of non-downloadable computer software for use in the creation and publication of online journals and blogs; creation and maintenance of software for blogs; hosting of digital content, namely, on-line journals and blogs; expert advice relating to technology; advisory services in the field of computer technology; providing technical advice relating to computers; providing technical advice relating to software; design, development and maintenance of computer software for managing online content, namely documents, files, information, text, photos, images, graphics, music, audio, video, and multimedia content; design, development and maintenance of computer software to support content management, ecommerce and marketing features, including authentication, customer relationship management and enterprise resource planning; design, development and maintenance of computer software for monitoring social media, brand awareness, customer loyalty and related web monitoring activities; design, development and maintenance of computer software for user-generated content, comments and ratings; online provision of web-based applications; hosting of databases for others; hosting of databases; design, installation and maintenance of computer software; information, consultancy and advisory services in relation to all the aforesaid services.

ATLUS

Class 9:
Computer software, apparatus, instruments, equipment and devices for sequencing, sampling, testing, discovery, integration, normalisation, equalisation, measuring, detection, targeting and transcript capture of DNA, RNA, nucleic acid, nucleic acid biomarkers, novel genes, isoforms, proteins and protein variants; computer software, apparatus, instruments, equipment and devices for sequencing, sampling, testing, discovery, integration, normalisation, equalisation, measuring, detection, targeting and transcript capture of genetic data, information and materials; computer software, apparatus, instruments, equipment and devices for sequencing, sampling, testing, discovery, integration, normalisation, equalisation, measuring, detection, targeting and transcript capture of biological data, information and materials; laboratory equipment, apparatus, devices, systems and software for DNA, RNA and polynucleic acid sample sequencing, sampling, testing, discovery, integration, normalisation, equalisation, measuring, detection, targeting and transcript capture; laboratory equipment, apparatus, devices, systems and software for preparation, purification, amplification, labelling and analysis of biological samples and materials; laboratory equipment, apparatus, devices, systems and software, namely, nucleic acid sequencers and synthesizers, instruments for preparation of nucleic acid samples, protein sequencers, genetic analysers, separation apparatus, nucleic acid purification apparatus, nucleic acid quantitation apparatus, thermal cyclers, cytometry apparatus, protein and peptide synthesizers, mass spectrometers and chromatographs; laboratory equipment for identification and detection of the presence of biologicals or chemicals in a sample; devices for analysis of genome information; biotechnological apparatus; nucleic acid sequencers for scientific purposes; microbiological analysis, detection, screening and testing apparatus; apparatus and devices for carrying out diagnostic tests (other than for medical purposes); laboratory apparatus, devices and instruments for identifying, measuring, analysing, sequencing or synthesising small molecules, genomes, DNA, RNA or other nucleic acids, proteins, peptides, hormones, metabolic markers and sugars; apparatus and devices for use in DNA, RNA, protein and polynucleic acid sequencing.

Class 10:
Medical, veterinary, pharmaceutical and clinical apparatus for sequencing, sampling, testing, discovery, integration, normalisation, equalisation, measuring, detection, targeting and transcript capture of DNA, RNA, nucleic acid, nucleic acid biomarkers, novel genes, isoforms, proteins and protein variants; medical, veterinary, pharmaceutical and clinical diagnostic devices, apparatus, tools and instruments; biological and microbiological analysis, detection, screening and testing apparatus; medical, veterinary, pharmaceutical and clinical apparatus for detecting, identifying, testing and analysing DNA, RNA, proteins, peptides, hormones , metabolic markers and sugars; medical, veterinary, pharmaceutical and clinical apparatus, instruments, equipment and devices for use in detection of proteins, peptides, sugars or metabolites; medical, veterinary, pharmaceutical and clinical apparatus and instruments for biological, bacteriological, chemical, biochemical and molecular analysis; medical, veterinary, pharmaceutical and clinical apparatus, devices and instruments for identifying, measuring, analysing, sequencing or synthesising small molecules, genomes, DNA, RNA or other nucleic acids, proteins, peptides, hormones, metabolic markers and sugars; diagnostic and testing apparatus, for medical purposes.

Class 42:
Research, development, analysis and testing services relating to DNA, RNA, nucleic acid, nucleic acid biomarkers, novel genes, isoforms, proteins and protein variants; scientific research relating to genetics; genetic research, testing, screening, analysis and engineering; biological and biotechnological research and analysis; biological laboratory services; preparation of biological samples for testing, research and analysis purposes; medical, clinical and biological research and development services; research and development in the field of diagnostic preparations; provision of information and data relating to medical research and development; conducting clinical trials; research, development and analysis in the field of molecular biology; blood analysis services for scientific and research purposes; laboratory services; laboratory testing services; structural and functional analysis of genomes; biological, microbiological and viral screening and testing services; research, design and development relating to biological and microbiological tests and testing apparatus; diagnostic testing relating to human or animal health; analysis and testing of physiological samples; medical, scientific and technical research services; biochemical research and development; chemical analysis; pharmaceutical research and development; medical, clinical, biological, scientific and technological research, development, analysis and testing services; research, development, analysis and testing services relating to genome sequencing; information, advisory and consultancy services relating to all the aforesaid services.

Class 44:
Medical sequencing, sampling, testing, discovery, integration, normalisation, equalisation, measuring, detection, targeting and transcript capture services relating to DNA, RNA, nucleic acid, nucleic acid biomarkers, novel genes, isoforms, proteins and protein variants; animal tissue bank services; cryotherapy services; collection and preservation of animal genetic materials; revival and restoration of animal genetic materials; veterinary services relating to testing of DNA, RNA, nucleic acid, nucleic acid biomarkers, novel genes, isoforms, proteins and protein variants; veterinary services relating to the treatment and processing of stem cells; genetic testing of animals for diagnostic and treatment purposes; medical diagnostic services; medical screening and testing services; medical monitoring and reporting services; optical imaging for medical diagnostic use; medical testing for diagnostic or treatment purposes; medical data services; DNA and RNA testing, screening, extraction and purification services for medical purposes; medical evaluation services; medical screening, testing, monitoring, reporting and analysis services relating to genome sequencing; medical

services in the nature of amplifying, labelling, detecting, analysing and sequencing nucleic acids; medical screening, testing, monitoring, reporting and analysis services relating to cells, tissues, gene expressions, gene and genome sequences, genome annotation, genome mapping, genome interaction and annotation, all for medical purposes; information, advisory and consultancy services relating to all the aforesaid services.
